PROSPECTUS

CCH II, LLC
CCH II Capital Corp.
\$540,775,126 13.50% Senior Notes due 2016

This prospectus relates to \$540,775,126 aggregate principal amount of 13.50% Senior Notes due 2016, or the Notes, of CCH II, LLC and CCH II Capital Corp, or the Issuers. The Notes offered by this prospectus are to be sold for the account of the holders. The Notes include certain notes issued in exchange for the 13.50% Senior Notes due 2016 originally issued on November 30, 2009 to certain initial purchasers in a transaction that was exempt from the registration requirements of the Securities Act, and a certain other note issued to Mr. Paul Allen on November 30, 2009, the date on which we emerged from bankruptcy protection.

The Notes bear interest at a rate equal to 13.50% per annum. Interest on the Notes is paid semi-annually in arrears on each February 15 and August 15. The Notes will mature on November 30, 2016.

We may redeem any of the Notes beginning on November 30, 2012 at the redemption prices specified in this prospectus. We may also redeem any of the Notes at any time prior to November 30, 2012 at a redemption price equal to 100% of their principal amount, plus accrued interest and a “make-whole” premium.

The Notes are unsecured and rank equally with any unsecured senior indebtedness we incur. The Notes are guaranteed by Charter Communications, Inc., the indirect parent of the Issuers. The Notes and the related guarantee are effectively subordinated in right of payment to the Issuers’ and the guarantor’s secured obligations to the extent of the value of the assets securing such indebtedness. The Notes will not be guaranteed by any of the Issuers’ subsidiaries and will therefore be structurally subordinated to all obligations and liabilities of such subsidiaries.

See “Risk Factors” beginning on page 5 of this prospectus for a discussion of certain risks that you should consider prior to investing in the Notes.

CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

This prospectus contains “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended, which we refer to as the Securities Act, and Section 21E of the Securities Exchange Act of 1934, as amended, which we refer to as the Exchange Act, regarding, among other things, our plans, strategies and prospects, both business and financial, including, without limitation, the forward-looking statements set forth in the section titled “Management’s Discussion and Analysis of Financial Condition and Results of Operations” in this prospectus. Although we believe that our plans, intentions and expectations reflected in or suggested by these forward-looking statements are reasonable, we cannot assure you that we will achieve or realize these plans, intentions or expectations. Forward-looking statements are inherently subject to risks, uncertainties and assumptions, including, without limitation, the factors described in the sections titled “Risk Factors” and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” in this prospectus. Many of the forward-looking statements contained in this prospectus may be identified by the use of forward-looking words such as “believe,” “expect,” “anticipate,” “should,” “planned,” “will,” “may,” “intend,” “estimated,” “aim,” “on track,” “target,” “opportunity,” “tentative,” “positioning” and “potential,” among others. Important factors that could cause actual results to differ materially from the forward-looking statements we make in this prospectus are set forth in this prospectus and in other reports or documents that we file from time to time with the Securities and Exchange Commission, which we refer to as the SEC, and include, but are not limited to:

- our ability to sustain and grow revenues and free cash flow by offering video, high-speed Internet, telephone and other services to residential and

- commercial customers, and to maintain and grow our customer base, particularly in the face of increasingly aggressive competition, the need

- for innovation and related capital expenditures and the difficult economic conditions in the United States;

- the impact of competition from other distributors, including but not limited to incumbent telephone companies, direct broadcast satellite

- operators, wireless broadband providers, and digital subscriber line (“DSL”) providers and competition from video provided over the Internet;

- general business conditions, economic uncertainty or downturn, high unemployment levels and the significant downturn in the housing sector

- and overall economy;

- our ability to obtain programming at reasonable prices or to raise prices to offset, in whole or in part, the effects of higher

programming

costs (including retransmission consents);

our ability to adequately deliver customer service;

the effects of governmental regulation on our business;

the availability and access, in general, of funds to meet our debt obligations, prior to or when they become due, and to fund our operations

and necessary capital expenditures, either through (i) cash on hand, (ii) free cash flow, (iii) access to the capital or credit markets including through

new issuances, exchange offers or otherwise, especially given recent volatility and disruption in the capital and credit markets, or (iv) other sources

and our ability to fund debt obligations (by dividend, investment or otherwise) to the applicable obligor of such debt; and

our ability to comply with all covenants in our indentures and credit facilities, any violation of which, if not cured in a timely manner, could trigger

a default of our other obligations under cross-default provisions.

All forward-looking statements attributable to us or any person acting on our behalf are expressly qualified in their entirety by this cautionary statement. We are under no duty or obligation to update any of the forward-looking statements after the date of this prospectus.

CCH II, LLC ("CCH II") is a direct subsidiary of CCH I, LLC, which is an indirect subsidiary of Charter Communications, Inc. ("Charter"). CCH II is a holding company with no operations of its own. CCH II Capital Corp. ("CCH II Capital") is a direct wholly owned finance subsidiary of CCH II that exists solely for the purpose of serving as co-obligor of the Notes. CCH II Capital is a company with no operations of its own and no subsidiaries. Neither CCH II nor CCH II Capital has any employees. CCH II and its direct and indirect subsidiaries, as well as CCH II Capital, are managed by Charter.

Unless otherwise stated, the discussion in this prospectus of our business and operations includes the business of Charter and its direct and indirect subsidiaries. Unless otherwise stated, all business data included in this summary is as of September 30, 2010.

CCH II and CCH II Capital are sometimes referred to in this prospectus collectively as the "Issuers" and individually as an "Issuer". The terms "we," "us" and "our" refer to Charter and its direct and indirect subsidiaries on a consolidated basis.

Our Business

We are among the largest providers of cable services in the United States, offering a variety of entertainment, information and communications solutions to residential and commercial customers. Our infrastructure consists of a hybrid of fiber and coaxial cable plant passing approximately 12.0 million homes, with 96% of homes passed at 550 MHz or greater and 96% of plant miles two-way active. A national Internet Protocol (IP) infrastructure interconnects all Charter markets.

For the nine months ended September 30, 2010, we generated approximately \$5.3 billion in revenue, of which approximately 53% was generated from our residential video service. For the year ended December 31, 2009, we generated approximately \$6.8 billion in revenue, of which approximately 55% was generated from our residential video service. We also generate revenue from high-speed Internet, telephone service and advertising with residential and commercial high-speed Internet and telephone service contributing the majority of the recent growth in our revenue.

As of September 30, 2010, we served approximately 5.2 million customers. We sell our video, high-speed Internet and telephone services primarily on a subscription basis, often in a bundle of two or more services, providing savings and convenience to our customers. Bundled services are available to approximately 96% of our homes passed, and approximately 60% of our customers subscribe to a bundle of services.

We served approximately 4.7 million video customers as of September 30, 2010, of which approximately 73% subscribed to digital video service. Digital video enables our customers to access advanced services

such as high definition television, OnDemand video programming, an interactive program guide and digital video recorder, or DVR service.

We also served approximately 3.2 million high-speed Internet customers as of September 30, 2010. Our high-speed Internet service is available in a variety of download speeds up to 60 Mbps. We also offer home networking service, or Wi-Fi, enabling our customers to connect up to five computers wirelessly in the home.

We provided telephone service to approximately 1.7 million customers as of September 30, 2010. Our telephone services typically include unlimited local and long distance calling to the U.S., Canada and Puerto Rico, plus more than 10 features, including voicemail, call waiting and caller ID.

Through Charter Business®, we provide scalable, tailored broadband communications solutions to business organizations, such as business-to-business Internet access, data networking, fiber connectivity to cellular towers, video and music entertainment services and business telephone. As of September 30, 2010, we served approximately 255,200 business revenue generating units, including small- and medium-sized commercial customers. Our advertising sales division, Charter Media®, provides local, regional and national businesses with the opportunity to advertise in individual markets on cable television networks.

We have a history of net losses. Our net losses are principally attributable to insufficient revenue to cover the combination of operating expenses, interest expenses that we incur because of our debt, and depreciation expenses resulting from the capital investments we have made, and continue to make, in our cable properties, and in 2010, amortization expenses resulting from the application of fresh start accounting.

On March 27, 2009, we filed voluntary petitions in the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”), to reorganize under Chapter 11 of the United States Bankruptcy Code (the “Bankruptcy Code”). The Chapter 11 cases were jointly administered under the caption In re Charter Communications, Inc., et al., Case No. 09-11435. On May 7, 2009, we filed a Joint Plan of Reorganization (the “Plan”), and a related disclosure statement (the “Disclosure Statement”), with the Bankruptcy Court. The Plan was confirmed by the Bankruptcy Court on November 17, 2009 (the “Confirmation Order”), and became effective on November 30, 2009 (the “Effective Date”), the date on which we emerged from protection under Chapter 11 of the Bankruptcy Code.

Summary of the Terms of the Notes

The summary below, which is not intended to be complete, describes the principal terms of the Notes. Certain of the terms and conditions summarized below are subject to important limitations and exceptions. The “Description of Notes” sections of this prospectus contain more detailed descriptions of the terms and conditions of the Notes.

Issuers	CCH II and CCH II Capital.
Notes Offered	\$540,775,126 million aggregate principal amount of 13.50% Senior Notes due 2016.
Maturity	November 30, 2016.
Interest Payment Dates	February 15 and August 15 of each year, beginning on February 15, 2010.

Ranking

The Notes are:

the general unsecured obligations of the Issuers;

effectively subordinated in right of payment to any secured indebtedness of the Issuers, to the extent of the value of the assets securing such indebtedness;

equal in right of payment to the Issuer's existing senior notes and any future unsubordinated, unsecured indebtedness of the Issuers;

senior in right of payment to any future subordinated indebtedness of the Issuers;

structurally subordinated to all indebtedness and other liabilities (including trade payables) of the Issuers' subsidiaries, including indebtedness under the credit facilities and senior notes of the Issuers' subsidiaries; and

guaranteed on a senior unsecured basis by Charter, which guarantee is structurally junior to all debt and liabilities of all of Charter's subsidiaries.

As of September 30, 2010, the total principal amount of debt and intercompany loans of CCH II and its subsidiaries totaled approximately \$13.3 billion, and the Notes are structurally subordinated to approximately \$11.5 billion of such debt. As of September 30, 2010, subsidiaries of CCH II had approximately an additional \$1.2 billion available for future borrowings under senior secured credit facilities, which is structurally senior in right of payment to the Notes.

