Dear Fellow Shareholder:

You are cordially invited to attend the Annual Meeting of Shareholders of Independent Bank Corp. to be held on Thursday, April 10, 2003. The meeting will be held at Plimoth Plantation, 137 Warren Avenue on Route 3A in Plymouth, Massachusetts and will begin at 3:30 p.m. Shareholders of record as of February 10, 2003 will be entitled to vote at the Annual Meeting. I look forward to personally greeting those of you who will be able to attend.

Enclosed with this letter are Independent Bank Corp.'s Notice of Annual Stockholder Meeting, Independent Bank Corp.'s Proxy Statement, and a white Independent Bank Corp. Proxy Card. Please read these materials carefully for a more complete description of the matters to be considered at the Annual Meeting. Then, please take a minute to do your part to reelect the four existing Class I Directors by voting "FOR ALL NOMINEES," and signing, dating, and returning your white proxy card in the enclosed postage-prepaid envelope.

In corporations, as in all things, there eventually comes a time for those in charge to step aside and give way to new and fresh ideas. This is the last Annual Meeting at which I will serve as Chairman because I have chosen, for personal reasons, this time to retire. I do so comfortable with the knowledge that the Company will continue to be very well served by its senior management team, headed by our new Chief Executive Officer, Christopher Oddleifson, and continue to be well guided by its Board of Directors.

Two of our long-time directors, Lawrence M. Levinson and Robert L. Cushing, have recently resigned from the Board. On behalf of the Company, I wish them well in their retirement and thank them for their many years of dedicated service. I can also report that William J. Spence, who initially challenged the Company's mandatory retirement age policy for Directors (at age 72) to which he became subject, has also recently resigned, effective at this Annual Meeting. The Board is pleased that matters with Director Spence have been resolved.

It is important that your shares are represented at the Annual Meeting, regardless of the number you own. I therefore urge you to sign and return your white proxy card as soon as possible. If you have any questions, please contact our Clerk, Linda M. Campion, at (781) 982-6243.

Best regards,

Douglas H. Philipsen
Chairman
Independent Bank Corp.

INDEPENDENT BANK CORP. PROXY STATEMENT

I. Date, Time, And Place Of Annual Stockholders Meeting

The Board of Directors (the "Board") of Independent Bank Corp. (the "Company") is making this proxy solicitation and furnishes this Proxy Statement to the holders of the Company's common stock, \$.01 par value per share ("Common Stock"), in connection with the solicitation of proxies for use at the Annual Meeting of Stockholders ("Annual Meeting") to be held at the Plimoth Plantation, 137 Warren Avenue on Route 3A, Plymouth, Massachusetts on Thursday, April 10, 2003 at 3:30 p.m., local time, and also for use at any adjournments of the Annual Meeting.

II. Date Of Proxy Statement

The Board anticipates that this Proxy Statement will be mailed to stockholders on or about February 25, 2003.

III. Purposes Of Annual Meeting

The Annual Meeting will be held for the following purposes:

- (1) To elect four Class I Directors; and
- (2) To consider and act upon any matters incidental to any of the foregoing purposes, and any other business which may properly come before the Annual Meeting or any adjournments thereof.

IV. Voting Of Proxies, Revocability Of Proxies, And Voting Procedures Generally

Each proxy solicited hereby, if properly signed and returned to the Company and not revoked, in writing, prior to its use, will be voted in accordance with the instructions contained therein. The Board recommends that you vote as follows:

- (1) **"FOR ALL NOMINEES"** with respect to the reelection of Richard S. Anderson, Kevin J. Jones, Richard H. Sgarzi, and Thomas J. Teuten as Class I Directors; and
- (2) upon such other matters as may properly come before the Annual Meeting, in accordance with the best judgment of the persons appointed as proxies.

