Dear Fellow Stockholder,

Notice is hereby given that the Annual Meeting of Stockholders of Boulder Total Return Fund, Inc., a Maryland corporation (the "Fund"), will be held on May 2, 2011 at 9:00 a.m. Mountain Daylight Time (local time), at the St. Julien Hotel, 900 Walnut Street, Boulder, Colorado 80302.

The Fund currently employs preferred stock leverage as a strategy to attempt to enhance the common stockholders' returns. The auction market that sets the rates for the Fund's preferred stock continues to fail and, consequently, the Fund's preferred stock is considered illiquid. In light of this ongoing turbulence in the auction market, as well as other factors, the Fund's Board of Directors has considered pursuing alternative leverage strategies, including the possibility of refinancing some or all of the preferred stock shares with debt financing. Notwithstanding this, the Board of Directors may ultimately decide to leave the current preferred stock outstanding or redeem some or all of the shares of preferred stock.

As discussed in the accompanying Proxy Statement, the Fund is proposing certain amendments to its fundamental investment policies and charter that would permit the Fund the flexibility to pursue refinancing the Fund's preferred stock leverage with debt financing.

In addition, at the Annual Meeting, stockholders of the Fund will consider a proposal to elect one Class I Director and one Class II Director. There will also be an opportunity to discuss matters of interest to you as a stockholder. The Fund's Directors unanimously recommend that you vote FOR the following proposals:

1. To eliminate the fundamental investment policy prohibiting the Fund from purchasing securities on margin;
2. To amend the Fund's charter to permit the Fund's directors that are elected by holders of the Fund's preferred stock, at such time that the Fund's preferred stock is no longer outstanding, to continue to serve as directors of the Fund for the remainder of his or her term and until his or her successor is duly elected and qualified; and
3. To elect one Class I Director and one Class II Director of the Fund.

We hope you plan to attend the Annual Meeting. Your vote is important. Whether or not you are able to attend, it is important that your shares be represented at the Annual Meeting. Accordingly, we ask that you please sign, date, and return the enclosed Proxy Card or vote via telephone or the Internet at your earliest convenience.

On behalf of the Board and the management of Boulder Total Return Fund, Inc., I extend our appreciation for your continued support.

Sincerely,

/s/ Richard I. Barr

Richard I. Barr, Chairman of the Board

PROPOSAL 1

ELIMINATION OF THE FUND’S FUNDAMENTAL POLICY

PROHIBITING PURCHASING SECURITIES ON MARGIN

The Fund currently has the following fundamental investment policy prohibiting the Fund from purchasing securities on margin:

The Fund may not sell securities short or purchase securities on margin, except for such short-term credits as are necessary for the clearance of transactions, but the Fund may make margin deposits in connection with transactions in futures contracts, options or futures contracts and options on securities and securities indices, and may make short sales of securities “against the box”.

If stockholders of the Fund approve this proposal, the Fund's current fundamental policy prohibiting the purchase of securities on margin will be revised as follows:

The Fund may not sell securities short, except for such short-term credits as are necessary for the clearance of transactions and except that it may make short sales of securities “against the box”.

Discussion. When the Fund was organized, it was contemplated that the Fund would leverage its portfolio through its issuance of preferred stock, and the Fund's ability to leverage through debt financing was restricted. If the revised fundamental policy is approved, it could permit the Fund to engage in borrowing or other forms of debt leverage in order to potentially redeem the Preferred Stock.

The auction process for the Fund's Preferred Stock began to fail in February 2008 and has continued to fail. This means that there has not been sufficient interest from bidders in the auctions to purchase all the Preferred Stock being offered for sale. Prior to the auctions failing, the Preferred Stock dividend was set by the auction process. As a result of the failed auctions, the Fund currently pays dividends on the Preferred Stock at the "maximum rate", which, as set forth in the Fund's charter, is the greater of 125% of 30-day LIBOR or 30-day LIBOR plus 125 basis points. A failed auction is not an event of default nor does it require the redemption of Preferred Stock by the Fund. The provisions allowing for failed auctions are intended to provide fair compensation for holders of Preferred Stock ("Preferred Stockholders") during periods of disruptions, while also allowing the Fund the necessary time to properly consider the situation and explore potential alternatives. In light of this ongoing turbulence in the auction market, as well as other factors, the Board has considered pursuing alternative leverage strategies, including the possibility of refinancing the Preferred Stock with debt financing.

In general, purchasing securities on margin means to purchase securities with money borrowed from a broker-dealer, using other securities as collateral. Certain uses of debt financing could implicate the Fund's policy prohibiting purchases on margin. For example, if the Fund (after it had used borrowed funds to redeem the Preferred Stock) borrowed additional funds through the use of a revolving credit facility to make additional purchases of securities, this could potentially be viewed as purchasing securities on margin.

The 1940 Act does not require the Fund to adopt a fundamental investment policy regarding purchasing securities on margin. In addition, the Fund's current restriction potentially limits the Fund's flexibility to pursue debt financing as a means of leverage. Considering these factors, among others, the Board has concluded that this policy should be revised to permit the Fund to leverage its portfolio using debt financing in appropriate circumstances. Notwithstanding this, the Board may ultimately decide to leave the current Preferred Stock outstanding if, after evaluating liquidity solutions that would enable the Fund to redeem the Preferred Stock, the Board determines that such solutions would be inconsistent with the interests of all the Fund's stockholders.

