INFORMATION STATEMENT

Pursuant to Section 14(c) of the Securities Exchange Act of 1934

THIS INFORMATION STATEMENT IS BEING SENT TO YOU FOR INFORMATIONAL PURPOSES ONLY AND NO VOTE OR OTHER ACTION OF THE COMPANY'S STOCKHOLDERS IS REQUIRED IN CONNECTION WITH THIS INFORMATION STATEMENT.

We Are Not Asking You for a Proxy and You are Requested Not to Send Us a Proxy.

INTRODUCTION

On March 24, 2015, Lime Energy Co., a Delaware corporation, which we refer to as the Company, Lime, we, us or our, and Bison Capital Partners IV, L.P., a Delaware limited partnership (Bison), entered into a Note Purchase Agreement (the Note Purchase Agreement), pursuant to which the Company issued a subordinated convertible note due March 24, 2020 (the Note) in the principal amount of \$11.75 million (the Note Issuance). The proceeds from the Note Issuance were used to finance the Company's acquisition of EnerPath International Holding Company, a Delaware corporation (EnerPath), which we refer to as the EnerPath Acquisition.

On the earlier of March 24, 2018 or a change of control of the Company, up to the original principal amount of the Note may, at the election of the Note holder, be converted into shares of our common stock, par value \$0.0001 per share (the Common Stock). However, the Note provides that no portion of the amount due under the Note may be converted into more than 19.99% of the outstanding Common Stock (the Conversion Cap) without the approval of our stockholders, as required by the rules of the NASDAQ Stock Market LLC (Nasdaq) on which our Common Stock is traded.

Pursuant to the requirements of Section 14(c) of the Securities Exchange Act of 1934 and Section 228(d) of the Delaware General Corporation Law (the DGCL), this Information Statement is being furnished to the stockholders of record as of March 24, 2015, in connection with the approval of the potential issuance of our Common Stock in excess of the Conversion Cap, which approval will not become effective until 20 calendar days after the date this Information Statement is first mailed to our stockholders (the Cap Removal Effective Date).

Except as to the removal of the Conversion Cap discussed above, no separate vote of our stockholders was required with respect to the Note Issuance or the EnerPath Acquisition, which was effected by way of a merger of EnerPath with a wholly-owned subsidiary of the Company as

Edgar Filing: LIME ENERGY CO. - Form PRER14C

further discussed in this Information Statement. On March 24, 2015, three of our stockholders (the Majority Stockholders) owning, together, 6,055,452 shares of Common Stock and 10,000 shares of our Series C Convertible Preferred Stock (the Series C Preferred Stock), or approximately 75% of our then outstanding voting securities, executed a written consent (the Written Consent) approving and adopting the potential issuance of our Common Stock in excess of the Conversion Cap, but only after the Cap Removal Effective Date. There are no rights of appraisal or similar rights of dissenters with respect to the Note Issuance or the EnerPath Acquisition.

This Information Statement is first being sent to stockholders on or about August , 2015. We will request brokerage houses, nominees, custodians, fiduciaries and other like parties to forward this Information Statement to the beneficial owners of the Common Stock held of record by them on March 24, 2015.

Edgar Filing: LIME ENERGY CO. - Form PRER14C

EIHC MergerSub, Inc. was formed as a wholly-owned subsidiary of Lime under the laws of the State of Delaware solely for the purpose of entering into the Merger Agreement and completing the Merger.

The Merger (page 5)

On March 24, 2015 (the Closing Date), the Company entered into the Merger Agreement with EnerPath, Merger Sub and the other parties thereto. Upon the terms and subject to the conditions of the Merger Agreement, at the effective time of the Merger:

- Merger Sub merged with and into EnerPath, with EnerPath continuing as the surviving entity.
- EnerPath became a wholly-owned subsidiary of the Company.

The Merger Consideration (page 5)

- The Company paid \$11 million in cash (the Purchase Price) for all of the outstanding stock of EnerPath.
- The Merger Agreement provided for an adjustment to the Purchase Price if EnerPath's tangible net worth (TNW) as of the closing was less than \$4,400,000 or more than \$4,900,000 (the TNW Range).

Table of Contents

- The parties to the Merger Agreement established escrow accounts equal to (i) \$250,000 to cover various claims relating to any post-closing adjustments in the event the final TNW was outside of the TNW Range, (ii) 10% of the Purchase Price to cover any post-closing indemnity obligations and (iii) \$75,000 to pay post-closing expenses of the stockholders' representative.
- Post-closing, the parties determined that the closing TNW (the Closing TNW) fell within the TNW Range, and the \$250,000 escrow was released to the stockholders' representative on June 25, 2015.

Approval of the Merger (page 7)

- The Board of Directors of the Company (the Board of Directors) unanimously approved the Merger on March 23, 2015. Under the DGCL, no stockholder approval was required for the Merger.
- EnerPath's board of directors and stockholders unanimously approved the Merger on March 23, 2015.

Reasons for the Merger (page 7)

The Board of Directors considered the following factors in determining that the Merger was in the best interests of the Company and its stockholders:

- the acquisition of EnerPath, a leading provider of software and technology solutions for utilities, would provide the Company with a West Coast presence;
- the EnerPath Acquisition would bring together the software and technology platform of EnerPath and the sales and project implementation strengths of the Company; and
- the EnerPath Acquisition would bring utilities a new platform for engaging commercial customers while delivering substantial, cost-effective energy efficiency solutions.

Certain U.S. Federal Income Tax Consequences of the Merger (page 8)

Edgar Filing: LIME ENERGY CO. - Form PRER14C

The payment of the Merger consideration in exchange for the stock of EnerPath was a fully taxable transaction, in which each former holder of EnerPath stock recognized taxable income equal to the difference between the tax basis of his or her surrendered stock and the Merger consideration received. For general informational purposes only, and not as a substitute for individual tax advice, certain general federal income tax consequences of the Merger to the former stockholders of EnerPath are described in Certain U.S. Federal Income Tax Consequences of the Merger below. Each former stockholder of EnerPath should consult his or her own tax advisor with respect to the tax consequences of the Merger applicable to his or her own particular circumstances.

Funding of the Merger (page 8)

The Merger was an all-cash transaction. On March 24, 2015, the Company entered into a Note Purchase Agreement with Bison and received \$11,750,000 in cash proceeds to finance the Merger consideration and to pay fees and expenses incurred in connection therewith (including certain fees and expenses incurred by Bison in connection with the Note Purchase Agreement).

THE MERGER

This discussion of the Merger is qualified in its entirety by reference to the Merger Agreement, which is attached to this Information Statement as Annex A. You should read the entire Merger Agreement carefully.

The Parties to the Merger

Lime Energy Co.

Lime is a provider of energy efficiency programs that enable utility clients to reach underserved markets and achieve energy reduction goals. We focus on deploying energy solutions for small- and mid-sized commercial businesses that improve energy efficiency, reduce energy-related expenditures, and lessen the impact of energy use on the environment. Our small business energy solutions (SBES) programs provide a cost-effective avenue for our utility clients to offer products and services to a hard-to-reach customer base, while satisfying aggressive state-mandated energy reduction goals.

For additional information regarding the Company and its business, please see our filings with the Securities Exchange Commission (the SEC) that are incorporated by reference into this Information Statement. See Where You Can Find More Information on page 46.

EnerPath International Holding Company

EnerPath, which has been in the energy efficiency business for over 20 years, delivers large-scale energy efficiency programs to utilities, cities and corporations in the United States and Canada.

EnerPath provides utilities with comprehensive energy efficiency programs that enable the utilities to reduce the energy consumption of their customers and achieve overall energy reduction goals. EnerPath delivers these energy efficiency programs on a performance basis where it is only paid for realized energy efficiency savings. Working on behalf of the utilities, EnerPath designs and implements DSM Programs for the utilities' customers (mainly small- and mid-sized businesses and residential customers) in order to deliver energy solutions that achieve improvements in energy efficiency and customer satisfaction. In designing a DSM Program, EnerPath works with the utility to understand its needs and constraints and configure the program to best achieve the utility's goals. Implementing a DSM Program involves contacting, on behalf of the utility, potential customers using customer lists and other marketing tools; performing energy audits; structuring and selling projects pursuant to program parameters; procuring equipment; installing energy efficiency measures through subcontractors; arranging financing as needed; and conducting completed project quality inspections and customer surveys.

Edgar Filing: LIME ENERGY CO. - Form PRER14C

EnerPath executes its programs through its proprietary EnerWorks software, which is a scalable, real-time delivery platform that greatly simplifies and streamlines the procedures involved in implementing a high-volume DSM Program. The multi-platform, multi-language system provides tools for field representatives, program managers, and utility customers that maximize the effectiveness of DSM Programs through improved customer participation and program management. The software enables real-time energy audits and engineering calculations, instant document production, and real-time web-based reporting and program management; all while creating a full audit trail for environmental and regulatory purposes. The EnerWorks platform also provides EnerPath and the utilities with rich data resources to apply to the design of future projects and programs.

EnerPath currently delivers energy efficiency solutions to four of the 25 largest electric utilities in the United States. These solutions, which include energy-efficient lighting upgrades, mechanical (HVAC) upgrades, water conservation measures, building controls, refrigeration, pool pumps, building shell improvements, and appliance recycling, are designed to reduce energy costs and lessen the impact of energy consumption on the environment.

Merger Sub

EIHC MergerSub, Inc. was formed as a wholly-owned subsidiary of Lime under the laws of the State of Delaware solely for the purpose of entering into the Merger Agreement and completing the Merger.

Table of Contents

The Merger

On March 24, 2015, the Company entered into the Merger Agreement, pursuant to which Merger Sub merged with and into EnerPath, with EnerPath continuing as the surviving entity and becoming a wholly-owned subsidiary of the Company.

The Merger Consideration

General

The total consideration paid by the Company to EnerPath's stockholders in connection with the Merger consisted of \$11 million in cash, of which, pursuant to an Escrow Agreement executed by the parties at the closing of the EnerPath Acquisition (the Closing), (i) \$629,387.38 (10% of the Purchase Price) was placed in escrow to cover various claims related to any post-closing indemnity obligations, (ii) \$250,000 was placed in escrow to cover any post-closing adjustments to the Purchase Price (the Purchase Price Escrow Amount), as described below, and (iii) \$75,000 was placed in escrow to pay post-closing expenses of the stockholders' representative (the Stockholder Representative Expense Amount). As discussed below, the Purchase Price was subject to adjustment based upon the TNW target, and was allocated among EnerPath's stockholders, certain holders of EnerPath's outstanding indebtedness, and certain other obligations.

Working Capital Adjustment

The Purchase Price was subject to an adjustment at the Closing if EnerPath's estimated TNW as of the Closing fell outside the TNW Range. The preliminary calculation of the estimated TNW at Closing was determined to be within the TNW Range. The calculation of the final TNW was to occur within 90 days following the Closing. On June 25, 2015, the parties agreed to a final calculation of the TNW and concurred that the Closing TNW was within the TNW Range; accordingly, the Purchase Price Escrow Amount was released to the stockholders' representative.

