Your vote is very important and we hope you will be able to attend the meeting. To ensure your representation at the meeting, even if you anticipate attending in person, we urge you to vote. If you attend, you will, of course, be entitled to vote in person.

Questions and Answers

Q: What is a proxy?

A: A proxy is a document, also referred to as a "proxy card," on which you authorize someone else to vote for you at the upcoming Annual Meeting in the way that you want to vote. You also may choose to abstain from voting. This Proxy Statement is furnished in connection with the solicitation by the Board of Directors (the "Board of Directors") of Ethan Allen Interiors Inc., a Delaware corporation (the "Company"), of proxies for use at the 2012 Annual Meeting of stockholders (the "Annual Meeting") to be held on Tuesday, November 13, 2012 at the Ethan Allen International Corporate Headquarters, Ethan Allen Drive, Danbury, Connecticut 06811 at 9:00 A.M., local time, or any adjournment thereof. The Proxy Statement and our Annual Report are first being made available electronically on or about October 2, 2012.

Q: What are the purposes of this annual meeting?

A: At the Annual Meeting, stockholders will elect two Class III directors for a three-year term expiring in 2015. The Board of Directors' Class III nominees for election are: James W. Schmotter and Frank G. Wisner. Stockholders will also vote on: (i) ratifying our appointment of KPMG LLP ("KPMG") as our independent registered public accounting firm for fiscal year 2013; and (ii) ratifying the advisory resolution to approve the compensation to our named executive officers. Other than routine or procedural matters, we do not expect any other business will be brought up at the meeting, but if any other business is properly brought up, the persons named in the proxy card will have authority to vote as they see fit.

Q: Why did I receive a one-page notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?

A: In accordance with rules adopted by the Securities and Exchange Commission ("SEC"), rather than mailing a printed copy of our proxy materials to each stockholder of record, we may now send some or all of our stockholders a Notice Regarding the Availability of Proxy Materials ("Notice"), which indicates how our stockholders may:

access their proxy materials and vote their proxies over the Internet or by telephone; or

request a paper copy of the materials, including a proxy card.

Q: How can I get electronic access to the proxy materials?

A: The Notice provides you with instructions regarding how to:

view our proxy materials for the Annual Meeting over the Internet; or

instruct us to send our future proxy materials to you electronically, by email, instead of sending you printed copies by mail.

Choosing to receive your future proxy materials by email will save us the cost of printing and mailing documents to you and will reduce the impact of our Annual Meeting of stockholders on the environment. If you choose to receive future proxy materials by email, you will receive an email next year with instructions containing a link to those materials and a link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it. The Annual Report and the Form 10-K accompany the proxy materials but are not considered part of the proxy soliciting materials.

Q: Who is entitled to vote?

A:

Only record holders of our shares of common stock at the close of business on the record date for the meeting are entitled to vote at the Annual Meeting. The Board of Directors has fixed the close of business on September 18, 2012 as the record date (the "Record Date") for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting. As of the Record Date, the Company had outstanding 28,838,131 shares of common stock, par value \$0.01 per share (the "Common Stock"). The holders of Common Stock as of the Record Date are entitled to notice of, and to vote at, the Annual Meeting. Holders of Common Stock are entitled to one vote per share.

Q: How do I vote?

A:

You can vote either in person at the Annual Meeting or by proxy whether or not you attend the Annual Meeting. You can vote by proxy in three ways:

By mail If you received your proxy materials by mail, you can vote using the proxy card;

By telephone In the United States and Canada, you can vote by telephone by following the instructions in the Notice, on the Internet or on your proxy card if you received your materials by mail; or

By Internet You can vote over the Internet by following the instructions on the Notice or on your proxy card if you received your materials by mail.

If you vote by proxy, your shares will be voted at the Annual Meeting in the manner you indicate. If your shares are held in your name (but not in nominee name through a broker) and if you sign your proxy card, but do not specify how you want your shares to be voted, they will be voted as the Board of Directors recommends.

Q: Can I change my vote after I have voted?

A:

A later vote by any means will cancel any earlier vote. For example, if you vote by telephone and later vote differently on the Internet, the Internet vote will count, and the telephone vote will be canceled. If you wish to change your vote by mail, you should write our Corporate Secretary, at the address set forth at the beginning of the Questions and Answers, and request a new proxy card. The last vote we receive before the meeting will be the one counted. You also may change your vote by voting in person at the meeting.

Q: What does it mean if I get more than one proxy card?

A:

It means that your shares are registered in more than one way. Sign and return *all* proxy cards or vote *each* group of shares by mail, telephone or over the Internet to ensure that all your shares are voted.

Q: Who are the named Proxies for the Annual Meeting?

A:

M. Farooq Kathwari and Kristin Gamble were selected by the Board of Directors to serve as Proxies for the Annual Meeting. Each properly executed and returned proxy card will be voted by the Proxies in accordance with the directions indicated thereon, or if no directions are indicated, such proxy will be voted in accordance with the recommendations of the Board of Directors contained in this Proxy Statement. In voting by proxy with regard to the election of directors, stockholders may vote in favor of all nominees, withhold their vote as to all nominees or withhold their vote as to a specific nominee(s). Each stockholder giving a proxy has the power to revoke it at any time before the shares it represents are voted. Revocation of a proxy is effective upon receipt of a later vote by (i) telephone; (ii) Internet; or (iii) receipt by the Corporate Secretary of the Company of either: (a) an instrument revoking the proxy; or (b) a duly executed proxy card bearing a later date. Additionally, a stockholder may change or revoke a previously executed proxy by voting in person at the Annual Meeting.

Q: What is a Broker Non-Vote?

A: The SEC approved a New York Stock Exchange (NYSE) amendment to Rule 452 prohibiting brokers from exercising "discretionary voting" in all director elections. The amendment applies to shareholder meetings held on or after January 1, 2010. Therefore, if your shares are held in nominee name by your broker and you do not provide instructions to your broker on how you want your shares voted in director elections, your broker is prohibited from exercising discretionary voting and voting those shares in the director elections.

Q: What is Electronic Access?

A: Our proxy statement and our 2012 annual report are available on an Internet site at <http://materials.proxyvote.com/297602>. Most stockholders can elect to view future proxy statements and annual reports over the Internet instead of receiving paper copies in the mail. If you are a registered stockholder, you can choose this option and save the Company the cost of producing and mailing these documents by following the instructions provided on your proxy card or following the prompt if you choose to vote over the Internet. If you hold your stock in nominee name (such as through a bank or broker), check the information provided by your nominee for instructions on how to elect to view future proxy statements and annual reports over the Internet. If you are a registered stockholder and have chosen to view future proxy statements and annual reports over the Internet, you will receive an email with instructions containing the Internet address of those materials.

Q: How many shares must be present to hold the Meeting?

A: In order for the Meeting to be conducted, one-third of the outstanding shares of Common Stock as of the Record Date must be present in person or represented by proxy at the Annual Meeting. This is referred to as a quorum. Abstentions, withheld votes and shares held of record by a bank, broker or its nominee ("broker shares") pursuant to a signed proxy or voting instruction card that are voted on any matter (including an abstention or withheld vote by broker shares) are included in determining the number of shares present. Broker shares that are not voted on any matter will not be included in determining whether a quorum is present.

Q: What vote is needed to elect Directors?

A: At the Annual Meeting, the vote of a majority in interest of the stockholders present, in person or by proxy, and entitled to vote thereon is required to elect or ratify directors.

Q: What vote is needed to ratify the appointment of KPMG LLP?

A: At the Annual Meeting, the vote of a majority in interest of the stockholders present, in person or by proxy, and entitled to vote thereon is required to ratify the appointment of KPMG as the independent registered public accounting firm of the Company.

Q: What vote is needed to approve the non-binding resolution regarding the compensation of our named executive officers?

A: At the Annual Meeting, the vote of a majority in interest of the stockholders present, in person or by proxy, and entitled to vote thereon is required to ratify the non-binding resolution regarding the compensation of our named executive officers. Because your vote is advisory, it will not be binding on the Board of Directors or the Company. However, the Board of Directors will review the voting results on this resolution and take them into consideration when making future decisions regarding executive compensation.

Q: How will the votes be tabulated?

A: The election inspectors appointed for the Annual Meeting will tabulate the votes cast, in person or by proxy, at the Annual Meeting and will determine whether or not a quorum is present. The election

Edgar Filing: ETHAN ALLEN INTERIORS INC - Form DEF 14A

inspectors will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum but as unvoted for purposes of determining the approval of any matter submitted to the stockholders for a vote. If a broker indicates on the proxy that it does not have discretionary authority to vote on a particular matter, as to certain shares, those shares will not be considered as present and entitled to vote with respect to that matter.

