Dear Stockholder:

You are cordially invited to attend the 2018 Annual Meeting of Stockholders (the "Annual Meeting") of Ares Commercial Real Estate Corporation (the "Company") to be held on June 11, 2018 at 9:30 a.m., Eastern Daylight Time, at the offices of Proskauer Rose LLP, Eleven Times Square, New York, New York 10036.

At the Annual Meeting, you will be asked to (i) elect three directors of the Company, (ii) ratify the selection of Ernst & Young LLP as the Company's independent registered public accounting firm and (iii) approve the Company's Amended and Restated 2012 Equity Incentive Plan, each as more fully described in the accompanying proxy statement.

Your vote is important regardless of the number of shares you own.

We will be using the "Notice and Access" method of providing proxy materials to stockholders. We believe that this process will provide a convenient and quick way to access the proxy materials, including the Company's proxy statement and 2017 annual report to stockholders, and authorize a proxy to vote your shares, while allowing us to conserve natural resources and reduce the costs of printing and distributing the proxy materials.

On or about April 30, 2018, the Company will mail to stockholders a Notice of Internet Availability of Proxy Materials, which we refer to as the Notice and Access card, containing instructions on how to access the proxy statement and 2017 annual report to stockholders and authorize a proxy to vote electronically via the Internet or by telephone. The Notice and Access card also contains instructions as to how stockholders can receive a paper copy of the proxy materials and authorize a proxy to vote by mail.

If you hold shares of the Company's common stock in "street name" through a broker, bank or other institution or nominee, you must follow the instructions provided by your broker or other financial institution regarding how to instruct your broker or financial institution to vote your shares.

We urge you to submit your proxy voting instructions to the Company as soon as possible even if you currently plan to attend the Annual Meeting. This will not prevent you from voting in person but will assure that your vote is counted if you are unable to attend the Annual Meeting.

On behalf of your board of directors, thank you for your continued interest and support.

Sincerely,
/s/ WILLIAM S. BENJAMIN

William S. Benjamin

**PROXY STATEMENT FOR
2018 ANNUAL MEETING OF STOCKHOLDERS**

This proxy statement is being furnished to stockholders in connection with the solicitation of proxies by the board of directors (the "Board") of Ares Commercial Real Estate Corporation, a Maryland corporation (the "Company," "we," "us" or "our"), for use at the Annual Meeting of Stockholders (the "Annual Meeting") to be held on June 11, 2018 at 9:30 a.m., Eastern Daylight Time, at the offices of Proskauer Rose LLP, Eleven Times Square, New York, New York 10036 or at any adjournment or postponement thereof. This proxy statement, the notice of annual meeting of stockholders and the related proxy card are first being made available to our stockholders on or about April 27, 2018.

This proxy statement is accompanied by our 2017 Annual Report which includes audited financial statements for the fiscal year ended December 31, 2017 audited by Ernst & Young LLP, our independent registered public accounting firm, and their report thereon, dated March 1, 2018.

We encourage you to vote your shares, either by voting in person at the Annual Meeting or by granting a proxy (i.e., authorizing someone to vote your shares). If you properly authorize your proxy and we receive it in time for the Annual Meeting, the persons named as proxies will vote the shares registered directly in your name in the manner that you specify. **If you return an executed proxy, but no specification is made, the votes entitled to be cast by you will be cast FOR the election of the three directors listed in the accompanying proxy statement to serve until our 2021 annual meeting of stockholders, and until their successors are duly elected and qualify, FOR the ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2018 and FOR the approval of the Company's Amended and Restated 2012 Equity Plan. As to any other business which may properly come before the Annual Meeting or any postponements or adjournments thereof, the persons named as proxy holders on your proxy card will vote the shares of common stock represented by properly submitted proxies in their discretion.**

Any stockholder "of record" (i.e., stockholders holding shares directly in their name) giving a valid proxy for the Annual Meeting may revoke it before it is exercised by giving a later-dated properly executed proxy, by giving notice of revocation to us in writing before or at the Annual Meeting or by attending the Annual Meeting and voting in person. However, the mere presence of the stockholder at the Annual Meeting does not revoke the proxy. If you hold shares of our common stock in "street name" through a broker, bank or other institution or nominee, you may vote such shares at the Annual Meeting only if you obtain proper written authority from your broker, bank or other institution or nominee and present it at the Annual Meeting. If your shares are held for your account by a broker, bank or other institution or nominee, to revoke any voting instructions prior to the time the vote is taken at the Annual Meeting, you must contact such broker, bank or other institution or nominee to

Edgar Filing: Ares Commercial Real Estate Corp - Form DEF 14A

determine how to revoke your vote in accordance with their policies a sufficient time in advance of the Annual Meeting.

Unless revoked as stated above, the shares of common stock represented by valid proxies will be voted on all matters to be acted upon at the Annual Meeting. With respect to the election of directors, proxies cannot be voted for a greater number of persons than the number of nominees named.

The Board is not aware of any matter to be presented for action at the Annual Meeting other than the matters set forth herein. Should any other matter requiring a vote of stockholders arise, it is the intention of the persons named in the proxy to vote in accordance with their discretion on such matters. Stockholders have no dissenters' or appraisal rights in connection with any of the proposals described herein. The record date for determination of stockholders entitled to vote at the Annual Meeting is the close of business on April 12, 2018. As of the close of business on April 12, 2018, there were 28,598,916 shares of our common stock outstanding. Each share of common stock has one vote. The presence, in person or by proxy, of the holders of shares of common stock entitled to cast a majority of the votes entitled to be cast shall constitute a quorum for the purposes of the Annual Meeting. If there are not sufficient votes for a quorum or to approve or ratify any of the foregoing proposals at the time of the Annual Meeting, the chairman of the meeting may adjourn the Annual Meeting in order to permit further solicitation of proxies. Abstentions and broker non-votes will be deemed to be present for the purpose of determining a quorum for the Annual Meeting. A broker non-vote occurs when a nominee holding shares for a beneficial owner (i.e., a broker) does not vote on a particular proposal because such nominee does not have discretionary voting power for that particular matter and has not received instructions from the beneficial owner. Under the rules of the New York Stock Exchange ("NYSE"), the only item to be acted upon at the Annual Meeting with respect to which a broker or nominee will be permitted to exercise voting discretion is the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2018. Therefore, if you hold your shares in "street name" and do not give the broker or nominee specific voting instructions on the election of the three directors, your shares will not be voted on those items, and a broker non-vote will occur. Broker non-votes will have no effect on the voting results for such items.

The affirmative vote of a plurality of the votes cast at a meeting at which a quorum is present is required under our Amended and Restated Bylaws (the "Bylaws") to approve Proposal 1 (the election of three directors to serve until our 2021 annual meeting of stockholders and until their successors are duly elected and qualify). This means that the nominees with the most votes are elected. For purposes of the vote on Proposal 1, you may vote "For" or withhold authority to vote for each of the nominees to the Board. "Withheld" votes and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote. However, each director has agreed that if he or she receives more "Withheld" votes than "For" votes, the director will tender his or her resignation for consideration by the nominating and governance committee. For additional details, including a description of our director majority vote resignation policy, see the section of this proxy statement entitled "Proposal 1: Election of Directors."

You may vote "For" or "Against," or abstain from voting on Proposal 2 (to ratify the selection of Ernst & Young LLP as our independent registered public accounting firm). The affirmative vote of at least a majority of all of the votes cast at a meeting at which a quorum is present is required for approval of Proposal 2 (meaning the number of shares voted "For" Proposal 2 must exceed the number of shares voted "Against" Proposal 2). For purposes of the vote on Proposal 2, abstentions will not be counted as votes cast and will have no effect on the result of the vote.

Edgar Filing: Ares Commercial Real Estate Corp - Form DEF 14A

You may vote "For" or "Against," or abstain from voting on Proposal 3 (to approve the Company's Amended and Restated 2012 Equity Incentive Plan). The affirmative vote of at least a majority of all of the votes cast at a meeting at which a quorum is present is required for approval of Proposal 3 (meaning the number of shares voted "For" Proposal 3 must exceed the number of shares voted "Against" Proposal 3). For purposes of the vote on Proposal 3, abstentions will not be counted as votes cast and will have no effect on the result of the vote.

We will bear the cost of solicitation of proxies in relation to this proxy statement. Proxies will be solicited by mail, by telephone, by electronic mail or by facsimile, telegram or other electronic means or by requesting brokers and other custodians, nominees and fiduciaries to forward proxy soliciting material to the beneficial owners of shares of common stock held of record by such brokers, custodians, nominees and fiduciaries, each of whom we will reimburse for its expenses in so doing. In addition to the use of mail, directors, officers and regular employees of Ares Commercial Real Estate Management LLC, our external manager (our "Manager"), without special compensation therefor, may solicit proxies personally, by telephone, by electronic mail or by facsimile, telegram or other electronic means from stockholders.

The Board recommends that you vote FOR the election of the three directors listed in this proxy statement to serve until our 2021 annual meeting of stockholders, and until their successors are duly elected and qualify, FOR the ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2018 and FOR the approval of the Company's Amended and Restated 2012 Equity Plan.

PROPOSAL 1: ELECTION OF DIRECTORS

Election of Directors

Under our charter (as amended, the "Charter") and the Bylaws (together with the Charter, the "Charter Documents"), our directors are divided into three classes. Directors are elected for a staggered term of three years each, with a term of office of only one of these three classes of directors expiring each year. Each director will hold office for the term to which he or she is elected and until his or her successor is duly elected and qualifies, or until the director's earlier resignation, death or removal.

The terms of Rand S. April, Michael J Arougheti and James E. Skinner, the Class III directors, will expire at the Annual Meeting. As a result, the nominating and governance committee has recommended, and the Board has nominated, Messrs. April, Arougheti and Skinner to stand for re-election at the Annual Meeting and to hold office until the annual meeting to be held in 2021 and until their successors are duly elected and qualify. Messrs. April, Arougheti and Skinner have agreed to continue to serve as directors if elected and have consented to be named as nominees. The Charter Documents provide that directors shall be elected by the affirmative vote of a plurality of the votes cast at the Annual Meeting. This means that Messrs. April, Arougheti and Skinner must receive the most votes to be elected as our directors for the term for which they have been nominated.

A stockholder can vote for or withhold his or her vote from such director nominee. Nominees are elected by a plurality vote, which means that the nominees with the most votes are elected. However, pursuant to our Corporate Governance Guidelines, any nominee in an uncontested election who receives a greater number of votes withheld from his or her election than votes for his or her election will, within five days following the certification of the stockholder vote, tender his or her written resignation to the Chairman of the Board for consideration by the nominating and governance committee. The nominating and governance committee will then review the director's continuation on the Board and recommend to the Board whether the Board should accept such tendered resignation. The Board will promptly and publicly disclose its decision and, if applicable, the reasons for rejecting the tendered resignation.

In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy **FOR** the election of the three directors named herein. If any nominee should decline or be unable to serve as a director, it is intended that the proxy will be voted for the election of such person as is nominated as a replacement by the nominating and governance committee and by the Board. The Board has no reason to believe that any nominee will be unable or unwilling to serve.

Information about the Directors

The information set forth below was furnished to us by each director, and sets forth as of April 27, 2018, the name, age, principal occupation or employment of each such person, all positions and offices such person has held with us, and the period during which he or she has served as our director or executive officer. Messrs. April, Arougheti and Skinner have not been proposed for election nor has any director been selected as a director pursuant to any agreement or understanding with us or any other person.

Currently, the Board is comprised of nine members, which are divided into three classes serving staggered terms. Each director generally serves until the annual meeting of stockholders held in the third year following the year of his or her election and until a successor is duly elected and

Edgar Filing: Ares Commercial Real Estate Corp - Form DEF 14A

qualifies. The Bylaws provide that a majority of the entire Board may at any time increase or decrease the number of directors. However, unless the Bylaws are amended, the number of directors may never be less than the minimum required by the Maryland General Corporation Law, or more than 15.

We divide our directors into two groups interested directors and independent directors. Independent directors are directors that the Board has affirmatively determined satisfy the requirements of Rule 303A.02 of the NYSE Listed Company Manual. Directors for which no such determination has been made are considered interested directors.

PROPOSAL 2: RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The audit committee and the Board have selected Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2018 and are submitting the selection of Ernst & Young LLP to our stockholders for ratification. Ernst & Young LLP has audited our financial statements since our inception in September 2011 through the fiscal year ended December 31, 2017, and has also provided us certain tax services. Neither our Charter Documents nor applicable law requires stockholder ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm. However, the Board is submitting the appointment of Ernst & Young LLP to our stockholders for ratification as a matter of good corporate practice.

If our stockholders fail to ratify the selection of Ernst & Young LLP, the audit committee and the Board will consider whether or not to direct the appointment of a different independent registered public accounting firm. Even if the selection is ratified, the audit committee and the Board may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such a change would be in our best interests.

We expect that a representative of Ernst & Young LLP will be present at the Annual Meeting, will have an opportunity to make a statement if he or she so chooses and will be available to answer questions.

