2U, INC.
PROXY STATEMENT
FOR THE 2018 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON JUNE 26, 2018

INTRODUCTION

The annual meeting of stockholders (the "*Meeting*") of 2U, Inc., a Delaware corporation ("*2U*," "*we*," "*us*," "*our*," or the "*Company*"), will be held on June 26, 2018, beginning at 2:00 p.m., local time, at 7900 Harkins Road, Lanham, Maryland 20706. We encourage all of our stockholders to vote, and we hope that the information contained in this document will help you decide how you wish to vote.

Except as specifically indicated in the notice, the Board of Directors of the Company (the "*Board*") does not intend to bring any matter before the Meeting and does not know of anyone else who intends to do so. If any other matters properly come before the Meeting, however, the persons named in the enclosed proxy, or their duly constituted substitutes acting at the Meeting, will be authorized to vote or otherwise act thereon in accordance with their judgment on such matters. If the enclosed proxy is properly executed and returned to, and received by, the Company prior to voting at the Meeting, the shares represented thereby will be voted in accordance with the instructions marked thereon. In the absence of instructions, the shares will be voted "FOR" the election of each of the four Class I directors listed in Proposal One, nominated by the Board, to serve on the Board until the Company's 2021 annual meeting of stockholders and until their successors are duly elected and qualified or until their earlier death, resignation or removal; "FOR" Proposal Two, the ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the 2018 fiscal year; "FOR" Proposal Three, the approval, on a non-binding advisory basis, of the compensation of the Company's Named Executive Officers and "AGAINST" Proposal Four, the stockholder proposal regarding a director election majority vote standard. Any proxy may be revoked at any time before its exercise by notifying the Corporate Secretary of 2U in writing, by delivering a duly executed proxy bearing a later date, or by attending the Meeting and voting in person.

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING

Why did I receive these proxy materials?

We are furnishing this proxy statement in connection with the Board's solicitation of proxies to be voted at the Meeting and at any adjournment or postponement of the Meeting. At the Meeting, stockholders will act upon proposals:

To elect four Class I directors, nominated by the Board, to serve on the Board until the Company's 2021 annual meeting of stockholders and until their successors are duly elected and qualified or until their earlier death, resignation or removal;

To ratify the appointment of KPMG LLP as the Company's independent registered public accounting firm for the 2018 fiscal year;

To approve, on a non-binding advisory basis, the compensation of the Company's Named Executive Officers;

To consider a stockholder proposal regarding a director election majority vote standard, if properly presented at the meeting;
and

To transact such other business as may properly come before the Meeting or any adjournment thereof.

These proxy solicitation materials are being sent to our stockholders on or about April 30, 2018.

Table of Contents

Who is entitled to vote at the Meeting?

The Board has determined that those stockholders who are recorded in our record books as owning shares of the Company's common stock, par value \$0.001 per share, as of the close of business on April 27, 2018, are entitled to receive notice of and to vote at the Meeting. As of the record date, there were 53,316,098 shares issued and outstanding. Your shares may be (1) held directly in your name as the stockholder of record and/or (2) held for you as the beneficial owner through a broker, bank or other nominee. Our common stock is our only class of outstanding voting securities.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Many of our stockholders hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record

If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, you are considered the stockholder of record with respect to those shares, and these proxy materials are being sent directly to you by us. As the stockholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the Meeting. We have enclosed or sent a proxy card for you to use.

Beneficial Owner

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in "street name," and these proxy materials are being forwarded to you by your broker, bank or nominee which is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker on how to vote your shares and are also invited to attend the Meeting. However, because you are not the stockholder of record, you may not vote these shares in person at the Meeting unless you obtain a signed proxy from the record holder giving you the right to vote the shares. Your broker, bank or nominee, as the stockholder of record, has enclosed or provided a voting instruction card for you to use in directing the broker, bank or nominee how to vote your shares, or, if permitted by your broker, bank or nominee, you may be able to use the Internet or telephone to provide voting instructions. If you do not provide the stockholder of record with voting instructions, your shares may constitute broker non-votes. The effect of broker non-votes is more specifically described in "What vote is required to approve each item?" below.

What do I need to attend the Meeting?

Attendance at the Meeting is limited to stockholders as of the close of business on the record date. Registration will begin at 1:00 p.m., local time, and each stockholder will be asked to present a valid government-issued photo identification (*e.g.*, passport or driver's license). If you are a beneficial owner as of the close of business on the record date, you must also provide proof of beneficial ownership as of the record date (*e.g.*, your most recent account statement reflecting your stock ownership as of the record date). Cameras, recording devices and other electronic devices will not be permitted at the Meeting. Additional rules of conduct regarding the Meeting may be provided at the Meeting.

Table of Contents

How can I vote my shares in person at the Meeting?

Shares held directly in your name as the stockholder of record may be voted in person at the Meeting.

SHARES HELD BENEFICIALLY IN STREET NAME MAY BE VOTED IN PERSON BY YOU ONLY IF YOU OBTAIN A SIGNED PROXY FROM THE RECORD HOLDER GIVING YOU THE RIGHT TO VOTE THE SHARES.

EVEN IF YOU CURRENTLY PLAN TO ATTEND THE MEETING, WE RECOMMEND THAT YOU ALSO SUBMIT YOUR PROXY AS DESCRIBED BELOW SO THAT YOUR VOTE WILL BE COUNTED IF YOU LATER DECIDE NOT TO ATTEND THE MEETING.

How can I vote my shares without attending the Meeting?

Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct your vote without attending the Meeting. You may vote by granting a proxy or, for shares held in street name, by submitting voting instructions to your broker, bank or nominee.

Please refer to the summary instructions below and those included on your proxy card or, for shares held in street name, the voting instruction card included by your broker, bank or nominee.

BY MAIL You may vote by mail by marking, signing and dating your proxy card or, for shares held in street name, the voting instruction card included by your broker, bank or nominee and mailing it in the accompanying enclosed, pre-addressed envelope. If you provide specific voting instructions, your shares will be voted as you instruct. If the pre-addressed envelope is missing, please mail your completed proxy card to American Stock Transfer & Trust Company, LLC at 62011 5th Avenue, Brooklyn, NY 11219, Attn: AST Mail Services.

BY INTERNET OR TELEPHONE If you hold shares through a broker or other nominee in street name, you may be able to vote by the Internet or telephone as permitted by your broker or nominee. The availability of Internet and telephone voting for beneficial owners will depend on the voting process of your broker, bank or other holder of record. Therefore, we recommend that you follow the voting instructions you receive.

If you cast your vote in any of the ways set forth above, your shares will be voted in accordance with your voting instructions, unless you validly revoke your proxy. If you are a stockholder of record and you sign and return your proxy card but you do not specify how you want to vote your shares, we will vote them "FOR" the election of each of the four Class I directors listed in Proposal One, "FOR" Proposal Two, "FOR" Proposal Three and "AGAINST" Proposal Four. We do not currently anticipate that any other matters will be presented for action at the Meeting. If any other matters are properly presented for action, the persons named on your proxy will vote your shares on these other matters in their discretion, under the discretionary authority you have granted to them in your proxy.

If you own shares in street name through a broker, bank or nominee and you do not provide instructions to your broker, bank or nominee on how to vote your shares, your broker, bank or nominee has discretion to vote these shares on certain "routine" matters, including the ratification of the appointment of KPMG LLP as our independent registered public accounting firm. However, on non-routine matters, such as the election of directors and the approval, on a non-binding advisory basis, of the compensation of the Company's Named Executive Officers, your broker must receive voting instructions from you because it does not have discretionary voting power for these proposals. *Therefore, it is important that you provide voting instructions to your broker, bank or other nominee.* So long as the broker has discretion to vote on at least one proposal, these "broker non-votes" are counted toward establishing a quorum.