Q: How will my shares be voted if I do not return my proxy or my voting instruction form?

A:

It will depend on how your ownership of shares of Common Stock is registered. If you own your shares as a registered holder, which means that your shares of Common Stock are registered in your name with Computershare Investor Services LLC ("Computershare"), our transfer agent, your shares will only be voted if Computershare receives specific voting instructions from you. Otherwise, your unvoted shares will not be represented at the Annual Meeting and will not count toward the quorum requirement (which is explained under "Questions and Answers How many shares must be present to hold the Annual Meeting") above, unless you attend the Annual Meeting to vote them in person.

If you are a shareholder whose shares of Common Stock are held in street name, which means that your shares are registered in the name of your bank, broker or other nominee, your bank, broker or other nominee may or may not vote your shares in its discretion if you have not provided voting instructions to the bank, broker or its nominee. Whether the bank, broker or other nominee may vote your shares depends on the proposals before the Annual Meeting. Under the rules of the NYSE, your bank, broker or other nominee may vote your shares in its discretion on "routine matters." Based on the rules of the NYSE, we believe that the ratification of the appointment of KPMG as our independent registered public accounting firm is a routine matter for which your bank, broker or other nominee may vote in their discretion on behalf of their clients if no voting instructions are provided. Therefore, if you are a shareholder whose shares of Common Stock are held in street name with a bank, broker or other nominee and you do not return your voting instruction form, your bank, broker or other nominee may vote your shares on the ratification of the appointment of KPMG as our independent registered public accounting firm.

The rules of the NYSE, however, do not permit your bank, broker or other nominee to vote your shares on proposals that are not considered "routine." When a proposal is not a routine matter and your bank, broker or other nominee has not received your voting instructions with respect to that proposal, your bank, broker or other nominee cannot vote your shares on that proposal. This is called a "broker non-vote." Your bank, broker or other nominee may not vote your shares with respect to (i) the election of the nominees for Director or (ii) the non-binding advisory resolution regarding the compensation of our named executive officers, in the absence of your specific instructions as to how to vote with respect to each of these matters because, under the rules of the NYSE, these matters are not considered "routine matters."

Q: Where can I find the results of the Annual Meeting?

A:

We intend to announce preliminary voting results at the Annual Meeting and publish final results through a Current Report on Form 8-K that we will file with the SEC within four business days of the Annual Meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE ELECTION OF THE NOMINEES FOR DIRECTOR NAMED ABOVE, WHICH IS DESIGNATED AS PROPOSAL NO. 1.

CORPORATE GOVERNANCE

The Board of Directors has determined that Clinton A. Clark, John J. Dooner, Jr., Kristin Gamble, James W. Schmotter, Don M. Wilson, III and Frank G. Wisner are "independent" directors within the NYSE Listing Standards. In order for a Director to be considered "independent" by the Board of Directors, he or she must (i) be free of any relationship that, applying the rules of the NYSE, would preclude a finding of independence and (ii) not have any material relationship (either directly or as a partner, shareholder or officer of an organization) with us or any of our affiliates or any of our executive officers or any of our affiliates' executive officers. In evaluating the materiality of any such relationship, the Board of Directors takes into consideration whether disclosure of the relationship would be required by the disclosure rules under the Securities Act of 1933, as amended, and the Exchange Act. If disclosure of the relationship is required, the Board of Directors must make a determination that the relationship is not material as a prerequisite to finding that the Director is "independent."

Stockholder Communication with Directors

Stockholders or interested parties may communicate with the full Board of Directors, a full committee, individual committee members or individual directors by sending communications to the Office of the Secretary, Ethan Allen Interiors Inc., Ethan Allen Drive, Danbury, Connecticut 06811 for forwarding to the appropriate director(s). Please specify to whom your correspondence should be directed. The Corporate Secretary has been instructed by the Board of Directors to review and promptly forward all

Edgar Filing: ETHAN ALLEN INTERIORS INC - Form DEF 14A

correspondence (except advertising material and ordinary business matters) to the full Board of Directors, full committee, individual director or committee member, as indicated in the correspondence.

Certain Transactions

The Company is party to indemnification agreements with each of the members of the Board of Directors pursuant to which the Company has agreed to indemnify and hold harmless each member of the Board of Directors from liabilities incurred as a result of such director's status as a director of the Company, subject to certain limitations.

Certain Relationships and Related Party Transactions

The Company recognizes that transactions between Ethan Allen and related persons present a potential for actual or perceived conflicts of interest. The Company's general policies with respect to such transactions are included in its Code of Business Conduct and Ethics ("Business Code"), the administration of which is overseen by the Nominations/Corporate Governance Committee. The Company defines "related party" transaction as any transaction or series of related transactions in excess of \$120,000 in which the Company is a party and in which a "related person" has a material interest and in which any related person had, has or will have direct or indirect interest. Related persons include (i) any person who is, or at any time since the beginning of our last fiscal year, was, a director or executive officer of us or a nominee to become a director, (ii) any person who is known to be the beneficial owner of more than 5% of any class of our voting securities, (iii) any immediate family member of any of the foregoing persons, which means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law or sister-in-law of the director, executive officer, nominee or more than 5% beneficial owner and any person (other than a tenant or employee) sharing the household of such director, executive officer, nominee or more than 5% beneficial owner and (iv) any firm, corporation or other entity in which any of the foregoing persons is employed or is a general partner or principal or in a similar position or in which such person has a 5% or greater beneficial ownership interest.

The Company collects information about potential related party transactions in its annual questionnaires completed by directors and officers as well as throughout the year at its quarterly Disclosure Control Committee Meetings, comprised of key management responsible for significant business units, departments or divisions. Potential related party transactions are first reviewed and assessed by our General Counsel to consider the materiality of the transactions and then reported to the Nominations/Corporate Governance Committee. The Nominations/Corporate Governance Committee reviews and considers all relevant information available to it about each related party transaction and presents the facts to the members of the Board of Directors not associated with the potential related party transaction. A related party transaction is approved or ratified only if such members of the Board of Directors determine that it is not inconsistent with the best interests of the Company and its stockholders. The Company did not have any such transactions during fiscal year 2012.

Compensation Committee Interlocks and Insider Participation

No member of the Compensation Committee was at any time an officer or employee of the Company, nor is any member of the Compensation Committee related to any other member of the Compensation Committee, any other member of the Board of Directors or any executive officer of the Company. No member of the Board of Directors or executive officer of the Company served as a director or member of the compensation or similar committee of another entity whose director(s) or executive officer(s) serve as a member of the Company's Compensation Committee.

Charters, Code and Guidelines

The Company's Business Code, Corporate Governance Guidelines and the charters of its Audit Committee, Compensation Committee and Nominations/Corporate Governance Committee are available on the Company's website at www.ethanallen.com/governance. Any waiver of the Business Code for directors or named executive officers may only be made by the Nominations/Corporate Governance Committee, and any waivers or amendments will be disclosed promptly by a posting on our website. Stockholders may request a copy of any of these documents by writing to: Ethan Allen Interiors Inc., Ethan Allen Drive, Danbury, CT 06811, Attn: Office of the Secretary.

Leadership Structure and Board of Directors' Role in Risk Oversight

The Company's leadership structure combines the leadership role of the Chairman and CEO coupled with the role of a lead independent director. The Board of Directors believes that the existence of a lead independent director supports strong corporate governance principles while deriving the benefit of having the Company's CEO also serve as Chairman of the Board of Directors. The Board of Directors believes that the Company's current leadership structure enhances the Chairman/CEO's ability to provide insight and direction on the Company's strategic direction to both management and independent directors, and at the same time, with the support and oversight of a lead independent director, ensures that the appropriate level of independent oversight is applied to management decisions. The lead independent director's primary responsibility is to ensure that the Board of Directors provides independent oversight of management and that directors and stockholders have an independent leadership contact. The Board of Directors believes that this structure ensures that the independent directors continue to effectively oversee management and provide effective oversight of key issues relating to strategy, risk and integrity without the need to split the roles of Chairman/CEO.

The Board of Directors believes that splitting the roles, especially in light of Mr. Kathwari's skill and experience, would potentially have the consequence of making our management and governance process less effective through the undesirable duplication of work, and, in the worst case, the blurring of accountability and responsibility without any clear benefits.

The Board of Directors oversees an enterprise-wide approach to risk management, designed to identify risk areas and provide oversight of the Company's risk management, to support the achievement of organizational objectives, including strategic objectives, to improve long-term organizational performance and to enhance stockholder value. A fundamental part of the board's risk management is to understand the risks the company faces and what steps management is taking to manage those risks. The Board of Directors participates in discussions with management concerning the Company's overall level of risk, the Company's business strategy and organizational objectives which are all integral components of its assessment of management's tolerance for risk.