Principal Accountant Fees and Services

The following are aggregate fees billed to us by Ernst & Young LLP during the fiscal year ended December 31, 2017 and December 31, 2016:

| | Fiscal Year Ended December 31, 2017 | Fiscal Year Ended December 31, 2016 |
|--------------------|--|--|
| Audit Fees | \$533,000 | \$685,000 |
| Audit-Related Fees | \$67,000 | \$156,000 |
| Tax Fees | | |
| All Other Fees | \$117,000 | |
| Total Fees | \$717,000 | \$841,000 |

Audit Fees

Audit fees consist of fees billed for professional services rendered for the audit of our consolidated financial statements and review of the interim consolidated financial statements included in quarterly reports and services that are normally provided by Ernst & Young LLP in connection with statutory and regulatory filings, our registration statements and securities offerings.

Audit Related Fees

Audit-related fees are fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our consolidated financial statements and are not reported under "Audit Fees." For the years ended December 31, 2017 and December 31, 2016, audit-related fees were primarily related to audit related consultations, compliance audits and certain required Securities and Exchange Commission filings.

Tax Fees

Tax fees consist of fees billed for professional services for tax compliance, tax advice and tax planning. These services include assistance regarding federal, state and tax compliance, customs and duties, mergers and acquisitions and tax planning.

All Other Fees

All other fees consist of fees for products and services other than the services reported above, such as compliance-related services, subscription fees, consents, comfort letters and other services related to SEC and other regulatory filings.

The audit committee, or the chairperson of the audit committee to whom such authority was delegated by the audit committee, must pre-approve all services provided by the independent registered public accounting firm. Any such pre-approval by the chairperson must be presented to the audit committee at its next regular quarterly meeting. The audit committee has also adopted policies and procedures for pre-approving certain non-prohibited work performed by our independent registered public accounting firm. Specifically, the committee has pre-approved the use of Ernst & Young LLP for specific types of services within the following categories: audit, audit-related, tax and other. In each case, the committee has also set a specific annual limit, which can be updated, on the amount of such services which we may obtain from our independent registered public accounting firm. The audit committee does not delegate its responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

The affirmative vote of at least a majority of the votes cast at the Annual Meeting is required for the approval of this proposal to ratify the selection of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2018. In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy **FOR** this proposal.

The Board, based on the approval and recommendation of the audit committee, recommends a vote FOR this proposal to ratify the selection of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2018.

PROPOSAL 3: APPROVAL OF THE COMPANY'S AMENDED AND RESTATED 2012 EQUITY INCENTIVE PLAN

The Company maintains the Ares Commercial Real Estate Corporation 2012 Equity Incentive Plan (the "2012 Equity Incentive Plan"), which is available to provide equity-based incentives to outside directors, officers, advisors, consultants, and key personnel of the Company and the other Participating Companies (as defined therein), and to the Manager and others expected to provide bona fide services to the Company and the other Participating Companies.

In 2018, the compensation committee engaged FTI Consulting, Inc. as its independent compensation consultant. The compensation committee, in consultation with FTI Consulting, reviewed a range of options with respect to our compensation program and the methods available to us, including by means of granting equity-based awards (i) to further align the interests of our Manager and its personnel who support our Manager in providing services to us under the Management Agreement with those of our stockholders and (ii) to attract new personnel with outstanding qualifications. In connection with this review, the Board determined that it was necessary to increase the number of available shares available for future issuance under the 2012 Equity Incentive Plan for such purposes.

On April 24, 2018, the Board unanimously approved the Company's Amended and Restated 2012 Equity Incentive Plan (the "Amended and Restated 2012 Equity Incentive Plan"), subject to stockholder approval at the Annual Meeting. At the Annual Meeting, our stockholders will be asked to approve the Amended and Restated 2012 Equity Incentive Plan, which amends and restates the 2012 Equity Incentive Plan as follows:

Increase of the Share Reserve. The Amended and Restated 2012 Equity Incentive Plan will increase the total number of shares of common stock subject to the 2012 Equity Incentive Plan to 1,476,625 by increasing the number of available shares by 700,000 shares of common stock. As of April 26, 2018, 350,993 shares of common stock remain available for future issuance under the 2012 Equity Incentive Plan. Accordingly, if the Amended and Restated 2012 Equity Incentive Plan is approved, 1,050,993 shares of common stock will be available for future issuance. The Board believes that it is important to maintain a sufficient number of shares of common stock available for future issuance to enable our Company to issue awards to outside directors, officers, and key personnel of our Manager and to, among other things, create incentives for the recipients to improve the long-term stock price performance and to focus on long-term business objectives, financial success and long-term growth. The Board believes that the proposed increase in the share reserve is necessary to ensure that a sufficient reserve of common stock remains available for issuance to allow us to continue to utilize equity incentives.

Aggregate Limits on Grants to Outside Directors. Whereas the 2012 Equity Incentive Plan did not impose limits on awards that may be granted to outside directors, the Amended and Restated 2012 Equity Incentive Plan will add new limits on awards that may be granted to outside directors under the Amended and Restated 2012 Equity Incentive Plan for their service as directors. The maximum grant date fair value of equity awards granted to an outside director under the Amended and Restated 2012 Equity Incentive Plan and all other compensation paid to such director during any one calendar year will be \$500,000.

Repricing Prohibition. The Amended and Restated 2012 Equity Incentive Plan, other than in connection with a recapitalization or change in control, will prohibit the compensation committee, without prior stockholder approval, from (i) amending the terms of outstanding

Edgar Filing: Ares Commercial Real Estate Corp - Form DEF 14A

options (as defined therein) or stock appreciation rights to reduce the exercise price of such outstanding options or stock appreciation rights; (ii) cancelling outstanding options or stock appreciation rights in exchange for or substitution of options or stock appreciation rights with an exercise price that is less than the exercise price of the original options or stock appreciation rights; or (iii) cancelling outstanding options or stock appreciation rights with an exercise price above the current share price in exchange for cash or other securities.

If stockholders do not approve the Amended and Restated 2012 Equity Incentive Plan, the current share limits under the 2012 Equity Incentive Plan will continue in effect, the Company will not be prohibited from repricing and buying-out options and stock appreciation rights as described above and there will be no limit on the value of equity awards that may be granted to non-employee directors in any calendar year.

Description of the 2012 Equity Incentive Plan, As Amended and Restated

The material features of the Amended and Restated 2012 Equity Incentive Plan are described below. The following description of the Amended and Restated 2012 Equity Incentive Plan is a summary only and is qualified in its entirety by reference to the complete text of the Amended and Restated 2012 Equity Incentive Plan. Stockholders are urged to read the actual text of the Amended and Restated 2012 Equity Incentive Plan in its entirety, which is attached to this proxy statement as Exhibit A.

Purpose

The Amended and Restated 2012 Equity Incentive Plan is intended to provide equity-based incentives to outside directors, officers, advisors, consultants, and key personnel of the Company and the other Participating Companies, and to the Manager and others expected to provide bona fide services to the Company and the other Participating Companies to encourage a proprietary interest in the Company, in order to encourage such key personnel to remain in the service of the Company and the other Participating Companies, to attract new personnel with outstanding qualifications, and to afford additional incentives to all such personnel to increase their efforts in providing significant services to the Company and the other Participating Companies.

Administration

The compensation committee has the authority to administer and interpret the plan, to authorize the granting of awards, to determine who is eligible to receive an award, to determine the number of shares of common stock to be covered by each award (subject to the individual participant limitations provided in the plan), to determine the terms, provisions and conditions of each award (which may not be inconsistent with the terms of the plan), to prescribe the form of instruments evidencing awards and to take any other actions and make all other determinations that it deems necessary or appropriate in connection with the plan or the administration or interpretation thereof. In connection with this authority, the compensation committee may, among other things, establish performance goals that must be met in order for awards to be granted or to vest, or for the restrictions on any such awards to lapse. Our Amended and Restated 2012 Equity Incentive Plan is administered by the compensation committee, which is currently comprised of three outside directors, each of whom is (i) to the extent required by Rule 16b-3 under the Exchange Act, a non-employee director and (ii) an "independent director" as defined under Section 303A.02 of the NYSE Listed Company Manual or other applicable stock exchange rules.

Available Shares

Our Amended and Restated 2012 Equity Incentive Plan provides that, subject to adjustments for recapitalizations and other corporate transactions, no grant under the plan may cause the total number of shares of common stock subject to all outstanding awards to exceed 1,476,625 shares of common stock. Subject to the foregoing limit, if an option or other award or any portion thereof granted under our Amended and Restated 2012 Equity Incentive Plan expires or terminates without having been exercised or paid, as the case may be, the shares subject to such portion will again become available for the issuance of additional awards. If any portion of an award is withheld to cover the applicable exercise price or income tax withholding obligations related to such award, the withheld shares will not again become available for the issuance of additional awards. No new award may be granted under our Amended and Restated 2012 Equity Incentive Plan after the tenth anniversary of the date that such amended plan was initially approved by the Board (which occurred on April 24, 2018). No award may be granted under our Amended and Restated 2012 Equity Incentive Plan to any person who, assuming exercise of all options and payment of all awards held by such person would own or be deemed to own more than 9.8% of the outstanding shares of our common stock. The maximum grant date fair value of equity awards granted to an outside director and all other compensation paid to such director under the Amended and Restated 2012 Equity Incentive Plan during any one calendar year will be \$500,000.

Awards Under the Plan

Options. The terms of specific options shall be determined by the compensation committee. The exercise price of an option shall be determined by the compensation committee and reflected in the applicable award agreement, and may not be lower than 100% of the fair market value of our common stock on the date of grant. Options will be exercisable at such times and subject to such terms as determined by the compensation committee. Options generally will expire not later than ten years after the date of grant.

Restricted Shares of Common Stock. A restricted stock award is an award of shares of common stock that are subject to restrictions on transferability and such other restrictions, if any, as the compensation committee may impose. Grants of restricted shares of common stock will be subject to vesting schedules as determined by the compensation committee. The restrictions may lapse separately or in combination at such times, under such circumstances, including, without limitation, a specified period of employment or the satisfaction of pre-established performance criteria, in installments or otherwise, as the compensation committee may determine. Unless otherwise stated in the applicable award agreement, a participant granted restricted shares of common stock has all of the rights of a stockholder, including, without limitation, the right to vote and the right to receive dividends on the shares.

Restricted Stock Units. Restricted stock units are bookkeeping entries, each of which represents the equivalent of one share of common stock, and which may be settled in cash or shares of common stock as the compensation committee may designate in an award agreement or otherwise. Restricted stock units shall be subject to vesting based on continued employment or service or the satisfaction of pre-established performance criteria, or such other restrictions as the compensation committee shall determine.

Phantom Shares. A phantom share represents a right to receive the fair market value of a share of common stock, or, if provided by the compensation committee, the right to receive the fair market value of a share of common stock in excess of a base value established by the compensation committee at the time of grant. Phantom shares shall be subject to vesting based on continued employment or service or the satisfaction of pre-established performance criteria, or such other

Edgar Filing: Ares Commercial Real Estate Corp - Form DEF 14A

restrictions as the compensation committee shall determine. Phantom shares may generally be settled in cash or by transfer of shares of common stock (as may be elected by the participant or the compensation committee, or as may be provided by the compensation committee at grant).

Dividend Equivalents. A dividend equivalent is a right to receive (or have credited) the equivalent value (in cash or shares of common stock) of dividends paid on shares of common stock otherwise subject to an award. The compensation committee may provide that amounts payable with respect to dividend equivalents shall be converted into cash or additional shares of common stock. The compensation committee will establish all other limitations and conditions of awards of dividend equivalents as it deems appropriate.

Other Share-Based Awards. Our Amended and Restated 2012 Equity Incentive Plan authorizes the granting of other awards based upon shares of our common stock (including the grant of securities convertible into shares of common stock and share appreciation rights), subject to terms and conditions established at the time of grant.

Change in Control

Upon a change in control (as defined in our Amended and Restated 2012 Equity Incentive Plan), the compensation committee may make such adjustments as it, in its discretion, determines are necessary or appropriate in light of the change in control, but only if the compensation committee determines that the adjustments do not have a substantial adverse economic impact on the participants (as determined at the time of the adjustments).

Other Changes

The compensation committee may amend, alter, suspend or discontinue our Amended and Restated 2012 Equity Incentive Plan but cannot take any action that would impair the rights of a participant in existing grants without such participant's consent. NYSE rules or other applicable regulations may require approval of our stockholders for any amendment that would:

other than through adjustment as provided in our Amended and Restated 2012 Equity Incentive Plan, increase the total number of shares of common stock available for issuance under our Amended and Restated 2012 Equity Incentive Plan; or

change the class of officers, directors, employees, consultants and advisors eligible to participate in our Amended and Restated 2012 Equity Incentive Plan.