The Fund's fundamental investment policy prohibiting the Fund from selling securities short, except for such short-term credits as are necessary for the clearance of transactions and except that it may make short sales of securities "against the box," remains unchanged. Accordingly, the Fund may continue to make short sales of securities in order to reduce market exposure and/or to increase its income if at all times when a short position is open, the Fund owns an equal or greater amount of such securities or owns preferred stock, debt or warrants convertible or exchangeable into an equal greater number of the shares of common stock sold short.

The following describes the additional risks associated with leveraging the Fund through the use of borrowing and purchasing securities on margin.

As discussed above, if the Fund is permitted to purchase securities on margin, the Fund will be required to post its existing assets as collateral for the loan. If the value of the securities posted as collateral decreases in value beyond certain levels, the Fund would be required to post additional collateral or repay some or all of the loan. Purchasing securities on margin could therefore cause the Fund to liquidate portfolio holdings when it may not be advantageous to do so to satisfy its margin obligations. Increases and decreases in the value of the Fund's portfolio would be magnified if the Fund purchases securities on margin.

Since the proposed amendment will provide the Fund with greater borrowing flexibility, the Fund may be subject to additional costs, such as a commitment or other fee to maintain a line of credit. This would increase the cost of borrowing over the stated interest rate. In addition, the Fund may be subject to covenants and other contractual provisions that restrict its operations. A breach of any such covenants not cured within the specified cure period may result in acceleration of outstanding indebtedness and require the Fund to dispose of portfolio investments at a time when it may be disadvantageous to do so.

In addition, to the extent the Fund enters into borrowings, the rights of lenders in those borrowing transactions will be senior to the rights of holders of the Fund's common stock. Furthermore, future changes in the credit markets could cause the interest rate payable on any alternative funding arrangements to increase relative to the dividend and interest rates the Fund earns on its portfolio securities, which could reduce or even eliminate the benefits of leverage to the Fund. Moreover, if the Fund utilizes debt leverage, it could be required to maintain an asset coverage ratio of 300% on any outstanding indebtedness, instead of the asset coverage of 200% that it is currently required to maintain on its Preferred Shares. If the Fund were unable to maintain the required 300% asset coverage, it could be required to deleverage and sell a portion of its investments at a time when it might be disadvantageous to do so.

Additionally, the Fund's leveraged capital structure creates special risks not associated with unleveraged funds having similar investment objectives and policies. These risks include the possibility of higher volatility of the Fund's net asset value and the asset coverage of the Fund's indebtedness. This means that if there is a net decrease in the value of the Fund's investment portfolio, the use of leverage will likely cause a greater decrease in the net asset value per common share and the market value per common share than if the Fund were not leveraged.

Successful use of a leveraging strategy depends on the Advisers' ability to correctly predict interest rates and market movements, and there is no assurance that a leveraging strategy will be employed or will be successful during any period in which it is employed. If Proposal 1 is approved by stockholders and the Fund leverages using borrowing or margin purchases, the Advisers could be viewed as having an economic incentive to utilize leverage because the use of leverage would increase the Fund's total assets and hence the fees paid by the Fund to the Advisers. However, the Fund was initially structured to be leveraged with Preferred Stock, so that changing the form of leverage, in whole or in part, should not enhance any such incentive.

Vote Required. Approval of Proposal 1 requires the approval of the holders of a majority of the Fund's outstanding voting securities, voting as a single class, and approval of the holders of a majority of the Fund's outstanding shares of Preferred Stock, voting as a separate class. A majority of the Fund's outstanding voting securities for this purpose means the lesser of (1) 67% or more of the Shares of Common Stock and shares of Preferred Stock, present at a meeting of stockholders, voting as a single class, if the holders of more than 50% of such Shares are present or represented by proxy at the meeting, or (2) more than 50% of the outstanding Shares of Common Stock and outstanding Shares of Preferred Stock, voting as a single class. A majority of the Fund's outstanding Shares of Preferred Stock for this purpose is determined in a similar manner, by applying the percentages in the previous sentence to outstanding Shares of Preferred Stock.

THE BOARD OF DIRECTORS, INCLUDING ALL OF THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" PROPOSAL 1.

PROPOSAL 2

AMENDMENTS TO THE FUND'S CHARTER

The Fund's charter consists of Articles of Amendment and Restatement, as amended (the "Articles of Amendment and Restatement"), including Articles of Amendment setting forth the amended and restated terms of the Preferred Stock, also referred to as the AMPS (the "Preferred Stock Terms").

Proposal 2 consists of a proposed amendment to the Articles of Amendment and Restatement and a closely related amendment to the Preferred Stock Terms.

The last sentence of Section 5.2 of the Articles of Amendment and Restatement currently provides:

Upon the redemption as a whole but not in part of the Preferred Stock, the term of office of any Directors elected solely by the holders of Preferred Stock shall automatically and immediately terminate.

The following, substantially similar language also appears in Section 4(i) of the Preferred Stock Terms: Terms of Office of Certain Directors to Terminate. Simultaneously with and at the time that none of the issued shares of AMPS are Outstanding, the terms of office of any Directors elected solely by the holders of such AMPS shall automatically terminate and the remaining directors shall constitute the directors of the Fund.

The first proposed amendment is to delete the last sentence of Section 5.2 of the Articles of Amendment and Restatement and insert the following in lieu thereof:

Upon the redemption as a whole of the Preferred Stock, each Director elected solely by the holders of Preferred Stock shall continue to serve as a Director of the Fund for the remainder of his or her term and until his or her successor is duly elected and qualified.