In addition, on June 25, 2015, the Stockholder Representative Expense Amount was released to the stockholders' representative.

Background to the Merger

In the Fall of 2013, EnerPath engaged the services of an investment banking firm, FMI Capital Advisors (FMI), for purposes of soliciting potential buyers who might be interested in acquiring EnerPath. Prior to that time, neither the Company, EnerPath, nor any of their respective affiliates or subsidiaries had engaged in any prior communications or transactions. In February 2014, the Company reached out to EnerPath outside the FMI process and expressed interest in acquiring EnerPath because it believed the EnerPath Acquisition would enhance the Company's energy efficiency programs business. In particular, the Company anticipated that EnerPath's enterprise software would facilitate cost-effective delivery of energy services to a broader range of commercial and residential utility customers than those serviced by the Company.

at that time. EnerPath also had a geographic presence complementary to that of Lime.

On July 2, 2014, the Company and EnerPath entered into a Confidentiality Agreement, and FMI delivered to the Company a Confidential Information Memorandum describing EnerPath's organizational structure, business, operations, and financial information. Immediately following the execution of the Confidentiality Agreement, and continuing for several months thereafter, the Company conducted its operational and financial due diligence on EnerPath, which included conversations with EnerPath principals Stephen Guthrie, Janina Guthrie, and Steven Meyers.

Concurrently with the ongoing due diligence investigation of EnerPath, in the Fall of 2014, the Company initiated discussions with Bison about Bison making a possible capital investment in the Company. Bison is an investment firm that makes growth capital investments in middle-market companies for expansion, acquisitions and balance sheet recapitalizations.

Table of Contents

On November 14, 2014, the Company submitted an indication of interest (the "IOI") to EnerPath offering to acquire EnerPath for a total purchase price of \$16 million, consisting of (i) a cash payment of \$8 million (net of EnerPath's outstanding indebtedness and transaction fees, which were estimated to be \$3 million), and (ii) the issuance of 2,666,667 shares of the Company's Common Stock (valued at \$3.00 per share). The IOI anticipated the retention of Stephen Guthrie, Steven Meyers and certain other members of EnerPath's management, and the entering into of mutually satisfactory employment agreements with Messrs. Guthrie and Meyers. The IOI also required EnerPath to agree to a six-month exclusivity period during which EnerPath would not engage in any discussions or negotiations with any other party regarding a possible acquisition of EnerPath.

In response to the IOI, EnerPath asked for, and the Company provided, clarification on a number of points related to the IOI, including (i) the Company's capital structure; (ii) the Company's sources of acquisition financing and working capital; (iii) any transfer restrictions that would be imposed upon, and any registration rights that would be made available to, former EnerPath stockholders following the EnerPath Acquisition; (iv) any contractual rights Bison would have in connection with any possible investment by Bison in the Company; and (v) any necessary approvals that would have to be obtained by the Company in order to consummate a transaction.

On November 23, 2014, EnerPath, through FMI, proposed the following terms (the "EnerPath Response"): (i) a cash payment of \$9 million (net of EnerPath's outstanding indebtedness and transaction fees); (ii) the issuance of 2,900,000 shares of the Company's Common Stock (valued at \$3.00 per share); (iii) an adjustment, upward or downward, in the cash payable at Closing, based upon the TNW of EnerPath at Closing equaling \$5 million; (iv) no escrow or holdback to cover indemnity claims; and (v) an exclusivity period of 60 days.

On November 26, 2014, the Company sent a counterproposal to EnerPath, as follows: (i) a cash payment of \$8.75 million (versus \$9 million); (ii) the issuance of 2,666,667 shares (versus 2,900,000 shares) of the Company's Common Stock; and (iii) an escrow in an amount equal to 10% of the Purchase Price as a reserve to cover indemnity claims for a period of one year following the Closing.

Thereafter, between December 1 and December 3, 2014, the Company and FMI continued to negotiate certain provisions of the IOI, including (i) a potential cap on indemnity claims, and (ii) the TNW target.

As the Company continued its due diligence review of EnerPath, it also finalized negotiations with Bison regarding an equity infusion by Bison into the Company. On December 23, 2014, the Company issued to Bison 10,000 shares of Series C Preferred Stock for \$10 million (the "Series C Preferred Stock Purchase"), which amount was to be used to fund the Company's working capital needs. Following the Series C Preferred Stock Purchase, the Company pursued various alternatives to finance the cash portion of the proposed purchase price for EnerPath, including a potential issuance of convertible debt to Bison.

On January 28, 2015, the Company received a draft term sheet from Bison containing a proposal for Bison to purchase \$12.25 million in notes convertible into shares of the Company's Common Stock. Following a series of discussions on the terms of the financing transaction, the Company and Bison signed a letter of intent on February 24, 2015, and the parties proceeded toward negotiation of definitive documentation relating to the Note Issuance. For additional information, see the discussion of "The Issuance of Securities" beginning on page 13. In the meantime, the Company sent EnerPath a revised offer as follows: the Company would acquire EnerPath for a total purchase price of \$12 million, which would include (i) a cash payment of \$9 million (net of EnerPath's outstanding indebtedness and transaction fees, which were estimated to be \$3 million); (ii) a potential earn-out of up to \$3 million payable in 50% increments on January 1, 2016 and 2017 based upon the achievement of certain revenue targets; and (iii) a TNW target of \$5.65 million with no adjustment to the Purchase Price, either up or down, so long as any variance in the final TNW target was \$250,000 or less. Following further negotiations, EnerPath agreed to accept a total purchase price of \$11 million in cash. Thereafter, the Company and EnerPath, through their respective counsel, continued to negotiate and exchange drafts of the

Edgar Filing: LIME ENERGY CO. - Form PRER14C

Merger Agreement and employment agreements for each of Mr. Guthrie and Mr. Meyers.

Prior to the Closing of the Merger, Stephen Guthrie and Janina Guthrie, majority stockholders and principal executive officers of EnerPath, executed and delivered to the Company a voting agreement in which they agreed to vote all of their shares of EnerPath common stock in favor of the Merger Agreement.

Approval by the Board of Directors of the Company; Reasons for the Merger

On March 23, 2015, the Board of Directors approved (i) unanimously, the terms and execution of the Merger Agreement and the transactions and documents contemplated by the Merger Agreement, and (ii) by a majority, the terms and conditions of the Note Purchase Agreement and the Note Issuance (Andreas Hildebrand and Peter Macdonald, two directors affiliated with Bison, recused themselves from the Board of Directors consideration of the Note Issuance).

In approving the Merger, the Board of Directors considered a variety of factors weighing in favor of or relevant to the Merger including, without limitation, those described below:

- the acquisition of EnerPath, a leading provider of software and technology solutions for utilities, would provide the Company with a West Coast presence;
- EnerPath's enterprise software, EnerWorks, would enable the Company to expand cost-effective delivery of energy services to a broader range of commercial and residential utility customers;
- the EnerPath Acquisition would bring together the software and technology platform of EnerPath and the sales and project implementation strengths of the Company, which would significantly enhance the Company's energy efficiency programs; and
- the EnerPath Acquisition would bring utilities a new platform for engaging commercial customers while delivering substantial, cost-effective energy efficiency solutions.

EnerPath's Reasons for the Merger

EnerPath's board of directors and management considered a variety of possible alternatives to the Merger, including other acquisition or combination possibilities for EnerPath and the continuation of EnerPath as an independent entity. EnerPath's board of directors and management considered the range of possible benefits to EnerPath's stockholders, and the perceived risks, of each such alternative as well as the anticipated cost, timing and likelihood of success of each such alternative. Based on the foregoing considerations and other matters deemed relevant by EnerPath's board of directors and management, EnerPath's board of directors determined that entering into the Merger Agreement and consummating the Merger were in the best interests of EnerPath and its stockholders for a variety of business reasons including, but not limited to, the following:

- The EnerPath Acquisition would enable the EnerPath team to join forces with Lime to create an energy services company platform that is well positioned to respond to the needs of utility commercial customers and channel partners.
- Lime's interest in diversification with products, services and business lines aligned well with EnerPath.
- EnerPath felt a larger organization could invest in better infrastructure such as software, data analysis, and shared services to create a more sophisticated service offering to utility clients.
- Lime's existing utility clients complemented EnerPath's very well and provided strong geographic continuity across which to leverage supply chain and sales resources.
- EnerPath felt Lime's culture fit well with EnerPath's.

Approval by the Stockholders

Under Section 228 of the DGCL, unless prohibited in a corporation's certificate of incorporation, any action required or permitted by the DGCL to be taken at an annual or special meeting of stockholders of a Delaware corporation may be taken without a meeting, without prior notice, and without a vote if a consent in writing, setting forth the action so taken, is signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted. The Company's By-Laws allow for, and the Certificate of Incorporation does not prohibit, action by stockholders by written consent, without a meeting and without prior notice.

Table of Contents

Under the DGCL, approval of the Merger did not require a vote by Company stockholders, because the Merger was between a wholly-owned subsidiary of the Company and EnerPath. However, the Note Purchase Agreement required stockholder approval in order to remove the Conversion Cap in accordance with certain Nasdaq rules. For additional information, see the discussion under The Issuance of Securities beginning on page 13.

The stockholders of EnerPath unanimously approved the EnerPath Acquisition by written consent on March 23, 2015.

Regulatory Approvals

No regulatory approvals were required to consummate the Merger.

Funding of the Merger

On March 24, 2015, the Company and Bison entered into the Note Purchase Agreement. Pursuant to the Note Purchase Agreement, the Company issued a Note due March 24, 2020 in the principal amount of \$11,750,000. The proceeds from the Note Issuance were used to finance the EnerPath Acquisition and to pay fees and expenses incurred in connection therewith (including certain fees and expenses incurred by Bison in connection with the Note Purchase Agreement). For more information on the Note Issuance see The Issuance of Securities.

Accounting Treatment of the Merger

The EnerPath Acquisition will be accounted for as a purchase. Therefore, beginning on the Closing Date, the results of operations of EnerPath will be included in our consolidated results of operations. For purposes of preparing consolidated financial statements, the Purchase Price, including the costs associated with the EnerPath Acquisition at the date of completion, will be allocated to the assets and liabilities of EnerPath based on their fair market values, with the excess allocated to goodwill, which is required to be tested for impairment at least annually.

Certain U.S. Federal Income Tax Consequences of the Merger

The following is a summary of certain material U.S. federal income tax consequences of the Merger to the former stockholders of EnerPath. This summary is based on the Internal Revenue Code of 1986, as amended (the Code), final, proposed, and temporary regulations issued thereunder, administrative rulings and pronouncements issued by the Internal Revenue Service (IRS) and court decisions, all as now in effect. All of these authorities are subject to change, possibly with retroactive effect so as to result in tax consequences different from those described below. We have not sought (and do not intend to seek) any ruling from the IRS with respect to statements made and conclusions reached in this discussion, and the statements and conclusions in this Information Statement are not binding on the IRS or any court. consequences described below will not be challenged by the IRS or will be sustained by a court if so challenged. The discussion applies only to the former stockholders of EnerPath who held their stock as capital assets, and does not address the tax consequences that may be relevant to particular former holders subject to special treatment under certain federal income tax laws, such as persons subject to the alternative minimum tax, non-U.S. persons or U.S. expatriates. In addition, this summary does not discuss the state, local, foreign or non-income tax consequences of the Merger to the former stockholders of EnerPath. Former stockholders of EnerPath should consult their own tax advisors regarding the tax consequences of the Merger to them.