Meetings and Committees of the Board of Directors

During fiscal year 2012, there were five (5) regularly scheduled meetings of the Board of Directors and the annual meeting of stockholders. Independent directors ordinarily meet in executive session without management present immediately after regularly scheduled Board of Directors meetings. These sessions are chaired by the lead independent director. Kristin Gamble currently serves as lead independent director.

All directors are expected to attend all Board of Directors meetings, independent director meetings, stockholder meetings and committee meetings, as appropriate. The Board of Directors realizes that conflicts may arise from time to time but expects that each director will make every effort to keep such conflicts to a minimum. All directors who then held office attended the November 15, 2011 annual meeting of stockholders. In fiscal year 2012, there was 92% attendance at all Board of Directors meetings and committee meetings.

Edgar Filing: ETHAN ALLEN INTERIORS INC - Form DEF 14A

The Board of Directors has established three standing committees: the Audit Committee; the Compensation Committee; and the Nominations/Corporate Governance Committee. Committee memberships of each nominee and continuing or current director are set forth below:

Name	Audit Committee	Nominations/Corporate Governance Committee	Compensation Committee	Lead Independent Director
Clinton A. Clark	Chairperson		Member	
John J. Dooner, Jr.	Member	Member		
Kristin Gamble	Member		Chairperson	X
James W. Schmotter		Member		
Frank G. Wisner		Chairperson	Member	
Don M. Wilson, III	Member			

Additionally, the Board of Directors determined that all of the members of the standing committees are (i) "independent" within the meanings of the listings standards of the NYSE, (ii) "non-employee directors" (within the meaning of Rule 16b-3 under the Exchange Act) and (iii) "outside directors" (within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code)). See "Corporate Governance" beginning on page 7.

AUDIT COMMITTEE

The Audit Committee is principally responsible for ensuring the accuracy and effectiveness of the annual audit of the financial statements as conducted by the Company's internal auditors and independent registered public accounting firm. The duties of the Committee include, but are not limited to: (i) appointing and supervising the Company's independent registered public accounting firm; (ii) assessing the scope and structure of the Company's internal audit function; (iii) reviewing the scope of audits to be conducted, as well as the results thereof; (iv) approving audit and non-audit services provided to the Company by the independent registered public accounting firm; and (v) overseeing the Company's financial reporting activities, including the Company's system of internal control and the accounting standards and principles applied.

In accordance with SEC regulations, the Audit Committee has approved an Audit Committee Charter, describing the responsibilities of the Audit Committee, (see page 9 for website address). The Board of Directors has concluded that each member of the Audit Committee is "independent". See "Corporate Governance" beginning on page 7. The Board of Directors has determined that all Audit Committee members, as required by SEC regulations and NYSE rules, are financially literate, and at least one member of the Audit Committee has accounting or related finance management expertise, as interpreted by the Board of Directors. The Board of Directors has determined that each member of the Audit Committee is an "audit committee financial expert" as defined under Item 407(d)(5)(ii) of SEC Regulation S-K and as contemplated by Rule 10A-3 of the Exchange Act.

Report of the Audit Committee of the Board of Directors

The Audit Committee, on behalf of the Board of Directors, oversees the Company's financial reporting process, including the Company's system of internal control. However, management has the primary responsibility for the financial statements and the reporting process, including the system of internal control. In fulfilling its oversight responsibilities, the Audit Committee reviewed, with management, the audited financial statements contained within the Annual Report on Form 10-K, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures contained in those financial statements. In addition, in compliance with the Sarbanes-Oxley Act of 2002 ("SOX"), the Audit Committee reviewed with management and KPMG, the Company's independent registered public

Edgar Filing: ETHAN ALLEN INTERIORS INC - Form DEF 14A

accounting firm, the effectiveness of the Company's system of internal control over financial reporting as of June 30, 2012.

The Audit Committee reviewed with KPMG, who is responsible for expressing an opinion on the conformity of those audited financial statements with U.S. generally accepted accounting principles, their judgment(s) as to the quality, not just the acceptability, of the Company's accounting principles. The Audit Committee also reviewed such other matters as are required to be discussed under auditing standards of the Public Company Accounting Oversight Board (United States), including AU Section 380. In addition, the Audit Committee has received from KPMG the written disclosures required by Independence Standards Board Standard No. 1 and has discussed with KPMG the auditors' independence from management and the Company.

The Audit Committee discussed with the Company's internal auditors and KPMG the overall scope and plans for their respective audits. The Audit Committee met independently with the internal auditors and KPMG, with and without management present, to discuss the results of their examinations, their evaluations of the Company's system of internal control and the overall quality of the Company's financial reporting practices. The Audit Committee held seven (7) meetings during fiscal year 2012, which included, but were not limited to, the review of the quarterly Form 10-Q filings and annual Form 10-K filing.

In reliance on the reviews and discussions referred to above, the Audit Committee approved the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended June 30, 2012 for filing with the SEC.

NOMINATIONS/CORPORATE GOVERNANCE COMMITTEE

The duties of the Nominations/Corporate Governance Committee ("Nominations Committee") include, but are not limited to, the duty to: (i) develop qualification criteria for Board of Directors members and nominate or recommend to the Board of Directors individuals to serve on the Board of Directors; (ii) review, annually, the qualifications of each member of the Board of Directors; (iii) review and monitor the Company's corporate governance policies and guidelines, including the Company's trading policy for its directors and executive officers; and (iv) make an annual assessment of the Board of Directors' performance and report to the Board of Directors. The Nominations Committee follows the procedure concerning nominations or consideration of director candidates recommended by stockholders set forth in the By-laws. The By-laws of the Company permit stockholders, as of the Record Date, to nominate director candidates at the annual meeting, subject to certain notification requirements. (See "Stockholder Proposals and Nomination of Directors" under Other Matters, beginning on page 36 herein, for information on how to submit a proposal or nominate a director.) The Nominations Committee believes that as a result of the provisions in the By-laws, any separate policy relating to stockholder proposals or nominations would be duplicative. Each member of the Nominations Committee is "independent" as defined in Section 303A.02 of the NYSE Listed Company Manual. The Nominations Committee met formally one (1) time and individual committee members communicated, when necessary, by telephone or other means during fiscal year 2012.

The Nominations Committee seeks candidates who demonstrate a willingness and ability to prepare for, attend and participate in all Board of Directors and committee meetings and whose experience and skill would complement the then existing mix of directors. The Nominations Committee may consider the diversity of a candidate's background and experience when evaluating a nominee, as well as the diversity of a candidate's perspectives, which may result from diversity in age, gender, ethnicity or national origin. While the Nominations Committee may consider diversity in its evaluation process, the Nominations Committee does not have a formal policy with regard to the consideration of diversity in identifying director nominees. The Nominations Committee gathers suggestions as to individuals who may be available to meet the Board of Directors' future needs from a variety of sources, such as past and present directors, stockholders, colleagues and other parties with which a member of the Nominations Committee or the Board of Directors has had business dealings, and undertakes a preliminary review of the individuals suggested. At such times as the Nominations Committee determines that a relatively near term need exists and the Nominations Committee believes that an individual's qualities and skills would complement the then existing mix of directors, the Nominations Committee or its Chair will contact the individual. The Chair will, after such contact, discuss the individual with the Nominations Committee. Based on the Nominations Committee's evaluation of potential nominees and the Company's needs, the Nominations Committee determines whether to nominate the individual for election as a director. While the Nominations Committee has not, in the past, engaged any third party firm or consultant to identify or evaluate nominees, the Nominations Committee, in accordance with its charter, may do so in the future. The Nominations Committee would evaluate nominees for director, recommended by a stockholder, in the same manner it undertakes the Nominations Committee's evaluation.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our executive officers and directors, owners of over 10% of our Common Stock, and some persons who formerly were directors or executive officers, to file reports of ownership and changes in ownership with the SEC and the NYSE and furnish us with a copy of each report filed. Based solely on our review of copies of the reports by some of those persons and written representations from others that all reports were filed or that no reports were required, we believe that during fiscal year 2012 all Section 16(a) filing requirements were complied with in a timely fashion except (i) a filing by M. Farooq Kathwari on January 3, 2012 for a transaction that occurred on December 28,

COMPENSATION COMMITTEE

Compensation Discussion and Analysis

The purpose of this Compensation Discussion and Analysis is to provide material information about the Company's compensation objectives and policies for its Named Executive Officers and to put into perspective the tabular disclosures and related narratives.

