ITEM 4. Description of Securities

Edgar Filing: EQUIFAX INC - Form S-8

The deferred compensation obligations of the Company registered hereunder (the "Obligations") are unsecured general obligations of the Company to pay deferred compensation in the form of common stock of the Company (the "Common Stock") in accordance with the terms and conditions of the Director and Executive Stock Deferral Plan (the "Plan"). The following discussion of the Plan is not a complete Equifax description of the Plan and is qualified in its entirety by the full text of the Plan. The filing of this Registration Statement on Form S-8 is not, and should not be construed as, an admission that the Obligations constitute securities as defined by any applicable federal, state or local law, or that registration of the Obligations is required under any such law.

The Plan is a nonqualified deferred compensation plan for eligible directors and members of management (the "Participants") of the Company and its subsidiaries and affiliates. Under the Plan, the Company will provide all Participants with the opportunity to defer receipt of (1) restricted stock or (2) gains realized from the exercise of Non-Qualified stock options that were granted under one of the stock incentive plans of the Company (collectively referred herein as "stock awards"). A Participant's right to the Obligations cannot be transferred, assigned, pledged or encumbered. Each participant may designate a beneficiary to receive benefits under the terms of the Plan upon the Participant's death.

Amounts deferred pursuant to the Plan (whether restricted stock or stock option gains) are credited to deferred compensation accounts maintained on behalf of each Participant as deferred stock. Participants will not have voting rights or dividend rights with respect to the deferred stock until the distribution of Common Stock under the Plan. Participants must make an election to defer stock awards six months prior to the vesting date of restricted stock or the exercise of stock options.

2

When Participants enroll in the Plan, they elect how the deferred stock credited to their account will be paid. Payments will generally become due upon retirement, death, or other termination of employment in accordance with the terms of the Plan and paid either in a lump sum or in annual installments over a period of up to 15 years. All payments from the Plan will be made in shares of Common Stock. The Common Stock distributed by the Plan may be purchased in the open market, acquired from the Company or transferred from a trust established by the Company. The Company may establish a rabbi trust to assist with payments in certain circumstances including to purchase shares of Common Stock on the open market. Amounts held in any such rabbi trust may only be used to satisfy Obligations or to satisfy claims of the Company's general creditors.

The Company has reserved the right to amend the Plan at any time, except that no such amendment shall adversely affect the right of each Participant to the amounts credited to his or her deferred compensation account as of the date of the amendment.

ITEM 5. Interests of Named Experts and Counsel

Not applicable.

ITEM 6. Indemnification of Directors and Officers

The Georgia Business Corporation Code permits, and the Company's bylaws require, the Company to indemnify any person who was or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding (which could include actions, suits or proceedings under the Securities Act of 1933), whether civil, criminal, administrative, or investigative (other than an action brought by or on behalf of the Company) by reason of the fact that such person is or was a director or officer of the Company or is or was serving at the request of the Company as a director or officer of another corporation, partnership, joint venture, trust, or other enterprise, against all expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person acted in a manner he reasonably believed to be in or not opposed to the best interests of the Company and, with respect to any criminal action or proceeding if such person acted in a manner he reasonably believed to be in or not opposed to the best interests of the Company and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. With regard to actions or suits by or in the right of the Company, indemnification is limited to reasonable expenses incurred in connection with the proceeding and generally is not available in connection with such a proceeding in which such person was adjudged liable to the Company.

In addition, the Company carries insurance on behalf of directors and officers that may cover liabilities under the Securities Act of 1933.

ITEM 7. Exemption from Registration Claimed

ITEM 9. Undertakings

(a) The undersigned registrant hereby undertakes: (1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement, to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; (2) that, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and (3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for the purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