Any stockholder giving a proxy has the power to revoke it at any time before it is exercised by (i) filing a written notice of revocation with the Clerk at least one business day prior to the Annual Meeting, (ii) submitting a duly executed proxy bearing a later date which is received by the Clerk at least one business day prior to the Annual Meeting, or (iii) appearing at the Annual Meeting and giving the Clerk written notice of his or her intention to vote in person. Proxies solicited hereby may be exercised only at the Annual Meeting and any adjournments thereof and will not be used for any other meeting.

Only stockholders of record at the close of business on February 10, 2003 ("Voting Record Date") will be entitled to vote at the Annual Meeting and any adjournments thereof. On the Voting Record Date, there were 14,518,968 shares of Common Stock issued and outstanding. Each share of Common Stock is entitled to one vote at the Annual Meeting. The By-Laws of the Company require that the holders of a majority of all shares of Common Stock then outstanding and entitled to vote be present in person or be represented by proxy at the Annual Meeting in order to constitute a quorum for the transaction of business.

A plurality of votes cast by stockholders present, in person or by proxy, at the Annual Meeting is required for the election of directors. Abstentions and broker non-votes are counted for purposes of

1

determining the presence or absence of a quorum for transaction of business at the Annual Meeting. Abstentions are counted as a negative vote in the tabulations of the votes on proposals presented to stockholders, whereas broker non-votes are disregarded for purposes of determining whether a proposal has been approved.

V. Matters To Be Voted Upon At Annual Meeting

A. Election Of Class I Directors (Notice Item 1)

The Articles provide that the Board shall be divided into three classes as nearly equal in number as possible, and that the members of each class are to be elected for a term of three years. Currently, there are 15 members, who are divided into three classes of Directors. Directors Robert L. Cushing and William J. Spence are resigning effective as of the Annual Meeting. Consequently, the number of directors serving on the Board subsequent to this Annual Meeting will be 13.

Directors continue to serve until their three-year terms expire and until their successors are elected and qualified, unless they earlier retire in accordance with the Company's mandatory retirement age for Directors (at age 72), die, resign, or are removed from office. One class of directors is to be elected annually. The Nominating Committee of the Board has nominated the following four Class I Directors (the "Board Nominees") for reelection at the Annual Meeting:

Richard S. Anderson. Age 60. Mr. Anderson resides in Lakeville, Massachusetts and is an owner and principal executive of Anderson-Cushing Insurance Agency, Inc., an insurance broker in Middleborough, Massachusetts. Mr. Anderson became a Director of the Company and of Rockland Trust Company, the Company's wholly-owned banking subsidiary ("Rockland Trust"), in 1992.

Kevin J. Jones. Age 51. Mr. Jones resides in Raynham, Massachusetts and is Treasurer of Plumbers' Supply Company, a wholesale plumbing supply company, in Fall River, Massachusetts. Mr. Jones became a Director of Rockland Trust in 1997

Edgar Filing: INDEPENDENT BANK CORP - Form DEF 14A

and a Director of the Company in 2000.

Richard H. Sgarzi. Age 60. Mr. Sgarzi resides in Mashpee, Massachusetts and is the President and Treasurer of Black Cat Cranberry Corp., a cranberry grower in Plymouth, Massachusetts. Mr. Sgarzi has served as a Director of Rockland Trust since 1980 and as a Director of the Company since 1994.

Thomas J. Teuten. Age 62. Mr. Teuten resides in Kingston, Massachusetts and is President of A.W. Perry, Inc. and A.W. Perry Security Corporation, real estate investment companies in Boston, Massachusetts. Mr. Teuten has served as a Director of Rockland Trust since 1975 and as a Director of the Company since 1986.

The Board Nominees have served the Company and Rockland Trust for many years and have each contributed to the Company's success. Management, under the direction of the Board of Directors, is executing a solid operating plan that delivers value to the shareholders.

The Nominating Committee of the Board therefore recommends reelection of all four of the Board Nominees.

Unless instructions to the contrary are received, it is intended that the shares represented by proxies will be voted for the reelection of the Board Nominees as Class I Directors. The Company has no reason to believe that any of the Board Nominees will be unable to serve. If, however, any of the Board Nominees should not be available for election at the time of the Annual Meeting, it is the intention of the persons named as proxies to vote the shares to which the proxy relates, unless authority to do so has been withheld or limited in the proxy, for the election of such other person or persons as may be designated by the Board or, in the absence of such designation, in such other manner as they may, in their discretion, determine.