Compensation Philosophy and Objectives

The Company's executive compensation philosophy is focused on attracting, retaining and motivating a qualified management team and aligning their interests with the long-term interests of stockholders. This is accomplished by offering compensation packages which are (i) competitive within the industries in which the Company operates, (ii) fair and equitable among the executives and (iii) which provide incentives for the long-term success and performance of the Company. Compensation is allocated among base salary, annual discretionary cash incentive compensation and long-term equity incentives. Incentive compensation for Named Executive Officers and managerial employees, other than Mr. Kathwari, is discretionary and designed to (i) reward achievement within areas under the control of the relevant employee, although Company-wide performance is also a significant factor and (ii) to retain management for the long-term success and performance of the Company. The Principal Executive Officer exercises discretion in assessing an executive's personal performance, including that of Named Executive Officers (other than his own), and the extent, if any, of incentive compensation. We consider the cost to the Company when we make decisions regarding total compensation. As the level of responsibility increases, the portion of an executive's compensation tied to the Company's and the executive's personal performance will be proportionately greater. Finally, we endeavor to ensure that the Company's compensation program is perceived as fundamentally fair to all stakeholders.

The duties of the Compensation Committee include, but are not limited to: (i) reviewing and making determinations with regard to the employment arrangements and compensation for the Principal Executive Officer, President and Principal Financial Officer or Treasurer; and (ii) considering and either accepting, modifying or rejecting the Principal Executive Officer's recommendations as to incentive compensation for other executives, including Named Executive Officers. No member of the Compensation Committee was an officer or employee of the Company or any of its subsidiaries during fiscal year 2012. The Compensation Committee, in accordance with its charter, may, and during fiscal year 2012 did, engage any third party firm or consultant in fulfilling its responsibilities. The Compensation Committee, during fiscal year 2012, held six (6) formal meetings and individual committee members communicated via telephone and email throughout the development and negotiation of the terms of the New Employment Agreement, discussed below.

General Policies Regarding Compensation of Named Executive Officers

The Compensation Committee's goal is to establish compensation levels and administer executive compensation which serves to: (i) attract and retain high quality managerial and executive talent; (ii) reward executives for superior performance; and (iii) structure appropriate incentives for executives to produce sustained superior performance in the future. In assessing the compensation arrangements for Named Executive Officers, other than the Principal Executive Officer, the Compensation Committee solicits recommendations from the Principal Executive Officer relating to annual discretionary cash incentive compensation and long-term equity incentives such as stock option grants or restricted stock awards, which it considers and either accepts, modifies or rejects.

Executive Compensation Advisory Vote

In November 2011, the Company held its first stockholder advisory vote to approve the compensation paid to our named executive officers in 2011, which resulted in 97% of the votes cast approving such compensation. The Committee considered the results of the advisory vote in reviewing executive compensation, noting the high level of stockholder support, and elected to continue the same principles in determining the types and amounts of compensation to be paid to our Named Executive Officers in 2012.

Overview of Process and Compensation Components

The compensation for our executives, including our President and Principal Executive Officer, is comprised of three primary elements: base salary, cash incentive compensation and long-term equity incentives. We also provide or have provided, on a limited basis, perquisites, a retirement savings plan and, for select executives, employment and post-employment agreements. The Company does not maintain a stock ownership policy.

During fiscal year 2012, the Company maintained a cash incentive compensation program (See "Incentive Bonus" under Executive Compensation on page 21), whereby the Principal Executive Officer made recommendations to the Compensation Committee with respect to select executives and managerial employees, other than himself. The other executives and managerial employees are not present at the time of deliberations, although the Principal Executive Officer is or may be present. The Compensation Committee considers such recommendations and, consistent with the overall compensation philosophy, the duties of the Committee and general policies regarding compensation, may accept or adjust such recommendations. The Principal Executive Officer, along with the Compensation Committee, conducts, as needed, an informal review of market data with the assistance of the Company's Human Resource Department which periodically performs benchmarking studies. Because no targets are set in advance of a fiscal year, the Compensation Committee considers the Incentive Bonus to be a discretionary bonus. In fiscal year 2012, the Principal Executive Officer presented his recommendations as to incentive compensation, including annual discretionary cash bonus and equity incentives for other Named Executive Officers, taking into account each Named Executive Officers' total compensation resulting from base salary, discretionary cash and long-term incentives. After considering such recommendations and discussions with the Principal Executive Officer, the Compensation Committee agreed with the Principal Executive Officer's recommendations for fiscal year 2012.

Employment Agreement

The Compensation Committee reviews, annually, the performance and compensation of the Principal Executive Officer. For a detailed description of the terms of the New Employment Agreement that governed Mr. Kathwari's compensation for 2012 see "New Employment Agreement" beginning on page 26.

When developing an employment agreement for the Principal Executive Officer we engage the services of an independent third party consultant to assist in gathering relevant market information on peer group compensation practices which we analyze and consider in developing the compensation package to be included in the employment agreement. We also receive input from legal counsel, as appropriate. This is the process followed during fiscal year 2012 and described in greater detail below.

As a result of Mr. Kathwari's continued achievements and contributions, effective October 1, 2011 the Company entered into a new employment agreement, with a term of approximately five (5) years ending June 30, 2016. Effective October 1, 2011, the Compensation Committee approved and the independent members of the Company's Board of Directors ratified, subject to approval by stockholders of the incentive components thereof, the new employment agreement between Mr. Kathwari and the Company (the "New Employment Agreement"). The Compensation Committee believes that the compensation package for Mr. Kathwari provided for in the New Employment Agreement was appropriate in light of

(i) Mr. Kathwari's extensive experience in the home furnishings industry, (ii) his knowledge and background with respect to both manufacturing and retailing, (iii) his equity interest in the Company and (iv) in particular, his responsibility for and the results of implementation of the strategic plan for the Company and the Ethan Allen brand; especially in light of the extraordinarily difficult business climate of the several years preceding the date of the New Employment Agreement. For a detailed description of the terms of the New Employment Agreement (See "New Employment Agreement," beginning on page 26).

To assist in developing the terms of the New Employment Agreement for Mr. Kathwari, the Compensation Committee engaged Sibson Consulting. Members of the Compensation Committee met and/or had discussions and communications with representatives of the consultant including four (4) teleconferences over several months in fiscal year 2012. Key considerations for the Compensation Committee in developing the compensation package to be included in the New Employment Agreement were: (i) identification of a peer group, which included both known competitors of the Company and companies in related industries and/or with companies of similar revenue and employee size; (ii) ensuring that the overall level of compensation was competitive and appropriate with the market; (iii) ensuring that a substantial portion of the total compensation package was tied to incentive performance compensation; and (iv) creation of parameters that provide for increased compensation based upon performance of the Company. The companies that Sibson Consulting reviewed included, but were not limited to, Haverty Furniture Companies, Inc., Herman Miller, Inc., Pier I Imports, Inc., Polo Ralph Lauren and Williams Sonoma Inc. Sibson Consulting analyzed data contained in proxy filings of the peer group. In addition, they analyzed published compensation data for a broader group of retail and similarly sized companies.

The Compensation Committee and Mr. Kathwari agreed to include substantial long term or performance incentive components in the New Employment Agreement. As a result, a large part of Mr. Kathwari's potential compensation under the New Employment Agreement is in the form of stock options, restricted stock awards, and an annual incentive award based upon the Company's operating income.

Equity Compensation

In determining the aggregate size of individual option grants, stock unit awards and restricted stock awards, the Compensation Committee considers the aggregate number of shares available, which is, in turn, a function of: (i) the level of stockholders' dilution; (ii) the number of shares previously authorized by stockholders and remaining available; and (iii) the number of individuals to whom the Company wishes to grant stock options, stock unit awards and/or restricted stock awards. The Compensation Committee also considers the range of potential compensation levels that may be yielded by the option grants or restricted stock awards. The Compensation Committee reserves the discretion to consider any factors it deems relevant, and to give all factors considered the relative weight it deems appropriate under the circumstances, then prevailing, in reaching its determination regarding the size and timing of option grants, stock unit awards and restricted stock awards. The timing of option grants is neither date nor event specific. Grants of stock options to the Company's executives under the Option Plan provide an incentive to executives and managerial staff to achieve the Company's long-term performance objectives and to retain managerial staff.