The compensation committee may not, other than in connection with a recapitalization or a change in control, without prior stockholder approval and only to the extent permitted by Code Section 409A, (i) amend the terms of outstanding options or stock appreciation rights to reduce the exercise price of such outstanding options or stock appreciation rights; (ii) cancel outstanding options or stock appreciation rights in exchange for or substitution of options or stock appreciation rights with an exercise price that is less than the exercise price of the original options or stock appreciation rights; or (iii) cancel outstanding options or stock appreciation rights with an exercise price above the current share price in exchange for cash or other securities. The compensation committee may amend the terms of any award granted under our Amended and Restated 2012 Equity Incentive Plan, prospectively or retroactively, but generally may not impair the rights of any participant in existing grants without his or her consent.

Tax Consequences Relating to Options issued under the Amended and Restated 2012 Equity Incentive Plan

The federal income tax consequences arising with respect to awards granted under the Amended and Restated 2012 Equity Incentive Plan will depend on the type of award. From the recipients' standpoint, as a general rule, ordinary income will be recognized at the time of payment of cash, or delivery of actual shares. Future appreciation on shares held beyond the ordinary income recognition event will be taxable at capital gains rates when the shares are sold. We, as a general rule, will be entitled to a tax deduction that corresponds in time and amount to the ordinary income recognized by the recipient, and we will not be entitled to any tax deduction in respect of capital gain income recognized by the recipient. Exceptions to these general rules may arise under the following circumstances: (i) if shares, when delivered, are subject to a substantial risk of forfeiture by reason of failure to satisfy any employment or performance-related condition, ordinary income taxation and our tax deduction will be delayed until the risk of forfeiture lapses (unless the recipient makes a special election to ignore the risk of forfeiture); (ii) if an employee is granted an incentive stock option, no ordinary income will be recognized, and we will not be entitled to any tax deduction, if shares acquired upon exercise of the incentive stock option are held longer than the later of one year from the date of exercise and two years from the date of grant; and (iii) an award may be taxable at 20% above ordinary income tax rates at the time it becomes vested, even if that is prior to the delivery of the cash or stock in settlement of the award, if the award constitutes "deferred compensation" under Section 409A of the Internal Revenue Code, and the requirements of Section 409A of the Internal Revenue Code are not satisfied. The foregoing provides only a general description of the application of federal income tax laws to certain awards under the Amended and Restated 2012 Equity Incentive Plan, and is not intended as tax guidance to participants in the Amended and Restated 2012 Equity Incentive Plan, as the tax consequences may vary with the types of awards made, the identity of the recipients and the method of payment or settlement. This summary does not address the effects of other federal taxes or taxes imposed under state, local, or foreign tax laws.

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended (the "Securities Act"), or the Securities Exchange Act of 1934, as amended (the "Exchange Act"), that might incorporate future filings, including this proxy statement, in whole or in part, the following Report of the Audit Committee shall not be deemed to be "soliciting material" or to be "filed" with the Securities and Exchange Commission (the "SEC"), nor shall such information be incorporated by reference into any such filings under the Securities Act or the Exchange Act.

REPORT OF THE AUDIT COMMITTEE

The role of the audit committee (the "Audit Committee") of the board of directors (the "Board") of Ares Commercial Real Estate Corporation (the "Company") is to assist the Board in its oversight of: (1) the integrity of the Company's financial statements; (2) the Company's compliance with legal and regulatory requirements; (3) the qualifications and independence of any independent registered public accounting firm engaged by the Company; and (4) the performance of the Company's internal audit function and any independent registered public accounting firm. However, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate, fairly present the information shown or are in accordance with generally accepted accounting principles ("GAAP") and applicable rules and regulations. Nor is it the duty of the Audit Committee to conduct investigations or to assure compliance with any law, regulation or rule of the New York Stock Exchange ("NYSE"), or the Company's Corporate Governance Guidelines or Code of Business Conduct and Ethics. These are the responsibilities of management and the independent registered public accounting firm. Instead, the Audit Committee shall oversee the Company's accounting and financial reporting processes and the audits of the Company's financial statements.

The independent registered public accounting firm is responsible for performing an independent audit of the Company's financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and expressing an opinion as to the conformity of such financial statements with GAAP.

The directors that serve on the Audit Committee have reviewed and discussed the Company's audited financial statements with management and with Ernst & Young LLP, the Company's independent registered public accounting firm for the fiscal year ended December 31, 2017. The Audit Committee has discussed with Ernst & Young LLP the matters required to be discussed by Auditing Standard No. 1301, *Communications with Audit Committees*, as currently in effect (which superseded Statement on Auditing Standards No. 16), as adopted by the Public Company Accounting Oversight Board for audits of fiscal years beginning on or after December 15, 2012. The Audit Committee has (1) received from Ernst & Young LLP the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board Rule 3526, *Communication with Audit Committees Concerning Independence*, regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, (2) discussed with the independent registered public accounting firm its independence and (3) considered, among other things, the audit and non-audit services performed by, and the amount of fees paid for such services to, the independent registered public accounting firm.

The Board has determined that each member of the Audit Committee is independent for purposes of the NYSE Listed Company Manual. The Board has also determined that each member of the Audit Committee is financially literate as required by the NYSE Listed Company Manual, and that each of William L. Browning and James E. Skinner has the accounting or related financial management expertise required by the NYSE Listed Company Manual, and is an "audit committee financial expert"

Edgar Filing: Ares Commercial Real Estate Corp - Form DEF 14A

within the meaning of the rules and regulations of the Securities and Exchange Commission (the "SEC").

Based on the review and discussions referred to above, the Audit Committee has recommended to the Board that the audited consolidated financial statements for the fiscal year ended December 31, 2017 be included in the Company's Annual Report on Form 10-K for such year for filing with the SEC. In addition, the Audit Committee has approved, and recommended to the Board that it approve, Ernst & Young LLP to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2018 and that the selection of Ernst & Young LLP be submitted to the Company's stockholders for ratification.

CORPORATE GOVERNANCE BOARD OF DIRECTORS AND COMMITTEES

Board Leadership Structure

Our business is managed by our Manager, subject to the supervision and oversight of the Board. A majority of the Board is "independent," as determined by the requirements of the NYSE corporate governance listing requirements and the rules and regulations of the SEC. Our Board has the responsibility for establishing broad corporate policies and for our overall performance and direction, but is not involved in our day-to-day operations. Our directors keep informed about our business by attending meetings of the Board and its committees and through supplemental reports and communications with our Manager and our executive officers. Our non-management directors meet regularly in an executive session without the presence of our officers or management directors to review, among other matters, the performance of our Chief Executive Officer and senior management. In addition, our non-management directors will meet in executive session at other times at the request of any non-management director. Our independent directors also meet in executive session at least once a year. In accordance with the Bylaws and the Corporate Governance Guidelines, the chairperson of the nominating and governance committee acts as the presiding independent director and presides at meetings of the independent directors or non-management directors.

The Board monitors and performs an oversight role with respect to our business and affairs, including with respect to investment practices and performance, compliance with regulatory requirements and the services, expenses and performance of certain of our service providers. Among other things, the Board elects our officers and either directly or by delegation to the audit committee or compensation committee reviews and monitors the services and activities performed by our Manager and our officers.

Under the Bylaws, the Board may designate a chairman to preside over the meetings of the Board and meetings of the stockholders and to perform such other duties as may be assigned to him by the Board. We do not have a fixed policy as to whether the chairman of the Board should be an independent director and we believe that our flexibility to select our chairman and reorganize our leadership structure from time to time is in the best interests of our Company and our stockholders.

Presently, Mr. Benjamin serves as the Chairman of the Board. We believe that Mr. Benjamin's familiarity with the Ares platform, including as Head of Ares Real Estate Group, and depth of experience as a senior real estate executive qualifies him to serve as the Chairman of the Board. Moreover, we believe that we are best served through our existing leadership structure with Mr. Benjamin as Chairman of the Board, as Mr. Benjamin's relationship with Ares provides an effective bridge between the Board and our Manager, thus ensuring an open dialogue between the Board and our Manager and that both groups act with a common purpose.

The Board has formed an audit committee, a nominating and governance committee and a compensation committee and has adopted charters for each of these committees which are available on our website at www.arescre.com. Each of the audit committee and compensation committee currently has three directors and the nominating and governance committee currently has two directors, and each is composed exclusively of independent directors, as defined by the NYSE corporate governance listing requirements and the rules of the SEC.

The Board has had the exclusive power to amend our Bylaws since our formation. Our Bylaws primarily address matters such as quorums for board, committee and stockholders meetings; stock certificates; inspectors of election; corporate seals; checks, drafts and deposits; written consents of directors and committees as well as advance notice of stockholder nominations and proposals,

stockholder-requested special meeting procedures and indemnification and expense advancement for directors and officers. We believe that the Board is best suited to address these issues because under Maryland law each director has legal duties to our Company, access to more information (including the views of other directors) than any single stockholder or group of stockholders and the legitimacy of having been elected by the stockholders. Most importantly, Maryland law requires each director to act with a reasonable belief that his or her action is in the best interests of our Company as a continuing entity rather than in the interest of the stockholders, who are a constantly changing group and none of whom has any duty to our Company.

We believe that the leadership structure of each board of directors must be evaluated on a case by case basis and that our existing Board leadership structure provides sufficient independent oversight over our Manager. In addition, we believe that the current governance structure, when combined with the functioning of the independent director component of the Board and our overall corporate governance structure, strikes an appropriate balance between strong and consistent leadership and independent oversight of our business and affairs. However, we re-examine our corporate governance policies on an ongoing basis to ensure that they continue to meet our needs.

Board Role in Risk Oversight

The Board performs its risk oversight function primarily through the audit committee, which reports to the entire Board and is comprised solely of independent directors. The audit committee, with input from our Manager and our General Counsel, discusses and reviews our guidelines with respect to risk assessment and risk management, including our major financial risk exposures, enterprise risk-management, including cybersecurity risk, and the steps management has taken to monitor and control such exposures. In addition, the audit committee's risk oversight responsibilities include overseeing (1) the integrity of our financial statements; (2) our compliance with legal and regulatory requirements; (3) the qualifications and independence of any independent registered public accounting firm engaged by us; and (4) the performance of our internal audit function and our independent registered public accounting firm.

In addition, the Board and the audit committee meet regularly with our Manager and consider the feedback our Manager provides concerning the risks related to our enterprise, business, operations and strategies. Our Manager regularly reports to the Board and the audit committee on our investment portfolio and the risks related thereto, asset impairments, leverage position, affiliate payments (including payments made and expenses reimbursed pursuant to the terms of the Management Agreement), compliance with applicable covenants under the agreements governing our indebtedness, compliance with our qualification as a real estate investment trust for U.S. federal income tax purposes, or "REIT," and compliance with our exemption from registration under the Investment Company Act of 1940, as amended. Members of the Board are routinely in contact with our Manager and our executive officers, as appropriate, in connection with their consideration of matters submitted for the approval of the Board or the audit committee and the risks associated with such matters. As described below in more detail under "Nominating and Governance Committee," the nominating and governance committee also assists the Board in fulfilling its risk oversight responsibilities.

We believe that the extent of the Board's (and its committees') role in risk oversight complements the Board's leadership structure because it allows our independent directors, through the three fully independent Board committees, executive sessions with the independent auditors, and otherwise, to exercise oversight of risk without any conflict that might discourage critical review.

We believe that a board of directors' role in risk oversight must be evaluated on a case by case basis and that the Board's role in risk oversight is appropriate. However, we re-examine the manner in

which the Board administers its oversight function on an ongoing basis to ensure that it continues to meet our needs.

Number of Meetings of the Board and Attendance in 2017

During 2017, the Board held seven formal meetings, the audit committee held five formal meetings, the nominating and governance committee held two formal meetings and the compensation committee held four formal meetings. Each director then in office attended at least 75% of the meetings of the Board and of the meetings of the committees of the Board on which such director served. We expect each director serving on the Board to regularly attend meetings of the Board and the committees on which such director serves, and to review, prior to meetings, materials distributed in advance for such meetings. A director who is unable to attend a meeting is expected to notify the Chairman of the Board or the chairperson of the appropriate committee in advance of such meeting. We encourage, but do not require, the directors to attend our annual meetings of stockholders. Seven directors attended our 2017 annual meeting of stockholders.

Audit Committee

The members of the audit committee during 2017 and the current members of the audit committee are Ms. Blakely and Messrs. Browning and Skinner, each of whom is independent for purposes of the NYSE corporate governance listing requirements and rules and regulations of the SEC. Mr. Browning currently serves as Chairperson of the audit committee.

The audit committee is responsible for engaging our independent accountants, reviewing with our independent accountants the plan and results of the audit engagement, approving professional services provided by our independent accountants, reviewing the independence of our independent accountants and reviewing the adequacy of our internal accounting controls. In addition, the audit committee is responsible for discussing with management our major financial risk exposures and the steps management has taken to monitor and control such exposures, including our risk assessment and risk management policies. The specific responsibilities of the audit committee are set forth in its written charter, which is available for viewing on our website at www.arescre.com.