Guarantee

Charter has unconditionally guaranteed the Notes on a senior unsecured basis. If the Issuers cannot make payments on the Notes, Charter must make them.

Optional Redemption

The Notes may be redeemed in whole or in part at our option at any time on or after November 30, 2012 at the redemption prices specified in this prospectus under "Description of the Notes — Optional Redemption."

At any time prior to November 30, 2012, we may, on one or more occasions, redeem up to 35% of the Notes on a pro rata basis (or as nearly to pro rata as practicable), at a redemption price of 113.50% of the principal amount thereof, plus accrued and unpaid interest to the redemption

date, with the net cash proceeds of one or more equity offerings; provided that (1) at least 65% of the original notes (including the Notes and the principal amount of any additional notes issued under the related indenture) remain outstanding immediately after the occurrence of such redemption (excluding any original notes or additional notes held by the Issuers and their subsidiaries), and (2) the redemption must occur within 60 days of the date of the closing of such equity offering.

At any time prior to November 30, 2012, the Notes may be redeemed, in whole or in part, at our option upon no less than 30 nor more than 60 days' prior notice at a redemption price equal to 100% of the principal amount of such Notes redeemed plus accrued and unpaid interest to the applicable redemption date and a make-whole premium. See "Description of the Notes – Optional Redemption."

Restrictive Covenants

The indenture governing the Notes, among other things, restricts our ability

and the ability of certain of our subsidiaries to:

incur additional debt;

repurchase or redeem equity interests and debt;

issue equity;

make certain investments or acquisitions;

pay dividends or make other distributions;

dispose of assets or merge;

enter into related party transactions; and

grant liens and pledge assets.

These covenants are subject to important exceptions and qualifications as described under “Description of the Notes — Certain Covenants,” including provisions allowing us, as long as our leverage ratio is below 5.75 to 1.0, to incur additional indebtedness.

Change of Control

Following a Change of Control, as defined in “Description of the Notes — Certain Definitions,” we will be required to offer to purchase all of the Notes at a purchase price of 101% of their principal amount plus accrued and unpaid interest, if any, to the date of purchase thereof.

Events of Default

For a discussion of events that will permit acceleration of the payment of the principal of and accrued interest on the Notes, see “Description of Notes — Events of Default and Remedies.”

Absence of Established Markets for the Notes

The Notes are new issues of securities, and currently there are no markets for them. We do not intend to apply for the Notes to be listed on any securities exchange or to arrange for any quotation system to quote them. Accordingly, we cannot assure you that liquid markets will develop for the Notes.

United States Federal Income Tax Considerations

For a discussion of the U.S. federal income tax consequences of holding the Notes, see “Important United States Federal Income Tax Considerations.”

Use of Proceeds

We will not receive any cash proceeds from the sale of the Notes. See “Use of Proceeds.”

These securities are beneficially owned by one or more open- or closed-end investment companies or other managed accounts that are clients of investment managers that are direct and indirect subsidiaries of Franklin Resources, Inc. Investment management contracts grant to those subsidiaries all investment and/or voting power over such securities, except as otherwise disclosed below. Therefore, such subsidiaries may be deemed to be the beneficial owners of such securities. Beneficial ownership by such subsidiaries and other affiliates of Franklin Resources, Inc. is reported in conformity with the guidelines articulated by the SEC staff in Release No. 34-39538 (January 12, 1998) relating to organizations, such as Franklin Resources, Inc. where related entities exercise voting and investment powers over securities independently from each other. The voting and investment powers held by Franklin Mutual Advisers, LLC, an indirect wholly owned investment management subsidiary of Franklin Resources, Inc., are exercised independently from Franklin Resources, Inc. and from all of its other investment management subsidiaries. Furthermore, internal policies and procedures of Franklin Mutual Advisers, LLC and Franklin Resources, Inc. establish informational barriers that prevent the flow between Franklin Mutual Advisers, LLC and the other affiliates of Franklin Resources, Inc. of information that relates to the voting and investment powers over the securities owned by their respective investment management clients. Consequently, Franklin Mutual Advisers, LLC and the other affiliates of Franklin Resources, Inc. report the securities over which they hold investment and voting power separately from each other for purposes of Section 13 of the Exchange Act. Charles B. and Rupert H. Johnson each owns more than 10% of the outstanding common stock of Franklin Resources, Inc. and are its principal stockholders. They and Franklin Resources, Inc. may be deemed to be the beneficial owners of securities held by persons and entities for whom or for which subsidiaries of Franklin Resources, Inc. provide investment management services. Franklin Resources, Inc., the Johnsons and such subsidiaries disclaim any pecuniary interest in, and any beneficial ownership as defined in Rule 13d-3 of the Exchange Act of, any of these securities. Franklin Resources, Inc., the Johnsons and each subsidiary of Franklin Resources, Inc. believe that they are not a “group” within the

meaning of Rule 13d-5 under the Exchange Act and that they are not otherwise required to attribute to each other the beneficial ownership of the Securities held by any of them or by any persons or entities for whom or for which such subsidiaries provide investment management services. See footnote 5 to the beneficial ownership table reported under "Security Ownership of Certain Beneficial Owners and Management" for information regarding equity ownership and contact information for funds advised by Franklin Advisers, Inc. Pursuant to Charter's Plan, funds advised by

Franklin Advisers, Inc. had the ability to elect one member to Charter's post-Effective Date board and elected Robert Cohn, who has been serving on the board since the Effective Date. Notwithstanding the election of Mr. Cohn to the board, Mr. Cohn does not represent or otherwise have any duty to advance the interests of Franklin Advisers, Inc. or any of its direct or indirect affiliates, and Franklin Advisers, Inc. does not believe that it is an affiliate of Charter as a result of Mr. Cohn serving as a director of Charter.

DESCRIPTION OF NOTES

General

On March 27, 2009, Charter and certain of its affiliates (collectively, the “Debtors”) filed voluntary petitions in the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”) seeking relief under the provisions of the Bankruptcy Code. On November 17, 2009 the Bankruptcy Court entered an order confirming the Plan, and on November 30, 2009 (the “Effective Date”) the Debtors consummated their reorganization under the Bankruptcy Code and the Plan became effective. On the Effective Date, the Issuers issued \$1,766,206,515 in aggregate principal amount of 13.50% senior notes due 2016 (the “Initial Notes”) pursuant to an indenture (the “Indenture”), dated as of the Effective Date, by and among CCH II, CCH II Capital and the Bank of New York Mellon Trust Company N.A., as trustee (the “Trustee”). \$976,826,466 in aggregate principal amount of the Initial Notes (the “Initial Restricted Notes”) were issued to certain holders pursuant to Section 4(2) of the Securities Act in a transaction that was exempt from the registration requirements of the Securities Act (identified with CUSIP No. 12502C AT8) and as a result contained terms with respect to transfer restrictions. \$789,380,049 aggregate principal amount of the Initial Notes (the “Initial Unrestricted Notes”) were issued to the remaining holders pursuant to Section 1145 of the Bankruptcy Code (identified with CUSIP No. 12502C AS0). The terms of the Notes are identical in all material respects to those of the Initial Restricted Notes and the Initial Unrestricted Notes, except for certain transfer restrictions and registration rights relating to the Initial Restricted Notes. We refer in this Description of Notes to “Notes” as the Initial Notes and any Additional Notes issued under the Indenture.

In connection with the issuance of the Initial Restricted Notes, the Issuers, certain holders of the Crossover Committee (as defined in the Plan) and Charter Investment, Inc. entered into an Exchange and Registration Rights Agreement (the “Registration Rights Agreement”). Pursuant to the Registration Rights Agreement, among other things, the Issuers agreed to use their commercially reasonable efforts to file under the Securities Act, on or prior to January 15, 2010, a registration statement relating to an offer to exchange all Initial Restricted Notes at the time such registration statement is declared effective by the SEC, for a like aggregate principal amount of unrestricted notes issued by the Issuers, substantially identical in all material respects to the Initial Restricted Notes (except that such unrestricted notes do not contain terms with respect to transfer restrictions). On June 16, 2010, the Issuers exchanged substantially all of the Initial Restricted Notes, which have been registered under the Securities Act, for a like aggregate principal amount of unrestricted notes that are being issued hereby.

This Description of Notes relates to the \$540,775,126 in aggregate principal amount of 13.50% senior notes due 2016 of the Issuers representing (i) \$85,000,000 in aggregate principal amount of the one remaining Initial Restricted Note issued to Mr. Paul Allen on the Effective Date; and (ii) \$454,388,724 in aggregate principal amount of Notes issued in exchange for the Initial Restricted Notes and held under CUSIP No. 12502C AS0. The Notes are being offered pursuant to this prospectus. You can find the definitions of certain terms used in this description under the subheading “— Certain definitions.” The definitions of terms set forth in this section “Description of Notes” shall apply in this section.

The Notes were issued pursuant to the Indenture under which the Issuers previously issued the Initial Notes. The Notes were issued on terms substantially identical to those of the Initial Notes and vote together as a single class on any matter submitted to noteholders. The Notes offered hereby have been registered under the Securities Act of 1933 and, therefore, will not bear legends restricting their transfer. The terms of the Notes will include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939.

The following description is a summary of the provisions we consider material of the Indenture. It does not restate that agreement in its entirety. We urge you to read the Indenture because it, and not this description, defines your rights as holders of the respective Notes. Copies of the Indenture are available as set forth under “— Additional Information.”

Brief Description of the Notes

The Notes are:

- senior unsecured obligations of the Issuers;

9

- effectively subordinated in right of payment to any future secured Indebtedness of the Issuers, to the extent of the value of the assets securing such Indebtedness;
- equal in right of payment to the Initial Notes and any other future unsubordinated, unsecured Indebtedness of the Issuers;
 - senior in right of payment to any future subordinated Indebtedness of the Issuers;
- structurally subordinated to all indebtedness and other liabilities (including trade payables) of the Issuers' subsidiaries, including indebtedness under our subsidiaries' credit facilities and the senior notes of CCO Holdings and CCO; and
- guaranteed on a senior unsecured basis by Charter (which guarantee is structurally junior to all indebtedness and liabilities of all of Charter's subsidiaries).

