PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Peoples Financial Services Corp., parent company of Peoples National Bank, for use at the Company's Annual Meeting of Shareholders to be held on April 24, 2004, (the Meeting) at 8:30 a.m. E.S.T. at the Harford Fire Company, Harford, Pennsylvania. The Proxy Statement and the accompanying proxy are first being mailed to Shareholders of the Company on or about March 21, 2004.

PROXIES

The execution and return of the enclosed proxy will not affect a Shareholder's right to attend the Meeting and vote in person. Any Shareholder giving a proxy may revoke it at any time before it is exercised by submitting written notice of its revocation of a subsequently executed proxy to the Secretary of the Company, Debra E. Dissinger, 50 Main Street, P0 Box A, Hallstead, Pennsylvania, 18822, or by attending the Meeting and electing to vote in person after giving written notice thereof to the Secretary of the Company. Shareholders of record at the close of business on February 27, 2004 are entitled to notice of, and to vote at, the Meeting. On that date, the Company had 3,165,623 shares of common stock outstanding (the Common Stock), par value \$2.00 per share, each of which will be entitled to one vote at the Meeting.

If the enclosed proxy is appropriately marked, signed, and returned in time to be voted at the Meeting, the shares represented by the proxy will be voted in accordance with the instructions marked thereon. Any proxy not specifying to the contrary will be voted FOR the election of the

Edgar Filing: PEOPLES FINANCIAL SERVICES CORP/ - Form DEF 14A

nominees for Class III Directors, FOR the election of the Class I Director, and FOR the appointment of Beard Miller Company LLP, Certified Public Accountants and Consultants, as the independent auditors for the year ending December 31, 2004.

Shares represented by properly executed proxies on the accompanying form will be voted FOR the nominees of the Board of Directors named unless otherwise specified on the proxy by the Shareholder. Any Shareholder who wishes to withhold authority from the proxyholders to vote for the election of Directors or to withhold authority to vote for any individual nominee may do so by marking his or her proxy to that effect. No proxy may be voted for a greater number of persons than the number of nominees named. If any nominee should become unable to serve, the persons named in the proxy may vote for another nominee. The Company's Board of Directors and management, however, have no present reason to believe that any nominee listed will be unable to serve as a Director, if elected.

REQUIRED VOTE

- The presence, in person or by proxy, of the holders of a majority of the Shares entitled to vote generally for the election of Directors is necessary to constitute a quorum at the Meeting. Abstentions and broker non-votes are counted as present and entitled to vote for purposes of determining a quorum. A broker non-vote occurs when a nominee holding Shares for a beneficial owner does not vote on a particular proposal because the nominee does not have

discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

- Directors are elected by a plurality of the votes cast at the meeting. The affirmative vote of the holders of a majority of the votes cast at the meeting is required to ratify the appointment by the Board of Directors for Beard Miller Company LLP, Certified Public Accountants and Consultants, as the independent auditors for the year-ending December 31, 2004. Abstentions and broker non-votes will not be considered as votes cast for purposes of the Meeting.

COST OF PROXY SOLICITATION

The expense of soliciting proxies will be borne by the Company. It is expected that the solicitation of proxies will be primarily by mail. The Company's Directors, Officers and Employees may also, but without compensation other than their regular compensation, solicit proxies by further mailings or personal conversations, or by telephone, fax, or other electronic means.

GOVERNANCE OF THE COMPANY

Pursuant to the Pennsylvania General Corporate Law and the Company's By-Laws, the business, property and affairs of the Company are managed under the direction of the Board of Directors. Members of the Board are kept informed of the Company's business through discussions with the CEO and Officers, by reviewing materials provided to them, and by participation in meetings of the Board and its committees.

During 2003, all of the Directors of the Company attended at least 75% of the aggregate of all meetings of the Company's and the Bank's Boards of Directors and Board committees on which they served.

COMMITTEES OF THE BOARD OF DIRECTORS

The Company's Board of Directors met five times during 2003 and the Bank's Board of Directors met 12 times during 2003.

The Company's Board of Directors is authorized, under the Company's By-Laws, to create an Executive Committee and other Board committees. At present, no committees have been established, and all committee functions are performed by committees of the Bank's Board. The Bank's Board has eight standing committees Executive, Compensation, Audit/Compliance, Asset/Liability, Human Resources and Marketing, Loan Administration, Branch, and Nominating.

The Executive Committee of the Bank met one time during 2003. It is a fixed committee comprised of the Chairman, the Vice Chairman, the President/CEO and one Board Member at Large. The Board Member at Large was George H. Stover, Jr. This committee may exercise the authority of the Bank's Board to the extent permitted by law during intervals between meetings of the Board. The Executive Committee of the Bank may also be assigned other duties by the Bank's Board.