The payment of the Merger consideration in exchange for the stock of EnerPath was a fully taxable transaction, in which each former holder of EnerPath stock recognized taxable income equal to the difference between the tax basis of his or her surrendered stock and the Merger consideration received. In general, such income is long-term capital gain if such holder's holding period for his or her EnerPath stock is greater than one year as of the date of the closing. Under current law, holders are taxed on long-term capital gains at a maximum 20% U.S. federal rate. Short-term capital gains are taxed at ordinary income rates. Under current law, the highest marginal ordinary income tax rate for individuals is 39.6%. In addition, a 3.8% Medicare contribution tax will generally apply to all or a portion of the net investment income of a holder that is an individual, that is not a nonresident alien for

federal income tax purposes, and that has adjusted gross income (subject to certain adjustments) that exceeds a threshold amount (\$250,000 if married filing jointly or if considered a surviving spouse for federal income tax purposes, \$125,000 if married filing separately, and \$200,000 in other cases).

At the Closing, the Company placed a certain portion of the Merger consideration into an escrow account to fund post-closing indemnification obligations, cover certain post-closing adjustments and to pay post-closing expenses of the stockholders' representative. Because some of the amounts held in escrow will, if distributed, be distributed to the former stockholders of EnerPath after the taxable year in which the Closing occurs, a former holder of EnerPath stock may apply the installment method of reporting to the gain recognized with respect to the former holder's disposition of his or her stock. Under the installment method, former holders should report gain in 2015 based upon such former holder's portion of the Merger consideration received at the Closing, any additional amounts received with respect to post-closing adjustments, and such former holder's share of the stockholders' representative expenses that are used to pay Closing costs in 2015. In determining the basis of the former holder's EnerPath stock that is taken into account in determining gain in 2015 and later, the holder's adjusted basis (including selling expenses) is allocated pro rata between payments received in 2015 and payments from the escrow account that will potentially be received in later taxable years. The remaining amount of gain would be included in gross income in the years in which payments on distributions from the escrow account, if any, are received.

It is possible that a former stockholder of EnerPath may be liable for interest on the amount of tax that is deferred under the installment method until after 2015. No interest, however, will be due if the total amount of installment obligations of such former holder (and related persons) is \$5 million or less (taking into account the former holder's share of the escrow account and other unrelated installment obligations) at the end of the applicable year.

Former holders may choose to elect out of the installment method treatment and to recognize the entire gain immediately. Such an election is made by reporting the gain in full on a timely-filed (including extensions) 2015 return. If an election not to apply the installment method is made, the former holder must include in the amount realized for the sale such former holder's portion of the escrow.

Because the payments to the holders, if any, from disbursements from the escrow do not provide for stated interest, each such payment in distribution from the escrow will be treated as a partial payment of interest and a partial payment of principal for tax purposes. This treatment will apply regardless of whether the former holder elects to not use the installment method. The amount of interest is determined on the federal short-term rate for the month that includes the closing (or the federal short-term rates for either of the previous two months if lower).

In your review of the representations and warranties contained in the Merger Agreement and described in this summary, you should bear in mind that the representations and warranties were made solely for the benefit of the parties to the Merger Agreement and were negotiated for the purpose of allocating contractual risk among the parties to the Merger Agreement, rather than to establish matters as facts. The representations and warranties and any descriptions thereof should not be read alone or relied upon as characterizations of the actual state of facts or the condition of the Company, EnerPath, or any of their respective subsidiaries or affiliates. Instead, such provisions or descriptions should be read in conjunction with the other information provided elsewhere in this document or incorporated by reference into this Information Statement.

The covenants and agreements of the parties to the Merger Agreement will survive the Closing.

Table of Contents

Subject to certain exceptions, no indemnity payment from the escrow fund will occur with respect to breaches of representations or warranties until such time as the aggregate losses subject to indemnification equal or exceed \$175,000, at which point the right to indemnification will include the entire amount of losses up to the Purchase Price. These limitations do not apply to breaches of representations and warranties regarding corporate organization, qualification to conduct business, authorization, capitalization, environmental matters, employee benefits matters, obligation to pay any brokers' fees, and ownership of EnerPath's common stock.

The EnerPath stockholders agreed to indemnify the Company and Merger Sub for losses resulting from (i) any inaccuracy in or breach of representations or warranties of EnerPath or the EnerPath stockholders contained in the Merger Agreement, (ii) any breach or non-fulfillment of certain covenants, agreements or obligations to be performed by EnerPath or the EnerPath stockholders, (iii) any claims by any EnerPath stockholder with respect to such stockholder's rights with respect to the Purchase Price, (iv) any claim made by certain indemnified persons under an agreement between a utility client and EnerPath Services, Inc., a wholly-owned subsidiary of EnerPath, relating to the Merger or the transactions contemplated by the Merger Agreement, and (v) any tax claims relating to the classification of EnerPath's independent contractors or consultants.

The stockholders of EnerPath also provided a general release of all claims against EnerPath, its subsidiaries, the Company, and each of their respective officers, directors, managers, employees and affiliates.

Director and Officer Indemnification and Insurance

Pursuant to the terms of the Merger Agreement, EnerPath has retained all rights to indemnification, advancement of expenses and exculpation in favor of each person that served as a director or officer of EnerPath or any of its subsidiaries at any time prior to the effective time of the Merger (each a D&O Indemnified Party). EnerPath agreed to maintain such rights as provided in the organizational or charter documents of EnerPath or its subsidiaries, in each case as in effect on the Closing Date, or pursuant to any other agreement in effect on the Closing Date and previously disclosed to the Company.

For six years after the Closing Date, the Company and EnerPath will indemnify and hold harmless all D&O Indemnified Parties against all liabilities arising out of any such actions or omissions of a D&O Indemnified Party occurring at or prior to the Closing Date in such person's capacity as a director or officer of EnerPath or its subsidiaries.

EnerPath agreed that, before the Closing Date, it would obtain tail insurance policies with respect to claims arising out of or relating to events that occurred before or at the Closing Date, with claims periods of (i) at least six years from the Closing Date for directors' and officers' liability; (ii) three years from the Closing Date for employment practices and fiduciary liability; and (iii) two years from the Closing Date for professional errors and omissions liability. The Company agreed to bear up to \$75,000 of the policy cost at Closing.

THE ISSUANCE OF SECURITIES

As previously noted, on March 24, 2015, the Company and Bison entered into the Note Purchase Agreement (the Financing Transaction). Pursuant to the Note Purchase Agreement, the Company issued a Note due March 24, 2020 in the principal amount of \$11,750,000. The proceeds from the Note Issuance were used to finance the EnerPath Acquisition and to pay fees and expenses incurred in connection therewith (including certain fees and expenses incurred by Bison in connection with the Note Purchase Agreement). The Company has made certain representations, warranties and covenants in the Note Purchase Agreement, including representations and warranties regarding EnerPath and each of its subsidiaries. Under the terms of the Note Purchase Agreement, the Company must indemnify Bison and its affiliates from losses, damages and claims arising out of any breach by the Company of its representations, warranties, and covenants. As of the date of the Note Issuance, Bison owned 10,000 shares of Series C Preferred Stock which was, as of such date, convertible into approximately 30% of the Common Stock, making Bison the Company's single largest stockholder.

The Board of Directors approved the Financing Transaction on March 23, 2015 with Andreas Hildebrand and Peter Macdonald, the two directors who were designated to the Board of Directors by Bison, recusing themselves from the Board of Directors' consideration of the Financing Transaction.

On March 31, 2015, Bison and the Company entered into an amendment to the Note (the Amendment). As amended, the Note provides that the Company may pay interest at a rate (the Interest Rate) of 10.5% per annum on the outstanding principal amount, paid semi-annually in cash, or allow interest to accrue and be added to the principal amount at a rate of 12.5% per annum. Upon the occurrence of an event of default under the Note, the Interest Rate would increase by 2.0% per annum until the Note is redeemed or the event of default is cured.

All or any portion of the principal amount of the Note plus all accrued but unpaid interest thereon, but not more than the original principal amount of the Note, may, at the election of the Note holder, be converted into our Common Stock on the earlier of March 24, 2018 or a change of control of the Company. The Note, if converted, would have a dilutive effect on earnings per share and on the equity ownership of the present holders of Common Stock.

The initial conversion price of the Note (\$3.16) was greater than the book and the market value of the Common Stock on March 24, 2015. However, the conversion price is subject to anti-dilution adjustments and adjustments in connection with stock splits and similar occurrences and certain other events set forth in the Note. Such adjustments could result in a deemed future price for the Common Stock into which the Note is convertible that is less than the book or market value of the Common Stock on March 24, 2015.

The Nasdaq rules require an issuer to obtain stockholder approval prior to the issuance of securities in connection with:

- the acquisition of the stock or assets of another company that involves the issuance or potential issuance of common stock (or securities convertible into or exercisable for common stock) where the number of shares of common stock to be issued is or will be equal to or in excess of 20% of the number of shares of common stock outstanding before the issuance of the stock or securities; or

- a transaction other than a public offering involving the sale, issuance or potential issuance, by the issuer, of common stock (or securities convertible into or exercisable for common stock) equal to 20% or more of the common stock or 20% or more of the voting power outstanding before the issuance for less than the greater of book or market value of the common stock.

In order to comply with the Nasdaq rules discussed above, the Note provides that no portion of the amount due under the Note may be converted into more than 19.99% of the outstanding Common Stock prior to the date on which the stockholders of the Company are deemed to have approved the removal of this cap, which will be no earlier than 20 calendar days after the date this Information Statement is first mailed to our stockholders.

The Note is guaranteed by each subsidiary of the Company, including EnerPath and each of its subsidiaries, but will be subordinated to permitted senior indebtedness of the Company of between \$8 million and \$15 million in

Table of Contents

the aggregate. The actual amount of permitted senior indebtedness will depend on the Company's Consolidated Adjusted EBITDA (as defined in the Note) over a trailing four-quarter period. The Note is secured by a lien on all of the assets of the Company and each of its subsidiaries. The Company may not prepay the Note. The holder of the Note may require the Company to redeem the Note upon an event of default, a change of control, or the Company giving notice of its determination to exercise the Company's redemption right for the Series C Preferred Stock. The Company is subject to certain financial affirmative and negative covenants, including a minimum Consolidated Adjusted EBITDA covenant for trailing 12-month periods beginning March 31, 2016, as set forth in the Note, as amended. In addition, should the Company fail to meet certain trailing 12-month EBITDA targets for the quarters ending June 30, September 30, or December 31, 2015, then for each such quarter in which such EBITDA target is not met, an additional \$1 million in interest will accrue and be added to the principal (however, principal in excess of \$11,750,000 may not be converted into shares of Common Stock). As of June 30, 2015, the Company was in compliance with all applicable covenants under the Note, as amended.