As of September 30, 2010, the total principal amount of debt and intercompany loans of CCH II and its subsidiaries totaled approximately \$13.3 billion, and the Notes are structurally subordinated to approximately \$11.5 billion of such debt. As of September 30, 2010, subsidiaries of CCH II had approximately an additional \$1.2 billion available for future borrowings under senior secured credit facilities, which is structurally senior in right of payment to the Notes.

Substantially all of the Subsidiaries of CCH II (except certain non-material Subsidiaries) are "Restricted Subsidiaries." Under the circumstances described below under "— Certain Covenants — Investments," CCH II will be permitted to designate additional Subsidiaries as "Unrestricted Subsidiaries." Unrestricted Subsidiaries will generally not be subject to the restrictive covenants in the Indenture.

Principal, Maturity and Interest

The Notes were issued in denominations of \$1.00 and integral multiples thereof. The Notes will mature on November 30, 2016.

Interest on the Notes accrue at the rate of 13.50% per annum. Interest on the Notes accrue from and including November 30, 2009 or, if interest already has been paid, from the date it was most recently paid. Interest will be payable semi-annually in arrears on February 15 and August 15, commencing on February 15, 2010. The Issuers will make each interest payment to the holders of record of the Notes on the immediately preceding February 1 and August 1. Interest is computed on the basis of a 360-day year comprised of twelve 30-day months.

Subject to the limitations set forth under "—Certain Covenants — Incurrence of Indebtedness and Issuance of Preferred Stock," the Issuers may issue an unlimited principal amount of Additional Notes under the Indenture. The Initial Notes and any Additional Notes subsequently issued under the Indenture (including the Notes offered hereby) would be treated as a single class of securities for all purposes of the Indenture. For purposes of this description, unless otherwise indicated, references to the Notes include the Initial Notes, the Notes offered hereby and any Additional Notes subsequently issued under the Indenture.

Optional Redemption

At any time prior to November 30, 2012, the Issuers may, on any one or more occasions, redeem up to 35% of the aggregate principal amount of the Notes on a pro rata basis (or nearly as pro rata as practicable), at a redemption price of 113.50% of the principal amount thereof, plus accrued and unpaid interest to the redemption date, with the net cash proceeds of one or more Equity Offerings; provided that

(1) at least 65% of the aggregate principal amount of the Notes remain outstanding immediately after the occurrence of such redemption (excluding Notes held by the Issuers and their Subsidiaries), and

(2) the redemption must occur within 60 days of the date of the closing of such Equity Offering.

10

Notwithstanding the above paragraph, at any time prior to November 30, 2012, the Notes may be redeemed, in whole or in part, at the option of CCH II upon no less than 30 nor more than 60 days' prior notice mailed by first-class mail to each holder's registered address, at a redemption price equal to 100% of the principal amount of such Notes redeemed plus the relevant Applicable Premium as of, and accrued and unpaid interest and Special Interest, if any, to the applicable redemption date, subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date.

On or after November 30, 2012, the Issuers may redeem all or a part of the Notes upon not less than 30 nor more than 60 days notice, at the applicable redemption prices (expressed as percentages of the principal amount of the Notes) set forth below plus accrued and unpaid interest thereon, if any, to the applicable redemption date, if redeemed during the twelve-month period beginning on November 30 of the years indicated below:

Year	Percentage
2012	106.750%
2013	103.375%
2014	101.6875%
2015 and thereafter	100.000%

Repurchase at the Option of Holders

Change of Control

If a Change of Control occurs, each holder of Notes will have the right to require the Issuers to repurchase all or any part (equal to \$1.00 in principal amount, or in either case an integral multiple thereof) of that holder's Notes pursuant to a "Change of Control Offer." In the Change of Control Offer, the Issuers will offer a "Change of Control Payment" in cash equal to 101% of the aggregate principal amount of the Notes repurchased plus accrued and unpaid interest thereon, if any, to the date of purchase.

Within ten days following any Change of Control, the Issuers will mail a notice to each holder (with a copy to the trustee) describing the transaction or transactions that constitute the Change of Control and offering to repurchase Notes on a certain date (the "Change of Control Payment Date") specified in such notice, pursuant to the procedures required by the Indenture and described in such notice. The Issuers will comply with the requirements of Rule 14e-1 under the Securities Exchange Act of 1934 or any successor rules, and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this covenant, the Issuers' compliance with such laws and regulations shall not in and of itself cause a breach of their obligations under such covenant.

On the Change of Control Payment Date, the Issuers will, to the extent lawful:

- (1) accept for payment all Notes or portions thereof properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the paying agent an amount equal to the Change of Control Payment in respect of all Notes or portions thereof so tendered; and
- (3) deliver or cause to be delivered to the trustee the Notes so accepted together with an officers' certificate stating the aggregate principal amount of Notes or portions thereof being purchased by the Issuers.

The paying agent will promptly mail to each holder of Notes so tendered the Change of Control Payment for such Notes, and the trustee will promptly authenticate and mail, or cause to be transferred by book entry, to each holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; provided that each such new Note will be in a principal amount of \$1.00 or an integral multiple thereof.

The provisions described above that require the Issuers to make a Change of Control Offer following a Change of Control will be applicable regardless of whether or not any other provisions of the Indenture are applicable. Except as described above with respect to a Change of Control, the Indenture will not contain provisions that permit the

holders of the Notes to require that the Issuers repurchase or redeem the Notes in the event of a takeover, recapitalization or similar transaction.

The Issuers will not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the Indenture applicable to a Change of Control Offer made by the Issuers and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

The definition of Change of Control includes a phrase relating to the sale, lease, transfer, conveyance or other disposition of “all or substantially all” of the assets of CCH II and its Subsidiaries, taken as a whole, or of a Parent and its Subsidiaries, taken as a whole. Although there is a limited body of case law interpreting the phrase “substantially all,” there is no precise established definition of the phrase under applicable law. Accordingly, the ability of a holder of Notes to require the Issuers to repurchase Notes as a result of a sale, lease, transfer, conveyance or other disposition of less than all of the assets of CCH II and its Subsidiaries, taken as a whole, or of a Parent and its Subsidiaries, taken as a whole, to another Person or group may be uncertain.

Asset Sales

CCH II will not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale unless:

- (1) CCH II or such Restricted Subsidiary receives consideration at the time of such Asset Sale at least equal to the fair market value of the assets or Equity Interests issued or sold or otherwise disposed of;
- (2) such fair market value is determined by the Board of Directors of CCH II and evidenced by a resolution of such Board of Directors set forth in an officers’ certificate delivered to the trustee; and
- (3) at least 75% of the consideration therefor received by CCH II or such Restricted Subsidiary is in the form of cash, Cash Equivalents or readily marketable securities.

For purposes of this provision, each of the following shall be deemed to be cash:

- (a) any liabilities (as shown on CCH II’s or such Restricted Subsidiary’s most recent balance sheet) of CCH II or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes) that are assumed by the transferee of any such assets pursuant to a customary novation agreement that releases CCH II or such Restricted Subsidiary from further liability;
- (b) any securities, notes or other obligations received by CCH II or any such Restricted Subsidiary from such transferee that are converted by the recipient thereof into cash, Cash Equivalents or readily marketable securities within 180 days after receipt thereof (to the extent of the cash, Cash Equivalents or readily marketable securities received in that conversion); and
- (c) Productive Assets.

Within 365 days after the receipt of any Net Proceeds from an Asset Sale, CCH II or a Restricted Subsidiary of CCH II may apply such Net Proceeds or an amount equal to such Net Proceeds at its option:

- (1) to repay or otherwise retire or repurchase debt under the Credit Facilities or any other Indebtedness of the Restricted Subsidiaries of CCH II (other than Indebtedness represented solely by a guarantee of a Restricted Subsidiary of CCH II); or

- (2) to invest in Productive Assets; provided that any such amount of Net Proceeds which CCH II or a Restricted Subsidiary has committed to invest in Productive Assets within 365 days of the applicable Asset Sale may be invested in Productive Assets within two years of such Asset Sale.

The amount of any Net Proceeds received from Asset Sales that are not applied or invested as provided in the preceding paragraph will constitute Excess Proceeds. When the aggregate amount of Excess Proceeds exceeds \$25

million, CCH II will make an offer to purchase Notes (an “Asset Sale Offer”) to all holders of Notes and will repay, redeem or offer to purchase Indebtedness that is of equal priority with the Notes containing provisions requiring repayment, redemption or offers to purchase with the proceeds of sales of assets, to purchase, repay or redeem, on a pro rata basis, the maximum principal amount of Notes and such other Indebtedness of equal priority that may be purchased, repaid or redeemed out of the Excess Proceeds, which amount includes the entire amount of the Net Proceeds. The offer price in any Asset Sale Offer will be payable in cash and equal to 100% of the principal amount of the subject Notes plus accrued and unpaid interest, if any, to the date of purchase. If the aggregate principal amount of Notes tendered into such Asset Sale Offer and such other Indebtedness of equal priority to be purchased, repaid or redeemed out of the Excess Proceeds exceeds the amount of Excess Proceeds, the trustee shall select the Notes tendered into such Asset Sale Offer and such other Indebtedness of equal priority to be purchased, repaid or redeemed on a pro rata basis.

If any Excess Proceeds remain after consummation of an Asset Sale Offer, then CCH II or any Restricted Subsidiary thereof may use such remaining Excess Proceeds for any purpose not otherwise prohibited by the Indenture. Upon completion of any Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero.

Selection and Notice

If less than all of the Notes are redeemed at any time, the trustee will select Notes for redemption as follows:

- (1) if any Notes are listed, in compliance with the requirements of the principal national securities exchange on which the Notes are listed; or
- (2) if the Notes are not so listed, on a pro rata basis, by lot or by such method as the trustee shall deem fair and appropriate.

No Notes of \$1.00 principal amount or less shall be redeemed in part. Notices of redemption shall be mailed by first class mail at least 30 but not more than 60 days before the redemption date to each holder of Notes to be redeemed at its registered address. Notices of redemption may be conditional.