Table of Contents

Can I change my vote after I submit my proxy or voting instructions?

Yes. If you hold shares directly as the stockholder of record, even after you have submitted your proxy, you may change your vote at any time prior to the close of voting at the Meeting by:

filing with our Corporate Secretary at 7900 Harkins Road, Lanham, Maryland 20706 a signed, original written notice of revocation dated later than the proxy you submitted;

submitting a duly executed proxy bearing a later date; or

attending the Meeting and voting in person.

In order to revoke your proxy, prior to the Meeting, we must receive an original notice of revocation of your proxy at the address above sent by U.S. mail or overnight courier. If you grant a proxy, you are not prevented from attending the Meeting and voting in person. However, your attendance at the Meeting will not by itself revoke a proxy that you have previously granted; you must vote in person at the Meeting to revoke your proxy.

If your shares are held in a stock brokerage account or by a bank or other nominee, you may revoke your voting instructions by following the instructions provided by your broker, bank or nominee.

All shares that have been properly voted and not revoked will be voted at the Meeting.

Is there a list of stockholders entitled to vote at the Meeting?

A complete list of stockholders entitled to vote at the Meeting will be available for examination by the Company's stockholders for any purpose germane to the Meeting, during regular business hours, for a period of ten days prior to the Meeting, at the Company's principal place of business and at the Meeting.

What constitutes a quorum to transact business at the Meeting?

Before any business may be transacted at the Meeting, a quorum must be present. The presence at the Meeting, in person or by proxy, of the holders of a majority of the outstanding shares of stock entitled to vote will constitute a quorum. At the close of business on the record date, 53,316,098 shares were issued and outstanding. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the Meeting for purposes of a quorum.

What is the recommendation of the Board of Directors?

Our Board recommends a vote "FOR" the election of each of the four Class I directors, nominated by the Board, to serve on the Board until the Company's 2021 annual meeting of stockholders and until their successors are duly elected and qualified or until their earlier death, resignation or removal; "FOR" the ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the 2018 fiscal year; "FOR" the approval, on a non-binding advisory basis, of the compensation of the Company's Named Executive Officers and "AGAINST" the stockholder proposal regarding a director election majority vote standard.

What vote is required to approve each item?

Directors named in Proposal One are elected by a plurality of the votes cast at the Meeting, and the director nominees who receive the greatest number of votes at the Meeting (up to the number of directors to be elected) will be elected. You may vote "FOR" or "WITHHELD" with respect to election of directors. Shares will be voted, if authority to do so is not withheld, for election of each of the Board's nominees named in Proposal One. Only votes "FOR" or "WITHHELD" are counted in

Table of Contents

determining whether a plurality has been cast in favor of a director. Broker non-votes will not affect the outcome of the vote on the election of directors.

The affirmative vote of at least a majority of the shares present, in person or by proxy, at the Meeting and entitled to vote on Proposal Two will be required to ratify the appointment of KPMG LLP as the Company's independent registered public accounting firm for the 2018 fiscal year. You may vote "FOR," "AGAINST," or "ABSTAIN" with respect to Proposal Two. Abstentions will have the same effect as votes "AGAINST" Proposal Two. Broker non-votes are not expected on this routine proposal.

The affirmative vote of at least a majority of the shares present, in person or by proxy, at the Meeting and entitled to vote on Proposal Three will be required to approve the compensation of our Named Executive Officers. You may vote "FOR," "AGAINST," or "ABSTAIN" with respect to Proposal Three. Abstentions will have the same effect as votes "AGAINST" Proposal Three. Broker non-votes will not affect the outcome of the vote on Proposal Three.

The affirmative vote of at least a majority of the shares present, in person or by proxy, at the Meeting and entitled to vote on Proposal Four will be required to approve the stockholder proposal regarding a director election majority vote standard. You may vote "FOR," "AGAINST," or "ABSTAIN" with respect to Proposal Four. Abstentions will have the same effect as votes "AGAINST" Proposal Four. Broker non-votes will not affect the outcome of the vote on Proposal Four.

As noted above, a "broker non-vote" occurs when a broker, bank or other holder of record holding shares for a beneficial owner does not vote on a particular proposal because that holder does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. If you are a beneficial owner, your broker, bank or other holder of record is permitted to vote your shares on "routine" matters even if the record holder does not receive voting instructions from you. Absent instructions from you, the record holder may not vote on any "non-routine" matter, including the election of directors and the approval, on a non-binding advisory basis, of the compensation of the Company's Named Executive Officers. Without your voting instructions, a broker non-vote will occur.

What does it mean if I receive more than one proxy or voting instruction card?

It means your shares are registered differently or are in more than one account. Please provide voting instructions for all proxy and voting instruction cards you receive.

Where can I find the voting results of the Meeting?

We will announce preliminary voting results at the Meeting and will publicly disclose results in a Current Report on Form 8-K within four business days after the date of the Meeting.

Who will count the votes?

A representative of American Stock Transfer & Trust Company, our transfer agent, will both tabulate the votes and serve as the inspector of election.

Who will pay for the cost of this proxy solicitation?

We are making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. We will request banks, brokers, nominees, custodians and other fiduciaries who

Table of Contents

hold shares in street name to forward these proxy solicitation materials to the beneficial owners of those shares, and we will reimburse them the reasonable out-of-pocket expenses they incur in doing so.

How can I access the Company's proxy materials and annual report electronically?

A copy of our Annual Report to Stockholders, which includes our Annual Report on Form 10-K for the fiscal year ended December 31, 2017, is being mailed concurrently with this proxy statement to all stockholders entitled to notice of and to vote at the Meeting. These proxy materials are available without charge on the Company's website at <http://investor.2u.com/>. References to our website in this proxy statement are not intended to function as hyperlinks, and the information contained on our website is not intended to be incorporated into this proxy statement. These proxy materials are also available in print to stockholders without charge and upon request, addressed to 2U, Inc., 7900 Harkins Road, Lanham, Maryland 20706, Attention: Corporate Secretary. You are encouraged to access and review all of the important information contained in the proxy materials before voting.

When are stockholder proposals and director nominations due for next year's annual meeting of stockholders?

Any proposals that our stockholders wish to have included in our proxy statement and form of proxy for the 2019 annual meeting of stockholders pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the "*Exchange Act*") must be received by us no later than the close of business on December 31, 2018 and must otherwise comply with the requirements of Rule 14a-8.

For proposals or nominations outside of Rule 14a-8, the Company's amended and restated bylaws (the "*Bylaws*") provide that, in order for a stockholder to nominate a director or bring a proposal before the stockholders at an annual meeting of the Company other than matters set forth in the Notice of Meeting, such stockholder must have delivered timely prior written notice to the Secretary of the Company at the principal executive offices of the Company not later than the close of business on March 28, 2019 nor earlier than the close of business on February 26, 2019. In the event that the date of the annual meeting is advanced more than 25 days prior to or delayed by more than 25 days after the anniversary of the preceding year's annual meeting, notice by the stockholder to be timely must be so received not earlier than the close of business on the 120th day prior to such annual meeting and not later than the close of business on the later of the 90th day prior to such annual meeting or the tenth day following the day on which the public announcement of the date of such meeting is first made. In no event shall an adjournment or a postponement of an annual meeting for which notice has been given, or the public announcement thereof has been made, commence a new time period for the giving of a stockholder's notice as described above. Stockholders are also advised to review our Bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations. A copy of the Bylaws can be obtained without charge by written request to the Corporate Secretary, 7900 Harkins Road, Lanham, Maryland 20706 and is available without charge on the Company's website at <http://investor.2u.com/>.