The Board has determined that each of Messrs. Browning and Skinner has the accounting or related financial management expertise required by the NYSE Listed Company Manual, and is an "audit committee financial expert" within the meaning of the rules and regulations of the SEC. In addition, the Board has determined that all of the members of the audit committee are financially literate as required by the NYSE Listed Company Manual.

Nominating and Governance Committee

The members of the nominating and governance committee during 2017 were Ms. Blakely and Messrs. April and Bryant. Mr. John H. Bryant did not stand for re-election as director when his term expired at the 2017 annual meeting of stockholders. Ms. Blakely and Mr. April are the current members of the nominating and governance committee, each of whom is independent for purposes of the NYSE corporate governance listing requirements and rules and regulations of the SEC. Ms. Blakely currently serves as Chairperson of the nominating and governance committee.

The nominating and governance committee's responsibilities include identifying individuals qualified to become Board members (consistent with the criteria approved by the Board) and recommending for selection by the Board the director nominees to stand for election at each annual meeting of our stockholders, recommending to the Board director nominees for each committee of the

Edgar Filing: Ares Commercial Real Estate Corp - Form DEF 14A

Board, overseeing the evaluation of the Board and its committees, developing and recommending to the Board a set of corporate governance guidelines and recommending to the Board such other matters of corporate governance as the nominating and governance committee deems appropriate. In addition, the nominating and governance committee reviews the independence of Board members and director nominees and monitors all other activities that could interfere with such individuals' duties to us. The specific responsibilities of the nominating and governance committee are set forth in its written charter, which is available for viewing on our website at www.arescre.com.

In considering possible candidates for election as a director, the nominating and governance committee takes into account, in addition to such other factors as it deems relevant, the desirability of selecting directors who:

are of high character and integrity;

are accomplished in their respective fields, with superior credentials and recognition;

have relevant expertise and experience upon which to be able to offer advice and guidance to management;

have sufficient time available to devote to our affairs;

are able to work with the other members of the Board and contribute to our success;

can represent the long-term interests of our stockholders as a whole; and

are selected such that the Board represents a diverse range of backgrounds and experience.

The nominating and governance committee will consider recommendations for nomination of directors from our stockholders. Nominations made by stockholders must be delivered to or mailed (setting forth the information required by the Bylaws) and received at our principal executive offices not earlier than the 150th day nor later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the date on which we first mailed our proxy materials for the previous year's annual meeting of stockholders; provided, however, that if the date of the annual meeting has changed by more than 30 days from the prior year, the nomination must be received not earlier than the 150th day prior to the date of such annual meeting nor later than 5:00 p.m., Eastern Time, on the later of (1) the 120th day prior to the date of such annual meeting or (2) the 10th day following the day on which public announcement of such meeting date is first made.

Compensation Committee

The members of the compensation committee during 2017 were Messrs. April, Browning, Bryant and Skinner. Mr. April was appointed to fill the vacancy caused by Mr. Bryant's departure as a director when his term expired at the 2017 annual meeting of stockholders. The current members of the compensation committee are Messrs. April, Browning and Skinner, each of whom is independent for purposes of the NYSE corporate governance listing requirements and rules and regulations of the SEC, including the compensation committee requirements of NYSE Rule 303A.05 and Rule 303A.02(a)(ii). Mr. Skinner currently serves as Chairperson of the compensation committee.

The compensation committee is responsible for overseeing plans and programs related to the compensation of our Manager, including reviewing the performance of and compensation payable to

Edgar Filing: Ares Commercial Real Estate Corp - Form DEF 14A

the Manager pursuant to the Management Agreement, administering and implementing our 2012 Equity Incentive Plan and preparing reports on or relating to executive compensation required by the rules and regulations of the SEC. The compensation committee may, in its discretion, delegate all or a portion of its duties and responsibilities to a sub-committee, independent director, or committee comprised of independent directors, to the extent permitted by applicable laws, regulations, and NYSE rules. The specific responsibilities of the compensation committee are set forth in its written charter, which is available for viewing on our website at www.arescre.com.

Communications with the Board of Directors

The Board welcomes communications from our stockholders and other interested parties. Stockholders and other interested parties may send communications to the Board, to the non-management or independent directors as a group or to any particular director, to the following address: c/o Ares Commercial Real Estate Corporation, 245 Park Avenue, 42nd Floor, New York, NY 10167. Stockholders should indicate clearly the director or directors to whom the communication is being sent so that each communication may be forwarded directly to the appropriate director or group of directors. Any such communications may be made anonymously. Unsolicited advertisements, invitations to conferences or promotional materials, in the discretion of our Secretary, are not required, however, to be forwarded to the directors.

Code of Business Conduct and Ethics

The Board has established a Code of Business Conduct and Ethics that applies to our directors, officers and employees. Among other matters, our Code of Business Conduct and Ethics is designed to deter wrongdoing and to promote:

honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;

full, fair, accurate, timely and understandable disclosure in our SEC reports and other public communications;

compliance with applicable governmental laws, rules and regulations;

prompt internal reporting of violations of the code to appropriate persons identified in the code; and

accountability for adherence to the code.

Any waiver of the Code of Business Conduct and Ethics for our executive officers or directors may be made only by the Board and will be promptly disclosed as required by law or stock exchange regulations. Waivers to the Code of Business Conduct and Ethics can otherwise be obtained from the audit committee or another committee comprised of independent directors designated by the Board to serve such function. The Code of Business Conduct and Ethics can be accessed via our website at www.arescre.com.

Corporate Governance Guidelines (including Director Majority Vote Resignation Policy)

The Board has adopted Corporate Governance Guidelines that address significant issues of corporate governance and set forth procedures by which the Board carries out certain of its responsibilities. Among the areas addressed by the Corporate Governance Guidelines are the

composition of the Board, roles and standards of conduct of directors, director qualification standards, presiding independent director process, access to management and independent advisors, director compensation, director orientation and continuing education, management succession, the annual performance evaluation and review of the Board and its committees and our director majority vote resignation policy. For a description of our director majority vote resignation policy, see the section of this proxy statement entitled "Proposal 1: Election of Directors." Our Corporate Governance Guidelines do not prohibit directors from serving simultaneously on multiple companies' boards but require that, if a director serves on four or more public company boards simultaneously, including our Board, a determination is made by our Board as to whether such simultaneous service impairs the ability of such member to effectively serve our Company. In addition, under our audit committee charter, our Board must determine that the simultaneous service of an audit committee member on the audit committees of more than three public companies would not impair such member's ability to effectively serve on our audit committee. The Corporate Governance Guidelines can be accessed via our website at www.arescre.com.

Hedging and Speculative Trading

The Board has adopted, as part of our insider trading policy, prohibitions against our executive officers and directors and any director, officer or employee of our Manager engaging in transactions of a speculative nature involving our securities, including, but not limited to, buying or selling puts or calls or other derivative securities based on our securities. In addition, such persons are prohibited from short-selling our securities or entering into hedging or monetization transactions or similar arrangements with respect to our securities (other than securities granted under our 2012 Equity Incentive Plan).

Stock Ownership Guidelines

To align the interests of our directors and stockholders, the Board expects our directors to own significant equity in our Company. Accordingly, we have adopted stock ownership guidelines (the "Stock Ownership Guidelines") requiring each director, including any executive officer who serves as a director of our Company, such as our Chief Executive Officer, to achieve an equity ownership level in the Company equal to three times the annual cash fees received by the independent directors for serving on the Board. Restricted common stock awards, including unvested restricted stock, granted in respect of annual director fees or otherwise are counted toward achieving the Stock Ownership Guidelines. Directors have a three-year grace period to comply with the Stock Ownership Guidelines, commencing on the date which is the later of the adoption of the Stock Ownership Guidelines and the election as a director. In the event of any increase to the directors' annual cash fees, the directors will have a one-year grace period from the time of the increase to acquire any additional equity needed to meet the Stock Ownership Guidelines. If, at the end of the applicable grace period, any director does not achieve the requisite equity ownership level, we will require such director to hold all vested awards of equity, other than awards withheld to pay withholding taxes, until the required ownership level has been satisfied. Additionally, the nominating and governance committee reserves the right to provide exceptions for extenuating personal circumstances on a case-by-case basis.

Stockholder Outreach and Analysis

At the 2017 annual meeting of stockholders held on June 7, 2017, a significant majority (74%) of our stockholders that voted at the annual meeting with respect to the proposal, voted in favor of the proposal to elect Caroline E. Blakely as a Class II director to serve until our 2020 annual meeting of stockholders and until her successor is duly elected and qualified. In light of the fact that Ms. Blakely serves as the Chairperson of the nominating and governance committee, in connection with the

Edgar Filing: Ares Commercial Real Estate Corp - Form DEF 14A

proposal, we engaged in stockholder outreach regarding our corporate governance policies. Among other matters discussed with our stockholders, we sought feedback on the recommendation of Institutional Shareholder Services ("ISS"), an institutional shareholder advisory firm, that stockholders withhold votes from Ms. Blakely as a Class II director at the 2017 annual meeting of stockholders due to our Board having the exclusive power to amend our Bylaws. See " Board Leadership Structure" above.

We re-examine our corporate governance policies on an ongoing basis to ensure that they continue to meet our needs. Following the engagement with our stockholders described above, the Board and the nominating and governance committee conducted a review of our corporate governance policies, including, among other matters, our Board structure, stockholders' rights and takeover defense profile. As a result of such review and in consideration of the feedback received from our stockholders, we implemented the following changes:

We adopted, as part of our insider trading policy, prohibitions against hedging and speculative trading. See " Hedging and Speculative Trading" above; and

We added additional information to this proxy statement to clarify that executive officers who serve as directors of our Company, such as our Chief Executive Officer, are subject to the requirements of the Stock Ownership Guidelines. See " Stock Ownership Guidelines" above.

COMPENSATION OF DIRECTORS

Our independent directors receive an annual fee of \$120,000, payable 50% in restricted common stock and 50% in cash. The awards of restricted common stock in respect of annual fees, which are granted pursuant to our 2012 Equity Incentive Plan, vest ratably on a quarterly basis over a one-year period. The chairperson of the audit committee receives an additional annual fee of \$15,000 in cash, and the chairperson of each of the nominating and governance committee and compensation committee receives an additional annual fee of \$5,000 in cash for his or her additional services in these capacities. In addition, each audit committee member, other than the chairperson, receives an additional annual fee of \$10,000 in cash, and each member of the nominating and governance committee and compensation committee (other than the chairperson of such committees) receives an additional annual fee of \$2,000 in cash for his or her services in these capacities. Each of our directors is also entitled to reimbursement of reasonable out of pocket expenses incurred in connection with attending each Board meeting and each committee meeting. EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview

We are externally managed and advised by our Manager pursuant to the Management Agreement. For details regarding payments under the Management Agreement, see "Certain Relationships and Related Transactions Management Agreement."

Each of our officers is an employee of our Manager or one of its affiliates. We rely completely on our Manager to provide us with investment advisory services and our Manager manages our day to day operations. As highlighted in the table below, we do not provide cash compensation to any of our named executive officers or other officers.

Instead, we pay our Manager a base management fee and an incentive fee and we reimburse our Manager for our allocable share of the salaries and other compensation paid by the Manager or its affiliates to our (a) Chief Financial Officer, based on the percentage of his time spent on our affairs and (b) other corporate finance, tax, accounting, internal audit, legal, risk management, operations, compliance and other non-investment professional personnel of our Manager or its affiliates who spend all or a portion of their time managing our affairs based on the percentage of their time spent on our affairs. We have reported the compensation that we reimburse to our Manager for our named executive officers in "Summary Compensation Table" set forth below.

Highlights of our Management Agreement and Compensation Structure

Base Management Fee Our Manager receives a management fee equal to 1.5% of our stockholders' equity, subject to certain adjustments, which is used, in part, to pay the compensation of our Manager's employees, with no specific portion allocated to our executive officers. For 2017, the management fees were approximately \$6.2 million.

Incentive Fee Our Manager is eligible for performance-based fees if our Core Earnings exceed certain thresholds set forth in the Management Agreement with our Manager. For 2017, the incentive fee was approximately \$0.4 million.

Role of our Executive Officers All of our executive officers are employees of our Manager or one of its affiliates and are engaged in additional capacities for our Manager and its affiliates. Our Manager is responsible for the compensation of our executive officers and other employees of our Manager who support the services our Manager provides to us. We do not determine the compensation payable by our Manager to our Chief Executive Officer, Chief Financial Officer or the other personnel described above. See "Compensation of our Executive Officers by Ares Management" below.

Compensation of our Executive Officers by Ares Management

Our Manager is a subsidiary of Ares Management, a publicly traded, leading global alternative asset manager. As of December 31, 2017, Ares Management had approximately 1,000 employees in over 15 principal and originating offices across the United States, Europe, Asia and Australia. Since its inception in 1997, Ares Management has adhered to a disciplined investment philosophy that focuses

Edgar Filing: Ares Commercial Real Estate Corp - Form DEF 14A

on delivering strong risk-adjusted investment returns throughout market cycles. Ares Management believes each of its three distinct but complementary investment groups in Credit, Private Equity and Real Estate is a market leader based on assets under management and investment performance. Ares Management was built upon the fundamental principle that each group benefits from being part of the greater whole.

