Item 1.01. Entry into a Material Definitive Agreement.

On June 22, 2015, Wintrust Financial Corporation (the *Company*) entered into an Underwriting Agreement (the *Underwriting Agreement*) with Incapital LLC and U.S. Bancorp Investments, Inc. (together with Incapital LLC, the *Underwriters*), providing for the offer and sale in a firm commitment underwritten public offering (the *Offering*) of 5,000,000 shares of the *Company*'s Fixed-to-Floating Rate Non-Cumulative Perpetual Preferred Stock, Series D, no par value per share (the *Series D Preferred Stock*), with a liquidation preference of \$25 per share. The *Underwriters* do not have an option to purchase any additional shares of Series D Preferred Stock pursuant to the *Underwriting Agreement*. The *Company* made certain customary representations, warranties and covenants in the *Underwriting Agreement* concerning the *Company* and the Registration Statement (as defined below) related to the *Offering*. The *Company* also agreed to indemnify the *Underwriters* against certain liabilities, including liabilities under the Securities Act of 1933, as amended. The *Company* completed the *Offering* on June 25, 2015.

The *Offering* was made pursuant to the *Company*'s effective registration statement on Form S-3 (File No. 333-196600) (the *Registration Statement*) previously filed with the Securities and Exchange Commission (the *SEC*), including the prospectus contained therein dated June 9, 2014, and the preliminary prospectus supplement, free writing prospectus and final prospectus supplement, each dated June 22, 2015 and filed by the *Company* with the *SEC*.

The *Company* estimates that the net proceeds from this offering, after deducting the underwriting discounts and commissions and estimated offering expenses payable by the *Company*, will be approximately \$120.8 million.

The foregoing description of the *Underwriting Agreement* is qualified in its entirety by reference to the *Underwriting Agreement*, a copy of which is attached hereto as Exhibit 1.1 and is incorporated herein by reference. In connection with the issuance of the Series D Preferred Stock in the *Offering*, Sidley Austin LLP provided the *Company* with the legal opinion attached hereto as Exhibit 5.1.

Item 3.03. Material Modification to the Rights of Security Holders.

In connection with the *Offering*, the *Company* established a new series of preferred stock, designated as Fixed-to-Floating Rate Non-Cumulative Perpetual Preferred Stock, Series D. On June 24, 2015, the *Company* filed the Certificate of Designations relating to the Series D Preferred Stock with the Secretary of State of the State of Illinois (the *Certificate of Designations*), which became effective upon filing. The *Certificate of Designations* establishes the rights, preferences, privileges, qualifications, restrictions and limitations of the Series D Preferred Stock.

The Series D Preferred Stock ranks senior to the *Company*'s common stock and each other class or series of capital stock it may issue in the future the terms of which do not expressly provide that it ranks on a parity with or senior to the Series D Preferred Stock as to dividend rights and rights on liquidation, dissolution or winding-up of the *Company*. The Preferred Stock will rank on a parity with the *Company*'s 5.00% Non-Cumulative Perpetual Convertible Preferred Stock, Series C, no par value, and each other class or series of capital stock the *Company* may issue in the future the terms of which expressly provide that such class or series will rank on a parity with the Series D Preferred Stock as to dividend rights and rights on liquidation, dissolution or winding-up of the *Company*.

Under the terms of the Series D Preferred Stock, the ability of the *Company* to pay dividends on, make distributions with respect to, or to redeem, purchase or acquire the *Company*'s common stock or any other stock ranking junior to or on a parity with the Series D Preferred Stock,

Edgar Filing: WINTRUST FINANCIAL CORP - Form 8-K

is subject to restrictions in the event that the Company has not declared and either paid or set aside a sum sufficient for payment of full dividends on the Series D Preferred Stock for the most recently completed dividend period.

The foregoing description of the Certificate of Designations is qualified in its entirety by reference to the Certificate of Designations, a copy of which is attached hereto as Exhibit 3.1 and is incorporated herein by reference. A form of the global certificate of the Series D Preferred Stock is attached hereto as Exhibit 4.1 and is incorporated herein by reference.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On June 24, 2015, the Company filed the Certificate of Designations with the Secretary of State of the State of Illinois amending the amended and restated articles of incorporation. The Certificate of Designations creates the Series D Preferred Stock out of the authorized and unissued shares of preferred stock of the Company, establishes the terms of the Series D Preferred Stock, fixes the authorized number of shares to 5,000,000 and provides for certain other rights, preferences, privileges, qualifications, restrictions and limitations. The Certificate of Designations became effective with the Secretary of State of the State of Illinois upon filing.

Dividends on the Series D Preferred Stock are payable quarterly in arrears when, as and if declared by the Company's Board of Directors or a duly authorized committee thereof (collectively, the Board) at a rate of 6.50% per annum on the liquidation preference of \$25 per share from the date of the issuance to but excluding July 15, 2025. From and including July 15, 2025, dividends on the Series D Preferred Stock will be payable quarterly in arrears, when, as and if declared the Board, at a floating rate equal to the then applicable three-month LIBOR (as defined in the Certificate of Designations) plus a spread of 4.06% per annum. The dividend rate of such floating rate dividends will be reset quarterly.

Dividends on the Series D Preferred Stock will be non-cumulative. If for any reason the Board does not declare a dividend on the Series D Preferred Stock for a quarterly dividend period, the Company will have no obligation to pay any dividends for that period, whether or not the Board declares a dividend on the Series D Preferred Stock for any future dividend period. Under the terms of the Series D Preferred Stock, the ability of the Company to pay or declare and set aside for payment dividends, or to redeem, purchase or acquire the Company's common stock or any other stock ranking junior to or on parity with the Series D Preferred Stock, is subject to restrictions in the event that the Company has not declared a dividend on the Series D Preferred Stock for the most recently completed dividend period.

The Series D Preferred Stock has no stated maturity date, is not subject to any mandatory redemption, sinking fund or other similar provisions and will remain outstanding unless redeemed at the Company's option. The Company may redeem the Series D Preferred Stock, (i) in whole or in part, from time to time, on any dividend payment date on or after July 15, 2025, or (ii) in whole but not in part, at any time within 90 days following a regulatory capital treatment event (as defined in the Certificate of Designations), in each case at a redemption price equal to \$25.00 per share, plus any declared and unpaid dividends, without accumulation of any undeclared dividends to, but excluding, the redemption date.

The holders of the Series D Preferred Stock generally do not have any voting rights, except as required by Illinois law or as may be required by the rules of the NASDAQ Global Select Market. However, the Company may not amend its articles of incorporation so as to materially and adversely affect the rights of the Series D Preferred Stock, issue capital stock ranking senior to the Series D Preferred Stock or take certain other actions without the approval of holders of at least two-thirds (2/3) of all outstanding shares of the Series D Preferred Stock and any voting preferred stock then outstanding and entitled to vote thereon, voting together as a single class in proportion to their respective liquidation preferences. In addition, holders of the Series D Preferred Stock, voting together as a single class in proportion to their respective liquidation preferences with holders of any and all other series of voting preferred stock (as defined in the Certificate of Designations) then outstanding will be entitled to elect two additional members to the Board if the Company has not paid dividends on the Series D Preferred Stock for six or more quarterly dividend periods, whether or not consecutive.

The foregoing description of the Series D Preferred Stock and the Certificate of Designations is

qualified in its entirety by reference to the copy of the Certificate of Designations, which is attached hereto as Exhibit 3.1 and is incorporated herein by reference.