Whether an equity incentive grant will be made to a Named Executive Officer, and if so in what amount, is based upon: (i) the subjective evaluation, by the Principal Executive Officer, of the Named Executive Officer's contribution to the Company's future success following which a recommendation may be made to the Compensation Committee; (ii) the level of incentive compensation previously provided by the number and term of the Named Executive Officer's existing stock option and restricted stock holdings; and (iii) the market price of the Common Stock on the date of grant. Generally it is our practice to allocate to the Principal Executive Officer a block of equity incentive awards (stock options and/or restricted stock) to be granted throughout the fiscal year to recruit executives, and reward and retain management, including the Named Executive Officers other than himself. Prior to any grant the Compensation

Edgar Filing: ETHAN ALLEN INTERIORS INC - Form DEF 14A

Committee reviews the Principal Executive Officer's recommendations and either accepts, rejects or modifies same. Equity incentives are granted to directly align the interest of employees, including the Named Executive Officers, with the appreciation on the Common Stock. Options typically vest twenty-five (25%) percent per year beginning one year after the grant date, with full vesting over a four (4) year period. The term of such options is ten (10) years, after which the options expire, unless the employee separates from the Company earlier, at which point the options expire 90 days after such separation. The exercise price is established using the closing price of our Common Stock on the date of grant. Restricted stock awards typically vest one-third per year beginning one year after the grant date, with full vesting over a three (3) year period. Any stock not fully vested on the date the employee separates is forfeited.

2012 Compensation

In fiscal year 2012, 32,718 share grants or awards of equity incentives were made to Named Executive Officers, executives or employees other than the Principal Executive Officer, and, pursuant to the New Employment Agreement, Mr. Kathwari was awarded 105,000 shares of restricted stock and 300,000 options to purchase shares of Common Stock. Mr. Kathwari was also awarded 30,000 shares of service based restricted stock as a result of the Company's performance.

At the end of fiscal year 2012, in reviewing total compensation for 2012, the Compensation Committee reviewed the total compensation of the Named Executive Officers throughout the year and determined that the payment of discretionary cash bonus awards and stock options for each Named Executive Officer was appropriate. The amount of each award was considered in light of the overall compensation philosophy, policies and objectives of the Compensation Committee. The Compensation Committee considered the value of total compensation paid or awarded to each Named Executive Officer along with the total value that the Named Executive Officer brought to the Company considering the following:

1. The extent that the Named Executive Officer took initiatives to position the Company well for the future;
2. The extent that the Named Executive Officer contributed to the reduction and minimization in the overall overhead cost of the Company;
3. The extent that the Named Executive Officer was successful in maintaining the morale of his or her department(s)/division(s);
4. The extent that the Named Executive Officer contributed to the Company's strategic objective to conserve cash; and
5. The extent that the Named Executive Officer contributed to a more efficient operation of the Company and sensible maximizing of Company revenues.

Although the Compensation Committee will continue to consider deductibility under Section 162(m) with respect to future compensation arrangements with Named Executive Officers, deductibility will not be the sole factor used in determining appropriate levels or methods of compensation. Since Company objectives may not always be consistent with the requirements for full deductibility, the Company may enter into compensation arrangements under which payments are not deductible under Section 162(m).

Conclusion

The Compensation Committee believes that long-term stockholder value is enhanced by corporate and individual performance achievements. Through the plans and practices described above, a meaningful portion of the Company's executive compensation is based on competitive pay practices, as well as corporate and individual performance. The Compensation Committee believes equity compensation, in the form of stock options, restricted stock, and stock units is vital to the long-term success of the Company.

Edgar Filing: ETHAN ALLEN INTERIORS INC - Form DEF 14A

The Compensation Committee remains committed to this policy, recognizing that the competitive market for talented executives and the cyclical nature of the Company's business may result in highly variable compensation for a particular time period.

- (1) The amounts shown for stock awards and option awards represent the fair values as of each grant date, computed in accordance with Accounting Standards Codification Topic 718. For financial statement reporting purposes, these fair values are charged to expense over the vesting period, which is generally three years for stock grants and four years for option grants. The actual values that employees may realize if any, will not be known until the vesting date and could differ significantly. See footnote 11 to the Company's Form 10-K for fiscal year ended June 30, 2012 for assumptions in the valuation.
- (2) In conjunction with the New Employment Agreement dated September 30, 2011, Mr. Kathwari was awarded 105,000 shares of restricted stock and 300,000 stock options both of which vest in equal parts over the five year term of the New Employment Agreement. The amounts shown for stock awards and option awards include awards under the New Employment Agreement at the fair values as of the grant date which could vary significantly from the amounts ultimately realized by Mr. Kathwari. Also included are 30,000 shares of restricted stock awarded to Mr. Kathwari as a result of the Company's performance.
- (3) Includes contributions by the Company pursuant to the Ethan Allen Retirement Savings Plan, of \$1,200 for each Named Executive Officer for fiscal year 2012, \$1,000 for each Named Executive Officer, other than Ms. Paccione, for fiscal year 2011, and \$750 for fiscal year 2010 for all Named Executive Officers.
- (4) The following is a detailed table outlining the components of Mr. Kathwari's other compensation for fiscal 2012. Amounts reflected below represent actual amounts charged to the Company's operations during the fiscal year ended June 30, 2012. In addition, there were other incremental costs incurred by the Company for: (i) a Company car (\$77,012); (ii) a club membership (\$6,067); and (iii) a fractional ownership share in a Company plane (\$63,252) all of which were used solely for business purposes. It is Mr. Kathwari's practice to reimburse the Company for any incremental costs relating to his personal use of the Company plane and club membership. (See also "Executive Perquisites/Other Personal Benefits" on page 25.)

(5) Includes reimbursement of moving expenses of \$26,997 in fiscal 2010.

(6) The totals reflect a \$100,000 voluntary reduction in Mr. Kathwari's annual base salary and a voluntary five percent (5%) reduction in the salary of the other Named Executive Officers, in all cases beginning March 1, 2009 through July 31, 2010.

Incentive Bonus

Each Named Executive Officer, along with other executives and key senior managerial employees, is eligible for consideration for a discretionary annual cash incentive bonus (the "Incentive Bonus"). Incentive Bonuses are intended: (i) to reward key employees based upon both the Company's performance and the individual's performance; (ii) to motivate key employees; and (iii) to provide competitive cash compensation opportunities.

For fiscal year 2012, the Company's Compensation Committee maintained a cash incentive compensation program for key senior managerial employees including the Named Executive Officers of the Company other than Mr. Kathwari. The cash incentive compensation program was comprised of an aggregate of up to \$750,000 in cash to be distributed to managerial employees, other than Mr. Kathwari, in amounts recommended by Mr. Kathwari. In light of the Company's performance for fiscal year 2012 and its cash position, the Compensation Committee believed it was in the best interest of the Company and its stockholders to make Incentive Bonus payments to the Named Executive Officers. The Compensation Committee was in agreement with Mr. Kathwari's recommendations as to the Named Executive Officers, other than himself. All Incentive Bonus payments were made to reward executives for their performance during this difficult economic and business climate and to keep the managerial staff motivated to continue to deliver positive results and guide the Company to meet its strategic objectives. Because no targets are set in advance of a fiscal year, the Compensation Committee considers the Incentive Bonus to be a discretionary bonus.

For fiscal year 2012 the amount of Mr. Kathwari's incentive bonus was determined in accordance with his New Employment Agreement. In light of the Company's performance for fiscal 2012 and in accordance with the bonus formula in the New Employment Agreement, Mr. Kathwari was entitled to a bonus of \$1,810,000.

Equity Incentives

Stock Units and Restricted Stock

We award stock units and restricted stock in certain circumstances to provide competitive pay packages. These awards are designed primarily to retain qualified executives since the employee cannot sell shares during the restriction period, which is of variable duration, including up until the date of separation from the Company. These grants are used to align the Named Executive Officers with long-term stockholder value.

The accounting cost of restricted stock and stock unit awards, for which the exercise price is zero, is calculated based on the closing price of a single share of Common Stock on the date of the award for awards with no performance or market conditions. Awards with market conditions were granted in fiscal 2010, using a binomial lattice model, with the following assumptions:

Volatility	
Ethan Allen	62.2%
S & P 500	35.1%
Risk-free rate of return	1.6%
Dividend Yield	1.9%
Expected Average Life	3.0 yrs

Edgar Filing: ETHAN ALLEN INTERIORS INC - Form DEF 14A

In fiscal year 2012, the Company awarded 2,718 shares of restricted stock pursuant to the Option Plan or otherwise to recruit executives. Mr. Kathwari received 135,000 shares of restricted stock, 105,000 of which were pursuant to the New Employment Agreement. See Note 11 to "Notes to Consolidated Financial Statement" in the Company's Annual Report on Form 10-K for the year ended June 30, 2012 for additional information. The Company has registered the issuance of the shares. Dividends are not payable on previously granted shares of unvested restricted stock; however Mr. Kathwari receives dividend-equivalent payments. The number of shares of restricted stock to each Named Executive Officer is identified in the Grants of Plan-Based Awards table below. Each restricted stock agreement contained typical vesting and other terms as reflected in the Outstanding Equity Award at Fiscal year end table and the footnotes thereto.