**PROPOSAL ONE
ELECTION OF DIRECTORS**

There are currently twelve members of our Board. Pursuant to the Company's Amended and Restated Certificate of Incorporation, the Board is "classified," which means that it is divided into three classes of directors based on the expiration of their terms. Under the classified board arrangement, directors are elected to terms that expire on the annual meeting date three years following the annual meeting at which they were elected, and the terms are "staggered" so that the terms of approximately one-third of the directors expire each year. At the Meeting, our stockholders will elect four directors to hold office until the 2021 annual meeting of stockholders and until their respective successors have been duly elected and qualified or until their earlier death, resignation or removal. Accordingly, this Proposal One seeks the election of four directors, Paul A. Maeder, Robert M. Stavis, Christopher J. Paucek and Gregory K. Peters, as Class I directors whose terms would expire in 2021.

Paul A. Maeder, Robert M. Stavis, Christopher J. Paucek and Gregory K. Peters currently serve as Class I directors of the Company. The Board, upon recommendation of the Nominating and Corporate Governance Committee, has nominated Paul A. Maeder, Robert M. Stavis, Christopher J. Paucek and Gregory K. Peters to serve again as Class I directors until the 2021 annual meeting of stockholders and until their respective successors have been duly elected and qualified or until their earlier death, resignation or removal. Each nominee has consented to serve as a director if elected at the Meeting. Should a nominee become unavailable to accept election as a director, the persons named in the enclosed proxy will vote the shares that such proxy represents for the election of such other person as the Board may nominate. We have no reason to believe that any of the nominees will be unable to serve.

**THE BOARD OF DIRECTORS RECOMMENDS VOTING "FOR" THE ELECTION OF EACH OF
THE FOUR CLASS I DIRECTOR NOMINEES.**

Set forth below is certain information concerning each nominee for election as a director at the Meeting and each director with terms expiring at the 2019 or 2020 annual meetings of stockholders. Each of our directors brings to our Board a wealth of varied experience derived from service as executives, financial experts, subject experts and/or industry leaders. They also all bring extensive board experience. Specific individual qualifications and skills of each of our directors that contribute to the Board's effectiveness as a whole are described in the following paragraphs. For more information on the criteria used in nominating directors, see "Board of Directors and Committees Nomination of Directors" below.

BOARD OF DIRECTORS AND COMMITTEES

Board Purpose and Structure

The mission of the Board is to provide strategic guidance to the Company's management, to monitor the performance and ethical behavior of the Company's management, and to maximize the long-term financial return to the Company's stockholders, while considering and appropriately balancing the interests of other stakeholders and constituencies. The Board is constituted of twelve directors. The authorized number of directors may be changed only by resolution approved by a majority of our Board. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors. The division of our Board into three classes with staggered three-year terms may delay or prevent a change in our management or a change of control.

The Board has established standing committees in connection with the discharge of its responsibilities. These committees include an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The Board has adopted written charters for each of these committees. In connection with a follow-on offering of the Company's common stock in September 2017, our Board also established a Pricing Committee to work with management to determine the appropriate time, form and pricing of any such offering.

Board Leadership

Our Board currently has an independent Chair, Mr. Maeder, who has the authority, among other things, to call and preside over Board meetings, including meetings of the independent directors, and to set meeting agendas. Accordingly, the Chair of the Board has substantial ability to shape the work of the Board. We believe that separation of the positions of Chair of the Board and Chief Executive Officer reinforces the independence of the Board in its oversight of the business and affairs of the Company. In addition, we believe that having an independent Chair of the Board creates an environment that is more conducive to objective evaluation and oversight of management's performance, increasing management accountability and improving the ability of the Board to monitor whether management's actions are in the best interests of the Company and its stockholders. As a result, we believe that having an independent Chair of the Board enhances the effectiveness of the Board as a whole.

Risk Oversight

The Board oversees a company-wide approach to risk management that is carried out by management. The Board determines the appropriate risk for us generally, assesses the specific risks faced by us and reviews the steps taken by management to manage those risks. While the Board

Table of Contents

maintains the ultimate oversight responsibility for the risk management process, its committees oversee risk in certain specified areas.

Our Compensation Committee is responsible for overseeing the management of risks relating to our executive compensation plans and arrangements, and the incentives created by the compensation awards it administers. Our Audit Committee oversees management of enterprise risks, financial risks and legal and compliance risks, as well as potential conflicts of interest. Our Nominating and Corporate Governance Committee is responsible for overseeing the management of risks associated with the independence of our Board and the Company's corporate governance practices.

Director Independence

Our Nominating and Corporate Governance Committee and our Board have undertaken a review of the independence of our current directors and considered whether any director has a material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. As a result of this review, our Nominating and Corporate Governance Committee and our Board determined that Messrs. Chernis, Haley, Larson, Maeder, Stavis, Lewis, Peters and Macias and Mses. Krawcheck, Rushing and Jarrett, representing eleven of our twelve current directors, are "independent directors," as defined under applicable Nasdaq listing standards and the rules of the United States Securities and Exchange Commission ("*SEC*").

The Nominating and Corporate Governance Committee and the Board apply standards in affirmatively determining whether a director is "independent," in compliance with applicable Nasdaq listing standards and SEC rules. As part of the process in making such determination, the Nominating and Corporate Governance Committee and the Board also determined that none of Messrs. Haley, Larson, Maeder, Stavis, Lewis, Peters, Chernis and Macias, and Mses. Krawcheck, Rushing and Jarrett have any other "material relationship" with the Company that could interfere with his or her ability to exercise independent judgment.

The Board includes one management director, Mr. Paucek, who is the Company's Chief Executive Officer. The Nominating and Corporate Governance Committee and the Board have determined that Mr. Paucek is not independent under applicable Nasdaq listing standards and SEC rules.

As part of its annual evaluation of director independence, the Nominating and Corporate Governance Committee and the Board examine (among other things) whether any transactions or relationships exist currently (or existed during the past three years) between each independent director and the Company, its subsidiaries, affiliates, equity investors, or independent auditors and the nature of those relationships under the applicable Nasdaq listing standards and SEC rules. The Nominating and Corporate Governance Committee and the Board also examine whether there are (or have been within the past year) any transactions or relationships between each independent director and any executive officer of the Company or its affiliates. As a result of this evaluation, the Nominating and Corporate Governance Committee and the Board have affirmatively determined that each independent director is independent under those criteria.

Board Meetings and Attendance

During 2017, including both regularly scheduled and special meetings, our Board met a total of six times, the Audit Committee met a total of seven times, the Compensation Committee met a total of two times, the Nominating and Corporate Governance Committee met a total of two times and the Pricing Committee met a total of one time. During 2017, all of the Company's directors attended at least 75% of the aggregate of the total number of meetings of the Board and the total number of meetings held by any of the committees of the Board on which such director served. During four meetings of the Audit Committee, the Audit Committee met privately with the Company's independent registered public accounting firm.

The Board has determined that all members of the Audit Committee are financially literate and possess "financial sophistication" within the meaning of the Nasdaq listing standards. We intend to continue to evaluate the requirements applicable to us, and we intend to comply with the future requirements to the extent that they become applicable to our Audit Committee.

