Why is this proxy statement being sent to me?

Edgar Filing: CHICAGO MERCANTILE EXCHANGE HOLDINGS INC - Form DEF 14A

We sent you these proxy materials because our Board of Directors is soliciting your proxy to vote your shares at the Annual Meeting. This proxy statement summarizes the information you need to vote at the Annual Meeting. On March 10, 2003, we began mailing these proxy materials to all of our holders of record of each class of Class A and Class B common stock, as of the close of business on February 26, 2003.

How do I vote?

You may vote by proxy or in person at the Annual Meeting. If you want to vote by proxy, please complete, sign and date the enclosed proxy card and return it promptly in the enclosed postage-prepaid envelope, or promptly cast your vote by telephone or over the Internet. If you plan to attend the meeting and vote in person, we will give you a ballot when you arrive.

If your shares are held in the name of a bank, broker or other holder of record, you will receive instructions from the holder of record that you must follow in order for your shares to be voted. Telephone and Internet voting also will be offered to shareholders owning shares through certain banks and brokers. If your shares are not registered in your own name and you plan to vote your shares in person at the Annual Meeting, you should contact your broker or agent to obtain a broker's proxy card and bring it to the Annual Meeting in order to vote.

If you vote by proxy, the individuals named on the proxy card (your proxies) will vote your shares in the manner you indicate. You may specify whether your shares should be voted for all, some or none of the nominees for Equity Directors and, if applicable, Class B directors or Class B Nominating Committee members, and whether your shares should be voted for or against the other proposals.

Your vote is important. Whether or not you plan to attend the Annual Meeting, we urge you to vote your shares by completing, signing, dating and mailing the enclosed proxy card in the accompanying envelope. You may also cast your vote by telephone by calling the number on your proxy card or electronically over the Internet by going to the Web site designated on your proxy card. Voting by proxy will not affect your right to attend the meeting and vote your shares in person.

2

What if I return my proxy card but do not provide voting instructions?

If you sign, date and return the proxy card without indicating your instructions on how to vote your shares, the proxies will vote your shares as follows:

"FOR" the election of the seven nominees for Equity Directors;

"ABSTAIN" from voting for Class B directors, if applicable;

"ABSTAIN" from voting for Class B Nominating Committee members, if applicable;

"FOR" the approval of the amendment to the CME Holdings Amended and Restated Omnibus Stock Plan;

"FOR" the approval of the CME Holdings Annual Incentive Plan; and

"FOR" the ratification of our appointment of Ernst & Young LLP as our independent auditors for the 2003 fiscal year.

If any other matter is presented at the Annual Meeting, your proxies will vote in accordance with their best judgment. At the time this proxy statement went to press, we knew of no matters to be addressed at the Annual Meeting beyond those described in this proxy statement.

Can I change my mind after I vote?

Yes, if you attend the meeting, you may change your vote at any time before the voting closes at the meeting. If you give a proxy, you may revoke it at any time before it is exercised. You may revoke your proxy in the following ways:

You may sign and deliver another proxy with a later date;

You may vote by telephone or over the Internet at a later date;

You may deliver a written revocation to our Corporate Secretary, Kathleen M. Cronin, before the Annual Meeting; or

You may attend the meeting and vote in person.

Your most current vote is the one that is counted. Simply attending the meeting will not automatically revoke your proxy. You must vote in person at the meeting in order to revoke your proxy.

If you do not attend the Annual Meeting, your vote or revocation must be received by our proxy tabulator, Computershare Investor Services, by noon, Central Time, on April 22, 2003 to be counted.

Is my vote confidential?

All proxies, ballots and tabulations that identify the vote of a particular shareholder will be kept confidential, except as necessary to allow the inspectors of election to certify the voting results or to meet legal requirements. Representatives of Computershare Investor Services, our transfer agent, will act as the inspectors of election and will count the votes.

Comments written on proxy cards or ballots may be provided by Computershare to our Corporate Secretary, Kathleen M. Cronin, with the name and address of the shareholder. Each comment will be provided without reference to the vote of the shareholder, unless the vote is mentioned in the comment or unless disclosure of the vote is necessary in order to understand the comment. At our request, the inspectors of election may provide us with a list of shareholders who have not voted and periodic status reports on the aggregate vote. These status reports may include breakdowns of vote totals by different types of shareholders, although it is expected that we will not be able to determine how individual shareholders voted.

How many votes must be present to hold the Annual Meeting?

Your shares will be counted as present at the Annual Meeting if you attend the meeting and vote in person, if you properly return a proxy card or if you vote by telephone or over the Internet. In order for us to conduct the meeting, shareholders possessing at least one-third of the votes entitled to be cast on a particular proposal as of February 26, 2003, must be present. This is referred to as a quorum. A quorum will exist for each of the proposals to be voted on at the Annual Meeting if the following holders are present, either in person or by proxy:

Proposal	Quorum: Presence in Person or by Proxy Required
Election of Equity Directors	Holders of at least one-third of the total number of votes entitled to be cast by all classes of Class A shares and all classes of Class B shares
Election of each Class B director	Holders of at least one-third of the total number of votes entitled to be cast by the applicable class of Class B shares
Election of Class B Nominating Committee members	Holders of at least one-third of the total number of votes entitled to be cast by the applicable class of Class B shares
Approval of the amendment to the Amended and Restated Omnibus Stock Plan	Holders of at least one-third of the total number of votes entitled to be cast by all classes of Class A shares and all classes of Class B shares
Approval of the Annual Incentive Plan	Holders of at least one-third of the total number of votes entitled to be cast by all classes of Class A shares and all classes of Class B shares
Ratification of Ernst & Young LLP as our	Holders of at least one-third of the total number of votes entitled to be cast by all classes of

Proposal**Quorum: Presence in Person or by Proxy Required**

independent auditors

Class A shares and all classes of Class B shares

Proxies marked "withhold" or "abstain" and broker non-votes are counted as present for establishing a quorum. A broker non-vote occurs when a broker does not vote on some matter on the proxy card because the broker does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. To ensure that there will be a quorum for each of the proposals to be voted on, please vote before the Annual Meeting, and allow your shares to be represented at the meeting by your proxies. Voting before the Annual Meeting will not prevent you from voting in person at the meeting. If you vote in person at the meeting, your previous vote will be revoked automatically.

4

How many votes are needed to approve the various proposals?

Each of the proposals presented at the Annual Meeting will be considered separately. Assuming that a quorum is present for the particular proposal, the following votes are required to approve the proposal:

Proposal	Vote Required to Approve
Election of Equity Directors	Seven nominees receiving the highest number of "FOR" votes from all classes of Class A and Class B common stock, voting together as a single class, will be elected
Election of each Class B director	One Class B-1 nominee, one Class B-2 nominee and one Class B-3 nominee receiving the highest number of "FOR" votes in his or her class will be elected as a Class B director for that class
Election of Class B Nominating Committee members	Five nominees receiving the highest number of "FOR" votes in their class will be elected to the Class B Nominating Committee for that class
Approval of the amendment to the Amended and Restated Omnibus Stock Plan	Must receive a "FOR" vote from holders of a majority of the shares present at the Annual Meeting
Approval of the Annual Incentive Plan	Must receive a "FOR" vote from holders of a majority of the shares present at the Annual Meeting
Ratification of Ernst & Young LLP as our independent auditors	Must receive a "FOR" vote from holders of a majority of the shares present at the Annual Meeting

Proxies marked "withhold" or "abstain" will have the same effect as a vote against any proposal. Broker non-votes will have no effect on the outcome of any proposal.

Under the rules of the New York Stock Exchange ("NYSE") in effect at the time this Proxy Statement was printed, if you hold your shares through a bank or broker, your broker is permitted to vote your shares on the election of the Equity Director nominees, approval of the amendment to the Omnibus Stock Plan, approval of the Annual Incentive Plan and ratification of Ernst & Young LLP as our independent auditors, even if the broker does not receive instructions from you. The NYSE has proposed changes to its rules regarding brokers' discretionary voting authority, which may limit your broker's ability to vote on the proposals relating to our Omnibus Stock Plan, unless you provide your broker with voting instructions. If these proposed changes to the NYSE rules become effective prior to the Annual Meeting, your broker may not be able to vote your shares on Proposal 3, the proposed amendment to the Omnibus Stock Plan, without receiving instructions from you.

PROPOSAL 1
ELECTION OF DIRECTORS

Edgar Filing: CHICAGO MERCANTILE EXCHANGE HOLDINGS INC - Form DEF 14A

Our certificate of incorporation provides that our Board of Directors be composed of 20 members. Our Board of Directors is divided into two classes, Class I and Class II, each of whose members serve for a staggered two-year term. At each Annual Meeting of Shareholders, the term of one class of directors expires, and the shareholders vote at that meeting to elect the directors nominated for that expiring class to hold office for a two-year term.

At this year's Annual Meeting, ten Class II directors will be elected. Seven Equity Directors will be elected by all shareholders voting together as a single class. Additionally, the holders of the Class B-1 shares, Class B-2 shares and Class B-3 shares each will elect one director. Other than Mr. Miller and Ms. Savage, each of the Equity Director nominees presented in this proxy statement is currently a director. If elected, each director's term will last until the 2005 Annual Meeting of Shareholders or until he is succeeded by another qualified director who has been elected.

PROPOSAL 2
ELECTION OF CLASS B NOMINATING COMMITTEES

Our bylaws provide that holders of Class B shares have the right to elect the members of their respective Class B Nominating Committees. The Class B Nominating Committees are not committees of our Board of Directors and serve only to nominate the slate of directors for their respective classes. Each Class B Nominating Committee is composed of five members who serve for a term of one year. The existing Committee members are responsible for selecting 10 candidates to stand for election as members of a particular Class B Nominating Committee. At the Annual Meeting, holders of Class B-1 shares and holders of Class B-2 shares will be asked to vote on the election of five members to their respective Class B Nominating Committees. Since there will not be any director elected by the holders of the Class B-3 shares at the 2004 Annual Meeting, the Nominating Committee for the Class B-3 shares will not be selected until the 2004 Annual Meeting.