Non-qualified stock options

Stock options granted with exercise prices equal to 100% of the underlying Common Stock market value, based on the closing price of a single share of Common Stock on the date of grant, are currently the Company's primary long term compensation vehicle for executives and managerial staff. The Compensation Committee believes that stock options align the interests of management with those of the Company's stockholders, providing appropriate incentive to motivate management, thereby increasing stockholder return.

In fiscal 2012, the Company awarded 30,000 options to purchase shares of Common Stock to executives or employees including Named Executive Officers, other than Mr. Kathwari pursuant to the Option Plan or otherwise. Mr. Kathwari received 300,000 shares of Common Stock in accordance with the New Employment Agreement. See Note 11 to "Notes to Consolidated Financial Statements" in the Company's Annual Report on Form 10-K for the year ended June 30, 2012. The Company has registered the issuance of the shares of Common Stock which are issuable upon exercise of such options. The number of shares of options granted to each Named Executive Officer is identified in the Grants of Plan-Based Awards table below. Each option agreement contained typical vesting and other terms as reflected in the Outstanding Equity Award at Fiscal year end table and the footnotes thereto.

The accounting cost of stock option grants is determined on the date of grant and recognized over the applicable vesting period. We estimate, as of the date of grant, the fair value of stock options granted using the Black-Scholes option-pricing model. Use of a valuation model requires management to make certain assumptions with respect to selected model inputs, including anticipated changes in the underlying stock price (i.e. expected volatility) and option exercise activity (i.e. expected life). Expected volatility is based on the historical volatility of our Common Stock and other contributing factors. The expected life of options previously granted, which represents the period of time that the options are expected to be outstanding, is based, primarily, on historical data.

Executive Perquisites/Other Personal Benefits

Benefits offered to Named Executive Officers are similar to those offered to all employees. In addition, the Company provides perquisites it believes are reasonable and consistent with the overall executive compensation program. In 2012, with the exception of Mr. Kathwari, the Named Executive Officers did not receive any perquisites. Mr. Kathwari received: (1) access to and use of Company cars

(including driver, gas, registration, title, insurance and maintenance); (2) reimbursement of life insurance premiums up to \$50,000; (3) a retirement contract (described below); (4) interest on a restricted stock book account established pursuant to his employment agreement(s); and (5) dividend equivalent payments on stock units awarded pursuant to a prior employment agreement. Mr. Kathwari's use of the car, airplane, and club membership are as a convenience to the Company and are for business purposes. (See footnote 4 Summary Compensation Table on page 20).

The Named Executive Officers are eligible to participate in the same retirement benefit program we offer to all employees at the corporate level. Our current program is a 401(k) plan with company-provided match. In addition, Mr. Kathwari is entitled to benefits under an agreement dated September 26, 1983. Pursuant to the terms of the agreement, the Company is required to make monthly retirement payments of a maximum of \$1,875 per month, commencing on the month in which his employment with the Company terminates, and shall be paid until the earlier to occur of (i) 120 monthly payments or (ii) the death of Mr. Kathwari. Such retirement payment is subject to cost of living adjustments. In the event Mr. Kathwari shall die before receiving all retirement payments Mr. Kathwari's widow shall be entitled to reduced retirement payments equal to one-half of the retirement payment amount until the earlier to occur of a) her death or b) the cumulative payment of 120 monthly payments to Mr. Kathwari and/or his widow.

The Ethan Allen Retirement Savings Plan

The Company maintains the Ethan Allen Retirement Savings Plan, which is effective as of July 1, 1994 (the "Retirement Plan"). The Retirement Plan covers all employees who have completed at least three months of service.

The 401(k) portion of the Retirement Plan allows participants to defer up to 100% of their compensation, subject to certain statutory limitations. In fiscal 2012, the Company made matching contributions with a maximum contribution of \$1,200 per participant. Matching contributions were made dollar for dollar on the first \$500 of a participant's before tax contribution and \$0.50 on the next \$1,400 of a participant's before tax contributions up to a maximum of \$1,200 for calendar 2011 (an increase from a \$1,000 maximum contribution in calendar year 2010). Participant contributions and employer matching contributions are immediately and fully vested. The Company made no profit sharing contributions during fiscal year 2012.

Investment options currently offered under the Retirement Plan include employer common stock. Participants direct the investment of their accounts under the Retirement Plan and may choose from some or all of the investment options designated by the Retirement Committee from time to time.

New Employment Agreement

As of September 27, 2011, the Company's Compensation Committee approved and on September 30, 2011 the independent members of the Company Board of Directors ratified, subject to the approval of the incentive components by stockholders, the terms of the New Employment Agreement between the Company and Mr. Kathwari. Pursuant to the New Employment Agreement, effective as of October 1, 2011, the Company agreed to continue to employ Mr. Kathwari and Mr. Kathwari agreed to remain as Chairman, President and Principal Executive Officer of the Company and Ethan Allen Global, Inc., for a period of approximately five years, expiring June 30, 2016 with two automatic one-year extensions commencing on each of July 1, 2016 and July 1, 2017 ("New Anniversary Date") unless notice is given by either Mr. Kathwari or the Company, not later than nine (9) months prior to a New Anniversary Date. Pursuant to the terms of the New Employment Agreement, Mr. Kathwari will receive a base salary of \$1,150,050 per year throughout the term of the New Employment Agreement.

Mr. Kathwari will be entitled to an annual incentive bonus based upon the Company's Operating Income. Mr. Kathwari's incentive bonus for a given fiscal year will be based upon the amount by which the

Edgar Filing: ETHAN ALLEN INTERIORS INC - Form DEF 14A

Company's Operating Income for the fiscal year exceeds the applicable threshold amount specified below (each a "New Threshold").

Operating Income	Annual Incentive Bonus
Less than \$25 million	\$0
At least \$25 million	Two percent (2%) of such threshold (i.e. \$500,000)
Over \$25 million, up to \$50 million	The above, plus four and one-half percent (4.5%) of such excess
Over \$50 million, up to \$90 million	The above, plus three and one-half percent (3.5%) of such excess
Over \$90 million	The above, plus one and one-half percent (1.5%) of such excess

Mr. Kathwari will receive an incentive bonus if the Company's Operating Income equals or exceeds \$25 million. Thus, by way of example, if the Company's Operating Income for the fiscal year ending June 30, 2012 is \$60 million, Mr. Kathwari would be entitled to an incentive bonus for the fiscal year ending June 30, 2012 in the sum of \$1.975 million ($\$500,000 [\$25 \text{ million} \times 2\%] + \$1,125,000 [(\$50 \text{ million} - \$25 \text{ million}) \times 4.5\%] + \$350,000 [(\$60 \text{ million} - \$50 \text{ million}) \times 3.5\%]$).

The annual incentive bonus for each fiscal year following the fiscal year ending June 30, 2012 also shall be based upon the above formula; provided, however that the Operating Income thresholds shall each be increased by \$2 million in each fiscal year following the fiscal year ending June 30, 2012. Pursuant to the New Employment Agreement, Mr. Kathwari received an incentive bonus of \$1,810,000 for fiscal year 2012.

Pursuant to the New Employment Agreement, Mr. Kathwari was granted the following options under the Option Plan: (i) as of October 1, 2011, ten-year stock options to purchase 300,000 shares of Common Stock, at an exercise price of \$13.61 per share (the price of a share of Common Stock on the New York Stock Exchange as of the close of business on September 30, 2011 as the date of grant was a Saturday), which vests at a rate of 60,000 stock options on each June 30, up to and including June 30, 2016; (ii) as of October 1, 2011, 105,000 shares of Restricted Stock, which vests at a rate of 21,000 shares per year over the initial five (5) year term of the New Employment Agreement.

As of each dividend record date for the Common Stock occurring on or after the date of any grant of shares of restricted stock, but prior to the date such shares become vested or are forfeited, an account established by the Company for the benefit of Mr. Kathwari shall be credited with an amount equal to the dividends which would have otherwise been paid with respect to the shares. Amounts credited to the account will be credited with interest at the rate of 5% per year until distribution. Mr. Kathwari will be fully vested and all amounts credited to the account, regardless of the subsequent vesting or forfeiture of the shares. A balance credited to Mr. Kathwari's account will be distributed to him in cash as soon as practicable after the termination of his employment.

