Notes to Consolidated Financial Statements

June 30, 2002

(Unaudited)

Note 1 - Financial Statements

The accompanying consolidated financial statements included herein have been prepared by Westsphere Asset Corporation, Inc. (the "Company") without audit, pursuant to the rules and regulations of the Securities and Exchange Commission for reporting on Form 10-QSB. Certain information and footnote disclosure normally included in the financial statements prepared in accordance with generally accepted accounting principles have been condensed or omitted as allowed by such rules and regulations, and Westsphere Asset Corporation, Inc. believes that the disclosures are adequate to make the information presented not misleading. It is suggested that these financial statements be read in conjunction with the December 31, 2001 audited financial statements and the accompanying notes thereto contained in the Annual Report on Form 10-KSB filed with the Securities and Exchange Commission. While management believes the procedures followed in preparing these financial statements are reasonable, the accuracy of the amounts are in some respects dependent upon the facts that will exist, and procedures that will be accomplished by Westsphere Asset Corporation, Inc. later in the year. The results of operations for the interim periods are not necessarily indicative of the results of operations for the full year. In management's opinion all adjustments necessary for a fair presentation of the Company's financial statements are reflected in the interim periods included.

Amounts shown for December 31, 2001 are derived from the Company's audited financial statements for that period.

Note 2 - Summary of Significant Accounting Policies

Organization

The Company was incorporated in Colorado on July 21, 1998 as Newslink Networks TDS, Inc. and changed its name to Westsphere Asset Corporation, Inc. on April 29, 1999. The Company accounted for its acquisition of Vencash as a reverse acquisition since certain shareholders were shareholders of both corporations. Vencash is in the business of selling and installing cash vending machines throughout Canada. On May 18, 1999, Westsphere formed a wholly owned subsidiary, Westsphere Financial Group Ltd. ("Financial"), which was organized to lease cash vending machines. On May 16, 2000, VC/POS/ATM Services Inc. ("Services") and 880487 Alberta Ltd. ("Alberta") was incorporated as wholly owned subsidiaries of Westsphere. Services and Alberta had no business activity during this period. On June 1, 1999, Westsphere acquired an interest in Kan-Can Resorts Ltd. ("Kan-Can") by exchanging 290,000 shares of its common stock for a 10% interest in Kan-Can. During 2001 the Company acquired additional stock in Kan-Can and owned 99% of the stock at December 31, 2001.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATION.

At present, Westsphere Asset Corporation ("Westsphere" or the "Company") earns its income through its wholly owned subsidiaries, Vencash Capital Corporation and Westsphere Financial Group Ltd. and Westsphere Systems Inc. Management is of the opinion that Vencash Capital Corporation will generate sufficient revenue from its operations to meet the operating expenses of Vencash Capital. However, such revenues will not be sufficient to fund the operating needs of Westsphere itself or the operating needs of its other subsidiaries, Westsphere Financial Group Ltd. and Westsphere Systems Inc. The Company has sufficient cash flow to cover its operations for the next four months. Capital from equity issues or borrowings of \$130,000 will be required to fund the operations of Westsphere and

WestspHERE Financial Group to cover the last eight months of the next twelve month period. Thereafter, the Company believes that Vencash Capital will generate sufficient funds to cover the overall operations. All dollar references in this section and in our financial statements are in U.S. dollars.

Plan of Operations

As of June 30, 2002, WestspHERE had limited cash resources. WestspHERE needs to raise additional funds to meet its cash requirements for the next twelve months. WestspHERE intends to raise such funds from the sale of equity securities, borrowings, government grants and partnering with industry in the development of its technologies. WestspHERE has been raising funds on an as needed basis from related parties and existing shareholders. These funds are presently booked as convertible debentures with no interest for the first year and an option to convert into equity. On April 30, 2002, WestspHERE raised \$59,964 from existing shareholders as a short term loan payable with no interest and demand of repayment. The use of proceeds were distributed \$49,375 was used to acquire an additional 10% interest in TRAC POS Processing Inc., and \$10,589 was used to fund the asset growth of the Company's wholly-owned operating subsidiary, WestspHERE Financial Group Ltd.

During the quarter ended June 30, 2002, WestspHERE advanced funds of \$32,581 to its wholly owned subsidiary, WestspHERE Financial Group Ltd., to fund short-fall operating expenses and to fund to expand finance business. WestspHERE advanced funds of \$1,261 to its wholly owned subsidiary, WestspHERE Systems Inc., to fund short-fall operating expenses. WestspHERE advanced funds of \$485 to its majority interest in E-Debit International Inc., to fund short-fall operating expenses. During such quarter, the Company also received repayment of \$38,753 from its related company TRAC POS Processing Inc., and the Company also received repayment of \$11,828 from its related company KanCan Resorts Ltd.

WestspHERE does not expect to conduct any research and development during the next twelve months, nor does it expect that its subsidiaries will conduct any research and development during such period of time. WestspHERE and its subsidiaries do not expect to sell any equipment during the next twelve months. Vencash Capital will continue to build up its capital assets by purchasing and placing more ATMs in the market. WestspHERE and its subsidiaries do not expect to have a significant change in the number of employees during the next twelve months.

Short Term

On a short term basis, WestspHERE's subsidiary, Vencash Capital Corporation, is expected to generate sufficient revenues to meet the overhead needs of Vencash Capital Corporation and WestspHERE. In order to meet its growth plan, WestspHERE will continue to be dependent on equity funds raised, joint venture arrangements and/or loan proceeds for the last six months of the next twelve month period.

Long Term

As mentioned above, WestspHERE believes that its subsidiary, Vencash Capital, generates sufficient ongoing revenue to ensure that WestspHERE is a going concern. It is anticipated that operations will have substantial increases in net cash flow at the fiscal year ended December 31, 2002. WestspHERE will remain reliant on the successful development and marketing of the products related to its business for possibility of future income.

Capital Resources

The primary capital resources of WestspHERE are the operations of its wholly owned subsidiary, Vencash Capital. The secondary capital resource will be the sale of shares of WestspHERE common stock, which may be illiquid because of resale restrictions and/or as a result of its inability to sustain the growth of its market and the risk of takeover by competitors. WestspHERE may thus have to locate debt financing, joint ventures or merger/acquisition candidates to meet its operations expenses and will be required to raise funds by loans, joint ventures or equity financing in order to

meet these commitments.