Ares Management's compensation program is designed to attract, motivate and retain talented professionals who drive its success, including the success of our company. Ares Management's compensation policy has several primary objectives:

Performance-Based Compensation: Establish a clear relationship between performance and compensation;

Alignment: Align the interests of key employees with fund investors and unitholders to maximize value; and

Competitive Pay: Provide competitive incentive opportunities, with an appropriate balance between short-term and long-term incentives.

Ares Management utilizes a variety of compensation components to achieve its objectives, including the following:

Base salaries: Dictated by employee proficiency and experience in their roles. In addition to base salary, Ares Management utilizes a blend of variable and long-term pay vehicles to further incentivize and retain talent and provide an overall compensation package that is competitive with the market.

Performance-based discretionary bonuses: Generally paid annually to employees based on Ares Management's profitability, market analysis and employee performance. Select senior professionals may also receive carried interest or incentive fee participation. Our Manager and its affiliates take into account our performance as a factor in determining the compensation of certain of our executive officers. For example, to the extent that our Manager was to earn additional incentive fees under the Management Agreement in the future, certain of our executive officers may be eligible to receive a portion of such incentive fee.

Options and other equity grants: Ares Management's grants equity to incentivize its key employees' continued employment and to align the interests of management with fund investors and unitholders, including options to purchase common units and grants of restricted units.

For more information on the compensation program at Ares Management, please see Part III, Item 11 (Executive Compensation) of Ares Management's Form 10-K filed with Securities and Exchange Commission on March 1, 2018.

Each of our officers is an employee of our Manager or one of its affiliates. Our Manager uses the proceeds from the management fee, in part, to pay the compensation of our executive officers and other employees of our Manager who support the services our Manager provides to us. Except for the grants of restricted shares of common stock described in " 2017 Equity Grants" below, we did not pay any compensation of any kind to our named executive officers during the fiscal year ended December 31, 2017. We have reported the compensation that we reimbursed to our Manager for our

named executive officers in the table set forth below. Other than these reimbursed amounts, our Manager and its affiliates cannot segregate and identify that portion of the compensation awarded to, earned by or paid to each of our executive officers that relates exclusively to their services to us, as all of our executive officers are engaged in additional capacities for our Manager and its affiliates. As such, the compensation of our executive officers reflects their various roles with our Manager and its affiliates. Decisions with respect to our executive officers' compensation are made based on the compensation policy of Ares Management described above rather than a specific formula to calculate the fixed and variable or incentive pay portion of our named executive officers' compensation.

In order to provide stockholders with additional context in which to consider our named executive officers' compensation in relation to our management fee and incentive fee, we provide an estimate of aggregate compensation of our named executive officers that may reasonably be associated with the company based on the approximate percentage of each of their time spent on our affairs during 2017. Applying such methodology to the compensation of our named executive officers for 2017, the total compensation of our named executive officers reasonably associated with their management of our company is approximately \$2.8 million. Of this compensation, approximately 69.6% was fixed compensation and 30.4% was variable or incentive compensation. See "Certain Relationships and Related Transactions Management Agreement," for more detail regarding the management fee and incentive fee paid pursuant to the Management Agreement.

Equity Compensation

Pursuant to our 2012 Equity Incentive Plan, the compensation committee may, from time to time, grant awards consisting of restricted shares of our common stock, restricted stock units and/or other equity-based awards to qualified directors, officers, advisors, consultants and other personnel, including the named executive officers. These equity-based awards create incentives to improve long-term stock price performance and focus on long-term business objectives, create substantial retention incentives for award recipients and enhance our ability to pay compensation based on our overall performance, each of which further align the interests of the awardees with our stockholders. These equity-based awards are generally subject to time-based vesting requirements designed to achieve strong performance for our Company.

The Board has delegated its administrative responsibilities under our 2012 Equity Incentive Plan to the compensation committee. The charter of the compensation committee provides that it shall approve all awards granted under the plan.

2017 Equity Grants

In April 2017, we granted 81,710 restricted shares of common stock under our 2012 Equity Incentive Plan to Mr. Henderson, our Chief Executive Officer, Chief Investment Officer and President, in connection with his election as an executive officer. These restricted shares of common stock are scheduled to vest in three equal annual installments beginning on the first anniversary of the grant date. In December 2017, we granted 4,474 restricted shares of common stock under our 2012 Equity Incentive Plan to Mr. Yoon, our Chief Financial Officer. The restricted shares of common stock are scheduled to vest ratably on a quarterly basis over a one-year period. In December 2017, we also granted 4,474 restricted shares of common stock under our 2012 Equity Incentive Plan to other personnel of our Manager and its affiliates who support our Manager in providing services to us under our Management Agreement. These restricted shares of common stock are scheduled to vest ratably on a quarterly basis over a one-year period. The Compensation Committee approved these awards in order to, among other things, create incentives for the recipients to improve long term stock price

performance and focus on long term business objectives as described above under " Equity Compensation."

Say-on-Pay Vote

At our annual meeting of stockholders during 2016, we provided our stockholders with the opportunity to vote to approve, on a non-binding, advisory basis, the compensation of the named executive officers. A substantial majority of our stockholders (72%) that voted on this matter at the annual meeting of stockholders approved the compensation of the named executive officers as described in our proxy statement for our annual meeting of stockholders during 2016. The Board and compensation committee reviewed the results of this non-binding, advisory "say-on-pay" vote and consider the results supportive of our compensation policies and decisions.

Say-on-Frequency Vote

At our annual meeting of stockholders during 2013, our stockholders recommended that we hold a non-binding, advisory stockholder vote on the compensation of the named executive officers every three years. In light of this recommendation from our stockholders, as well as other factors, we expect to next hold a stockholder advisory vote with respect to the compensation of the named executive officers at our annual meeting of stockholders in 2019. We will also hold a non-binding, advisory stockholder advisory vote with respect to the frequency with which we conduct our "say-on-pay" votes no later than our annual meeting of stockholders in 2019.

Mr. Yoon's restricted shares vest in four equal quarterly installments in January, April, July and October 2018.

2017 Outstanding Equity Awards at Fiscal Year End

The following table summarizes certain information regarding equity-incentive plan awards outstanding as of the end of the 2017 fiscal year to the named executive officers.

| Name and Principal Position | Stock Awards | |
|-----------------------------|---|--|
| | Number of Shares of Stock That Have Not Vested (#)(1) | Market Value of Shares of Stock That Have Not Vested (\$)(2) |
| James A. Henderson | 81,710 | \$1,054,059 |
| Tae-Sik Yoon | 4,474 | \$57,715 |

(1) The amount in this column represents a grant of restricted shares of common stock pursuant to our 2012 Equity Incentive Plan, which vest in accordance with the terms of the applicable award agreements.

(2) Based on the closing price of our common stock on the last business day of the fiscal year ended December 31, 2017 of \$12.90.

2017 Option Exercises and Stock Vested

No stock options have been granted by us to date. The following table summarizes certain information regarding awards of restricted shares of our common stock that vested during the 2017 fiscal year with respect to the named executive officers.

| Name | Stock Awards | |
|--------------------|--|-----------------------------------|
| | Number of Shares Acquired on Vesting (#) | Value Realized on Vesting (\$)(1) |
| James A. Henderson | | |
| Tae-Sik Yoon | | |

(1) The Value Realized on Vesting column reflects the aggregate value realized with respect to all restricted shares of common stock that vested in fiscal year 2017. The value realized in connection with each vesting of shares of restricted stock is calculated as the number of vested restricted shares multiplied by the closing price of our common stock on the vesting date. The value realized amounts are calculated in accordance with the rules and

regulations of the SEC and may not reflect the amounts ultimately realized by the named executive officer.

Retirement Benefits

The named executive officers received no benefits in the 2017 fiscal year from us under defined pension or defined contribution plans.

Nonqualified Deferred Compensation

We do not have a nonqualified deferred compensation plan that provides for deferral of compensation on a basis that is not tax-qualified for the named executive officers.

Potential Payments Upon Termination or Change in Control

The named executive officers are employees of our Manager or its affiliates and therefore we generally have no obligation to pay them any form of compensation upon their termination of employment, except with respect to any restricted stock agreement entered into between us and such named executive officer. Other than as noted below, these agreements provide that any unvested portion of the award shall be immediately and irrevocably forfeited upon a termination of employment. Upon a change in control (as defined in our 2012 Equity Incentive Plan), the compensation committee may make such adjustments as it, in its discretion, determines are necessary or appropriate in light of the change in control, but only if the compensation committee determines that the adjustments do not have a substantial adverse economic impact on the participants (as determined at the time of the adjustments). In addition, the restricted stock award granted to Mr. Henderson on April 25, 2017 will fully vest if (a) the Company terminates Mr. Henderson's services due to his termination of employment with Ares Operations LLC without Cause (as defined in the restricted stock award agreement) or (b) Mr. Henderson's services are terminated by or at the direction of the Company within six months following a Change in Control of the Company (as defined in the restricted stock award agreement), other than related to a Cause termination by Ares Operations LLC. If the Company terminates Mr. Henderson's services due to Mr. Henderson's termination of his employment with Ares Operations LLC for Good Reason (as defined in the restricted stock award agreement) prior to a Change in Control and on or prior to April 21, 2020, the portion of such restricted stock award that would have vested during the 12 months following such termination will vest.

The following table sets forth information on the potential value of the accelerated restricted stock to Mr. Henderson upon certain terminations or upon a change in control, assuming such termination or change in control occurred on December 31, 2017:

| | Acceleration of Equity Vesting (\$) (1) |
|---|--|
| Termination due to termination of employment with Ares Operations LLC without Cause | \$1,054,059 |
| Termination in connection with a Change in Control | \$1,054,059 |
| Termination due to termination of employment with Ares Operations LLC for Good Reason | \$351,357 |

(1)

Reflects the value of the acceleration of Mr. Henderson's restricted stock, determined based on the closing price of a share of our common stock on December 29, 2017 (the last trading day of the fiscal year), which was \$12.90.

Compensation Policies and Practices as They Relate to Risk Management

We are externally managed and advised by our Manager pursuant to the Management Agreement. Except for grants of restricted shares of common stock described above, we did not pay any compensation of any kind to our named executive officers during the fiscal year ended December 31, 2017. Instead, we pay our Manager a base management fee of 1.5% of our stockholders' equity per year, an incentive fee and expense reimbursements. The management fee may not be increased or revised without the approval of our independent directors. Our compensation committee is charged with overseeing plans and programs related to the compensation of our Manager, including reviewing the performance of and compensation of our Manager. See "Certain Relationships and Related Transactions Management Agreement," for more detail regarding the management fee and incentive fee paid pursuant to the Management Agreement.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Pursuant to Section 16(a) of the Exchange Act our directors and executive officers, and any persons holding 10% or more of our common stock, are required to report their beneficial ownership and any changes therein to the SEC and us. Specific due dates for those reports have been established and we are required to report herein any failure to file such reports by those due dates. Based solely upon a review of Forms 3, 4 and 5 filed by such persons, we believe that each of our directors and executive officers and any persons holding 10% or more of our common stock during the fiscal year ended December 31, 2017 complied with all Section 16(a) filing requirements applicable to them during the relevant period.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We have procedures in place for the review, approval and monitoring of transactions involving us and certain persons related to us. For example, we have a Code of Business Conduct and Ethics and Corporate Governance Guidelines that generally restrict the ability of any of our officers, directors or employees to engage in any transaction where there is a conflict between such individual's personal interest and our interests. In addition, the audit committee is required to review and approve or ratify all related party transactions (as defined in Item 404 of Regulation S-K), unless such transactions are separately approved by a majority of our independent directors. In determining whether to approve or ratify a transaction, the members of the audit committee and our other independent directors will take into account such factors as they deem appropriate. The charter for the audit committee, Code of Business Conduct and Ethics and Corporate Governance Guidelines can be accessed via our website at www.arescre.com.

Management Agreement

We are party to the Management Agreement, pursuant to which our Manager provides for the day-to-day management of our operations. The Management Agreement requires our Manager to manage our business affairs in conformity with the policies and the investment guidelines that may be approved and monitored by the Board. The Management Agreement has a one-year term that expires on May 1, 2018, and will be automatically renewed for successive one-year terms thereafter, unless terminated by either us or our Manager. Our Manager is entitled to receive a termination fee from us under certain circumstances.

We do not reimburse our Manager for the salaries and other compensation of its personnel, except for the allocable share of the salaries and other compensation of our (a) Chief Financial Officer, based on the percentage of his time spent on our affairs and (b) other corporate finance, tax, accounting, internal audit, legal, risk management, operations, compliance and other non-investment professional personnel of our Manager or its affiliates who spend all or a portion of their time managing our affairs based on the percentage of their time spent on our affairs. In addition, we are required to pay our pro rata portion of rent, telephone, utilities, office furniture, equipment, machinery and other office, internal and overhead expenses of our Manager and its affiliates required for our operations.

