**PART III**  
**NARRATIVE**

State below in reasonable detail the reasons why the Form 10-KSB could not be filed within the prescribed time period.

The Company was in the process of finalizing its Form 10-KSB on January 29, 2004, and determined that it would be appropriate to add additional information to its Management's Discussion and Analysis Section to provide more information for investors in the filing of its Form 10-KSB. The Company completed its Form 10-KSB and authorized transmission for filing on January 29, 2004. A technical error in the proofing-reading process by the Company's third party service provider deleted several pages of the submission, causing the filing to be delayed until after the deadline. The filing was completed by 6:45 P.M Eastern time on January 29, 2004, the due date, but was given an acceptance date of January 30, 2004.
