ANNUAL MEETING OF SHAREHOLDERS OF
CSX CORPORATION

PROXY STATEMENT OF
THE TCI/3G GROUP

To Our Fellow CSX Shareholders:

This proxy statement and the enclosed BLUE proxy card or voting instruction form are being furnished to shareholders of CSX Corporation (CSX or the Company) in connection with the solicitation of proxies by The Children's Investment Fund Management (UK) LLP and its affiliates (TCI) and 3G Capital Partners Ltd. and some of its affiliates (3G Capital , and collectively with TCI, we, us or the TCI/3G Group) to be used at the 2008 annual meeting of shareholders of CSX, including any adjournments or postponements thereof and any meeting held in lieu thereof (the 2008 Annual Meeting). The 2008 Annual Meeting is scheduled to be held at Gentilly Yard, 7801 Almonaster Blvd., in New Orleans, LA at 10:00 a.m. (local time) on June 25, 2008. This proxy statement and the BLUE proxy card or voting instruction form are first being furnished to shareholders on or about May 2, 2008.

THIS SOLICITATION IS BEING MADE BY THE TCI/3G GROUP AND NOT ON BEHALF OF THE BOARD OF DIRECTORS OF THE COMPANY (THE BOARD).

We are soliciting your proxy for the 2008 Annual Meeting regarding the following proposals:

1. To elect Christopher Hohn, Alexandre Behring, Gilbert H. Lamphere, Timothy T. O Toole and Gary L. Wilson (the Nominees) to serve as directors of the Company;
2. To adopt our proposal to amend the Company's Bylaws (the Bylaws) to permit one or more shareholders holding 15% or more of the outstanding shares of capital stock of CSX having voting power to call a special meeting of the shareholders;
3. To vote against the Company's alternative Bylaw amendment related to the calling of special meetings, which among other limitations restricts the purposes for which a special meeting may be called;

Edgar Filing: CSX CORP - Form DEFC14A

4. To adopt a resolution to repeal any changes made by the Board of Directors of CSX to the Bylaws between January 1, 2008 up to and including the date of the 2008 Annual Meeting;

5. To abstain from voting on the Company's Audit Committee selection of Ernst & Young LLP as Independent Registered Public Accounting Firm for 2008.

The record date for determining shareholders entitled to notice of and to vote at the 2008 Annual Meeting was April 21, 2008 (the Record Date). Shareholders of record at the close of business on the Record Date will be entitled to vote at the 2008 Annual Meeting. According to the Company's preliminary proxy statement, as of the Record Date, there were 404,783,890 shares of common stock, \$1.00 par value per share (the Common Stock or Shares), outstanding and entitled to vote. Each Share has one vote.

The TCI/3G Group beneficially owns, in the aggregate, 35,054,952 Shares, representing approximately 8.7% of the Common Stock. The value of our collective beneficial ownership in CSX is approximately \$2.2 billion.

We intend to vote our Common Stock FOR the election of our Nominees, FOR the candidates who have been nominated by CSX other than Elizabeth Bailey, Steven Halverson, Robert Kunisch, William Richardson and Frank Royal; FOR our proposal to amend the Bylaws to allow shareholders to call special meetings; AGAINST the Company's alternative Bylaw amendment relating to the calling of special meetings; FOR the proposal to repeal changes made to the Bylaws by the Board; and to ABSTAIN from voting on the proposal to ratify the selection of Ernst & Young, LLP. None of the proposals is conditioned on shareholder approval of any other matter to be voted on at the 2008 Annual Meeting.

OUR NOMINEES ARE COMMITTED TO ACTING IN THE BEST INTERESTS OF ALL CSX SHAREHOLDERS. WE BELIEVE THAT ELECTING THESE HIGHLY QUALIFIED NOMINEES TO YOUR BOARD AND APPROVING OUR OTHER PROPOSALS WILL HAVE A POSITIVE EFFECT ON THE FUTURE OF CSX. ACCORDINGLY, WE URGE YOU TO VOTE YOUR BLUE PROXY CARD OR VOTING INSTRUCTION FORM FOR ALL OF OUR NOMINEES AND IN ACCORDANCE WITH OUR RECOMMENDATIONS WITH RESPECT TO THE OTHER PROPOSALS DESCRIBED IN THIS PROXY STATEMENT.