**The Nominating Committee Of The Board Therefore Recommends That You Vote
FOR ALL NOMINEES On White Proxy Card And Reelect The Board Nominees.**

2

B. Other Matters (Notice Item 2)

The proxy also confers discretionary authority with respect to any other business which may come before the Annual Meeting, including rules for the conduct of the Annual Meeting. The Board knows of no other matter to be presented at the Annual Meeting. It is the intention of the persons named as proxies to vote the shares to which the proxies relate according to their best judgment if any matters not included in this Proxy Statement come before the Annual Meeting, unless the proxy states to the contrary.

VI. Board Of Directors

A. Current Members

In addition to the Board Nominees set forth above, as of the date of the Annual Meeting, the Board of the Company will be comprised of the individuals listed below. As the membership of the Board of the Company and the Board of Directors of Rockland Trust, the Company's wholly-owned banking subsidiary, is overlapping, the current membership of the Rockland Trust Board of Directors is also described below.

Mr. Sullivan has been a Director of Rockland Trust since 1979 and became a Director of the Company in 2000.

Brian S. Tedeschi. Age 52. Mr. Tedeschi is Chairman of the Board of Directors of Tedeschi Realty Corp., a real estate development company in Rockland, Massachusetts. Mr. Tedeschi has served as a Director of Rockland Trust since 1980 and of the Company since 1991.

All Directors attended at least 75% of the meetings of the Company's Board and its committees during 2002 of which they were members.

B. Former Directors

The Company would also like to recognize the following three Directors who have either recently resigned (in the case of Mr. Levinson) or who are resigning as of the Annual Meeting (in the case of Messrs. Cushing and Spence):

Robert L. Cushing. Age 83. Mr. Cushing is President of the Hannah B. G. Shaw Home for the Aged, Inc., a non-profit retirement living facility in Middleborough, Massachusetts. 4

each May. The current permanent members of the Executive Committee of the Company and Rockland Trust are Messrs. Clark (who acts as Chairman of the Executive Committee), Philipson, Sgarzi, and Teuten. All other members of the Board serve on the Executive Committees of the Company and Rockland Trust in a rotating capacity for three months at least once per year.

No fees were paid to any Director who was an employee of the Company or Rockland Trust for attendance at meetings of the Board in 2002. All non-employee Directors received a \$800 fee per meeting for attendance at meetings of the Rockland Trust Board of Directors. Each non-employee director who was a member of the Company's Audit Committee or Rockland Trust's Executive or Audit Committee received a \$800 fee per meeting attended. Mr. Clark, the Chairman of the Executive Committees for both the Company and Rockland Trust, received a \$1,000 fee per Executive Committee meeting attended. The Company and Rockland Trust each have a Search and Transition Committee which was formed for the purpose of conducting a nationwide search to identify a successor for Douglas H. Philipson. The Committee is composed of Messrs. Clark, Jones, Sgarzi, and Teuten. The Search and Transition Committee held 17 meetings in 2002. The members received the same fee that they received for attending an Executive Committee meeting (Messrs. Sgarzi, Teuten and Jones paid \$800 and Mr. Clark paid \$1,000).

In 2002 the Board of Directors of the Company elected a Nominating Committee for the Annual Meeting of Shareholders in 2003 consisting of Directors Clark, Cushing, Donovan, Gilmore, Hall, Spurr, Sullivan and Tedeschi. It is the Nominating Committee who has recommended the reelection of Directors Anderson, Jones, Sgarzi, and Teuten as Class I Directors. The Nominating Committee considers director nominees nominated by shareholders so long as such nominations are received not less than 75 days nor more than 125 days prior to the anniversary date of the immediately preceding annual meeting. The nomination must set forth the name, age, business address, residence address, occupation and Company stockholdings for the director nominee as well as the consent of such nominee. The stockholder must also include his or her name, record address, and Company stockholdings in the nomination. The stockholder must make certain further representations as set forth in the Company's By-Laws.