Similarly, the second proposed amendment is to delete the text of Section 4(i) of the Preferred Stock Terms and insert the following in lieu thereof:

Terms of Office of Certain Directors to Continue. At such time that none of the issued shares of AMPS are Outstanding, each Director elected solely by the holders of such AMPS shall continue to serve as a Director of the Fund for the remainder of his or her term and until his or her successor is duly elected and qualified.

Discussion. In accordance with the Fund's charter and the 1940 Act, two of the Fund's five Directors are separately elected by the Preferred Stockholders. In the event that all of the Preferred Stock is redeemed in the future, the current charter provisions would cause those directors' terms of office to automatically terminate and would create two vacancies on the Board. The vacancies would remain open until such time that the Board or the stockholders elect two directors to fill the vacancies, in accordance with the Fund's charter, Bylaws, Maryland law and the 1940 Act. As discussed in Proposal 1, the Board wants to position the Fund so that, if appropriate, it can replace the current Preferred Stock leverage with debt financing with minimal disruption. Proposal 2 is intended to mitigate the disruptive effect of automatic director terminations and assure continuity of management of the Fund.

If the amendments to the charter set forth above are approved, the Fund will file Articles of Amendment containing the amendments with the State Department of Assessments and Taxation of Maryland.

Vote Required. Approval of Proposal 2 requires the affirmative vote of a majority of all the votes entitled to be cast by the stockholders of the Fund on the matter.

THE BOARD OF DIRECTORS, INCLUDING ALL OF THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" PROPOSAL 2.

PROPOSAL 3

ELECTION OF DIRECTORS OF THE FUND

The Board is divided into three classes (Class I, Class II, and Class III), each class having a term of three years. Each year the term of one class expires and the successor or successors elected to such class will serve until the Fund's annual meeting of stockholders in the third succeeding year and until their successors are duly elected and qualified. Because a separate quorum of the Preferred Stockholders was not achieved at the Annual Meeting of Stockholders held on May 3, 2010, the term of John S. Horejsi as a Class I Director to the Fund, "carried over" until this Meeting. Therefore, it is necessary to elect one Class I Director, with a term to expire in two years, as well as one Class II Director, with a term to expire in three years. No Class III Directors are up for election at this Meeting. This will retain the characteristic of the staggered Board of Directors such that the Class I Director will serve until his successor is duly elected and qualified in 2013, the Class II Director will serve until his successor is duly elected and qualified in 2014, and the Class III Directors will serve until their successors are duly elected and qualified in 2012.

The Board has nominated John S. Horejsi to stand for election as Class I Director to serve until the Fund's 2013 Annual Meeting of Stockholders and until his successor is duly elected and qualified. The Board has nominated Joel W. Looney to stand for election as a Class II Director to serve until the Fund's 2014 Annual Meeting of Stockholders and until his successor is duly elected and qualified.

Under the Fund's charter, Mr. Horejsi is nominated for a seat voted on by the Preferred Stockholders and Mr. Looney is nominated for a seat voted on by the Common Stockholders and Preferred Stockholders voting as a single class.

Following the unanimous recommendation of its Nominating Committee, the Board unanimously recommends a vote FOR both Mr. Horejsi and Mr. Looney because they each have significant experience as directors of closed-end investment companies and, in particular, the Fund, and have dealt skillfully with a broad range of complex issues regarding the Fund and its affiliated investment companies.

INFORMATION ABOUT THE DIRECTORS' QUALIFICATIONS, EXPERIENCE, ATTRIBUTES AND SKILLS.

The Board believes that each of the Directors have the qualifications, experience, attributes and skills appropriate to their continued service as Directors of the Fund in light of its business and structure. Each Director has substantial business and professional background and/or board experience that indicate their ability to critically review, evaluate and respond appropriately to information provided to them. Certain of these business and professional experiences are set forth in detail in the narratives below. In addition, each Director has served on boards for investment companies and organizations other than the Fund, as well as having served on the Board of the Fund for a number of years. They therefore have substantial board experience and, in their service to the Fund, have gained substantial insight as to the operation of the Fund. The Board annually conducts a "self-assessment" wherein the effectiveness of the Board and individual Directors is reviewed.

Set forth below is a brief discussion of the particular qualifications, experience, attributes or skills that led the Board to conclude that each person identified below should serve as a Director of the Fund. The information provided below, and in the chart above, is not all-inclusive. Many of the Directors' attributes involve intangible elements, such as intelligence, work and investment ethic, diversity in terms of background or experiences, an appreciation of and commitment to the long-term investment approach of the Fund, and the ability to work together collaboratively, to communicate effectively, to exercise judgment, to ask incisive questions, to manage people and problems or to develop solutions. In conducting its annual self-assessment, the Board has determined that the Directors have the appropriate qualifications, experience, attributes and skills to continue to serve effectively as Directors of the Fund.

The Directors' respective addresses are c/o Boulder Total Return Fund, Inc., 2344 Spruce Street, Suite A, Boulder, Colorado 80302. Mr. Horejsi and Ms. Ciciora are each considered "interested persons" because of the extent of their beneficial ownership of Fund shares and by virtue of their indirect beneficial ownership of BIA, SIA and FAS. The following sets forth the backgrounds and business experience of the Directors:

Joel W. Looney, Director. Mr. Looney joined the Board in 2001 and sits on the boards of three other closed-end investment companies affiliated with the Fund – the Boulder Growth & Income Fund ("BIF") since 2002, The Denali Fund ("DNY") since 2007, and First Opportunity Fund since 2003 ("FOFI"; together, the "Affiliated Funds"). He holds a Certified Financial Planner ("CFP") designation and, since 1999, has been a principal and partner with Financial Management Group, LLC, an investment management firm in Salina, KS ("FMG"). Mr. Looney is a registered representative with VSR Financial Services, Inc. of Overland Park, Kansas and holds FINRA-approved Series 7, Series 63 Uniform State Law and Series 65 Uniform Investment Adviser Law certifications. Prior to his current position with FMG, Mr. Looney was vice president and CFO for Bethany College in Lindsborg, Kansas (1995 to 1999) and also served as vice president and CFO for St. John's Military School in Salina, Kansas (1986 to 1995). From the late 1980's until January, 2001, Mr. Looney served, without compensation, as one of three trustees of the Mildred Horejsi Trust, an affiliate of the EH Trust. Mr. Looney holds a B.S. from Marymount College and an MBA from Kansas State University.