YOUR VOTE IS IMPORTANT - HOW TO VOTE YOUR SHARES

As explained in the detailed instructions on your BLUE proxy card or voting instruction form, there are four easy ways for you to vote. You may:

1. Sign, date and promptly mail the enclosed BLUE proxy card or voting instruction form in the enclosed postage-paid envelope. We recommend that you vote on the BLUE proxy card or voting instruction form even if you plan to attend the 2008 Annual Meeting;
2. Vote via the Internet by following the voting instructions on the BLUE proxy card or voting instruction form or the voting instructions provided by your broker, bank or other nominee. Internet voting procedures are designed to authenticate your identity, allow you to vote your Shares and confirm that your instructions have been properly recorded. Your Internet vote authorizes the named proxies to vote your Shares in the same manner as if you had signed and returned a proxy card or voting instruction form;
3. Vote by telephone by following the voting instructions on the BLUE proxy card or voting instruction form provided by your broker, bank or other nominee. Your telephone vote authorizes the named proxies to vote your Shares in the same manner as if you had signed and returned a proxy card or voting instruction form; or
4. Vote in person by attending the 2008 Annual Meeting. Written ballots will be distributed to shareholders who wish to vote in person at the 2008 Annual Meeting. If you hold your Shares through a bank, broker or other nominee,

you must obtain a legal proxy from such nominee in order to vote in person at the meeting.

WE URGE YOU NOT TO SIGN ANY WHITE PROXY CARD OR VOTING INSTRUCTION FORM SENT TO YOU BY THE COMPANY. IF YOU HAVE ALREADY DONE SO, YOU MAY REVOKE YOUR PREVIOUSLY SIGNED WHITE PROXY BY SIGNING AND RETURNING A LATER-DATED BLUE PROXY CARD OR VOTING INSTRUCTION FORM IN THE ENCLOSED POSTAGE-PAID ENVELOPE, BY DELIVERING A WRITTEN NOTICE OF REVOCATION TO THE TCI/3G GROUP OR TO THE SECRETARY OF THE COMPANY, OR BY PROVIDING INSTRUCTIONS BY TELEPHONE OR VIA THE INTERNET (INSTRUCTIONS APPEAR ON YOUR BLUE PROXY CARD OR VOTING INSTRUCTION FORM).

HOLDERS OF SHARES AS OF THE RECORD DATE ARE URGED TO SUBMIT A BLUE PROXY CARD OR VOTING INSTRUCTION FORM EVEN IF YOUR SHARES WERE SOLD AFTER THE RECORD DATE.

IF YOUR SHARES ARE HELD IN THE NAME OF A BROKERAGE FIRM, BANK OR OTHER NOMINEE ON THE RECORD DATE, ONLY THAT NOMINEE CAN VOTE THOSE SHARES AND ONLY UPON RECEIPT OF YOUR SPECIFIC INSTRUCTIONS. ACCORDINGLY, PLEASE RETURN YOUR BLUE PROXY OR VOTING INSTRUCTION FORM, OR VOTE BY TELEPHONE OR INTERNET AT YOUR FIRST OPPORTUNITY. PLEASE DO SO FOR EACH ACCOUNT YOU MAINTAIN AND CONTACT THE PERSON RESPONSIBLE FOR YOUR ACCOUNT AND INSTRUCT THAT PERSON TO SIGN AND RETURN ON YOUR BEHALF THE BLUE PROXY CARD OR VOTING INSTRUCTION FORM AS SOON AS POSSIBLE.