PROPOSAL 3
APPROVAL OF THE AMENDMENT
TO THE CHICAGO MERCANTILE EXCHANGE HOLDINGS INC.
AMENDED AND RESTATED OMNIBUS STOCK PLAN

Through its Amended and Restated Omnibus Stock Plan (the "Plan"), CME Holdings has utilized stock options and restricted stock awards as a key part of its overall compensation strategy for employees, including executive officers and other key employees since our demutualization in 2000. Awards under the Plan may be granted only to employees of CME Holdings and its subsidiaries and may not be granted to non-employee members of our Board of Directors. As of December 31, 2002, we had only 109,797 shares available under the Plan for future grants. Additionally, the Plan was scheduled to expire on February 7, 2003, eliminating our ability to utilize stock options, restricted stock awards and other awards as part of our compensation strategy for employees.

On February 5, 2003, our Board of Directors amended the Plan to extend the termination date for the Plan from February 7, 2003 to June 30, 2007 and to increase the number of shares of Class A common stock reserved under the Plan by 1,300,000 shares from 2,745,975 shares to 4,045,975 shares, along with several other minor modifications to the Plan (the "Amendment"), subject to shareholder approval. The Amendment is necessary in order to permit us to continue utilizing stock options and other equity awards as part of our compensation strategy for all employees, including executive officers but excluding non-employee members of our Board of Directors. The Amendment will enable us to continue the

27

purposes of the Plan by providing additional incentives to attract and retain qualified and competent employees. This would be in keeping with our overall compensation philosophy, which attempts to place equity in the hands of our employees in an effort to further instill shareholder considerations and values in the actions of such employees. If shareholders do not approve the Amendment, we will not be able to make further grants to employees under the Plan.

Our Board considered a number of factors prior to making a decision to amend the Plan and recommend approval of the Amendment to our shareholders, including evaluating the proposed increase in the number of shares available for future grant in light of current public company practices with respect to stock compensation. The Board considered the stock compensation practices of other companies that have recently completed an initial public offering and public companies in various industry groups. Taking into account the proposed increase in the number of shares available for awards under the Plan, approximately 4.0% of our common stock will be reserved for issuance under our Plan. Based on information prepared by the Board's compensation consultants, the Board believes that the percentage of outstanding shares subject to outstanding awards and reserved for issuance under the Plan is less than the percentage of shares subject to outstanding awards and reserved for issuance in general industry companies, commercial banks, technology companies and diversified financial and brokerage companies. Additionally, the Board believes the Plan, as amended, will allow us to provide reasonable equity incentives to our employees, although the resulting dilution will be significantly less than the potential dilution for the comparable groups described in the prior sentence. The full text of the Plan, including the Amendment, is attached to this Proxy Statement as Exhibit A.

If approved by shareholders at the Annual Meeting, the following specific sections of the Plan will be amended to provide as follows:

In Section 4.1 of the Plan, the first two sentences will be deleted in their entirety and replaced by the following:

"Subject to adjustment as provided in Section 4.3, 4,045,975 Shares shall be available for grants of Awards under the Plan. The maximum number of Shares with respect to which Options or SARs or a combination thereof may be granted during any Fiscal Year to any person shall be 500,000, subject to adjustment as provided in Section 4.3."

In Section 10.2 of the Plan, the first sentence will be deleted in its entirety and replaced by the following:

"The Plan shall, subject to Section 10.1 (regarding the Board's right to amend or terminate the Plan), terminate on June 30, 2007."

Additionally, the Plan will be amended to clarify that the settlement of stock options will be only in common stock, clarify the limits on awards to any one individual in a one-year period, provide that participants in the Plan may designate a beneficiary in the event of their death and modify certain definitions. The remainder of the language of the Plan will not be changed.

Awards Under the Plan

Since we intend to grant stock options or other awards from time to time to a number of employees and officers, it is not possible at this time to indicate the number, names or positions of employees who will receive future stock options or other awards or the number of shares of common stock for which stock options or other awards will be granted to any employee or non-employee director under the Plan. In fiscal year 2002, there were (i) no stock options or shares of restricted stock granted to our Chief Executive Officer or any of the next four most highly compensated executive officers; (ii) 14,000 options and no shares of restricted stock granted to the executive officers as a group and (iii) 13,000 options and no shares of restricted stock granted to all employees, other than executive officers, as a group.

28

Description of the Plan

The following summary of the Plan is qualified in its entirety by reference to the complete text of the Plan, including the Amendment, a copy of which is attached to this Proxy Statement as Exhibit A. Other than the amendments described above, the material terms and conditions of the Plan will not change.

The purpose of the Plan is to further our growth and profitability by increasing incentives and encouraging share ownership on the part of our employees

Shares Reserved Under the Plan

As amended, the number of shares of common stock that may be issued or awarded under the Plan shall not exceed 4,045,975, subject to adjustment in the event of stock dividends, stock splits, combination of shares, recapitalizations or other changes in the outstanding common stock. The shares issuable under the Plan may be drawn from either authorized but previously unissued shares of common stock or from reacquired shares of common stock, including shares purchased by us in the open market and held as treasury shares.

Administration of the Plan

The Plan is administered by the Compensation Committee of the Board of Directors. The Compensation Committee has, among other powers, the exclusive power to administer and interpret the Plan and to grant awards under the Plan. The Compensation Committee's authority includes determining the types of awards to be granted and selecting award recipients from among persons eligible to participate in the Plan and determining the extent of their participation.

Awards Under the Plan

Stock Options. The Compensation Committee may grant options qualifying as incentive stock options under the Internal Revenue Code of 1986 and/or nonqualified stock options. At the time the option is granted, the Compensation Committee will determine the number of shares subject to the option, the exercise (or purchase) price per share, the period during which the option may be exercised and the restrictions and conditions on and to that exercise. However, the exercise price of each option will be at least equal to the fair market value of our common stock

on the date of grant, and the term of an incentive stock option may not exceed 10 years from the date of grant. Options granted after the date of the Amendment may be settled only in common stock.

Stock Appreciation Rights. The Compensation Committee may grant stock appreciation rights ("SARs") either separately or in conjunction with an award of stock options. The term, exercisability and other provisions of a SAR will be fixed by the Compensation Committee. SARs generally allow the grantee to realize the appreciation in the shares of our Class A common stock subject to the grant over the life of the award. Payment of a SAR may be made in cash, shares or a combination of both at the discretion of the Compensation Committee. If a SAR granted in combination with an underlying stock option is exercised, the right under the underlying option to purchase shares would terminate.

Stock Awards. The Compensation Committee may also award shares of our Class A common stock either as a restricted share award or as a bonus award that is not subject to restriction. With respect to restricted shares, the Compensation Committee shall fix the restrictions and the restriction period applicable to each restricted share award. The recipient of a restricted share award will be unable to dispose of the shares prior to the expiration of the restriction period. Unless otherwise determined by the Compensation Committee, during this period, the recipient will be entitled to vote the shares and receive any regular cash dividends on such shares. Each stock certificate representing a restricted share award will be required to bear a legend giving notice of the restrictions in the grant. Subject to adjustment as provided

29

in the Plan, no individual may receive stock awards with respect to more than 500,000 shares of common stock in any fiscal year.

Performance Share Awards. The Compensation Committee may grant Performance Awards under which payment may be made in shares of our Class A common stock (including restricted shares), a combination of shares and cash or cash. Such awards will be paid if our performance meets certain goals established by the Compensation Committee during an award period. The Compensation Committee, in its discretion, will determine the performance goals, the length of an award period and the manner and medium of payment of each Performance Award. In order to receive payment, a grantee must remain in the employ of CME Holdings or any of its subsidiaries until the completion of the award period, except that the Compensation Committee may provide complete or partial exceptions to that requirement as it deems equitable. Subject to adjustment as provided in the Plan, no individual may receive performance share awards with respect to more than 500,000 shares of our Class A common stock in any fiscal year.

Upon a change in control as defined in, and subject to certain limitations under, the Plan, all outstanding awards will vest, become immediately exercisable or payable or have all restrictions lifted as may apply to the type of award granted.

Eligible Participants

Employees of CME Holdings or any of its subsidiaries are eligible to be granted awards under the Plan. There are currently approximately 1,200 such employees.

Transferability

Unless otherwise determined by the Compensation Committee, awards under the Plan are nontransferable. The Committee, in its sole discretion, may provide for transferability of particular awards under the Plan. Otherwise, awards will not be transferable by a participant other than by will or the laws of descent and distribution.

Term of the Plan

The Plan was effective as of February 7, 2000 and, upon approval of the Amendment, will terminate on June 30, 2007, unless terminated earlier by the Board of Directors or extended by the Board with the approval of the shareholders.

Federal Income Tax Consequences

Stock Options. The grant of an incentive stock option or a nonqualified stock option will not result in income for the grantee or in a deduction for CME Holdings. The exercise of a nonqualified stock option will result in ordinary income for the grantee and a deduction for CME Holdings measured by the difference between the option price and the fair market value of the shares received at the time of exercise. The exercise of an incentive stock option will not result in income for the grantee if the grantee (i) does not dispose of the shares within two years after the date of grant or one year after the transfer of shares upon exercise and (ii) is an employee of CME Holdings or a subsidiary from the

date of grant until three months before the exercise date. If these requirements are met, the basis of the shares upon later disposition will be the option price. Any gain will be taxed to the employee as long-term capital gain, and CME Holdings would not be entitled to a deduction. The excess of the market value on the exercise date over the option price is an item of tax preference, potentially subject to the alternative minimum tax.

If the grantee disposes of the shares prior to the expiration of either of the holding periods, the grantee will recognize ordinary income, and we will be entitled to a deduction equal to the lesser of the fair market value of the shares on the exercise date minus the option price or the amount realized on

30

disposition minus the option price. Any gain in excess of the ordinary income portion will be taxable as long-term or short-term capital gain.

Restricted Share Awards. The grant of Restricted Shares should not result in income for the grantee or in a deduction for CME Holdings for federal income tax purposes, assuming the shares transferred are subject to restrictions resulting in a "substantial risk of forfeiture." If there are not such restrictions, the grantee will recognize ordinary income upon receipt of the shares. Dividends paid to the grantee while the stock remained subject to restriction will be treated as compensation for federal income tax purposes. At the time the restrictions lapse, the grantee will receive ordinary income, and we will be entitled to a deduction measured by the fair market value of the shares at the time of lapse.

