Explanation of Responses:

(1) On June 29, 2001, GenesisIntermedia, Inc. (the "Company") announced that it had received a conditional loan commitment for a \$100 million credit facility from Riverdale LLC, a company owned by Carl C. Icahn. It also announced that concurrently the parties agreed to principal terms relating to investment banking services to be provided by Riverdale or its affiliates. The Company further announced that consummation of the financing transactions is subject to the negotiation and execution of definitive credit and security documents and that consummation of any financings under the facility would be subject to a number of conditions, including credit review of potential acquisition targets, lender due diligence of the acquisitions and other conditions to be set forth in any definitive credit agreement.

Edgar Filing: GENESISINTERMEDIA INC - Form 4

The Company also announced that, in conjunction with the conditional commitment and investment banking services, the Company agreed to issue warrants to purchase 4 million shares of common stock of the Company to Riverdale and agreed to grant to Riverdale registration rights with respect to the common stock issuable upon exercise of the warrants. The Company also announced that concurrently Mr. El-Batrawi, the Company's chairman, agreed to grant to Riverdale options to acquire 1.5 million shares of common stock held by him. The Company also announced that concurrent with the Company's agreement to grant 4 million warrants to Riverdale, Mr. El-Batrawi and the Reporting Person agreed to grant options to the Company to purchase common stock held by them. The stock options identified in Table II above reflect the stock options granted by the Reporting Person to the Company. The options are exercisable to the extent Riverdale exercises the same priced warrants issued to it by the Company.

(2) Reporting Person has executed trades that were subject to Section 16(b) prohibition on "short-swing" profits, including the sale of the options to purchase its common stock at \$9.00 per share. As a result, Reporting Person has undertaken to disgorge to Issuer its "short-swing" profits calculated pursuant to Section 16(b).
