Item 2.05 Costs Associated with Exit of Disposal Activities.

On February 21, 2011, Best Buy Co., Inc. (the registrant) announced a series of changes intended to enhance growth in key strategic businesses, improve financial performance and generate improved returns for its shareholders. The restructuring related charges include fixed asset and tradename impairments, settlement of lease obligations, facility closure costs, severance costs and inventory adjustments.

The registrant initiated the announced changes in the fourth quarter of fiscal 2011 and expects to complete the actions by the end of fiscal 2012. The registrant expects to incur total pre-tax charges between \$225 million and \$245 million related to the restructuring, including approximately \$60 million of cash payments. Given the timing of these actions, the registrant estimates that between \$210 million and \$230 million of charges will be recorded in the fourth quarter of fiscal 2011, with the remainder of the charges to be recorded in fiscal 2012.

The amount of the restructuring charges noted above are estimates, and the actual charges may vary materially based on various factors, including the timing of closings; actual employee terminations; sales, write-downs and other factors affecting inventory value; factors relating to real estate including sale proceeds and the timing and amount of sublease income and other lease expense; changes in management s assumptions; and other factors.

Additional information regarding the restructuring is included in the news release issued on February 21, 2011, which is furnished as Exhibit No. 99 to this Current Report on Form 8-K.

Item 7.01 Regulation FD Disclosure.

The news release issued on February 21, 2011, also included the disclosure of material nonpublic information regarding the registrant s store expansion plans for fiscal 2012, which begins on February 27, 2011.

In the news release, the registrant also provided guidance for fiscal 2011 diluted earnings per share (EPS), excluding the restructuring charges noted above. Diluted EPS, excluding restructuring charges is a non-GAAP financial measure. Refer to the news release for a reconciliation of the registrant s guidance for non-GAAP fiscal 2011 diluted EPS, excluding restructuring charges to its guidance for GAAP fiscal 2011 diluted EPS.

The news release issued on February 21, 2011, is furnished as Exhibit No. 99 to this Current Report on Form 8-K.