On the Closing Date, as contemplated by the Note Purchase Agreement, the Company amended and restated the Shareholder and Investor Rights Agreement, dated as of December 23, 2014 (the "Original Shareholder Agreement"), by and among the Company, Bison and the other stockholders parties thereto (as amended and restated, the "Amended and Restated Shareholder Agreement") and the Registration Rights Agreement, dated as of December 23, 2014, by and among the Company, Bison and the other stockholders parties thereto (as amended and restated, the "Amended and Restated Registration Rights Agreement"). Pursuant to the terms of the Amended and Restated Shareholder Agreement, in the event the Company proposes to issue new securities (subject to certain exceptions), the Company must allow Bison to purchase a proportion of the new securities equal to the number of shares of Common Stock beneficially owned by Bison (including for this purpose the shares of Common Stock into which the Note could convert) divided by the total number of shares of Common Stock outstanding on a fully-diluted basis. The operational consent rights and director appointment rights held by Bison under the Original Shareholder Agreement remain in the Amended and Restated Shareholder Agreement; with the exception that, in the event Bison is no longer entitled to designate at least one director under the terms of the Series C Preferred Stock, Bison will be entitled under the Amended and Restated Shareholder Agreement to designate that number of directors that is consistent with its ownership of Common Stock (including shares of Common Stock that are issuable upon conversion of the Series C Preferred Stock and the Note, assuming the Note was immediately convertible) provided it holds at least 5% of the Common Stock (computed in the same fashion).

Pursuant to the Amended and Restated Registration Rights Agreement, Bison is entitled to certain registration rights in connection with the Common Stock into which its shares of Series C Preferred Stock and the Note may convert, including the right to demand the registration of such shares at any time after December 23, 2015 and rights to include such shares in certain other registration statements filed by the Company. Additionally, certain other stockholders of the Company are entitled to include certain of their shares of Common Stock in a registration statement filed by the Company. The Company has agreed to indemnify the other parties to the Amended and Restated Registration Rights Agreement in connection with any claims related to their sale of securities under a registration statement, subject to certain exceptions.

Edgar Filing: LIME ENERGY CO. - Form PRER14C

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amount and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimate made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Notes to Financial Statements

DECEMBER 31, 2014 AND 2013

1. Nature of Operations

EnerPath International Holding Company (EPIHC) and its two wholly owned subsidiaries, EnerPath Services, Inc. (ESI) and EnerPath, Inc. (EP) are presented as combined financial statements. All of the companies share common management, and general and administrative expenses with corporate offices in Redlands, California, Cambridge, Massachusetts, Rochester, New York, Nanuet, New Jersey and Knoxville, Tennessee. EPIHC is incorporated in Delaware.

EnerPath Services, Inc. provides energy efficiency (EE) upgrades through sponsored programs that reduce energy costs for commercial businesses and residential customers. ESI utilizes survey tools developed by EP to conduct energy efficiency surveys and identify opportunities for installation of EE equipment, retrofits and upgrades. Upon customer acceptance of recommendations, ESI then subcontracts energy equipment installation and manages all quality assurance of the project from beginning to end to assure accurate realization of energy savings and projected cost reductions for customers. ESI specializes in EE equipment and programs in the areas of lighting, lighting controls, HVAC, pumps & motors, refrigeration, water, gas and other EE improvements for utility companies, commercial, industrial, institutional, hospitality, government and retail markets throughout the United States. ESI is expanding its business in the public utility market place by developing and managing energy efficiency programs for business and residential customers. The two largest customers accounted for 43% and 38% of sales in 2014 and 59% and 27% of sales in 2013.

EnerPath, Inc. develops software and manages customized customer dashboards with a focus in the energy services and public utility market place. EP provides energy survey, subcontractor and quality verification tools to manage the entire work flow for ESI and other clients. EP licenses software which is oriented to all types of energy consuming assets found in buildings for both commercial and residential customers. It also provides a proven platform for public utilities to track many of their customer incentives and rebate programs, which currently includes a refrigerator recycling program. The largest customer accounted for 55% of sales in 2014 and 43% of sales in 2013.

2. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

3. Date of Management's Review

In preparing the financial statements, management has evaluated events and transactions for potential recognition or disclosure through March 10, 2015, the date these financial statements were available to be issued.

4. Summary of Significant Accounting Policies

A. Revenue and Cost Recognition

Costs of revenues earned include all direct material and subcontractor costs and those indirect costs related to contract performance, such as supplies, repairs, and depreciation costs. Operating costs are charged to expense as incurred. Changes in job performance, job conditions, estimated profitability and final contract settlements, may result in revisions to costs and income and are recognized in the period in which the revisions are determined.

B. Inventories

Inventories are reported at the lower of cost or market using the first-in, first-out method.

C. Property and Equipment

Depreciation and amortization is provided on the straight-line and declining-balance methods over the estimated useful lives of the assets.

D. Income Taxes

Accelerated and straight-line depreciation is used for tax reporting and financial statement reporting.

E. Uncertain Tax Positions

Edgar Filing: LIME ENERGY CO. - Form PRER14C

In accordance with FASB ASC 740-10, the Company holds uncertain tax positions in the form of unrecognized tax benefits. Included in the accompanying Balance Sheets at December 31, 2014, are deferred tax assets of \$935,993, representing tax loss and credit carry forwards. Realization of that asset is dependent on the Company's ability to generate future taxable income.

Management believes that it is more likely than not the forecasted taxable income will be sufficient to utilize the tax carry forward before their expiration to fully recover the asset. However, there can be no assurance that the company will meet its expectations of future income. As a result, the amount of the deferred tax assets considered realizable could be reduced in the near term if estimates of future taxable income are reduced. Such an occurrence could materially adversely affect the Company's results of operations and financial condition.

UNAUDITED PRO FORMA CONDENSED CONSOLIDATED COMBINED FINANCIAL INFORMATION

EnerPath Acquisition

On March 24, 2015 (the Closing Date), Lime Energy Co. (the Company) entered into and consummated the transactions contemplated by an Agreement and Plan of Merger (the Merger Agreement) by and among EIHC MergerSub, Inc., a Delaware corporation and a wholly-owned subsidiary of the Company (Merger Sub), EnerPath International Holding Company, a Delaware corporation (EnerPath), Janina Guthrie, as the Stockholder Representative, and all of the stockholders of EnerPath (the Stockholders) (the transactions contemplated by the Merger Agreement, collectively, the EnerPath Acquisition) pursuant to which Merger Sub merged with and into EnerPath with EnerPath being the surviving corporation of the merger. The consideration paid in connection with the EnerPath Acquisition was approximately \$11.0 million in cash which was financed through the issuance of a subordinated convertible note payable to Bison Capital Partners IV, L.P. (the Note).

The unaudited pro forma condensed consolidated combined statements of operations for the year ended December 31, 2014 and the three months ended March 31, 2015 are presented as if the EnerPath Acquisition had occurred on January 1, 2014.

The unaudited pro forma condensed consolidated combined financial information is presented for illustrative purposes only and is not necessarily indicative of the consolidated financial position or result of operations that would have actually been reported had the acquisition occurred as of the dates indicated, nor is it necessarily indicative of future consolidated financial position or results of operations. The unaudited pro forma condensed consolidated combined financial information does not include, nor does it assume, any benefits from cost savings or synergies of the combined operations or the costs necessary to achieve these cost savings, or synergies, and such differences may be material.

The unaudited pro forma condensed consolidated combined financial information was prepared using the acquisition method of accounting and was based on the audited consolidated financial statements of the Company and EnerPath as of and for the year ended December 31, 2014. The preliminary estimates of the fair values of the assets acquired and liabilities assumed and assumptions could change significantly during the purchase price measurement period as we finalize the valuations of the assets acquired and liabilities assumed, and the related tax balances. Such changes could result in material variances between the Company's future financial results and the amounts presented in the unaudited pro forma information, including variances in the estimated purchase price, fair values recorded and expenses associated with these items.

The unaudited pro forma condensed consolidated combined financial information should be read in conjunction with the Company's historical consolidated financial statements and notes thereto included in its Annual Report on Form 10-K for the year ended December 31, 2014, its Quarterly Report on Form 10-Q for the three months ended March 31, 2015 and with EnerPath's historical consolidated financial statements and notes thereto included in this Information Statement. **ENERPATH MANAGEMENT'S DISCUSSION AND ANALYSIS OF
FINANCIAL CONDITION AND RESULTS OF OPERATIONS**

The following discussion and analysis of financial condition and results of operations was provided to us by EnerPath and should be read in conjunction with EnerPath's financial statements included in this Information Statement. This discussion and analysis contains forward-looking statements that are based on the beliefs of EnerPath's management, as well as assumptions made by, and information currently available to, its management. Actual results could differ materially from those discussed in or implied by forward-looking statements for various reasons.

Overview

EnerPath, which has been in the energy efficiency business for over 20 years, delivers large-scale energy efficiency programs to utilities, cities and corporations in the United States and Canada.

EnerPath provides utilities with comprehensive energy efficiency programs that enable the utilities to reduce the energy consumption of their customers and achieve overall energy reduction goals. EnerPath delivers these energy efficiency programs on a performance basis where it is only paid for realized energy efficiency savings. Working on behalf of the utilities, EnerPath designs and implements DSM Programs for the utilities' customers (mainly small- and mid-sized businesses and residential customers) in order to deliver energy solutions that achieve improvements in energy efficiency and customer satisfaction. In designing a DSM Program, EnerPath works with the utility to understand its needs and constraints and configure the program to best achieve the utility's goals. Implementing a DSM Program involves contacting, on behalf of the utility, potential customers using customer lists and other marketing tools; performing energy audits; structuring and selling projects pursuant to program parameters; procuring equipment; installing energy efficiency measures through subcontractors; arranging financing as needed; and conducting completed project quality inspections and customer surveys.

EnerPath executes its programs through its proprietary EnerWorks software, which is a scalable, real-time delivery platform that greatly simplifies and streamlines the procedures involved in implementing a high-volume DSM Program. The multi-platform, multi-language system provides tools for field representatives, program managers, and utility customers that maximize the effectiveness of DSM Programs through improved customer participation and program management. The software enables real-time energy audits and engineering calculations, instant document production, and real-time web-based reporting and program management; all while creating a full audit trail for environmental and regulatory purposes. The EnerWorks platform also provides EnerPath and the utilities with rich data resources to apply to the design of future projects and programs.

EnerPath currently delivers energy efficiency solutions to four of the 25 largest electric utilities in the United States. These solutions, which include energy-efficient lighting upgrades, mechanical (HVAC) upgrades, water conservation measures, building controls, refrigeration, pool pumps, building shell improvements, and appliance recycling, are designed to reduce energy costs and lessen the impact of energy consumption on the environment.

Revenue

Edgar Filing: LIME ENERGY CO. - Form PRER14C

EnerPath generates the majority of its revenue from the sale of services and the resale of energy efficiency products that it purchases from its various suppliers. It charges utility customers based upon an agreed-upon rate schedule for the energy efficiency part installed or the savings generated. A typical project for a utility customer can take a few days to a few weeks to complete.

