Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

The information previously furnished with respect to this item is hereby amended to add the following:

Pursuant to the Stock Purchase Agreement, TAC and each Anschutz Entity has agreed that, for a period of 120 days after the Effective Date, it will not offer, sell, contract to sell, pledge or otherwise dispose of, directly or indirectly, any shares of Common Stock (or securities convertible into or exchangeable or exercisable for any shares of Common Stock), or publicly disclose the intention to make any such offer, sale, pledge or disposition, without the prior written consent of the Company, provided however that TAC or any Anschutz Entity may make a bona fide pledge of shares of Common Stock to secure recourse loans from third party financial institutions and, as pledgee of such Common Stock, no such financial institution will be restricted under the Stock Purchase Agreement from exercising any right of enforcement or foreclosure with respect to any related security interest or lien. In addition, TAC and each Anschutz Entity agreed that, for a period of 120 days after the Effective Date, it will not make any demand for, or exercise any right with respect to, the registration of any shares of Common Stock, without the prior written consent of the Company.

In connection with a public offering of Common Stock by the Company, Anschutz executed a letter agreement dated January 6, 2003 (the "Letter Agreement"), under which he agreed to certain restrictions on the transfer of his Common Stock. Pursuant to the Letter Agreement, Anschutz has agreed that, for a period of 90 days after the Public Offering Date (as defined below), he will not offer, sell, contract to sell, pledge or otherwise dispose of, directly or indirectly, any shares of Common Stock (or securities convertible into or exchangeable or exercisable for any shares of Common Stock), enter into a transaction that would have a similar effect, or enter into any swap, hedge or other arrangement that transfers, in whole or in part, any of the economic consequences of ownership of such Common Stock, or publicly disclose the intention to make any such offer, sale, pledge or disposition or enter into any such transaction, without the prior written consent of Credit Suisse First Boston Corporation ("CSFBC") and J.P. Morgan Securities, Inc. ("JPMSI"). These restrictions do not apply to any shares of Common Stock that may be acquired by Anschutz on the open market. In addition, the Letter Agreement allows Anschutz and all of the executive officers and directors of the Company that entered into a similar letter agreement to sell up to 200,000 shares of Common Stock in the aggregate. Pursuant to the Letter Agreement, Anschutz has also agreed that, for a period of 90 days after the Public Offering Date, he will not make any demand for or exercise any right with respect to, the registration of any shares of Common Stock without the prior written consent of CSFBC and JPMSI. Notwithstanding any of the provisions contained in the Letter Agreement, the Common Stock held by TAC and the Anschutz Entities are not governed by the terms set forth in the Letter Agreement but instead are governed by the terms of the Stock Purchase Agreement. As used in this paragraph, the Public Offering Date is January 15, 2003. A copy of the Letter Agreement is being filed with this Amendment No. 14 as Exhibit 13.

Pursuant to a Registration Rights Agreement dated July 10, 2000 among the Company, TAC and the other signatories thereto, TAC has certain registration rights with respect to the shares of Common Stock (the "Registrable Securities") acquired by it in connection with the merger of the Company with Forcenergy, Inc. Under the Registration Rights Agreement, TAC generally has the right to make one or more demands for

Edgar Filing: FOREST OIL CORP - Form SC 13D/A

registration of its Registrable Securities at any time until July 10, 2005, except that the Company is not required to effect more than two demand registrations in any 12 month period. Pursuant to the Stock Purchase Agreement, TAC agreed to amend the Registration Rights Agreement such that the Company shall only be required to effect one demand registration for TAC under the Registration Rights Agreement during the 12-month period beginning on January 6, 2003. TAC also has rights under the Registration Rights Agreement to request up to 10 piggyback registrations and to request the Company to effect a shelf registration covering the Registrable Securities. The registration rights described in this paragraph are subject to various terms and conditions described in the Registration Rights Agreement, a copy of which is being filed with this Amendment No. 14 as Exhibit 14.
