**Item 1.01 Entry into A Material Definitive Agreement**

On February 25, 2009, StarTek, Inc. (the Company) and its wholly-owned subsidiary, Domain.com, Inc., entered into an agreement (the Agreement) to sell the assets of Domain.com to A. Emmet Stephenson, Jr., Inc. (Purchaser) in exchange for cash of \$7.075 million. The Agreement contains certain limited customary representations and warranties and covenants. The Agreement also provides for mutual indemnification obligations.

The assets of Domain.com consist of domain names, trademarks and corporation names. The Company conducted an auction for the assets and received bids from multiple parties, including A. Emmet Stephenson, Jr. (Mr. Stephenson), an affiliate of Purchaser. Mr. Stephenson presented the highest bid, which represented the selling price, of \$7.075 million and the sale was completed effective February 25, 2009. Mr. Stephenson is one of the Company's co-founders, has managed the Domain.com subsidiary since 2006 and owns approximately 20% of the Company's common shares outstanding. Because the transaction involves a related party, the Audit Committee of the Company's Board of Directors considered and approved the transaction.

**Item 2.01 Completion of Acquisition or Disposition of Assets**

The information set forth under Item 1.01 is incorporated herein by reference.

**Item 9.01 Financial Statements and Exhibits**

- (a) Financial statements of business acquired Not required.
- (b) Pro forma financial information Set forth below.

The following unaudited pro forma condensed consolidated financial information is derived from StarTek, Inc.'s historical consolidated financial statements, adjusted to reflect the sale of the assets of Domain.com, Inc. to A. Emmet Stephenson, Jr., Inc as described above under Item 1.01 and as if it occurred on January 1, 2008. The unaudited condensed consolidated pro forma financial information shows decreases in revenue and gross profit and increases in net loss and net loss per share. There was no carrying value on the assets of Domain.com and as such, the Company has not presented the pro forma condensed consolidated balance sheet. The unaudited condensed consolidated pro forma financial information is presented for illustrative purposes and is not designed to represent, and does not represent, what the financial position or operating results would have been had the sale of Domain.com been completed as of the date assumed, nor is it intended to project our future financial position or results of operations.
