PROXY STATEMENT

2012 ANNUAL MEETING OF SHAREHOLDERS

May 7, 2013

Introduction

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of IntelGenx Technologies Corp. (the **Company**) for use at the Company's Annual Meeting of Shareholders to be held on May 7, 2013, and at any adjournment thereof (the **Meeting**). Further, solicitation of proxies may be made personally, or by telephone or facsimile, by regularly employed officers and other employees of the Company, who will receive no additional compensation for such.

Only shareholders of record (each a **Shareholder** and collectively, the **Shareholders**) at the close of business on March 15, 2013 (the **Record Date**) are entitled to vote at the Meeting. As of the Record Date, there were issued and outstanding 50,302,922 shares of the Company's common stock (the **Common Stock**). Each outstanding share of Common Stock is entitled to one vote on all matters properly coming before the Meeting. All properly executed, unrevoked proxies on the enclosed form of proxy that are received in time will be voted in accordance with the Shareholder's directions and, unless contrary directions are given, will be voted for the proposals (each a **Proposal** and collectively the **Proposals**) described herein. Anyone giving a proxy may revoke it at any time before it is exercised by giving the board of directors of the Company written notice of the revocation, by submitting a proxy bearing a later date or by attending the Meeting and voting in person.

The presence in person or by properly executed proxy of holders representing a majority of the issued and outstanding shares of the Common Stock entitled to vote is necessary to constitute a quorum for the transaction of business at the Meeting. Assuming a quorum is present at the Meeting, approval of each of the two proposals presented herein requires the vote of a majority of the shares of Common Stock present or represented by proxy and voting at the Meeting. Votes cast by proxy or in person at the Meeting will be tabulated by the Secretary of the Company who will act as inspector of elections and who will determine whether or not a quorum is present. Shares of Common Stock represented by proxies that are marked **abstain** will be included in the determination of the number of shares present and voting for purposes of determining the presence or absence of a quorum for the transaction of business. Abstentions are not counted as voted either for or against a Proposal.

The Board of Directors of the Company (the Board) has adopted and approved each of the Proposals set forth herein and recommends that the Company's Shareholders vote FOR each of the Proposals.

Copies of the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2012 (the **2012 Fiscal Year**) including the audited financial statements set forth therein, which are incorporated by reference into this Proxy Statement and made a part hereof, are being mailed or sent electronically concurrently herewith to all Shareholders of record at the close of business on March 15, 2013.

This Proxy Statement, the accompanying Notice of Meeting and the form of proxy have been first mailed to the Shareholders on or about March 18, 2013.

The date of this Proxy Statement is March 18, 2013.

QUESTIONS AND ANSWERS ABOUT THE MEETING AND VOTING

1. WHAT IS A PROXY?

It is your legal designation of another person to vote the stock that you own. That other person is called a proxy. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. Dr. Horst Zerbe, our President and Chief Executive Officer, has been designated as a proxy for the 2013 Annual Meeting of Shareholders.

2. WHAT IS THE RECORD DATE AND WHAT DOES IT MEAN?

The record date for the 2013 Annual Meeting of Shareholders is March 15, 2013. The record date is established by the Company as required by Delaware law and our By-laws. Shareholders of record (registered shareholders and street name holders) at the close of business on the record date are entitled to:

- (a) receive notice of the meeting; and
- (b) vote at the meeting and any adjournments or postponements of the meeting.

3. WHAT IS THE DIFFERENCE BETWEEN A REGISTERED SHAREHOLDER AND A SHAREHOLDER WHO HOLDS STOCK IN STREET NAME?

If your shares of stock are registered in your name on the books and records of our transfer agent, you are a registered shareholder.

If your shares of stock are held for you in the name of your broker or bank, your shares are held in street name. The answer to Question 12 describes brokers' discretionary voting authority and when your bank or broker is permitted to vote your shares of stock without instructions from you.

4. WHAT ARE THE DIFFERENT METHODS THAT I CAN USE TO VOTE MY SHARES OF COMMON STOCK?

- (a) Vote By Internet

All shareholders of record can vote by Internet as instructed on the proxy card.

- (b) In Writing:

All shareholders of record can vote by mailing in their completed proxy card (in the case of registered shareholders) or their completed vote instruction form (in the case of street name holders).

- (c) In Person:

All shareholders may vote in person at the meeting (unless they are street name holders without a legal proxy).

5. HOW CAN I REVOKE A PROXY?

You can revoke a proxy prior to the completion of voting at the meeting by:

- (a) giving written notice to our Secretary;

- (b) delivering a later-dated proxy; or
- (c) voting in person at the meeting.