A BLUE proxy card or voting instruction form that is returned to the TCI/3G Group will be voted as you indicate on it. If you have signed the BLUE proxy card or voting instruction form and no marking is made, you will be deemed to have given a direction to vote all of your Shares (i) FOR the election of all of our Nominees and for the candidates who have been nominated by the Company other than Elizabeth Bailey, Steven Halverson, Robert Kunisch, William Richardson and Frank Royal; (ii) FOR the approval of Proposals 2 and 4 (iii) to ABSTAIN from voting on Proposal 5, and (iii) AGAINST Proposal 3 as set forth in

this proxy statement.

BACKGROUND TO THE SOLICITATION

TCI personnel have performed extensive research on the railroad sector in North America, and have retained several consultants to conduct targeted studies. As a result of this work, TCI believes there is significant potential to improve the performance of CSX. In 2007 CSX ranked average or below average against its largest North American peers on many key operating metrics.

Despite this performance, in 2007 the CSX management team, as well as its Board of Directors, were the most highly compensated among this same group of peers.

TCI tried to engage in constructive discussions relating to CSX's performance and corporate governance by requesting, on several occasions during 2007, private meetings with CSX senior management, CSX directors and the entire CSX Board. These requests were denied with the exception of a single private meeting granted to TCI with Oscar Munoz, the CSX CFO, accompanied by both his internal and external counsel, which was deemed a "listen only" meeting by Mr. Munoz. The meeting did not lead to further dialogue with management.

On October 16, 2007, after TCI's multiple attempts to engage the management or the Board in a constructive dialogue proved unsuccessful, TCI delivered a public letter to the Board urging the Board to take action to strengthen CSX's corporate governance, management, business performance and the Board itself. Specifically TCI made the following recommendations which it believed would be in the best long term interests of shareholders:

- (i) Separate the Chairman and CEO roles, noting that a separation of roles is widely considered best practice in corporate governance
- (ii) Refresh the Board with new independent directors, noting that not a single non-management director has direct railroad operating experience, and many of the directors have served on the Board for over a decade
- (iii) Allow shareholders to call special shareholder meetings, noting the Board had failed to act despite a shareholder resolution which recommended this bylaw amendment passing at the 2007 annual shareholder meeting by a vote of more than 2-to-1 in favor
- (iv) Align management compensation with shareholder interests, noting that the current plan is largely tied to Operating Ratio, which doesn't properly incentivize capital investment discipline
- (v) Justify the capital spending plan to shareholders

- (vi) Provide a plan to improve operations, noting that CSX lagged its peers on many key operating metrics

- (vii) Promote better relations with the Company's constituencies, including shippers and labor

One month later, the Board responded to TCI by a public letter, stating that it did not believe TCI's suggestions were in the shareholders' best interests, and emphasizing CSX's recent improvements rather than its comparative performance to its peers.

Separately from TCI, in January of 2007 3G, led by Alexandre Behring, an experienced rail executive and locomotive engineer, acquired a stake in CSX after concluding that CSX was undervalued and represented an attractive investment opportunity. Throughout the first half of 2007, 3G continued to study CSX, and to develop ideas for operational and business improvements that 3G believed could dramatically increase shareholder value. At various points from early 2007 through approximately November of 2007, 3G engaged in limited discussions with the Company's senior management.

On December 12, 2007, TCI and 3G Capital entered into an agreement to coordinate efforts with regard to the purchase and sale of Shares and other securities conferring beneficial ownership of Common Stock held by them and their affiliates, and with respect to the proposal of certain actions and/or transactions to the Company. On the same date TCI also submitted to CSX a request for the required documentation needed to properly give notice to CSX of a shareholder's intention to nominate directors in compliance with the Bylaws.

On December 19, 2007 the TCI/3G Group issued a press release disclosing that together they held 8.3% of CSX's common stock and had economic exposure to the equivalent of another 11.8% of CSX, and that they intended to nominate a minority slate of five nominees for the CSX Board (currently 12 directors). The Nominees include individuals that served (or currently serve) at senior executive or board director positions at various companies, including Disney, Yahoo, Marriot, Conrail, and Canadian National, as well as shareholder representatives from TCI and 3G. Together the Nominees have over 50 years of railroad experience.