Our Audit Committee oversees the Company's corporate accounting and financial reporting processes. The principal duties and responsibilities of our Audit Committee include:

conferring with management and our independent auditor about the scope, adequacy and effectiveness of our internal accounting controls, the objectivity of our financial reporting and our accounting policies and practices.

The Audit Committee's charter can be obtained without charge on the Company's website at <http://investor.2u.com/>. As provided under the Audit Committee's charter, the Audit Committee's pre-approval policy and applicable law, the Audit Committee pre-approves all audit, review and attest services, as well as all permitted non-audit services (subject to a *de minimis* exception) to be provided by our independent registered public accounting firm. This pre-approval applies to audit services, audit-related services, tax services and other services. Under this policy, the Audit Committee may provide pre-approval for a particular defined task or scope of work, subject to a specific budget and for up to one year. The Audit Committee may also delegate pre-approval authority to one or more of the Audit Committee's members, and the Audit Committee has delegated to the Chair of the Audit Committee the authority to pre-approve services (other than the annual engagement) up to a maximum of \$50,000 per calendar year. The Chair of the Audit Committee reports any pre-approval decisions at the next scheduled meeting of the Audit Committee. To avoid potential conflicts of interest, applicable securities laws prohibit the Company as a publicly traded company from obtaining certain non-audit services from its independent audit firm. We obtain these services from other service providers as needed.

Mr. Maeder presides as Chair during the executive sessions of the Board. The non-management directors of the Board met in executive session four times during 2017.

Nomination of Directors

The Nominating and Corporate Governance Committee is responsible for identifying, screening and recommending candidates to the Board for Board membership. When formulating its recommendations, the Nominating and Corporate Governance Committee also considers advice and recommendations from others as it deems appropriate. The Nominating and Corporate Governance Committee is responsible for assessing the appropriate balance of criteria required of Board members.

Table of Contents

The Nominating and Corporate Governance Committee may apply several criteria in selecting nominees. At a minimum, it considers (a) whether each such nominee has demonstrated, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board's oversight of the business and affairs of the Company and (b) the nominee's reputation for honesty and ethical conduct in his or her personal and professional activities. Additional factors that the Nominating and Corporate Governance Committee may consider include a candidate's specific experiences and skills, expertise, diversity, personal and professional integrity, character, business judgment, time availability in light of other commitments, dedication, conflicts of interest and such other relevant factors as it considers appropriate in the context of the needs of the Board. Although the Company has no diversity policy, the Board believes that diversity is an important consideration in Board composition, with diversity being broadly construed to mean a variety of opinions, perspectives, experiences and backgrounds, including gender, race and ethnicity differences, as well as other differentiating characteristics, all in the context of the requirements of the Board at that point in time.

The Nominating and Corporate Governance Committee considers candidates recommended by stockholders pursuant to the Nominating and Corporate Governance Committee's policy for considering stockholder recommendations of director nominees. The Nominating and Corporate Governance Committee's policy is available free of charge on the Company's website at <http://investor.2u.com/>. Pursuant to the policy, and at its next appropriate meeting following receipt of a recommendation, the Nominating and Corporate Governance Committee will consider all director candidates recommended by the Company's stockholders provided such recommendation is delivered timely and in the proper form, as specified in the policy. All director nominees so submitted by the Company's stockholders will be evaluated in the same manner as recommendations received from management or members of the Board.

Communications with the Board of Directors

The Board has established a process to receive communications from stockholders and other interested parties. Stockholders and other interested parties may contact any member (or all members) of the Board, any Board committee or any chair of any such committee by mail. To communicate with the Board, the non-management directors, any individual directors or committee of directors, correspondence should be addressed to the Board or any such individual directors or committee of directors by either name or title. All such correspondence should be sent to the Company at 2U, Inc., 7900 Harkins Road, Lanham, Maryland 20706, Attn: Corporate Secretary.

All communications received as set forth above will be opened by the Corporate Secretary who will determine whether the communication should be presented to the Board. The purpose of this screening is to avoid providing the Board communications that are irrelevant or inappropriate (such as advertisements, solicitations and hostile communications). Following this review, if appropriate, the Corporate Secretary will distribute the communication to the Board, the non-management directors, an individual director or committee of directors, as appropriate.

**PROPOSAL TWO
RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM**

The Audit Committee appointed KPMG LLP, independent registered public accounting firm, to audit the consolidated financial statements of the Company for the fiscal year ending December 31, 2018. As a matter of good corporate governance, the Company's stockholders will be requested to ratify the Audit Committee's selection at the Meeting. KPMG LLP has audited the Company's consolidated financial statements since 2011.

Although there is no requirement that KPMG LLP's appointment be terminated if the ratification fails, the Audit Committee will consider the appointment of other independent registered public accounting firms if the stockholders choose not to ratify the appointment of KPMG LLP. The Audit Committee may terminate the appointment of KPMG LLP as our independent registered public accounting firm without the approval of the stockholders whenever the Audit Committee deems such termination appropriate.

KPMG LLP has affirmed that they are not aware of any relationships between KPMG LLP and the Company that may reasonably be thought to bear on their independence.

A representative of KPMG LLP is expected to be present at the Meeting. The representative will have the opportunity to make a statement if he or she desires to do so and is expected to be available to respond to appropriate stockholder questions at the Meeting.

**THE BOARD OF DIRECTORS RECOMMENDS VOTING "FOR" THE RATIFICATION OF
THE APPOINTMENT OF KPMG LLP AS OUR INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM.**

Pre-Approval of Audit and Permissible Non-Audit Services

The Audit Committee of our Board is responsible for the appointment, oversight and evaluation of our independent registered public accounting firm. The Audit Committee has the sole and direct authority to engage, appoint and replace our independent auditors. In addition, the Audit Committee has established in its charter a policy that every engagement of the Company's independent registered public accounting firm to perform audit or permissible non-audit services on behalf of the Company or any of its subsidiaries requires pre-approval from the Audit Committee or its designee before such independent registered public accounting firm is engaged to provide those services. Our independent registered public accounting firm may not be retained to perform the non-audit services specified in Section 10A(g) of the Exchange Act. Pursuant to its charter, the Audit Committee reviews and, in its sole discretion, approves in advance our independent registered public accounting firm's annual engagement letter, including the proposed fees contained therein, as well as all audit and, as provided in the Sarbanes-Oxley Act of 2002 and the SEC rules and regulations promulgated thereunder, all permitted non-audit engagements and relationships between the Company and such independent registered public accounting firm (which approval should be made after receiving input from the Company's management, if desired). All fees for fiscal 2017 were pre-approved by the Audit Committee.

With respect to the audit for the years ended December 31, 2017 and 2016, the Audit Committee approved the audit services performed by KPMG LLP, as well as certain categories and types of tax and permitted non-audit services.

AUDIT COMMITTEE REPORT*

The Board has ultimate authority and responsibility for effective corporate governance, including the role of oversight of the management of 2U. The Audit Committee's purpose is to assist the Board in fulfilling its responsibilities to the Company and its stockholders by overseeing the accounting and financial reporting processes of 2U, the audits of 2U's consolidated financial statements and the qualifications, selection and performance of the Company's independent registered public accounting firm.

The Audit Committee relies on the expertise and knowledge of management and the independent auditor in carrying out its oversight responsibilities. Management has the primary responsibility for establishing and maintaining effective systems of internal and disclosure controls, for preparing financial statements, and for the public reporting process. KPMG LLP, 2U's independent registered public accounting firm, is responsible for expressing opinions on the conformity of the Company's audited financial statements with generally accepted accounting principles and on our internal control over financial reporting.

