**Item 1.01. Entry into a Material Definitive Agreement.**

**Creation of Revolving Credit Facilities**

On December 3, 2010, Caterpillar Inc. ( Caterpillar ) entered into a Bridge Loan Agreement (the Bridge Loan Agreement ) among Caterpillar, certain financial institutions named therein (the Banks ) and JPMorgan Chase Bank, N.A., as Agent (the Agent ), pursuant to which, and subject to the conditions set forth in the Bridge Loan Agreement, the Banks committed to provide unsecured bridge financing of up to \$8.6 billion (the Bridge Facility ). The Bridge Loan Agreement contains the negotiated terms and conditions originally contemplated in the Commitment Letter, dated November 14, 2010, among Caterpillar, JPMorgan Chase Bank, N.A. and J.P. Morgan Securities LLC, which was filed as Exhibit 10.1 to the Current Report on Form 8-K, dated as of November 14, 2010 and filed by Caterpillar on November 18, 2010.

Caterpillar may issue senior notes and/or equity in lieu of all or a portion of the drawing under the Bridge Facility and, if Caterpillar chooses to borrow under the Bridge Facility, it may refinance all or a portion of the Bridge Facility at a later date. The proceeds from these borrowings or issuances will be used by Caterpillar to pay a portion of the cash consideration to be paid in its acquisition of Bucyrus International, Inc., a Delaware corporation ( Bucyrus ), pursuant to the Agreement and Plan of Merger, dated as of November 14, 2010, among Caterpillar, Bucyrus and Badger Merger Sub, Inc., a Delaware corporation and a wholly owned subsidiary of Caterpillar (the Merger Agreement ), to refinance existing indebtedness of Bucyrus and to pay related fees and expenses. The Bridge Loan Agreement provides, among other things, that the funding of the Bridge Facility is subject to certain conditions, including the absence of a Closing Company Material Adverse Effect (as defined in the Merger Agreement) and the maintenance by Caterpillar of certain minimum credit ratings.

The Bridge Loan Agreement contains certain representations and warranties, covenants and events of default, including financial covenants. Under the Bridge Loan Agreement, Caterpillar is required to maintain a consolidated net worth of not less than US\$9 billion at all times. Caterpillar's consolidated net worth is defined as the consolidated stockholder's equity including preferred stock but excluding the pension and other post-retirement benefits balance within Accumulated other comprehensive income (loss).

Certain of the Banks and the Agent, as well as certain of their respective affiliates, have performed, and may in the future perform, for Caterpillar and its subsidiaries, various commercial banking, investment banking, underwriting and other financial advisory services, for which they have received and may in the future receive customary fees and expenses.

The foregoing description of the Bridge Loan Agreement is a summary and is qualified in its entirety by the terms and provisions of the Bridge Loan Agreement, filed as Exhibit 99.1 to this report and incorporated herein by reference.

**Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**