In January 2008, representatives of TCI and CSX engaged in discussions about potential representation on the Board. Over the course of several rounds of discussions, TCI made many concessions with the hope of being able to reach an amicable resolution with CSX that would avoid a proxy contest. TCI conceded on the number of nominees it would accept from its slate; TCI offered to work with the CSX Board on identifying other potential directors that would be mutually acceptable; on the contentious issue of separating chairman and CEO, TCI suggested leaving the issue to a vote of the shareholders at the 2008 annual meeting; and TCI, in an unprecedented concession by it, indicated willingness to sign a one year stand-still agreement. In the end, although they agreed to three of our nominees, despite TCI's efforts to come to a mutual agreement, CSX was unwilling to articulate its full list of concerns and terminated the discussions. TCI was advised by CSX that CSX believed that

the gap between TCI and CSX could not be bridged for reasons including, but not limited to, the CSX demand that TCI sign a multi-year standstill and commit to maintaining the combined roles of Chairman and CEO.

On January 21, 2008 and January 25, 2008, TCI supplemented its nominations with the addition of a proposal to allow for shareholders to call special meetings and to repeal any amendments to the Bylaws made by CSX between January 1, 2008 and the date of the 2008 Annual Meeting.

On February 4, 2008, the Company announced its amendment to the Bylaws allowing for shareholders to call for special meetings but only under limited circumstances and subject to a number of conditions. This amendment effectively prohibits a special shareholder meeting to be called to nominate directors to the CSX Board or remove directors from the CSX Board. For this reason, on February 7, 2008, TCI issued a letter criticizing these amendments.

On March 17, CSX sued us in the federal district court for the Southern District of New York, alleging various violations of the securities laws, including primarily that the cash-settled total return swaps, financial instruments we use to gain economic exposure to a public company without holding voting or dispositive control over common stock, actually confers beneficial ownership of the referenced securities on us, and further alleging that we were acting in concert prior to the execution of our Letter Agreement.

On April 4, we answered their complaint, denying their allegations as to legal violations, and countertclaimed against CSX and Michael Ward alleging multiple violations of state and federal law, which include the following:

- Violation of the federal securities laws in connection with the issuance of spring loaded equity grants to senior CSX management while in possession of material non-public information.
- Violation of the federal securities laws in connection with the issuance of stock to the Board in May 2007 while in possession of material non-public information, and again in December 2007 during a blackout period set forth in the CSX Insider Trading Policy.
- Violation of state law for adopting a Bylaw that frustrates shareholders ability to call special meetings to remove and elect directors.
- Violation of the federal securities laws for materially misstating how the Bylaw operates in the annual proxy statement.
- Violations of the federal securities laws in connection with materially false and misleading statements made in numerous federal filings with the SEC regarding TCI and 3G.

PROPOSAL 1: ELECTION OF DIRECTORS

The Company has disclosed that 12 directors are to be elected to the Board at the 2008 Annual Meeting. We recommend that shareholders elect our highly qualified and experienced Nominees: Christopher Hohn, Alexandre Behring, Gilbert H. Lamphere, Timothy T. O Toole and Gary L. Wilson, as directors of the Company at the 2008 Annual Meeting. Each of the Nominees has consented to being named as a nominee and to serving as a director if elected. If elected, each Nominee will serve until the next annual meeting of shareholders and until his successor shall have been duly elected and qualified or until his earlier death, resignation or removal. If elected, each of the Nominees will be considered an independent director of CSX under applicable New York Stock Exchange rules.

None of the Nominees receive compensation from either TCI or 3G Capital to stand as nominees, nor will they receive any compensation from either TCI or 3G Capital for their services as directors of the Company if elected. If elected, the Nominees will be entitled to such compensation from the Company as is consistent with the Company's then established practices for services of non-employee directors, which are described in the Company's preliminary proxy statement.