With respect to the fiscal year ended December 31, 2017, the Audit Committee, among other things: oversaw the integrity of the Company's financial statements and financial reporting processes, oversaw compliance with legal and regulatory requirements, reviewed the external auditors' qualifications and independence (including auditor rotation), and evaluated the external auditors' performance.

The Audit Committee has reviewed and discussed with management and KPMG LLP the audited consolidated financial statements for the year ended December 31, 2017. **PROPOSAL THREE ADVISORY VOTE TO APPROVE THE COMPANY'S
EXECUTIVE COMPENSATION**

The Dodd-Frank Wall Street Reform and Consumer Protection Act and Section 14A of the Exchange Act require a separate, nonbinding "say-on-pay" stockholder vote to approve the compensation of Named Executive Officers. The Board currently intends to hold this vote annually, and the next such vote is expected to occur at the 2019 annual meeting of stockholders. The compensation paid to our Named Executive Officers and the Company's overall executive compensation policies and procedures are described in the "Compensation Discussion and Analysis" and the tabular disclosure (together with the accompanying narrative disclosure) in this Proxy Statement.

This proposal gives you, as a stockholder, the opportunity to endorse or not endorse the compensation paid to the Company's Named Executive Officers through the following resolution:

"RESOLVED, that the stockholders of the Company approve, on an advisory basis, the compensation of our Named Executive Officers as disclosed in the Compensation Discussion and Analysis section and the tabular disclosure regarding Named Executive Officer compensation (together with the accompanying narrative disclosure) in this Proxy Statement."

Because your vote is advisory, it will not be binding upon the Board and may not be construed as overruling any decision by the Board. However, the Compensation Committee will consider the outcome of the vote when evaluating the effectiveness of our compensation policies and procedures and in connection with its future executive compensation determinations.

NAMED EXECUTIVE OFFICERS AS DESCRIBED IN THIS PROXY STATEMENT.**

Executive Compensation Highlights

Consistent with our general compensation philosophy, we strive to provide a compensation package to each executive officer, including our Named Executive Officers, that is competitive, rewards

achievement of our business objectives, drives the development of a successful and growing business, and aligns the interests of our Named Executive Officers with our stockholders through equity ownership in the Company. Our 2017 compensation actions and decisions reflect our financial results and business performance and our Named Executive Officers' accomplishments that helped achieve these results and performance.

The Compensation Committee took the following actions with regard to its review and analysis of 2017 compensation for our Named Executive Officers:

Reviewed, assessed and updated the prior peer group of comparable public companies, selected with the assistance of an independent compensation consultant, to inform our decision making process and assist in ensuring that our executive compensation program is positioned to be competitive and aligned with our business objectives at the current stage of the Company's growth;

As a result of its overall review, including comparisons against our peer group, increased the base salary and target cash incentive compensation opportunities for all of our Named Executive Officers; and

Approved equity awards to our Named Executive Officers, at levels consistent with our philosophy of more heavily weighting equity ownership, to address our retention objectives, reward individual performance and align the long-term interests of Named Executive Officers with those of our stockholders.

We endeavor to maintain good governance standards in our executive compensation policies and practices. The Compensation Committee evaluates our executive compensation program annually to ensure that it is consistent with our short-term and long-term goals given the dynamic nature of our business and the market in which we compete for executive talent. The following policies and practices were in effect during 2017:

Independent Compensation Committee. The Compensation Committee consists solely of independent directors and has primary responsibility for making executive compensation decisions.

Annual Executive Compensation Review. The Compensation Committee conducts an annual review and approval of our compensation strategy, including a review of our compensation peer group.

No "Single Trigger" Change in Control Payments for Executive Officers. We do not provide change in control payments to our Named Executive Officers. Further, equity awards granted to our Named Executive Officers since 2014 provide for vesting acceleration of unvested awards only on a "double trigger" basis that is, each Named Executive Officer is entitled to receive vesting acceleration of a portion or all of their unvested awards in connection with a change in control of the Company only if the employment of such Named Executive Officer terminates without cause or for good reason on or within 12 months after the change in control.

Compensation At-Risk. Our executive compensation program is designed so that a significant portion of total compensation is "at-risk," including performance-based annual bonuses, which are based largely on corporate performance, and equity-based long-term incentives to align the interests of our Named Executive Officers and stockholders. Equity awards granted to our Named Executive Officers typically vest or are earned over four-year periods, consistent with current market practice and our retention objectives.

Limited Severance Benefits. Except in the case of our Chief Executive Officer, none of our current named executive officers are entitled to any severance or other post-termination benefits other than as required by law.

Table of Contents

Restrictions on Transactions in Our Securities. Our insider trading policy prohibits our employees, including our Named Executive Officers, from conducting, among other things, short sales, hedging of stock ownership positions and transactions in derivative securities relating to our capital stock.

Executive Compensation Philosophy, Objectives and Design

We operate in a highly fragmented, rapidly evolving and competitive market, and we believe that our ability to compete and succeed in this environment is directly correlated to our ability to recruit, incentivize and retain skilled teams in technology, content development, marketing and other business areas. The market for skilled personnel in the technology industry is highly competitive. Further, because of the significant nature of each new university client relationship, our senior management team is heavily involved in the identification and sales process for each university client, and their expertise is critical in navigating the complex approval processes of large nonprofit colleges and universities. Our compensation philosophy is designed to establish and maintain a compensation program that attracts and retains talented individuals who possess the skills necessary to create long-term value for our stockholders, grow our business while maintaining our dedicated focus on quality, and assist in the achievement of our strategic goals.

The key elements of our total compensation philosophy include the following:

Company Ownership. We believe that equity ownership by employees, including our Named Executive Officers, is a critical retention tool and emphasizes long-term results and aligns the interests of our employees, Named Executive Officers and stockholders.

Focus on Results. Our executive compensation program is weighted towards at-risk, performance-based compensation. A significant portion of our Named Executive Officers' compensation is at-risk and dependent upon our performance.

Fair, Flexible and Results-Oriented. We design our compensation structure to reward results and to drive excellence and consistency across the Company, while recognizing inherent differences between functions. Our annual incentive bonus plan provides that employees who focus on a particular university client graduate program would have their bonus payout weighted more heavily toward the performance of the applicable graduate program and corporate employees would have their bonus payout weighted more heavily toward overall corporate performance.

Our executive compensation program has been heavily weighted towards granting long-term equity incentive awards. Our Compensation Committee believes that equity-based compensation helps to align our executives' interests with the long-term interests of our stockholders by driving achievement of our strategic and financial goals. Prior to our becoming a public company in April 2014, our equity compensation program was largely in the form of stock option grants. Following our initial public offering, we shifted to a mix of restricted stock units, or RSUs, settled in shares of common stock and stock options as our primary equity vehicles for all equity-eligible employees, including our Named Executive Officers. Our Named Executive Officers typically receive 50% of their equity awards in the form of RSUs and 50% in the form of stock options. We believe that options, which we grant with exercise prices equal to the fair market value of our common stock on the date of grant, provide an appropriate long-term incentive for recipients and align the interests of recipients and stockholders, since the options reward recipients, including our Named Executive Officers, only to the extent that our stock price appreciates on a sustained basis following their grant date. RSUs, while also providing an appropriate long-term incentive to recipients, due to their long-term vesting schedules, effectively manage dilution to existing investors and provide greater transparency and predictability to recipients in the value of their compensation.

