C. Robert Coates said, "We mailed our proxies within the last two weeks and have

Edgar Filing: NORTHFIELD LABORATORIES INC /DE/ - Form DFAN14A

already gained a tremendous amount of support from the shareholders.

"This support for our campaign has spurred on Northfield's directors to finally take action to increase Northfield's share price and gain approval of the company's life saving product.

"It looks like Northfield's directors copied our plan for the company almost word for word. Now they need to implement this plan. The only assurance that they will do so is our proxy contest. We will continue our campaign."
