PROSPECTUS SUMMARY

This summary is not complete and does not contain all of the information you should consider before investing in the common stock offered by this prospectus. You should read this summary together with the entire prospectus, including our financial statements, the notes to those financial statements, and the other documents and information incorporated by reference into this prospectus, before making an investment decision. Who We Are

We are a property and casualty insurance holding company whose principal operating subsidiary, Kingstone Insurance Company, referred to as KICO, is domiciled in the State of New York. We are a multi-line regional property and casualty insurance company writing business exclusively through independent retail and wholesale agents and brokers, referred to collectively as producers. We are licensed to write insurance policies in New York, New Jersey, Pennsylvania, Connecticut, Texas and Rhode Island. We offer property and casualty insurance products to individuals and small businesses primarily in New York State.

We seek to deliver an attractive return on capital and to provide consistent earnings growth through underwriting profits and income from our investment portfolio. Our goal is to allocate capital efficiently to those lines of business that generate sustainable underwriting profits and exit any line for which an underwriting profit is not likely to result. Our strategy is to be the preferred multi-line property and casualty insurance company for selected producers in the geographic markets in which we operate. We believe producers prefer to place profitable business with us because we provide excellent, consistent service to our producers, policyholders and claimants coupled with competitive rates and commission levels and a consistent market presence. We offer a wide array of personal and commercial lines policies, and we believe that this differentiates us from other insurance companies that also distribute through our selected producers.

Our principal objectives are to increase the volume of profitable business that we write while limiting our risk of loss and preserving our capital. We seek to generate underwriting income by writing profitable insurance policies and by effectively managing our other underwriting and operating expenses. We are pursuing profitable growth by expanding the geographic regions in which we operate, increasing the volume of business that we write with existing producers, developing new selected producer relationships, and introducing niche insurance products that are attractive to our producers and policyholders.

Our product lines include the following:

- Personal lines - Our largest line of business is personal lines, consisting of homeowners, dwelling fire, 3-4 family dwelling package, condominiums, renters, equipment breakdown and service line endorsements, and personal umbrella policies.
- Commercial liability - We offer business owners policies, which consist primarily of small business retail, service, and office risks without a residential exposure. We also write artisan's liability policies for small independent contractors with seven or fewer employees. In addition, we write special multi-peril policies for larger and more specialized business owners' risks, including those with limited residential exposures.
- Commercial automobile – Until recently we provided liability and physical damage coverage for light vehicles owned by small contractors and artisans. However, due to the poor performance of this line, effective October 1, 2014, we decided to no longer accept new commercial auto policies. In February 2015, we decided to no longer offer renewals to our existing commercial auto policies beginning with those that expired on or after May 1, 2015.
- Livery physical damage - We write for-hire vehicle physical damage only policies for livery and car service vehicles and taxicabs. These policies insure only the physical damage portion of insurance for such vehicles, with no liability coverage included.
- Other - We write canine legal liability policies and also have a small participation in mandatory state joint underwriting associations.

The Offering

On April 18, 2016, we entered into a Purchase Agreement (the "Purchase Agreement") with the selling stockholder, pursuant to which we issued and sold to the selling stockholder 595,238 shares of our common stock, par value \$0.01 per share, for an aggregate purchase price of \$5,000,000.

Pursuant to the Purchase Agreement, we agreed to register for resale the shares of common stock issued to the selling stockholder. We are required to use our commercially reasonable efforts to cause the registration statement of which this prospectus is a part to be declared effective by the SEC by the earlier of (i) 60 days following the closing of the Purchase Agreement on April 18, 2016 (or 120 days following such closing, if the SEC determines to review the registration statement), and (ii) the 5th business day after the date we are notified (orally or in writing, whichever is earlier) by the SEC that the registration statement will not be reviewed or will not be subject to further review. We also agreed to other customary obligations regarding registration, including indemnification and maintenance of the effectiveness of the registration statement.

A further description of the Purchase Agreement and the transactions contemplated thereby is contained in our Current Report on Form 8-K filed with the SEC on April 18, 2016.

RISK FACTORS

Investing in our securities involves risks. You should carefully review the risks and uncertainties described under the heading “Factors That May Affect Future Results and Financial Condition” in Item 7 (“Management’s Discussion and Analysis of Financial Condition and Results of Operations”) of our most recent Annual Report on Form 10-K for the year ended December 31, 2015, as supplemented and updated by subsequent quarterly reports on Form 10-Q and current reports on Form 8-K, that we have filed or will file with the SEC and which are incorporated by reference into this prospectus. See “Information Incorporated By Reference” and “Additional Information” on pages 10 through 12 of this prospectus. The risks so described are not the only risks facing our company. There may be other unknown or unpredictable economic, business, competitive, regulatory or other factors that could have material adverse effects on our future results. Our business, financial condition and results of operations could be materially adversely affected by any of these risks.

