ITEM 1.01 Entry into a Material Definitive Agreement

On April 5, 2018, Zions Bancorporation, a Utah corporation (the “Company”), as part of its previously announced internal reorganization to streamline its corporate structure, entered into an Agreement and Plan of Merger (the “Plan of Merger”) with its wholly-owned bank subsidiary, ZB, N.A., a nationally chartered banking association (the “Bank”). Under the terms of the Plan of Merger, the Company will be merged with and into the Bank (the “Merger”) with the Bank continuing as the surviving entity (the “Surviving Entity”). Under the Plan of Merger, the Surviving Entity will bear the name Zions Bancorporation, N.A. and will continue to operate with its existing local brand names and management teams in markets throughout the western United States.

At the effective time of the Merger, the outstanding shares of the Bank’s common and preferred stock will be cancelled and cease to exist, and the outstanding shares of the Company’s common and preferred stock will automatically be converted into an equivalent number of shares of the Surviving Entity’s common and preferred stock. As a result, the shares of capital stock of the Surviving Entity will be owned directly by the Company’s shareholders in the same proportion as their ownership of the Company’s capital stock immediately prior to the Merger. Further, each warrant to purchase common stock of the Company will be converted automatically into a warrant to purchase common stock of the Surviving Entity. The Surviving Entity will assume the Company’s equity incentive plans, equity compensation plans, and other compensation plans.

Following the merger, it is expected that the Surviving Entity will be a publicly-traded company on the NASDAQ Global Select Market (“NASDAQ”) under the same ticker symbol currently used by the Company, “ZION.” The Surviving Entity’s common stock will be registered with the Surviving Entity’s primary banking regulator, the Office of the Comptroller of the Currency (“OCC”), under the Securities Exchange Act of 1934, as amended. Following the Merger, the Surviving Entity will file periodic and current reports and other required materials with the OCC.

The Surviving Entity will have the same board of directors following the Merger as the Company had immediately prior thereto, with the exception that Scott J. McLean, the President and Chief Operating Officer of the Company, who currently serves on the Bank’s board of directors, will also serve on the board of the Surviving Entity. Executive officers of the Company immediately prior to the Merger will hold substantially the same positions and titles with the Surviving Entity following the Merger.

It is intended that the Merger will be treated for U.S. federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended, with the result that shareholders of the Company will not recognize gain or loss as a result of the Merger.

The Plan of Merger has been approved by the boards of directors of each of the Company and the Bank. In connection with the Merger, the Company will hold a special meeting of its shareholders to consider and vote upon the Merger. The Merger is subject to various customary closing conditions.

The foregoing summary of the Merger and the terms and conditions of the Plan of Merger does not purport to be complete and is qualified in its entirety by reference to the complete text of the Plan of Merger, which is attached hereto as Exhibit 2.1 and incorporated herein by reference.

ITEM 7.01 Regulation FD Disclosure

In connection with the Merger, the Company will make certain regulatory applications or other filings. First, the Company will file a merger application with the OCC and Federal Deposit Insurance Corporation for approval of the merger of the Company into the Bank. Second, the Company will file an appeal with the Financial Stability Oversight Council (“FSOC”) seeking a determination that the Surviving Entity will not be treated as a systemically important financial institution (“SIFI”) regulated by the Board of Governors of the Federal Reserve System and subject to prudential standards under Section 165 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (“Dodd-Frank Act”). Although under Section 117 of the Dodd-Frank Act the successor organization to a bank holding company with assets of over \$50 billion, like the Company, that ceases to exist as a bank holding company would otherwise continue to be treated as a SIFI subject to Section 165, Section 117(c) of the Dodd-Frank Act provides that a firm may appeal such treatment to the FSOC.
