Section 8 - Other Events

Item 8.01 Other Events.

On June 27, 2013, the Registrant issued a press release concerning its receipt of a technical report prepared to the standard and in the form of National Instrument 43-101 Standards of Disclosure for Mineral Projects ("the Report") titled **Technical Report on the Blind Gold Project, Maitland Mining District, Lawrence County, South Dakota**. Brian Leslie Cole, P. Geo., and Amer Smailbegovic, Ph.D., CPG., each of whom is a Qualified Person under National Instrument 43-101, prepared the report.

Messrs. Cole and Smailbegovic produced the independent review based upon their due diligence investigations of the historical, scientific and technical information pertinent to the Registrant's Blind Gold Project and Blind Gold Property. Messrs. Cole and Smailbegovic also based their report and opinion upon information gathered as the result of direct observations made during a 6-day visit to the Registrant's project area.

A copy of the Report is available on the Registrant's website at www.dakotatrc.com. Dakota Territory Resource Corp is not a reporting issuer in Canada and its Securities are not listed on any Canadian Exchange. The Report will therefore not be filed with SEDAR (the System for Electronic Document Analysis and Retrieval), which is the system used for electronically filing most securities related information with the Canadian securities regulatory authorities.

Mr. Cole reviewed the technical disclosure contained in the news release included as an Exhibit to this filing and is a Qualified Person independent of the Company.

Section 9 - Financial Statements and Exhibits Item

9.01 Financial Statements and Exhibits.
