Schedule 13D

Preliminary Statement

This Amendment No. 6 (this Amendment) amends the Statement on Schedule 13D, filed on June 13, 2012 (the Original Schedule 13D), by the entities identified on the cover pages of this Schedule 13D (collectively, the Reporting Persons), as amended by Amendment No. 1 filed on October 8, 2013 (Amendment No. 1), Amendment No. 2 filed on February 27, 2014 (Amendment No. 2), Amendment No. 3 filed on May 14, 2014 (Amendment No. 3), Amendment No. 4 filed on July 28, 2014 (Amendment No. 4) and Amendment No. 5 filed on September 17, 2014 (Amendment No. 5 ; the Original Schedule 13D, as amended by Amendment No. 1, Amendment No. 2, Amendment No. 3, Amendment No. 4 and Amendment No. 5 and as further amended by this Amendment, this Statement), by the Reporting Persons. Except as otherwise specified in this Amendment, all previous Items are unchanged. Capitalized terms used herein which are not defined herein have the meanings given to them in the Original Schedule 13D, Amendment No. 1, Amendment No. 2, Amendment No. 3, Amendment No. 4 and/or Amendment No. 5 (as applicable).

On October 1, 2013, Portugal Telecom, SGPS, S.A. (Portugal Telecom) entered into a Memorandum of Understanding (MOU) with Oi S.A. (Oi or the Issuer), AG Telecom Participações S.A. (AG Telecom), LF Tel. S.A. (LF Tel), Pasa Participações S.A. (Pasa), EDSP75 Participações S.A. (EDSP75), Bratel Brasil S.A. (Bratel Brasil) and, together with AG Telecom, LF Tel, Pasa, EDSP75 and Telemar Participações S.A. (TmarPart or CorpCo), the Oi Holding Companies), Avistar, SGPS, S.A., a shareholder of Portugal Telecom and an affiliate of Banco Espírito Santo, S.A. (BES), and Nivalis Holding B.V., a shareholder of Portugal Telecom and an affiliate of RS Holding, SGPS, S.A. (Nivalis), with respect to a proposed combination (the Business Combination) of the businesses of Portugal Telecom, Oi and the Oi Holding Companies into TmarPart. Portugal Telecom and Oi announced the Business Combination on October 2, 2013. Pursuant to the Business Combination, among other things, Oi has become the owner of the PT Assets (as defined below). Under the original structure for the Business Combination contemplated by the MOU, Oi was expected to become a wholly owned subsidiary of TmarPart through the merger of shares (*incorporação de ações*) of Oi with TmarPart (the Merger of Shares), and Portugal Telecom was expected to merge with and into TmarPart with TmarPart as the surviving company (the Portugal Telecom Merger).

As previously reported in Amendment No. 3, on May 5, 2014, Oi completed the Oi Capital Increase (as defined in Amendment No. 1), pursuant to which, among other things, Oi issued Common Shares and Preferred Shares to Portugal Telecom in exchange for the transfer by Portugal Telecom to Oi of all of the shares of PT Portugal, SGPS, S.A. (PT Portugal), which, at the time of the transfer, owned the PT Assets (as defined in Amendment No. 3).

As previously reported in Amendment No. 4, the PT Assets included all of the shares of PT Portugal and Portugal Telecom International Finance B.V. (PTIF) and, together with PT Portugal, the Oi Subsidiaries), which held certain short-term investments (the Rioforte Investments) issued by Rio Forte Investments S.A. (Rioforte). The Rioforte Investments, in the aggregate amount of 897 million, matured on July 15 and 17, 2014 and were not repaid by Rioforte. On July 15, 2014, Portugal Telecom and Oi entered into a new memorandum of understanding (the Second MOU) with respect to the Rioforte Investments and the Business

Schedule 13D

Combination that was described in Amendment No. 4. The Second MOU provided that its terms would be implemented through definitive agreements (the Definitive Agreements) to be agreed among the parties, including agreements with respect to the Exchange and the Call Option described in Amendment No. 4.

