Item 2.01 Completion of Acquisition or Disposition of Assets.

On April 12, 2007, CLST Holdings, Inc., formerly known as CellStar Corporation (the Company), completed the sale (the Mexico Sale) of its operations in Mexico to Soluciones Inalámbricas, S.A. de C.V. (Soluciones) and Prestadora de Servicios en Administración y Recursos Humanos, S.A. de C.V. (Prestadora) for \$20.0 million in cash. In addition, the Company is entitled to its share of the 2007 operating profits of the operations up to the date of closing. The amount of the 2007 operating performance will be determined and paid within 150 days from closing. Soluciones is a Mexican corporation and its affiliates are retail distributors of wireless devices in Mexico with distribution centers located throughout Mexico. In April 2005, the Company's subsidiary in Mexico, Celular Express, invested in Comunicación Inalámbrica Inteligente, S.A. de C.V. (CII), a joint venture with Soluciones and its individual partners. Prior to the closing of the Mexico Sale, Celular Express owned 51% of CII and the remaining 49% was owned by the individual partners of Soluciones. In connection with the Mexico Sale, the buyers purchased all of the outstanding shares of stock in the Company's Mexican subsidiaries, together with the Company's interest in CII. Prestadora, a Mexican corporation and a wholly owned subsidiary of Soluciones, is an entity with no significant activity.

On April 5, 2007, the Company filed a Current Report on Form 8-K for the completion of the sale of its U.S. and Miami-based Latin American operations to wholly owned subsidiaries of Brightpoint, Inc. (the U.S. Sale). As a result of the Mexico Sale and the U.S. Sale, the Company has sold substantially all of its operations. Further, the Company's stockholders approved a plan of dissolution on March 28, 2007, that will result in the liquidation of the Company's assets. The plan of dissolution is more fully described in the Company's proxy statement filed with the Securities and Exchange Commission on February 20, 2007. The Company has filed this Amendment No. 1 to the Current Report on Form 8-K/A solely to amend the previously filed pro forma statements of operations and balance sheet to show the pro forma effects of the Mexico Sale and the U.S. Sale on a combined basis.

Item 9.01 Financial Statements and Exhibits.

(b) Pro forma financial information.

Set forth below are pro forma statements of operations for the fiscal year ended November 30, 2006, and the quarter ended February 28, 2007, and a balance sheet as of February 28, 2007, reflecting the pro forma effects of the Mexico Sale and the U.S. Sale on a combined basis.