If any Note is to be redeemed in part only, the notice of redemption that relates to that Note shall state the portion of the principal amount thereof to be redeemed. A new Note in principal amount equal to the unredeemed portion of the original Note will be issued in the name of the holder thereof upon cancellation of the original Note. Notes called for redemption become irrevocably due and payable on the date fixed for redemption at the redemption price. On and after the redemption date, interest ceases to accrue on Notes or portions of them called for redemption.

Certain Covenants

Set forth in this section are summaries of certain covenants contained in the Indenture.

During any period of time that (a) any Notes have Investment Grade Ratings from both Rating Agencies and (b) no Default or Event of Default has occurred and is continuing under the Indenture, CCH II and the Restricted Subsidiaries of CCH II will not be subject to the provisions of the Indenture described under:

- “— Limitation on Asset Sales,”
- “— Restricted Payments,”
- “— Investments,”

- “— Incurrence of Indebtedness and Issuance of Preferred Stock,”
- “— Dividend and Other Payment Restrictions Affecting Subsidiaries,”

- clause (D) of the first paragraph of “— Merger, consolidation, or sale of assets,”
 - “— Transactions with Affiliates” and
 - “— Sale and Leaseback Transactions.”

If CCH II and its Restricted Subsidiaries are not subject to these covenants for any period of time as a result of the above paragraph and, subsequently, one, or both, of the Rating Agencies withdraws its ratings or downgrades the ratings assigned to the Notes below the required Investment Grade Ratings or a Default or Event of Default occurs and is continuing, then CCH II and its Restricted Subsidiaries will thereafter again be subject to these covenants. The ability of CCH II and its Restricted Subsidiaries to make Restricted Payments after the time of such withdrawal, downgrade, Default or Event of Default will be calculated as if the covenant governing Restricted Payments had been in effect during the entire period of time from the Issue Date.

Restricted Payments

CCH II will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly:

- (1) declare or pay any dividend or make any other payment or distribution on account of its or any of its Restricted Subsidiaries' Equity Interests (including, without limitation, any payment in connection with any merger or consolidation involving CCH II or any of its Restricted Subsidiaries) or to the direct or indirect holders of CCH II's or any of its Restricted Subsidiaries' Equity Interests in their capacity as such (other than dividends or distributions payable (x) solely in Equity Interests (other than Disqualified Stock) of CCH II or (y), in the case of CCH II and its Restricted Subsidiaries, to CCH II or a Restricted Subsidiary thereof);
- (2) purchase, redeem or otherwise acquire or retire for value (including, without limitation, in connection with any merger or consolidation involving CCH II or any of its Restricted Subsidiaries) any Equity Interests of CCH II or any direct or indirect Parent of CCH II or any Restricted Subsidiary of CCH II (other than, in the case of CCH II and its Restricted Subsidiaries, any such Equity Interests owned by CCH II or any of its Restricted Subsidiaries);
or
- (3) make any payment on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value, any Indebtedness of CCH II that is subordinated in right of payment to the Notes, except a payment of interest or principal at the Stated Maturity thereof (all such payments and other actions set forth in clauses (1) through (3) above are collectively referred to as “Restricted Payments”), unless, at the time of and after giving effect to such Restricted Payment:
 - (a) no Default or Event of Default under the Indenture shall have occurred and be continuing or would occur as a consequence thereof; and
 - (b) CCH II would, at the time of such Restricted Payment and after giving pro forma effect thereto as if such Restricted Payment had been made at the beginning of the applicable quarter period, have been permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Leverage Ratio test set forth in the first paragraph of the covenant described below under the caption “— Incurrence of Indebtedness and Issuance of Preferred Stock”; and
 - (c) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by CCH II and its Restricted Subsidiaries from and after the Issue Date (excluding Restricted Payments permitted by clauses (2), (3), (4), (5), (6), (7) or (10) of the next succeeding paragraph), shall not exceed, at the date of determination,

the sum of:

14

- (1) an amount equal to 100% of the Consolidated EBITDA of CCH II for the period beginning on the first day of the fiscal quarter immediately preceding the Issue Date to the end of CCH II's most recently ended full fiscal quarter for which internal financial statements are available, taken as a single accounting period, less the product of 1.3 times the Consolidated Interest Expense of CCH II for such period, plus
- (2) an amount equal to 100% of Capital Stock Sale Proceeds less any amount of such Capital Stock Sale Proceeds used in connection with an Investment made on or after the Issue Date pursuant to clause (5) of the definition of "Permitted Investments."

So long as no Default under the Indenture has occurred and is continuing or would be caused thereby, the preceding provisions will not prohibit:

- (1) the payment of any dividend within 60 days after the date of declaration thereof, if at said date of declaration such payment would have complied with the provisions of the Indenture;
- (2) the redemption, repurchase, retirement, defeasance or other acquisition of any subordinated Indebtedness of CCH II in exchange for, or out of the net proceeds of, the substantially concurrent sale (other than to a Subsidiary of CCH II) of Equity Interests of CCH II (other than Disqualified Stock); provided that the amount of any such net cash proceeds that are utilized for any such redemption, repurchase, retirement, defeasance or other acquisition shall be excluded from clause (3)(b) of the preceding paragraph;
- (3) the defeasance, redemption, repurchase or other acquisition of subordinated Indebtedness of CCH II or any of its Restricted Subsidiaries with the net cash proceeds from an incurrence of Permitted Refinancing Indebtedness;
- (4) regardless of whether a Default then exists, the payment of any dividend or distribution made in respect of any calendar year or portion thereof during which CCH II or any of its Subsidiaries is a Person that is not treated as a separate tax paying entity for United States federal income tax purposes by CCH II and its Subsidiaries (directly or indirectly) to the direct or indirect holders of the Equity Interests of CCH II or its Subsidiaries that are Persons that are treated as a separate tax paying entity for United States federal income tax purposes, in an amount sufficient to permit each such holder to pay the actual income taxes (including required estimated tax installments) that are required to be paid by it with respect to the taxable income of any Parent (through its direct or indirect ownership of CCH II and/or its Subsidiaries), CCH II, its Subsidiaries or any Unrestricted Subsidiary, as applicable, in any calendar year, as estimated in good faith by CCH II or its Subsidiaries, as the case may be;
- (5) regardless of whether a Default then exists, the payment of any dividend by a Restricted Subsidiary of CCH II to the holders of its common Equity Interests on a pro rata basis;
- (6) the repurchase, redemption or other acquisition or retirement for value, or the payment of any dividend or distribution to the extent necessary to permit the repurchase, redemption or other acquisition or retirement for value, of any Equity Interests of CCH II or a Parent of CCH II held by any member of CCH II's, such Parent's or any Restricted Subsidiary's management pursuant to any management equity subscription agreement or stock option agreement entered into in accordance with the policies of CCH II, any Parent or any Restricted Subsidiary; provided that the aggregate price paid for all such repurchased, redeemed, acquired or retired Equity Interests shall not exceed \$10 million in any fiscal year of the Issuers;
- (7) payment of fees in connection with any acquisition, merger or similar transaction in an amount that does not exceed an amount equal to 1.25% of the transaction value of such acquisition, merger or similar transaction;
- (8)

Restricted Payments made in order to pay interest (including accreted or PIK interest) on (but not principal of) Specified Parent Indebtedness or Refinancing Specified Parent Indebtedness, so long as CCH II, at the

time of the making of such Restricted Payment and after giving pro forma effect thereto as if such Restricted Payment had been made at the beginning of the applicable quarter period, would have been permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Leverage Ratio test set forth in the first paragraph of the covenant described below under the caption “— Incurrence of Indebtedness and Issuance of Preferred Stock”; and

- (9) Restricted Payments directly or indirectly to a Parent of (A) attorneys’ fees, investment banking fees, accountants’ fees, underwriting discounts and commissions and other customary fees and expenses actually incurred in connection with any issuance, sale or incurrence by a Parent of Equity Interests or Indebtedness, or any exchange of securities or tender for outstanding debt securities, (B) the costs and expenses of any offer to exchange privately placed securities in respect of the foregoing for publicly registered securities or any similar concept having a comparable purpose, or (C) (i) fees, taxes and expenses required to maintain the corporate existence of a Parent, (ii) income taxes to the extent such income taxes are attributable to the income of CCH II and its Restricted Subsidiaries and, to the extent of the amount actually received from the Unrestricted Subsidiaries, in amounts required to pay such taxes to the extent attributable to the income of the Unrestricted Subsidiaries, provided, however, that in each case the amount of such payments in any fiscal year does not exceed the amount of income taxes that CCH II and its Restricted Subsidiaries would be required to pay for such fiscal year were CCH II and its Restricted Subsidiaries to pay such taxes as a stand-alone taxpayer; and (iii) general corporate overhead and operating expenses for such direct or indirect parent corporation of CCH II to the extent such expenses are attributable to the ownership or operation of CCH II and its Restricted Subsidiaries (which amounts pursuant to this subclause (C) shall not exceed \$25 million in any fiscal year);
- (10) payments contemplated by the Plan of Reorganization, including, without limitation, Specified Fees and Expenses;
- (11) additional Restricted Payments directly or indirectly to CCH I or any other Parent for the purpose of enabling CCI to redeem, or pay dividends on, the Series A Preferred Stock so long as (i) such dividends do not exceed, and (ii) such redemptions do not exceed, the dividends and liquidation preference, respectively, contemplated in the certificate of designation governing the Series A Preferred Stock as in effect on the Issue Date; and
- (12) additional Restricted payments in an aggregate amount of \$50 million.

The amount of all Restricted Payments (other than cash) shall be the fair market value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by CCH II or any of its Restricted Subsidiaries pursuant to the Restricted Payment. The fair market value of any assets or securities that are required to be valued by this covenant shall be determined by the Board of Directors of CCH II, whose resolution with respect thereto shall be delivered to the trustee. Such Board of Directors’ determination must be based upon an opinion or appraisal issued by an accounting, appraisal or investment banking firm of national standing if the fair market value exceeds \$100 million.

Not later than the date of making any Restricted Payment involving an amount or fair market value in excess of \$10 million, the Issuers shall deliver to the trustee an officers’ certificate stating that such Restricted Payment is permitted and setting forth the basis upon which the calculations required by this “Restricted Payments” covenant were computed, together with a copy of any fairness opinion or appraisal required by the Indenture.