As previously reported in Amendment No. 5, on September 8, 2014, an extraordinary general shareholders meeting of the shareholders of Portugal Telecom approved the execution by Portugal Telecom of the Definitive Agreements, including the Exchange Agreement, and Other Covenants (the Exchange Agreement) and the Call Option Agreement, and Other Covenants (the Call Option Agreement), based on the terms of the Exchange Agreement and Call Option Agreement agreed by the parties thereto (with execution subject to approval by the shareholders of Portugal Telecom and other conditions) on July 28, 2014. The Definitive Agreements were executed on September 8, 2014.

The Exchange was consummated on March 30, 2015, pursuant to which (1) Portugal Telecom deposited the Restricted Shares (as defined below) with the Depositary and instructed the Depositary to register the transfer of the Restricted ADSs (as defined below) to PTIF and (2) PTIF transferred to Portugal Telecom the Rioforte Investments in the aggregate principal amount of 897 million in exchange for the Restricted Shares pursuant to the Exchange Agreement, as modified by the Rioforte Investments Assignment Agreement (as defined below).

In addition, the parties to the Business Combination had previously come to the conclusion that the Portugal Telecom Merger was no longer a viable step in the Business Combination. On March 31, 2015, the shareholders of TmarPart decided to approve an alternative to the previous structure of the Business Combination that would not involve the Merger of Shares or the listing of CorpCo on the *Novo Mercado* segment of BM&FBOVESPA. The new proposed corporate and management structure of Oi provides for the merger of the entities that directly and indirectly own shares issued by Oi into Oi's existing corporation, eliminating the Merger of Shares. The new structure also contemplates a voluntary exchange of Oi's preferred shares for Oi's common shares, the approval of new bylaws of Oi, the election of Oi's new Board of Directors, and other steps that are described in more detail under Item 4 below.

In order to carry out these changes, Portugal Telecom entered into the following agreements on or about March 31, 2015, each of which is described in more detail under Item 6 below: (1) the First Amendment to the Call Option Agreement, in order to allow Portugal Telecom to assign or transfer rights under the Call Option (as defined below); (2) the Second Amendment to the Temporary Voting Agreement, pursuant to which Portugal Telecom and certain of its shareholders agreed to, among other things, pursue the objective of integrating the shareholder bases of Oi and Portugal Telecom as described under the subsection of Item 4 below entitled *New Structure with Respect to the Business Combination*, and (3) the First Amendment to the Terms of Commitment, pursuant to which Portugal Telecom, Oi and TmarPart agree to use best efforts to cause the listing of Oi's shares on the Euronext Lisbon (in addition to the New York Stock Exchange, where Oi's shares are already listed) and the migration of Oi's shares to the *Novo Mercado* segment of the BM&FBOVESPA.

During the last five years, none of the Reporting Persons nor, to the knowledge of the Reporting Persons, any person named on Exhibit 2 (i) has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with

Schedule 13D

Item 4. Purpose of Transaction

The following new subsection is added at the end of Item 4 of the Statement:

Implementation of the Exchange

In order to carry out the delivery of the Common Shares and Preferred Shares of Oi contemplated by the Exchange Agreement, Portugal Telecom and Oi agreed that Portugal Telecom would deposit the applicable Common Shares and Preferred Shares into the respective American Depositary Share programs of Oi and transfer the applicable Common Shares and Preferred shares in the form of American Depositary shares. The American Depositary Share Programs of Oi are governed by (1) the Amended and Restated Deposit Agreement (Common Shares), dated as of February 27, 2012, among Oi, The Bank of New York Mellon, as depositary (the Depositary), and all owners and holders from time to time of American Depositary Shares (the Common ADSs) issued thereunder (the Common Share Deposit Agreement), and (2) the Amended and Restated Deposit Agreement (Preferred Shares), dated as of February 27, 2012, among Oi, the Depositary and all owners and holders from time to time of American Depositary Shares (the Preferred ADSs) issued thereunder (the Preferred Share Deposit Agreement and, together with the Common Share Deposit Agreement, the Deposit Agreements).