STATEMENT OF SUPPORT

The majority of our Nominees come from many different rail and transportation backgrounds, and bring decades of direct operational expertise to CSX and will, we believe, add strong input to the future development of CSX as a rail carrier. We believe that our Nominees, if elected, will provide a clear perspective of shareholders and experienced railroad operators to the Board and will work with the rest of the Board to effect positive change at CSX. Under the Company's Bylaws, a quorum for the transaction of business requires a majority of the directors in office, and Board action requires a majority of the directors present at a meeting at which a quorum is present. Accordingly, our Nominees, if elected, will not be able to take Board action at a meeting of the full Board without the support of at least two other directors or, in situations where Michael Ward is conflicted because he is CEO, President and Chairman and therefore must or chooses to recuse himself, one other director. Our Nominees will be able to take action without the support of any additional directors if three or more of the CSX-nominated directors fail to attend a Board meeting and all five of our Nominees are present. Our Nominees lack the power to call a meeting of the Board. Nevertheless, our Nominees, if elected, intend to work constructively with the remaining Board members to advance the interests of all CSX shareholders.

THIS SOLICITATION IS BEING MADE BY THE TCI/3G GROUP AND NOT ON BEHALF OF THE BOARD OR MANAGEMENT OF THE COMPANY.

Biographical Information of the Nominees

Background information about our Nominees, including the present principal occupation or employment and material occupations, positions and offices or employment of each Nominee for the past five years, is set forth below. Please see [Information About The TCI/3G Group and Participants](#) and Annex A for additional information about our Nominees, such as their beneficial ownership as of the date hereof and purchases and sales of Common Stock during the past two years.

PROPOSAL 2: AMEND THE BYLAWS

Proposal 2 provides for the adoption of a resolution in the following form:

RESOLVED that Article I, Sections 2 and 11(b) of the Bylaws of the Corporation shall be amended and restated as follows and such amended provisions may not be modified, amended or repealed by the Board of Directors. The Board of Directors shall additionally (i) make any amendments to the Bylaws necessary to effect the clear intent of this Resolution such that shareholders shall be permitted without limitation to demand that the Corporation promptly call a special meeting for any purpose granted to the shareholders under Virginia law, and (ii) repeal or modify any existing Bylaws that would conflict, limit, or otherwise adversely affect the operation of the proposed Bylaw amendments set forth herein.

SECTION 2. Special Meetings. Special meetings of the shareholders may be called from time to time by a majority of the Board of Directors or by the Chairman of the Board. Special meetings of shareholders shall be promptly called by the Corporation if one or more shareholders that together hold at least 15% of all the shares of capital stock at the time outstanding and having voting power deliver or cause to be delivered to the Corporate Secretary one or more written demands for the meeting describing the purpose or purposes for which it is to be held. Special meetings shall be held solely for the purposes specified in the notice of meeting.

SECTION 11(b). Special Meetings of Shareholders. Only such business shall be conducted at a special meeting of shareholders as shall have been brought before the meeting pursuant to the Corporation's notice of meeting. Nominations of persons for election to the Board of Directors may be made at a special meeting of shareholders at which directors are to be elected pursuant to the Corporation's notice of meeting (i) by or at the direction of the Board of Directors or (ii) by any shareholder of the Corporation who is a shareholder of record at the time the notice provided for in this Section 11 is delivered to the Corporate Secretary of the Corporation, who is entitled to vote at the meeting and upon such election and who complies with the notice procedures set forth in this Section 11. In the event a special meeting of shareholders is called pursuant to these Bylaws for the purpose of electing one or more directors to the Board of Directors, any such shareholder entitled to vote in such election of directors may nominate a person or persons, as the case may be, for election to such position(s) as specified in the Corporation's notice of meeting, if the shareholder's notice required by paragraph (a)(ii) of this Section 11 is delivered to the Corporate Secretary at the principal office of the Corporation not earlier than the close of business on the one hundred twentieth day prior to such special meeting, and not later than the close of business on the later of the ninetieth day prior to such special meeting or the tenth day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed to be elected at such meeting, if any. In no event shall the public announcement of an adjournment or postponement of a special meeting commence a new time period, or extend any time period, for giving of a shareholder's notice as described above.