Investments

CCH II will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly:

(1) make any Restricted Investment; or

(2) allow any of its Restricted Subsidiaries to become an Unrestricted Subsidiary, unless, in each case:

- (a) no Default or Event of Default under the Indenture shall have occurred and be continuing or would occur as a consequence thereof; and
- (b) CCH II would, at the time of, and after giving effect to, such Restricted Investment or such designation of a Restricted Subsidiary as an Unrestricted Subsidiary, have been permitted to incur at least \$1.00 of additional Indebtedness pursuant to the applicable Leverage Ratio test set forth in the first paragraph of the covenant described below under the caption “— Incurrence of Indebtedness and Issuance of Preferred Stock.”

An Unrestricted Subsidiary may be redesignated as a Restricted Subsidiary if such redesignation would not cause a Default.

Incurrence of Indebtedness and Issuance of Preferred Stock

CCH II will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise, with respect to (collectively, “incur”) any Indebtedness (including Acquired Debt) and CCH II will not issue any Disqualified Stock and will not permit any of its Restricted Subsidiaries to issue any shares of Disqualified Stock or Preferred Stock, provided that CCH II or any of its Restricted Subsidiaries may incur Indebtedness, CCH II may issue Disqualified Stock and subject to the final paragraph of this covenant below, Restricted Subsidiaries of CCH II may incur Preferred Stock if the Leverage Ratio of CCH II and its Restricted Subsidiaries would have been not greater than 5.75 to 1.0 determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), as if the additional Indebtedness had been incurred, or the Disqualified Stock or Preferred Stock had been issued, as the case may be, at the beginning of the most recently ended fiscal quarter.

So long as no Event of Default under clauses (1), (2), (7) or (8) under “— Event of Default and Remedies” shall have occurred and be continuing after giving effect to the incurrence thereof (and the use of proceeds therefrom), the first paragraph of this covenant will not prohibit the incurrence of any of the following items of Indebtedness (collectively, “Permitted Debt”):

- (1) the incurrence by CCH II and its Restricted Subsidiaries of Indebtedness under the Credit Facilities; provided that the aggregate principal amount of all Indebtedness of CCH II and its Restricted Subsidiaries outstanding under this clause (1) for all Credit Facilities of CCH II and its Restricted Subsidiaries after giving effect to such incurrence does not exceed an amount equal to \$1.0 billion;
- (2) the incurrence by CCH II and its Restricted Subsidiaries of Existing Indebtedness (including under the Credit Facilities);
- (3) the incurrence on the Issue Date by CCH II of Indebtedness represented by the Notes (but not including any Additional Notes);
- (4) the incurrence by CCH II or any of its Restricted Subsidiaries of Indebtedness represented by Capital Lease Obligations, mortgage financings or purchase money obligations, in each case, incurred for the purpose of financing all or any part of the purchase price or cost of construction or improvement (including, without limitation, the cost of design, development, construction, acquisition, transportation, installation, improvement, and migration) of Productive Assets of CCH II or any of its Restricted Subsidiaries in an aggregate principal amount not to exceed, together with any related Permitted Refinancing Indebtedness permitted by clause (5) below, \$75 million at any time outstanding;
- (5)

the incurrence by CCH II or any of its Restricted Subsidiaries of Permitted Refinancing Indebtedness in exchange for, or the net proceeds of which are used to refund, refinance or replace, in whole or in part, Indebtedness (other than intercompany Indebtedness) that was permitted by the Indenture to be incurred under this clause (5), the first paragraph of this covenant or clauses (2), (3) or (4) of this paragraph;

- (6) the incurrence by CCH II or any of its Restricted Subsidiaries of intercompany Indebtedness between or among CCH II and any of its Restricted Subsidiaries; provided that:

- (a) if CCH II is the obligor on such Indebtedness, such Indebtedness must be expressly subordinated to the prior payment in full in cash of all obligations with respect to the Notes; and
- (b) (i) any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness being held by a Person other than CCH II or a Restricted Subsidiary of CCH II and (ii) any sale or other transfer of any such Indebtedness to a Person that is not either CCH II or a Restricted Subsidiary of CCH II, shall be deemed, in each case, to constitute an incurrence of such Indebtedness that was not permitted by this clause (6);
- (7) the incurrence by CCH II or any of its Restricted Subsidiaries of Hedging Obligations that are incurred for the purpose of fixing or hedging interest rate risk with respect to any floating rate Indebtedness that is permitted by the terms of the Indenture to be outstanding;
- (8) the guarantee by CCH II or any of its Restricted Subsidiaries of Indebtedness of a Restricted Subsidiary that was permitted to be incurred by another provision of this covenant;
- (9) the incurrence by CCH II or any of its Restricted Subsidiaries of additional Indebtedness in an aggregate principal amount at any time outstanding under this clause (9), not to exceed \$300 million; and
- (10) the accretion or amortization of original issue discount and the write up of Indebtedness in accordance with purchase accounting.

In the event that an item of proposed Indebtedness (a) meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (10) above or (b) is entitled to be incurred pursuant to the first paragraph of this covenant, CCH II will be permitted to classify and from time to time to reclassify such item of Indebtedness in any manner that complies with this covenant. Once any item of Indebtedness is so reclassified, it will no longer be deemed outstanding under the category of Permitted Debt, where initially incurred or previously reclassified. For avoidance of doubt, Indebtedness incurred pursuant to a single agreement, instrument, program, facility or line of credit may be classified as Indebtedness arising in part under one of the clauses listed above or under the first paragraph of this covenant, and in part under any one or more of the clauses listed above, to the extent that such Indebtedness satisfies the criteria for such classification.

Notwithstanding the foregoing, in no event shall any Restricted Subsidiary of CCH II consummate a Subordinated Debt Financing or a Preferred Stock Financing. A "Subordinated Debt Financing" or a "Preferred Stock Financing," as the case may be, with respect to any Restricted Subsidiary of CCH II shall mean a public offering or private placement (whether pursuant to Rule 144A under the Securities Act or otherwise) of Subordinated Notes or Preferred Stock (whether or not such Preferred Stock constitutes Disqualified Stock), as the case may be, of such Restricted Subsidiary to one or more purchasers (other than to one or more Affiliates of CCH II). "Subordinated Notes" with respect to any Restricted Subsidiary of CCH II shall mean Indebtedness of such Restricted Subsidiary that is contractually subordinated in right of payment to any other Indebtedness of such Restricted Subsidiary (including, without limitation, Indebtedness under the Credit Facilities), provided that the foregoing shall not apply to priority of Liens, including by way of intercreditor arrangements. The foregoing limitation shall not apply to:

- (a) any Indebtedness or Preferred Stock of any Person existing at the time such Person is merged with or into or becomes a Subsidiary of CCH II; provided that such Indebtedness or Preferred Stock was not incurred or issued in connection with, or in contemplation of, such Person merging with or into, or becoming a Subsidiary of, CCH II, and
- (b) any Indebtedness or Preferred Stock of a Restricted Subsidiary issued in connection with, and as part of the consideration for, an acquisition, whether by stock purchase, asset sale, merger or otherwise, in each case

involving such Restricted Subsidiary, which Indebtedness or Preferred Stock is issued to the seller or sellers of such stock or assets; provided that such Restricted Subsidiary is not obligated to register such Indebtedness or Preferred Stock under the Securities Act or obligated to provide information pursuant to Rule 144A under the Securities Act.

Liens

The Indenture will provide that CCH II will not, directly or indirectly, create, incur, assume or suffer to exist any Lien of any kind securing Indebtedness or trade payables on any asset of CCH II, whether owned on the Issue Date or thereafter acquired, except Permitted Liens.

Dividend and Other Payment Restrictions Affecting Subsidiaries

CCH II will not, directly or indirectly, create or permit to exist or become effective any encumbrance or restriction on the ability of any of its Restricted Subsidiaries to:

- (1) pay dividends or make any other distributions on its Capital Stock to CCH II or any of its Restricted Subsidiaries, or with respect to any other interest or participation in, or measured by, its profits, or pay any Indebtedness owed to CCH II or any of its Restricted Subsidiaries;
- (2) make loans or advances to CCH II or any of its Restricted Subsidiaries; or
- (3) transfer any of its properties or assets to CCH II or any of its Restricted Subsidiaries.

However, the preceding restrictions will not apply to encumbrances or restrictions existing under or by reason of:

- (1) Existing Indebtedness, contracts and other instruments as in effect on the Issue Date and any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings thereof; provided that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are not materially more restrictive, taken as a whole, with respect to such dividend and other payment restrictions than those contained in the most restrictive Existing Indebtedness, contracts or other instruments, as in effect on the Issue Date;
- (2) applicable law;
- (3) any instrument governing Indebtedness or Capital Stock of a Person acquired by CCH II or any of its Restricted Subsidiaries as in effect at the time of such acquisition (except to the extent such Indebtedness was incurred in connection with or in contemplation of such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired; provided that, in the case of Indebtedness, such Indebtedness was permitted by the terms of the Indenture to be incurred;
- (4) customary non-assignment provisions in leases, franchise agreements and other commercial agreements entered into in the ordinary course of business;
- (5) purchase money obligations for property acquired in the ordinary course of business that impose restrictions on the property so acquired of the nature described in clause (3) of the preceding paragraph;
- (6) any agreement for the sale or other disposition of Capital Stock or assets of a Restricted Subsidiary that restricts distributions by such Restricted Subsidiary pending such sale or other disposition;
- (7) Permitted Refinancing Indebtedness; provided that the restrictions contained in the agreements governing such Permitted Refinancing Indebtedness are not materially more restrictive at the time such restrictions become effective, taken as a whole, than those contained in the agreements governing the Indebtedness being refinanced;

- (8) Liens securing Indebtedness or other obligations otherwise permitted to be incurred pursuant to the provisions of the covenant described above under the caption “— Liens” that limit the right of CCH II or any of its Restricted Subsidiaries to dispose of the assets subject to such Lien;

- (9) provisions with respect to the disposition or distribution of assets or property in joint venture agreements and other similar agreements entered into in the ordinary course of business;
- (10) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;
- (11) restrictions contained in the terms of Indebtedness or Preferred Stock permitted to be incurred under the covenant described under the caption “ — Incurrence of Indebtedness and Issuance of Preferred Stock”; provided that such restrictions are not materially more restrictive, taken as a whole, than the terms contained in the most restrictive, together or individually, of the Credit Facilities and other Existing Indebtedness as in effect on the Issue Date; and
- (12) restrictions that are not materially more restrictive, taken as a whole, than customary provisions in comparable financings and that the management of CCH II determines, at the time of such financing, will not materially impair the Issuers’ ability to make payments as required under the Notes.