The Compensation Committee of Rockland Trust held 16 meetings in 2002. Its membership was comprised of permanent members Messrs. The 1987 Plan expired in 1997, and no additional stock options may be granted under it. The Stock Option

5

Plan Committee held 4 meetings in 2002. During 2002, its membership consisted of Messrs. Clark, Sgarzi, and Teuten. Members of the Stock Option Plan Committee are elected each year following the annual meeting of stockholders of the Company.

Edgar Filing: INDEPENDENT BANK CORP - Form DEF 14A

Under the Directors' Option Plan, each person who was a non-employee director of the Company or of Rockland Trust on April 16, 1996 automatically received a non-qualified stock option to purchase 5,000 shares of Common Stock at the then fair market value of the Common Stock. Each person who thereafter becomes a non-employee director of the Company or of Rockland Trust shall receive, on the first anniversary of his or her election, a non-qualified stock option to purchase 5,000 shares of Common Stock at its then fair market value. D. *Report Of The Company's Audit Committee*¹

During 2002, the Audit Committee of the Company's Board had 6 meetings. Its membership was compromised of Messrs. Spurr (who served as Chairman), Clark, and Cushing.

(1)

This report shall not be deemed to be incorporated by reference into any of the Company's previous filings with the Securities and Exchange Commission ("SEC") and shall not be deemed incorporated by reference into any of the Company's future SEC filings irrespective of any general incorporation language therein.

Each member of the Company's Audit Committee is "independent" as defined under both the existing and proposed rules of the NASDAQ Stock Market. In addition, the Board has determined that the Company's Audit Committee has an "audit committee financial expert," as defined in regulations issued pursuant to the Sarbanes-Oxley Act of 2002 ("SOA"). The Company's "audit committee financial expert" is its Chairman, John H. Spurr, Jr., who is the Executive Vice President, Treasurer, and principal financial officer of A.W. Perry, Inc., a Boston-based real estate investment company.

The Company's Audit Committee operates under a written charter adopted and approved by the Board. On February 13, 2003, the Board, acting upon the recommendation of the Audit Committee, approved and adopted the revised written charter attached hereto as Exhibit A to this Proxy Statement in order to comply with additional requirements imposed by the SOA.

The Company's Audit Committee has responsibility for oversight of the Company's audit process and monitoring the accounting, financial reporting, data processing, regulatory, and internal control functions. One of the Audit Committee's primary responsibilities is to enhance the independence of the audit function, thereby furthering the objectivity of financial reporting. Accordingly, the Company's Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the Company's independent auditors, who must report directly to the Audit Committee. The Audit Committee regularly meets privately with the Company's independent auditors, who have unrestricted access to the Audit Committee.

The other duties and responsibilities of the Company's Audit Committee are to: (1) oversee and review the Company's financial reporting process and internal control systems; (2) evaluate the Company's financial performance, as well as its compliance with laws and regulations; (3) oversee management's establishment and enforcement of financial policies; and (4) provide an open avenue of communication among the independent auditors, financial and senior management, the internal audit department, and the Board, including the resolution of any disagreements that may arise regarding financial reporting.

6

The Company's Audit Committee has:

reviewed and discussed the audited financial statements of the Company for the fiscal year ended December 31, 2002 with the Company's management and KPMG LLP, the Company's independent auditors, including a discussion of the quality and effect of the Company's accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements;

discussed the matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees) with KPMG LLP, including the process used by management in formulating particularly sensitive accounting estimates and the basis for the conclusions of KPMG LLP regarding the reasonableness of those estimates; and

Edgar Filing: INDEPENDENT BANK CORP - Form DEF 14A

met with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls and the overall quality of the Company's financial reporting.

Effective May 15, 2002, the Company dismissed Arthur Andersen LLP ("Arthur Andersen") as the Company's independent public accountants. On that date, the Company appointed KPMG LLP as independent auditors. These actions were recommended by the Company's Audit Committee and approved by the Board of the Company.