Based upon the foregoing, the Board selected Mr. Looney to serve as a Director of the Fund because of his financial, accounting and investment knowledge and experience and because of his substantial closed-end investment company experience, during which he has dealt skillfully with a broad range of complex issues with respect to the Fund and Affiliated Funds. In addition, Mr. Looney's past experience as a chief financial officer and his ongoing experience in the investment management industry uniquely qualifies him as a Director and, in particular, as chairman of the Audit Committee and the Fund's "financial expert" (as defined under the Securities and Exchange Commission's Regulation S-K, Item 407(d)).

Richard I. Barr, Director and Chairman of the Board. Mr. Barr joined the Board in 1999 and sits on the boards of each of the three Affiliated Funds; BIF since 2002, DNY since 2007, and FOFI since 2001. Mr. Barr served as president and director of Advantage Sales and Marketing (1996 to 2001), president and CEO of CBS Marketing (1963 to 1996), member of the board of directors (and National Chairman) for the Association of Sales and Marketing Companies (formerly the National Food Brokers Association), president of the Arizona Food Brokers Association, and advisory board member for various food manufacturers, including H.J. Heinz, ConAgra, Kraft Foods, and M&M Mars. In addition to these professional positions and experience, Mr. Barr has served in a number of leadership roles with various charitable or other non-profit organizations, including as member of the board of directors of Valley Big Brothers/Big Sisters, member of the board of advisers for University of Kansas Business School, and member of the board of directors for St. Mary's Food Bank. Mr. Barr holds a B.S. from the University of Kansas.

Based upon the foregoing, the Board selected Mr. Barr to serve as a Director of the Fund because of his diverse business background, his management and executive experience and because of his substantial closed-end investment company experience, during which he has dealt skillfully with a broad range of complex issues with respect to the Fund and Affiliated Funds.

Dr. Dean Jacobson, Director. Dr. Jacobson joined the Board in 2004 and sits on the boards of each of the three Affiliated Funds; BIF since 2006, DNY since 2007, and FOFI since 2003. Since 1985, Dr. Jacobson has been president and CEO of Forensic Engineering, Inc., a consulting engineering firm providing scientific and technical expertise in a number of areas where discovery related to property damage and/or personal injury is necessary (e.g., accident reconstruction, failure and design analysis of products, animation and simulation of fires, explosions and mechanical system functions). He sits on the boards of directors of Southwest Mobile Storage Inc. (1995 to Present) and Arizona State University Sun Angel Foundation (past chairman) (1995 to Present). Dr. Jacobson previously sat

on the board of directors of Arizona State University Foundation (1999 to 2009). He is a Professor Emeritus at Arizona State University (“ASU”) and held a number of faculty and advisory positions at ASU between 1971 and 1997, including director of the Science and Engineering of Materials Ph.D. program and tenured professor of Engineering, and he has also served as a professor and/or research assistant at the University of California at Los Angeles (“UCLA”) (1964 to 1969) and the University of Notre Dame (“Notre Dame”) (1957 to 1963). Dr. Jacobson is a renowned expert in business engineering processes and has published over 130 scholarly and peer-reviewed research articles in numerous academic, research and business journals and publications. He holds two patents and a number of professional and business designations. He holds a B.S. and an M.S. from Notre Dame, and a Ph.D. from UCLA.

Based upon the foregoing, the Board selected Dr. Jacobson to serve as a Director of the Fund because of his academic qualifications, his critical thinking, analytical skills, executive and business experience and because of his substantial closed-end investment company experience, during which he has dealt skillfully with a broad range of complex issues with respect to the Fund and Affiliated Funds.

Susan L. Ciciora, Director. Ms. Ciciora joined the Board in 2001 and sits on the boards of each of the three Affiliated Funds; BIF since 2006, DNY since 2007 and FOFI since 2003. She is one of three trustees of the Lola Trust since 1994 and the EH Trust since 1992. Ms. Ciciora has other business experience, including various executive positions with her family's mid-west welding supply company and a custom home construction company. She also has served as a director of the Horejsi Charitable Foundation, Inc. (the "Foundation") since 1997. She holds a B.S. from the University of Kansas. Ms. Ciciora is Stewart Horejsi's daughter and John S. Horejsi's sister. As a trustee and beneficiary under the Brown Trust and Ernest Trust, the Fund's largest stockholders, Ms. Ciciora has a vested interest in ensuring that the Fund's investment ideals are and continue to be followed.

Based upon the foregoing, the Board selected Ms. Ciciora to serve as a Director of the Fund because of her business, financial, and investment experience, and because of her substantial closed-end investment company experience, during which she has dealt skillfully with a broad range of complex issues with respect to the Fund and Affiliated Funds.