The Compensation Committee of the Bank met one time during 2003. This committee reviews and recommends compensation policies and plans. Gerald R. Pennay was the Chairman of the Committee. The other Committee members were Jack M. Norris, John W. Ord and George H. Stover, Jr. Mr. Ord is the current President and CEO of Peoples National Bank. While Mr. Ord was specifically excluded from any Committee discussion concerning his own compensation, he does participate in the Committee's discussion concerning other key Executives' compensation. See Exhibit 1.

Edgar Filing: PEOPLES FINANCIAL SERVICES CORP/ - Form DEF 14A

The Audit/Compliance Committee of the Bank met four times during 2003. It supervises the compliance and internal audit program of the Bank and recommends the appointment of, and serves as the principal liaison between, the Board and the Company's independent accountants. The Audit/Compliance Committee also reports to the Board on the general financial condition of the Bank. During the year, the Board examined the composition of the Audit Committee and confirmed that the members of the Audit Committee are independent as defined by the Securities and Exchange Commission.

The Asset/Liability Committee of the Bank met 12 times during 2003. It monitors and helps control the Bank's risk position by recommending the allocation of funds within guidelines for rate sensitivity, time deposits, liquidity, Federal Funds borrowing, loans, investments, dividends and tax position. The Asset/Liability Committee is responsible for developing such guidelines, guiding the Bank's investments, and coordinating the Bank's budget process.

The Human Resources and Marketing Committee of the Bank met four times during 2003. It is responsible for sound human resources management (e.g., in employment, compensation, and performance appraisals). This Committee is also responsible for evaluation, planning and supervision of the marketing of the Bank's products and services and also oversees community relations and other public relations activities.

The Loan Administration Committee of the Bank met four times during 2003. It assists the Bank's Board of Directors in discharging its responsibility for the lending activities of the Bank by reviewing loans, lines of credit, floor plans, and compliance. The Loan Administration Committee recommends lending authorizations and is responsible for assuring that the Bank's loan activities are carried out in accordance with loan policies. The Loan Administration Committee is also responsible for ensuring the adequacy of the Bank's loan loss reserve.

The Branch Committees of the Bank each met 10 times during 2003. There is one committee assigned to each branch of the Bank. These Committees are responsible for monitoring the operations, goals, and profitability of the branches.

The Nominating Committee of the Bank met one time during 2003. It is a committee comprised of the Chairman, Vice Chairman, and one Board Member at Large. The 2003 Board Member at Large was George H. Stover, Jr. The members of this committee are independent directors as defined in the Nasdaq listing standards. See Exhibit 2.

COMPENSATION OF DIRECTORS

Each member of the Board of Directors receives \$500 for each Bank Board meeting and committee members receive \$200 for each committee meeting they attend. Mr. Ord is not compensated for committee meetings. All Outside Directors receive a retainer of \$1,200 per year. Effective May 1, 2003, the retainer was increased to \$200 per month and on June 1, 2003, was increased to \$600 per month, payable in advance quarterly. The Chairman of the Board receives an additional \$250 per month. Each member of the Board of Directors received \$600 profit sharing based on results of 2003.

DIRECTORS STOCK OPTIONS

On June 2, 2003 each Director received an option to purchase 250 shares of Common Stock pursuant to the Company's 1998 Stock Option Plan. These options have an exercise price of \$27.50, a five-year vesting term, and will expire ten years from the date of the grant.

DIRECTORS LIFE INSURANCE

Each Director has \$50,000 of split dollar life insurance with premiums paid by the Bank. The total of premiums paid in 2003 was \$9,232.91. Under this split dollar life insurance agreement, the Company will receive an amount from the cash value of death proceeds of the policy equal to its premium advances. In view of recent changes in the rules for split dollar insurance, those directors with split dollar insurance either terminated their policies as of 12/31/03 or will reimburse the Bank for premiums paid previously by the Bank. Termination of coverage resulted in cash surrender proceeds paid to the Bank to cover previous premium payments.

COMPENSATION OF DIRECTORS

5

DIRECTORS HEALTH INSURANCE

Health insurance is provided to Directors under the same terms and conditions as the Employees of the Bank. The total of premiums paid by the Bank in 2003 was \$4,802. BOARD COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

This Report of the Compensation Committee covers the following topics:

- Role of the Corporate Governance and Compensation Committee relative to the compensation program
- Executive Compensation Guiding Principles
- Components of the Compensation Program
- Compensation of the Chief Executive Officer

ROLE OF THE CORPORATE GOVERNANCE AND COMPENSATION COMMITTEE

The Committee is made up of four members of the Board of Directors. Three of them are not current or former employees of the Company. The Committee sets the overall compensation principles of the Company and reviews the entire program at least annually. This includes each element described below, the measurement used to make payments of awards under the Company's incentive plans and the overall effectiveness

of the program. The committee specifically reviews and establishes the individual compensation levels for the top four members of the senior leadership team, including the Chief Executive Officer. The committee has considered the advice of an independent outside consultant in determining the appropriateness and the level of compensation.