6. WHAT ARE THE VOTING CHOICES WHEN VOTING ON DIRECTOR NOMINEES, AND WHAT VOTE IS NEEDED TO ELECT DIRECTORS?

When voting on the election of director nominees to serve until the 2014 Annual Meeting of Shareholders, shareholders may:

- (a) vote in favor of all nominees;
- (b) vote to withhold votes as to all nominees; or
- (c) withhold votes as to specific nominees.

Directors will be elected by a plurality of the votes cast. Our Board recommends a vote **FOR** all of the nominees.

7. WHAT ARE THE VOTING CHOICES WHEN VOTING ON THE RATIFICATION OF THE SELECTION OF RICHTER LLP, AND WHAT VOTE IS NEEDED TO RATIFY ITS SELECTION?

When voting on the ratification of the selection of Richter LLP as our independent registered public accounting firm, shareholders may:

- (a) vote in favor of the ratification;
- (b) vote against the ratification; or
- (c) abstain from voting on the ratification.

The selection of the independent registered public accounting firm will be ratified if the votes cast **FOR** are a majority of the votes present at the meeting. The Board recommends a vote **FOR** this proposal.

8. WHAT IF A SHAREHOLDER DOES NOT SPECIFY A CHOICE FOR A MATTER WHEN RETURNING A PROXY?

Shareholders should specify their choice for each matter on the enclosed proxy. If no specific instructions are given, proxies which are signed and returned or submitted by e-mail will be voted **FOR** the election of all director nominees, and **FOR** the proposal to ratify the selection of Richter LLP.

9. WHO IS ENTITLED TO VOTE?

You may vote if you owned stock as of the close of business on March 15, 2013. Each share of our common stock is entitled to one (1) vote.

10. WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY CARD?

It means that your shares are registered differently or that you have multiple accounts with brokers or our transfer agent. Please vote all of these shares. We recommend that you contact your broker or our transfer agent to consolidate as many accounts as possible under the same name and address. Our transfer agent for the Proxy Service is Broadridge ICS, 51 Mercedes Way, Edgewood, NY 11717, Tel. 631-274-2535.

11. WILL MY SHARES BE VOTED IF I DO NOT PROVIDE MY PROXY?

If your shares are registered in your name, they will not be voted unless you submit your proxy card, or vote in person at the meeting. If your shares are held in street name, your bank, brokerage firm or other nominee, under some circumstances, may vote your shares.

Brokerage firms, banks and other nominees may vote customers' un-voted shares on routine matters. Generally, a broker may not vote a customer's un-voted shares on non-routine matters without instructions from the customer and must instead submit a broker non-vote. A broker non-vote is counted toward the shares needed for a quorum, but it is

not counted in determining whether a matter has been approved. At the meeting, the election of directors is a non-routine matter and the verification of the auditors is a routine matter.

12. ARE ABSTENTIONS AND BROKER NON-VOTES COUNTED?

7

Broker non-votes will not be included in vote totals and will not affect the outcome of the vote for directors. In matters other than the elections of directors, abstentions and broker non-votes have the effect of votes against a proposal in tabulations of the votes cast on proposals presented to shareholders.

13. HOW MANY VOTES MUST BE PRESENT TO HOLD THE MEETING?

To hold the meeting and conduct business, one-third of our outstanding voting shares as of March 15, 2013 must be present or represented by proxy at the meeting. On this date, a total of 50,302,922 shares of our common stock were outstanding and entitled to vote. Shares representing one-third must be present. This is called a quorum.

Votes are counted as present at the meeting if the shareholder either:

- (a) Is present and votes in person at the meeting; or
- (b) Has properly voted by Internet or submitted a proxy card.

14. WHERE CAN I FIND THE VOTING RESULTS OF THE ANNUAL MEETING?

We will announce preliminary voting results at the annual meeting and publish final results on a current report filed on Form 8-K within four business days of the end of the meeting.

15. UNDER WHAT CIRCUMSTANCES WOULD THE ANNUAL MEETING BE ADJOURNED?

The annual meeting may be adjourned in the absence of a quorum for the purpose of obtaining a quorum.

Any adjournment may be made without notice, other than by an announcement made at the annual meeting, by the affirmative vote of a majority of the voting shares present in person or by properly executed proxy at the annual meeting.

16. WHO CAN HELP ANSWER YOUR QUESTIONS

The Company's Board of Directors is responsible for overseeing the business and affairs of the Company. Members of the Board are kept informed of our business through discussions with the Chief Executive Officer and other officers, by reviewing materials provided to them and by participating in meetings of the Board and its committees.