SARs and Performance Awards. The grant of a SAR or a Performance Award will not result in income for the grantee or in a deduction for CME Holdings. Upon the exercise of an SAR or the receipt of shares or cash under a Performance Award, the grantee will recognize ordinary income, and we will be entitled to a deduction measured by the fair market value of the shares plus any cash received.

Section 162(m). The Plan is intended to provide performance-based compensation within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended, which generally limits the deduction by an employer for compensation of certain covered officers. Under Section 162(m), certain compensation, including compensation based on the attainment of performance goals, may be disregarded for purposes of this deduction limit if certain requirements are met. Among the requirements for compensation to qualify for this exception is that the material terms pursuant to which the compensation is to be paid be disclosed to and approved by the shareholders in a separate vote prior to the payment. If the Amendment is approved by shareholders, compensation paid pursuant to the Plan will be able to qualify as performance-based compensation (provided the other conditions of Section 162(m) relating to performance-based compensation are satisfied).

Other Information

The Board may amend the Plan as it deems advisable subject to the requirements of applicable law and other regulatory requirements, including those imposed by the New York Stock Exchange.

Vote Required to Approve the Plan

A favorable vote of a majority of votes present is necessary for approval of the Plan. Proxies marked "withhold" or "abstain" will have the same effect as a vote against the proposal. Broker non-votes will have no effect on the outcome of the proposal.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THE AMENDMENT TO THE CHICAGO MERCANTILE EXCHANGE HOLDINGS INC. AMENDED AND RESTATED OMNIBUS STOCK PLAN.

PROPOSAL 4
APPROVAL OF THE
CHICAGO MERCANTILE EXCHANGE HOLDINGS INC.
ANNUAL INCENTIVE PLAN

The CME Holdings Annual Incentive Plan was adopted by the Board of Directors on February 5, 2003, subject to shareholder approval. The purpose of seeking shareholder approval of the Annual Incentive Plan is to allow awards made under the Annual Incentive Plan to qualify for the performance-based exclusion from the deduction limitations under Section 162(m) of the Internal Revenue Code ("Section 162(m)"). Section 162(m) generally disallows deductions for publicly held corporations with respect to compensation in excess of \$1 million paid to a corporation's chief executive officer and the corporation's four other most highly compensated executive officers. However, compensation

payable

solely on account of attainment of one of more performance goals is not subject to the deduction limitation if: (i) the performance goals are objective, pre-established and determined by a committee comprised solely of two or more outside directors; (ii) the material terms of the performance goals under which the compensation is to be paid are disclosed to the shareholders and approved by a majority vote; and (iii) the committee certifies that the performance goals and other material terms were in fact satisfied before the compensation is paid.

The Board of Directors believes that adoption of the Annual Incentive Plan is necessary to meet our objectives of securing, motivating and retaining officers and other employees of CME Holdings and its subsidiaries. The principal features of the Annual Incentive Plan are described below. A copy of the full text of the Annual Incentive Plan is attached to this Proxy Statement as Exhibit B.

Description of the Principal Features of the Annual Incentive Plan

Purpose. The purpose of the Annual Incentive Plan is to align the interests of our management with those of the shareholders of CME Holdings by encouraging management to achieve goals intended to increase shareholder value. An additional purpose of the Annual Incentive Plan is to serve as a qualified performance-based compensation program under Section 162(m), in order to preserve our tax deduction for compensation paid under the Annual Incentive Plan to our most senior executive officers.

Administration. The Annual Incentive Plan is administered by the Compensation Committee of the Board of Directors, which consists solely of "outside directors" within the meaning of Section 162(m).

Eligibility. The Annual Incentive Plan provides that any employee of CME Holdings or its subsidiaries who is selected by the Compensation Committee may participate in the Annual Incentive Plan for the designated plan year. There are currently approximately 1,200 employees of CME Holdings and its subsidiaries.

Performance Factors. The Annual Incentive Plan provides that the Compensation Committee will determine the criteria and objectives ("Performance Factors") that must be met during the applicable performance period in order for a participant to earn an award under the Annual Incentive Plan. These Performance Factors may include gross margin, operating margin, revenue growth, free cash flow, operating cash flow, earnings per share, economic value added, cash-flow return on investment, net income, total shareholder return, return on investment, return on equity, return on assets or any increase or decrease of one or more of the foregoing over a specified period. The Performance Factors may relate to the performance of CME Holdings or that of a subsidiary, any portion of the business, product line, or a combination of the foregoing and may be expressed on an aggregate, per share or per unit basis. The Performance Factors may be expressed in terms of attaining a specified level of the particular criteria, the attainment of a percentage increase or decrease in the particular criteria, or may be applied relative to a market index, a group of other companies or their subsidiaries, business units or product lines. Performance Factors may include minimum, target and maximum levels of performance.

Maximum Bonuses. No participant may receive an award under the Annual Incentive Plan in excess of \$2,500,000 in any calendar year.

Limitation on Compensation Committee's Discretion. The Compensation Committee does not have the authority to increase the amount of the award payable upon attainment of a Performance Factor, but the Compensation Committee may, in its discretion, reduce or eliminate the amount payable to such an individual.

Certification of Performance Goal Attainment. Before any awards for a particular year can be paid, the Compensation Committee must certify the extent to which Performance Factors and any other material terms of the Annual Incentive Plan were satisfied.

Amendments/Termination of the Annual Incentive Plan. The Annual Incentive Plan may be amended or terminated by the Board of Directors, provided that no amendment of the Annual Incentive Plan may be made without the approval of shareholders if shareholder approval is required in order for awards under the plan to continue to qualify for the performance-based compensation exception to Section 162(m).

Benefits under the Annual Incentive Plan. Because the individual benefits that may be earned under the Annual Incentive Plan will be determined by the Compensation Committee, benefits to be paid under the Annual Incentive Plan are not determinable at this time.

Vote Required to Approve the Annual Incentive Plan

A favorable vote of a majority of votes present is necessary for approval of the Annual Incentive Plan. Proxies marked "withhold" or "abstain" will have the same effect as a vote against the proposal. Broker non-votes will have no effect on the outcome of the proposal.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT AUDITORS FOR THE 2003 FISCAL YEAR.

Audit Fees

The aggregate fees billed or expected to be billed by Ernst & Young LLP for professional services rendered for the audit of our annual financial statements for the fiscal year ended December 31, 2002 and for the review of the financial statements included in our Quarterly Reports on Form 10-Q for that fiscal year were \$285,000.

Financial Information Systems Design and Implementation Fees

Ernst & Young LLP did not bill us for any fees for professional services rendered for information technology services relating to financial information systems design and implementation for the fiscal year ended December 31, 2002.

All Other Fees

The aggregate fees billed or expected to be billed by Ernst & Young LLP for professional services rendered to us, other than the services described above under "Audit Fees" and "Financial Information Systems Design and Implementation Fees," for the fiscal year ended December 31, 2002 were \$725,300.

If the appointment of Ernst & Young LLP is not ratified by our shareholders, our Board of Directors will consider appointing other independent auditors based on the recommendation of the Audit Committee.

Change in Independent Auditors

On May 15, 2002, our Board of Directors adopted the recommendation of our Audit Committee that Arthur Andersen LLP be dismissed as our independent auditors. Effective May 15, 2002, our Board of Directors, based upon a recommendation of our Audit Committee, retained Ernst & Young LLP as our independent auditors to audit our consolidated financial statements for the year ending December 31, 2002. Ernst & Young LLP was subsequently retained to audit our consolidated financial statements for each of the three years in the period ended December 31, 2001.

During the two most recent fiscal years ended December 31, 2001, and through May 15, 2002, there were no disagreements between us and Arthur Andersen on any matter of accounting principles, financial statement disclosure or auditing scope or procedure which, if not resolved to

Arthur Andersen's satisfaction, would have caused Arthur Andersen to make reference to the matter of the disagreement in connection with their reports. The audit reports of Arthur Andersen on our consolidated financial statements as of and for the years ended December 31, 2001 and 2000 did not contain any adverse opinion or disclaimer of opinion, nor were these opinions qualified or modified as to uncertainty, audit scope or accounting principles.

During our two most recent fiscal years ended December 31, 2001, and through May 15, 2002, there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

During our two most recent fiscal years ended December 31, 2001, and during the interim period through May 15, 2002, we did not consult with Ernst & Young LLP regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees the company's financial reporting process on behalf of the Board of Directors. The Audit Committee consists of four independent directors determined in accordance with the listing standards of the New York Stock Exchange. Its duties and responsibilities are set forth in the Audit Committee Charter adopted by the Board of Directors and included in the proxy statement for the 2002 Annual Meeting of Shareholders.

As set forth in more detail in the Audit Committee Charter, the primary responsibilities of the Audit Committee fall into three broad categories:

to serve as an independent and objective party to monitor the financial reporting process and internal control system;

to review and appraise the audit efforts of the independent auditors and internal auditing department; and

to provide an open avenue of communication among the independent auditors, financial and senior management, the internal auditing department and the Board of Directors.

The Audit Committee, during the course of each fiscal year, devotes the attention that it deems necessary and appropriate to each of the matters assigned to it under the Audit Committee Charter. To carry out its responsibilities, the Audit Committee met 24 times during fiscal year 2002 and three times during 2003 in regards to fiscal year 2002.

In the course of fulfilling its responsibilities, the Audit Committee has:

reviewed and discussed with management and the independent auditors all financial statements prior to their issuance and any significant accounting issues and been advised by management that all financial statements were prepared in accordance with generally accepted accounting principles;

reviewed and discussed with management the Audit Committee Charter;

34

discussed with representatives of our independent auditors, Ernst & Young LLP, the matters required to be discussed pursuant to Statement on Auditing Standards ("SAS") No. 61, "Communication with Audit Committees" and SAS No. 90, "Audit Committee Communications";

received the written disclosures and the letter from our independent auditors required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees";

discussed with the independent auditors their independence from CME Holdings and management; and

considered whether the provision by the independent auditors of non-audit services is compatible with maintaining their independence.