USE OF PROCEEDS

We will not receive any of the proceeds from the sale of the shares of our common stock offered by the selling stockholder. We will not receive any proceeds from the sale of our common stock offered by this prospectus.

SELLING STOCKHOLDER

The following table identifies the selling stockholder and indicates certain information known to us with respect to: (i) the number of shares of common stock beneficially owned by the selling stockholder prior to this offering; (ii) the maximum number of shares of common stock the selling stockholder may sell under this prospectus; (iii) the number of shares of common stock that the selling stockholder would own after this offering; and (iv) the percentage of the outstanding common stock that the selling stockholder would own after this offering.

Name of Selling Stockholder	Number of Shares of Common Stock Beneficially Owned Prior to the Offering	Number of Shares of Common Stock Offered Hereby	Number of Shares of Common Stock Beneficially Owned After the Offering	Percentage of Class After the Offering
RenaissanceRe Ventures Ltd.	595,238	595,238	0	-

The selling stockholder, or its pledgees, donees, assignees, transferees or other successors-in-interest, may sell some, all or none of its shares of common stock offered by this prospectus from time to time. We do not know how long the selling stockholder will hold its shares of common stock covered hereby before selling them. Other than the right of first refusal granted to us by the selling stockholder pursuant to the Purchase Agreement as discussed below and the other agreements set forth in the Purchase Agreement (which is incorporated by reference herein), we currently have no agreements, arrangements or understandings with the selling stockholder regarding the sale of any of the shares of common stock being offered hereunder. We do not know when or in what amounts the selling stockholder may sell or otherwise dispose of the shares of common stock covered hereby. As a result, we cannot estimate the number of shares that will be held by the selling stockholder after completion of the offering. However, for purposes of this table, we have assumed that all of the shares of common stock covered by this prospectus will be sold by the selling

stockholder.

6

Pursuant to the Purchase Agreement, the selling stockholder has agreed that, if it desires to make a sale, transfer or other disposition of at least 200,000 of the shares owed by it to a Competitor (as such term is defined in the Purchase Agreement) in a privately negotiated transaction or a series of related privately negotiated transactions, we shall have the option to purchase all, but not less than all, of the offered shares at the per share price offered for the shares and substantially upon the same material terms and conditions of the proposed transaction.

Except for the transactions described in this prospectus (including the transactions contemplated by the Purchase Agreement), the selling stockholder has not had any position, office or other material relationship with us or any of our predecessors or affiliates within the past three years (except that an affiliate of the selling stockholder was a party to a reinsurance treaty with KICO from July 1, 2013 through June 30, 2014). We are filing the Registration Statement on Form S-3, of which this prospectus is a part, to fulfill a contractual obligation to the selling stockholder pursuant to the Purchase Agreement.

We have agreed to indemnify the selling stockholder and its affiliated parties against specified liabilities, including liabilities under the Securities Act, in connection with this offering. The selling stockholder has agreed to indemnify us and our directors and officers, as well as any persons controlling us, against specified liabilities, including liabilities under the Securities Act arising out of any untrue statement or alleged untrue statement of any material fact in or omission or alleged omission from this prospectus or the registration statement of which this prospectus is a part or any amendment or supplement thereto if such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with information furnished in writing to us by or on behalf of the selling stockholder expressly for use in connection with the preparation of the registration statement. Insofar as indemnification for liabilities under the Securities Act may be permitted to our directors or officers, or persons controlling us, we have been advised that, in the opinion of the SEC, this kind of indemnification is against public policy as expressed in the Securities Act, and is therefore unenforceable.

PLAN OF DISTRIBUTION

The common stock may be sold or distributed from time to time by the selling stockholder. The shares may be sold or distributed directly to one or more purchasers, including pledgees, or through brokers or dealers who may act solely as agents or may acquire the shares as principals. The shares may be sold at market prices prevailing at the time of sale, at prices related to such prevailing market prices, at negotiated prices or at fixed prices, which may be changed. When we refer to the “selling stockholder” in this section, we mean RenaissanceRe Ventures Ltd., as well as its pledgees, donees, assignees, transferees and other successors-in-interest.