The Board is currently comprised of Mr. Horst G. Zerbe, who serves as our Chairman, President and Chief Executive Officer, and five independent directors. The Company does not have an independent lead director. The Board believes that there is no single best organizational model that is the most effective in all circumstances and that the shareholders' interests are best served by allowing the Board to retain the flexibility to determine the optimal organizational structure for the Company at a given time, including whether the Chairman role should be held by an independent director or a senior executive who serves on the Board.

We believe that the Company, like many U.S. companies, is currently best served by having one person serve as both Chief Executive Officer and Chairman of the Board. The Board believes that through this leadership structure, Mr. Zerbe is able to draw on his intimate knowledge of the daily operations of the Company and its relationships with partners, customers and employees to provide the Board with leadership in setting its agenda and properly focusing its discussions. As the individual with primary responsibility for managing our day-to-day operations, Mr. Zerbe is also best-positioned to chair regular Board meetings and ensure that key business issues are brought to the Board's attention. The combined role as Chairman and Chief Executive Officer also ensures that the Company presents its message and strategy to shareholders, partners, customers, employees and other stakeholders with a unified, single voice.

Independence of Members of the Board of Directors

The Board of Directors has determined that four of our directors, Bernie Boudreau, Ian Troup, Bernd Melchers and John Marinucci are independent within the meaning of the director independence standards of both The Nasdaq Stock Market, LLC (NASDAQ), and the Securities and Exchange Commission (SEC), including Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended.

Meetings of the Board of Directors

The Company's Board of Directors held four meetings during our 2012 Fiscal Year. All our directors attended at least 75% of the meetings and of the committee meetings on which they served.

The Company encourages the members of the board to attend the Annual General Meeting to be available to answer shareholder's questions. All of our directors attended the last Annual Meeting in May 2012.

Compensation of the Board of Directors

Directors are reimbursed for their out-of-pocket expenses incurred in attending meetings of the Board of Directors. As described below in "Director Compensation", during our 2012 Fiscal Year, our non-employee directors of the board received an annual stipend of \$12,007 (CAN\$12,000), paid in quarterly installments. Furthermore, an attendance fee of \$1,000 (CAN\$1,000) was paid per board meeting. The chairmen of the board committees received an additional \$500 (CAN\$500) and the members of the committees received an additional CAD\$250 (CAN\$250) for attending the committee meetings.

Our Audit Committee assists our board of directors in fulfilling its responsibilities for oversight and supervision of financial and accounting matters. The chairman of the Audit Committee is J. Bernard Boudreau. Our Audit Committee's responsibilities include, among others (i) recommending to the board of directors the engagement of the external auditor and the terms of the external auditor's engagement; (ii) overseeing the work of the external auditor, including dispute resolution between management and the external auditor, if required; (iii) pre-approving all non-audit services to be provided to us by our external auditor; (iv) reviewing our financial statements, management's discussion and analysis and annual and interim earnings press releases before this information is publicly disclosed; (v) assessing the adequacy of procedures for our public disclosure of financial information; (vi) establishing procedures to deal with complaints received by us relating to our accounting and auditing matters; and (vii) reviewing our hiring policies regarding employees of our external auditor or former auditor. We have adopted, along with our Audit Committee, a written charter of the Audit Committee setting out the mandate and responsibilities of the Audit Committee which provides that the Audit Committee convene no less than four times per year.

The Audit Committee Charter is posted on our website at <http://www.intelgenx.com>.

Accordingly, the Audit Committee discusses with Richter LLP, our auditors, our audited financial statements, including, among other things, the quality of our accounting principles, the methodologies and accounting principles applied to significant transactions, the underlying processes and estimates used by our management in our financial statements and the basis for the auditor's conclusions regarding the reasonableness of those estimates, in addition to the auditor's independence.

Audit Committee Financial Expert. Mr. Bernd Melchers and Mr. John Marinucci are audit committee financial experts under the rules of the SEC. Mr. Melchers is an independent director as defined in the Nasdaq Stock Market, Inc. Marketplace Rules and meets the independence and experience requirements of the SEC.

Compensation Committee. The Compensation Committee of the Board of Directors currently consists of Ian Troup and J. Bernard Boudreau. The Compensation Committee held its formal annual meeting on November 29, 2012 for the 2012 fiscal year.

Our Compensation Committee is comprised of non-management members of our board of directors and is required to convene at least annually. Mr. Ian Troup is the chairman of the committee. The Compensation Committee does not have a charter.

Compensation Committee Interlocks and Insider Participation. As stated above, the Compensation Committee consists of J. Bernard Boudreau and Ian Troup. There are no interlocking relationships, as described by the Securities and Exchange Commission, between the Compensation Committee members.

