(Attach extra Sheets if Needed)

During the first quarter of 2008, UTStarcom, Inc. (the Company) implemented an enhanced version of its enterprise resource planning system and is continuing to test the system. Because the Company has not yet completed its testing of the system, certain additional processes have been required in connection with the preparation of the Company's consolidated financial statements. These additional processes have increased the time otherwise needed by the Company to prepare its consolidated financial statements for the quarter ended March 31, 2008 to be included in its Quarterly Report on Form 10-Q for the quarter ended March 31, 2008.

Accordingly, the Company is unable to complete its Quarterly Report on Form 10-Q for the quarter ended March 31, 2008 by the May 12, 2008 prescribed deadline without unreasonable effort or expense. The Company is committed to completing the Quarterly Report on Form 10-Q for the quarter ended March 31, 2008 as quickly as possible and plans to file such Quarterly Report by May 19, 2008, which date is within the time period allowed by Rule 12b-25.

**RESPONSE TO PART IV**

The reader is referred to the Company's May 6, 2008 press release entitled "UTStarcom Provides Preliminary Results for the First Quarter of 2008" for a discussion of expected significant operating results in the quarter ended March 31, 2008. A copy of this press release was furnished as an exhibit to the Form 8-K filed by the Company with the SEC on May 7, 2008.

The Company currently is finalizing its quarterly evaluation of the effectiveness of the design and operation of the Company's disclosure controls and procedures. Management expects to conclude that the Company's disclosure controls and procedures were not effective as of March 31, 2008 because the material weaknesses described in "Management's Annual Report on Internal Control over Financial Reporting," included in "Part II, Item 9A - Controls and Procedures" in the Company's Annual Report on Form 10-K for the year ended December 31, 2007, have not yet been remediated.

All forward-looking statements included in this Form 12b-25 are based upon information available to the Company as of the date of this Form 12b-25, which may change, and we assume no obligation to update any such forward-looking statements.