The distribution of the shares of common stock may be effected in one or more of the following methods:

- underwritten offerings;
- ordinary brokers transactions and transactions in which the broker solicits purchasers;
- purchases by brokers or dealers as principal and resale by such purchasers for their own accounts pursuant to this prospectus;
- block trades in which the broker-dealer so engaged will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
 - “at the market” to or through market makers or into an existing market for the common stock;
- in other ways not involving market makers or established trading markets, including direct sales to purchasers or sales effected through agents;
 - through transactions in options, swaps or other derivatives, whether exchange listed or otherwise;
 - through the settlement of short sales;
 - in privately negotiated transactions; or
 - any combination of the foregoing, or by any other legally available means.

In addition, any shares that qualify for sale pursuant to Rule 144 under the Securities Act may be sold under Rule 144 rather than pursuant to this prospectus. If the selling stockholder uses one or more underwriters in the sale, such underwriter(s) will acquire the shares of our common stock covered by this prospectus for their own account. The underwriter(s) may resell the shares of our common stock in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale.

To the extent required, this prospectus may be amended or supplemented from time to time to describe a specific plan of distribution, including the names of any underwriters, the purchase price and the proceeds the selling stockholder will receive from the sale, any underwriting discounts and other items constituting underwriters' compensation, any initial public offering price and any discounts or concessions allowed or reallocated or paid to dealers, and any other information we believe to be material.

In connection with distributions of the shares or otherwise, the selling stockholder may enter into hedging transactions with broker-dealers or other financial institutions. In connection with such transactions, broker-dealers or other financial institutions may engage in short sales of the common stock in the course of hedging the positions they assume with the selling stockholder. The selling stockholder may also sell the common stock short and redeliver the shares to close out such short positions. The selling stockholder may also enter into option or other transactions with broker-dealers or other financial institutions which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction). The selling stockholder may also pledge shares to a broker-dealer or other financial institution, and, upon a default, such broker-dealer or other financial institution may effect sales of the pledged shares pursuant to this prospectus (as supplemented or amended to reflect such transaction).

Brokers, dealers or agents participating in the distribution of the shares of common stock may receive compensation in the form of discounts, concessions or commissions from the selling stockholder and/or the purchasers of shares of common stock for whom such broker-dealers may act as agent or to whom they may sell as principal, or both. Such compensation as to a particular broker-dealer may be in excess of customary commissions. The selling stockholder and any broker-dealers acting in connection with the sale of the shares of common stock hereunder may be deemed to be underwriters within the meaning of Section 2(11) of the Securities Act, and any commission received by them and any profit realized by them on the resale of shares of common stock as principals may be deemed underwriting compensation under the Securities Act. Neither we nor the selling stockholder can presently estimate the amount of that compensation. We know of no existing arrangements between the selling stockholder and any such broker, dealer or agent relating to the sale or distribution of the shares of common stock.

We have advised the selling stockholder that the anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of shares in the market and to the activities of the selling stockholder and its affiliates, which may restrict certain activities of, and limit the timing of purchases and sales of securities by, the selling stockholder and other persons participating in a distribution of securities. In addition, we will make copies of this prospectus available to the selling stockholder for the purpose of satisfying the prospectus delivery requirements of the Securities Act. The selling stockholder may indemnify any broker-dealer that participates in transactions involving the sale of the shares against certain liabilities, including liabilities arising under the Securities Act.

At the time a particular offer of shares is made, if required, a prospectus supplement will be distributed that will set forth the number of shares of our common stock being offered, the method of distribution and the terms of the offering, including the name or names of any underwriters, dealers or agents, the purchase price paid by any underwriter, any discount, commission and other item constituting compensation, any discount, commission or concession allowed or reallocated or paid to any dealer, and the proposed selling price to the public

In order to comply with the securities laws of some states, if applicable, the common stock may be sold in these jurisdictions only through registered or licensed brokers or dealers. In addition, in some states the common stock may not be sold unless it has been registered or qualified for sale or an exemption from registration or qualification requirements is available and is complied with.

The specific terms of the lock-up provisions, if any, in respect of any given offering will be described in the applicable prospectus supplement.

We have agreed with the selling stockholder to keep the registration statement, of which this prospectus constitutes a part, effective until the earlier of (i) two years after the effective date of the registration statement, (ii) such time as all of the shares covered by this prospectus have been sold pursuant to the registration statement, or (iii) such time as the shares covered by this prospectus become eligible for resale by the selling stockholder without any volume limitations or other restrictions pursuant to Rule 144(b)(1)(i) under the Securities Act or any other rule of similar effect.

We are required to pay all fees and expenses incident to the registration of the shares. We have agreed to indemnify the selling stockholder against certain losses, claims, damages and liabilities, including liabilities under the Securities Act or otherwise.

There can be no assurance that the selling stockholder will sell any or all of the shares of common stock covered by this prospectus.

Item 15. Indemnification of Directors and Officers.