Based on the foregoing, the Audit Committee recommended to the Board of Directors that the audited financial statements for the year ended December 31, 2002 be included in CME Holdings' Annual Report on Form 10-K for that year.

Management is responsible for the financial reporting process, including the system of internal controls, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. The independent auditors are responsible for auditing those financial statements. The members of the Audit Committee are not professionally engaged in the practice of accounting or auditing and are not experts in the fields of accounting or auditing, including matters regarding auditor independence. Members of the Audit Committee rely, without independent verification, on the information provided to them and on the representations made by management and the independent auditors.

EXECUTIVE COMPENSATION

The following table sets forth information on compensation earned by our Chief Executive Officer and each of the next four most highly compensated executive officers. In this Proxy Statement, we refer to these executives as our Named Executive Officers. Each table is presented in the format that the Securities and Exchange Commission has established for the disclosure of executive compensation. The Summary Compensation Table details the salary and bonus earned by and the stock options and restricted stock awards granted to each Named Executive Officer during each of the last three fiscal years. The Year-end Option Values table reflects certain information regarding vested and unvested stock options held by the Named Executive Officers as of December 31, 2002, and the value of those options as of that date. Since there were no option or SAR grants to the Named Executive Officers in 2002, a table is not included for Option/SAR Grants in Last Fiscal Year.

In addition, Mr. McNulty's option agreement was amended in 2002 to provide that the exercise of the option could only be satisfied with Class A shares, cash or a combination of both. The number of shares indicated represents the Class A shares required to satisfy the entire option at December 31, 2002, based on the value of the option at that date, assuming that exercise price is paid in cash and only Class A shares are used to satisfy the option.

(3) Effective October 9, 2002, Mr. Donohue's annual salary was increased to \$550,000.

(4) The items included under "Supplemental Plan" are: a 401(k) make-whole; a pension make-whole; and a discretionary bonus make-whole. A 401(k) make-whole is a company paid contribution for highly compensated individuals who have exceeded statutory contribution limits imposed by the provisions of our qualified 401(k) savings plan. A pension make-whole is a company paid contribution for highly compensated individuals who have exceeded statutory contribution limits imposed by our qualified pension plan. A discretionary bonus make-whole is a company paid contribution of up to 2% of the employee's annual salary, for highly compensated individuals who have exceeded the compensation limit identified in Section 401A of the Internal Revenue Code.

(5) SERP Contribution refers to our Supplemental Executive Retirement Plan, a non-qualified defined contribution plan for highly compensated senior officers.

- (1) No options were exercised during 2002.
- (2) The option values were calculated based on the closing price of our Class A common stock on December 31, 2002 (the last business day of the fiscal year) of \$43.66, less the option exercise price, multiplied by the number of shares. An option is in-the-money if the market value of the common stock subject to the option is greater than the exercise price.
- (3) Mr. McNulty's stock option is divided into two tranches. Each tranche of the option entitles Mr. McNulty to purchase up to 2.5% of all classes of our common stock that were issued upon our demutualization. Mr. McNulty's option was vested with respect to 60% of the shares covered by the option at December 31, 2002. On February 7, 2003, Mr. McNulty's option vested with respect to an additional 20% of the shares covered by the option. The remaining 20% will vest on February 7, 2004, subject to acceleration or termination in certain circumstances. For additional information regarding the terms of Mr. McNulty's stock option, please see the section of this Proxy Statement entitled "Executive Compensation - McNulty Employment Agreement."
- (4) Mr. McNulty's option value at December 31, 2002 was based on the excess of the estimated value of the option over the option exercise price for each tranche of the option. The estimated value of the Class B shares included in Mr. McNulty's option generally represents the last sales price of each Class B share, if a sale occurred within the last 15 business days preceding December 31, 2002. If no sale occurred within that time period, the average of the bid and offer at December 31, 2002 was used to value each of the Class B shares. The share prices used to calculate the estimated option value at December 31, 2002 were as follows: Class A \$43.66; Class B-1 \$420,000; Class B-2 \$399,000; Class B-3 \$296,000; Class B-4 \$29,500.
- (5) Messrs. Gill, Donohue, Johnston and Gomach were granted their options on May 7, 2001. These options vest over a four-year period, with 40% vesting one year after the grant date and 20% vesting on that same date in each of the following three years, subject to acceleration or termination in certain circumstances. As of December 31, 2002, these options were each 40% vested.

(1) The Plan is our only equity compensation plan. Prior to our reorganization, CME issued options under the Chicago Mercantile Exchange Omnibus Stock Plan, which was not approved by CME shareholders. In connection with our reorganization, CME, as the sole stockholder of CME Holdings, approved the assumption by CME Holdings of the Chicago Mercantile Exchange Omnibus Stock Plan. After the reorganization, the plan was amended and restated as the CME Holdings Amended and Restated Omnibus Stock Plan. Options issued prior to the sole shareholder approval are listed in the table above as being made under an equity compensation plan not approved by security holders and options issued after such time are listed above as being made under an equity compensation plan approved by security holders.

(2) Includes 2,560,912 shares of Class A common stock that may be issued to Mr. McNulty pursuant to the terms of his option based on the value of the option at December 31, 2002, assuming Mr. McNulty satisfied the exercise price in cash and CME Holdings elects to settle the option entirely with shares of Class A common stock. For additional information regarding Mr. McNulty's stock option, please see the section of this Proxy Statement entitled "Executive Compensation McNulty Employment Agreement."

McNulty Employment Agreement

In February 2000, we entered into an employment agreement with Mr. McNulty to serve as our President and Chief Executive Officer. The agreement was amended effective December 31, 2002. Under the agreement, Mr. McNulty will receive a minimum annual base salary of \$1.0 million. He is also eligible for an annual incentive bonus based upon the achievement of goals set by our Board of Directors, which bonus may not exceed the lesser of \$1.5 million or 10% of our net income. The agreement provides that Mr. McNulty will be eligible to participate in the benefit plans available generally to our senior officers, including our Senior Management Supplemental Deferred Savings Plan and Supplemental Executive Retirement Plan and certain other non-qualified benefit plans as disclosed in the Summary Compensation Table.

Mr. McNulty also has been granted a non-qualified stock option, which is designed to reward him for increasing our value after the commencement of his employment. The exercise price of the option is fixed at an aggregate of \$54.6 million, based on the estimated value of the exchange on February 7, 2000, the date of grant, which was estimated to be approximately \$874 million. The option was granted prior to the time of the demutualization when the company had no shares of common stock outstanding. The value of the company was determined by multiplying the average sale price in the previous six months for each

membership class by the number of memberships in each class. Exchange memberships were used to determine the value of the exchange as it was anticipated that these memberships would be converted to common stock as part of the planned demutualization. Mr. McNulty's option is divided into two tranches, each representing 2.5% of each class of our common stock at the time of our demutualization on November 13, 2000 and adjusted for our holding company reorganization on December 3, 2001, representing an aggregate of 5.0% of each class of common stock outstanding. Upon exercise, Tranche A of the option would enable Mr. McNulty to realize 2.5% of the increase above our valuation on February 7, 2000, and Tranche B would enable him to realize 2.5% of any increase in excess of 150% of our valuation on February 7, 2000. Mr. McNulty may exercise one tranche independent of the other. However, Mr. McNulty may only exercise for a percentage of all shares in a tranche. We may elect to issue solely shares of our Class A common stock or cash or any combination of Class A common stock and cash upon any exercise of the option by Mr. McNulty.

The agreement provides that the number of shares and exercise price of a class of common stock subject to the option must be adjusted as a result of an equity restructuring, such as a stock dividend, spin-off, stock split, rights offering or recapitalization through a special, large

nonrecurring dividend that causes the market value per share of the stock underlying the option to decrease or increase. The agreement further provides that a large nonrecurring dividend will be deemed to have been paid in the event that a nonrecurring cash dividend has been paid that is 1.5 or more times the prior calendar year's S&P 500 average dividend yield. The amount of the adjustment will equal the excess of the amount of the nonrecurring dividend less such 1.5 times measure. The option was adjusted to include 5% of the additional Class A shares issued in connection with our reorganization.

The option expires and is no longer exercisable following the date that is the earlier of (a) the 10-year anniversary of the grant date, (b) the date on which Mr. McNulty is notified of his termination for cause, (c) in the event of death, following payment to Mr. McNulty's estate in accordance with the terms of the employment agreement, or (d) 180 days after Mr. McNulty terminates his employment without good reason. The option may be exercised only as to the portion of the option that has vested. The option vested with respect to 40% of the shares subject thereto on February 7, 2001 and with respect to an additional 20% on each of February 7, 2002 and February 7, 2003. The option will vest with respect to the remaining 20% on February 7, 2004, subject to acceleration in the event of the following: (i) a termination by us of his agreement without cause or due to Mr. McNulty's death or permanent disability, (ii) a termination of the agreement by Mr. McNulty for "good reason", (iii) upon the expiration of the original term of the agreement or (iv) upon a change in control and termination as described below. The option is non-transferable except with the written consent of the Compensation Committee of our Board of Directors.

Mr. McNulty may exercise the option by delivering to us written notice of the percentage of shares covered by the option with respect to which the option is being exercised, accompanied by full payment of the exercise price for such shares. The exercise price of the shares purchased must be paid in full by any of the following methods, or any combination thereof, selected by Mr. McNulty: (i) in cash; (ii) in Class A common stock valued at its fair market value on the date of exercise; (iii) in Class B common stock valued at its fair market value on the date of exercise; (iv) in cash by a broker-dealer to whom Mr. McNulty has submitted an exercise notice consisting of a fully endorsed option; (v) by agreeing to surrender a portion of the option then exercisable, valued at the fair market value of the shares covered by the option, minus the exercise price for such shares; or (vi) by directing us to withhold such number of shares otherwise issuable upon exercise of the option having an aggregate fair market value on the date of exercise equal to the exercise price of the option. Shares of Class A common stock distributed pursuant to exercise of the option are transferable by Mr. McNulty, subject to his being required to hold shares of Class A common stock with a fair market value equal to not less than three times his annual base salary while he remains employed by us as CEO.