EXECUTIVE COMPENSATION GUIDING PRINCIPLES

Peoples National Bank has developed a compensation program that is intended to motivate and retain the key talent it needs to be a market leader in a highly competitive industry. The Committee and the Company's leadership team developed this program to support the Company's aggressive business strategy. The following principles guided the development of the program:

- Compensation opportunity should be related to performance. That is, if Peoples National Bank's and the individual's performance are at the median of those companies with whom we compete for talent, then pay should also be at the median. Opportunity should increase proportionately if Peoples National Bank's or the individual's performance is above the median. On the other hand, if performance is at less than the median, any award payment will be at the Committee's discretion.
- Ownership of the Company's shares should be pervasive throughout the Company with each individual having a number of opportunities to own Peoples Financial Services Corp. stock. To that end, stock options were granted to all eligible employees in May 1998. In May or June of each following year, stock option grants were made to key officers. The overall intent is to encourage each employee to be, and to behave like, an owner of the business.

PFSC Proxy Statement

12

- As described later in this report, our compensation programs are designed to balance short- and long-term financial objectives, build Shareholder value and reward for individual, team and corporate performance.
- The proportion of total pay that is at risk against individual and Company performance objectives increase with the more senior positions. For example, in 2003, approximately 11% of the President's total target pay opportunity was at risk against short- and long-term performance goals.

Survey data is compiled by an independent outside consultant to ensure that our total program is competitive. Compensation data includes 103 institutions, which includes 75 commercial banks or bank holding companies, 24 savings institutions, and 4 credit unions.

COMPONENTS OF THE COMPENSATION PROGRAM

The three components of the total compensation program are:

- Base Salary
- Short-Term Incentives
- Long-Term Incentives

1. Base Salary

Base salaries for all Officers have been set at levels that are comparable to similar positions at other companies with whom we compare for compensation purposes.

2. Short-Term Incentives

The annual bonus component of incentive compensation is designed to align executive pay with short-term (annual) performance of the Company.

Edgar Filing: PEOPLES FINANCIAL SERVICES CORP/ - Form DEF 14A

In 2003, the annual bonus opportunity was based on the goals and objectives set forth in the strategic plan. Distribution of bonuses was based on job position and performance ratings.

3. Long-Term Incentives:

The Bank has an employee stock ownership plan covering substantially all employees. Contributions to the plan are at the discretion of the Board of Directors. Employer contributions are allocated to participant accounts based on their percentage of total base and short-term incentive compensation for the plan year.

The Bank also maintains a profit sharing plan under the provisions of Section 401(k) of the Internal Revenue Code. The plan covers substantially all Employees who have completed one year of service. Contributions to the plan by the Bank equal 50% of the employee contribution up to a maximum of 6% of annual salary.

On May 1, 1998, the company made a grant of stock options to substantially all employees. These options have an exercise price of \$14.80 (price adjusted to reflect the Company's five for two stock split in September 1998 and three for two stock split in May 2003). The option vests after five years of service and will expire 10 years from the date of the grant. For 1999, 2000, 2001 and 2002, stock option grants were made to key officers. The exercise price of these grants are \$17.00, \$18.33, \$16.50, and \$18.00, respectively. These option grants have an expiration date of 10 years from the date of the grant. In 2003, stock option grants were made to key officers with an exercise price of \$27.50. These options vest after five years and will expire 10 years from the date of the grant.

PFSC Proxy Statement

13

COMPENSATION OF THE CHIEF EXECUTIVE OFFICER

In fiscal 2003, the Company's most highly compensated Officer was John W. Ord, CEO and President. In 2003, Mr. Ord's total compensation included 47% in base salary, 7% in short-term incentive, and 46% in long-term compensation.

The guidelines and factors considered by the Committee in determining compensation include corporate profitability measured by return on assets, stock prices, asset quality, loan loss reserve levels, market share, regulatory capital strength, cost control, and regulatory examination. The Committee based compensation on the fact that the company performed well in a time when the market conditions were very challenging. The company maintained its competitive position.

Base Salary:

The Committee increased Mr. Ord's base salary from \$146,400 in 2002 to \$156,600 in 2003 and Mrs. Dissinger's from \$83,750 in 2002 to \$87,937 in 2003. Mr. Ord's base pay includes Director's fees.

Short-Term Incentives:

EXECUTIVE EMPLOYMENT AGREEMENTS

In February 1997, the Company entered into an employment agreement with John W. Ord, President and Chief Executive Officer of the Company. The agreement is for an initial three-year term and is renewed annually for a three-year term unless notice of nonrenewal is given by either party in which case the agreement will expire at the end of the existing term.