Section 145 of the General Corporation Law of the State of Delaware (the "DGCL") empowers a Delaware corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person is or was a director, officer, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or other enterprise. A corporation may indemnify such person against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. A corporation may, in advance of the final disposition of any civil, criminal, administrative or investigative action, suit or proceeding, pay the expenses (including attorneys' fees) incurred by any officer or director in defending such action, provided that the officer or director undertakes to repay such amount if it shall ultimately be determined that he or she is not entitled to be indemnified by the corporation.

A Delaware corporation may indemnify officers and directors in an action by or in the right of the corporation to procure a judgment in its favor under the same conditions, except that no indemnification is permitted without judicial approval if the officer or director is adjudged to be liable to the corporation. Where an officer or director is successful on the merits or otherwise in the defense of any action referred to above, the corporation must indemnify him or her against the expenses (including attorneys' fees) which he or she actually and reasonably incurred in connection therewith. The indemnification provided by the DGCL is not deemed to be exclusive of any other rights to which

those seeking indemnification may be entitled under any corporation's bylaws, agreement, vote or otherwise.

II-1

Article TWELFTH of the Company's Restated Certificate of Incorporation eliminates, absent fraud, the personal liability of directors to the Company, stockholders or creditors thereof, or any other persons, in connection with losses incurred by the Company under or by reason of any contract or business transaction between a director and the Company, nor shall a director be accountable for any gains or profits realized thereon.

Article THIRTEENTH of the Company's Restated Certificate of Incorporation provides that each director and each officer now or hereafter serving the Company or, at the request of the Company, any other corporation in which the Company has an interest as stockholder or creditor, and his heirs, executors and administrators, shall be indemnified and held harmless by the Company from and against all costs, expenses and liabilities, including but not limited to counsel fees and amounts of judgments and amounts paid in settlement, which may be imposed upon or incurred by him in connection with or resulting from any claim made against him or any action, suit or proceeding in which he may be involved, by reason of his being or having been a director or officer of the Company or any of such other corporation, whether or not he continues to be a director or officer at the time such costs, expenses and liabilities are imposed or incurred; provided, however, that no such director or officer shall be so indemnified (a) with respect to any matter as to which he shall, in any such action, suit or proceeding, be finally adjudged to be liable for misconduct in the performance of his duties as a director or officer, or (b) in the event of a settlement of any such claim, action, suit or proceeding unless (i) such settlement shall, with knowledge of the indemnification provided for hereby, be approved by the court having jurisdiction of such claim, action, suit or proceeding or (ii) such settlement shall have been made upon the written opinion of independent legal counsel, selected by or in a manner determined by the board of directors of the corporation, to the effect that there is no reasonable ground of liability for misconduct on the part of such director or officer and that the entire cost of such settlement will not substantially exceed the estimated cost of defending such claim, action, suit or proceeding to a final conclusion. The Company's Restated Certificate of Incorporation also states that the foregoing rights of indemnification shall be in addition to any other rights to which such director or officer may otherwise be entitled as a matter of law.

Article FIFTEENTH of the Company's Restated Certificate of Incorporation eliminates the personal liability of directors to the Company and its stockholders for monetary damages for breach of fiduciary duty as a director except for liability of a director (i) for breach of the director's duty of loyalty to the Company or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) arising under Section 174 of the Delaware General Corporation Law, or (iv) for any transaction from which the director derived an improper personal benefit.

Additionally, the Company has included in its By-Laws provisions to indemnify its directors, officers, employees and agents and to purchase insurance with respect to liability arising out of the performance of their duties as directors, officers, employees and agents as permitted by Section 145 of the Delaware General Corporation Law.

The effect of the foregoing is to require the Company, to the extent permitted by law, to indemnify the officers, directors, employees and agents of the Company for any claim arising against such persons in their official capacities if such person acted in good faith and in a manner that he reasonably believed to be in or not opposed to the best interests of the Company, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful.

In connection with this registration statement, pursuant to the Purchase Agreement the selling stockholder has agreed to indemnify the Company, its directors, each of its officers who signed this registration statement, and each person who controls it within the meaning of Section 15 of the Securities Act with respect to, among other things, any untrue statement or alleged untrue statement of any material fact in or omission or alleged omission from this registration statement or the prospectus or any amendment or supplement thereto if such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with information furnished in writing to the Company by or on behalf of the selling stockholder expressly for use in connection with the preparation of this registration statement.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that, in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

Item 16. Exhibits.

Reference is made to the Exhibit Index filed as part of this registration statement.

Item 17. Undertakings.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales of securities are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that Paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the registration statement is on Form S-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) If the registrant is relying on Rule 430B:

(a) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(b) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or

(ii) If the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(5) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