The Company also generates some revenue from licensing EnerPath software as a service for utilities and other businesses to use in managing energy efficiency and recycling programs.

Table of Contents

Gross Profit

Gross profit equals revenue less direct costs, and indirect costs and overheads of programs. Direct costs of EnerPath's programs consist primarily of energy efficiency parts and subcontractor installation costs. Indirect costs and overheads include: (i) internal labor to audit/sell energy efficiency projects, (ii) internal labor to manage the utility programs, and (iii) program marketing and office expenses. Program indirect costs and overheads are included in the Company's selling, general and administrative expenses.

Gross profit and margin are key metrics to evaluate EnerPath's performance. Gross profit and margin depend mainly on direct cost efficiencies and mix of products, and revenue volume relating to coverage of indirect costs and overheads.

Operating Expenses

Operating expenses include the following components:

- Sales and marketing expenses relating to obtaining new programs and managing existing programs.
- General and administrative expenses relating to accounting and finance, operations, information technology, general management, and legal and insurance expenses.
- Software development expenses relating to developing and maintaining our internal program management software.

Interest (Expense) and Other Income (Expense) Net

Interest expense and other income expense include mainly interest expense on EnerPath's line of credit and long-term debt.

Provision for Income Taxes

Provisions for income taxes consist mainly of current state income taxes and deferred federal and state taxes relating to federal and state net operating loss carryforwards.

Revenue

Contract revenues increased by \$13.1 million, or 47.8%, to \$40.6 million in 2014 from \$27.5 million in 2013. This revenue increase was mainly due to the following new energy efficiency programs started in 2013:

- The Los Angeles Department of Power and Water started a new energy efficiency program with EnerPath in the second quarter of 2013, which resulted in a \$10.0 million revenue increase in 2014.

Table of Contents

- Tennessee Valley Authority added a second energy efficiency program with EnerPath in the second quarter of 2013, which resulted in a \$2.2 million revenue increase in 2014.
- Orange and Rockland Utilities, Inc., an electric and gas utility headquartered in Pearl River, NY, began a new energy efficiency program with EnerPath in the fourth quarter of 2013, which resulted in a \$1.5 million revenue increase in 2014.
- ComEd, an Exelon company, also began licensing EnerPath's energy efficiency program management software in the fourth quarter of 2013, which resulted in \$0.4 million revenue increase in 2014.

The revenue increases were partially offset by: (i) revenue decreases of \$0.8 million in the New York State Electric & Gas, and Rochester Gas & Electric's Small Business Energy Efficiency Program due to bad winter weather in the Northeast in 2014 that affected our installation activities in connection with energy efficiency projects, and (ii) revenue decreases of \$0.3 million in Riverside Public Utilities (RPU)'s energy efficiency program in California due to a delay in the renewal of the underlying contract in the second half of 2014.

Gross Profit

Gross profit increased by \$1.0 million, or 15.8%, to \$7.2 million in 2014 from \$6.2 million in 2013. This was the result of higher revenue of \$13.1 million, which was partially offset by lower gross margin. Gross margin decreased from 22.5% in 2013 to 17.7% in 2014 due to: (i) selling a larger mix of higher cost new LED energy efficiency products in 2014, and (ii) subcontractor installation inefficiencies caused by bad winter weather in the Northeast in 2014, and shipment of incomplete energy efficiency measure parts by a vendor in the first half of 2014.

Operating Expenses

Operating expenses increased by \$0.9 million, or 15.3% from \$5.9 million in 2013 to \$6.8 million in 2014. This was mainly the result of higher expenses to support new programs/revenues including higher general insurance, new computers, and software development staffing increases to improve and support internally EnerPath's software development program.

Interest (Expense) and Other Income (Expense) Net

Interest expense increased \$0.1 million from \$0.1 in 2013 to \$0.2 million due mainly to increased borrowing under EnerPath's line of credit in order to finance higher accounts receivable and inventory resulting from program revenue growth.

Provision for Income Taxes

The provision for income taxes increased by \$0.3 million from income tax benefit of \$0.2 million in 2013 to income tax expense of \$0.1 in 2014. The income tax benefit in 2013 was the result of California reinstating the Net Operating Loss carryover deduction in January 2012. Due to this change in tax code, the allowance that was previously created against the deferred tax asset was reversed.

Liquidity and Capital Resources Years Ended December 31, 2014 and 2013

Overview

As of December 31, 2014, EnerPath had cash and cash equivalents of \$0.7 million with no restricted cash, compared to cash of \$0.4 million as of December 31, 2013. It also had contractual obligations at December 31, 2014 totaling \$0.5 million including long-term debt and operating leases for iPads to run program software and for office space. \$0.3 million of these contractual obligations are to be paid in 2015.

EnerPath's principal cash requirements are for operating expenses. Operating expenses include purchasing energy efficiency parts and subcontract installations for programs, employee costs including wages, taxes, benefits, travel, telephone and computer expenses, outside services including accounting, legal, insurance and contracting

services, funding accounts receivable and inventory, and capital expenditures.

Since its inception, EnerPath has financed its operations mainly through operating profits and borrowings under its secured lines of credit. EnerPath also monitors operating profits closely and sometimes delays or reduces certain operating expenses to improve profitability, and works with its supplier distributors to extend payment terms during periods of revenue growth.

Net Cash

Net cash increased \$0.3 million to \$0.7 million in 2014 versus increasing only slightly in 2013. In 2013, cash used by operations and investing activities of \$2.2 million and \$0.2 million respectfully were completely offset by cash provided by financing activities of \$2.5 million, which resulted in the slight net cash increase. In 2014, cash used by operations of \$0.3 million were more than offset by cash provided by financing activities of \$0.6 million, which resulted in the net cash increase of \$0.3 million.

Operating Activities

Operating activities used \$0.3 million in 2014, compared to using \$2.2 million in 2013 when accounts receivable and inventory growth were higher due to higher program revenue from starting new 2013 programs.

Investing Activities

Investing activities consumed nominal cash in 2014, compared to consuming \$0.2 million of cash in 2013 when additional computers and software were added to EnerPath's data center to expand its capabilities.

Financing Activities

Financing activities generated \$0.6 million in cash in 2014, as compared to generating \$2.5 million in 2013. This resulted from increasing our line of credit borrowing by \$0.7 million to \$3.7 million in 2014. In 2013, EnerPath increased its line of credit borrowings, long-term debt, and stockholder investments by \$2.0, \$0.3, and \$0.2 million, respectively, to finance cash used by operations and investing activities.

Sources of Liquidity

EnerPath's sources of liquidity have included its line of credit, long-term debt borrowing, and outside investments.

Immediately prior to its acquisition by Lime, EnerPath had a balance of \$3.1 million under its line of credit with New Resource Bank and long-term debt of \$0.2 million. These loans were paid off in connection with the closing of the acquisition of EnerPath by Lime.

Section 2.05 Effects of the Merger. The Merger shall have the effects set forth herein and in the applicable provisions of the DGCL. Without limiting the generality of the foregoing, and subject thereto, from and after the Effective Time, all property, rights, privileges, immunities, powers, franchises, licenses and authority of the Company and Merger Sub shall vest in the Surviving Corporation, and all debts, liabilities, obligations, restrictions and duties of each of the Company and Merger Sub shall become the debts, liabilities, obligations, restrictions and duties of the Surviving Corporation.

Section 2.06 Certificate of Incorporation; By-laws. At the Effective Time, (a) the certificate of incorporation of Merger Sub as in effect immediately prior to the Effective Time shall be the certificate of incorporation of the Surviving Corporation until thereafter amended in accordance with the terms thereof or as provided by applicable Law, and (b) the by-laws of Merger Sub as in effect immediately prior to the Effective Time shall be the by-laws of the Surviving Corporation until thereafter amended in accordance with the terms thereof, the certificate of incorporation of the Surviving Corporation or as provided by applicable Law; *provided, however*, in each case, that the name of the corporation set forth therein shall be changed to the name of the Company.

(a) **Cancellation of Certain Company Common Stock.** Shares of Company Common Stock (the **Shares**) that are owned by Parent, Merger Sub or the Company (as treasury stock or otherwise) or any of their respective direct or indirect wholly owned Subsidiaries shall automatically be cancelled and retired and shall cease to exist, and no consideration shall be delivered in exchange therefor.

(b) **Conversion of Company Common Stock.** Each Share issued and outstanding immediately prior to the Effective Time (other than Shares to be cancelled and retired in accordance with **Section 2.08(a)**) shall be converted into the right to receive the Closing Per Share Merger Consideration, in cash, without interest, together with any amounts that may become payable in respect of such Share in the future from the Escrow Funds as provided in this Agreement and the Escrow Agreement or in respect of the Post-Closing Adjustment, at the respective times and subject to the contingencies specified herein and therein.

(c) **Conversion of Merger Sub Capital Stock.** Each share of common stock, par value \$0.01 per share, of Merger Sub issued and outstanding immediately prior to the Effective Time shall be converted into and become one newly issued, fully paid and non-assessable share of common stock of the Surviving Corporation.

The Exchange Agent shall, no later than the later of (i) the Closing Date or (ii) five Business Days after receipt of a Certificate, and any other customary documents that the Exchange Agent may reasonably require in connection therewith, pay to the holder of such Certificate a cash amount as provided in **Section 2.08(b)** with respect to such Certificate so surrendered and the Certificate shall forthwith be cancelled. Unless otherwise provided herein, no interest shall be paid or shall accrue on any cash payable upon surrender of any Certificate. Until so surrendered, each outstanding Certificate that prior to the Effective Time represented shares of Company Common Stock shall be deemed from and after the Effective Time, for all purposes, to evidence the right to receive the portion of the Merger Consideration as provided in **Section 2.08(b)**. If after the Effective Time, any Certificate is presented to the Exchange Agent, it shall be cancelled and exchanged as provided in this **Section 2.10**.

(d) [Intentionally Omitted]

(e) Each Stockholder shall also be entitled to any amounts that may be payable in the future in respect of the Shares formerly represented by such Certificate from the Escrow Funds as provided in this Agreement and the Escrow Agreement and on account of the Post-Closing Adjustment, at the respective time and subject to the contingencies specified herein and therein. (g) Any portion of the Merger Consideration that remains unclaimed by the Stockholders six months after the Effective Time shall be returned to Parent, upon demand, and any such Stockholder who has not exchanged Certificates for the Merger Consideration in accordance with this **Section 2.10** prior to that time shall thereafter look only to Parent for payment of the Merger Consideration; *provided, that* any such portion of the Merger Consideration payable from the Escrow Funds shall be held and distributed to the Persons entitled thereof in accordance with the terms of this Agreement and the Escrow Agreement, at the respective times and subject to the contingencies specified herein and therein and any portion of the Post-Closing Adjustment to which the Stockholders may become entitled shall become payable at the times and subject to the contingencies specified herein. Notwithstanding the foregoing, Parent shall not be liable to any holder of Certificates for any amounts paid to a public official pursuant to

applicable abandoned property, escheat or similar Laws. Any amounts remaining unclaimed by Stockholders two years after the Effective Time (or such earlier date, immediately prior to such time when the amounts would otherwise escheat to or become property of any Governmental Entity) shall become, to the extent permitted by applicable Law, the property of Parent free and clear of any claims or interest of any Person previously entitled thereto.