Table of Contents

To maintain a competitive compensation program, we also provide cash compensation in the form of base salaries and performance-based annual cash bonuses. All eligible employees, including our Named Executive Officers, participate in the same annual performance-based bonus plan. Our Named Executive Officers are eligible to receive a target cash bonus under our annual performance-based bonus plan equal to a percentage of their base salary based on achievement of corporate financial goals. We typically consider the compensation practices of companies in our peer group to set total compensation targets for our Named Executive Officers, and we may also consider unique skills sets, specialized industry knowledge and other factors in making those determinations.

In early 2017, our Compensation Committee, with the assistance of the Company's compensation consultant, reviewed our executive compensation, including base salaries, bonuses, equity awards, and benefit programs, to ensure that our compensation program promotes stockholder interests and provides appropriate rewards and incentives for our Named Executive Officers.

Consideration of "Say-on-Pay" Voting Results

At the Company's 2017 annual meeting of the stockholders, the Company's advisory vote on say-on-pay garnered stockholder support of 84% of shares present or represented by proxy. The Compensation Committee reviewed stockholder and other stakeholder feedback along with the results of our stockholder "say-on-pay" vote from the 2017 annual meeting of the stockholders in making compensation decisions during 2017. Based on this feedback and the 84% say-on-pay approval by stockholders at the 2017 annual meeting of the stockholders, the Compensation Committee believes that stockholders support our compensation policies and practices. Therefore, the Compensation Committee continued to apply similar principles in determining 2017 compensation actions.

Process for Setting Compensation

Compensation decisions for our Named Executive Officers are determined by our Compensation Committee, with input from management (including our Chief Executive Officer and compensation consultant retained by management, when appropriate). Our Compensation Committee reviews the compensation of our executive officers, including our Named Executive Officers, on an annual basis, or more frequently in certain situations, to ensure the executives are properly incentivized, and makes adjustments as necessary.

In determining base salaries, bonus targets and equity incentive awards for our Named Executive Officers, our Compensation Committee considers their historical compensation levels, compensation for comparable positions in the market, individual performance as compared to our expectations and objectives, and our desire to drive short- and long-term results that are in the best interests of our stockholders. We do not target a specific competitive position or a specific mix of compensation among base salary, bonus or long-term incentives, although we typically consider companies in our peer group to set total compensation targets for our Named Executive Officers, and we may also consider unique skills sets, specialized industry knowledge and other factors in making those determinations.

For 2017, we engaged a compensation consultant, Compensia, to advise in matters relating to the compensation of our executives. For additional information about Compensia's role in our process for setting compensation, see the section entitled " Role of Compensation Consultant."

At the beginning of 2017, following discussions with management and a review of Compensia's findings, the Compensation Committee ultimately made adjustments to total compensation for our Named Executive Officers to promote executive retention and more closely align ourselves with our peer companies in a competitive technology employment market.

Table of Contents

Role of Compensation Committee

Pursuant to its charter, the Compensation Committee is primarily responsible for establishing, approving and adjusting compensation arrangements for our Named Executive Officers, including our Chief Executive Officer, and for reviewing and approving corporate goals and objectives relevant to these compensation arrangements, evaluating executive performance and considering factors related to the performance of the Company, including accomplishment of our long-term business and financial goals. For additional information about our Compensation Committee, see the section entitled "Board of Directors and Committees Compensation Committee."

Role of Management

In carrying out its responsibilities, our Compensation Committee works with members of our management, including our Chief Executive Officer, Chief Financial Officer, Chief People Officer and other human resources, finance, and legal professionals. Typically, our management assists the Compensation Committee by providing information on corporate and individual performance and management's perspective and recommendations on compensation matters. Our Chief Executive Officer, Chief Financial Officer, Chief People Officer and members of our legal department may attend meetings of the Compensation Committee to present information and answer questions. Our Chief Executive Officer may also make recommendations to the Compensation Committee regarding compensation for our Named Executive Officers other than for himself because of his daily involvement with our Named Executive Officers. Our Compensation Committee solicits and reviews our Chief Executive Officer's recommendations as one of several factors in making compensation decisions, along with recommendations and market data obtained by our compensation consultant, and the Compensation Committee's own independent judgment. No Named Executive Officer participates directly in the final deliberations or determinations regarding his or her own compensation package.

At the request of the Compensation Committee, beginning in late 2014 management retained Compensia to assist it in providing the Compensation Committee the data necessary to enable it to carry out its responsibilities in assisting the Compensation Committee. Management has continued to retain Compensia from time to time to review and assess our executive and employee compensation practices relative to market compensation practices and to provide market compensation data. For additional information on these engagements, see the section entitled " Role of Compensation Consultant" below.

Role of Compensation Consultant

We retained Compensia to advise on our executive compensation programs and practices and our executive compensation decisions for 2017 given its expertise in the technology industry and its knowledge of our peer companies. During late 2016 and early 2017, Compensia provided the following services as requested by management:

evaluated the efficacy of our existing compensation strategy and practices in supporting and reinforcing our long-term strategic goals relative to market norms;

reviewed and assessed our peer group of companies to understand competitive market compensation practices;

reviewed and assessed our current Named Executive Officer compensation practices and equity profile relative to our peers;
and

reviewed and assessed whether our Board of Directors' compensation policy is appropriate for a publicly traded company.

Table of Contents

In late 2017, we again engaged Compensia to assist with our compensation planning for 2018, including providing data for our overall equity and incentive plan targets and total cash compensation for our Named Executive Officers.

During 2017, Compensia did not perform work for the Company other than the services detailed above, and for the purposes of assisting with our compensation planning for 2018. The Compensation Committee has assessed the independence of Compensia and concluded that the engagement of Compensia does not raise any conflict of interest with the Company or any of its directors or executive officers.

Compensation Peer Group

In March 2017, our Compensation Committee approved the use of the following peer group of companies that operate in the cloud based SaaS or adjacent Internet software and services markets, with similar revenues, revenue growth, business stage and market capitalization, to inform its decisions related to 2017 executive compensation.

This compensation peer group differed from our compensation peer group approved by the Compensation Committee in 2016 due to certain companies being removed because they were acquired or no longer deemed comparable in terms of revenue and market capitalization (based on our 2016 results) and other companies being added because they fell within the parameters identified by the Compensation Committee for our peer group as described above. We believe that peer group comparisons are useful guidelines to measure the competitiveness of our compensation practices. However, the Compensation Committee has not adopted any formal benchmarking guidelines and maintains discretion to set levels of executive compensation above or below peer levels based upon distinguishing factors such as our internal pay equity and compensation budget, individual performance and contribution to the Company, an executive's level of experience and responsibilities, and comparability of roles within other peer companies.

Elements of Compensation

The compensation program for our Named Executive Officers consists of:

base salary;

performance-based cash compensation;

long-term equity compensation; and

employee benefits and perquisites.

Each Named Executive Officer's compensation has been designed to provide a combination of compensation that is tied to achievement of our short- and long-term objectives. As our needs evolve, we intend to continue to evaluate our philosophy and compensation programs as circumstances require, and at a minimum, we expect to review our executive compensation program annually.

Table of Contents**Base Salaries**

We provide base salaries to our Named Executive Officers and other employees to compensate them for services rendered day-to-day during the year and provide a level of stable fixed compensation. Each Named Executive Officer's initial base salary was established as the result of an arm's-length negotiation with the individual at the time of hiring, and later adjusted pursuant to the Company's annual review processes. We generally do not apply specific formulas to determine changes in base salary. Rather, our Compensation Committee oversees the review of base salaries of our Named Executive Officers on an annual basis and makes adjustments as it determines to be reasonable and necessary to reflect the scope of a Named Executive Officer's responsibilities, experience and performance, prior salary level, position (in the case of a promotion), market conditions and overall Company performance.