Merger, Consolidation or Sale of Assets

Neither Issuer may, directly or indirectly, (1) consolidate or merge with or into another Person (whether or not such Issuer is the surviving Person) or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to another Person; unless:

(A) either:

(i) such Issuer is the surviving Person; or

(ii) the Person formed by or surviving any such consolidation or merger (if other than such Issuer) or to which such sale, assignment, transfer, conveyance or other disposition shall have been made is a Person organized or existing under the laws of the United States, any state thereof or the District of Columbia, provided that if the Person formed by or surviving any such consolidation or merger with such Issuer is a Person other than a corporation, a corporate co-issuer shall also be an obligor with respect to the Notes;

(B) the Person formed by or surviving any such consolidation or merger (if other than such Issuer) or the Person to which such sale, assignment, transfer, conveyance or other disposition shall have been made assumes all the obligations of such Issuer under the Notes and the Indenture pursuant to agreements reasonably satisfactory to the trustee;

(C) immediately after such transaction no Default or Event of Default exists; and

(D) such Issuer or the Person formed by or surviving any such consolidation or merger (if other than such Issuer) will, on the date of such transaction after giving pro forma effect thereto and any related financing transactions as if the same had occurred at the beginning of the applicable four-quarter period,

(x) be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Leverage Ratio test set forth in the first paragraph of the covenant described above under the caption “ — Incurrence of Indebtedness and Issuance of Preferred Stock;” or

(y) have a Leverage Ratio immediately after giving effect to such consolidation or merger no greater than the Leverage Ratio immediately prior to such consolidation or merger.

In addition, neither of the Issuers may, directly or indirectly, lease all or substantially all of their properties or assets, in one or more related transactions, to any other Person. The foregoing clause (D) of this “Merger, Consolidation, or Sale of Assets” covenant will not apply to a sale, assignment, transfer, conveyance or other disposition of assets between or among an Issuer and any of its Wholly Owned Restricted Subsidiaries.

Transactions with Affiliates

CCH II will not, and will not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate (each, an “Affiliate Transaction”), unless:

- (1) such Affiliate Transaction is on terms, taken as a whole, that are not less favorable to CCH II or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by CCH II or such Restricted Subsidiary with an unrelated Person; and
 - (2) CCH II delivers to the trustee:
 - (a) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration given or received by CCH II or any such Restricted Subsidiary in excess of \$15 million, a resolution of the Board of Directors of CCH II or CCI set forth in an officers’ certificate certifying that such Affiliate Transaction complies with this covenant and that such Affiliate Transaction has been approved by a majority of the members of such Board of Directors; and
 - (b) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration given or received by CCH II or any such Restricted Subsidiary in excess of \$50 million, an opinion as to the fairness to the holders of such Affiliate Transaction from a financial point of view issued by an accounting, appraisal or investment banking firm of national standing.

The following items shall not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of the prior paragraph:

- (1) any existing employment agreement and employee benefit arrangement (including stock purchase or options agreements, deferred compensation plans, and retirement, savings or similar plans) entered into by CCH II or any of its Subsidiaries and any employment agreement and employee benefit arrangements entered into by CCH II or any of its Restricted Subsidiaries in the ordinary course of business;
 - (2) transactions between or among CCH II and/or its Restricted Subsidiaries;
 - (3) payment of reasonable directors fees to Persons who are not otherwise Affiliates of CCH II;
 - (4) customary indemnification and insurance arrangements in favor of directors and officers, regardless of affiliation with CCH II or any of its Restricted Subsidiaries;
 - (5) payment of Management Fees;
 - (6) Restricted Payments that are permitted by the provisions of the covenant described above under the caption “— Restricted Payments” and Restricted Investments that are permitted by the provisions of the covenant described above under the caption “— Investments”;
 - (7) Permitted Investments;
 - (8) transactions pursuant to agreements existing on the Issue Date, as in effect on the Issue Date, or as subsequently modified, supplemented, or amended, to the extent that any such modifications, supplements, or amendments

comply with the applicable provisions of paragraph (1) of this covenant;

- (9) transactions contemplated by the Plan of Reorganization, including, without limitation, the payment of Specified Fees and Expenses;

- (10) contributions to the common equity capital of CCH II or the issue or sale of Equity Interests of CCH II;
- (11) the assignment and assumption of contracts (which contracts were entered into prior to the Issue Date on an arms-length basis in the ordinary course of business of the relevant Parent, reasonably related to the business of CCH II and the assignment and assumption of which would not result in the incurrence of any Indebtedness by CCH II or any Restricted Subsidiary) to a Restricted Subsidiary by a Parent; and
- (12) transactions with a Person that would otherwise be deemed Affiliate Transactions solely because any Issuer or a Restricted Subsidiary owns Equity Interests in such Person.

Sale and Leaseback Transactions

CCH II will not, and will not permit any of its Restricted Subsidiaries to, enter into any sale and leaseback transaction; provided that CCH II and its Restricted Subsidiaries may enter into a sale and leaseback transaction if:

- (1) CCH II or such Restricted Subsidiary could have
 - (a) incurred Indebtedness in an amount equal to the Attributable Debt relating to such sale and leaseback transaction under the Leverage Ratio test in the first paragraph of the covenant described above under the caption “— Incurrence of Indebtedness and Issuance of Preferred Stock”; and
 - (b) incurred a Lien to secure such Indebtedness pursuant to the covenant described above under the caption “— Liens” or the definition of “Permitted Liens”; and
- (2) the transfer of assets in that sale and leaseback transaction is permitted by, and CCH II or such Restricted Subsidiary applies the proceeds of such transaction in compliance with, the covenant described above under the caption “— Repurchase at the Option of Holders — Asset Sales.”

The foregoing restrictions do not apply to a sale and leaseback transaction if the lease is for a period, including renewal rights, of not in excess of three years.

Limitations on Issuances of Guarantees of Indebtedness

CCH II will not permit any of its Restricted Subsidiaries, directly or indirectly, to Guarantee or pledge any assets to secure the payment of any other Indebtedness of CCH II (the “Guaranteed Indebtedness”), unless

- (1) such Restricted Subsidiary simultaneously executes and delivers a supplemental indenture providing for the Guarantee (a “Subsidiary Guarantee”) of the payment of the Notes by such Restricted Subsidiary, and
- (2) until one year after all the Notes have been paid in full in cash, such Restricted Subsidiary waives and will not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against CCH II or any other Restricted Subsidiary of CCH II as a result of any payment by such Restricted Subsidiary under its Subsidiary Guarantee; provided that this paragraph shall not be applicable to any Guarantee or any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary.

If the Guaranteed Indebtedness is subordinated to the Notes, then the Guarantee of such Guaranteed Indebtedness shall be subordinated to the Subsidiary Guarantee at least to the extent that the Guaranteed Indebtedness is

subordinated to the Notes.

Any Subsidiary Guarantee shall terminate upon the release of such guarantor from its guarantee of the Guaranteed Indebtedness.

22

Limitations on Layering

- (1) At all times, CCOH shall be a direct Restricted Subsidiary of CCH II or of a Restricted Subsidiary that Guarantees the Notes on an unsubordinated, full and unconditional basis.
- (2) CCH II shall not permit any members of the CCOH Group to guarantee or otherwise become an obligor with respect to any Indebtedness (“CCOH Guaranteed Indebtedness”) of CCH II or any Parent or any Subsidiary of a Parent other than a member of the CCOH Group without Guaranteeing the Notes on an unsubordinated basis pursuant to the above “—Limitations on Issuances of Guarantees of Indebtedness” covenant (treating all references therein to “Guaranteed Indebtedness” as references to “CCOH Guaranteed Indebtedness”).
- (3) CCH II shall not permit any member of the CCOH Group to create a Lien on any of its assets or properties to secure the repayment of the Indebtedness of CCH II or any Parent or any Subsidiary of a Parent who is not itself a member of the CCOH Group, unless:
 - (i) in the case of Liens securing Indebtedness that is subordinated in right of payment to the Notes, the Notes are secured by a Lien on such property or assets that is senior in priority to such Liens;
 - (ii) in the case of Liens securing Indebtedness that is not subordinated in right of payment to the Notes, the Notes are secured by a Lien on such property or assets that is senior in priority to such Liens;
 - (iii) and in all other cases, the Notes are equally and ratably secured;

provided that any Lien which is granted under this covenant shall be automatically discharged at the same time as the discharge of the Lien (other than through the exercise of remedies with respect thereto) that gave rise to the obligation to so secure the Notes or Guarantees.

Payments for Consent

CCH II will not, and will not permit any of its Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any holder of Notes for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of the Indenture or the Notes unless such consideration is offered to be paid and is paid to all holders of the Notes that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or amendment.

Reports

Whether or not required by the SEC, so long as any Notes are outstanding, the Issuers will furnish to the holders of the Notes, within the time periods specified in the SEC’s rules and regulations:

- (1) all quarterly and annual financial information that would be required to be contained in a filing with the SEC on Forms 10-Q and 10-K if the Issuers were required to file such forms, including a “Management’s Discussion and Analysis of Financial Condition and Results of Operations” section and, with respect to the annual information only, a report on the annual consolidated financial statements of CCH II by its independent public accountants; and
- (2) all current reports that would be required to be filed with the SEC on Form 8-K if the Issuers were required to file such reports.