Section 2.11 Escrow Funds. In accordance with the Escrow Agreement, Parent shall deposit or cause to be deposited with the Escrow Agent:

(c) the Stockholder Representative Expense Amount (such amount, including any interest or other amounts earned thereon and less any disbursements therefrom in accordance with the Escrow Agreement, the **Stockholder Representative Expense Fund** and together, with the Indemnification Escrow Fund and the Purchase Price Adjustment Escrow Fund, the **Escrow Funds**), to be held for the purpose of funding any expenses of Stockholder Representative arising in connection with the administration of Stockholder Representative's duties in this Agreement after the Effective Time, and the Stockholder Representative Expense Fund shall be fully disbursed on or before eighteen (18) months from the Closing Date by Escrow Agent to the Stockholders in accordance with their Pro Rata Shares, unless Stockholder Representative directs the Escrow Agent in writing to retain such funds for a longer period of time, subject, in all cases, to the terms of the Escrow Agreement.

Section 2.13 **Adjustments.** Without limiting the other provisions of this Agreement, if at any time during the period between the date of this Agreement and the Effective Time, any change in the outstanding shares of capital stock of the Company shall occur, including by reason of any reclassification, recapitalization, stock split (including reverse stock split) or combination, exchange or readjustment of shares, or any stock dividend or distribution paid in stock, the Merger Consideration and any other amounts payable pursuant to this Agreement shall be appropriately adjusted to reflect such change.

Section 2.14 **Intentionally Omitted.**

Section 2.15 **Withholding Rights.** Each of the Exchange Agent, Escrow Agent, Parent, Merger Sub and the Surviving Corporation shall be entitled to deduct and withhold from the consideration otherwise payable to any Person pursuant to this **Article II** such amounts as may be required to be deducted and withheld with respect to the making of such payment under any provision of Tax Law. To the extent that amounts are so deducted and withheld by the Exchange Agent, Escrow Agent, Parent, Merger Sub or the Surviving Corporation, as the case may be, such amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which the Exchange Agent, Escrow Agent, Parent, Merger Sub or the Surviving Corporation, as the case may be, made such deduction and withholding.

Section 2.16 **Lost Certificates.** If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by Parent, an indemnification agreement pursuant to which such Person indemnifies Parent against any claim that may be made against it with respect to such Certificate, the Exchange Agent shall issue, in exchange for such lost, stolen or destroyed Certificate, the Merger Consideration to be paid in respect of the Shares formerly represented by such Certificate as contemplated under this **Article II**.

(ii) The **Estimated Closing Adjustment** shall be an amount (which may be positive or negative) equal to:

(A) If Estimated Closing Tangible Net Worth is greater than or equal to \$4,400,000 (the **TNW Floor**) and less than or equal to \$4,900,000 (the **TNW Ceiling**), then zero;

(ii) The **Post-Closing Adjustment** shall be an amount (which may be positive or negative) equal to the Estimated Closing Adjustment multiplied by negative one (-1); plus:

(A) if the Closing Tangible Net Worth is greater than or equal to TNW Floor and less than or equal to the TNW Ceiling, then zero;

(i) Examination. After receipt of the Closing Tangible Net Worth Statement, Stockholder Representative shall have 30 days (the **Review Period**) to review the Closing Tangible Net Worth Statement. During the Review Period, Stockholder Representative and its accountants shall have full access to the books and records of the Surviving Corporation, the personnel of, and work papers prepared by, Parent and/or its accountants to the extent that they relate to the Closing Tangible Net Worth Statement and to such historical financial information (to the extent in Parent's possession) relating to the Closing Tangible Net Worth Statement as Stockholder Representative may reasonably request for the purpose of reviewing the Closing Tangible Net Worth Statement and to prepare a Statement of Objections (defined below), *provided, that* such access shall be in a manner that does not interfere with the normal business operations of Parent or the Surviving Corporation.

Objections before the expiration of the Review Period, Parent and Stockholder Representative shall negotiate in good faith to resolve such objections within 30 days after the delivery of the Statement of Objections (the **Resolution Period**), and, if the same are so resolved within the Resolution Period, the Post-Closing Adjustment and the Closing Tangible Net Worth Statement with such changes as may have been previously agreed in writing by Parent and Stockholder Representative, shall be final and binding.

(iii) Resolution of Disputes. If Stockholder Representative and Parent fail to reach an agreement with respect to all of the matters set forth in the Statement of Objections before expiration of the Resolution Period, then any amounts remaining in dispute (**Disputed Amounts** and any amounts not so disputed, the **Undisputed Amounts**) shall be submitted for resolution to the office of McGladrey LLP or, if McGladrey LLP is unable to serve, Parent and Stockholder Representative shall appoint by mutual agreement the office of an impartial nationally recognized firm of independent certified public accountants (the **Independent Accountant**) who, acting as experts and not arbitrators, shall resolve the Disputed Amounts only and make any adjustments to the Post-Closing Adjustment, as the case may be, and the Closing Tangible Net Worth Statement. The parties hereto agree that all adjustments shall be made without regard to materiality. The Independent Accountant shall only decide the specific items under dispute by the parties and their decision for each Disputed Amount must be within the range of values assigned to each such item in the Closing Tangible Net Worth Statement and the Statement of Objections, respectively.

(iv) Fees of the Independent Accountant. The fees and expenses of the Independent Accountant shall be paid by the Stockholder Representative (on behalf of the Stockholders), on the one hand, and by Parent, on the other hand, based upon the percentage that the amount actually contested but not awarded to the Stockholder Representative or Parent, respectively, bears to the aggregate amount actually contested by the Stockholder Representative and Parent. (v) Determination by Independent Accountant. The Independent Accountant shall make a determination as soon as practicable within 30 days (or such other time as the parties hereto shall agree in writing) after their engagement, and, absent manifest error, their resolution of the Disputed Amounts and their adjustments to the Closing Tangible Net Worth Statement and/or the Post-Closing Adjustment shall be conclusive and binding upon the parties hereto.

distribution to the Stockholders in accordance with their Pro Rata Shares, such Stockholders' aggregate Pro Rata Share of any amounts remaining in the Purchase Price Adjustment Escrow Fund. If the Post-Closing Adjustment is greater than the amount held in the Purchase Price Adjustment Escrow Fund, then Stockholder Representative and Parent shall jointly instruct the Escrow Agent to, first, disburse from the Stockholder Representative Expense Fund by wire transfer of immediately available funds to Parent the amount by which the Post-Closing Adjustment exceeds the amount in the Purchase Price Adjustment Escrow Fund (up to the amount in the Stockholder Representative Expense Fund) and, second, disburse from the Indemnification Escrow Fund by wire transfer of immediately available funds to Parent the amount by which the Post-Closing Adjustment exceeds the sum of the amounts in the Purchase Price Adjustment Escrow Fund and the Stockholder Representative Expense Fund (up to the amount in the Indemnification Escrow Fund).

(ii) If the Post-Closing Adjustment is a positive number, Parent shall, within two Business Days after the final determination of the Post-Closing Adjustment, (A) deposit with the Exchange Agent, for distribution to the Stockholders in accordance with their Pro Rata Shares, such Stockholders' aggregate Pro Rata Share of the Post-Closing Adjustment, and (B) Stockholder Representative and Parent shall jointly instruct the Escrow Agent to disburse from the Purchase Price Adjustment Escrow Fund by wire transfer of immediately available funds to the Exchange Agent, for distribution to the Stockholders in accordance with their Pro Rata Shares, such Stockholders' aggregate Pro Rata Share of the Purchase Price Adjustment Escrow Fund.

(iii) The amount of any Post-Closing Adjustment shall bear interest from and including the Closing Date to but excluding the date of payment at a rate per annum equal to the rate of interest from time to time announced publicly by Bank of America as its prime rate, plus 3%. Such interest shall be calculated daily on the basis of a 365 day year and the actual number of days elapsed, without compounding.

(e) **Adjustments for Tax Purposes.** Any payments made pursuant to **Section 2.17** shall be treated as an adjustment to the Purchase Price by the parties for Tax purposes, unless otherwise required by Law.

(d) All analyses, appearances, meetings, discussions, presentations, memoranda, briefs, filings, arguments, and proposals made by or on behalf of either party before any Governmental Authority or the staff or regulators of any Governmental Authority, in connection with the transactions contemplated hereunder (but, for the avoidance of doubt, not including any interactions between the Company or any of its Subsidiaries and Governmental Authorities in the ordinary course of business, any disclosure which is not permitted by Law or any disclosure containing confidential information) shall be disclosed to the other party hereunder in advance of any filing, submission or attendance, it being the intent that the parties will consult and cooperate with one another, and consider in good faith the views of one another, in connection with any such analyses, appearances, meetings, discussions, presentations, memoranda, briefs, filings, arguments, and proposals. Each party shall give notice to the other party with respect to any meeting, discussion, appearance or contact with any Governmental Authority or the staff or regulators of any Governmental Authority, with such notice being sufficient to provide the other party with the opportunity to attend and participate in such meeting, discussion, appearance or contact.

(e) Notwithstanding the foregoing, nothing in this **Section 6.06** shall require, or be construed to require, Parent or any of its Affiliates to agree to (i) sell, hold, divest, discontinue or limit, before or after the Closing Date, any assets, businesses or interests of Parent, the Company, any of the Company's Subsidiaries or any of their respective Affiliates; (ii) any conditions relating to, or changes or restrictions in, the operations of any such assets, businesses or interests which, in either case, could reasonably be expected to result in a Material Adverse Effect or materially and adversely impact the economic or business benefits to Parent of the transactions contemplated by this Agreement; or (iii) any material modification or waiver of the terms and conditions of this Agreement.

Section 6.07 Directors and Officers Indemnification and Insurance.

(a) Parent and Merger Sub agree that all rights to indemnification, advancement of expenses and exculpation by the Company or its Subsidiaries now existing in favor of each Person who is now, or has been at any time prior to the date hereof or who becomes prior to the Effective Time an officer or director of the Company or its Subsidiaries (each an **D&O Indemnified Party**) as provided in the Company Charter Documents and the organizational documents of each of its Subsidiaries, in each

case as in effect on the date of this Agreement, or pursuant to any other Contracts in effect on the date hereof and disclosed in **Section 6.07** of the Company Disclosure Letter, shall be assumed by the Surviving Corporation in the Merger, without further action, at the Effective Time and shall survive the Merger and shall remain in full force and effect in accordance with their terms, and, in the event that any proceeding is pending or asserted or any claim made during such period, until the final disposition of such proceeding or claim.

