**Item 1.02**

**Termination of a Material Definitive Agreement**

On March 19, 2009, two indirect wholly-owned subsidiaries of The AES Corporation ( AES or the Company ) and Kazakhmys PLC ( Kazakhmys ) mutually agreed to terminate the parties Stock Purchase Agreement and Management Agreement (each as defined below). In connection with the termination of these agreements, the two AES subsidiaries and Kazakhmys have entered into a new agreement (the 2009 Agreement ). Under the 2009 Agreement, Kazakhmys has agreed to pay the AES subsidiaries an \$80 million earn-out payment for 2008 in April of 2009, and a \$102 million payment in January of 2010. Kazakhmys has agreed to post an investment grade letter or letters of credit as security for the January 2010 payment.

*Background*

In 2008, a subsidiary of AES ( AES Anturie ) sold certain businesses in Kazakhstan to Kazakhmys pursuant to a stock purchase agreement (the Stock Purchase Agreement ), including AES Ekibastuz LLP, AES Maikuben LLP and Maikuben West LLP. In 2008, AES Anturie received initial consideration of approximately \$1.1 billion from the sale. Under the Stock Purchase Agreement, AES Anturie was also eligible to receive additional consideration of up to \$381 million over three years in the form of earn-out payments, fixed deferred consideration, management fees and a capital expenditure program bonus. At that time, Kazakhmys and another AES subsidiary ( AES Alberich ) entered into a management agreement under which AES Alberich would manage activities of these companies during the three year period from 2008 to 2010 inclusive (the Management Agreement ). The Stock Purchase Agreement and the Management Agreement were filed as exhibits 10.38 and 10.39 to the Company s 2007 Form 10-K.

*The 2009 Agreement*

In addition to the \$80 million and \$102 million payments noted above, under the terms of the 2009 Agreement, the parties have agreed to terminate both the Stock Purchase Agreement and the Management Agreement, and have further agreed to a mutual release of prior claims. The 2009 Agreement also provides for a 100 day disengagement period during which AES Alberich will provide assistance to Kazakhmys in connection with the transition of management of the operations of the previously sold entities from AES Alberich to Kazakhmys. The 2009 Agreement also provides for the parties to enter into a further agreement to include additional detail on the terms governing the disengagement period. If the further agreement is not entered into, the 2009 Agreement will continue in force.
