Item 8.01. Other Events

On March 2, 2006, Boston Scientific Corporation filed with the Securities and Exchange Commission the (SEC), Amendment No. 1 to its Registration Statement on Form S-4 (Registration No. 333-131608) relating to Boston Scientific's proposed acquisition of Guidant Corporation. The Amendment includes unaudited pro forma financial statements of Boston Scientific and Guidant as of and for the year ended December 31, 2005 that give effect to the Guidant acquisition, the sale of the Guidant vascular and endovascular businesses to Abbott Laboratories and certain transactions relating to the financing of the Guidant acquisition.

The unaudited pro forma condensed consolidated financial statements of Boston Scientific and Guidant as of and for the year ended December 31, 2005 included in the Registration Statement on Form S-4 are attached as Exhibit 99.1 to this current report on Form 8-K and are incorporated into this Item 8.01 by reference.

The unaudited pro forma condensed consolidated financial statements should be read in conjunction with the separate historical audited financial statements of Boston Scientific as of and for the year ended December 31, 2005 included in Boston Scientific's annual report on Form 10-K for the year ended December 31, 2005, as filed with the SEC on March 1, 2006, and the separate historical audited financial statements of Guidant as of and for the year ended December 31, 2005 included in Guidant's annual report on Form 10-K for the year ended December 31, 2005, as filed with the SEC on February 22, 2006.

The unaudited pro forma condensed consolidated financial statements are presented for informational purposes only. The pro forma information contained in Exhibit 99.1 to this current report on Form 8-K is not necessarily indicative of what the financial position or results of operations actually would have been had the Guidant acquisition, the sale of the Guidant vascular and endovascular businesses to Abbott and the financing transactions with Abbott and other lenders been completed at the dates indicated. In addition, the unaudited pro forma condensed consolidated financial statements do not purport to project the future financial position or operating results of Boston Scientific after completion of the Guidant acquisition.

The pro forma adjustments are based on preliminary estimates, available information and certain assumptions, and may be revised as additional information becomes available. The pro forma adjustments are more fully described in the notes to the unaudited pro forma condensed consolidated financial statements.
