GENERAL

The Annual Meeting of Shareholders of Winmark Corporation will be held on Wednesday, April 29, 2009, at 4:00 p.m., Central Daylight Time, at our corporate offices, 605 Highway 169 N, Suite 100, Minneapolis, Minnesota 55441, for the purposes set forth in the Notice of Annual Meeting of Shareholders.

The enclosed proxy is solicited by our Board of Directors. Such solicitation is being made by mail and may also be made by directors, officers and regular employees of Winmark personally or by telephone. Any proxy given pursuant to such solicitation may be revoked by the shareholder at any time prior to the voting thereof by so notifying us in writing at the above address, attention: Corporate Secretary, or by appearing in person at the meeting. Shares represented by proxies will be voted as specified in such proxies, and if no choice is specified, will be voted in favor of the proposals set forth in the Notice of Meeting and in favor of the number and slate of directors proposed by the Board of Directors and listed herein.

Shares voted as abstentions on any matter (or a withhold authority vote as to directors) will be counted as present and entitled to vote for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but will not be deemed to have been voted in favor of such matter. If a broker submits a non-vote proxy, indicating that the broker does not have discretionary authority to vote certain shares on a particular matter, those shares will be counted as present for purposes of determining a quorum, but will not be considered present and entitled to vote for purposes of calculating the vote with respect to such matter.

All of the expenses involved in preparing, assembling and mailing this proxy statement and the material enclosed herewith will be paid by Winmark. Winmark may reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy material to beneficial owners of stock. OUTSTANDING SHARES AND VOTING RIGHTS

The Board of Directors has fixed March 12, 2009, as the record date for determining shareholders entitled to vote at the Annual Meeting. Persons who were not shareholders on such date will not be allowed to vote at the Annual Meeting. At the close of business on March 12, 2009, 5,381,669 shares of our Common Stock were issued and outstanding. Common Stock is the only outstanding class of capital stock entitled to vote at the meeting. Each share of Common Stock is entitled to one vote on each matter to be voted on at the meeting. Holders of Common Stock are not entitled to cumulative voting rights.

Under applicable Minnesota law, approval of each of the proposals to be voted on at the meeting except the election of the nominees requires the affirmative vote of the holders of the greater of (i) a majority of the voting power of the shares represented in person or by proxy at the Annual Meeting with authority to vote on such matter or (ii) a majority of the voting power of the minimum number of shares that would constitute a quorum for the transaction of business at the Annual Meeting. The election of the nominees requires the affirmative vote by a plurality of the voting power of the shares present and entitled to vote on the election of directors at a meeting at which a quorum is present.

ELECTION OF DIRECTORS

(Proposals #1 and #2)

At the meeting, the Board of Directors is to be elected to hold office until the 2010 Annual Meeting or until successors are elected and have qualified. Our Bylaws provide that the number of directors on our Board shall be fixed by the shareholders, subject to increase by the Board of Directors in an interim period between shareholder votes. The Nominating Committee recommended to the Board of Directors that the shareholders set the number of directors at six. The Nominating Committee also recommended to the Board of Directors that the shareholders elect the nominees named below.

Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the nominees named below, unless one or more of such nominees should become unavailable for election, in which event such shares shall be voted for the election of such substitute nominees as the Board of Directors may propose. Each person nominated has agreed to serve if elected, and we know of no reason why any of the listed nominees would be unavailable to serve.

CORPORATE GOVERNANCE

Code of Ethics and Business Conduct

We have adopted the Winmark Corporation Code of Ethics and Business Conduct (the Code of Conduct), that applies to our directors, officers and employees. The Code of Conduct is publicly available on our web site at www.winmarkcorporation.com. If we make any substantive amendments to the Code of Conduct or grant any waiver, including any implicit waiver from a provision of the Code of Conduct to our directors or executive officers, we will disclose the nature of such amendments or waiver on our web site or in a report on Form 8-K.

Majority of Independent Directors; Committees of Independent Directors

The Board of Directors has determined that Ms. Grassle and Messrs. Phillips, Reyelts, and Wilson, constituting a majority of the Board of Directors, are independent directors in accordance with rules of the Nasdaq since none of them are believed to have any relationships that, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Messrs. Morgan and MacKenzie are precluded from being considered independent by Nasdaq rules since they either currently serve as executive officers of Winmark and/or have had a relationship with Winmark that preclude them from being deemed independent under Nasdaq rules.