Pursuant to the terms of the Management Agreement, our Manager is paid a base management fee equal to 1.5% per annum of our stockholders' equity (as defined in our Management Agreement), calculated and payable quarterly in arrears. For the fiscal year ended December 31, 2017, we incurred approximately \$6.2 million in base management fees and \$0.4 million in incentive fees payable to our Manager pursuant to the Management Agreement. In addition, we reimbursed our Manager for approximately \$3.9 million, which amount represented the portion of the allocable expenses payable by us under the Management Agreement for which our Manager sought reimbursement.

Our Manager is a subsidiary of Ares Management, an entity in which certain directors and officers of our Company and members of the Investment Committee of our Manager have ownership and financial interests. Our Manager and Ares Management have agreed that for so long as our Manager is managing us, neither Ares Management nor any of its affiliates will sponsor or manage any other U.S. publicly traded REIT that invests primarily in the same asset classes as us. Ares Management and its affiliates may sponsor or manage another U.S. publicly traded REIT that invests generally in real estate assets but not primarily in our target investments. Other than as described in the immediately preceding sentence, neither Ares Management nor any of our affiliates are otherwise

Edgar Filing: Ares Commercial Real Estate Corp - Form DEF 14A

restricted from sponsoring or managing other funds or any other investment vehicles that are managed by Ares Management. In general, investment opportunities are allocated taking into consideration various factors, including, among others, the relevant investment vehicles' available capital, diversification, their investment objectives or strategies, their risk profiles and their existing or prior positions in an issuer/security, as well as potential conflicts of interest, the nature of the opportunity and market conditions. The investment allocation policy may be amended by Ares Management at any time without our consent.

Co-Investments with other Ares Vehicles

From time to time we may co-invest with other investment vehicles managed by Ares Management or its affiliates and their portfolio companies, including by means of splitting investments, participating in investments or other means of syndication of investments.

Servicing Agreements

Certain of our subsidiaries, along with our lenders under certain of our secured funding facilities have entered into various servicing agreements with our Manager's servicer. Our Manager's servicer has agreed that no servicing fees pursuant to these servicing agreements would be charged to us or our subsidiaries for so long as the Management Agreement remains in effect, but that our Manager's servicer will continue to receive reimbursement for overhead related to servicing and operational activities pursuant to the terms of the Management Agreement.

Registration Rights Agreement

We are a party to a registration rights agreement with regard to shares held from time to time by Ares Investments Holdings LLC ("Ares Investments"), a subsidiary of Ares Management, and its affiliates, which we refer to as the registrable shares. Pursuant to the registration rights agreement, we granted Ares Investments and its direct and indirect transferees:

unlimited demand registration rights to have the registrable shares registered for resale; and

in certain circumstances, the right to "piggy-back" the registrable shares in registration statements we might file in connection with any future public offering.

Notwithstanding the foregoing, any registration is subject to cutback provisions, and we are permitted to suspend the use, from time to time, of the prospectus that is part of the registration statement (and therefore suspend sales under the registration statement) for certain periods, referred to as "blackout periods."

"Ares" License Agreement

We have entered into a license agreement with Ares Management, pursuant to which it granted us a non-exclusive, royalty-free license to use the name "Ares." Under this agreement, we have a right to use this name for so long as Ares Commercial Real Estate Management LLC remains our Manager. This license agreement may be terminated by either party without penalty upon 180 days' written notice to the other.

Director and Officer Indemnification and Liability Insurance

We purchase directors' and officers' liability insurance on behalf of our directors and officers. In addition, we have entered into indemnification agreements with each of our current directors and executive officers and intend to enter into indemnification agreements with each of our future directors and executive officers. The indemnification agreements provide these directors and executive officers the maximum indemnification permitted under Maryland law. The agreements provide, among other things, for the advancement of expenses and indemnification for liabilities which such person may incur by reason of his or her status as a present or former director of our Company in any action or proceeding arising out of the performance of such person's services as a present or former director or executive officer of our Company.

STOCKHOLDER NOMINATIONS AND PROPOSALS FOR THE 2019 ANNUAL MEETING

Stockholders may present proper nominations of candidates for director or other proposals for inclusion in our proxy statement and proxy card for consideration at the next annual meeting of stockholders by submitting such nominations or proposals in writing to our Secretary in a timely manner, calculated in the manner provided in Rule 14a-8(e) of the Exchange Act, applicable state law and our Charter and Bylaws.

Deadlines for Submitting Stockholder Proposals for Inclusion in the Company's Proxy Statement and Proxy Card

To be considered timely under Rule 14a-8(e) of the Exchange Act for inclusion in our proxy statement and proxy card for a regularly scheduled annual meeting, a stockholder's proposal must be received at our principal executive offices not less than 120 calendar days before the anniversary of the date our proxy statement was released to stockholders for the previous year's annual meeting. Accordingly, a stockholder's proposal must be received no later than December 28, 2018 in order to be included in our proxy statement and proxy card for the 2019 annual meeting of stockholders.

Deadlines for Submitting Notice of Stockholder Proposals for Consideration at the Company's 2019 Annual Meeting

The deadline for submitting notice of a stockholder's nomination of a candidate for director or other proposal for consideration at the 2019 annual meeting of stockholders under the current Bylaws, is not earlier than the 150th day prior to the first anniversary of the date of release of the proxy statement for the preceding year's annual meeting nor later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the date of release of the proxy statement for the preceding year's annual meeting; *provided, however*, that in the event that the date of the annual meeting is advanced or delayed by more than 30 days from the anniversary of the date of the preceding year's annual meeting, notice by the stockholder to be timely must be delivered not earlier than the 150th day prior to the date of such annual meeting and not later than 5:00 p.m., Eastern Time, on the later of (1) the 120th day prior to the date of such annual meeting or (2) the tenth day following the day on which public announcement of the date of such meeting is first made. Accordingly, a stockholder's nomination of a candidate for director or other proposal must be received no earlier than November 28, 2018 and no later than 5:00 p.m., Eastern Time, on December 28, 2018 in order to be considered at the 2019 annual meeting of stockholders. In order to be considered timely, such notice shall be delivered to the Secretary at our principal executive office and shall set forth all information required under Section 11 of Article II of the Bylaws.

ANNUAL REPORT AVAILABLE

A copy of our 2017 Annual Report containing audited financial statements accompanies this proxy statement.

We will provide to each stockholder a copy (without exhibits, unless otherwise requested) of our Annual Report free of charge. Requests should be directed to the Investor Relations Department at Ares Commercial Real Estate Management, 245 Park Avenue, 42nd Floor, New York, NY 10167. Copies of these documents may also be accessed electronically by means of the SEC's home page on the internet at <http://www.sec.gov>. The Annual Report is not part of the proxy solicitation materials.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

This year a number of brokers with account holders who are our stockholders will be "householding" its proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. If you have received notice from your broker that it will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. We will promptly deliver a separate copy of these documents to you upon written or oral request to our Investor Relations Department at Ares Commercial Real Estate Management, 245 Park Avenue, 42nd Floor, New York, NY 10167 or 888-818-5298. If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate proxy statement and annual report, please notify your broker. Stockholders who currently receive multiple copies of the proxy statement and annual report at their addresses and would like to request "householding" of their communications should contact their brokers.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Stockholders to be held on June 11, 2018: The Notice of Annual Meeting, Proxy Statement and the Company's 2017 Annual Report are available at:
<http://materials.proxyvote.com/04013V>.

OTHER MATTERS

The Board is not aware of any other matters to be presented at the Annual Meeting or at any adjournment or postponement thereof. Should any other matter requiring a vote of stockholders arise, it is the intention of the persons named in the proxy to vote in accordance with their discretion on such matters.

You are cordially invited to attend the Annual Meeting in person. Whether or not you plan to attend the Annual Meeting, you are requested to promptly submit your proxy voting instructions.

4.

ADMINISTRATION.

(a)

Appointment of Committee. The Board shall appoint a Committee to administer the Plan. If no Committee is designated by the Board to act for those purposes or the Board otherwise so elects, the full Board shall have the rights and responsibilities of the Committee.

(b)

Committee Actions. The acts of a majority of the members present at any meeting of the Committee at which a quorum is present, or acts approved in writing by a majority of the entire Committee, shall be the acts of the Committee.

(c)

Grant of Awards. The Committee shall from time to time at its discretion select the Eligible Persons who are to receive Grants and determine the number and type of Grants to be awarded to an Eligible Person. In particular, the Committee shall (A) determine the terms and conditions, not inconsistent with the terms of the Plan, of any Grants awarded hereunder (including the periods applicable to the award of Grants); (B) determine the time or times when and the manner and condition in which each Option shall be exercisable; and (C) determine or impose other conditions on any Grant or on the exercise of Options as it may deem appropriate. Unless expressly prohibited hereunder, the Committee, with respect to any Grant, may exercise its discretion hereunder at the time of the award or thereafter. The Grantee shall take whatever additional actions and execute whatever additional documents the Committee may deem necessary or advisable in order to carry out or effect one or more of the obligations or restrictions imposed on the Grantee pursuant to the provisions of the Plan and any Award Agreement.

(d)

Award Agreements. Grants shall be evidenced by written Award Agreements in such form as the Committee shall from time to time determine (which Award Agreements need not be in the same form as any other Award Agreement and need not contain terms and conditions identical to those applicable to any other Grant).

(e)

Committee Authority. Without limiting the foregoing, subject to the terms and conditions of the Plan and consistent with the Company's intention for the Committee to exercise the greatest permissible flexibility under Rule 16b-3 under the Exchange Act in awarding Grants, the Committee shall have the power:

(i)

to correct any defect, supply any omission or reconcile any inconsistency in the Plan, any Award Agreement, or any related agreement;

- (ii) to amend any outstanding Grant if such amendment does not materially impair the Grantee's rights under such Grant, to accelerate the vesting or extend the period of exercisability of any Grant (in compliance with Section 409A of the Code) or to waive conditions or restrictions on any Grant; provided that the Exercise Price of an Option may not be lowered (except pursuant to Section 13), directly or indirectly, without stockholder approval;
 - (iii) to determine the circumstances, if any, upon which a Grant shall be subject to forfeiture in whole or in part as a result of a breach by the Grantee of a provision or covenant (whether in the Plan, the Award Agreement, or any other agreement between the Grantee and a Participating Company) to which the Grantee is subject, or otherwise; and

- (f) Committee Decisions Binding. The Committee may establish rules, regulations and procedures for the administration of the Plan and take any other actions and make any other determinations or decisions in connection with the Plan or the administration or interpretation thereof. The Committee shall have the right and responsibility to interpret the Plan, and the interpretation and construction by the Committee of any provision of the Plan or of any Grant, including in the event of a dispute, shall be final and binding on all Grantees and other persons. Without limiting the generality of Section 22, no member of the Committee shall be liable for any action or determination made in good faith with respect to the Plan or any Grant.

5.

PARTICIPATION.

- (a) Eligibility. Only Eligible Persons shall be eligible to receive Grants.
- (b) Limitation of Ownership. No Grants shall be issued to any person who after such Grant would beneficially own more than 9.8% in value of the aggregate outstanding shares of Capital Stock of the Company or 9.8% (in value or in number of shares, whichever is more restrictive) of any class or series of shares of Capital Stock, unless the foregoing restriction is expressly and specifically waived by the Board. For purposes of this Section 5(b), a Grantee shall be considered as beneficially owning the stock owned, directly or indirectly, that would be treated as owned through the application of Section 544 of the Code, as modified by

Section 856(h)(1)(B) of the Code. In addition, no Eligible Person will be permitted to acquire, or will have any right to acquire, Shares, if such acquisition would be prohibited by any share ownership limitations contained in the charter or bylaws of the Company or would impair the Company's status as a real estate investment trust.

(c)

Aggregate Limits on Grants to Outside Directors. The maximum number of shares of Common Stock subject to all Grants during any one year to any outside director, taken together with any cash retainer paid to such outside director in respect of such fiscal year, shall not exceed \$500,000 in total value (calculating the value of any such Grants based on the grant date fair value of such Grants for financial reporting purposes and excluding, for this purpose, the value of any dividends or dividend equivalents paid on any shares of Common Stock or Grants).

6.

STOCK. Subject to adjustments pursuant to Section 13, no Grant may cause the total number of shares of Common Stock subject to all outstanding awards to exceed 1,476,625 shares of Common Stock (the "Share Reserve"). Subject to adjustments pursuant to Section 13, the maximum number of shares of Common Stock underlying Grants that may be awarded in any one year to any Grantee is 500,000. Without limiting the preceding sentence, the maximum number of shares of Common Stock with respect to which Options may be granted in any one year to any Grantee is 500,000. The maximum number of shares of Common Stock with respect to which Incentive Stock Options may be granted over the life of the Plan is a number equal to the Share Reserve. Notwithstanding the first sentence of this Section 6, (a) Shares that have been granted as Restricted Stock or that have been reserved for distribution in payment for Options or Restricted Stock Units but are later forfeited or for any reason or otherwise are not payable under the Plan, (b) Shares underlying an Option that remains unexercised at the expiration, forfeiture or other termination of such Option, and (c) Shares underlying Restricted Stock Units that are settled in cash, may again be made subject to Grants. Shares of Common Stock issued hereunder may consist, in whole or in part, of authorized and unissued shares, treasury shares, or Shares previously issued but forfeited under the Plan. The certificates for Shares issued hereunder may include any legend that the Committee deems appropriate to reflect any restrictions on transfer hereunder or under the Award Agreement, or as the Committee may otherwise deem appropriate.