Arthur Andersen's reports on the Company's consolidated financial statements for the Company's fiscal years ended 2001 and 2000 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the Company's two fiscal years and any interim periods preceding the dismissal of Arthur Andersen, there were no disagreements between the Company and Arthur Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement(s), if not resolved to the satisfaction of Arthur Andersen, would have caused it to make a reference to the subject matter of the disagreement(s) in connection with its report.

During the Company's two fiscal years and any interim periods preceding the dismissal of Arthur Andersen, there have been no reportable events of the type required to be disclosed by Item 304(a) (1) (v) of Regulation S-K. The Company has provided Arthur Andersen with a copy of the foregoing disclosures. The Company paid Arthur Andersen \$21,000 for the review of the financial statements included in the Company's Form 10-Q filed on May 10, 2002.

During the fiscal year ended December 31, 2002, the Company retained and paid KPMG LLP to provide audit and other services, as follows:

| | | |
|---------------|----|---------|
| Audit Fees: | \$ | 190,000 |
| All Other: | | |
| Audit Related | \$ | 12,000 |
| Other | \$ | 39,000 |

The \$39,000 in "Other" amounts paid to KPMG LLP during 2002 is comprised of: \$32,000 paid for tax return preparation and tax advisory services; and, \$7,000 paid for services with respect to state taxation issues.

The Board and the Audit Committee considered the compatibility of the non-audit services provided to the Company by KPMG LLP in fiscal 2002 on the independence of KPMG LLP from the Company in evaluating whether to appoint KPMG LLP to perform the audit of the Company's financial statements for the year ended December 31, 2003.

7

The Company's Audit Committee has also received the written disclosures and the letter from KPMG LLP required by Independence Standards Board Standard No. 1 (entitled "Independence Discussion with Audit Committees"), has discussed the independence of KPMG LLP and considered whether the provision of non-audit services by KPMG LLP is compatible with maintaining auditor independence, and has satisfied itself as to the auditor's independence.

Based on the review and discussions noted above, the Company's Audit Committee has recommended to the Board that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2002 for filing with the SEC. A representative of KPMG LLP is expected to be present at the Annual Meeting to respond to appropriate questions and will have the opportunity to make a statement if s/he so desires.

F. *Related Party Transactions*

Since January 1, 2002, neither the Company nor Rockland Trust has been a party to any transaction or series of transactions in which the amount involved exceeded \$60,000 and which any Director, executive officer, or holder of more than 5% of our stock had or will have a direct or indirect material interest other than:

standard compensation arrangements described under "Summary Compensation Table and Stock Option Grants" and "Employment Agreements"; and

the transactions described below.

business, or had loans outstanding during 2002, including loans of \$60,000 or more, and it is anticipated that such persons and their associates will continue to be customers of and indebted to Rockland Trust in the future. All such loans were made in the ordinary course of business, did not involve more than normal risk of collectibility or present other unfavorable features, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the same time for comparable transactions with unaffiliated persons and, where required by law, were prior approved by the Rockland Trust Board of Directors. At December 31, 2002, such loans amounted to approximately \$14.6 million (9.04% of total stockholders' equity). None of these loans to directors, executive officers, or their associates are nonperforming.

In the opinion of management of the Company, the terms of the foregoing transactions were no less favorable to the Company than those it could have obtained from an unrelated party providing comparable premises or services.

Report Of The Company's Stock Option Plan Committee And Of Rockland Trust Company's Compensation Committee On Executive Compensation During 2002²

(2)

Edgar Filing: INDEPENDENT BANK CORP - Form DEF 14A

This Report shall not be deemed to be incorporated by reference into any of the Company's previous filings with the SEC and shall not be deemed incorporated by reference into any of the Company's future SEC filings irrespective of any general incorporation language therein.