Board's Role in Risk Oversight

Our management has responsibility for managing day-to-day risk and for bringing the most material risks facing the Company to the Board's attention. The Board takes an active role in risk oversight related to the Company both as a full Board and through its committees. To facilitate the Board's risk oversight responsibility, management provides the Board with information about its identification, assessment and management of critical risks and its risk mitigation strategies. This information is communicated to the Board and its committees at regular and special meetings, through reports, presentations and discussions with key management personnel and representatives of outside advisors, such as our independent auditors, as appropriate. [These matters are further discussed by the Board and committees in executive sessions without the presence of management.]

During regular Audit Committee meetings, committee members discuss the financial results for the most recent fiscal quarter with the independent auditors, Chief Financial Officer and Chief Executive Officer. The Audit Committee also meets with and provides instruction to the independent auditors outside the presence of management. These discussions allow the members of the Audit Committee to analyze any significant risks that could materially impact the financial health of our business.

The Compensation Committee oversees the company's executive compensation arrangements, including the identification and management of risks that may arise from the Company's compensation policies and practices.

Executive Compensation

The key objectives of the Company's executive compensation policies are to attract and retain key executives who are important to the long-term success of the Company and to provide incentives for these executives to achieve high levels of job performance and enhancement of shareholder value. The Company seeks to achieve these objectives by paying its executives a competitive level of base compensation for companies of similar size and industry and by providing its executives an opportunity for further reward for outstanding performance in both the short term and the long term.

Executive Officer Compensation. The Company's executive officer compensation program is comprised of three elements: base salary, annual cash bonus and long-term incentive compensation in the form of stock option grants.

Salary. The Compensation Committee and the Board of Directors will review base salaries for the Company's executive officers, taking into account individual experience, job responsibility and individual performance during the prior year. These factors are not assigned a specific weight in establishing individual base salaries. The Compensation Committee will also consider the Company's executive officers' salaries relative to salary information for executives in similar industries and similarly sized companies.

Cash Bonuses. The purpose of the cash bonus component of the compensation program is to provide a direct financial incentive in the form of cash bonuses to executives.

Stock Options. Stock options are the primary vehicle for rewarding long-term achievement of Company goals. The objectives of the program are to align employee and shareholder long-term interests by creating a strong and direct link between compensation and increases in share value. Under the Company's Stock Option Plan, the Board of Directors or the Compensation Committee may authorize the grant of options to purchase common stock of the Company to key employees of the Company. The options generally vest in increments over a period of two years established at the time of grant.

Nomination of Directors

We do not have a standing nominating committee and there is no written charter governing the nomination process. Nominations are made annually by our Board of Directors. Our Board of Directors believes it is appropriate for the full Board of Directors to serve this function.

The Board's process for identifying and evaluating potential nominees includes soliciting recommendations from directors and officers of the Company, holding meetings from time to time to evaluate biographical information and background materials relating to potential candidates and interviews with candidates. Additionally, the Board will consider persons recommended by shareholders of the Company in selecting the Board's nominees for election.

In considering whether to nominate any particular candidate, our Board of Directors applies various criteria, including the candidate's integrity, business acumen, knowledge of our business and industry, age, experience, diligence, the ability to act in the interests of all stockholders and any potential conflicts of interest. In addition to the foregoing criteria, our Board of Directors also considers diversity in its evaluation of candidates for board membership. Our Board of Directors believes that diversity with respect to viewpoint, skills and experience should be an important factor in board composition. Our Board of Directors does not assign specific weight to particular criteria, and no particular criterion is a prerequisite for each prospective nominee. Our Board of Directors believes that the backgrounds and qualifications of its directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow our Board of Directors to fulfill its responsibilities.

Stockholders may recommend individuals to our Board of Directors for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials to our principal office, 6425 Abrams, Ville St.-Laurent, Quebec H4S 1X9, Attn: Secretary. Assuming that appropriate biographical and background material has been provided on a timely basis, our Board of Directors will evaluate stockholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others. If our Board of Directors determines to nominate a stockholder-recommended candidate and recommends his or her election, then his or her name will be included in our proxy card for the next annual meeting.

PROPOSAL 3

APPROVAL TO AMEND THE 2006 STOCK OPTION PLAN TO INCREASE THE NUMBER OF SHARES AUTHORIZED FOR ISSUANCE PURSUANT TO THE PLAN

General

In August of 2006, the Board of Directors adopted the 2006 Stock Option Plan (the Plan). The adoption of the Plan was approved by the Company's stockholders at the Company's annual meeting of stockholders held on August 10, 2006.