Each member of the Audit Committee, Compensation Committee and Nominating Committee has been determined, in the opinion of the Board of Directors, to be independent in accordance with Nasdaq rules.

Standing Committees

The Board of Directors has three standing committees, the Audit Committee, the Compensation Committee and the Nominating Committee.

Audit Committee

The Audit Committee provides oversight by reviewing financial reports and other financial information of Winmark, reviewing our systems of internal control regarding finance, accounting, legal compliance and ethics, and reviewing our auditing, accounting and financial reporting process. The Audit Committee serves as an independent and objective party to monitor our financial reporting process and internal control system. The Audit Committee coordinates, reviews and appraises the audit efforts of our independent registered public accounting firm. Further, the Audit Committee communicates directly with the independent accountants, financial and senior management and Board of Directors regarding the matters related to the Committee's responsibilities and duties. The Board has determined that Paul C. Reyelts, an independent director, is the Audit Committee financial expert. The current Audit Committee members are Paul C. Reyelts (Chairman), Dean B. Phillips, and Mark L. Wilson. The Audit Committee held four (4) meetings during fiscal 2008.

Compensation Committee

The Compensation Committee's purpose is to assist the Board of Directors in the discharge of its responsibilities relating to (a) fair, reasonable, and competitive compensation practices for our executive officers and other key employees which are consistent with our objectives; (b) oversight of broad-based employee compensation policies and programs; and (c) fair, reasonable and competitive compensation and benefit programs for our nonemployee directors. The Compensation Committee, which consists of Mark L. Wilson, Jenele C. Grassle, Dean B. Phillips and Paul C. Reyelts, held one (1) meeting during fiscal 2008. Mark L. Wilson has been appointed the Chairman of the Compensation Committee.

The Compensation Committee's responsibilities, which are discussed in detail in its charter, include, among other duties, the responsibility to:

- Review and approve annually appropriate incentive compensation goals and objectives for the CEO and other executive officers.
- Consider and approve the base salary, incentive and equity-based compensation awards and other compensation actions for the CEO based upon an evaluation of the CEO's performance, effectiveness and other relevant considerations.
- Review and approve base salaries, incentive and equity-based compensation awards and other compensation actions for all other executive officers, based upon an evaluation of such officer's performance, effectiveness, the recommendations of the CEO and other relevant considerations.

Compensation decisions for our executive officers and nonemployee members of the Board of Directors are made by the Compensation Committee. The Compensation Committee also makes decisions regarding the equity compensation of any other Winmark employees. The Compensation Committee has not elected to utilize the services of a compensation consultant in determining executive compensation, though they have the discretion to utilize the services of a consultant as outlined in the Compensation Committee's Charter. To the extent the Committee determines to expend in excess of \$5,000 during any fiscal year on consultants, it must seek pre-approval from the Board of such excess expenditures.

Our Chief Executive Officer, with the input of other officers at his discretion, provides the Compensation Committee with recommendations for the compensation of all executive officers and nonemployee directors.

Nominating Committee

The purpose of the Nominating Committee is to advise the Board of Directors and provide oversight on matters related to (a) the selection and nomination of Board Members; and (b) the appointment of Board Committee Members. The Nominating Committee, which consists of Jenele C. Grassle, Dean B. Phillips, Paul C. Reyelts, and Mark L. Wilson, held one (1) meeting during fiscal 2008. Jenele C. Grassle has been appointed Chairperson of the Nominating Committee.

Winmark does not have a formal policy with regard to the consideration of director candidates recommended by shareholders since it is our practice to consider director recommendations from any source. The Board is comprised of a majority of independent directors, which ensures consideration of director candidates from any source based on the criteria set forth below. Each Nominating Committee member is independent. The Board will consider director candidates recommended by shareholders according to the following membership criteria.

Board Membership Criteria

In selecting the new directors, the Committee shall consider any requirements of applicable law or listing standards, a candidate's strength of character, judgment, business experience and specific area of expertise, factors relating to composition of the Board, principles of diversity and such other factors as the Committee shall deem important.