In the event Mr. Kathwari's employment with the Company is terminated by reason of his death or disability, under the New Employment Agreement he (or his estate) will receive salary continuation for twelve (12) months from and after the date of termination, an annual incentive bonus in respect of the full fiscal year in which the date of termination occurs, accelerated vesting, as of the date of termination, of all restricted stock and options awarded and granted under the New Employment Agreement, deferred compensation along with any reimbursement expenses not yet paid to Mr. Kathwari, payment of life and disability insurance premiums through the date of termination and for a period of twelve (12) months from and after the date of termination such other and customary benefits as the Company provides to its employees.

Mr. Kathwari shall be eligible for the following under the termination scenarios set forth below:

Termination Scenario

	Change in Control	Without Cause/for Good Reason	Retirement	For Cause	Death & Disability
12 mos. Salary Continuation	No	No	No	No	Yes
24 mos. Salary Continuation	Yes	Yes	No	No	No

24 mos. Life/Disability Premiums	Yes	Yes	No	No	No

If Mr. Kathwari's employment is terminated by the Company without "cause", or by Mr. Kathwari "for good reason" he will receive salary continuation for twenty-four (24) months after the date of termination and a payment equal to the sum of the two highest bonus payments made to Mr. Kathwari prior to the date of termination commencing from fiscal year 2002, not to exceed an aggregate payment of \$2 million dollars, and he will be entitled to one additional year of vesting, from the date of termination, for all outstanding stock options or restricted stock awards granted pursuant to the New Employment Agreement. Mr. Kathwari will also be entitled to life and disability insurance premiums (not to exceed \$50,000 per annum) through the date of termination and for a period of twenty-four (24) months thereafter, health and welfare benefits through the date of termination and for a period of twenty-four (24) months thereafter. Mr. Kathwari will also be subject to a twenty-four (24) month "non compete" restrictive covenant granted by Mr. Kathwari for the benefit of the Company.

If Mr. Kathwari's employment is terminated by the Company within two years following certain changes in control, he will receive salary continuation for twenty-four (24) months from and after the date of termination plus a payment equal to the sum of the two highest bonus payments made to Mr. Kathwari prior to the date of termination, commencing from fiscal year 2002, not to exceed an aggregate payment of \$2 million dollars, and he will be entitled to immediate vesting of all outstanding stock options or restricted stock awards granted pursuant to the New Employment Agreement. Mr. Kathwari will also be entitled to life and disability premiums (not to exceed \$50,000 per annum) through the date of termination and for a period of twenty-four (24) months thereafter, health and welfare benefits through the date of termination and for a period of twenty-four (24) months thereafter. Mr. Kathwari will also be subject to a twenty-four (24) month "non compete" restrictive covenant granted by Mr. Kathwari for the benefit of the Company. If the payments described in this paragraph would constitute a "parachute payment" under Section 280G of the Code and subject Mr. Kathwari to an excise tax under Section 4999 of the Code, then the payments will be reduced to the extent necessary such that Mr. Kathwari will not be subject to an excise tax. However, such payments will not be reduced if, without the reduction, Mr. Kathwari would be entitled to receive and retain, on a net after-tax basis, a greater amount than he would be entitled to receive and retain after such reduction.

If Mr. Kathwari's employment is terminated for "cause", Mr. Kathwari will receive payment of all compensation due or unreimbursed expenses as of the date of termination. There is no accelerated vesting of any restricted stock or options and any unvested equity awards will be forfeited. He will receive deferred compensation in accordance with the terms of the applicable arrangement, as well as payment of life and disability insurance premiums (not to exceed \$50,000) through the date of termination and such other and customary benefits as the Company provides to its employees.

Edgar Filing: ETHAN ALLEN INTERIORS INC - Form DEF 14A

If Mr. Kathwari's employment is terminated as a result of retirement by Mr. Kathwari (i.e., voluntarily by Mr. Kathwari or as a result of the Company's failure to renew the terms of the New Employment Agreement), he will receive his salary to the date of termination plus a prorated annual incentive bonus in respect of the fiscal year in which the date of termination occurs, equal to what such annual incentive bonus would have been for the full fiscal year multiplied by a fraction, the numerator of which is the number of days in the current fiscal year through the date of termination and the denominator of which is 365. There is no accelerated vesting of any restricted stock or options and any unvested equity awards will be forfeited. He will receive deferred compensation in accordance with the terms of the applicable arrangement, as well as payment of life and disability insurance premiums (not to exceed \$50,000) through the date of termination, health and welfare benefits through the date of termination and for twenty-four (24) months thereafter, and such other and customary benefits as the Company provides for its employees.

Employment Agreement

As of October 10, 2007, the Company entered into an Employment Agreement with Mr. Kathwari ("Employment Agreement"). As described in greater detail above, the Employment Agreement was superceded by a New Employment Agreement effective as of October 1, 2011. Pursuant to the Employment Agreement, the Company agreed to continue to employ Mr. Kathwari and Mr. Kathwari agreed to remain as Chairman, President and Principal Executive Officer of the Company and Ethan Allen Global, Inc., for a period of approximately five years, with two automatic one-year extensions commencing on each of July 1, 2012, and July 1, 2013 (each, an "Anniversary Date"), unless notice was given by either Mr. Kathwari or the Company not later than 9 months prior to an Anniversary Date.

Pursuant to the terms of the Employment Agreement, Mr. Kathwari received a base salary of \$1,127,500 per year, subject to an annual increase. The annual increase was based on the Company's Operating Income as divided by reported sales.

Due to the economic climate and Company sales, however, on March 1, 2009, Mr. Kathwari voluntarily took a \$100,000 per year salary reduction, such that his base salary as in effect from March 1, 2009 through July 31, 2010 was \$1,050,050 per year. Beginning August 1, 2010 Mr. Kathwari's annual salary was reinstated to \$1,150,050. As of July 26, 2011, Mr. Kathwari and the Company agreed that there would be no increase in his annual salary which would remain \$1,150,050 per annum.

Pursuant to the Employment Agreement, Mr. Kathwari was entitled to an annual incentive bonus based upon the Company's Operating Income. Mr. Kathwari's incentive bonus for a given fiscal year was based upon the amount by which the Company's Operating Income for the fiscal year exceeds the applicable threshold amount specified below (each a "Threshold").

Fiscal Year	Threshold
2010	\$ 110 Million
2011	\$ 115 Million
2012	\$ 120 Million
2013	\$ 125 Million
2014	\$ 130 Million

Mr. Kathwari would receive a bonus equal to (i) 1.25% of the first \$20 million (or portion thereof) by which the Operating Income exceeds the applicable Threshold, (ii) 2.25% of the second \$20 million (or portion thereof) by which the Operating Income exceeds the applicable Threshold, (iii) 2.75% of the third \$20 million (or portion thereof) by which the Operating Income exceeds the applicable Threshold, and (iv) 3.25% of any amount greater than \$60 million by which the Operating Income exceeds the applicable Threshold. If the Threshold for a year was not met, no bonus was due under the Employment Agreement. No incentive bonus was payable to Mr. Kathwari in fiscal year 2011 or 2010 pursuant to the Employment Agreement.

Edgar Filing: ETHAN ALLEN INTERIORS INC - Form DEF 14A

The Compensation Committee was to make adjustments to the Threshold to reflect certain unusual, non-recurring events, including acquisitions and divestitures. While there was no annual incentive bonus due under the Employment Agreement for fiscal years 2011 and 2010, in August 2011, the Compensation Committee, as a result of the Company's performance and its cash position, the Company paid Mr. Kathwari an incentive bonus of \$600,000 and in August 2010 the Company paid Mr. Kathwari a discretionary incentive bonus of \$150,000.

On November 11, 2008, the Compensation Committee, in addition to the options granted pursuant to the Employment Agreement, granted Mr. Kathwari the right to purchase 50,000 shares of Common Stock at an exercise price of \$15.93 per share (the price of a share of Common Stock on the date of grant), which vested at a rate of 25% each year following the date of grant, up to and including November 10, 2012. On February 3, 2010, the Compensation Committee, in addition to the options granted pursuant to the Employment Agreement, granted to Mr. Kathwari the right to purchase 50,000 shares of Common Stock at an exercise price of \$14.86 per share (the price of a share of Common Stock on the date of option grant), which vests at a rate of 25% each year following the date of grant, up to and including February 3, 2014.