The agreement terminates on December 31, 2003, unless sooner terminated by us or Mr. McNulty. We may terminate the agreement pursuant to its terms due to Mr. McNulty's death or disability, or with or without cause. In addition, Mr. McNulty may terminate the agreement at any time after one year upon 90 days written notice. He may also terminate the agreement for "good reason" if our principal place of business is relocated outside of the Chicago metropolitan area, if we fail, after notice, to pay the agreed-upon compensation or benefits or if he is demoted or his responsibilities are significantly diminished. The agreement provides that, in the event of a termination without cause by us, Mr. McNulty shall be entitled to receive his base salary for the remainder of the original term plus one-third of the maximum annual incentive bonus he would have received during such time. The agreement also provides that, in the event that Mr. McNulty terminates his employment after the first year on less than 90 days written notice, other than following one of the matters previously described as "good reason," we may set off against any amounts otherwise owed to him a sum equal to his daily salary for each day his notice of termination is less than 90 days. If Mr. McNulty's employment is terminated because of his death or disability, he or his beneficiary will continue to receive the base salary for six months following that termination. In the event of his death or disability, his option will vest and his estate will have the right to exercise the option through the end of the term of the option.

The agreement also provides that, if within two years of a "change in control" (as defined in the agreement), Mr. McNulty is terminated by us or he terminates the agreement as a result of the occurrence of one of the matters described previously as "good reason," any unvested portion of his non-qualified stock option would immediately vest and generally become exercisable for a one-year period following termination of employment. In addition, in such event, Mr. McNulty will be entitled to a payment equal to two times his base salary plus one and one-third times the maximum incentive bonus for which he would have been eligible for the remaining term of the agreement, provided that the severance payments may not exceed \$8 million. The payments due to Mr. McNulty would be subject to reduction to the extent that a reduction would increase the net, after-tax amount of the payment retained by Mr. McNulty giving effect to the application of the excess parachute excise tax imposed by Section 4999 of the Internal Revenue Code.

Donohue Employment Agreement

In November 2002, we entered into an employment agreement with Mr. Donohue to serve as our Executive Vice President and our Chief Administrative Officer. Under the agreement, Mr. Donohue will receive a minimum annual base salary of no less than \$550,000. Any bonus during the term of the agreement will be provided at our sole discretion. The agreement provides that Mr. Donohue is entitled to insurance, vacation and other employee benefits commensurate with his position in accordance with our policies for executives in effect from time to time.

The agreement terminates on December 31, 2004, unless sooner terminated by us or Mr. Donohue. We may terminate the agreement pursuant to its terms due to Mr. Donohue's death or disability, or with or without cause. In addition, Mr. Donohue may terminate the agreement at any time upon 60 days written notice. If Mr. Donohue's employment is terminated because of his death or disability or by us with or without cause, he or his beneficiary will receive accrued base salary through the date of termination and other employee benefits to which he is entitled at such time in accordance with the terms of our plans and programs. In addition, in the event of a termination with cause by us, Mr. Donohue will forfeit any unvested or unearned compensation or long-term incentives, unless otherwise provided in the employment agreement or specified in the terms of our plans and programs. The agreement provides that, in the event of a termination without cause by us, Mr. Donohue shall be entitled to receive a one-time lump sum severance payment equal to 24 months of his base salary as of the date of termination.

Benefit Plans with Change in Control Provisions

Omnibus Stock Plan

We have adopted the CME Holdings Amended and Restated Omnibus Stock Plan under which awards of incentive stock options, non-qualified stock options, stock appreciation rights, restricted stock and other equity-based awards may be made to our employees and those of our affiliates. If the shareholders approve the amendment to the Plan described in this Proxy Statement, a total of 4,045,975 million shares of our Class A common stock will be authorized for issuance under the Plan (subject to adjustment in the event of a merger, reorganization or similar corporate event involving us) of which approximately 2.6 million are subject to outstanding options or restricted share awards. The Plan is administered by the Compensation Committee of our Board, which has the responsibility for designating recipients of awards under the Plan, determining the terms and conditions of these awards and interpreting the provisions of the Plan.

The Plan contains a change in control provision. A change of control generally occurs under the Plan upon the occurrence of the following events:

any person acquires more than 50% of our then outstanding shares of Class A common stock or more than 50% of the combined voting power of the then outstanding shares of common stock;

individuals who comprised our Board on February 7, 2000 (generally including any person becoming a director who was nominated or approved by those persons) cease to constitute at least a majority of our Board;

a reorganization, merger, consolidation, or sale of all or substantially all of our assets under circumstances where (i) our shareholders prior to the transaction own less than 50% of the then outstanding shares or less than 50% of the combined voting power of the surviving or resulting corporation, (ii) the members of our Board immediately prior to the transaction do not constitute a majority of the Board of Directors of the resulting or surviving corporation or (iii) an individual or entity acquires 50% or more of the common stock or combined voting power of the surviving or resulting entity; or

the approval by our shareholders of a complete liquidation or dissolution of CME Holdings.

The Plan generally provides that, in the event of a change in control as a result of which our shareholders receive registered common stock, all unvested options issued under the Plan shall become vested and exercisable, restrictions shall lapse with respect to any restricted stock issued under the Plan and performance goals applicable to outstanding awards shall be deemed to have been achieved. If the consideration to be received by our shareholders pursuant to the change in control is not registered common stock, outstanding awards will be cancelled in exchange for a cash payment equal to the value of such award (as defined in the Plan).

Pension Plan

We maintain a non-contributory defined benefit cash balance pension plan for eligible employees. To be eligible, an employee must have completed a continuous 12-month period of employment with us and have reached the age of 21. Effective January 15, 1995, the pension plan was amended to provide for an age-based contribution to a cash balance account, and to include cash bonuses in the definition of considered earnings. Our policy is to fund currently required pension costs. Participants become vested in their accounts after five years of service. An individual pension account is maintained for each plan participant. During employment, each individual pension account is credited with an

amount equal to an age-based percentage of that individual's considered earnings plus the greater of 4% or the December yield on one-year Treasury constant maturities. The pension account is portable, and vested balances may be paid out when participants end their employment with us. Alternatively, a participant may elect to

receive the balance in the account in the form of one of various monthly annuities. The following is the schedule of the employer contributions based on age:

<u>Age</u>	<u>Employer Contribution Percentage</u>
Under 30	3%
30-34	4
35-39	5
40-44	6
45-49	7
50-54	8
Over 54	9

The individuals named below have projected annual retirement benefits, based on current accumulated balances, a future annual interest credit rate of 6% and future service to age 65 at current salary levels, as follows: Mr. McNulty, \$39,717; Mr. Gill, \$100,885; Mr. Donohue, \$106,170; Mr. Johnston, \$92,202; and Mr. Gomach, \$89,760.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee consists of four non-employee directors. The Compensation Committee oversees the compensation and benefits of our employees with a special focus on executive compensation.

The Compensation Committee applies a consistent philosophy to compensation for all employees. This philosophy is based on the premise that our achievements result from the coordinated efforts of all employees working toward our business objectives. When reviewing the recommendations of management, the Compensation Committee considers:

alignment between employee rewards, shareholder interests and the company's objectives;

ability to attract and retain talented employees;

balance between rewarding short- and long-term performance; and

competitiveness in the marketplace and internal equity.

The Compensation Committee's primary mission is to structure and administer a range of compensation programs designed to enable us to attract and retain executive talent in a highly competitive marketplace. To help it to fulfill this mission, the Compensation Committee periodically evaluates the competitiveness of our executive compensation programs, using information drawn from a variety of sources, such as published survey data, information supplied by consultants and its own experience in recruiting and retaining executives. A list of the criteria the Compensation Committee considers when it establishes compensation programs and the factors it considers when it determines an executive's compensation is supplied in this report. Each year, the Committee reviews management's recommendations for new staff officers, as well as compensation and benefit plan modifications and the funding of those plans. The Committee approves the annual total cash compensation of the Chief Executive Officer, the Executive Vice President and Chief Administrative Officer and each executive officer. Once approved, base salary adjustments and bonus awards are paid in the first quarter of the following year.

During 2002, the Compensation Committee conducted several meetings on executive compensation. There are two primary forms of executive compensation, annual total cash compensation and long-term equity compensation, each of which is described in greater detail below.

Annual Total Cash Compensation

Annual total cash compensation includes base pay and bonus awards within the year. The Committee uses base pay to provide competitive market salaries and rewards based on level of responsibility. During 2002, excluding promotions, there were no base pay increases for our Chief Executive Officer, our Executive Vice President and Chief Administrative Officer or any other executive officer. Annual bonuses reflect the performance of the company, group performance and individual performance. The impact made on meeting or exceeding the goals of the company's business plan is a key consideration. The Committee approved individual bonuses to reflect efforts and achievements during 2002. During 2002, the Board Steering Committee reviewed the performance of the Chief Executive Officer and made recommendations to the Compensation Committee regarding his compensation.

Long-Term Equity Compensation

The company provides long-term incentive awards through its Omnibus Stock Plan, which the Committee administers for the company. The Omnibus Stock Plan provides for the grant of stock options and restricted or unrestricted common stock to plan participants. Subject to the terms of that plan, the Compensation Committee approves the design of equity-based programs and the related awards. The goal of long-term, equity-based compensation is to align the interests of the company's employees with shareholder interests and to balance short- and long-term rewards.

Chief Executive Officer Compensation

We have entered into an employment agreement with Mr. McNulty to serve as our President and Chief Executive Officer through December 31, 2003, subject to renewal by mutual agreement of the parties. Under the agreement, Mr. McNulty will receive a minimum annual base salary of \$1.0 million. He is also eligible for an annual incentive bonus based upon the achievement of goals set by our Board, which bonus may not exceed the lesser of \$1.5 million or 10% of our net income. The agreement provides that Mr. McNulty will be eligible to participate in the benefit plans available generally to the company's executives.