(b) For six years after the Effective Time, to the fullest extent permitted under applicable Law, Parent and the Surviving Corporation (the **D&O Indemnifying Parties**) shall indemnify, defend and hold harmless each D&O Indemnified Party against all losses, claims, damages, liabilities, fees, expenses, judgments and fines arising in whole or in part out of actions or omissions in their capacity as such occurring at or prior to the Effective Time (including in connection with the transactions contemplated by this Agreement), and shall reimburse each D&O Indemnified Party for any legal or other expenses reasonably incurred by such D&O Indemnified Party in connection with investigating or defending any such losses, claims, damages, liabilities, fees, expenses, judgments and fines as such expenses are incurred, subject to the Surviving Corporation's receipt of an undertaking by such D&O Indemnified Party to repay such legal and other fees and expenses paid in advance if it is ultimately determined in a final and non-appealable judgment of a court of competent jurisdiction that such D&O Indemnified Party is not entitled to be indemnified under applicable Law; *provided, however*, that the Surviving Corporation will not be liable for any settlement effected without the Surviving Corporation's prior written consent (which consent shall not be unreasonably withheld or delayed).

(c) Prior to the Closing, the Company and its Subsidiaries shall obtain tail insurance policies with a claims period of at least six years from the Effective Time for directors and officers liability, and tail insurance of three years for employment practices and fiduciary liability, and two years for professional errors and omissions liability to extend the reporting periods of the Company's insurance policies maintained prior to the Effective Time, with respect to claims arising out of or relating to events which occurred before or at the Effective Time (including in connection with the transactions contemplated by this Agreement) (collectively, the **Tail Policies**). The Parent shall bear the cost of the Tail Policies (provided that such cost does not exceed \$57,000), and such costs shall be paid at Closing. During the term of the Tail Policies, Parent shall not (and shall cause the Surviving Corporation not to) take any action following the Closing to cause the Tail Policies to be cancelled or any provision therein to be amended or waived.

(d) The obligations of Parent and the Surviving Corporation under this **Section 6.07** shall survive the consummation of the Merger and shall not be terminated or modified in such a manner as to adversely affect any D&O Indemnified Party to whom this **Section 6.07** applies without the consent of such affected D&O Indemnified Party (it being expressly agreed that the D&O Indemnified Parties to whom this **Section 6.07**

applies shall be third-party beneficiaries of this **Section 6.07**, each of whom may enforce the provisions of this **Section 6.07**).

(e) In the event Parent, the Surviving Corporation or any of their respective successors or assigns (i) consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or entity in such consolidation or merger or (ii) transfers all or substantially all of its properties and assets to any Person, then, and in either such case, proper provision shall be made so that the successors and assigns of Parent or the Surviving Corporation, as the case may be, shall assume all of the obligations set forth in this **Section 6.07**. The agreements and covenants contained herein shall not be deemed to be exclusive of any other rights to which any Indemnified Party is entitled, whether pursuant to Law, Contract or otherwise. Nothing in this Agreement is intended to, shall be construed to or shall release, waive or impair any rights to directors and officers insurance claims under any policy that is or has been in existence with respect to the Company or any of its Subsidiaries or any of their officers, directors and employees, it being understood and agreed that the indemnification provided for in this **Section 6.07** is not prior to, or in substitution for, any such claims under any such policies.

Section 6.08 Closing Conditions From the date hereof until the Closing, each party hereto shall use reasonable best efforts to take such actions as are necessary to expeditiously satisfy the closing conditions set forth in **Article VIII** hereof.

Section 6.09 Public Announcements. Except as and to the extent required by Law, the Securities and Exchange Commission, or the rules and regulations of any stock exchange or national market system, without the prior written consent of the other party prior to the Closing, none of Parent, Merger Sub, the Company, any Stockholder or the Stockholder Representative will, and each will direct their respective Representatives and Affiliates not to, directly or indirectly, make any public or private comment, statement, or other communication after the date hereof with respect to, or otherwise disclose or permit the disclosure of any of the terms, conditions, or other aspects of, the transactions contemplated hereby. In the event any party determines that it is required by Law, the rules or regulations of any stock exchange or national market system, or an applicable accounting principle to make any such public comment, statement, or communication, such party shall advise the other parties of that fact in advance of making such public comment, statement, or communication, and allow the other parties a reasonable opportunity to review and comment on such public comment, statement, or communication. The prohibitions contained in this Section 6.09 shall lapse as to Parent following the Closing. In addition, the prohibitions contained in this Section 6.09 as to private communications shall not preclude communications (a) necessary to implement the provisions of this Agreement, including to third parties in connection with obtaining any consent, approval, authorization or permit as required hereunder or (b) to a party's advisors and Affiliates on a need-to-know basis.

Section 6.14 Confidentiality. From and after the Closing, each Stockholder shall hold in confidence all knowledge and information of a secret or confidential nature with respect to the Company or any of its Subsidiaries and shall not disclose, publish or make use of the same, except to the extent that such information shall have become public knowledge (other than by breach of this Agreement) or to the extent such Person needs to reveal such information to his, her or its advisors in connection with the preparation of tax returns, defense of an indemnification claim or other similar matters contemplated herein. Each Stockholder agrees that the remedy at law for any breach of this Section 6.14 would be inadequate and that Parent and the Company shall be entitled to injunctive relief in addition to any other remedy it may have upon breach of any provision of this Section 6.14.

Section 6.15 Stockholders Consent. The Company shall use its best efforts to obtain, immediately following the execution and delivery of this Agreement, the unanimous written consent of the Stockholders to the Merger, this Agreement, the Ancillary Documents and the transactions contemplated hereby and thereby (the **Unanimous Written Consent**). The materials submitted to the Stockholders in connection with the Unanimous Written Consent shall include the Company Board Recommendation. Promptly following receipt of the Unanimous Written Consent, the Company shall deliver a copy of the Unanimous Written Consent to Parent.

Section 6.16 Continuation of Company 401K Retirement Plan. **ARTICLE VII
TAX MATTERS**

Section 7.01 Tax Covenants.

(a) Without the prior written consent of Parent, prior to the Closing, neither the Company, nor any of its Subsidiaries or any of their respective Representatives or the Stockholders shall make, change or rescind any Tax election, amend any Tax Return or take any position on any Tax Return, take any action, omit to take any action or enter into any other transaction that would have the effect of increasing the Tax liability or reducing any Tax asset of Parent or the Surviving Corporation in respect of any Post-Closing Tax Period. The Company agrees that Parent is to have no liability for any Tax resulting from any action of the Company or any of its Subsidiaries, any of their respective Representatives or the Stockholders. Except as otherwise expressly provided for herein, the Stockholders shall, severally and not jointly (in accordance with their Pro Rata Shares), indemnify and hold harmless Parent against any such Tax or reduction of any Tax asset.

(b) All transfer, documentary, sales, use, stamp, registration, value added and other such Taxes and fees (including any penalties and interest) incurred in connection with this Agreement and the Ancillary Documents (including any real property transfer Tax and any other similar Tax) shall be borne and paid by the Stockholders when due. Stockholder Representative shall timely file any Tax Return or other document with respect to such Taxes or fees (and Parent shall cooperate with respect thereto as necessary).

Section 7.02 Termination of Existing Tax Sharing Agreements. Any and all, if any, existing Tax sharing agreements (whether written or not) binding upon the Company or any of its Subsidiaries shall be terminated as of the Closing Date. After such date neither the Company, any of its Subsidiaries nor any of their respective Representatives shall have any further rights or liabilities thereunder.

Section 7.03 Tax Indemnification. Except to the extent treated as a liability in the calculation of Closing Tangible Net Worth, the Stockholders shall, severally and not jointly (in accordance with their Pro Rata Shares), indemnify the Company, its Subsidiaries, Parent, and each Parent Indemnitee and hold them harmless from and against (a) any Loss attributable to any breach of or inaccuracy in any representation or warranty made in **Section 3.22**; (b) any Loss attributable to any breach or violation of, or failure to fully perform, any covenant, agreement, undertaking or obligation in **Article VII**; (c) all Taxes of the Company or its Subsidiaries or relating to the business of the Company or its Subsidiaries for all Pre-Closing Tax Periods; (d) all Taxes of any member of an affiliated, consolidated, combined or unitary group of which the Company or any of its Subsidiaries (or any predecessor of the Company or any of its Subsidiaries)

is or was a member on or prior to the Closing Date by reason of a liability under Treasury Regulation Section 1.1502-6 or any comparable provisions of foreign, state or local Law; and (e) any and all Taxes of any person imposed on the Company or any of its Subsidiaries arising under the principles of transferee or successor liability or by contract, relating to an event or transaction occurring before the Closing Date. In each of the above cases, together with any out-of-pocket fees and expenses (including attorneys' and accountants' fees) incurred in connection therewith, the Stockholders shall, severally and not jointly (in accordance with their Pro Rata Shares), reimburse Parent for any Taxes of the Company or any of its Subsidiaries that are the responsibility of the Stockholders pursuant to this **Section 7.03** within twenty Business Days after payment of such Taxes by Parent or the Company or any of its Subsidiaries.

Section 7.04 Tax Returns

(a) The Company and its Subsidiaries shall prepare and timely file, or cause to be prepared and timely filed, all Tax Returns required to be filed by it that are due on or before the Closing Date (taking into account any extensions), and shall timely pay all Taxes that are due and payable on or before the Closing Date (taking into account any extensions), and shall timely pay all Taxes that are due and payable on or before the Closing Date. Any such Tax Return shall be prepared in a manner consistent with past practice (unless otherwise required by Law).

(b) Parent shall prepare and timely file, or cause to be prepared and timely filed, all Tax Returns required to be filed by the Company or any of its Subsidiaries after the Closing Date with respect to a Pre-Closing Tax Period and for any Straddle Period. Any such Tax Return shall be prepared in a manner consistent with past practice (unless otherwise required by Law) and, if it is an income or other material Tax Return, shall be submitted by Parent to Stockholder Representative (together with schedules, statements and, to the extent requested by Stockholder Representative, supporting documentation) at least 45 days prior to the due date (including extensions) of such Tax Return. If Stockholder Representative objects to any item on any such Tax Return that relates to a Pre-Closing Tax Period, it shall, within ten Business Days after delivery of such Tax Return, notify Parent in writing that it so objects, specifying with particularity any such item and stating the specific factual or legal basis for any such objection. If a notice of objection shall be duly delivered, Parent and Stockholder Representative shall negotiate in good faith and use their reasonable best efforts to resolve such items. If Parent and Stockholder Representative are unable to reach such agreement within ten Business Days after receipt by Parent of such notice, the disputed items shall be resolved by the Independent Accountant and any determination by the Independent Accountant shall be final. The Independent Accountant shall resolve any disputed items within 20 days of having the item referred to it pursuant to such procedures as it may require. If the Independent Accountant is unable to resolve any disputed items before the due date for such Tax Return, the Tax Return shall be filed as prepared by Parent and then amended to reflect the Independent Accountant's resolution. The costs, fees and expenses of the

Independent Accountant shall be borne equally by Parent and Stockholder Representative. The preparation and filing of any Tax Return of the Company or any of its Subsidiaries that does not relate to a Pre-Closing Tax Period or Straddle Period shall be exclusively within the control of Parent. Parent shall be entitled to deduct from the Indemnification Escrow Funds (i) Taxes due with respect to any such Tax Return that relate to Pre-Closing Tax Periods and (ii) Taxes due with respect to any such Tax Return that relate to Straddle Periods that are attributable under **Section 7.05** to the portion of such Straddle Period ending on the Closing Date, but only to the extent such Taxes due were not taken into account as liabilities in computing the Closing Tangible Net Worth.