John S. Horejsi, Director. Mr. Horejsi joined the Board in 2006 and sits on the boards of each of the three Affiliated Funds; BIF since 2004, FOFI since 2006 and DNY since 2007. He has been involved in a number of business ventures, including as manager of a record label and music production company, various positions with his family's mid-west regional welding supply business and as part owner and driver for an automobile racing team. Mr. Horejsi also has board experience outside of the Funds as a director of the Foundation, (since 1997). Mr. Horejsi previously held a commercial real estate license in California. Mr. Horejsi holds a B.S. from the University of Kansas. Mr. Horejsi is Stewart Horejsi's son and Susan Ciciora's brother. He is a beneficiary under the Brown Trust and Mildred Trust, the Fund's largest stockholders. Accordingly, Mr. Horejsi has a vested interest in making sure the Fund's investment ideals are and continue to be followed.

Based upon the foregoing, the Board selected Mr. Horejsi to serve as a Director of the Fund because of his executive, business, financial, and investment experience, and because of his substantial closed-end investment company experience, during which he has dealt skillfully with a broad range of complex issues with respect to the Fund and Affiliated Funds.

COMMITTEES OF THE BOARD OF DIRECTORS

AUDIT COMMITTEE; REPORT OF AUDIT COMMITTEE. The purpose of the Fund’s audit committee (“Audit Committee”) is to assist the Board in its oversight of the integrity of the Fund’s financial statements, the Fund’s compliance with legal and regulatory requirements, the independent accountants’ qualifications and independence and

the performance of the Fund's independent accountants. The Audit Committee reviews the scope and results of the Fund's annual audit with the Fund's independent accountants and recommends the engagement of such accountants. Management, however, is responsible for the preparation, presentation and integrity of the Fund's financial statements, and the independent accountants are responsible for planning and carrying out proper audits and reviews. The Board adopted a written charter for the Audit Committee on January 23, 2002 and most recently amended the joint Audit Committee Charter on January 29, 2010 to comply with recent changes in corporate governance provisions affecting registered investment companies generally and the Fund specifically. A copy of the Audit Committee Charter is available on the Fund's website at www.boulderfunds.net.

The Audit Committee is composed entirely of the Fund's Independent Directors, consisting of Dr. Jacobson, and Messrs. Barr and Looney. The Board has determined that Joel Looney qualifies as an "audit committee financial expert," as defined under SEC Regulation S-K, Item 407(d). The Audit Committee is in compliance with applicable rules of the listing requirements for closed-end fund audit committees; including the requirement that all members of the audit committee be "financially literate" and that at least one member of the audit committee have "accounting or related financial management expertise," as determined by the Board. The Audit Committee is required to conduct its operations in accordance with applicable requirements of the Sarbanes-Oxley Act, and the Fund's independent publicly registered accounting firm is required to comply with the rules and regulations promulgated under the Sarbanes-Oxley Act and by the Public Company Accounting Oversight Board. The members of the Audit Committee are subject to the fiduciary duty to exercise reasonable care in carrying out their duties. Each member of the Audit Committee is independent, as that term is defined by the NYSE Listing Standards. The Audit Committee met four times during the fiscal year ended November 30, 2010.

In connection with the audited financial statements as of and for the period ended November 30, 2010, included in the Fund's Annual Report for the period ended November 30, 2010 (the "Annual Report"), at meetings held on January 24, 2011 and January 28, 2011, the Audit Committee considered and discussed the audited financial statements with management and the independent accountants, and discussed the audit of such financial statements with the independent accountants.

The Audit Committee has received the written disclosures and letter from the independent accountants required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with independent accountants their independence. The Audit Committee discussed with the independent accountants the accounting principles applied by the Fund and such other matters brought to the attention of the Audit Committee by the independent accountants required by Statement of Auditing Standards No. 114, The Auditor's Communication with Those Charged With Governance, effective December 15, 2006.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not employed by the Fund in any accounting, financial management or internal control capacity. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with generally accepted accounting standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based on its consideration of the audited financial statements and the discussions referred to above with management and the independent accountants and subject to the limitation on the responsibilities and role of the Audit Committee set forth in the Audit Committee Charter and those discussed above, the Audit Committee recommended to the Board that the audited financial statements be included in the Fund's Annual Report and be mailed to stockholders and filed with the SEC.

Submitted by the Audit Committee of the Fund's Board of Directors: Richard I. Barr, Dean L. Jacobson, and Joel W. Looney.

NOMINATING COMMITTEE. The Board of Directors has a nominating committee (the "Nominating Committee") composed of the Fund's Independent Directors, consisting of Dr. Jacobson, and Messrs. Looney and Barr. Each member of the Nominating Committee is independent, as that term is defined by the NYSE Listing Standards. The Nominating Committee met three times during the fiscal year ended November 30, 2010. The Board of Directors has adopted a charter for the Nominating Committee that is available on the Fund's website at www.boulderfunds.net.

The Nominating Committee does not have a formal process for identifying candidates. The Nominating Committee takes into consideration such factors as it deems appropriate when nominating candidates. These factors may include judgment, skill, diversity, experience with investment companies and other organizations of comparable purpose, complexity, size and subject to similar legal restrictions and oversight, the interplay of the candidate's experience with the experience of other Board members, and the extent to which the candidate would be a desirable addition to the Board and any committees thereof. The Nominating Committee will consider all qualified candidates in the same manner. The Nominating Committee may modify its policies and procedures for director nominees and recommendations in response to changes in the Fund's circumstances, and as applicable legal or listing standards change.

