PROXY STATEMENT

2001 ANNUAL MEETING OF STOCKHOLDERS

The enclosed proxy is solicited by the Board of Directors of Sonics & Materials, Inc. (the "Company") for use in voting at the Annual Meeting of Stockholders to be held at the Ethan Allen Inn, Danbury, Connecticut on Tuesday, December 18, 2001, at 10:00 a.m. local time, and at any postponement or adjournment thereof, for the purposes set forth in the attached notice.

VOTING AND REVOCABILITY OF PROXIES

The persons named in the enclosed form of proxy will vote the shares for which they are appointed in accordance with the directions of the stockholders appointing them. In the absence of such directions, such shares will be voted FOR proposals 1 and 2 listed below and, in the best judgment of the persons named in the enclosed proxy, will be voted on any other matters as may come before the meeting. Any stockholder who executes a proxy has the power to revoke the same at any time before it is voted by filing written notice of such revocation with the Secretary of the Company, by submission of a duly executed proxy bearing a later date or by voting in person at the Annual Meeting of Stockholders. Attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy. Any written notice revoking a proxy should be sent to Secretary, Sonics & Materials, Inc., 53 Church Hill Road, Newtown, Connecticut 06470. A return envelope which requires no postage if mailed in the United States is enclosed for your convenience.

The principal executive offices of the Company are located at 53 Church Hill Road, Newtown, Connecticut 06470. The approximate date on which this Proxy Statement and the accompanying form of proxy will first be sent or given to the Company's stockholders is Friday, October 26, 2001.

RECORD DATE AND SHARE OWNERSHIP

Only holders of shares ("Shares") of Common Stock, par value \$.03 per share ("Common Stock"), of record at the close of business on October 16, 2001 are entitled to vote at the meeting. On the record date there were outstanding 3,520,100 Shares. Each outstanding Share is entitled to one vote upon all matters to be acted upon at the meeting. The holders of a majority of the issued and outstanding Shares, present in person or represented by proxy, shall constitute a quorum.

The affirmative vote of a plurality of the votes cast by all stockholders entitled to vote thereon is required to elect directors (Proposal No. 1). Therefore, those nominees (up to the number of directors to be elected) receiving the highest number of votes will be elected. The affirmative vote of a majority of the votes cast by all stockholders entitled to vote thereon is required to ratify the appointment by the Board of Directors of the independent auditors (Proposal No. 2) and generally to act upon any other matter as may properly come before the meeting or any adjournment thereof. Both abstentions and proxy holders with authority to vote on at least one matter scheduled to come before the meeting are counted as "present" for the purposes of determining whether there is a quorum for the meeting. Abstentions have the effect of a negative vote on proposals requiring the approval of a majority of the Common

Edgar Filing: SONICS & MATERIALS INC - Form DEF 14A

Stock and, due entirely to the method of calculating a plurality, have no effect on the election of directors. Because broker non-votes are not entitled to a vote, they are not considered in any way when determining whether any proposal for which the broker withheld authority was approved.

PROPOSAL 1 ELECTION OF DIRECTORS

At the meeting, four Directors will be elected by the stockholders to serve until the next annual meeting or until their successors are elected and qualified. The accompanying form of proxy will be voted for the election as Directors of the four persons named below, unless the proxy contains contrary instructions. Proxies cannot be voted for a greater number of persons than the number of nominees named in the Proxy Statement. Management has no reason to believe that any of the nominees will not be a candidate or will be unable to serve. However, in the event that any of the nominees should become unable or unwilling to serve as a Director, the proxy will be voted for the election of such person or persons as shall be designated by the Directors.

REPORT OF AUDIT COMMITTEE

The Audit Committee of the Board of Directors is composed of three members, two of which are outside directors. It oversees the company's system of internal controls, financial reporting practices and audits to determine that their quality, integrity and objectivity are sufficient to protect stockholder interests. The Audit Committee is assisted in its efforts by Schneider & Associates LLP, the Company's independent auditors. The Audit Committee reviews the work done by the independent auditors each year and determines whether to recommend to the Board of Directors such auditors, or other auditors, to perform the annual audit for the following year. The Board of Directors is in the process of adopting a written charter for the audit committee.

The Audit Committee met once, with management present, during 2001 to review the overall audit scope, plans and results of the internal audits and independent audits, the Company's internal controls, emerging accounting issues, officer and director expenses, audit fees, goodwill and other intangible values. Based upon its review and discussions, the Audit Committee recommended to the Board of Directors that the annual financial statements for the year ended June 30, 2001 be included in the Company's Annual Report to Stockholders and in the Company's Annual Report on Form 10-KSB that was filed with the Securities and Exchange Commission. The Audit Committee also recommended to the Board that Schneider & Associates LLP be reappointed for fiscal year ending June 30, 2002, subject to the ratification of stockholders at the annual meeting.