Mr. McNulty also has been granted a non-transferable, non-qualified stock option, which is designed to reward him for increasing the company's value. If total value increases, exercise of the option would generally enable Mr. McNulty to realize 2.5% of the increase above the company's valuation on February 7, 2000, and 2.5% of any increase in excess of 150% of the company's valuation on February 7, 2000. We may elect to issue solely shares of our Class A common stock or cash or any combination of Class A common stock and cash upon any exercise of the option by Mr. McNulty. The option expires after 10 years. It may be exercised only as to the portion of the option that has vested. The option vested with respect to 40% of the shares subject thereto on February 7, 2001 and with respect to an additional 20% on each of February 7, 2002 and February 7, 2003. The option will vest with respect to the remaining 20% on February 7, 2004, subject to acceleration or forfeiture in certain circumstances.

During 2002, Mr. McNulty received a base salary of \$1 million pursuant to his employment agreement. The Compensation Committee also approved an annual incentive bonus of \$500,000 based on the achievement of economic, strategic and leadership performance goals established for the 2002 performance year. The Board Steering Committee provided its recommendations to the Compensation Committee regarding Mr. McNulty's performance and the bonus award.

Limit on Tax-Deductible Compensation

Section 162(m) of the Internal Revenue Code imposes a \$1 million limit on the deduction that the company may claim in any tax year with respect to compensation paid the Chief Executive Officer and certain other senior executive officers. Certain types of performance-based compensation are exempted from this \$1 million limit. The company has recommended that its shareholders approve the CME Holdings Annual Incentive Plan, which will provide that amounts payable to the Chief Executive Officer and certain other senior executive officers will not be subject to the deduction limitations of Section 162(m). However, the Compensation Committee may, based on business considerations, authorize compensation in excess of \$1 million that is not performance-based, notwithstanding the tax consequences imposed on such compensation.

SHARES SUBJECT TO THE PLAN

4.1. Number of Shares. Subject to adjustment as provided in Section 4.3, 4,045,975 Shares shall be available for grants of Awards under the Plan. Shares awarded under the Plan may be either authorized but unissued Shares, authorized and issued Shares reacquired and held as treasury Shares or a combination thereof.

4.2. Lapsed Awards. To the extent that Shares subject to an outstanding Option (except to the extent Shares are issued or delivered by the Company in connection with the exercise of a tandem SAR) or other Award are not issued or delivered by reason of the expiration, cancellation, forfeiture or other termination of such Award or by reason of the delivery or withholding of Shares to pay all or a portion of the exercise price of an Award, if any, or to satisfy all or a portion of the tax withholding obligations relating to an Award, then such Shares shall again be available under this Plan.

ARTICLE 5

STOCK OPTIONS

5.1. Grant of Options. Subject to the provisions of the Plan, Options may be granted to such Employees at such times, and subject to such terms and conditions, as determined by the Committee in its sole discretion. An Award of Options may include Incentive Stock Options, Non-Qualified Stock Options, or a combination thereof; provided, that no Incentive Stock Option shall be granted more than ten years after the date this Plan is adopted by the Board.

Each Option shall be evidenced by an Award Agreement that shall specify the Exercise Price, the expiration date of the Option, the number, class and, if applicable, series of Shares to which the Option pertains (provided that Incentive Stock Options may be granted only with respect to Class A Shares), any conditions to the exercise of all or a portion of the Option, and such other terms and conditions as the Committee, in its discretion, shall determine. The Award Agreement pertaining to an Option shall designate such Option as an Incentive Stock Option or a Non-Qualified Stock Option. Notwithstanding any such designation, to the extent that the aggregate Fair Market Value (determined as of the Grant Date) of Shares with respect to which Options designated as Incentive Stock Options are exercisable for the first time by a Participant during any calendar year (under this Plan or any other plan of

A-6

the Company, or any parent or subsidiary as defined in section 424 of the Code) exceeds the amount established by the Code, such Options shall constitute Non-Qualified Stock Options. For purposes of the preceding sentence, Incentive Stock Options shall be taken into account in the order in which they are granted.

5.3. Exercise Price. Subject to the provisions of this Section 5.3, the Exercise Price with respect to Shares subject to an Option shall be determined by the Committee in its sole discretion.

5.3.1. Non-Qualified Stock Options. In the case of a Non-Qualified Stock Option, the Exercise Price may be equal to or greater than one hundred percent (100%) of the Fair Market Value of a Share on the Grant Date, as shall be determined by the

Committee in its sole discretion.

5.3.2. Incentive Stock Options. In the case of an Incentive Stock Option, the Exercise Price shall be not less than one hundred percent (100%) of the Fair Market Value of a Share on the Grant Date; provided, however, that the Exercise Price with respect to a Ten Percent Shareholder shall not be less than one hundred-ten percent (110%) of the Fair Market Value of a Share on the Grant Date.

5.4. Expiration of Options.

5.4.1. Expiration Dates. Each Option shall terminate not later than the expiration date specified in the Award Agreement pertaining to such Option; provided, however, that the expiration date with respect to an Incentive Stock Option shall not be later than the tenth anniversary of its Grant Date and the expiration date with respect to an Incentive Stock Option granted to a Ten Percent Holder shall not be later than the fifth anniversary of its Grant Date.

5.4.2. Termination of Service. Unless otherwise specified in the Award Agreement pertaining to an Option, each Option granted to a Participant shall terminate no later than the first to occur of the following events:

- (a) The expiration of ninety (90) days from the date of the Participant's Termination of Service for any reason other than the Participant's death, Disability, Retirement or termination for Cause;
- (b) The expiration of one (1) year from the date of the Participant's Termination of Service by reason of Disability;
- (c) The expiration of one (1) year from the date of the Participant's Termination of Service by reason of the Participant's Retirement (provided, that the portion of any Incentive Stock Option exercised more than three months after such Termination of Service shall be deemed to be a Non-Qualified Option);
- (d) The date of the Participant's Termination of Service for Cause; or
- (e) The expiration date specified in the Award Agreement pertaining to such Option.

5.4.3. Death of Employee. Unless otherwise specified in the Award Agreement pertaining to an Option, if a Participant to whom an Option has been granted dies while an Employee but prior to the expiration, cancellation, forfeiture or other termination of such Option, such Option shall become exercisable in full upon the Participant's death and shall be exercisable thereafter until the earlier of (a) the expiration of one (1) year after the date of death, or (b) the expiration date specified in the Award Agreement pertaining to such Option.

5.5. Exercisability of Options. Subject to Section 5.4, Options granted under the Plan shall be exercisable at such times, and shall be subject to such restrictions and conditions, as the Committee shall determine in its sole discretion. After an Option is granted, the Committee, in its sole discretion, may accelerate the exercisability of the Option.

A-7

5.6. Method of Exercise. Options shall be exercised by the Participant's delivery of a written notice of exercise to the Secretary of the Company (or its designee), setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment of the Exercise Price with respect to each such Share. The Exercise Price shall be payable to the Company in full in cash or its equivalent (including, but not limited to, by means of, a broker-assisted cashless exercise). The Committee, in its sole discretion, also may permit exercise (a) by tendering previously acquired Shares having an aggregate Fair Market Value at the time of exercise equal to the aggregate Exercise Price of the Shares with respect to which the Option is to be exercised, or (b) by any other means which the Committee, in its sole discretion, determines to both provide legal consideration for the Shares, and to be consistent with the purposes of the Plan.

As soon as practicable after receipt of a written notification of exercise and full payment for the Shares with respect to which the Option is exercised, the Company shall deliver to the Participant Share certificates (which may be in book entry form) for such Shares with respect to which the Option is exercised.

5.7. Restrictions on Share Transferability. The Committee may impose such restrictions on any Shares acquired pursuant to the exercise of an Option as it may deem advisable, including, but not limited to, restrictions related to applicable Federal securities laws, the requirements of any national securities exchange or system upon which Shares are then listed or traded, or any blue sky or state securities laws.

6.2. Exercise Price and Other Terms. The Committee, subject to the provisions of the Plan, shall have complete discretion to determine the terms and conditions of SARs granted under the Plan; provided, however, that SARs may be granted only with respect to Class A Shares. Without limiting the foregoing, the Exercise Price with respect to Shares subject to an SAR may be equal to or greater than one hundred percent (100%) of the Fair Market Value of a Share on the Grant Date, as shall be determined by the Committee in its sole discretion; provided, that the Exercise Price with respect to Shares subject to a tandem SAR shall be the same as the Exercise Price with respect to the Shares subject to the related Option.

6.3. SAR Agreement. Each SAR grant shall be evidenced by an Award Agreement that shall specify the Exercise Price, the term of the SAR, the conditions of exercise, and such other terms and conditions as the Committee, in its sole discretion, shall determine.

6.4.3. Death of Employee. Unless otherwise specified in the Award Agreement pertaining to an SAR, if a Participant to whom an SAR has been granted dies while an Employee but prior to the expiration, cancellation, forfeiture or other termination of such SAR, such SAR shall become exercisable in full upon the Participant's death and shall be exercisable thereafter until the earlier of (a) the expiration of one (1) year after the date of death, or (b) the expiration date specified in the Award Agreement pertaining to such SAR.

6.5. Payment of SAR Amount. An SAR may be exercised (a) by the Participant's delivery of a written notice of exercise to the Secretary of the Company (or its designee) setting forth the number of whole SARs which are being exercised, (b) in the case of a tandem SAR, by surrendering to the Company any Options which are cancelled by reason of the exercise of such SAR, and (c) by executing such documents as the Company may reasonably request. STOCK AWARDS

7.1. Grant of Stock Awards. Subject to the provisions of the Plan, Stock Awards may be granted to such Employees at such times, and subject to such terms and conditions, as determined by the Committee in its sole discretion; provided, however, that Stock Awards may be granted only with respect to Class A Shares. The Award Agreement pertaining to a Stock Award shall specify whether it is a Restricted Stock Award or a Bonus Stock Award. The maximum number of Shares with respect to which a Stock Award may be granted during any Fiscal Year to any person shall be 500,000, subject to adjustment as provided in Section 4.3.

7.2. Stock Award Agreement. Each Stock Award shall be evidenced by an Award Agreement that shall specify the number of Shares granted, any price to be paid for the Shares, the Performance Goals (if any) and Period of Restriction applicable to a Restricted Stock Award and such other terms and conditions as the Committee, in its sole discretion, shall determine. Bonus Stock Awards shall not be subject to any Periods of Restriction.