Although the Nominating Committee does not have a formal policy with regard to the consideration of diversity in identifying director candidates, as a matter of practice the Committee typically considers the overall diversity of the Board's composition when identifying candidates. Specifically, the Nominating Committee considers the diversity of skill sets desired among the Board members in light of the Fund's characteristics and circumstances and how those skill sets might complement each other. The Nominating Committee also takes into account the personal background of current and prospective Board members in considering the composition of the Board. In addition, as part of its

annual self-evaluation, the directors have an opportunity to consider the diversity of the Board, both in terms of skill sets and personal background, and any observations made by the Board during the self-evaluation assist the Nominating Committee in its decision making process.

The Nominating Committee will consider director candidates recommended by stockholders (if a vacancy were to exist) and submitted in accordance with applicable law and procedures as described in this Proxy Statement (see “Submission of Stockholder Proposals” below). In reviewing such stockholder director-nominees, the Nominating Committee may generally rely on the provisions set forth in Nominating Committee charter and other information as deemed necessary to adjudge the appropriateness and character of such director-nominee(s). Such recommendations should be forwarded to the Fund’s Secretary c/o Boulder Total Return Fund, Inc., 2344 Spruce Street, Suite A, Boulder Colorado 80302.

The Fund does not have a compensation committee.

ADDITIONAL INFORMATION CONCERNING OUR BOARD OF DIRECTORS

BOARD ATTENDANCE AT STOCKHOLDERS' MEETINGS. The Fund does not have a formal policy regarding Board member attendance at the Annual Meeting of Stockholders; however, all of the Directors of the Fund, who were Directors at the time, attended the May 3, 2010 Annual Meeting of Stockholders.

COMMUNICATIONS WITH THE BOARD. Stockholders who wish to send communications to the Board should send them to the address of the Fund and to the attention of the Board. All such communications will be directed to the Board's attention.

ROLE OF THE BOARD. The Board provides oversight of the management and operations of the Fund. The day-to-day responsibility for the management and operation of the Fund is the responsibility of its various service providers, such as the Advisers and their portfolio managers, and the Fund's co-administrators, custodian and transfer agent. The Board has elected various senior individuals employed by certain of these service providers as officers of the Fund, with responsibility to monitor and report to the Board on the Fund's operations. In conducting its oversight, the Board is provided regular reports from the various officers and service providers regarding the Fund's operations. For example, the treasurer provides reports as to financial reporting matters and portfolio managers report on the performance of the Fund's portfolios. The Board has appointed a chief compliance officer who administers the Fund's compliance program and regularly reports to the Board as to compliance matters. Some of these reports are provided as part of formal board meetings which typically are held quarterly, in person, and involve the Board's review of recent Fund operations. From time to time one or more members of the Board may also meet with management in less formal settings, between formal board meetings, to discuss various topics. In all cases, however, the role of the Board and of any individual Director is one of oversight and not of management of the day-to-day affairs of the Fund.

BOARD LEADERSHIP STRUCTURE. The Board has determined that its leadership structure is appropriate given the business and nature of the Fund. It has established five standing committees: the Audit Committee, the Nominating Committee (each as described above), a pricing committee, a legal compliance committee and an executive committee (together, the "Committees"). Sixty percent of the members of the Board are Independent Directors, and each Committee is comprised entirely of Independent Directors. The Board has determined that the Committees help ensure that the Fund has effective and independent governance and oversight. The Board also believes that the Committees and leadership structure facilitate the orderly and efficient flow of information to the Independent Directors from management, including the Advisers. Where deemed appropriate, from time to time, the Board may constitute ad hoc committees.

The Board's chairman is an Independent Director who acts as the primary liaison between the Independent Directors and management (the "Independent Chairman"). The Independent Chairman plays an important role in setting the Board meeting agendas and may help identify matters of special interest to be addressed by management with the Board. The Independent Chairman also serves as chairman of the executive committee, which is comprised of all of the Independent Directors (the "Executive Committee"). The Executive Committee meets periodically, as needed, providing a forum for the Independent Directors to meet in separate session, with or without independent counsel, to deliberate on matters relevant to the Fund. The Independent Directors have also engaged their own independent counsel to advise them on matters relating to their responsibilities in connection with the Fund. The Board reviews its structure annually. The Board has determined that the structure of the Independent Chairman and the function and composition of the Committees are appropriate means to address any potential conflicts of interest that may arise.

BOARD OVERSIGHT OF RISK MANAGEMENT. Oversight of the risk management process is part of the Board's general oversight of the Fund and its service providers. The Board exercises oversight of the risk management process through the Audit Committee and Executive Committee. The Board also may be apprised of particular risk management matters in connection with its general oversight and approval of various Fund matters brought before the

Board.

As part of its oversight function, the Board receives various reports relating to risk management. The Fund faces a number of risks, such as investment risk, counterparty risk, valuation risk, reputational risk, risk of operational failure or lack of business continuity, and legal, compliance and regulatory risks. Under the Board's overarching supervision, the Fund, management, Advisers, FAS and other service providers to the Fund employ a variety of processes, procedures and controls to identify various risks, to lessen the probability of their occurrence and/or to mitigate the effects of such events or circumstances if they do occur. Different processes, procedures and controls are employed by different service providers and with respect to different types of risks. Various personnel, including the Fund's CCO as well as various personnel of the Advisers and other service providers such as the Fund's independent accountants, make periodic reports to the Board and appropriate Committees with respect to various aspects of risk management, as well as events and circumstances that have arisen and responses thereto. For example, the Audit Committee meets regularly with the CCO to discuss compliance and operational risks and with the Fund's treasurer to discuss, among other things, the internal control structure of the Fund's financial reporting function. In addition, the full Board regularly receives reports from the Advisers and their portfolio managers as to investment risks. The Board recognizes that not all risks that may affect the Fund can be identified, that it may not be practical or cost-effective to eliminate or mitigate certain risks, that it may be necessary to bear certain risks (such as investment-related risks) to achieve the Fund's goals, and that the processes, procedures and controls employed to address certain risks may be limited in their effectiveness. Moreover, reports received by the Directors as to risk management matters are typically summaries of the relevant information. As a result of the foregoing and other factors, the function of the Board with respect to risk management is one of oversight and not one of active involvement in, or coordination of, day-to-day risk management activities for the Fund.