The Nominating Committee will consider the attributes of the candidates and the needs of the Board and will review all candidates in the same manner, regardless of the source of the recommendation.

Shareholder Nomination of Directors

A shareholder who wishes to recommend one or more directors must provide a written recommendation to our Corporate Secretary at the address below. Notice of a recommendation must include:

with respect to the shareholder:

- name, address, the class and number of shares such shareholder owns;

with respect to the nominee:

The recommendation must be accompanied by a written consent of the nominee to stand for election if nominated by the Board of Directors and to serve if elected by the shareholders. We may require any nominee to furnish additional information that may be needed to determine the eligibility of the nominee.

Charter Availability

The Audit Committee, Compensation Committee, and Nominating Committee charters are available on our website at www.winmarkcorporation.com under the Investor Relations heading.

Meeting Attendance

During fiscal 2008, the Board of Directors held four (4) meetings. All directors attended at least 75% of the meetings of the Board of Directors and committees of the Board of Directors on which they served.

We have not adopted a formal policy with regard to board members attendance at annual meetings of shareholders, however, all directors are encouraged to attend such meetings. All of the directors attended the Annual Meeting last year.

Shareholder Communications

Shareholders may communicate directly with the Board of Directors. All communications should be directed to our Corporate Secretary at the address below and should prominently indicate on the outside of the envelope that it is intended for the Board of Directors or for non-management directors. EXECUTIVE COMPENSATION TABLES

The table below summarizes the total compensation paid or earned by each of the Named Executive Officers (NEOs) for the fiscal year ended December 27, 2008. Winmark s compensation structure for NEOs emphasizes the collective accountability to our shareholders, employees, and to one another by examining the performance of the NEOs as a group. The overall success of our business was examined to determine NEO salary, bonus, and incentive compensation, including a variety of financial and nonfinancial factors such as the overall performance of the company against long-term financial and strategic objectives, cash flow, human resources management, earnings per share, and the effectiveness of the NEOs as a group. Although our philosophy is to compensate NEOs as a group, we believe it is important to retain the flexibility and discretion to modify all elements of compensation awarded to individuals based upon their general business and company experience, leadership, potential future contribution, and the performance of the businesses for which they are responsible. There are 3 primary components to NEOs compensation: (1) base pay, (2) annual incentive bonus, and (3) equity based compensation.

Base pay provides the NEOs with regular compensation for services performed during the fiscal year, and is used to establish a pay range for the annual incentive bonus. The NEOs base pay is determined in part by examining awards from past years, both for NEOs as a group and for each individual NEO. The annual bonus for each NEO, awarded at the discretion of the Compensation Committee, may range in amount from 0% to 100% of that NEO s salary. The annual incentive bonus is designed to motivate and reward the NEOs as a group for furthering the achievement of the Company s short and long-term objectives during the fiscal year. The third primary component of compensation is long-term incentive compensation in the form of stock options. Options were granted to the NEOs by the Compensation Committee under our current employee stock option plan, with a four year vesting period beginning on the first anniversary of the grant date and a ten year term, both contingent upon the continued employment of the NEO. Although previous awards are considered, the amount of options a NEO receives depends primarily upon the NEOs performance as a group, the total number of option shares recommended for issuance, and the total number of people included in the annual stock option grants.

We entered into an employment agreement with John L. Morgan, CEO, in March 2000, which has been subsequently amended three times. The most recent amendment clarified that Mr. Morgan's base salary will be set annually by the Compensation Committee or a similar body of independent directors in its discretion. Pursuant to the agreement, Mr. Morgan may also receive a bonus determined by the Compensation Committee in its discretion. The agreement is terminable for any reason by either party upon 30 days written notice. In connection with this agreement, Mr. Morgan was granted an option to purchase 600,000 shares of Common Stock at an exercise price of \$5.00 per share in March of 2000. The option has fully vested and has been exercised.