The executive compensation program of the Company and Rockland Trust continues to have four primary components: base salary, annual cash incentive compensation, long-term compensation (equity based opportunities), and benefits. The base salary, cash incentives, and benefits are administered by Rockland Trust's Compensation Committee. The equity-based opportunities are administered by the Stock Option Plan Committee of the Company. The current membership of these Committees is comprised of the Directors of the Company or Rockland Trust set forth below. The Committees strive to balance short-term and long-term Company performance and shareholder returns in establishing performance criteria. The Committees evaluate executive compensation against these performance criteria and competitive executive pay practices before determining changes in base salary, the amount of any incentive payments, stock option awards, and other benefits.

In 2002, the Compensation Committee again engaged Hay Management Consultants ("Hay") to review base salary ranges for the executive officers. Hay conducts market analyses of cash compensation and uses its proprietary job evaluation process to recommend salary ranges that reflect competitive factors and maintain internal equity. Salary ranges were adjusted based upon Hay's recommendations. Management has used the Hay process since 1993 to establish base salary ranges for most officer positions in Rockland Trust.

10

In 1997, the Compensation Committee engaged performance compensation consultants Sibson and Company ("Sibson") to review Rockland Trust's performance based cash compensation program for senior executives and other officers of Rockland Trust. Sibson's review encompassed total compensation, peer compensation levels, and the linkage between cash incentive compensation, plan results, and bank performance. Sibson found that Rockland Trust's compensation program is competitive and has supported performance improvement. Sibson's recommendations were incorporated in the 2000, 2001, and 2002 cash incentive compensation program for executive officers and other officers of Rockland Trust. Cash incentive awards for 2002 will be finalized in March of 2003 based principally by comparison of Rockland Trust's performance on Return on Assets, Return on Equity and measures of asset quality as compared to peer financial institutions, as well as regulatory compliance and other performance factors.

In addition to the recommendations of Sibson and Hay, the Bank utilizes, for normative purposes, SNL Securities *SNL Executive Compensation Review for Commercial Banks*. This review provides a summary of the compensation of the top five executive officers of all publicly traded U. S. commercial banks as reported in their Proxy Statements.

In determining compensation for the Chief Executive Officer ("CEO"), the Compensation and Stock Option Plan Committees review the actual performance of the Company as compared to peer financial institutions as well as business plan objectives. The salary paid to Mr. Philipsen was increased effective April 2002, a performance bonus was awarded (upon completion of the review of the CEO's 2002 performance review in March 2002). Mr. Philipsen's 2001 performance objectives included new business generation, positioning the Company to effectively compete within its market in the future, and the attainment of strategic objectives. A review of the CEO's performance for 2002 was conducted at executive sessions of the Board in July 2002 and again in January 2003. The Compensation Committee will complete its review of Chairman Philipsen in March 2003.

In 1994, the Compensation Committee reviewed the objectives of Rockland Trust's qualified and non-qualified retirement plans in light of the Congressional Omnibus Budget Reconciliation Act of 1993 provisions as they affect qualified retirement plan benefits. The Committee established that the objective of its retirement program will be to replace from all Company funded sources, inclusive of social security, approximately 60% of the average of the highest five year annual covered compensation for a full 25-year career, with proportionate reductions for less than a 25-year career. To accomplish this objective for Mr. Philipsen, in December 1994 the Compensation Committee authorized a supplemental retirement program utilizing a split dollar life insurance agreement³. In 1998, the Committee amended the objective of its non-qualified retirement program to include incentive compensation in the calculation of retirement income objectives. This was done in response to current peer practices in this area of long-term compensation and is consistent with the results of Hay's published survey of executive retirement practices. In 1999, the Committee authorized a funded Rabbi Trust for Mr. Philipsen to meet the resulting retirement objective.

(3)

Rockland Trust is currently reevaluating all split dollar life insurance arrangements with its executive officers in light of the SOA and IRS Notice 2002-8 and suspended premium payments subsequent to enactment of SOA. The Compensation Committee has engaged Segal Consulting, an executive compensation consultant, to advise the Company on the best alternatives for funding its executive non-qualified compensation programs.

