MANAGEMENT INFORMATION CIRCULAR

SOLICITATION OF PROXIES

This Management Information Circular is furnished in connection with the solicitation of proxies by and on behalf of the management of ENERGY POWER SYSTEMS LIMITED (the "CORPORATION") for use at the Annual and Special Meeting of Shareholders of the Corporation (the "MEETING") to be held at the time and place and for the purposes set forth in the attached Notice of Annual and Special Meeting of Shareholders (the "NOTICE"). It is expected that the solicitation will be by mail primarily, but proxies may also be solicited personally by officers, directors, or regular employees of the Corporation. The cost of such solicitation will be borne by the Corporation.

APPOINTMENT, REVOCATION AND DEPOSIT OF PROXIES

The persons named in the enclosed form of proxy are directors or officers of the Corporation.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR HIM OR HER AND ON HIS OR HER BEHALF AT THE MEETING OTHER THAN THE PERSONS DESIGNATED IN THE ENCLOSED FORM OF PROXY. SUCH RIGHT MAY BE EXERCISED BY STRIKING OUT THE NAMES OF THE PERSONS DESIGNATED IN THE ENCLOSED FORM OF PROXY AND BY INSERTING IN THE BLANK SPACE PROVIDED FOR THAT PURPOSE THE NAME OF THE DESIRED PERSON OR BY COMPLETING ANOTHER PROPER FORM OF PROXY AND, IN EITHER CASE, DELIVERING THE COMPLETED AND EXECUTED PROXY TO THE CORPORATION BEFORE THE TIME OF THE MEETING OR ANY ADJOURNMENT THEREOF.

A shareholder forwarding the enclosed proxy may indicate the manner in which the appointee is to vote with respect to any specific item by checking the appropriate space. If the shareholder giving the proxy wishes to confer a discretionary authority with respect to any item of business then the space opposite the item is to be left blank. The shares represented by the proxy submitted by a shareholder will be voted in accordance with the directions, if any, given in the proxy.

A shareholder who has given a proxy may revoke it at any time in so far as it has not been exercised. A proxy may be revoked, as to any matter on which a vote shall not already have been cast pursuant to the authority conferred by such proxy, by instrument in writing executed by the shareholder or by his attorney authorized in writing or, if the shareholder is a body corporate, by an officer or attorney thereof duly authorized, and deposited either at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used or with the Chairman of such Meeting on the day of the Meeting or any adjournment thereof, and upon either of such deposits the proxy is revoked. A proxy may also be revoked in any other manner permitted by law.

Shareholders who do not hold their Common Shares in their own name (referred to herein as "beneficial shareholders") are advised that only proxies from shareholders of record can be recognized and voted at the Meeting. If Common Shares are listed in an account statement provided to a shareholder by a

Edgar Filing: ENERGY POWER SYSTEMS LTD - Form 6-K

broker, then in almost all cases those Common Shares will not be registered in the shareholders name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the shareholders broker or an agent of that broker. Common Shares held by brokers or their nominees can only be voted (for or against resolutions) upon the instructions of the beneficial shareholder. Without specific instructions, brokers/nominees are prohibited from voting Common Shares for their clients. Beneficial shareholders who complete and return a form of proxy must indicate thereon the person (usually a brokerage house) who holds their common shares as a registered shareholder. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from beneficial shareholders in advance of shareholders meetings. Every intermediary (broker) has its own mailing procedure, and provides its own return instructions, which should be carefully followed. The form of proxy supplied to beneficial shareholders is identical to that provided to registered shareholders. However, its purpose is limited to instructing the registered shareholder how to vote on behalf of the beneficial shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to ADP Investor Communications ("ADP"). ADP applies a special sticker to the proxy forms, mailing those forms to the beneficial shareholders and asks beneficial shareholders to return the proxy forms to ADP. ADP then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. A BENEFICIAL SHAREHOLDER RECEIVING A PROXY WITH AN ADP STICKER ON IT CANNOT USE THAT PROXY TO VOTE COMMON SHARES DIRECTLY AT THE MEETING. THE PROXY MUST BE RETURNED TO ADP WELL IN ADVANCE OF THE MEETING IN ORDER TO HAVE THE COMMON SHARES VOTED.

MANNER OF VOTING AND EXERCISE OF DISCRETION BY PROXIES

The persons named in the enclosed form of proxy will vote the common shares in respect of which they are appointed in accordance with the direction of the shareholders appointing them. IN THE ABSENCE OF SUCH DIRECTION, SUCH COMMON SHARES WILL BE VOTED FOR EACH OF THE MATTERS IDENTIFIED IN THE NOTICE AND DESCRIBED IN THIS CIRCULAR. The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the Meeting. At the time of the printing of the Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The authorized capital of the Corporation consists of an unlimited number of common shares (the "COMMON SHARES") and an unlimited number of Class A Preferred Shares issuable in series. An aggregate of 10,578,645 Common Shares and Nil Class A Preferred Shares were issued and outstanding as of the close of business on November 21, 2002. Each Common Share entitles the holder thereof to one (1) vote at all meetings of shareholders.

