Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On October 23, 2009, the Compensation Committee (the Compensation Committee) of the Board of Directors (the Board) of CardioNet, Inc. (the Company) approved restricted stock unit awards covering a total of 325,000 shares of the Company's common stock to employees of the Company, including the named executive officers. The restricted stock units were awarded under the Company's 2008 Equity Incentive Plan and will entitle the recipient to one share of common stock when the applicable vesting requirement for that unit is met.

The named executive officers receiving restricted stock unit awards and the number of shares subject to such awards are as follows:

Name	No. of Shares Subject to Award
Randy H. Thurman	150,000
Martin Galvan	10,000
John Imperato	20,000
Anna McNamara	20,000

The restricted stock units will vest in full upon the third anniversary of the date of grant, provided the recipient remains in the Company's continuous service through such date. In the event the Company terminates the recipient's employment without cause or the participant resigns for good reason at any time following a corporate transaction (as each such term is defined in the participant's employment agreement with the Company), any unvested restricted stock units will immediately vest in full upon such termination or resignation. As a condition to receiving these restricted stock units, each grantee has agreed that the vesting terms for these restricted stock units as described above will govern the terms of these restricted stock units in all circumstances, notwithstanding any more favorable terms in his or her employment or severance agreement.

On October 23, 2009, the Compensation Committee and the Board, where applicable, approved a discretionary bonus pool of up to \$1,500,000 (the Bonus Pool) for individuals eligible to participate in the Company's Management Incentive Plan, including Randy H. Thurman, Martin Galvan, John Imperato and Anna McNamara. Because certain performance targets previously established for the 2009 calendar year under the Management Incentive Plan will likely not be attained, the Compensation Committee and the Board, where applicable, authorized the Bonus Pool to continue to incentivize eligible participants of the Management Incentive Plan. No amounts have been awarded to date under the Bonus Pool, and any future amounts will be awarded at the sole discretion of the Compensation Committee and the Board, where applicable.
