Based upon the Company's performance against the applicable performance targets, 29,561 performance units subject to such criteria vested on September 26, 2017, resulting in the reporting person becoming entitled to receive 29,561 shares of the Company's common stock before the impact of any withholding taxes which, as described in footnote 4, were satisfied by withholding a portion of the shares issuable to the reporting person.

- (4) As described in footnotes 1, 3, 6 and 7, on September 26, 2017, the reporting person became entitled to receive 101,014 shares of Company common stock in settlement of a like number of performance units. Based upon the Company's performance against the applicable performance targets, 24,186 performance units subject to such criteria vested on September 26, 2017, resulting in the reporting person becoming entitled to receive 24,186 shares of the Company's common stock before the impact of any withholding taxes which, as described in footnote 4, were satisfied by withholding a portion of the shares issuable to the reporting person.

- (7) The 24,186 shares of the Company's common stock that are issuable to the reporting person as a result of the vesting of the performance units on September 26, 2017 (before the impact of any withholding taxes which, as described in footnote 4, were satisfied by withholding a portion of the shares issuable to the reporting person) are not payable to the reporting person until the termination of the reporting person's employment with the Company or, if earlier, immediately prior to consummation of a change in control of the Company. Accordingly, these shares, net of the shares used to pay the withholding taxes, are being reported in Table II.