All shareholders of record at the close of business on November 21, 2002 are entitled either to attend and vote at the Meeting in person the shares held by them, or provided a completed and executed proxy shall have been delivered to the Corporation, to attend and vote thereat by proxy the shares held by them. However, if a shareholder has transferred any Common Shares after November 21, 2002 and the transferee of such shares establishes ownership thereof and makes a written demand, not later than ten days before the Meeting, to be included in the list of shareholders entitled to vote at the Meeting, the transferee will be entitled to vote such shares.

As at November 21, 2002, to the knowledge of the directors and senior officers of the Corporation, no persons or companies, beneficially own, directly

Edgar Filing: ENERGY POWER SYSTEMS LTD - Form 6-K

or indirectly, or exercise control or direction over more than ten percent (10%) of the issued and outstanding voting shares of the Corporation.

APPOINTMENT OF THE AUDITOR

Unless authority to vote is withheld, persons named in the accompanying form of proxy intend to vote for the reappointment of BDO Dunwoody LLP, Chartered Accountants of Toronto, Ontario as the auditor of the Corporation to hold office until the next annual meeting of shareholders and to authorize the directors of the Corporation to fix the remuneration of the auditor.

SHARE CONSOLIDATION

The Board of Directors having regard to the recent decline in the share price, the listing standards, policies and requirements of the American Stock Exchange (the "EXCHANGE") and the general need for flexibility to enhance future financing opportunities, have determined it would be in the best interests of the Corporation and its shareholders to approve a proposal for a reverse split of our existing issued and outstanding common shares, subject to the approval of our shareholders. The reverse split, if approved, will consolidate our issued and outstanding common shares in a range up to one (1) for three (3) (the "RATIO"). Once the Ratio is determined by the Board of Directors, the number of common shares you hold will be determined accordingly. The Ratio will be determined by the Board of Directors in good faith based upon all relevant factors, and the Board of Directors reserves the right to not proceed with the reverse split if it feels the action is not in the Corporation's best interest.

PRINCIPLE REASON FOR THE REVERSE SPLIT

The American Stock Exchange policy is that in case of common shares selling for a substantial period of time at a low price per share, the issuer shall affect a reverse split of such shares within a reasonable time. The Exchange considers all pertinent factors, including, market conditions in general, the number of shares outstanding, applicable regulations of the state or country of incorporation or of any governmental agency having jurisdiction over the company in relationship to the Exchange policies regarding continued listing.

CERTAIN EFFECTS OF THE REVERSE SPLIT

Common Shares issued pursuant to the reverse split will be fully paid and non-assessable. The reverse split will not alter the relative voting and other rights of holders of the common shares, and each common share will continue to entitle the holder to one vote.

As a result of the reverse split, the number of common shares presently outstanding will be consolidated.

Edgar Filing: ENERGY POWER SYSTEMS LTD - Form 6-K

Your percentage ownership in the Corporation will remain essentially unchanged. No fractional shares will be issued in connection with the reverse split.

The reverse split will not affect the Corporation's shareholders' equity as reflected on our financial statements, except to change the number of issued and outstanding common shares.

EFFECTIVE DATE OF THE REVERSE SPLIT

If the proposal is approved by shareholders, it will become effective according to the discretion of the Board of Directors after considering all relevant matters. If implemented, after the reverse split is effective, certificates representing shares of pre-reverse split common shares will be deemed to represent only the right to receive the appropriate number of shares of post-reverse split common shares.

EXCHANGE OF CERTIFICATES

Shareholders are entitled to exchange certificates after the reverse split takes place, if you wish, by contacting our transfer agent Equity Transfer Services Limited, 120 Adelaide Street West, Suite 420, Toronto, Ontario, M5H 4C3.

The special resolution shareholders will be asked to approve is attached to this Circular as Exhibit "1". To be approved, the special resolution must be passed by at least two-thirds of the votes cast by shareholders at the Meeting in respect of this special resolution. UNLESS OTHERWISE SPECIFIED, THE PERSONS NAMED IN THE ENCLOSED FORM OF PROXY WILL VOTE FOR THE SPECIAL RESOLUTION. Management recommends the approval of this proposal.

NAME CHANGE

The Board of Directors of the Corporation has determined that the name of the Corporation be changed from its current name to permit the pre-consolidated and post-consolidated common shares to be differentiated. The proposed name for the Corporation is "Energy Power Corp." or such other name as approved by the Board of Directors of the Corporation and applicable regulatory and exchange authorities.

To change the name, the articles of the Corporation must be amended. Such an amendment must be authorized by a special resolution of shareholders. Shareholders of the Corporation will therefore be asked at the Meeting to consider and, if thought advisable, to authorize by means of a special resolution, an amendment to the articles of the Corporation to change the name of the Corporation to "Energy Power Corp." or such other name as may be approved by the Board of Directors of the Corporation and applicable regulatory and exchange authorities.