STATEMENT OF SUPPORT

In what we believe is in the best interests of all CSX shareholders and consistent with good corporate governance practices, we are proposing that shareholders vote to amend the Bylaws to allow one or more shareholders having beneficial ownership of 15% or more CSX's common stock the power to call a special meeting of the shareholders for any purpose allowed under the laws of Virginia. Under the current Bylaws, only a majority of the Board, the Chairman of the Board or shareholders holding of record 15% of the outstanding capital stock of CSX can call a special meeting and the proposals that may be brought to a vote at such special meeting are restricted. The matters to which shareholders are entitled to call such meetings are limited to those that have not been brought within 12 months after any annual or special meeting of shareholders at which the same matter was included on the agenda, or if the same matter will be included on the agenda at an annual meeting to be held within 90 days after the receipt by CSX of such request. The current Bylaws define same matter to preclude a special meeting to be held for the purpose of electing directors proposed by shareholders or removing directors. The corporate laws of thirty-two states provide that beneficial owners of only 10% of shares may call a special meeting, absent a contrary provision in the charter

or bylaws. (1) Prominent institutional investors and organizations support a shareholder right to call special meetings. The proxy voting guidelines of many public employee pension funds also favor this right.

At the 2007 CSX annual shareholder meeting, the shareholders overwhelmingly (by a ratio of more than two to one) approved a proposal that requested the Board to amend the Bylaws to give holders of at least 10% to 25% of the Shares the power to call a special shareholder meeting, without any limitations or special conditions. That resolution stated Shareholders should have the ability to call a special meeting when they think a matter is sufficiently important to merit expeditious consideration. Shareholder control over timing is especially important in the context of a major acquisition or restructuring, when events unfold quickly and issues may become moot by the next annual meeting. Our resolution amends the Bylaws to ensure that the intent of the 2007 proposal, providing for special meetings without conditions or limitations, is implemented.

The Board amendments to the Bylaws, made February 4, 2008 (the Limited Special Meeting Bylaw), provide shareholders the opportunity to call a special meeting only for limited purposes and subject to a number of conditions, effectively providing that a special meeting could not be called to remove or elect directors. This is not what the shareholders requested of its Board when they overwhelmingly voted at last year s annual shareholder meeting to recommend that the Board amend the Bylaws. We strongly believe in the right of the shareholders to be able to call for special meetings without limitations. Our proposal enables this right.

WE STRONGLY URGE YOU TO VOTE FOR PROPOSAL 2 BY SIGNING, DATING AND MAILING YOUR BLUE PROXY CARD OR VOTING INSTRUCTION FORM TODAY IN THE ENCLOSED POSTAGE-PAID ENVELOPE.

(1) The Company s Bylaws currently require that notice to call a special meeting must be provided by a shareholder of record but do not specify the number of shares that must be held in record name.

**PROPOSAL 3: VOTE AGAINST THE COMPANY'S PROPOSAL
OF AN ALTERNATIVE BYLAW AMENDMENT**

At the Company's 2007 Annual Meeting of Shareholders, a non-binding shareholder proposal was presented to have the Board amend the Bylaws of the Company to permit shareholders to call special meetings without condition or limitations (the 2007 Special Meeting Proposal). The Board and management opposed this proposal, stating that this special right should not be available to a minority of shareholders (emphasis added) but instead should be reserved solely to the Board. Despite management soliciting against the proposal, it was approved overwhelmingly by the shareholders by a ratio of more than two to one.

Despite this mandate from the shareholders, the Board refused to amend the Bylaws to permit special meetings to be called by shareholders throughout the remainder of 2007. The Board did make several other amendments to the Bylaws during this period, but did nothing with respect to the special meeting provision.

Beginning in October 2007, TCI publicly echoed the call reflected in the 2007 Special Meeting Proposal for action by the Board to permit meetings to be called by the shareholders in accordance with generally accepted good corporate governance and in order to respect the wishes of the shareholders expressed in the previous year's vote. On January 25, 2008, the TCI/3G Group filed a notice with the Company in accordance with the Bylaws that the TCI/3G Group intended to present an amendment to the Bylaws consistent with the 2007 Special Meeting Proposal in the form of Proposal 2 as set forth in this proxy statement. In addition, another shareholder sought, pursuant to SEC rules, to require the Company to include a proposal in the Company's proxy statement to amend the Bylaws to enable shareholders to call special meetings without conditions or limitations. The Company opposed the shareholder request.

