Item 2.01. Completion of Acquisition or Disposition of Assets.

On April 16, 2010, pursuant to the terms and conditions of the Agreement and Plan of Merger and Reorganization, dated December 4, 2009 (the “Merger Agreement”), among Metalline Mining Company (the “Company” or “Metalline”), Dome Ventures Corporation (“Dome”) and Metalline Mining Delaware, Inc., a wholly owned subsidiary of Metalline (“Merger Sub”), Merger Sub merged with and into Dome as the surviving corporation. As a result, Dome became a wholly owned subsidiary of Metalline.

As a result of the Merger, each outstanding share of Dome common stock on the closing date was converted into the right to receive 0.968818 shares of Metalline common stock. At the closing date this represented approximately \$60,132,947 in value to the Dome shareholders.

Dome’s principal business activities are the acquisition and exploration of mineral properties domiciled in Gabon, Africa. The material terms of the Merger Agreement were described in a Current Report on Form 8-K dated December 4, 2009, as well as in various reports filed by Metalline since that date.

Prior to the letter of intent executed between Metalline and Dome in November 2009, there was no material relationship between Metalline and Dome. However, in December 2009, and pursuant to the terms of the Merger Agreement, certain affiliates of Dome participated in a private placement conducted by Metalline that closed on December 22, 2009.

Item 3.02. Unregistered Sales of Equity Securities.

On April 16, 2010, Metalline issued three warrants to purchase an aggregate of 2,228,281 shares of Metalline common stock. These warrants were issued to three former holders of warrants to acquire Dome common stock in accordance with the Merger Agreement. Each of the warrants is exercisable at \$0.41 per share. Two of the warrants expire on June 26, 2010, and the third expires on June 16, 2010. The warrants were issued in reliance on the exemptions from registration provided by Section 4(2) under the Securities Act of 1933, Rule 506 of Regulation D promulgated thereunder, and Regulation S. No commissions or other remuneration were paid for this issuance.

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

As further described in Item 5.07 below, effective upon closing the Merger Metalline’s Board of Directors was expanded from five to seven members. Two of the new members to the Board of Directors (being Brian Edgar and Murray Hitzman) were nominated to serve on the Board by Dome pursuant to the terms of the Merger Agreement, and then elected at a meeting of stockholders held on April 15, 2010; however their terms as directors began on April 16, 2010 upon closing of the Merger. Metalline’s Board of Directors now consists of the slate of seven directors elected at the meeting of stockholders held on April 15, 2010 and named in Item 5.07 below.

Effective April 16, 2010 Mr. Edgar was appointed as the Executive Chairman of the Board of Directors. On that date, Metalline and Mr. Edgar agreed to the materials terms of his compensation but have not yet executed an agreement memorializing those terms. Mr. Edgar will receive \$7,500 per month in his capacity as Executive Chairman. If Mr. Edgar is terminated from his position of Executive Chairman without cause or if he is terminated from that position within twelve months of a change of control event he will be entitled to a payment equal to twelve months of his base compensation.

Mr. Edgar (60) has broad experience working in junior and mid-size level natural resource companies. He has served as Dome's President and Chief Executive Officer since February of 2005. Further, Mr. Edgar has served on Dome's Board of Directors since 1998. Mr. Edgar currently serves as a director of several other publicly traded companies, including BlackPearl Resources Inc., Denison Mines Corp., Lucara Diamond Corp., Lundin Mining Corporation, Red Back Mining Inc. and ShaMaran Petroleum Corp., all of which trade on the Toronto Stock Exchange or the TSX Venture Exchange. Prior to establishing Rand Edgar Capital Corp. (succeeded by Rand Edgar Investment Corp.), Mr. Edgar practiced corporate/securities law in Vancouver, British Columbia, Canada for sixteen years.

Except as follows Mr. Edgar has not engaged in any transaction with Metalline, nor are there any proposed transactions between Metalline and Mr. Edgar: (i) In December 2009 Mr. Edgar participated in a private placement conducted by Metalline and purchased 1,000,000 shares of Metalline common stock for aggregate consideration of \$460,000; and (ii) Dome engaged the services of Rand Edgar Investment Corp ("REIC") commencing March 2001 for \$10,000 US per month for advisory services relating to general corporate development, financial matters, raising additional capital, corporate maintenance, administrative services and provisions of office space. REIC is owned in part by Mr. Edgar. This agreement is effective until July 31, 2012.
