Item 2.02. Results of Operations and Financial Condition

As described in our 2005 Annual Report on Form 10-K and in this Current Report, during the first quarter of 2006, 3M Company effected certain business segment realignments and adopted an accounting standard that requires 3M to expense stock-based compensation. 3M Company is providing in this Current Report supplemental unaudited historical business segment sales and operating income information to reflect these segment realignments, including the impact of expensing stock based compensation, on both an annual and quarterly basis for the years ended December 31, 2005, 2004 and 2003, with related reclassified business segment sales growth information also provided on both an annual and quarterly basis for the years ended December 31, 2005 and 2004 (furnished hereunder as Exhibit 99 and incorporated herein by reference). The Company did not operate under the realigned segments structure for any of these prior periods and will begin to report comparative results under the new structure, including the impact of the adoption of the stock-based compensation accounting standard, with the filing of its Quarterly Report on Form 10-Q for the quarter ended March 31, 2006.

The information contained in this Current Report shall not be deemed to be filed for the purposes of Section 18 of the Securities Exchange Act of 1934 (the Exchange Act) or otherwise subject to the liabilities of that section, nor shall it be incorporated by reference into a filing under the Securities Act of 1933, or the Exchange Act.