Edgar Filing: INDEPENDENT BANK CORP - Form DEF 14A

Messrs. Driscoll, Fuerschbach, Kelley, Seksay, and Sheahan were also granted salary increases and a performance bonus by the Compensation Committee effective April 2002. These actions were based on Rockland Trust's improved results and individual performance within the framework of the salary ranges established using the Hay process and Rockland Trust's cash incentive compensation performance program. Year 2002 performance evaluations for these officers will be completed in March 2003. To accomplish the objectives of Rockland Trust's retirement program as stated above, in

11

1995 the Compensation Committee authorized a supplemental retirement program for Messrs. Driscoll, Kelley, Fuerschbach and, in 2000, for Messrs. Seksay and Sheahan utilizing a split dollar life insurance agreement. In 1999, the Compensation Committee authorized an additional supplemental retirement program to accomplish the objectives of the retirement program as stated above utilizing split dollar life insurance for Messrs. Kelley and Fuerschbach. In 1999, to accomplish the objectives of the retirement programs as stated above, the Compensation Committee also authorized an additional supplemental executive retirement plan, which was later implemented through a funded Rabbi Trust, for Mr. Philipsen and for Mr. Driscoll.

Messrs. Driscoll, Fuerschbach, Kelley, Seksay, and Sheahan received stock options under the 1997 Plan in December 2002. Each option, as disclosed in the Summary Compensation Table, provides the right to purchase a fixed number of shares at the fair market value on the business day preceding the grant. The number of shares granted to each executive officer in 2002 reflects the Committee's assessment of the individual's relative contribution to the Company, the long-term compensation practices prevalent in the industry, and the impact of such options on shareholder dilution.

Also, in the event of a termination without cause or a resignation for good reason, all the stock options granted to Mr. Philipsen pursuant to the agreement would remain exercisable for a period of three months following the date of his termination. Defined Benefit Pension Plan. In 1994, the Rockland Trust Retirement Plan (the "Defined Benefit Plan") formula was amended for participants who retired in 1995 and subsequent years of service. The annual normal retirement benefit under the Defined Benefit Plan is equal to (a) 2.0% of final average compensation less (b) .65% of covered compensation as defined for Social Security purposes ("Covered Compensation") times (c) years of service to 25. For participants who had completed 20 or more years of service at December 31, 1994 an additional benefit of .5% times final average compensation times service in excess of 25 years, but not exceeding ten additional years, is provided.

Examples of approximate annual benefits at normal retirement under the formula are shown above using the 2002 Covered Compensation amount of \$9,444 for the offset percentages of the Defined Benefit Plan.

Benefits for 2002 consider only the first \$200,003 of compensation earned by an executive. As of December 31, 2002, Messrs. Philipsen, Driscoll, Kelley, Seksay, and Sheahan had approximately 12, 12, 11, 2, and 6 years of service, respectively.

The Defined Benefit Plan benefit formula for service prior to 1994 is equal to (a) 1 1/2% of a participant's final average compensation times his credited service up to 10 years; plus (b) 2% of his final average compensation times his credited service in excess of 10 years (provided that not more than 20 years of service shall be considered); plus (c) 1/2% of his final average compensation times his credited service in excess of 30 years (provided that no more than 5 years of service over 30 years shall be considered), less the smaller of (i) or (ii) described as follows: (i) .65% times the participant's years of service up to 35, times the lesser of his average annual compensation or his Covered Compensation; or (ii) 1/2 the sum of (a), (b) and (c) above, substituting the lesser of average annual compensation or Covered Compensation for final average compensation, if less. Defined Benefit Plan participants are eligible at normal retirement for the benefit derived from the current formula or, if greater, the benefit for service under the prior Defined Benefit Plan formula.

Edgar Filing: INDEPENDENT BANK CORP - Form DEF 14A

In January 1997, the Defined Benefit Plan was joined with The Financial Institutions Retirement Fund. This merger has provided significant expense reductions which began impacting Rockland Trust in 1997 while continuing to provide the benefit structure discussed above.