7.

TERMS AND CONDITIONS OF OPTIONS.

(a)

Exercise Price. Each Award Agreement evidencing an Option shall state the Exercise Price, which shall not be less than the Fair Market Value on the date of Grant.

(b)

Vesting; Term. Each Award Agreement evidencing an Option shall state the time or times at which all or a part thereof becomes exercisable. The term of each Option shall be ten years (or such shorter term as set forth in the applicable Award Agreement), and in no event may an Option be exercised after its term.

(c)

Payment of Purchase Price. Except as may otherwise be provided below, the Purchase Price for each Option granted to an Eligible Person shall be payable in full in United States dollars upon the exercise of the Option. In the event the Company determines that it is required to withhold taxes as a result of the exercise of an Option, as a condition to the exercise thereof, an Employee may be required to make arrangements satisfactory to the Company to enable it to satisfy such withholding requirements in accordance with Section 19. Notwithstanding the foregoing, the Committee may permit the Purchase Price to be paid in one or a combination of the following:

(i)

by a certified or bank cashier's check;

(ii)

by the surrender of Shares owned by the person exercising the Option and having a Fair Market Value on the date of exercise equal to the Purchase Price; provided, that the Grantee represents and warrants to the Company that the Grantee holds the Shares free and clear of liens and encumbrances;

(iii)

by reduction of the Shares issuable upon exercise of the Option;

(iv)

by broker-assisted cashless exercise using a broker reasonably acceptable to the Company, pursuant to which the Grantee delivers to the Company, on or prior to the exercise date, the Grantee's instruction directing and obligating the broker to (A) sell Shares (or a sufficient portion of the Shares) acquired upon exercise of the Option and (B) remit to the Company a sufficient portion of the sale proceeds to pay the Purchase Price, no later than the third trading day after the exercise date; or

(v)

by any combination of such methods of payment or any other method acceptable to the Committee.

The Committee may impose such limitations and prohibitions on the exercise of Options as it deems appropriate, including any limitation or prohibition designed to avoid accounting consequences that may result from the use of Shares as payment upon exercise of an Option. Fractional Shares shall not be accepted as payment of the Purchase Price.

(d)

Transferability.

(i)

No Option shall be assignable or transferable, except by will or the laws of descent and distribution of the state wherein the Grantee is domiciled at the time of his or her death; provided that the Committee may (but need not) permit other transfers, where the Committee concludes that such transferability (A) does not result in accelerated taxation to the Optionee, (B) does not cause any Option intended to be an Incentive Stock Option to fail to be described in Section 422(b) of the Code and (C) is otherwise appropriate and desirable.

(ii)

No Option shall be exercisable except by the Grantee or a transferee permitted hereunder.

(e)

Termination of Service, Other Than by Death, Disability or for Cause. Unless otherwise provided in the applicable Award Agreement, upon Termination of Service for any reason other than his or her death or Disability, or a Cause Termination, all Options shall cease vesting, and an Optionee shall have the right, subject to the restrictions of Section 4(c), to exercise the vested portion of the Option at any time within 90 days after Termination of Service. Any unvested portion of the Option shall be cancelled upon Termination of Service.

(f)

Death of Optionee. Unless otherwise provided in the applicable Award Agreement, upon Termination of Service on account of death, or if the Optionee dies within 90 days after a Termination of Service other than a Cause Termination, all Options shall cease vesting, and the Successors of the Optionee shall have the right, subject to the restrictions of Section 4(c), to exercise the vested portion of the Option at any time within 12 months after the Optionee's death (or 12 months after the Optionee's Termination of Service, if sooner). Any unvested portion of the Option shall be cancelled upon Termination of Service.

(g)

Disability of Optionee. Unless otherwise provided in the Award Agreement, upon Termination of Service on account of his or her Disability, all Options shall cease vesting, and an Optionee shall have the right, subject to the restrictions of Section 4(b), to exercise the vested portion of the Option at any time within 12 months after Termination of Service. Any unvested portion of the Option shall be cancelled upon Termination of Service.

(h)

Cause Termination. Unless otherwise provided in the applicable Award Agreement, upon a Cause Termination all Options, whether vested or unvested, automatically shall be cancelled.

(i)

Rights as a Stockholder. An Optionee or a Successor of the Optionee shall have no rights as a stockholder with respect to any Shares covered by his or her Grant until the Option is exercised, the full Purchase Price thereof is paid, and all related withholding taxes are satisfied. No adjustment shall be made for dividends (ordinary or extraordinary, whether in cash, securities or other property), distributions or other rights for which the record date is prior to the date the conditions in the foregoing sentence are satisfied.

(j)

Modification and Extension of Option. Notwithstanding Sections 7(e) through (h), the Committee may extend the exercise period of an Option (but not beyond its maximum term), taking into consideration Rule 16b-3 under the Exchange Act and Section 409A of the Code. The Committee also may modify an Option, as required by applicable law or regulation, to meet the requirements of any accounting standard, to correct an administrative error or otherwise; provided that no such modification may, without such Optionee's consent, materially impair the rights of an Optionee under any Option previously granted.

(k)

Except as set forth in Sections 13(a) and 13(b), the Committee may not, without obtaining approval of the requisite percentage of the holders of the Common Stock and only to the extent permitted by Section 409A: (i) amend the terms of outstanding Options to reduce the exercise price of such outstanding Options; (ii) cancel outstanding Options in exchange for or substitution of Options with an exercise price that is less than the exercise price of the original Options; or (iii) cancel outstanding Options with an exercise price above the current share price in exchange for cash or other securities.

(l)

Other Provisions. The Award Agreement authorized under the Plan may contain such other provisions not inconsistent with the terms of the Plan as the Committee shall deem advisable.

8.

SPECIAL RULES FOR INCENTIVE STOCK OPTIONS.

(a)

Each Incentive Stock Option shall be designated as such in the applicable Award Agreement.

(b)

The aggregate Fair Market Value (determined as of the date of grant thereof) of the Shares with respect to which Incentive Stock Options become exercisable by any Optionee for the first time during any calendar

year (under the Plan and all other plans) required to be taken into account under Section 422(d) of the Code shall not exceed \$100,000.

(c)

In the case of an individual described in Section 422(b)(6) of the Code (relating to certain 10% owners), the Exercise Price with respect to an Incentive Stock Option shall not be less than 110% of the Fair Market Value of a Share on the day the Option is granted and the term of an Incentive Stock Option shall be no more than five years from the date of grant.

(d)

If Shares acquired upon exercise of an Incentive Stock Option are disposed of in a disqualifying disposition within the meaning of Section 422 of the Code by an Optionee, such Optionee shall notify the Company in writing as soon as practicable thereafter of the date and terms of such disposition and, if the Company thereupon has a tax-withholding obligation, shall pay to the Company (or otherwise provide for as permitted by the Committee) an amount equal to any withholding tax the Company is required to pay as a result of the disqualifying disposition.

9.

PROVISIONS APPLICABLE TO RESTRICTED STOCK.

(a)

Vesting. The Committee shall establish vesting criteria, whether based on continuous service for a period of time or on the level of achievement of performance conditions or both, with respect to the Shares of Restricted Stock granted, which shall be set forth in the applicable Award Agreement.

(b)

Purchase Price. The Committee may, as reflected by the terms of the applicable Award Agreement, provide a specified purchase price for the Restricted Stock (whether or not the payment of a purchase price is required by any state law applicable to the Company).

(c)

Certificates.

(i)

Each Grantee of Restricted Stock may be issued a stock certificate in respect of Shares of Restricted Stock awarded under the Plan. In addition to any legend that might otherwise be required by the Board or the Company's charter, bylaws or other applicable documents, certificates for Shares of Restricted Stock issued hereunder may include any legend that the Committee deems appropriate to reflect any restrictions on transfer hereunder or under the applicable Award Agreement, or as the Committee may otherwise deem appropriate, and, without limiting the generality of the foregoing, shall bear a legend referring to the terms, conditions,

and restrictions applicable to such Grant, substantially in the following form:

THE TRANSFERABILITY OF THIS CERTIFICATE AND THE SHARES OF STOCK REPRESENTED HEREBY ARE SUBJECT TO THE TERMS AND CONDITIONS (INCLUDING FORFEITURE) OF THE ARES COMMERCIAL REAL ESTATE CORPORATION AMENDED AND RESTATED 2012 EQUITY INCENTIVE PLAN, AND AN AWARD AGREEMENT ENTERED INTO BETWEEN THE REGISTERED OWNER AND ARES COMMERCIAL REAL ESTATE CORPORATION. COPIES OF SUCH PLAN AND AWARD AGREEMENT ARE ON FILE IN THE PRINCIPAL OFFICES OF ARES COMMERCIAL REAL ESTATE CORPORATION.

(ii)

The Committee may require that any stock certificates evidencing such Shares be held in custody by the Company until the restrictions hereunder shall have lapsed and that, as a condition of any grant of Restricted Stock, the Grantee shall have delivered a stock power, endorsed in blank, relating to the Shares covered by such Grant. If and when such restrictions so lapse, the stock certificates shall be delivered by the Company to the Grantee or his or her designee, subject to Section 9(d).

(iii)

For purposes of clarity, nothing contained in the Plan shall preclude the use of any non-certificated method of evidencing ownership that the Committee determines to be appropriate, including book entry.

(d)

Restrictions and Conditions. Unless otherwise provided by the Committee in an Award Agreement, Restricted Stock awarded pursuant to the Plan shall also be subject to the following restrictions and conditions:

(i)

During a period commencing with the date of issuance of such Shares and ending on the date the period of forfeiture with respect to such Shares lapses pursuant to the Plan or the applicable Award Agreement, the Grantee shall not be permitted to sell, transfer, pledge, anticipate, alienate, encumber or assign Restricted Stock (or have such Shares attached or garnished). The period of forfeiture with respect to Restricted Stock shall lapse as provided in the applicable Award Agreement. Notwithstanding the foregoing, unless otherwise expressly provided by the Committee, the period

of forfeiture with respect to such Restricted Stock shall only lapse as to whole Shares.

- (ii) Unless otherwise provided in the applicable Award Agreement, the Grantee shall have, in respect of the Restricted Stock, all of the rights of a stockholder of the Company, including the rights to vote the Shares and receive dividends.
- (iii) Unless otherwise provided in the applicable Award Agreement, if the Grantee has a Termination of Service for any reason, then all Restricted Stock still subject to restriction shall thereupon, and with no further action, be forfeited by the Grantee.
- (iv) The Committee may impose such other restrictions and conditions on the grant or vesting of Restricted Stock as it deems appropriate, not inconsistent with the terms of the Plan.

10.

PROVISIONS APPLICABLE TO RESTRICTED STOCK UNITS.

- (a) Term. The Committee may provide in an Award Agreement that any particular Restricted Stock Unit shall expire at the end of a specified term.
- (b) Vesting; Other Restrictions.
 - (i) Subject to the provisions of the applicable Award Agreement and Section 10(b)(ii), Restricted Stock Units shall vest as provided in the applicable Award Agreement. The Committee may impose such other conditions or restrictions on Restricted Stock Units as it deems appropriate, not inconsistent with the Plan.
 - (ii) Unless otherwise provided by the applicable Award Agreement, in the event that a Grantee has a Termination of Service, any and all of the Grantee's Restricted Stock Units that have not vested prior to or as of such termination shall thereupon, and with no further action, be forfeited and cease to be outstanding.
- (c) Settlement of Restricted Stock Units.
 - (i) Upon vesting or at a pre-specified time thereafter, each vested Restricted Stock Unit shall be settled by the transfer to the Grantee of one Share; provided that the Committee at the time of grant (or thereafter) may provide that a Restricted Stock Unit may be settled (A) in cash at the applicable Fair Market Value of one Share at the time of vesting of such Restricted Stock Unit, (B) in cash or by transfer of Shares as elected by the Grantee in accordance with

procedures established by the Committee (if any) or (C) in cash or by transfer of Shares as elected by the Company.

(d)

Other Restricted Stock Unit Provisions.

(i)

Except as permitted by the Committee, rights to payments with respect to Restricted Stock Units granted under the Plan shall not be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, attachment, garnishment, levy, execution, or other legal or equitable process, either voluntary or involuntary; and any attempt to anticipate, alienate, sell, transfer, assign, pledge, encumber, attach or garnish, or levy or execute on any right to payments or other benefits payable hereunder, shall be void.

(ii)

A Grantee may designate in writing, on forms to be prescribed by the Committee, a beneficiary or beneficiaries to receive any payments payable on account of vested Restricted Stock Units after his or her death and may amend or revoke such designation at any time. If no beneficiary designation is in effect at the time of a Grantee's death, payments hereunder shall be made to the Grantee's estate.