Pursuant to the Employment Agreement, Mr. Kathwari was awarded the following restricted stock under the Option Plan: (i) as of the date stockholders approved the incentive components of the Employment Agreement (November 13, 2007), 20,000 shares; (ii) as of July 1, 2008, 20,000 shares; and (iii) as of July 1, 2009, 20,000 shares. The initial grant of 20,000 shares of restricted stock was scheduled to vest on June 30, 2010 upon the attainment of certain performance targets, as set forth below. Thereafter, the July 1, 2008 grant of 20,000 shares of restricted stock was scheduled to vest on June 30, 2011 and the July 1, 2009 grant of 20,000 shares of restricted stock was scheduled to vest on June 30, 2012. All of these restricted stock awards vested in accordance with a tiered vesting schedule based on the Company's total return to its stockholders as compared to the total return of the Standard & Poor's 500. Any shares which did not vest would be forfeited. As of June 30, 2010, 8,000 shares of the November 13, 2007 award vested and 12,000 shares were forfeited. As of June 30, 2011, all 20,000 shares of the July 1, 2008 award were forfeited. As of June 30, 2012, all 20,000 shares of the July 1, 2009 award vested. As of each dividend record date for the Common Stock occurring on or after the date of any grant of shares of restricted stock, but prior to the date such shares become vested or are forfeited, an account established by the Company for the benefit of Mr. Kathwari was credited with dividend-equivalent payments, in cash, equal to the dividends which would otherwise have been paid with respect to such shares. Amounts credited to the account are credited with interest at the rate of 5% per year until distribution. Mr. Kathwari is fully vested in all amounts credited to the account, regardless of the subsequent vesting or forfeiture of the shares. The balance credited to Mr. Kathwari's account will be distributed to him in cash as soon as practicable after the termination of his employment.

Pursuant to the Employment Agreement, on November 13, 2007, Mr. Kathwari received an additional 15,000 shares of restricted stock. These shares of restricted stock vested at a rate of 3,000 shares per year. As of June 30, 2012, all 15,000 shares were vested.

On February 3, 2010, in addition to the restricted stock awarded pursuant to the Employment Agreement, the Compensation Committee awarded Mr. Kathwari 15,000 shares of restricted stock to vest ratably over three years beginning on February 2, 2011, and on July 20, 2010, awarded Mr. Kathwari 11,000 shares of restricted stock to vest ratably over two years beginning on July 20, 2011. On July 26, 2011, in addition to the restricted stock awarded pursuant to the Employment Agreement, the Compensation Committee awarded Mr. Kathwari 30,000 shares of restricted stock to vest ratably over three years beginning on July 26, 2012.

The Company previously established a book account for Mr. Kathwari, which has been credited with 126,000 stock units (the "Stock Units"). Following the termination of Mr. Kathwari's employment, Mr. Kathwari will receive shares of Common Stock equal to the number of Stock Units credited to the account. During the period in which Stock Units are credited to the account, Mr. Kathwari received and

Edgar Filing: ETHAN ALLEN INTERIORS INC - Form DEF 14A

will receive dividend-equivalent payments, in cash, equal to the dividends which would otherwise have been paid on the shares of Common Stock represented by the Stock Units.

Change in Control

As of the end of fiscal year 2012 we maintained, and we currently maintain, a change in control provision with our Principal Executive Officer as set forth in the New Employment Agreement effective October 1, 2011, and our Named Executive Officers as set forth in restricted stock and option agreements. The specific right of Mr. Kathwari if his employment is terminated by the Company within two years following certain changes in control are described under "New Employment Agreement" above.

Potential Payments upon Termination or Change in Control

The amount of compensation which would have been payable to the Named Executive Officers upon termination of employment, including within two years following a change in control, assuming a June 30, 2012 termination date and a change in control, is listed in the following table. A termination of employment is not a requirement for the acceleration of stock options and restricted stock awards upon a change in control.

Mr. Kathwari received a bonus payment for fiscal 2012 of \$1,810,000. If terminated without cause, Mr. Kathwari would have received a bonus equal to the lesser of (i) the sum of his two (2) largest bonuses or (ii) \$2.0 million dollars.

- (4) Equity awards that were fully vested by their terms as of June 30, 2012 are not included in the table above. At June 30, 2012, Mr. Kathwari held unvested options to purchase an aggregate of 277,500 shares of Common Stock, at exercise prices ranging from \$13.61 to \$15.93. If Mr. Kathwari's employment had been terminated by the Company without cause or by Mr. Kathwari for good reason (as defined in his New Employment Agreement) on June 30, 2012, the options vesting within one year would have become immediately exercisable. In the event of death or disability on June 30, 2012, the options to purchase 277,500 shares would have become immediately available. The Chair of the Compensation and Nominations/Corporate Governance Committees received an additional \$8,000 per annum. The Chair of the Audit Committee received an additional \$16,000 per annum. Each independent director received \$2,000 for each committee meeting of the Board of Directors attended in person (\$1,000 per meeting attended by telephone) held on a date on which a meeting of the Board of Directors was not held. In addition, independent directors were eligible in fiscal year 2012 for awards of options, restricted stock, or stock appreciation rights under the Option Plan. Tax Policy

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Tax Code") limits deductibility of annual compensation in excess of \$1 million paid to the Company's Principal Executive Officer and to each of its next three most highly compensated Named Executive Officers (other than the

Edgar Filing: ETHAN ALLEN INTERIORS INC - Form DEF 14A

Principal Financial Officer). However, compensation is exempt from this limit if it qualifies as "performance-based compensation." In 2007, the Company submitted an amendment to the Option Plan to stockholders, to allow awards thereunder to qualify under the "performance-based compensation" requirements, which was approved by Stockholders. The Company submitted the incentive performance bonus provisions of the New Employment Agreement to its stockholders who agreed to have the annual incentive bonuses granted under the New Employment Agreement comply with the "performance-based compensation" requirements under Section 162(m) of the Tax Code.

In accordance with Section 14A of the Exchange Act (which was added by the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act")) and the related rules of the SEC, a resolution will be presented at the Annual Meeting of Stockholders which is subject to stockholder vote, to approve, in a non-binding advisory vote, the compensation of our Named Executive Officers. While this vote is advisory and therefore not binding, it is important and will provide us with information regarding our stockholders' sentiment about our executive compensation philosophy, policies and practices, as disclosed in the Compensation Discussion and Analysis, the accompanying compensation tables, and the related narrative disclosure in this Proxy Statement. Our Compensation Committee as well as the Board of Directors expect to take into account the outcome of the vote when considering future Executive Compensation decisions, to the extent that they can determine the cause or causes of any significant negative voting results.

This vote is not intended to address any specific item of compensation, but rather the overall compensation of our Named Executive Officers and the philosophy, policies and practices, described in this Proxy Statement.

The Compensation Discussion and Analysis beginning on page 15 of this Proxy Statement describes the Company's Executive Compensation Program, its philosophy and the decisions made by the Compensation Committee in 2012. As described in detail under Compensation Discussion and Analysis and the Executive Compensation section, including the accompanying tables and narrative, beginning on page 19 of this Proxy Statement, our compensation programs are designed to motivate our executives to achieve superior results for the Company. The Company believes that it is offering compensation packages which are competitive within the industries in which the Company operates, is fair and equitable among the executives, and which provides incentive for long term success and performance of the Company; with compensation allocated among base salary, annual discretionary cash incentive compensation and long term equity incentives.

Accordingly, you may vote on the following resolution at the Annual Meeting:

"RESOLVED, that the stockholders approve, on an advisory basis, the compensation of the Company's Named Executive Officers as disclosed in this Proxy Statement pursuant the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the Executive Compensation tables and the narrative discussion."

The Affirmative vote of the holders of the majority of the votes represented at the 2012 Annual Meeting of Stockholders in person or by proxy is required to approve, on an advisory basis, the

compensation of the Company's Named Executive Officers and the Company's compensation philosophy, policies and practices as described herein.

THE BOARD OF DIRECTORS OF THE CORPORATION RECOMMENDS A VOTE "FOR" THE PROPOSAL, BY NON-BINDING VOTE, APPROVING THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS AND THE COMPANY'S COMPENSATION PHILOSOPHY, POLICIES AND PRACTICES AS DESCRIBED HEREIN. PROXIES RECEIVED BY THE BOARD OF DIRECTORS WILL BE SO VOTED UNLESS STOCKHOLDERS SPECIFY A CONTRARY CHOICE IN THEIR PROXIES.

Note: The Company is providing this advisory vote as a required pursuant to Section 14A of the Securities Exchange Act (15 U.S.C. 78n-1). The stockholder vote will not be binding on the Company or the Board of Directors, and it will not be construed as overruling any decision by the Company or the Board of Directors or creating or implying any change to, or additional fiduciary duties for, the Company or the Board of Directors.

However, our Board of Directors values the opinions of our stockholders. Our Board of Directors and the compensation committee will consider the outcome of the vote when making compensation decisions for our Named Executive Officers as they deem appropriate.