A-9

7.3. Transferability/Share Certificates. Shares subject to an Award of Restricted Stock may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated during a Period of Restriction. During the Period of Restriction, a Restricted Stock Award may be registered in the holder's name or a nominee name at the discretion of the Company and may bear a legend as described in Section 7.4.3. Unless the Committee determines otherwise, Shares of Restricted Stock shall be held by the Company as escrow agent during the applicable Period of Restriction, together with stock powers or other instruments of assignment (including a power of attorney), each endorsed in blank with a guarantee of signature if deemed necessary or appropriate by the Company, which would permit transfer to the Company of all or a portion of the Shares subject to the Restricted Stock Award in the event such Award is forfeited in whole or in part. Upon the grant of a Bonus Stock Award, subject to the Company's right to require payment of any taxes, a certificate or certificates evidencing ownership of the requisite number of Shares shall be delivered to the Participant.

7.4. Other Restrictions. The Committee, in its sole discretion, may impose such other restrictions on Shares subject to an Award of Restricted Stock as it may deem advisable or appropriate, in accordance with this Section 7.4.

7.4.1. General Restrictions. The Committee may set restrictions based upon the achievement of specific performance objectives (Company-wide, business unit or individual), applicable federal or state securities laws, or any other basis determined by the Committee in its discretion.

7.4.2. Section 162(m) Performance Restrictions. In the case of Awards of Restricted Stock which are intended to satisfy the requirements for "qualified performance-based compensation" under section 162(m) of the Code, the Committee shall set restrictions based upon the achievement of Performance Goals.

7.4.3. Legend on Certificates. The Committee, in its discretion, may legend the certificates representing Restricted Stock during the Period of Restriction to give appropriate notice of such restrictions. For example, the Committee may determine that some or all certificates representing Shares of Restricted Stock shall bear the following legend:

"The sale or other transfer of the shares of stock represented by this certificate, whether voluntary, involuntary, or by operation of law, is subject to certain restrictions on transfer as set forth in the Chicago Mercantile Exchange Holdings Inc., Amended and Restated Omnibus Stock Plan (the "Plan"), and in a Restricted Stock Agreement (as defined by the Plan). A copy of the Plan and such Restricted Stock Agreement may be obtained from the Secretary of Chicago Mercantile Exchange Holdings Inc.."

7.5. Removal of Restrictions. Shares of Restricted Stock covered by a Restricted Stock Award made under the Plan shall be released from escrow as soon as practicable after the termination of the Period of Restriction (and the satisfaction or attainment of any applicable Performance Goals) and, subject to the Company's right to require payment of any taxes, a certificate or certificates evidencing ownership of the requisite number of Shares shall be delivered to the Participant.

7.6. Voting Rights. During the Period of Restriction, Participants holding Shares of Restricted Stock granted hereunder may exercise full voting rights with respect to those Shares, unless otherwise provided in the Award Agreement.

7.7. Dividends and Other Distributions. During the Period of Restriction, Participants holding Shares of Restricted Stock shall be entitled to receive all dividends and other distributions paid with respect to such Shares unless otherwise provided in the Award Agreement. If any such dividends or distributions are paid in Shares, the Shares shall be deposited with the Company and shall be subject to the same restrictions on transferability and forfeitability as the Shares of Restricted Stock with respect to which they were paid.

A-10

7.8. Return of Restricted Stock to Company. On the date set forth in the Award Agreement, the Restricted Stock for which restrictions have not lapsed shall revert to the Company and again shall become available for Awards under the Plan.

7.9. Termination of Service.

7.9.1. Disability, Retirement and Death. Unless otherwise specified in the Award Agreement pertaining to a Restricted Stock Award granted to a Participant, upon the Participant's Termination of Service by reason of Disability, Retirement or death, the Period of Restriction shall terminate as of such date, and all Performance Goals shall be deemed to have been satisfied at the target level.

7.9.2. Other Termination of Service. Unless otherwise specified in the Award Agreement pertaining to a Restricted Stock Award granted to a Participant, upon the Participant's Termination of Service for any reason other than Disability, Retirement or death, the portion of such Award which is subject to a Period of Restriction on such date shall be forfeited by the Participant and canceled by the Company.

ARTICLE 8
PERFORMANCE SHARE AWARDS

8.1. Performance Share Awards. Subject to the provisions of the Plan, Performance Share Awards may be granted to such Employees at such times, and subject to such terms and conditions, as determined by the Committee in its sole discretion; provided, however, that Performance Share Awards may be granted only with respect to Class A Shares.

8.2. Terms of Performance Share Award Agreement.

8.2.1. Number of Performance Shares and Performance Goals. The Award Agreement pertaining to a Performance Share Award shall specify the number of Performance Shares subject to the Award and the Performance Goals and the Performance Period. The maximum number of Shares with respect to which a Performance Share Award may be granted during any Fiscal Year to any person shall be 500,000, subject to adjustment as provided in Section 4.3

8.2.2. Vesting and Forfeiture. The Award Agreement pertaining to a Performance Share Award shall specify, in the Committee's discretion and subject to the terms of the Plan, for the vesting of such Award if specified Performance Goals are satisfied or met during the Performance Period, and for the forfeiture of all or a portion of such Award if specified Performance Goals are not satisfied or met during the Performance Period.

8.2.3. Settlement of Vested Performance Share Awards. The Award Agreement pertaining to a Performance Share Award (i) shall specify whether such Award may be settled in Shares (including Shares of Restricted Stock) or cash or a combination thereof and (ii) may specify whether the holder thereof shall be entitled to receive, on a current or deferred basis, dividend equivalents, and, if determined by the Committee, interest on or the deemed reinvestment of any deferred dividend equivalents, with respect to the number of Shares subject to such Award. If a Performance Share Award is settled in Shares of Restricted Stock, a certificate or certificates representing such Restricted Stock shall be issued in accordance with Section 7.5, and the Participant shall have such rights of a stockholder of the Company as determined pursuant to Section 7.6 and 7.7. Prior to the settlement of a Performance Share Award in Shares, including Restricted Stock, the Participant shall have no rights as a stockholder of the Company with respect to the Shares subject to such Award.

8.3. Termination of Service.

8.3.1. Disability, Retirement and Death. Unless otherwise specified in the Award Agreement pertaining to a Performance Share Award granted to a Participant, upon the Participant's Termination

of Service by reason of Disability, Retirement or death, all Performance Goals shall be deemed to have been satisfied at the target level with respect to such Performance Share Award.

8.3.2. Other Termination of Service. Unless otherwise specified in the Award Agreement pertaining to a Performance Share Award granted to a Participant, upon the Participant's Termination of Service for any reason other than Disability, Retirement or death, the portion of such Award which is subject to outstanding Performance Goals on such date shall be forfeited by the Participant and canceled by the Company

ARTICLE 9

MISCELLANEOUS

9.1. No Effect on Employment or Service. Nothing in the Plan shall interfere with or limit in any way the right of the Company to terminate any Participant's employment or service at any time, with or without cause. For purposes of the Plan, transfer of employment of a Participant between the Company and any one of its Affiliates (or between Affiliates) shall not be deemed a Termination of Service. Employment with the Company and Affiliates is on an at-will basis only.

9.2. Participation. No Employee shall have the right to be selected to receive an Award under this Plan, or, having been so selected, to be selected to receive a future Award.

9.3. Indemnification. Each person who is or shall have been a member of the Committee, or of the Board, shall be indemnified and held harmless by the Company against and from (a) any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any good faith action taken or good faith failure to act under the Plan or any Award Agreement, and (b) from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such claim, action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Certificate of Incorporation or Bylaws, by contract, as a matter of law, or otherwise, or under any power that the Company may have to indemnify them or hold them harmless.

9.4. Successors. All obligations of the Company under the Plan, with respect to Awards granted hereunder, shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation or otherwise, of all or substantially all of the business or assets of the Company.

9.5. Beneficiary Designations. A Participant under the Plan may name a beneficiary or beneficiaries to whom any vested but unpaid Award shall be paid in the event of the Participant's death. For purposes of this section, a beneficiary may include a designated trust having as its primary beneficiary a family member of a Participant. Each such designation shall revoke all prior designations by the Participant and shall be effective only if given in a form and manner acceptable to the Committee. In the absence of any such designation, any vested benefits remaining unpaid at the Participant's death shall be paid to the Participant's estate and, subject to the terms of the Plan and of the applicable Award Agreement, any unexercised vested Award may be exercised by the administrator or executor of the Participant's estate.

9.6. Nontransferability of Awards. Unless otherwise determined by the Committee with respect to an Award other than an Incentive Stock Option, no Award granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will, by the laws of descent and distribution, or to the limited extent provided in Section 9.5. All rights with respect to an

Award granted to a Participant shall be available during his or her lifetime only to the Participant and may be exercised only by the Participant or the Participant's legal representative.

9.7. No Rights as Stockholder. Except to the limited extent provided in Sections 7.6 and 7.7, no Participant (nor any beneficiary) shall have any of the rights or privileges of a stockholder of the Company with respect to any Shares issuable pursuant to an Award (or exercise

thereof), unless and until certificates representing such Shares shall have been issued, recorded on the records of the Company or its transfer agents or registrars, and delivered to the Participant (or beneficiary).

9.8. Withholding Requirements. Prior to the delivery of any Shares or cash pursuant to an Award (or exercise thereof), the Company shall have the power and the right to deduct (including, but not limited to, deduction through a broker-assisted cashless exercise) or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state, local and foreign taxes (including, but not limited to, the Participant's FICA and SDI obligations) required to be withheld with respect to such Award (or exercise thereof). Notwithstanding any contrary provision of the Plan, if a Participant fails to remit to the Company such withholding amount within the time period specified by the Committee (in its discretion), the Participant's Award may, in the Committee's discretion, be forfeited and in such case the Participant shall not receive any of the Shares subject to such Award.