Notwithstanding anything contained herein, so long as CCI or another entity that is a guarantor of the Notes and is a Parent, consolidated reports at such Parent level in a manner consistent with this covenant for CCH II shall satisfy this covenant; provided that (x) such reports at such Parent level do not reflect the financial information or assets of any

material operations other than those of the Issuers and their Subsidiaries; (y) such Parent includes in its reports information about CCH II that is required to be provided by a parent guaranteeing debt of an operating company subsidiary pursuant to Rule 3-10 of Regulation S-X or any successor rule then in effect; and (z) such reports include reasonably detailed information regarding the outstanding Indebtedness and preferred stock (including, without limitation, any such instruments held by Parents or their Subsidiaries) of CCH II.

For any fiscal quarter or fiscal year at the end of which Subsidiaries of CCH II are Unrestricted Subsidiaries, the quarterly and annual financial information required by the preceding paragraph shall include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, and in Management's Discussion and Analysis of Financial Condition and Results of Operations, of the financial condition and results of operations of CCH II and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of CCH II.

In addition, after effectiveness of a registration statement registering either the exchange or the resale of the Initial Notes, whether or not required by the SEC, the Issuers will file a copy of all of the information and reports referred to in clauses (1) and (2) above with the SEC for public availability within the time periods specified in the SEC's rules and regulations, unless the SEC will not accept such a filing, and make such information available to securities analysts and prospective investors upon request.

Events of Default and Remedies

Each of the following is an Event of Default with respect to the Notes:

- (1) default for 30 consecutive days in the payment when due of interest on the Notes;
- (2) default in payment when due of the principal of or premium, if any, on the Notes;
- (3) failure by CCH II or any of its Restricted Subsidiaries to comply with the provisions of the Indenture described under the captions “— Repurchase at the Option of Holders — Change of Control” or “— Certain Covenants — Merger, Consolidation, or Sale of Assets”;
- (4) failure by CCH II or any of its Restricted Subsidiaries for 30 consecutive days after written notice thereof has been given to the Issuers by the trustee or to the Issuers and the trustee by holders of at least 25% of the aggregate principal amount of the Notes outstanding to comply with any of their other covenants or agreements in the Indenture;
- (5) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by CCH II or any of its Restricted Subsidiaries (or the payment of which is guaranteed by CCH II or any of its Restricted Subsidiaries) whether such Indebtedness or guarantee now exists, or is created after the Issue Date, if that default:
 - (a) is caused by a failure to pay at final stated maturity the principal amount on such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default (a “Payment Default”); or
 - (b) results in the acceleration of such Indebtedness prior to its express maturity, and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$100 million or more;
- (6) failure by CCH II or any of its Restricted Subsidiaries to pay final judgments which are non-appealable aggregating in excess of \$100 million, net of applicable insurance which has not been denied in writing by the insurer, which judgments are not paid, discharged or stayed for a period of 60 days; and
- (7) CCH II or any of its Significant Subsidiaries pursuant to or within the meaning of Bankruptcy Law:

(a) commences a voluntary case,

(b) consents to the entry of an order for relief against it in an involuntary case,

(c) consents to the appointment of a custodian of it or for all or substantially all of its property, or

(d) makes a general assignment for the benefit of its creditors; or

(8) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(a) is for relief against CCH II or any of its Significant Subsidiaries in an involuntary case;

(b) appoints a custodian of CCH II or any of its Significant Subsidiaries or for all or substantially all of the property of CCH II or any of its Significant Subsidiaries; or

(c) orders the liquidation of CCH II or any of its Significant Subsidiaries;

and the order or decree remains unstayed and in effect for 60 consecutive days.

In the case of an Event of Default described in the foregoing clauses (7) and (8) with respect to CCH II, all outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the trustee or the holders of at least 25% in principal amount of the then outstanding Notes may declare the Notes to be due and payable immediately.

Holders of the Notes may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, the holders of a majority in principal amount of the then outstanding Notes may direct the trustee in its exercise of any trust or power. The trustee may withhold from holders of the Notes notice of any continuing Default or Event of Default under the Indenture (except a Default or Event of Default relating to the payment of principal or interest) if it determines that withholding notice is in their interest.

If a Default is deemed to occur solely because a Default (the "Initial Default") already existed, then if such Initial Default is cured and is not continuing, the Default or Event of Default resulting solely because the Initial Default existed shall be deemed cured, and will be deemed annulled, waived and rescinded without any further action required.

The holders of a majority in aggregate principal amount of the Notes then outstanding by notice to the trustee may on behalf of the holders of all of the Notes waive any existing Default or Event of Default and its consequences under the Indenture except a continuing Default or Event of Default in the payment of interest on, or the principal of, or premium, if any, on, the Notes.

The Issuers will be required to deliver to the trustee annually a statement regarding compliance with the Indenture. Upon becoming aware of any Default or Event of Default, the Issuers will be required to deliver to the trustee a statement specifying such Default or Event of Default and what action the Issuers are taking or propose to take with respect thereto.

No Personal Liability of Directors, Officers, Employees, Members and Stockholders

No director, officer, employee or incorporator of the Issuers or any Parent Guarantor, as such, and no member or stockholder of the Issuers or any Parent Guarantor, as such, shall have any liability for any obligations of the Issuers or any Parent Guarantor under the Notes, the Indenture, any Note Guarantee or the Registration Rights Agreement, or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each holder of Notes by accepting a Note and any Note Guarantee waives and releases all such liability. The waiver and release will be part of the consideration for issuance of the Notes and any Note Guarantee. The waiver may not be effective to waive

liabilities under the federal securities laws.

Legal Defeasance and Covenant Defeasance

The Issuers and any Parent Guarantor may, at their option and at any time, elect to have all of their obligations discharged with respect to any outstanding Notes and any Note Guarantee (“Legal Defeasance”) except for:

25

- (1) the rights of holders of outstanding Notes to receive payments in respect of the principal of, premium, if any, and interest on the Notes when such payments are due from the trust referred to below;
- (2) the Issuers' obligations with respect to the Notes concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;
- (3) the rights, powers, trusts, duties and immunities of the trustee, and the Issuers' obligations in connection therewith; and
- (4) the Legal Defeasance provisions of the Indenture.

In addition, the Issuers may, at their option and at any time, elect to have the obligations of the Issuers and any Parent Guarantor released with respect to certain covenants that are described in the Indenture and any Note Guarantee ("Covenant Defeasance") and thereafter any omission to comply with those covenants shall not constitute a Default or Event of Default with respect to the Notes or any Note Guarantee. In the event Covenant Defeasance occurs, certain events (not including non-payment, bankruptcy, receivership, rehabilitation and insolvency events) described under "Events of Default" will no longer constitute an Events of Default with respect to the Notes or any Note Guarantee.

In order to exercise either Legal Defeasance or Covenant Defeasance:

- (1) the Issuers or any Parent Guarantor must irrevocably deposit, or cause to be deposited, with the trustee, in trust, for the benefit of the holders of the Notes, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as are expected to be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, premium, if any, and interest on the outstanding Notes on the stated maturity or on the applicable redemption date, as the case may be, and the Issuers and any Parent Guarantor must specify whether the Notes will be defeased to maturity or to a particular redemption date;
- (2) in the case of Legal Defeasance, the Issuers shall have delivered to the trustee an opinion of counsel reasonably acceptable to the trustee confirming that
 - (a) the Issuers and any Parent Guarantor have received from, or there has been published by, the Internal Revenue Service a ruling or
 - (b) since the Issue Date, there has been a change in the applicable federal income tax law,

in either case of (a) or (b) immediately above to the effect that, and based thereon such opinion of counsel shall confirm that, the holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

- (3) in the case of Covenant Defeasance, the Issuers or any Parent Guarantor shall have delivered to the trustee an opinion of counsel confirming that the holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;
- (4) no Default or Event of Default under the Indenture shall have occurred and be continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such

deposit and the grant of any Lien securing such borrowing);

- (5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under any material agreement or instrument (other than the Indenture) to which the Issuers or any

of their Restricted Subsidiaries is a party or by which the Issuers or any of their Restricted Subsidiaries is bound;

- (6) the Issuers or any Parent Guarantor must deliver to the trustee an officers' certificate stating that the deposit was not made by the Issuers with the intent of preferring the holders of the Notes over the other creditors of the Issuers or any Parent Guarantor with the intent of defeating, hindering, delaying or defrauding creditors of the Issuers, any Parent Guarantor or others; and
- (7) the Issuers or any Parent Guarantor must deliver to the trustee an officers' certificate and an opinion of counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Notwithstanding the foregoing, the opinion of counsel required by clause (2) above with respect to a Legal Defeasance need not be delivered and the conditions set forth in clause 4(b) shall not apply if all applicable Notes not theretofore delivered to the trustee for cancellation

(a) have become due and payable or

- (b) will become due and payable on the maturity date or a redemption date within one year under arrangements satisfactory to the trustee for the giving of notice of redemption by the trustee in the name, and at the expense, of the Issuers.

This includes consents obtained in connection with a purchase of Notes, a tender offer for Notes or an exchange offer for Notes. Any existing Default or compliance with any provision of the Indenture, the Notes or any Note Guarantee (other than any provision relating to the right of any holder of a Note to bring suit for the enforcement of any payment of principal, premium, if any, and interest on the Note, on or after the scheduled due dates expressed in the Notes) may be waived with the consent of the holders of a majority in aggregate principal amount of the then outstanding Notes. This includes consents obtained in connection with a purchase of Notes, a tender offer for Notes or an exchange offer for Notes.

Without the consent of each holder affected thereby, an amendment or waiver may not (with respect to any Notes held by such holder):

- (2) change the fixed maturity of such Notes or reduce the premium payable upon redemption of such Notes;
- (3) reduce the rate of or extend the time for payment of interest on such Notes;
- (4) waive a Default or an Event of Default in the payment of principal of or premium, if any, or interest on the Notes (except a rescission of acceleration of the Notes by the holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration);
- (5) make such Notes payable in money other than that stated in such Notes;

- (6) make any change in the provisions of the Indenture relating to waivers of past Defaults applicable to any Notes or the rights of holders thereof to receive payments of principal of, or premium, if any, or interest on such Notes;
- (7) waive a redemption payment with respect to such Notes (other than a payment required by one of the covenants described above under the caption “— Repurchase at the Option of Holders”); or

- (8) make any change in the preceding amendment and waiver provisions. Notwithstanding the preceding, without the consent of any holder of Notes, the Issuers, any Parent Guarantor and the trustee may amend or supplement the Indenture, the Notes or any Note Guarantee:
- (a) to cure any ambiguity, defect or inconsistency;
 - (b) to provide for uncertificated Notes in addition to or in place of certificated Notes;
 - (c) to provide for or confirm the issuance of Additional Notes or any Exchange Notes;

 - (e) to add a Note Guarantee;
 - (f) to release any Subsidiary Guarantee in accordance with the provisions of the Indenture;
 - (g) to make any change that would provide any additional rights or benefits to the holders of Notes or that does not adversely affect the legal rights under the Indenture of any such holder;
 - (h) add a guarantor; or
 - (i) to comply with requirements of the SEC in order to effect or maintain the qualification of the Indenture under the Trust Indenture Act or otherwise as necessary to comply with applicable law.