On February 4, 2008, nine months after the Company's 2007 Annual Meeting of Shareholders and after having taken action to adopt two other amendments to the Bylaws unrelated to special shareholder meetings, the Board adopted the Limited Special Meeting Bylaw to permit special meetings to be called by shareholders holding 15% or more of the shares, but imposed significant limitations on the subject matter of the meeting and significant conditions on the requesting shareholders. These limitations and conditions include:

- Prohibiting a special meeting from considering the removal and election of directors;
- Limiting the ability of shareholders to reconsider any other matter previously voted on regardless of whether intervening events make it appropriate for shareholders to desire reconsideration;
- Requiring the requesting shareholders to provide information which may not be obtainable in connection with a public solicitation of consents to call a special meeting; and
- Requiring the requesting shareholders to evidence their continuing share ownership through the special meeting date, which may not be possible in connection with a public solicitation of consents to call a meeting.

According to the Company's 2008 Proxy Statement, Proposal 3 to ratify the Limited Special Meeting Bylaw has been put forth by the Company because the TCI/3G Group has made a proposal to repeal the Limited Special Meeting Bylaw due to its limitations. Thus, it has not been put forth in response to the mandate from the shareholders as expressed in the 2007 Special Meeting Proposal. We believe the Board's action of adopting the Limited Special Meeting Bylaw is designed to appear shareholder-friendly while preventing shareholders from calling a special meeting to remove or nominate directors and putting unreasonably burdensome conditions designed to make it difficult or impossible to exercise

Edgar Filing: CSX CORP - Form DEFC14A

even the limited rights that the Board is purporting to allow, and validates our concern that the Board continues to ignore the expressed will of its shareholders.

In addition, we believe that this proposal violates the laws of the Commonwealth of Virginia and infringes on shareholder rights guaranteed by the law. We have filed a claim against CSX in federal court seeking to enjoin it from presenting this proposal to the shareholders.

Accordingly, we believe that the shareholders should reject the Company's attempt to put limitations and conditions on shareholders' rights to call a special meeting and instead vote for the TCI/3G Group Proposal 2 to permit shareholders holding 15% or more of the Company's outstanding shares of capital stock to call a special meeting without limitation or additional conditions.

WE STRONGLY URGE YOU TO VOTE AGAINST PROPOSAL 3 BY SIGNING, DATING AND MAILING YOUR BLUE PROXY CARD OR VOTING INSTRUCTION FORM TODAY IN THE ENCLOSED POSTAGE-PAID ENVELOPE.

PROPOSAL 4: REPEAL THE AMENDMENTS MADE TO THE BYLAWS BY THE BOARD

Proposal 4 provides for the adoption of a resolution in the following form:

RESOLVED that any amendment, repeal or modification to the Bylaws of the Corporation dated as of September 12, 2007 that is effected by the Board of Directors of the Corporation from and after January 1, 2008 and prior to and including the date of this Annual Meeting shall hereby be repealed and shall not be reinstated without the approval of the shareholders.

STATEMENT OF SUPPORT

The Bylaw amendments we are presenting to the shareholders in Proposal 2 and the Limited Special Meeting Bylaw conflict with one another. As stated in our Proposal 2, the Limited Special Meeting Bylaw imposes extreme procedural hurdles and leaves discretion in the Board of Directors to impose additional restrictions without the need for shareholder input. Accordingly, we are presenting to the shareholders this Proposal 4, which will have the effect of repealing the Limited Special Meeting Bylaw, and any other amendments which the Board may unilaterally adopt through the date of the 2008 Annual Meeting. Such other amendments could be intended to impede the TCI/3G Group's solicitation, or affect corporate governance at CSX. Other than the Limited Special Meeting Bylaw, the TCI/3G Group is not aware of any amendments to the Bylaws that would be repealed by adoption of this Proposal 4.