(iii)

The Committee may (taking into account, without limitation, Section 409A of the Code) establish a program under which distributions with respect to Restricted Stock Units may be deferred.

(iv)

Notwithstanding any other provision of this Section 10, any fractional Restricted Stock Units will be settled in cash.

(v)

No Restricted Stock Unit shall give any Grantee any rights with respect to Shares or any ownership interest in the Company; provided, that the Committee may confer the right to dividends or dividend equivalents to the Grantee of a Restricted Stock Unit either in the form of additional Restricted Stock Units equal in value to such dividends, or in cash or in kind. No provision of the Plan shall be interpreted to confer upon any Grantee of a Restricted Stock Unit any voting rights with respect to any Restricted Stock Unit.

(vi)

The holder of Restricted Stock Units shall have no rights other than those of a general creditor of the Company. Restricted Stock Units represent an unfunded and unsecured obligation of the Company,

subject to the terms and conditions of the applicable Award Agreement.

11.

OTHER EQUITY-BASED AWARDS. The Board shall have the right to grant other awards based upon the Common Stock having such terms and conditions as the Board may determine, including the grant of Shares based upon certain conditions, the grant of securities convertible into Common Stock, the grant of standalone dividend equivalents, and the grant of phantom Shares, provided that in the event that the Board grants stock appreciation rights, the provisions of Section 7(k) shall apply to such stock appreciation rights.

12.

TERM OF PLAN. The Plan shall terminate on, and no Grant shall be awarded on or after, the ten-year anniversary of the Amendment Effective Date, unless earlier terminated in accordance with Section 17.

13.

RECAPITALIZATION AND CHANGES OF CONTROL.

(a)

Subject to any required action by stockholders and to the specific provisions of Section 13(b) and Section 14, if (A) the Company shall at any time be involved in a merger, consolidation, dissolution, liquidation, reorganization, exchange of shares, sale of all or substantially all of the assets or stock of the Company or a transaction similar thereto, (B) any stock dividend, stock split, reverse stock split, stock combination, reclassification, recapitalization or other similar change in the capital structure of the Company, or any distribution to holders of Common Stock other than cash dividends, shall occur or (C) any other event shall occur which in the judgment of the Committee necessitates action by way of adjusting the terms of the outstanding Grants, then:

(i)

the maximum aggregate number of Shares that may be made subject to Grants, and each of the other limits described in Section 6, shall be appropriately adjusted by the Committee;

(ii)

the Committee shall take any such action as shall be necessary to maintain each Grantee's economic interests in his or her Grants, including by making adjustments in (A) the number of Options, Shares of Restricted Stock and Restricted Stock Units (and other Grants under Section 11) granted, (B) the kind of securities or other property underlying such Grants, (C) the Exercise Price and (D) the performance-based criteria established in connection with Grants; provided, that in the discretion of the Committee, the foregoing clause (D) may also be applied in the case of any event relating to a Subsidiary if the event would have been covered under this Section 13(a) had the event related to the Company; and

(iii)

any Shares or other securities distributed to a Grantee with respect to Restricted Stock or otherwise issued in adjustment of Restricted Stock pursuant to Section 13(a) shall be subject to the applicable restrictions and requirements imposed by Section 9, including the requirements to deposit the certificates therefor with the Company together with a stock power and to legend such certificates.

(b)

Notwithstanding Section 13(a), and subject to any required action by stockholders and to the specific provisions of Section 14, upon the occurrence of a Change in Control, the Committee as constituted immediately before the Change in Control may make such adjustments or take such other actions with respect to Grants as it determines are appropriate in light of the Change in Control (including the substitution of equity securities other than stock of the Company as the stock underlying Grants, acceleration of the exercisability or vesting of Grants, or cancellation of Options in return for payment equal to the Fair Market Value of Shares subject to such Options as of the date of the Change in Control less the Exercise Price applicable thereto (which payment amount may be zero)), if any, provided that the Committee determines that such adjustments or other actions do not have a substantial adverse economic impact on the Grantee as determined at the time of the adjustments. The Committee also may reduce payments to a Grantee, or provide that a Grantee's Grants that otherwise would vest will not so vest, in each case in connection with a Change in Control, where such Grantee would be a "disqualified individual" within the meaning of Section 280G of the Code and would be subject to the 20% excise tax imposed by such section.

14.

EFFECT OF CERTAIN TRANSACTIONS. Upon the occurrence of (a) the dissolution or liquidation of the Company, (b) a merger, consolidation, reorganization or other business combination in which the Company is acquired by another entity or in which the Company is not the surviving entity, or (c) any sale, lease, exchange or other transfer (in one transaction or a series of transactions contemplated or arranged by any party as a single plan) of all or substantially all of the assets of the Company, the Plan and the Grants issued hereunder shall terminate, unless provision is made in connection with such transaction for the assumption of such Grants, or the substitution for such Grants of new Grants, by the successor entity or parent thereof, with appropriate adjustment as to the number and kind of shares and the per share exercise prices, as provided in Section 13. In the event of such termination, (i) all outstanding Options and other Grants subject to exercise shall be exercisable to the extent then vested (taking into account any accelerated vesting provided by the Committee) for at least ten days prior to the date of such termination and (ii) all other Grants shall be settled, to the extent then-vested.

15.

SECURITIES LAW REQUIREMENTS.

(a)

Legality of Issuance. The award of any Grant and the issuance of any Shares pursuant to Grants shall be contingent upon the following:

(i)

complying with all applicable laws, rules and regulations, including all applicable federal and state securities laws, and the obtaining of all such approvals by governmental agencies as may be deemed necessary or appropriate by the Committee;

(ii)

the listing, registration, qualification, consent or approval of Shares or of the offer or sale of Shares underlying Grants has been effected or obtained free of any conditions in a manner acceptable to the Committee, to the extent that the Committee at any time determines that such listing, registration or qualification is required by any securities exchange or under any state or federal law, or such consent or approval of any governmental regulatory body is necessary or desirable.

(b)

Restrictions on Transfer. Regardless of whether the offering and sale of Shares under the Plan has been registered under the Act or has been registered or qualified under the securities laws of any state, the Company may impose restrictions on the sale, pledge or other transfer of such Shares (including the placement of appropriate legends on any stock certificates) if, in the judgment of the Company and its counsel, such restrictions are necessary or desirable in order to achieve compliance with the provisions of the Act, the securities laws of any state or any other law. In the event that the offering and sale of Shares under the Plan is not registered under the Act but an exemption is available that requires an investment representation or other representation, each Grantee shall be required to represent that such Shares are being acquired for investment, and not with a view to the sale or distribution thereof, and to make such other representations as are deemed necessary or appropriate by the Company and its counsel. Any determination by the Company and its counsel in connection with any of the matters set forth in this Section 15 shall be conclusive and binding on all persons. Any stock certificates evidencing Shares acquired under the Plan pursuant to an unregistered transaction shall bear a restrictive legend, substantially in the following form, and such other restrictive legends as are required or deemed advisable under the provisions of any applicable law:

"THE SALE OF THE SECURITIES REPRESENTED
HEREBY HAS NOT BEEN REGISTERED UNDER THE
SECURITIES ACT OF 1933 (THE "ACT"). ANY

A-20

TRANSFER OF SUCH SECURITIES WILL BE INVALID UNLESS A REGISTRATION STATEMENT UNDER THE ACT IS IN EFFECT AS TO SUCH TRANSFER OR IN THE OPINION OF COUNSEL FOR THE ISSUER SUCH REGISTRATION IS UNNECESSARY IN ORDER FOR SUCH TRANSFER TO COMPLY WITH THE ACT."

- (c) Registration or Qualification of Securities. The Company may, but shall not be obligated to, register or qualify the issuance of Grants or the sale of Shares under the Act or any other applicable law. The Company shall not be obligated to take any affirmative action in order to cause the issuance of Grants or the sale of Shares under the Plan to comply with any law.
- (d) Exchange of Certificates. If, in the opinion of the Company and its counsel, any legend placed on a stock certificate representing Shares sold under the Plan no longer is required, the holder of such certificate shall, with the permission of the Committee, be entitled to exchange such certificate for a certificate representing the same number of Shares but lacking such legend.

16.

COMPLIANCE WITH SECTION 409A OF THE CODE.

- (a) Any Award Agreement that is subject to Section 409A of the Code shall include such additional terms and conditions as may be required to satisfy the requirements of Section 409A of the Code.
- (b) With respect to any Grant that is subject to Section 409A of the Code, and with respect to which a payment or distribution is to be made upon a Termination of Service, if the Grantee is determined by the Company to be a "specified employee" within the meaning of Section 409A(a)(2)(B)(i) of the Code and the Company's stock is publicly traded on an established securities market or otherwise, such payment or distribution, to the extent it would constitute a payment of nonqualified deferred compensation within the meaning of Section 409A of the Code that is ineligible for an exemption from treatment as such, may not be made before the date that is six months after the date of Termination of Service (to the extent required under Section 409A of the Code).
- (c) It is the intention of the Board and the Committee that the Plan be operated and administered in compliance with Section 409A of the Code or any exemption thereto. Notwithstanding the foregoing, nothing contained herein shall be deemed to provide assurances or an indemnity to any Grantee regarding his or her personal tax treatment.

17.

AMENDMENT AND TERMINATION OF THE PLAN. The Board may from time to time, with respect to any Shares at the time not subject to Grants, suspend or discontinue the Plan or revise or amend it in any respect whatsoever, taking into account applicable laws, regulations, exchange and accounting rules. The Board may otherwise amend the Plan or terminate the Plan before the ten-year anniversary of the Amendment Effective Date, except that no such amendment or termination may materially impair the rights of a Grantee under an award previously granted without the Grantee's consent, unless effected to comply with applicable law or regulation or to meet the requirements of any accounting standard or to correct an administrative error.

18.

APPLICATION OF FUNDS. The proceeds received by the Company from the sale of Shares pursuant to the exercise of an Option, the sale of Restricted Stock or in connection with other Grants under the Plan will be used for general corporate purposes.

19.

TAX WITHHOLDING. Each Grantee shall, no later than the date as of which any amount attributable to any Grant first becomes includable in the gross income of the Grantee for federal income tax purposes, pay to the Company, or make arrangements satisfactory to the Company regarding payment of, any federal, state, local or other taxes of any kind that are required by law to be withheld with respect to such amount. To the extent permitted by the Committee from time to time, a Grantee may elect to have such tax withholding satisfied, in whole or in part, by (a) authorizing the Company to withhold a number of Shares to be issued pursuant to a Grant with a Fair Market Value as of the date of such withholding equal to the amount of the required withholding tax, (b) transferring to the Company Shares owned by the Grantee with a Fair Market Value equal to the amount of the required withholding tax, or (c) in the case of a Grantee who is an Employee of the Company at the time such withholding is effected, by withholding from the Grantee's cash compensation. Notwithstanding anything contained in the Plan to the contrary, the Grantee's satisfaction of any tax withholding requirements imposed by the Committee shall be a condition precedent to the Company's obligation to issue Shares to the Grantee, and the failure of the Grantee to satisfy such requirements with respect to a Grant shall cause such Grant to be forfeited.

20.

NOTICES. All notices under the Plan shall be in writing, and if to the Company, shall be delivered to the Board or mailed to its principal office, addressed to the attention of the Committee; and if to the Grantee, shall be delivered personally or mailed to the Grantee at the address appearing in the records of the Participating Company.

21.

RIGHTS TO EMPLOYMENT OR OTHER SERVICE. Nothing in the Plan or in any Grant shall confer on any person any right to continue in the employ or other

service of the Participating Company or interfere in any way with the right of the Participating Company and its stockholders to terminate such person's employment or other service at any time.

22.

EXCULPATION AND INDEMNIFICATION. To the maximum extent not prohibited by law, the Company shall indemnify and hold harmless the members of the Board and the members of the Committee, in each case as constituted from time to time, from and against any and all liabilities, costs and expenses (including attorneys' fees) incurred by such persons as a result of any act or omission in connection with the performance of such person's duties, responsibilities and obligations under the Plan, other than such liabilities, costs and expenses as may result from the bad faith or fraud of such persons.

23.

CAPTIONS; CONSTRUCTION. The use of captions in the Plan is for convenience. The captions are not intended to provide substantive rights. Wherever any words are used in the Plan in the masculine gender they shall be construed as though they were also used in the feminine gender in all cases where they would so apply. As used herein, (a) "or" means "and/or" and (b) "including" or "include" means "including, without limitation."

24.

GOVERNING LAW. THE PLAN SHALL BE GOVERNED BY THE LAWS OF MARYLAND, WITHOUT REFERENCE TO PRINCIPLES OF CONFLICT OF LAWS.

25.

REGIONAL VARIATION. The Committee reserves the right to authorize the establishment of, and to make Grants pursuant to, annexes, sub-plans or other supplementary documentation as the Committee deems appropriate in light of local law, rules and customs.
