Item 7.01. Regulation FD Disclosure

On August 17, 2005, the Registrant announced the successful completion of pilot programs for the MiniBOSSTM covert security application. The trials were conducted over the last two months and involved in-depth testing of the solution with Fortune 500 companies in the Pharmaceutical, Retail and Hi-Tech industries.

Customer demand for the product has been overwhelming. The initial trials for the products have proven the benefits of the functionality and the value proposition for the customer. The products were tested over the last two months in cargo shipments across the United States. These pilots have been critical to the Registrant in proving concept reliability and price acceptance in the marketplace. Unit costs including airtime were discussed prior to commencement of pilots.