Governing Law

The Indenture and the Notes will be governed by the laws of the State of New York.

Concerning the Trustee

If the trustee becomes a creditor of the Issuers, the Indenture will limit its right to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The trustee will be permitted to engage in other transactions; however, if it acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue or resign.

The holders of a majority in principal amount of the then outstanding Notes will have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the trustee, subject to certain exceptions. The Indenture will provide that in case an Event of Default shall occur and be continuing, the trustee will be required, in the exercise of its power, to use the degree of care of a prudent man in the conduct of his own affairs. Subject to such provisions, the trustee will be under no obligation to exercise any of its rights or powers under the Indenture at the request of any holder of Notes, unless such holder shall have offered to the trustee indemnity satisfactory to it against any loss, liability or expense.

PLAN OF DISTRIBUTION

We are registering the Notes to permit public secondary trading of the Notes by the holders from time to time after the date of this prospectus. We will not receive any of the proceeds from the offering or sale by the selling securityholders of the Notes covered by this prospectus. The selling securityholder may sell all or a portion of the Notes beneficially owned by it and offered hereby from time to time directly or through one or more underwriters, broker-dealers or agents. If the Notes are sold through underwriters or broker-dealers, the selling securityholder will be responsible for underwriting discounts or commissions or agent's commissions. The Notes may be sold in one or more transactions at fixed prices, at prevailing market prices at the time of the sale, at varying prices determined at the time of sale, or at negotiated prices. These sales may be effected in transactions, which may involve crosses or block transactions,

- on any national securities exchange or quotation service on which the Notes may be listed or quoted at the time of sale;
 - in the over-the-counter market;
 - in transactions otherwise than on these exchanges or systems or in the over-the-counter market;
 - through the writing of options, whether such options are listed on an options exchange or otherwise;
 - ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the Notes as agent but may position and resell a portion of the block as principal to facilitate the transaction;
 - purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
 - an exchange distribution in accordance with the rules of the applicable exchange;
 - privately negotiated transactions;
 - short sales;
 - sales pursuant to Rule 144 or Rule 144A;
- broker-dealers may agree with the selling securityholder to sell a specified amount of such Notes at a stipulated price;
 - a combination of any such methods of sale; and
 - any other method permitted pursuant to applicable law.

If the selling securityholders effect such transactions by selling Notes to or through underwriters, broker-dealers or agents, such underwriters, broker-dealers or agents may receive commissions in the form of discounts, concessions or commissions from the selling securityholders or commissions from purchasers of the Notes for whom they may act as agent or to whom they may sell as principal (which discounts, concessions or commissions as to particular underwriters, broker-dealers or agents may be in excess of those customary in the types of transactions involved). In connection with sales of the Notes, the selling securityholders may enter into hedging transactions with

broker-dealers, which may in turn engage in short sales of the Notes in the course of hedging in positions they assume. The selling securityholder may also sell Notes short and deliver Notes covered by this prospectus to close out short positions and to return borrowed Notes in connection with such short sales. The selling securityholder may also loan or pledge Notes to broker-dealers that in turn may sell such Notes.

The selling securityholders and any broker-dealer participating in the distribution of the Notes may be deemed to be “underwriters” within the meaning of the Securities Act of 1933, and any commission paid, or any discounts or concessions allowed to, any such broker-dealer may be deemed to be underwriting commissions or discounts under the Securities Act of 1933. At the time a particular offering of the Notes is made, a prospectus supplement, if required, will be distributed which will set forth the aggregate amount of Notes being offered and the terms of the offering, including the name or names of any broker-dealers or agents, any discounts, commissions and other terms constituting compensation from the selling securityholders and any discounts, commissions or concessions allowed or reallocated or paid to broker-dealers.

There can be no assurance that the selling securityholders will sell any or all of the Notes pursuant to the shelf registration statement, of which this prospectus forms a part.

We will pay all expenses of the registration of the Notes pursuant to the registration rights agreement, including, without limitation, Securities and Exchange Commission filing fees; provided, however, that the selling securityholders will pay all underwriting discounts and selling commissions, if any. We will indemnify the selling securityholders against liabilities, including some liabilities under the Securities Act of 1933, in accordance with the registration rights agreements, or the selling securityholders will be entitled to contribution. We may be indemnified by the selling securityholders against civil liabilities, including liabilities under the Securities Act of 1933, that may arise from any written information furnished to us by the selling securityholders specifically for use in this prospectus, in accordance with the related registration rights agreement, or we may be entitled to contribution.

Item 15. Indemnification of Directors and Officers.

Indemnification Under the Limited Liability Company Agreement of CCH II

The limited liability company agreement of CCH II provides that the members, the manager, the directors, their affiliates or any person who at any time serves or has served as a director, officer, employee or other agent of any member or any such affiliate, and who, in such capacity, engages or has engaged in activities on behalf of CCH II, shall be indemnified and held harmless by CCH II to the fullest extent permitted by law from and against any losses, damages, expenses, including attorneys' fees, judgments and amounts paid in settlement actually and reasonably incurred by or in connection with any claim, action, suit or proceeding arising out of or incidental to such indemnifiable person's acts or omissions on behalf of CCH II. Notwithstanding the foregoing, no indemnification is available under the limited liability company agreement in respect of any such claim adjudged to be primarily the result of bad faith, willful misconduct or fraud of an indemnifiable person. Payment of these indemnification obligations shall be made from the assets of CCH II and the members shall not be personally liable to an indemnifiable person for payment of indemnification.

Indemnification Under the Delaware Limited Liability Company Act

Section 18-108 of the Delaware Limited Liability Company Act authorizes a limited liability company to indemnify and hold harmless any member or manager or other person from and against any and all claims and demands whatsoever, subject to such standards and restrictions, if any, as are set forth in its limited liability company agreement.

Indemnification Under the By-Laws of CCH II Capital

The bylaws of CCH II Capital require CCH II Capital, to the fullest extent authorized by the Delaware General Corporation Law, to indemnify any person who was or is made a party or is threatened to be made a party or is otherwise involved in any action, suit or proceeding by reason of the fact that he is or was a director or officer of CCH II Capital or is or was serving at the request of CCH II Capital as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other entity or enterprise, in each case, against all expense, liability and loss (including attorneys' fees, judgments, amounts paid in settlement, fines, ERISA excise taxes or penalties) reasonably incurred or suffered by such person in connection therewith.

1 In connection with the Registration Statement on Form S-1 filed on June 30, 2010, as subsequently amended on Form S-1/A filed on August 23, 2010 (Registration Statement No. 333-167877), we paid a SEC registration fee of \$38,458 for the securities covered hereunder. Pursuant to Rule 457(p), we will offset the SEC Registration fee currently due of \$38,557 against the previously paid fee for an amount due and owing equal to \$99 in connection with this offering.

II-1

Indemnification Under the Delaware General Corporation Law

Section 145 of the Delaware General Corporation Law, authorizes a corporation to indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding, if the person acted in good faith and in a manner the person reasonably believed to be in, or not opposed to, the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was unlawful. In addition, the Delaware General Corporation Law does not permit indemnification in any threatened, pending or completed action or suit by or in the right of the corporation in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation, unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability, but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses, which such court shall deem proper. To the extent that a present or former director or officer of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to above, or in defense of any claim, issue or matter, such person shall be indemnified against expenses, including attorneys' fees, actually and reasonably incurred by such person. Indemnity is mandatory to the extent a claim, issue or matter has been successfully defended. The Delaware General Corporation Law also allows a corporation to provide for the elimination or limit of the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that such provision shall not eliminate or limit the liability of a director

- a. for any breach of the director's duty of loyalty to the corporation or its stockholders,
- b. for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law,
- c. for unlawful payments of dividends or unlawful stock purchases or redemptions, or
- d. for any transaction from which the director derived an improper personal benefit. These provisions will not limit the liability of directors or officers under the federal securities laws of the United States.

Indemnification Under Charter Indemnification Agreements

Charter has entered into indemnification agreements that require us to indemnify each of our directors and officers to the fullest extent permitted by law for any claims made against each of these persons because he or she is, was or may be deemed to be a stockholder, director, officer, employee, controlling person, agent or fiduciary of Charter or any of our subsidiaries. We are obligated to pay the expenses of these persons in connection with any claims that are subject to the agreement.

Item 16. Exhibits and Financial Statement Schedules.

Reference is made to the Exhibit Index filed as part of this Registration Statement.

Item 17. Undertakings

- (a) The undersigned registrant hereby undertakes:

(1) To file during any period in which offers or sales are being made, a post-effective amendment to the Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

II-2

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by any Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference into the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) If the Registrant is relying on Rule 430B:

(A) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in the registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or

(ii) If the Registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses

filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any

II-3

statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(5) That, for the purpose of determining liability of the Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, each undersigned Registrant undertakes that in a primary offering of securities of such undersigned Registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of any undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by, or on behalf of, the any undersigned Registrant or used or referred to by any undersigned Registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about an undersigned Registrant or its securities provided by or on behalf of any undersigned Registrant; and

(iv) Any other communication that is an offer in the offering made by an undersigned Registrant to the purchaser.

(b) Each undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference into the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions set forth in response to Item 15, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

(d) Each undersigned Registrant hereby further undertakes that:

(1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this Registration Statement in reliance upon Rule 430A and contained in a form of prospectus filed by the Registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this Registration Statement as of the time it was declared effective; and

(2) For purposes of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