Unless otherwise indicated, the option awards vest 25% per year for four years, beginning on the first anniversary of the option grant. Potential Payments Upon Termination of Employment or Change-in-Control

All of our NEOs are at-will employees operating without employment contracts, with the exception of John Morgan, our Chief Executive Officer. Although we have in the past, and at our discretion may in the future, negotiate severance agreements with our NEOs, we are under no obligation to do so. We have not entered into contracts or agreements with the NEOs, individually or as a group, guaranteeing lump sum payments to them upon a change of control of Winmark. However, our 2001 Stock Option Plan (2001 Plan), which provides option awards to our NEOs, provides that optionees are eligible for certain benefits when a Transaction occurs, as defined therein. A Transaction includes the sale of substantially all of our assets, a merger, a consolidation, an exchange, a reorganization, reclassification, liquidation, or an extraordinary dividend. Generally speaking, all of the outstanding and unvested stock options granted under the 2001 Plan become immediately exercisable upon the occurrence of a Transaction unless the Board selects to either: (a) terminate the 2001 Plan and cancel outstanding options not exercised prior to reasonable exercise period; (b) pay optionees, either in cash or shares of the surviving corporation's stock, the difference between the Fair Market Value of the stock price and the stock option exercise price; or (c) continue the 2001 Plan and allow optionees the right to exercise their respective options for an equivalent number of shares of stock of the succeeding corporation.

As of December 27, 2008, the NEOs had the following outstanding and unvested options to purchase shares of our Common Stock that could accelerate upon a change in control:

2008 Director Compensation***Cash Compensation Paid to Board Members***

For the fiscal year ended December 27, 2008, nonemployee members of the Board of Directors were entitled to receive an annual cash retainer of \$15,000 and an attendance fee of \$1,000 for each Board or Committee meeting. The Lead Director received an additional annual retainer of \$5,000 and the Vice-Chair received an additional annual retainer of \$2,500.

Stock Option Award

Pursuant to the terms of our Stock Option Plan for Nonemployee Directors, nonemployee directors are automatically granted an option to purchase 25,000 common shares upon the initial election as a director. In addition to an initial award under the Nonemployee Director Stock Option Plan, each nonemployee director is eligible to receive an annual stock option grant as determined by the Compensation Committee. In December 2008, each current nonemployee director received a stock option grant of 2,000 shares pursuant to the Nonemployee Director Stock Option Plan. These options vest 25% per year for four years, beginning one year from the date of the grant, and expire at the end of 10 years. Proposal #3 in this Proxy, if approved, will allow for stock option grants to nonemployee directors on a more frequent than annual basis. All of the outstanding and unvested stock options granted under the Nonemployee Director Stock Option Plan become immediately exercisable upon the occurrence of a change in control of the Company.

The following table sets out the fiscal 2008 compensation for each of our current nonemployee directors.

AMENDMENT TO STOCK OPTION PLAN FOR NONEMPLOYEE DIRECTORS

(Proposal #3)

General

On February 26, 2009, the Board amended our Stock Option Plan for Nonemployee Directors (the Plan) to provide the Compensation Committee with the discretion to award stock option grants to the nonemployee directors on a more frequent than annual basis. Currently, the Plan restricts the Compensation Committee to make grants to independent directors only on an annual basis. The amendment to the Plan would permit the Compensation Committee to act at more frequent intervals than once per year. The Compensation Committee seeks the flexibility to respond to changing circumstances throughout the year. This amendment does not require that the Compensation Committee make more than annual grants of options. Rather, the amendment only permits the Compensation Committee discretion to act on a basis other than annually. The Compensation Committee currently has this discretion with respect to grants to employees under the Company's 2001 Stock Option Plan. The Plan amendment, if approved by shareholders, would give the Compensation Committee similar discretion over grants to non-employee directors.

As of March 12, 2009, there were outstanding options to purchase an aggregate of 78,000 shares of Common Stock granted under the Plan, with exercise prices ranging from \$12.75 to \$26.05 per share. The Board of Directors believes granting fairly priced stock options to directors is an effective means to promote the future growth and development of Winmark. The Board of Directors also believes the Plan will attract, reward and retain highly qualified nonemployee directors.

A general description of the Plan is set forth below, but such description is qualified in its entirety by reference to the full text of the Plan, a copy of which may be obtained without charge upon written request to our Corporate Secretary.

Description of the Plan

Purpose. The purpose of the Plan is to attract, reward and retain highly qualified nonemployee directors and to increase their proprietary interest in our success.