9.9. Withholding Arrangements. The Committee, in its sole discretion and pursuant to such procedures as it may specify from time to time, may permit or require a Participant to satisfy all or part of the tax withholding obligations in connection with an Award by (a) having the Company withhold otherwise deliverable Shares, or (b) delivering to the Company already-owned Shares having a Fair Market Value equal to the amount required to be withheld.

9.10. Deferrals. The Committee, in its sole discretion, may permit a Participant to defer receipt of the payment of cash or the delivery of Shares that would otherwise be delivered to a Participant under the Plan. Any such deferral elections shall be subject to such rules and procedures as shall be determined by the Committee in its sole discretion.

9.11. Change of Control. (a)(1) Notwithstanding any provision in this Plan or any Award Agreement, in the event of a Change of Control pursuant to paragraphs (c) or (d) of Section 2.8 in connection with which the holders of Shares receive shares of common stock that are registered under Section 12 of the 1934 Act, (i) all outstanding Options and SARs shall immediately become exercisable in full, (ii) the Period of Restriction applicable to any outstanding Restricted Stock Award shall lapse, (iii) the Performance Period applicable to any outstanding Performance Share shall lapse, (iv) the Performance Goals applicable to any outstanding award shall be deemed to be satisfied at the maximum level and (v) there shall be substituted for each Share available under this Plan, whether or not then subject to an outstanding award, the number and class of shares into which each outstanding Share shall be converted pursuant to such Change of Control. In the event of any such substitution, the purchase price per share in the case of an Option and the base price in the case of an SAR shall be appropriately adjusted by the Committee (whose determination shall be final, binding and conclusive), such adjustments to be made in the case of outstanding Options and SARs without an increase in the aggregate purchase price or base price.

(2) Notwithstanding any provision in this Plan or any Award Agreement, in the event of a Change of Control pursuant to paragraph (a) or (b) of Section 2.8, or in the event of a Change of Control pursuant to paragraph (c) or (d) of Section 2.8 in connection with which the holders of Shares receive consideration other than shares of common stock that are registered under Section 12 of the 1934 Act, each outstanding Award shall be surrendered to the Company by the holder thereof, and each such Award shall immediately be canceled by the Company, and the holder shall receive, within ten days of the occurrence of a Change of Control, a cash payment from the Company in an amount equal to (i) in the case of an Option, the number of Shares then subject to such Option, multiplied by the excess, if any, of the greater of (A) the highest per Share price offered to stockholders of the Company in any transaction whereby the Change of Control takes place or (B) the Fair Market Value

A-13

of a Share on the date of occurrence of the Change of Control, over the purchase price per Share subject to the Option, (ii) in the case of an SAR other than a tandem SAR, the number of Shares then subject to such SAR, multiplied by the excess, if any, of the greater of (A) the highest per Share price offered to stockholders of the Company in any transaction whereby the Change of Control takes place or (B) the Fair Market Value of a Share on the date of occurrence of the Change of Control, over the base price of the SAR, (iii) in the case of a Restricted Stock Award or Performance Share Award, the number of Shares or the number of Performance Shares, as the case may be, then subject to such Award, multiplied by the greater of (A) the highest per Share price offered to stockholders of the Company in any transaction whereby the Change of Control takes place or (B) the Fair Market Value of a Share on the date of occurrence of the Change of Control. In the event of a Change of Control, each tandem SAR shall be surrendered by the holder thereof and shall be canceled simultaneously with the cancellation of the related Option. The Company may, but is not required to, cooperate with any person who is subject to Section 16 of the Exchange Act to assure that any cash payment in accordance with the foregoing to such person is made in compliance with Section 16 and the rules and regulations thereunder.

9.12. Restrictions on Shares. Each Award made hereunder shall be subject to the requirement that if at any time the Company determines that the listing, registration or qualification of the Shares subject to such Award upon any securities exchange or under a any law, or the consent or approval of any governmental body, or the taking of any other action is necessary or desirable as a condition of, or in connection with, the exercise or settlement of such Award or the delivery of Shares thereunder, such Award shall not be exercised or settled and such Shares shall not be delivered unless such listing, registration, qualification, consent, approval or other action shall have been effected or obtained, free

of any conditions not acceptable to the Company. The Company may require that certificates evidencing shares delivered pursuant to any Award made hereunder bear a legend in indicating that the sale, transfer or other disposition thereof by the holder is prohibited except in compliance with the Securities Act of 1933, as amended, and the rules and regulations thereunder.

ARTICLE 10
AMENDMENT, TERMINATION AND DURATION

10.1. Amendment, Suspension or Termination. The Board, in its sole discretion, may amend, suspend or terminate the Plan, or any part thereof, at any time and for any reason, subject to any requirement of stockholder approval required by applicable law, rule or regulation, including section 162(m) and section 422 of the Code. The amendment, suspension or termination of the Plan shall not, without the consent of the Participant, alter or impair any rights or obligations under any Award theretofore granted to such Participant. No Award may be granted during any period of suspension or after termination of the Plan.

10.2. Duration of the Plan. The Plan shall, subject to Section 10.1 (regarding the Board's right to amend or terminate the Plan), terminate on June 30, 2007, unless earlier terminated by the Board. The termination of the Plan shall not affect any Awards granted prior to the termination of the Plan.

5. *Terms of Awards.* Awards granted pursuant to the Plan shall be communicated to Participants in such form as the Committee shall from time to time approve and the terms and conditions of such Awards shall be set forth therein.

Unless otherwise provided by the Committee in connection with specified terminations of employment, payment in respect of Awards shall be made only if and to the extent the minimum Performance Factors with respect to such Performance Period are attained.

(b) *Special Provisions Regarding Awards.* Notwithstanding anything to the contrary contained herein, in no event shall payment in respect of Awards granted hereunder exceed \$2,500,000 to any one Participant in any one year. The Committee may at its discretion decrease the amount of an Award payable upon attainment of the specified Performance Factors, but in no event may the Committee increase at its discretion the amount of an Award payable upon attainment of the specified Performance Factors.

regulatory or governmental agency as may be required.

(b) *Nontransferability.* Awards shall not be transferable by a Participant except upon the Participant's death following the end of the Performance Period but prior to the date payment is made, in which case the Award shall be transferable in accordance with any beneficiary designation made by the Participant in accordance with Section 7(k) below or, in the absence thereof, by will or the laws of descent and distribution.

(c) *No Right To Continued Employment.* Nothing in the Plan or in any Award granted pursuant hereto shall confer upon any Participant the right to continue in the employ of the Company or any of its Subsidiaries or to be entitled to any remuneration or benefits not set forth in the Plan or to interfere with or limit in any way whatever rights otherwise exist of the Company or its Subsidiaries to terminate such Participant's employment or change such Participant's remuneration.

(d) *Withholding Taxes.* Where a Participant or other person is entitled to receive a payment pursuant to an Award hereunder, the Company shall have the right either to deduct from the payment, or to require the Participant or such other person to pay to the Company prior to delivery of such payment, an amount sufficient to satisfy any federal, state, local or other withholding tax requirements related thereto.

(e) *Amendment, Termination and Duration of the Plan.* The Board or the Committee may at any time and from time to time alter, amend, suspend or terminate the Plan in whole or in part; *provided that*, no amendment that requires stockholder approval in order for the Plan to continue to

B-3

comply with Code Section 162(m) shall be effective unless the same shall be approved by the requisite vote of the stockholders of the Company. Notwithstanding the foregoing (but subject to Section (j)), no amendment shall affect adversely any of the rights of any Participant under any Award following the grant of such Award, provided that neither an adjustment of an Award (as contemplated by Section 3) nor the exercise of the Committee's discretion pursuant to Section 5(b) to reduce the amount of an Award shall not be deemed an impermissible amendment of the Plan or an Award.

(f) *Participant Rights.* No Participant shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment for Participants.

(g) *Termination of Employment.*

(i) Unless otherwise provided by the Committee, and except as set forth in subparagraph (ii) of this Section 7(g), a Participant must be actively employed by the Company or its Subsidiaries at the time Awards are generally paid with respect to a Performance Period in order to be eligible to receive payment in respect of such Award.

(h) *Unfunded Status of Awards.* The Plan is intended to constitute an "unfunded" plan for incentive and deferred compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award shall give any such Participant any rights that are greater than those of a general creditor of the Company.

(i) *Governing Law.* The Plan and all determinations made and actions taken pursuant hereto shall be governed by the laws of the State of Delaware without giving effect to the conflict of laws principles thereof.

(j) *Effective Date.* The Plan shall take effect upon its adoption by the Board; provided, however, that the Plan shall be subject to the requisite approval of the stockholders of the Company in order to comply with Section 162(m) of the Code. In the absence of such approval, the Plan (and any Awards made pursuant to the Plan prior to the date of such approval) shall be null and void.

(k) *Beneficiary.* A Participant may file with the Committee a written designation of a beneficiary on such form as may be prescribed by the Committee and may, from time to time, amend or revoke such designation. If no designated beneficiary survives the Participant and an Award is payable to the Participant's beneficiary pursuant to Section 7(b), the executor or administrator of the Participant's estate shall be

deemed to be the grantee's beneficiary.

(l) *Interpretation.* The Plan is designed and intended to comply, to the extent applicable, with Section 162(m) of the Code, and all provisions hereof shall be construed in a manner to so comply.

2. Approval of the proposed amendment to the Chicago Mercantile Exchange Holdings Inc. Amended and Restated Omnibus Stock Plan. (Non-employee directors are not eligible to participate in the Plan). Before recommending approval of the proposed amendment, the Board considered a number of factors. Taking into account the proposed increase in the number of shares available for awards, approximately 4% of our common stock will be reserved for issuance under the Plan. The Board believes the percentage of outstanding shares subject to awards or reserved for issuance is less than in other comparable companies. Additionally, the Board believes the Plan, as amended, will allow us to provide reasonable equity incentives to our employees, although the resulting dilution will be significantly less than the potential dilution from equity awards at comparable companies. Additional information regarding the proposed amendment is contained in the Proxy Statement.

3. Approval of the Annual Incentive Plan.

4. Ratification of Ernst & Young LLP as independent auditors for 2003.

I PLAN TO ATTEND THE MEETING.