LEGAL PROCEEDINGS. None of the Directors or executive officers of the Fund have been involved in any of the following events during the past ten years:

- Any bankruptcy petition filed by or against any business of which such person was a general partner or executive officer either at the time of the bankruptcy or within two years prior to that time;
- Any conviction in a criminal proceeding or being subject to a pending criminal proceeding (excluding traffic violations and other minor offenses);
- Any judicial or administrative proceedings resulting from involvement in mail or wire fraud or fraud in connection with any business entity;
- Any judicial or administrative proceedings based on violations of federal or state securities, commodities, banking or insurance laws and regulation (including any settlement of such actions other than in connection with a civil proceeding among private parties);
- Any disciplinary sanctions or orders imposed by a stock, commodities or derivatives exchange or other self-regulatory organizations;
- Subject to any order, judgment, or decree, not subsequently reversed, suspended or vacated, of any court of competent jurisdiction, permanently or temporarily enjoining, barring, suspending or otherwise limiting his involvement in any type of business, securities or banking activities; or
- Found by a court of competent jurisdiction (in a civil action), the SEC or the Commodity Futures Trading Commission to have violated a federal or state securities or commodities law, and the judgment has not been reversed, suspended, or vacated.

Vote Required. The election of Mr. Horejsi as a Director of the Fund will require the affirmative vote of a plurality of the votes cast by the holders of the Preferred Stock at the Meeting in person or by proxy. The election of Mr. Looney as a Director of the Fund will require the affirmative vote of a plurality of the votes cast by holders of the Common Stock and Preferred Stock, voting together as a single class, at the Meeting in person or by proxy.

THE BOARD OF DIRECTORS, INCLUDING ALL OF THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE ELECTION OF BOTH OF THE NOMINEES.

SUBMISSION OF STOCKHOLDER PROPOSALS

Notice is hereby given that for a stockholder proposal to be considered for inclusion in the Fund's proxy material relating to its 2012 annual meeting of stockholders, the stockholder proposal must be addressed to, and received by, the Fund not later than December 9, 2011 (i.e., 120 days before the release date disclosed in the previous year's proxy statement). Any such proposal shall set forth as to each matter the stockholder proposes to bring before the meeting (i) a brief description of the business desired to be brought before the meeting and the reasons for conducting such business at the meeting, (ii) the name and address, as they appear on the Fund's books, of the stockholder proposing such business, (iii) the class and number of shares of the capital stock of the Fund which are beneficially owned by the stockholder, and (iv) any material interest of the stockholder in such business. Stockholder proposals, including any accompanying supporting statement, may not exceed 500 words. A stockholder desiring to submit a proposal must be a record or beneficial owner of Shares with a market value of at least \$2,000 and must have held such Shares for at

least one year. Further, the stockholder must continue to hold such Shares through the date on which the meeting is held. Documentary support regarding the foregoing must be provided along with the proposal. Each stockholder may submit no more than one proposal to the Fund for a particular stockholders' meeting. There are additional requirements regarding proposals of stockholders, and a stockholder contemplating submission of a proposal is referred to Rule 14a-8 promulgated under the Securities Exchange Act of 1934 (the "Exchange Act"). The timely submission of a proposal does not guarantee its inclusion in the Fund's proxy materials. Additionally, approval of a stockholder proposal by the Fund's holders of Shares may still be subject to review, including whether such proposal(s) is legal or comports with general rules and regulations governing the operations of the Fund.

Pursuant to the Bylaws, at any annual meeting of the stockholders, only business that has been properly brought before the meeting will be conducted. To be properly brought before the annual meeting, the business must be (i) specified in the notice of meeting, (ii) by or at the direction of the Board of Directors, or (iii) otherwise properly brought before the meeting by a stockholder. For business to be properly brought before the annual meeting by a stockholder, the stockholder must have given timely notice thereof in writing to the Secretary of the Fund. To be timely, a stockholder's notice must be received by the Secretary at 2344 Spruce Street, Suite A, Boulder, Colorado 80302 by 5:00 P.M. Mountain Time not earlier than the 150th day and not later than the 120th day prior to the first anniversary of the date of public release of the notice for the preceding year's annual meeting. However, if the date of the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of the preceding year's annual meeting, for notice by the stockholder to be timely, it must be received by the Secretary not later than 5:00 P.M. Mountain Time on the later of the 120th day prior to the date of such annual meeting or the tenth day following the day on which public announcement of the date of such meeting is first made. The public announcement of a postponement or adjournment of an annual meeting shall not commence a new time period for the giving of a stockholder's notice as described above. Stockholders wishing to make proposals should refer to the Bylaws for proper procedures and notice content. A copy of the Bylaws is available upon request, without charge, by writing to the Secretary of the Fund at 2344 Spruce Street, Suite A, Boulder, Colorado 80302.

