  - Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))
-

Item 2.02 **Results of Operations and Financial Condition.**

On October 25, 2006, Triumph Group, Inc. issued a press release announcing its financial results for the fiscal quarter ended September 30, 2006 and conducted a conference call to further discuss the financial results. The full text of the press release is furnished as Exhibit 99.1 to this Current Report.

On the conference call, in addition to reviewing the information contained in the press release, the executive officers also discussed the following financial information:

- Export sales for the fiscal quarter ended September 30, 2006 were 22% of revenue. For the year to date as of September 30, 2006, sales mix was as follows: commercial was 43% (compared to 45% in the prior full fiscal year), military was 34% (compared to 33% in the prior full fiscal year), regional jets were 5% (compared to 6% in the prior full fiscal year), business jets were 11% (compared to 9% in the prior full fiscal year) and other was 7% (compared to 7% in the prior full fiscal year).
- The top ten programs represented in the backlog were the 777, 737NG, A320, CH47, V22, 747, UH60, A380, C17, and 767 programs, respectively.
- For the quarter ended September 30, 2006, Boeing commercial, military and space accounted for 23% of net sales.
- The Company's effective tax rate for the quarter ended September 30, 2006 was 35.3%. If the federal research and development tax credit is retroactively reinstated, the company expects that it would reduce the full year effective tax rate by 2%.
- The Company's healthcare costs have increased approximately \$2 million from Fiscal Year 2006 to Fiscal Year 2007 (\$800,000 is due to increase in headcount) and litigation costs have increased approximately \$1.8 million from Fiscal Year 2006 to Fiscal Year 2007.
- To date, the Company has not received any cancellations as a result of the Airbus announced delay in the delivery schedule of the A380 aircraft. Based on the level of the backlog, the Company expects that any future cancellations or delays will have a negligible impact on earnings in Fiscal Year 2007.

The information in this Item 2.02 of this Report on Form 8-K and Exhibit 99.1 attached hereto shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such filing.