The purpose of the Plan is to provide additional incentives to key individuals who are primarily responsible for the management, success and growth of the Company by offering selected directors, officers, employees and consultants of the Company an opportunity to purchase shares of the Company's common stock. The Plan provides for the grant of stock options. Options granted under the Plan may include Non-Qualified Stock Options, as well as Incentive Stock Options intended to qualify under Section 422 of the U.S. Internal Revenue Code of 1986, as amended.

1,600,749 shares of common stock were initially authorized for issuance under the Plan upon the exercise of stock options granted under the Plan. This number was equal to 10% of the Company's issued and outstanding stock at the time of adoption of the Plan. At the Annual General Meeting in 2008, the Shareholders of the Company approved the increase of shares available under the plan to 2,074,000. At the Annual General Meeting in 2010, the Shareholders of the Company approved the increase of shares available under the plan to 3,308,127. In accordance with the terms of the Plan, the Company is seeking to amend the Plan to further increase the number of shares authorized for issuance pursuant to the Plan from 3,308,127 to 5,030,292, or 10% of the Company's issued and outstanding shares as of March 23, 2013. The purpose of the increase is to ensure that the Company will have a sufficient reserve of common stock available under the Plan to provide eligible participants and potential future hires of the Company with the opportunity to purchase shares of common stock.

As of the date of this proxy statement, approximately 3,037,676 stock options have been granted under the Plan, 1,065,588 remain outstanding considering exercises, expirations and forfeitures.

Shareholder Vote Required

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THIS PROPOSAL # 3.

PROPOSAL 4

ADVISORY VOTE ON EXECUTIVE COMPENSATION

General

The Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act"), requires that the Company include in this Proxy Statement for the Meeting a non-binding, advisory stockholder vote to approve the compensation of the Company's executive officers as described in the above under *Directors and Executive Officers* and *Executive Compensation* set forth in the Proxy Statement.

This proposal, commonly known as a "say-on-pay" proposal, is a non-binding vote, but gives stockholders the opportunity to express their views on the compensation of the Company's named executive officers. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the named executive officers.

Accordingly, the following resolution is submitted for stockholder vote at the Meeting:

RESOLVED, that the stockholders of IntelGenx Technologies Corp. approve, on an advisory basis, the compensation of its named executive officers as disclosed in the Proxy Statement for the Annual Meeting held May 7, 2013, pursuant to Item 402 of Regulation S-K for smaller reporting companies is hereby approved.

As an advisory vote, this proposal is not binding on the Board of Directors. However, the Compensation Committee, which is responsible for designing and administering the Company's executive compensation program, values the opinions expressed by stockholders in their vote on this proposal and will consider the outcome of the vote when making future compensation decisions for named executive officers.

Shareholder Vote Required

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THIS PROPOSAL #4.

PROPOSAL 5

ADVISORY VOTE ON THE FREQUENCY OF FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION

General

Pursuant to the Dodd-Frank Act and recently enacted SEC rules, at least once every six years we are required to submit for shareholder vote a non-binding resolution to determine whether the shareholder advisory vote on executive compensation should occur every year, every two years, or every three years.

After careful consideration the Board of Directors believes that submitting the advisory vote on executive compensation to shareholders every year is appropriate for the Company and its shareholders at this time. The Company's compensation policies and procedures, while developed with long-term objectives in mind, are best reviewed on an annual basis in order to solicit shareholder advice on management's compensation more frequently.

The proxy card provides four choices (every one, two, or three years, or abstain). Stockholders are being asked for their views on the frequency of the advisory vote on executive compensation, and are not voting to approve or disapprove the Board's recommendation.

As with your vote on Proposal Four above, your vote on this Proposal Five is advisory, and therefore not binding on the Company, the Compensation Committee, or the Board of Directors. The vote will not be construed to create or imply any change to the fiduciary duties of the Company or the Board of Directors, or to create or imply any additional fiduciary duties for the Company or the Board of Directors. Although the vote is non-binding, the Board of Directors and its Compensation Committee will consider the outcome of the frequency vote and other communications from shareholders when making future decisions regarding the frequency of such advisory votes regarding executive compensation.

Shareholder Vote Required

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE TO CONDUCT ADVISORY VOTES ON EXECUTIVE COMPENSATION EVERY YEAR.

GENERAL AND OTHER MATTERS

Management knows of no matters other than the matters described above that will be presented to the Meeting. However, if any other matters properly come before the Meeting, or any of its postponements or adjournments, the person or persons voting the proxies will vote them in accordance with his or their best judgment on such matters.

SOLICITATION OF PROXIES

The Company is making the solicitation of proxies and will bear the costs associated therewith. Solicitations will be made by mail or electronically.
