### ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Under California law, a California corporation may eliminate or limit the personal liability of a director to the corporation for monetary damages for breach of the director's duty of care as a director, provided that the breach does not involve certain enumerated actions, including, among other things, intentional misconduct or knowing and culpable violation of the law, acts or omissions which the director believes to be contrary to the best interests of the corporation or its shareholders or which reflect an absence of good faith on the director's part, the unlawful purchase or redemption of stock, payment of unlawful dividends, and receipt of improper personal benefits. The registrant's Board of Directors believes that such provisions have become commonplace among major corporations and are beneficial in attracting and retaining qualified directors, and the registrant's Articles of Incorporation include such provisions.

2

The registrant's Articles of Incorporation and Bylaws also impose a mandatory obligation upon the registrant to indemnify any director or officer to the fullest extent authorized or permitted by law (as now or hereinafter in effect), including under circumstances in which indemnification would otherwise be at the discretion of the registrant.

### ITEM 9. UNDERTAKINGS.

Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended, may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions or otherwise, the registrant has been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933, as amended, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered hereunder, the registrant will, unless in the opinion of its counsel the matter has already been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as

expressed in the Securities Act of 1933, as amended, and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement (other than as provided in the proviso and instructions to Item 512(a) of Regulation S-K) (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933 (the "Securities Act"); (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the registration statement; and (iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

3

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports that are filed with or furnished to the Commission by the registrant pursuant to Section 13 or 15(d) of the Exchange Act and are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
