**Item 5.04 Temporary Suspension of Trading Under Registrant's Employee Benefit Plans.**

On September 29, 2005, SVB Financial Group delivered a notice to participants in the Silicon Valley Bank 401(k)/ESOP Plan (the Plan) informing such participants that the SVB Financial Group Stock Fund (which represents investments in shares of SVB Financial Group common stock) in the Plan will continue to be blacked out to exchanges into and new contributions into the fund for an extended period of time. The notice specified that the black out period was currently expected to terminate on November 30, 2005, rather than September 30, 2005 as provided in the notice previously delivered on August 9, 2005. The notice specified that participants could determine whether the black out period had ended by contacting Fidelity Investments at 1-800-835-5095 or logging on to Fidelity NetBenefits® at www.401k.com. In addition, the notice specified that questions about the notice could be directed to Robert Coleman, Director of Total Rewards and Accountability, 3003 Tasman Drive, Santa Clara, California 95054, or by telephone to (408) 654-7752.

This black out was initially implemented as a result of SVB Financial Group's failure to timely file its Quarterly Report on Form 10-Q for the fiscal quarter ended June 30, 2005 and the suspension of certain sales of its common stock pursuant to outstanding Registration Statements on Form S-8.