On March 30, 2015, in order to deliver the Common Shares and Preferred Shares of Oi contemplated by the Exchange Agreement, Portugal Telecom (i) deposited with the Depositary (A) 47,434,872 Common Shares of Oi (the Restricted Common Shares), and (B) 94,869,744 Preferred Shares of Oi (together with the Restricted Common Shares, the Restricted Shares), pursuant to the Depositary Agreements, and (ii) instructed the Depositary to register the transfer to the Oi Subsidiaries of 47,434,872 Common ADSs to PTIF, and 94,869,744 Preferred ADSs to PTIF, representing the underlying Restricted Shares (the Restricted ADSs).

On March 30, 2015, PT Portugal transferred the Restricted ADSs to PTIF and PTIF transferred to Portugal Telecom all the Rioforte Investments in the aggregate amount of \$897 million, as described in more detail under Item 6 below.

New Structure with Respect to the Business Combination

As described in Amendment No. 1 and Amendment No. 5, the Business Combination was originally expected to be implemented through three principal steps: (1) the Oi Capital Increase (which has been completed), (2) the Merger of Shares and the concurrent TmarPart Reorganization and (3) the Portugal Telecom Merger, pursuant to which Portugal Telecom would merge with and into CorpCo, and as a result of which Portugal Telecom would cease to exist and the direct shareholders of Portugal Telecom would become direct shareholders of CorpCo.

The parties to the Business Combination had previously come to the conclusion that the Portugal Telecom Merger was no longer a viable step in the Business Combination. On March 31, 2015, the shareholders of TmarPart decided to approve an alternative to the previous structure of the

Business Combination that would not involve the Merger of Shares or the listing

Schedule 13D

of CorpCo on the *Novo Mercado* segment of BM&FBOVESPA. Instead, the parties to the Business Combination have agreed on a new corporate and management structure of Oi (the New Structure), which includes the following features:

- a corporate and management restructuring of Oi, eliminating the need to list CorpCo;
- a voluntary exchange program of Preferred Shares into Common Shares issued by Oi, at a ratio of 0.9211 common shares to each preferred share (the Voluntary Exchange Program), subject to the participation of at least two-thirds of the Preferred Shares within a period of 30 days following the General Shareholders Meeting of Oi at which the commencement of the exchange period is deliberated upon. This structure is designed to provide all shareholders with the right to vote and to maximize the possibility of a single class of shares;
- the implementation of the principle of one share, one vote. However, a limitation of the voting rights of 15%, applicable to all the shareholders of Oi, was agreed to be included in the bylaws of Oi. This limitation will cease to be applicable upon the occurrence of certain events, including a capital increase, a corporate restructuring or a tender offer, in each case resulting in a reduction in the present shareholder positions (or the acquisition of shares, as the case may be) greater than 50%;
- to further improve liquidity, the termination of lock-ups for all shareholders;
- the extinction of TmarPart through a merger into Oi and the termination of the shareholders agreements, ensuring the dispersion of shareholder control of Oi; and
- the implementation of the New Structure as soon as possible, and no later than October 31, 2015.

Certain of these features are described in more detail below.

Preliminary Steps

As preliminary steps for the Voluntary Exchange Program, the following events are required to be approved and implemented simultaneously:

Edgar Filing: OI S.A. - Form SC 13D/A

- OI's Simplification of Corporate Ownership (as defined below), which contemplates the merger of the entities that directly or indirectly own shares of OI;
- the approval of new bylaws of OI; and
- the election and appointment of a new Board of Directors of OI, which will have a term expiring at the General Shareholders Meeting of OI at which its financial statements for the year ending on December 31, 2017 are approved. The new Board of Directors of OI is expected to maintain significant participation of independent

Schedule 13D

members and to preserve the previous parity at TmarPart between the representatives of Portugal Telecom and of the Brazilian shareholders.

