### PART III - NARRATIVE

Registrant owns an interest in oil and gas properties in a foreign country through a subsidiary, which had a 50% interest in a foreign entity that owns the interest in the oil and gas properties as of March 31, 2002. The Registrant has been advised that delays have been encountered in obtaining certain information that may affect the completion of the financial information for such entities. Therefore, the Registrant is unable to obtain all of the required financial information for the three months ended March 31, 2002, in order for the Registrant's Quarterly Report on Form 10-Q to be filed within the prescribed time period.

### PART IV - OTHER INFORMATION

(3) Registrant will report a net loss between \$2.9 million and \$3.0 million for the three months ended March 31, 2002, and reported a net loss of \$4.22 million for the three months ended March 31, 2001. The decrease in the loss was primarily due to the impact of the adoption of SFAS 133, Accounting for Derivative Instruments and Hedging Activities during the quarter ended March 31, 2001, net of a decrease in equity income from investment during the quarter ended March 31, 2002. The decrease of equity income from investment is primarily attributable to lower oil prices obtained on the sale of crude oil by the Registrant's equity investee during the current period compared to the quarter ended March 31, 2001.
