## **Section 1 Registrant's Business and Operations**

### **Item 1.01 Entry into a Material Definitive Agreement.**

On April 30, 2007, Edison Mission Energy ( EME ), in connection with its previously announced tender offer and consent solicitation with respect to its 7.73% Senior Notes due June 15, 2009 (the Notes ), entered into a Second Supplemental Indenture, dated as of April 30, 2007, between EME and The Bank of New York, as trustee (the Supplemental Indenture ), supplementing the Indenture, dated as of June 28, 1999, pursuant to which the Notes were issued (as previously supplemented, the Indenture ).

The Supplemental Indenture effects amendments to the Indenture proposed in connection with the tender offer and consent solicitation, which will eliminate substantially all the restrictive covenants, eliminate or modify certain events of default and eliminate or modify related provisions contained in the Indenture. The amendments will not, however, become operative until the Notes tendered in the tender offer and consent solicitation are accepted for purchase by EME pursuant to the terms of the tender offer and consent solicitation. The tender offer and consent solicitation, and the consummation of the purchase, are subject to the satisfaction of certain conditions, including EME's receipt of sufficient funds from its issuance of senior unsecured notes on terms satisfactory to EME. No assurance can be given that such new financings will be completed in a timely manner or at all.

A copy of the Supplemental Indenture, attached hereto as Exhibit 4.1, is incorporated herein by reference. A copy of the press release issued by Edison International, EME's indirect parent company, on May 1, 2007, attached hereto as Exhibit 99.1 and announcing, among other matters, the execution of the Supplemental Indenture, is also incorporated herein by reference.

99.1 Press release by Edison International, dated May 1, 2007, announcing (i) the receipt of the requisite consents in connection with EME's previously announced tender offer and consent solicitation with respect to its 7.73% Senior Notes due 2009 and (ii) the execution of a supplemental indenture to the indenture pursuant to which the 7.73% Senior Notes due 2009 were issued.