Shares Available. The Plan provides for the issuance of up to 300,000 shares of our Common Stock, subject to adjustment of such number in the event of any merger, reorganization, consolidation, recapitalization, stock dividend, stock split, or other change in corporate structure affecting our Common Stock.

Eligibility. The Plan provides that each director who is not also an employee of Winmark will receive an option to purchase 25,000 common shares at the beginning of that director's first term on the Board. Each current nonemployee director has received his or her initial grant to purchase 25,000 shares. The Plan also currently allows us to issue annual option grants to nonemployee directors of Winmark and its affiliates. If approved by our shareholders, the proposed amendment to the Plan will allow us to issue option grants to these recipients on a more frequent than annual basis. The exercise price of all options under the Plan is equal to the fair market value on the date of grant.

Options. Each option granted under the Plan vests in four equal annual increments beginning one year after the date of grant. Except upon a change of control or the approval by the Board of an agreement that would result in a change of control as defined in the Plan, any unvested portion of an option is forfeited upon the holder's termination as a nonemployee director. In the event of a change in control, all options under the Plan become fully exercisable. The exercise price of each option is the Fair Market Value of the underlying Common Stock on the day the option is granted. Vested options remain exercisable for a term ending on the earlier of the date that is nine years from the date of vesting for the first increment (the tenth anniversary of the grant date) or that is 30 days following the last day the holder served as a nonemployee director. In the event that a nonemployee director ceases to be a director due to the director's death, the director's legal representative has the right to exercise any options, to the extent exercisable on the date of termination and in no event later than the expiration of the stated terms, for a period of up to one year from the date of such death. In the event that a nonemployee director ceases to be a director due to the director's disability, the director may exercise the portion of the option as was exercisable at the date of termination until the expiration of the stated term of such option.

In the event of any merger, reorganization, consolidation, recapitalization, share dividend, share split, or other change in corporate structure affecting the share, such substitution or adjustment will be made as may be determined to be appropriate by the Board to prevent dilution or enlargement of the option rights under the Plan.

Administration. Options under the Plan may be exercised, by delivering to the company at its offices, written notice of the election to exercise and the number of shares subject to such exercise, together with payment in full of the exercise price. Payment of the exercise price shall be made by cash or certified bank check or delivery of Winmark shares owned by the holder with a fair market value equal to the exercise price. Unless otherwise determined by the Compensation Committee of the Board of Directors, tax-withholding obligations may be settled with common shares owned by the option holder.

Amendment. The Board of Directors may at any time suspend or terminate the Plan or any part thereof, and the Board of Directors or Compensation Committee may amend the Plan from time to time; provided, however, that no action of the Board of Directors or any committee may (i) impair the rights of a nonemployee director with respect to Options theretofore awarded, without such person's consent, or (ii) without the approval of the shareholders if such approval is necessary to comply with any legal, tax or regulatory requirement.

Federal Income Tax Consequences. The options granted under the Plan are not intended to be incentive stock options within the meaning of Section 422 of the Internal Revenue Code. At the time an option is granted, no income will be realized by the optionee, and no deduction will be allowable to Winmark. Upon the exercise of the option, the excess of the fair market value of the shares acquired on the date of exercise over the exercise price paid will be ordinary income to the optionee and deductible by Winmark, to the extent such amount satisfies the general rules concerning deductibility of compensation.

Plan Benefits. The benefits to our Nonemployee directors as a result of this amendment relate to extension of the term as well as the shortening of the vesting schedule for future options granted. Future grants of options are subject to the discretion of the Compensation Committee and therefore any benefits that result from these changes cannot be determined at this time. No executive officer or employee is eligible to receive an option under this Plan.

Board of Directors Recommendation

The Board of Directors recommends that the shareholders vote FOR proposal #3 to approve the amendment to the Stock Option Plan for Nonemployee Directors to provide the Compensation Committee with the discretion to award stock option grants to the outside members of the Board on a more frequent than annual basis. Under applicable Minnesota law, approval of the proposal requires the affirmative vote of the holders of the greater of (i) a majority of the voting power of the shares represented in person or by proxy at the Annual Meeting with authority to vote on such matter or (ii) a majority of the voting power of the minimum number of shares that would constitute a quorum for the transaction of business at the Annual Meeting.
