Item 1.01 Entry into a Material Definitive Agreement.

On March 12, 2006, Watson Pharmaceuticals, Inc. ("Watson") entered into a Senior Credit Facilities Commitment Letter (the "Letter") with Canadian Imperial Bank of Commerce, acting through its New York Agency, and CIBC World Markets Corp. (collectively, the "Commitment Parties"). Pursuant to the Letter, subject to the terms and conditions of the Letter, the Commitment Parties have committed to provide an aggregate of \$1,150,000,000 of senior financing to Watson, consisting of a \$500,000,000 revolving credit facility and a \$650,000,000 senior term loan facility. The commitment under the Letter expires six months from the date the Letter was executed. The Letter was entered into in connection with Watson's proposed business combination with Andrx Corporation pursuant to the Agreement and Plan of Merger, dated as of March 12, 2006, between Watson, Andrx Corporation and a wholly-owned subsidiary of Watson.

The Letter provides that the senior term facility would mature in five years and that the revolving facility would have a five year term. Loans under the facilities would bear interest equal to LIBOR plus 0.75% (subject to certain adjustments). The indebtedness would be guaranteed by Watson's material domestic subsidiaries. The indebtedness would be pre-payable at the election of Watson without premium (subject to certain adjustments). The Letter also provides that Watson and the Commitment Parties may restructure the credit facilities in an agreed upon manner.

The foregoing description of the Letter is qualified in its entirety by reference to the Letter attached as Exhibit 99.1, and incorporated herein by reference.
