Item 1.01 Entry into a Material Definitive Agreement

On March 27, 2008, Kratos Defense & Security Solutions, Inc. (the Company) entered into two amendment and waiver agreements (the Amendments) to its First Lien Credit Agreement and its Second Lien Credit Agreement with KeyBank National Association, as Administrative Agent, and the Lenders who are a party thereto. The amendments waive the impact of the Company's legal settlement of the 2004 and 2007 shareholder class action lawsuits of approximately \$4.9 million on our financial covenants as of December 31, 2007 and the affected future periods. The Amendments also amended the Credit Agreement to provide for an increase in the LIBOR floor rate to 4.25% and to require that we set aside in a restricted account approximately 50% of the proceeds of the recovery from the theft of stock options by our former stock option administrator, or approximately \$1.7 million, to fund these settlement amounts. The lenders have also reserved the right to require us to utilize the entire amount of the \$3.4 million in proceeds received from the theft of stock options to permanently pay down indebtedness. This right can be exercised no earlier than 60 days from March 27, 2008 and expires upon our compliance with financial covenants under the Credit Agreement for the four consecutive quarters commencing after January 1, 2008.

Item 5.03 Amendment to Articles of Incorporation or Bylaws; Change in Fiscal Year

On March 27, 2008 the Board of Directors (the Board) of the Company approved a change in the fiscal year end from December 31 to the last Sunday in December. Concurrently, the Board approved a change in the interim fiscal periods to provide that the last day of the fiscal quarter shall be the last Sunday of the calendar month of each quarter. As a result, the first fiscal quarter of fiscal 2008, which would have ended on March 31, 2008, ended as of March 30, 2008. With this change, the Company will operate and report using a 52-53 week fiscal year ending on the last Sunday in December. As a result, a fifty-third week will be added every five or six years. Prior to this change in fiscal year, the Company operated and reported using a fiscal year ending on December 31 which consisted of four calendar quarters, such that the last day of the fiscal quarter was the last day of calendar month of each quarter. The change in fiscal year and interim fiscal periods will not be applied to periods prior to the quarter ended March 30, 2008.