WE STRONGLY URGE YOU TO VOTE FOR PROPOSAL 4 BY SIGNING, DATING AND MAILING YOUR BLUE PROXY CARD OR VOTING INSTRUCTION FORM TODAY IN THE ENCLOSED POSTAGE-PAID ENVELOPE.

**PROPOSAL 5: RATIFY AUDIT COMMITTEE'S SELECTION OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Company is soliciting proxies to ratify the Audit Committee's selection of Ernst & Young LLP as the Company's Independent Registered Public Accounting Firm for the coming fiscal year. We do not take any opinion with respect to this issue, and as such we will abstain from casting a vote on this proposal.

The TCI Total Return Swaps constitute economic exposure equivalent to approximately 11.5% of the Shares. These contracts do not give TCI direct or indirect voting, investment or dispositive control over any securities of CSX and do not require the counterparties thereto to acquire, hold, vote or dispose of any securities of the Company. Accordingly, TCI disclaims any beneficial ownership in securities that may be referenced in such contracts or that may be held from time to time by any counterparties to the contracts.

3G Capital currently has contractual agreements with Morgan Stanley & Co. International plc with regard to cash-settled equity swaps (the 3G Total Return Swaps) that reference Shares of CSX. WE URGE YOU TO SIGN, DATE AND RETURN THE ENCLOSED BLUE PROXY CARD OR VOTING INSTRUCTION FORM TODAY OR INSTRUCT US BY TELEPHONE OR VIA THE INTERNET TO VOTE FOR THE ELECTION OF THE TCI/3G GROUP'S NOMINEES, FOR PROPOSALS 2 AND 4, TO ABSTAIN FROM PROPOSAL 5; AND AGAINST PROPOSAL 3, ALL AS SET FORTH IN THIS PROXY STATEMENT.**

COST AND METHOD OF SOLICITATION

The TCI/3G Group has retained D.F. King to serve as an advisor and to provide consulting, analytic and solicitation services in connection with the 2008 Annual Meeting. For these services, D.F. King is to receive a fee estimated not to exceed \$1.5 million, plus reimbursement for its reasonable out-of-pocket expenses. The TCI/3G Group has agreed to indemnify D.F. King against certain liabilities and expenses. Proxies may be solicited by mail, courier services, Internet (including via <http://www.strongercsx.com>), advertising, telephone, facsimile or in person. It is anticipated that D.F. King will employ approximately 150 people to solicit proxies from shareholders for the 2008 Annual Meeting. D.F. King does not believe that any of its directors, officers, employees, affiliates or controlling persons, if any, is a participant in this proxy solicitation or that Schedule 14A requires the disclosure of certain information concerning D.F. King.

In addition, it is anticipated that the Nominees and certain regular employees of the TCI/3G Group will participate in the solicitation of proxies in support of our Nominees and with respect to the other proposals set forth in this proxy statement. Such employees will receive no additional consideration if they assist in the solicitation of proxies. Although no precise estimate can be made at the present time, the total costs and expenditures in furtherance of, or in connection with, the solicitation of shareholders (including fees for attorneys, accountants, public relations or financial advisers, solicitors, advertising, printing, transportation, litigation and other costs incidental to the solicitation) is estimated to be \$9.0 million. As of the date hereof, the TCI/3G Group have incurred approximately \$3.5 million of solicitation expenses.

Costs related to this solicitation of proxies, including expenditures for attorneys, accountants, public relations and financial advisors, proxy solicitors, advertising, printing, transportation and related expenses will be borne by the TCI/3G Group. To the extent legally permissible, the TCI/3G Group will seek reimbursement from the Company for those expenses if any of our Nominees is elected. The TCI/3G Group will only accept reimbursement if such reimbursement is approved by the Board. Given the relatively insignificant size of the potential reimbursement, the TCI/3G Group does not intend to submit the question of reimbursement to a vote of the shareholders.