On July 30, 2010, the Board approved amendments to the Bylaws to revise the procedures by which stockholders may submit proposals to the Fund's Board of Directors. The amendments clarified that nominations for individuals for election to the Board of Directors may only be made by stockholders of the class of securities entitled to vote for such nominee.

ADDITIONAL INFORMATION

INDEPENDENT ACCOUNTANTS. At its regularly scheduled Board meeting held on November 8, 2010, the Audit Committee, consisting of the Independent Directors, selected, and the Board ratified the selection of, Deloitte & Touche LLP ("Deloitte") of Denver, Colorado as the Fund's independent registered public accounting firm for the Fund's fiscal year ending November 30, 2011. Deloitte served as independent accountants for the Fund's fiscal years ended November 30, 2009 and November 30, 2010. A representative of Deloitte will not be present at the Meeting but will be available by telephone and will have an opportunity to make a statement if the representative so desires and will be available to respond to appropriate questions.

Set forth below are audit fees and non-audit related fees billed to the Fund for professional services received from Deloitte for the Fund's fiscal years ended November 30, 2009 and November 30, 2010.

Fiscal Year Ended	Audit Fees	Audit-Related Fees	Tax Fees*	All Other Fees†
11/30/2009	\$ 27,000	\$ 0	\$ 7,250	\$ 5,000
11/30/2010	\$ 27,000	\$ 0	\$ 7,540	\$ 5,000

*"Tax Fees" are those fees billed to the Fund by Deloitte in connection with tax consulting services, including primarily the review of the Fund's income tax returns, excise tax returns and Maryland property tax returns.

†This fee pertains to those fees billed to the Fund by Deloitte in connection with their agreed-upon procedures reports under the terms of the Preferred Stock.

The Audit Committee Charter requires that the Audit Committee pre-approve all audit and non-audit services to be provided by the independent accountants to the Fund, and all non-audit services to be provided by the independent accountants to the Fund's investment adviser and any service providers controlling, controlled by or under common control with the Fund's investment adviser that provide on-going services to the Fund ("Affiliates"), if the engagement relates directly to the operations and financial reporting of the Fund, or to establish detailed pre-approval policies and procedures for such services in accordance with applicable laws. All of the audit, audit-related and tax services described above for which Deloitte billed the Fund fees for the fiscal years ended November 30, 2009 and November 30, 2010 were pre-approved by the Audit Committee.

Deloitte has informed the Fund that it has no direct or indirect financial interest in the Fund. For the Fund's fiscal year ended November 30, 2010, Deloitte did not provide any non-audit services or bill any fees for such services to the Fund's investment adviser or any Affiliates. For the twelve months ended November 30, 2010, the Horejsi Affiliates paid \$0 to Deloitte for their services. The Audit Committee has considered and concluded that the provision of non-audit services is compatible with maintaining the independent accountants' independence.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE. Section 16(a) of the Exchange Act and Section 30(h) of the 1940 Act require the Fund's Directors and officers, persons affiliated with the Fund's investment advisers, and persons who own more than 10% of a registered class of the Fund's securities, to file reports of ownership and changes of ownership with the SEC and the New York Stock Exchange. Directors, officers and greater-than-10% stockholders are required by SEC regulations to furnish the Fund with copies of all Section 16(a) forms they file.

Based solely upon the Fund's review of the copies of such forms it received and written representations from such persons, the Fund believes that through the date hereof all such filing requirements applicable to such persons were complied with, except for the following instances. The initial statement of beneficial ownership of securities on Form 3 of Ms. Jennifer T. Welsh, Chief Compliance Officer, was not filed within ten days after the event by which Ms. Welsh became a reporting person. The initial statement of beneficial ownership of securities of Ms. Welsh has since been filed with the SEC. Ms. Welsh has no beneficial ownership of securities in the Fund. A statement of change of beneficial ownership on Form 4 of Mr. Carl D. Johns, former Vice President and Treasurer of the Fund, was not filed before the end of the second business day following the day on which he ceased to be subject to the reporting obligations under Section 16. The Form 4 of Mr. Johns has since been filed with the SEC. A statement of change of beneficial ownership on Form 4 of Mr. Joel Terwilliger, former Chief Compliance Officer of the Fund, was not filed before the end of the second business day following the day on which he ceased to be subject to the reporting obligations under Section 16. The Form 4 of Mr. Terwilliger has since been filed with the SEC. A statement of change of beneficial ownership on Form 4 of Mr. Joel W. Looney, a Director of the Fund, was not filed before the end of the second business day following the day on which a transaction resulting in a change in beneficial ownership was executed. The statement of change of beneficial ownership of Mr. Looney has since been filed with the SEC.

BROKER NON-VOTES AND ABSTENTIONS. Proxies that reflect abstentions or broker non-votes will be counted as shares that are present and entitled to vote on the matter for purposes of determining the presence of a quorum. Abstentions and broker non-votes will be a vote against adjournment and against Proposal 1 and Proposal 2. Abstentions and broker non-votes will have no effect on the result of the vote in the election of directors in Proposal 3.

OTHER MATTERS TO COME BEFORE THE MEETING. The Fund does not intend to present any other business at the Meeting, nor is it aware that any stockholder intends to do so. If, however, any other matters are properly brought before the Meeting, the persons named in the accompanying form of proxy will vote thereon in accordance with their discretion.

STOCKHOLDERS ARE REQUESTED TO COMPLETE, SIGN AND DATE THE ENCLOSED PROXY CARD OR AUTHORIZE PROXIES VIA TELEPHONE OR THE INTERNET.