Oi's Simplification of Corporate Ownership

The following corporate restructuring transactions are required to be completed before the start of the period for the Voluntary Exchange Program, in order to simplify the share capital structure of Oi (Oi's Simplification of Corporate Ownership):

- the merger of AG Telecom into Pasa;
- the merger of LF Tel into EDSP75;
- the merger of Pasa and EDSP75 into Bratel Brasil;
- the merger of Valverde Participações S.A. (Valverde) into TmarPart;
- the merger of Venus RJ Participações S.A. (Venus), Sayed RJ Participações S.A. (Sayed) and PTB2 S.A. (PTB2) into Bratel Brasil;
- the merger of Bratel Brasil into TmarPart; and
- the merger of TmarPart into Oi.

Oi's Simplification of Corporate Ownership is intended to be effected in a manner that preserves the overall percentage interests of existing shareholders of Oi.

In connection with Oi's Simplification of Corporate Ownership, the shareholders' agreements of TmarPart will be terminated.

New Bylaws of Oi

New bylaws of Oi will be submitted for the approval of the Board of Directors of Oi and the Oi's General Meeting of Shareholders. The new bylaws are designed to implement improved corporate governance mechanisms and reduce the concentration of voting rights. Oi's new bylaws will include, among other things, the following principal provisions:

- a tag-along right for common shares;

- preferred shares that will not have the right to vote but will continue to have the rights held by the current preferred shareholders;

- convertibility of the preferred shares, during the time periods and in accordance with the conditions approved by the Board of Directors;

- maximum voting rights of any single shareholder not to exceed 15%;

Schedule 13D

- at least 20% of the members of the Board of Directors must be independent (as defined by the *Novo Mercado* rules);
- a collective term of two years for the members of the Board of Directors, with exception of the first Board of Directors, which shall have a term of three years;
- prohibition against the same person holding the positions of Chairman of the Board of Directors and Chief Executive Officer;
- obligation of the Board of Directors of Oi to respond to any tender offer for the acquisition of shares of Oi;
- completion of an offer to purchase common shares at a price at least equal to the economic value of the shares in the case of termination of the registration or exit from Level 1 Corporate Governance of the BM&FBOVESPA, unless Oi enters the Level 2 Corporate Governance or the *Novo Mercado* segment of the BM&FBOVESPA; and
- mandatory resolution of disputes or controversies through arbitration with the Market Arbitration Chamber (*Câmara de Arbitragem do Mercado*).

The limitation on voting rights will cease to be effective upon occurrence of any of the following events:

- capital increase or corporate reorganization that results in a dilution of the current shareholder base of more than 50%;
- an offer to purchase all outstanding common shares of Oi in which the offeror acquires at least 20% of the outstanding common shares or such offeror comes to hold, either individually or together with a group of shareholders representing the same or related interest by voting agreement, an interest in excess of 50% of Oi's voting capital; or
- none of the shareholders of Oi (or group of shareholders representing the same or related interest by voting agreement) holds, individually or in the aggregate, an interest in excess of 15% of Oi's voting capital.

Edgar Filing: Oi S.A. - Form SC 13D/A

All of the proposed changes described above will have to be approved by Oi's shareholders at a General Shareholders' Meeting and ANATEL, the Brazilian telecommunications regulator. The parties anticipate that Oi's General Shareholders' Meeting called to deliberate with respect to the Preliminary Steps and the Voluntary Exchange Program will be called within 130 days from the announcement of the New Structure, subject to ANATEL's prior consent to the implementation of the transactions described above.

The parties set October 31, 2015 as the deadline for the implementation of the Preliminary Steps and the New Structure.

Schedule 13D

Item 5. Interest in Securities of the Issuer

Items 5(a), (b) and (c)

On November 18, 2014, Oi approved a reverse split of all Common Shares and Preferred Shares issued by Oi based on a ratio of 10:1, such that each group of ten shares of each class was grouped in one single share of the same type, either common or preferred.