The special resolution shareholders will be asked to approve is attached to this Circular as Exhibit "2". To be approved, the special resolution must be passed by at least two-thirds of the votes cast by shareholders at the Meeting in respect of this special resolution. UNLESS OTHERWISE SPECIFIED, THE PERSONS NAMED IN THE ENCLOSED FORM OF PROXY WILL VOTE FOR THE SPECIAL RESOLUTION.

APPROVAL OF AN AMENDMENT TO THE STOCK OPTION PLAN

The Corporation's shareholders approved a stock option plan in 1996, which provides for the issuance of options to directors, officers, employees, consultants and other persons who provide ongoing services to the Corporation (the "PLAN"). On November 12, 2002, the Board unanimously approved, subject to approval by the Corporation's shareholders, an amendment to the Plan to increase the number of common shares available for options granted under the Plan. The

Edgar Filing: ENERGY POWER SYSTEMS LTD - Form 6-K

Plan currently provides that the maximum aggregate number of shares reserved for issuance and which may be purchased upon the exercise of all options granted under the Plan shall not exceed 800,000 common shares. As stated elsewhere in this Circular, as at the date of this Circular there are 10,578,645 common shares of the Corporation issued and outstanding. Management of the Corporation is proposing that the maximum number of common shares of the Corporation eligible to be issued pursuant to the grant of options under the Plan be increased to 20% of the issued and outstanding common shares of the Corporation from time to time. If the Consolidation is approved and implemented by the Corporation, the maximum number of shares issuable under the Plan will be consolidated accordingly.

To maximize the utility of the Plan, it is the view of the board of directors of the Corporation that it is desirable to increase the number of common shares eligible for issuance pursuant to the grant of options thereunder to the maximum of 20% of the issued and outstanding common shares. Pursuant to applicable securities regulations, however, shareholder approval is required for any such amendment to the Plan. Accordingly, shareholders of the Corporation will be asked at the Meeting to consider, and if thought advisable, to authorize and approve by means of an ordinary resolution, an amendment to the Plan, increasing the maximum number of common shares of the Corporation issuable pursuant to the grant of options thereunder to 20% of the issued and outstanding common shares. The resolution shareholders will be asked to approve is attached to this Circular as Exhibit "3". To be approved, the resolution must be passed by a majority of the votes cast by the shareholders at the Meeting in respect of this resolution. UNLESS OTHERWISE SPECIFIED, THE PERSONS NAMED IN THE ENCLOSED PROXY WILL VOTE FOR THE RESOLUTION.

ADVANCE APPROVAL OF ISSUANCE OF COMMON SHARES

Management of the Corporation is continuing to evaluate potential acquisitions and exploration and development opportunities to complement the existing operations of the Corporation and to enhance future growth. In order to find a suitable acquisition and or to provide working capital, the Corporation may be required to raise additional capital by way of one or more private placements with or without combined possible debt financing.

The Corporation will be seeking at the Meeting advance shareholder approval for share issuances by the Corporation, pursuant to one or more private placements. The Corporation proposes that the private placement(s) for which advance approval is being sought be restricted to a maximum of 100% of the number of Common Shares issued and outstanding at the date of this Circular, being 10,578,645 Common Shares. If the consolidation is approved by the shareholders and implemented, the number of Common Shares issuable pursuant to this resolution will also be adjusted accordingly.

Any private placement proceeded with by the Corporation under the advance approval may be subject to regulatory and exchange approval and to the following additional restrictions:

- (a) It must be completed within a twelve month period following the date the shareholder approval is given; and
- (b) It must comply with applicable regulatory and exchange requirements and relevant private placement pricing rules.

The Board of Directors of the Corporation do not necessarily intend to authorize the issuance of the entire number of shares authorized pursuant to the proposed resolution. The private placements will be negotiated only if the directors consider the terms reasonable in the circumstances and if the directors consider that the funds are required to maintain or expand the Corporation's operations.

Edgar Filing: ENERGY POWER SYSTEMS LTD - Form 6-K

Shareholders of the Corporation will therefore be asked at the Meeting to consider and, if thought advisable, to authorize by means of an ordinary resolution, the issuance by the Corporation during the twelve months following the Meeting, pursuant to one or more private placements, of a maximum of 100% of the number of common shares issued and outstanding at the date of this Circular, currently being 10,578,645 Common Shares, at such price or prices and on such terms as the Board of Directors of the Corporation considers appropriate, subject to the restrictions referred to above.

The resolution shareholders will be asked to approve is attached to this Circular as Exhibit "4". To be approved, the resolution must be passed by a majority of the votes cast by shareholders at the Meeting in respect of this resolution. UNLESS OTHERWISE SPECIFIED, THE PERSONS NAMED IN THE ENCLOSED PROXY WILL VOTE FOR THE RESOLUTION.