In April 2017, in connection with its review of our executive compensation program, our Compensation Committee approved adjustments to the base salaries of our Named Executive Officers, as set forth in the table below. Our Compensation Committee based its adjustments on various factors, including, peer group comparisons, distinguishing factors such as our internal pay equity and compensation budget, individual performance and contribution to the Company, level of experience and responsibilities, and uniqueness of roles as compared to peer companies.

Named Executive Officer	2017 Base Salary (\$)(1)	2016 Base Salary (\$)(1)	Percentage Increase
Christopher J. Paucek	520,000	500,000	4%
Catherine A. Graham	375,000	350,000	7%
Susan E. Cates(2)	416,000	400,000	4%
Harsha Mokkarala	328,000	315,000	4%
James Kenigsberg	375,000	360,000	4%

- (1) Salary changes are effective as of April 1st of the applicable year. For purposes of our executive compensation program, our year runs from April 1st through March 31st. Therefore, 2017 and 2016 base salaries set forth in the Summary Compensation Table below are less than the amounts stated in these columns because our Named Executive Officers received their prior year base salaries from January 1st through March 31st of the applicable year.
- (2) Ms. Cates resigned from the Company effective August 31, 2017; however, she continues to provide services to the Company as a consultant through August 31, 2018 and will receive payment equivalent to her 2017 base salary during this period.

Performance-Based Annual Bonuses

We use performance-based annual cash bonuses to motivate our employees, including our Named Executive Officers, to achieve our short-term financial and operational objectives while making progress towards our longer-term growth and other goals. At the end of each year, our Board approves our operating plan for the next fiscal year, which includes corporate performance objectives. At the beginning of each year, the Compensation Committee uses these performance objectives to structure the annual cash bonus plan for the year.

2017 Bonus Plan

In March 2017, the Compensation Committee approved the 2017 Bonus Plan for our employees, including our Named Executive Officers, taking into consideration a competitive market analysis performed by Compensia, the recommendations of our Chief Executive Officer (except with respect to

Table of Contents

his own target annual cash bonus opportunity) and the other factors described above. The Compensation Committee determined not to make any change in the target bonus percentages that were in effect for 2016. In making this determination, the Compensation Committee considered the fact that total target bonus payouts would still increase as a result of higher eligible base compensation, which they believed would maintain the competitiveness of our Named Executive Officers' target total cash compensation opportunities. Under the 2017 Bonus Plan, the target annual cash bonus opportunities of the Named Executive Officers for 2017 were as follows:

Named Executive Officer	2017 Eligible		
	Base Compensation (\$)	Target Bonus Percentage	Target Bonus Payout (\$)
Christopher J. Paucek	520,000	100%	520,000
Catherine A. Graham	375,000	70%	262,500
Susan E. Cates	416,000	75%	312,000
Harsha Mokkarala	328,000	60%	196,800
James Kenigsberg	375,000	70%	262,500

Payouts for our Named Executive Officers under our 2017 Bonus Plan were based on the achievement of the following three performance measures: graduate program segment revenue, graduate program segment profitability and number of new graduate programs signed with university clients, which is described in more detail below. Metrics related to the Company's short course segment were not included as performance measures in the 2017 Bonus Plan because the acquisition of GetSmarter and our associated expansion of offerings to include the short course segment did not occur until July 2017, after the 2017 Bonus Plan had been approved.

Graduate program segment revenue was given a weighting of 55%, graduate program segment profitability was given a weighting of 35% and the number of new graduate programs signed with university clients was given a weighting of 10%. The graduate program segment revenue and graduate program segment profitability measures were based on stretch goals over our 2017 corporate budget, as approved by the Board, and continue to be selected as performance measures under our annual bonus plan because the Compensation Committee believes they support our objective of achieving growth. The number of new graduate programs signed with university clients was selected as a new performance measure for 2017 to focus our executives on supporting our objective of enhancing our new graduate program pipeline. Threshold achievement levels for graduate program segment revenue and graduate program segment profitability were set slightly below the 2017 performance expectations disclosed by the Company during the first quarter of 2017. The threshold achievement level for new graduate programs signed was set at ten programs, consistent with 2017 performance expectations in this area disclosed by the Company during the first quarter of 2017. In addition, for the graduate program segment revenue and graduate program segment profitability measures, the incremental increase in performance needed to achieve payouts over 100% was set at a multiple of the incremental decrease in performance that would result in a payout of under 100%. We believe these performance measures align our Named Executive Officer incentives opportunities with stockholder interests through the creation of sustainable long-term value.

Payment of any portion of the bonus opportunity for fiscal year 2017 related to the corporate performance measures described above was contingent on our achievement of a minimum threshold percentage of the target level for such measure, and the payment level was capped at our achievement of a maximum percentage of the target level. The achievement levels for each performance measure necessary to receive the minimum, maximum or 100% bonus payout and the corresponding payout

Table of Contents

percentages were as follows (and performance between any of the following levels is interpolated on a straight-line basis):

	Graduate Segment Revenue		Graduate Segment Profitability		New Graduate Programs	
	Achievement Percentage	Payout Percentage	Achievement Percentage	Payout Percentage	Achievement Percentage	Payout Percentage
Threshold	98%	50%	55%	50%	<100%	0%
Target	100%	100%	100%	100%	100%	100%
Maximum	>103%	120%	>136%	120%		

Graduate program segment profitability is calculated as net income or net loss, as applicable, before net interest income (expense), taxes, depreciation and amortization, foreign currency gains or losses, acquisition-related gains or losses and stock based compensation expense. In general, we consider our corporate performance targets for fiscal year 2017 to have been challenging but achievable. For fiscal year 2017, graduate program segment revenue was \$270.4 million, graduate program segment profitability was \$13.0 million, and we signed ten new graduate programs, which corresponded to bonus payout percentages of 85%, 100% and 100%, for each measure respectively, under the 2017 Bonus Plan. In March 2018, the Board determined that we had achieved the graduate program segment revenue, graduate program segment profitability and new graduate program goals at an overall weighted level of 92%, and therefore, the Compensation Committee approved the following payouts under the 2017 Bonus Plan to our Named Executive Officers:

Named Executive Officer	Bonus Payout \$(1)
Christopher J. Paucek	471,748
Catherine A. Graham	236,161
Susan E. Cates(2)	283,049
Harsha Mokkarala	178,477
James Kenigsberg	238,034

- (1) For purposes of our executive compensation program, our year runs from April 1st through March 31st, and payouts under our 2017 Bonus Plan were calculated on a weighted average basis using the applicable 2016 target bonus percentage for base compensation earned from January 1, 2017 through March 31, 2017, and the applicable 2017 target bonus percentage for base compensation earned during the remainder of 2017.
- (2) Ms. Cates resigned from the Company effective August 31, 2017; however, she has agreed to continue providing services to the Company as a consultant through August 31, 2018 and received a bonus for fiscal year 2017 consistent with other executives under the 2017 Bonus Plan pursuant to a separation and consulting agreement we entered into with her in connection with her resignation.

These bonus amounts for the Named Executive Officers' performance during 2017 are reflected in the "Non-Equity Incentive Plan Compensation" column of the Summary Compensation Table for 2017.