The agreement provides for a base salary of a minimum of \$100,000 per year and for such incentive bonuses as may be awarded to the Executive under any incentive compensation plan which may be in effect or otherwise in the discretion of the Board of Directors. If the Executive's employment is terminated without cause (as defined in the agreement) or the Executive terminates his employment for good reason (as defined in the agreement) following a change in control of the Company, the Executive becomes entitled to severance benefits under the agreement. Good reason includes a reduction in title, responsibilities, or authority, a reassignment, which requires the Executive to move his principal residence, a reduction in salary, or a failure to provide the Executive with comparable benefits following a change in control. If any such termination occurs following a change in control, the Executive will be entitled generally to a lump-sum payment equal to 2.99 times his average annual compensation for the five years preceding the year of termination. In the event that the Executive's employment is terminated by the Company without cause in the absence of a change in control, the Executive will be entitled generally to a lump-sum payment equal to 2.0 times the sum of his highest annual compensation in the prior three years plus certain pension and welfare benefits received in the relevant year.

Mr. Ord's agreement contains provisions restricting his ability to compete with the Company under certain circumstances following termination of his employment.

In February 1997, the Company also entered into a severance agreement with Debra E. Dissinger, Executive Vice President of the Company, which provides for certain severance benefits in the event Mrs. Dissinger's employment is terminated or she resigns for specified reasons following a change in control of the Company. Under this agreement, Mrs. Dissinger would be entitled generally to a severance benefit equal to 2.0 times her average annual compensation for the five years preceding the year of termination. No benefits are payable under this agreement in the event Mrs. Dissinger's employment is terminated for cause or in the event her employment is terminated for any reason prior to a change in control. The specified reasons for termination under this agreement is substantially similar to the events of good reason contained in Mr. Ord's agreement.

Some of the Directors and Officers of the Company, and the companies with which they are associated, are customers of, and during 2003 had banking transactions with, the Bank in the ordinary course of the Bank's business, and intend to do so in the future. All loans and commitments to loan included in such transactions were made under substantially the same terms, including interest rates, collateral, and repayment terms, as those prevailing at the time for comparable transactions with other persons and, in the opinion of the Bank's Management, do not involve more than the normal risk of collection or present other unfavorable features.

REPORT OF THE AUDIT COMMITTEE

The following report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other company filing under the Securities Act of 1933 or the Securities and Exchange Act of 1934, except to the extent the company specifically incorporates the report by reference therein.

The Company's Board of Directors does not have an Audit Committee. The Audit Committee of the Bank performs the same functions as an Audit Committee of the Company. The members of the Bank's Audit Committee are Richard S. Lochen, Jr., CPA, Gerald R. Pennay, and Jack M. Norris. The committee met four times during fiscal 2003. The Committee schedules its meetings with a view to ensuring that it devotes appropriate attention to all of its tasks. The Committee's meetings include, whenever appropriate, executive sessions with the Company's independent auditors and with the Company's internal management auditors, in each case without the presence of the Company's management. In

Edgar Filing: PEOPLES FINANCIAL SERVICES CORP/ - Form DEF 14A

addition, the Committee reviewed major initiatives and programs aimed at strengthening the effectiveness of the Company's internal control structure. As part of this process, the Committee continued to monitor the scope and adequacy of the Company's internal auditing program, reviewing staffing levels and steps taken to implement recommended improvements in internal procedures and controls.

Audit Fees Audit fees billed to the Company by Beard Miller Company LLP during the Company's 2003 fiscal year for the audit of the Company's annual financial statements and the review of financial statements included in the Company's quarterly reports on Form 10-Q totaled \$37,800. Fees for all other non-audit services totaled \$2,641, and tax-related services totaled \$4,649.

Financial Information Systems Design and Implementation Fees The Company did not engage Beard Miller Company LLP to provide advice to the Company regarding financial information systems design and implementation during fiscal year ended December 31, 2003.

The Audit Committee of the Bank has reviewed the audited financial statements of the Company for the fiscal year ended December 31, 2003, and discussed them with management and the Company's independent accountants, Beard Miller Company LLP. The Audit Committee also has discussed with the independent accountants the matters required to be discussed by the US Statements of Auditing Standards No. 89 and 90. The Bank's Audit Committee has received from the independent accountants the written disclosures and letter required by the US Independence Standards Board Standard No. 1, and the Audit Committee has discussed the accountants' independence from the Company and management with the accountants. Based on the review and discussions, the Bank's Audit Committee recommended to the Board of Directors that the Company's audited financial statements for the fiscal year ended December 31, 2003, be included in the Company's Annual Report and its Form 10K for that fiscal year.