Long-Term Incentive Compensation

We use long-term incentive compensation in the form of equity awards to align the interests of our employees, including the Named Executive Officers, with the interest of our stockholders. We believe that if our employees own shares of our common stock in amounts that are significant to them, they will have a strong incentive to act to maximize long-term stockholder value. For 2017, we relied on options to purchase shares of our common stock and RSUs as the principal vehicles for delivering

Table of Contents

long-term incentive compensation opportunities to our Named Executive Officers. We believe that options, which we grant with exercise prices equal to the fair market value of our common stock on the date of grant, provide an appropriate long-term incentive for recipients and align the interests of recipients and stockholders, since the options reward them only to the extent that our stock price appreciates on a sustained basis following their grant date. RSUs, while also providing an appropriate long-term incentive to recipients, due to their long-term vesting schedules, effectively manage dilution to existing investors and provide greater transparency and predictability to recipients in the value of their compensation.

In determining the size of the equity awards granted to our Named Executive Officers, the Compensation Committee takes into consideration the recommendations of our Chief Executive Officer (except with respect to his own equity award), the existing equity holdings of each Named Executive Officer (including the current economic value of his or her unvested equity awards), and the other factors described above. The Compensation Committee also considers the dilutive effect of our long-term incentive compensation practices, and the overall impact that these equity awards, as well as awards to other employees, will have on stockholder value. The Compensation Committee also applies its subjective judgment to determine the appropriate size of each Named Executive Officer's equity award.

In mid-2014, our Compensation Committee approved a framework for granting equity awards. Under this framework, we typically grant equity awards at the start of employment and upon promotion to each equity-eligible employee, including our Named Executive Officers. Our framework for granting equity awards establishes dollar value for each type of award based on a participant's position. The exact number of stock options granted to each participant is calculated by dividing the appropriate dollar value by the Black-Scholes value of an option to purchase a share of our common stock on the grant date. The exact number of restricted stock units granted to each participant is calculated by dividing the appropriate dollar value by the value of a share of our common stock on the grant date.

The Compensation Committee approves individual equity awards for new hires and promoted employees on a quarterly basis, and the grant dates of each award are typically the first business day of the quarter after the Compensation Committee has approved the grants. We typically set the exercise prices for stock options at the fair market value of a share of our common stock on the date of grant. Our time-vested stock option grants to our Named Executive Officers typically vest as follows: 25% on the first anniversary of the date of grant or, if earlier, the vesting commencement date, and 1/36th per month thereafter, until fully vested at the end of four years. These stock option grants generally have a term of 10 years from the grant date. Our restricted stock unit awards typically vest in equal annual installments over a four-year period.

Annual Equity Awards

In April 2017, in accordance with the previously established equity award framework, the Compensation Committee granted equity awards to certain of our employees, including our Named Executive Officers, in the form of options to purchase shares of our common stock and restricted stock units.

In determining the amount of each Named Executive Officer's equity award, the Compensation Committee took into consideration the factors described above, including the recommendations of our Chief Executive Officer (except with respect to his own equity award).

The annual equity awards granted to the Named Executive Officers in 2017 were as follows:

Christopher J. Paucek	62,685	1,199,991	30,257	1,199,993

James Kenigsberg	31,342	599,986	15,128	599,976

Other Compensation

We offer a tuition reimbursement benefit for all of our employees, including our Named Executive Officers. Under this program, we pay 100% of the cost of tuition for eligible employees and their spouses and dependents enrolled in one of our university clients' eligible graduate programs.

The Company also makes contributions to the 401(k) plan and pays premiums for term life insurance policies on behalf of our Named Executive Officers, consistent with those provided to all of our employees.

Employment Arrangements

In connection with Ms. Cates' resignation as Chief Operating Officer on August 31, 2017, the Company entered into a separation agreement with Ms. Cates. Pursuant to the separation agreement, Ms. Cates resigned from all positions with the Company, however, agreed to act as a consultant to the Company until August 31, 2018 (the "*Consulting Period*") in exchange for receiving payment of an amount equal to her 2017 base salary paid in monthly installments over the Consulting Period and an amount equal to the 2017 annual bonus she would have received had she remained an employee through the end of 2017, paid as and when the Company makes bonus payments under its 2017 Bonus Plan. In addition, under the terms of the separation agreement, (i) Ms. Cates' outstanding equity awards continue to vest in accordance with their terms during the Consulting Period, (ii) the Company agreed to pay a lump sum bonus of \$200,000 upon successful completion of the Consulting Period, and (iii) the Company agreed to pay a lump sum cash payment of \$20,000 upon execution of the separation agreement. Ms. Cates' separation agreement included a customary release of claims and post-employment restrictive covenants.

Please see " Potential Payments Upon Termination of Employment and in Connection with Change of Control Arrangements" for information regarding the severance provisions for Mr. Paucek. Other than the separation agreement entered into with Ms. Cates in August 2017, Mr. Paucek is the only Named Executive Officer who is entitled to any post-termination cash payments.

Other Compensation Policies***Risk Assessment***

The Compensation Committee has reviewed the Company's compensation programs for employees, including Named Executive Officers, and has concluded that these programs do not create risks that are reasonably likely to have a material adverse effect on the Company. The Compensation Committee believes that the design of the Company's annual performance-based bonus plan and long-term equity incentives provide an effective and appropriate mix of incentives to help ensure that the Company's performance is focused on long-term stockholder value creation and does not encourage the taking of short-term risks at the expense of long-term results.

CEO Pay Ratio Disclosure

As required by Section 953(b) of the Dodd Frank Wall Street Reform and Consumer Protection Act and Item 402(u) of Regulation S-K, we are providing the following information about the relationship of the annual total compensation of our "median employee" and the annual total compensation of Christopher J. Paucek, our Chief Executive Officer, during 2017. We consider the pay ratio specified to be a reasonable estimate, calculated in a manner intended to be consistent with Item 402(u) of Regulation S-K.

For 2017, our last completed fiscal year:

The estimated median of the annual total compensation of all employees of the Company (excluding the CEO) was \$60,703;

The annual total compensation of our CEO, as reported in the Summary Compensation Table on page 40 of this proxy statement was \$3,389,499; and

The ratio of the annual total compensation of our CEO to the median employee's annual total compensation is 56:1.

To determine the median of the annual total compensation of all employees of the Company (other than the CEO), the methodology and the material assumptions, adjustments and estimates that we used were as follows:

We selected December 31, 2017 as the date upon which we would identify our employee population and median employee.

Using our tax and payroll records, we determined that, as of December 31, 2017, our employee population consisted of approximately 1,880 employees globally, including active full-time, part-time, seasonal and temporary employees.

As permitted by SEC rules, we determined to exclude all of our employees located in Hong Kong, Germany and the United Kingdom, which constituted approximately 0.6% of our total employee population.

We used taxable compensation, as determined in each applicable employing jurisdiction, during the 2017 fiscal year as a consistently applied compensation measure to identify our median employee. In making this determination, we annualized the compensation of all newly hired permanent employees during this period. For South African employees, we converted taxable compensation to U.S. dollars using the rand to dollar exchange rate in effect on December 31, 2017.

Once our median employee was identified in the manner described above, we calculated the annual total compensation of the median employee using the same methodology that we used to

Table of Contents

determine the annual total compensation of the CEO, as reported in the Summary Compensation Table on page 40 of this proxy statement.

It should be noted that the SEC pay ratio disclosure rules allow companies to adopt a variety of methodologies, to apply certain exclusions, and to make reasonable estimates and assumptions that reflect their compensation practices. As such, the pay ratio reported by other companies may not be comparable to the pay ratio reported above, as other companies may have different employment and compensation practices and may utilize different methodologies, exclusions, estimates and assumptions in calculating their own pay ratios.