Section 7.05 **Straddle Period.** In the case of Taxes that are payable with respect to a taxable period that begins before and ends after the Closing Date (each such period, a **Straddle Period**), the portion of any such Taxes that are treated as Pre-Closing Taxes for purposes of this Agreement shall be:

(a) in the case of Taxes (i) based upon, or related to, income, receipts, profits, wages, capital or net worth, (ii) imposed in connection with the sale, transfer or assignment of property, or (iii) required to be withheld, deemed equal to the amount which would be payable if the taxable year ended with the Closing Date; and

(b) in the case of other Taxes, deemed to be the amount of such Taxes for the entire period multiplied by a fraction the numerator of which is the number of days in the period ending on the Closing Date and the denominator of which is the number of days in the entire period.

Section 7.06 **Contests.** Parent agrees to give written notice to Stockholder Representative of the receipt of any written notice by the Company or any of its Subsidiaries, Parent or any of Parent's Affiliates which involves the assertion of any claim, or the commencement of any Action, in respect of which an indemnity may be sought by Parent pursuant to this **Article VII** (a **Tax Claim**); *provided, that* failure to comply with this provision shall not affect Parent's right to indemnification hereunder. Parent shall control the contest or resolution of any Tax Claim; *provided, however,* that Parent shall obtain the prior written consent of Stockholder Representative (which consent shall not be unreasonably withheld or delayed) before entering into any settlement of a claim or ceasing to defend such claim; and, *provided further,* that Stockholder Representative shall be entitled to participate in the defense of such claim and to employ counsel of its choice for such purpose, the fees and expenses of which separate counsel shall be borne solely by Stockholder Representative.

Section 7.07 **Cooperation and Exchange of Information.** The Stockholder Representative, the Company and Parent shall provide each other with such cooperation and information as either of them reasonably may request of the others in filing any Tax Return pursuant to this **Article VII** or in connection with any audit or other proceeding

in respect of Taxes of the Company or any of its Subsidiaries. Such cooperation and information shall include providing copies of relevant Tax Returns or portions thereof, together with accompanying schedules, related work papers and documents relating to rulings or other determinations by tax authorities. Each of Stockholder Representative, the Company and Parent shall retain all Tax Returns, schedules and work papers, records and other documents in its possession relating to Tax matters of the Company or any of its Subsidiaries for any taxable period beginning before the Closing Date until the expiration of the statute of limitations of the taxable periods to which such Tax Returns and other documents relate, without regard to extensions except to the extent notified by any of the other parties in writing of such extensions for the respective Tax periods. Prior to transferring, destroying or discarding any Tax Returns, schedules and work papers, records and other documents in its possession relating to Tax matters of the Company or any of its Subsidiaries for any taxable period beginning before the Closing Date, Stockholder Representative, the Company or Parent (as the case may be) shall provide the other parties with reasonable written notice and offer the other parties the opportunity to take custody of such materials.

Section 7.08 Tax Treatment of Indemnification Payments. Any indemnification payments pursuant to this **Article VII** shall be treated as an adjustment to the Purchase Price by the parties for Tax purposes, unless otherwise required by Law.

Section 7.09 Payments to Parent. Any amounts payable to Parent pursuant to this **Article VII** shall be satisfied: (i) from the Indemnification Escrow Fund; and (ii) to the extent such amounts exceed the amount available to Parent in the Indemnification Escrow Fund, from the Stockholders, severally and not jointly (in accordance with their Pro Rata Shares).

Section 7.10 FIRPTA Statement. On the Closing Date, the Company shall and shall cause each of its Subsidiaries to deliver to Parent a certificate, dated as of the Closing Date, certifying to the effect that no interest in the Company or any of its Subsidiaries is a U.S. real property interest (such certificate in the form required by Treasury Regulation Section 1.897-2(h) and 1.1445-3(c)) (the **FIRPTA Statement**).

Section 7.11 Survival. Notwithstanding anything in this Agreement to the contrary, the provisions of **Section 3.22** and this **Article VII** shall survive for the full period of all applicable statutes of limitations (giving effect to any waiver, mitigation or extension thereof) plus 60 days.

Section 7.12 Overlap. To the extent that any obligation or responsibility pursuant to **Article IX** may overlap with an obligation or responsibility pursuant to this **Article VII**, the provisions of this **Article VII** shall govern.

All covenants and agreements of the parties contained herein (other than any covenants or agreements contained in **Article VII** which are subject to **Article VII**) shall survive the Closing indefinitely or for the period explicitly specified therein. Notwithstanding the foregoing, any claims asserted in good faith with reasonable specificity (to the extent known at such time) and in writing by notice from the Indemnified Party to the Indemnifying Party prior to the expiration date of the applicable survival period shall not thereafter be barred by the expiration of the relevant representation or warranty and such claims shall survive until finally resolved.

Section 9.02 **Indemnification By Stockholders.** Subject to the other terms and conditions of this **Article IX**, and except as set forth below, the Stockholders who receive Closing Merger Consideration, severally and not jointly (in accordance with their Pro Rata Shares), shall indemnify and defend each of Parent and its Affiliates (including the Company and its Subsidiaries) and their respective Representatives (collectively, the **Parent Indemnitees**) against, and shall hold each of them harmless

from and against, and shall pay and reimburse each of them for, any and all Losses incurred or sustained by, or imposed upon, the Parent Indemnitees based upon, arising out of, with respect to or by reason of:

- (a) any inaccuracy in or breach of any of the representations or warranties of each of the Company, the Stockholders contained in this Agreement or in any certificate or instrument delivered by or on behalf of the Company, the Stockholders pursuant to this Agreement (other than in respect of **Section 3.22**, it being understood that the sole remedy for any such inaccuracy in or breach thereof shall be pursuant to **Article VII**), as of the date such representation or warranty was made or as if such representation or warranty was made on and as of the Closing Date (except for representations and warranties that expressly relate to a specified date, the inaccuracy in or breach of which will be determined with reference to such specified date);
- (b) any breach or non-fulfillment of any covenant, agreement or obligation to be performed by the Company, the Stockholders pursuant to this Agreement (other than any breach or violation of, or failure to fully perform, any covenant, agreement, undertaking or obligation in **Article VII**, it being understood that the sole remedy for any such breach, violation or failure shall be pursuant to **Article VII**);

Kyker, against, and shall hold each of them harmless from and against, and shall pay and reimburse each of them for, any and all Losses incurred or sustained by, or imposed upon, the Stockholder Indemnitees based upon, arising out of, with respect to or by reason of:

(a) any inaccuracy in or breach of any of the representations or warranties of Parent and Merger Sub contained in this Agreement or in any certificate or instrument delivered by or on behalf of Parent or Merger Sub pursuant to this Agreement, as of the date such representation or warranty was made or as if such representation or warranty was made on and as of the Closing Date (except for representations and warranties that expressly relate to a specified date, the inaccuracy in or breach of which will be determined with reference to such specified date);

(b) any breach or non-fulfillment of any covenant, agreement or obligation to be performed by Parent or Merger Sub pursuant to this Agreement (other than **Article VII**, it being understood that the sole remedy for any such breach thereof shall be pursuant to **Article VII**);

(c) any non-performance, after the Effective Time, of any Guaranteed Terms by the Company or its Subsidiaries (as the case may be), other than the Guaranteed Terms of a Undisclosed Guaranteed Material Contract; or

(d) any post-Closing corrections or adjustments to Net Indebtedness and Transaction Expenses to the extent that such corrections or adjustments would have otherwise increased the Merger Consideration pursuant to any provision hereof.

Section 9.04 **Certain Limitations.** The indemnification provided for in **Section 9.02** and **Section 9.02(d)** shall be subject to the following limitations:

(a) Stockholders shall not be liable to the Parent Indemnitees for indemnification under **Section 9.02(a)** until the aggregate amount of all Losses in respect of indemnification under **Section 9.02(a)** exceeds \$175,000 (the **Basket**), in which event Stockholders shall be required to pay or be liable for all such Losses from the first dollar. The aggregate amount of all Losses for which Stockholders shall be liable pursuant to **Section 9.02(a)** shall not exceed the Purchase Price (the **Cap**).

(b) Parent shall not be liable to the Stockholder Indemnitees for indemnification under **Section 9.03(a)** until the aggregate amount of all Losses in respect of indemnification under **Section 9.03(a)** exceeds the Basket, in which event Parent shall be required to pay or be liable for all such Losses from the first dollar. The aggregate amount of all Losses for which Parent shall be liable pursuant to **Section 9.03(a)** shall not exceed the Cap.

Table of Contents

(c) Notwithstanding the foregoing, the limitations set forth in **Section 9.04(a)** and **Section 9.04(b)** shall not apply to Losses based upon, arising out of, with respect to or by reason of any inaccuracy in or breach of any representation or warranty in **Section 3.01**, the first two sentences of **Section 3.02(a)**, **Section 3.04**, **Section 3.19**, **Section 3.20**, **Section 3.25**, **Section 4.01**, **Section 4.02**, **Section 4.05**, **Section 5.01** and **Section 5.04**.

(d) For purposes of this **Article IX** and a claim for indemnification relating to a breach or alleged breach of a representation or warranty that may only be considered breached if the defect, inaccuracy, mistake or misrepresentation is material, or has a Material Adverse Effect or similar qualification contained in or otherwise applicable to such representation or warranty, the materiality (or Material Adverse Effect or similar qualification contained in or otherwise applicable to such representation or warranty) of such defect, in accuracy, mistake or misrepresentation will not be considered for purposes of determining whether a breach of such representation or warranty has occurred or for determining the amount of the Losses arising out of such breach.

Section 9.05 Indemnification Procedures. The party making a claim under this **Article IX** is referred to as the **Indemnified Party**, and the party against whom such claims are asserted under this **Article IX** is referred to as the **Indemnifying Party**. For purposes of this **Article IX**, (i) if Parent (or any other Parent Indemnitee) comprises the Indemnified Party, any references to Indemnifying Party (except provisions relating to an obligation to make payments) shall be deemed to refer to Stockholder Representative, and (ii) if Parent comprises the Indemnifying Party, any references to the Indemnified Party shall be deemed to refer to Stockholder Representative. Any payment received by Stockholder Representative as the Indemnified Party shall be distributed to the Stockholders in accordance with this Agreement.

(a) **Third Party Claims.** If any Indemnified Party receives notice of the assertion or commencement of any Action made or brought by any Person who is not a party to this Agreement or an Affiliate of a party to this Agreement or a Representative of the foregoing (a **Third Party Claim**) against such Indemnified Party with respect to which the Indemnifying Party is obligated to provide indemnification under this Agreement, the Indemnified Party shall give the Indemnifying Party reasonably prompt written notice thereof, but in any event not later than 45 calendar days after receipt of such notice of such Third Party Claim. The failure to give such prompt written notice shall not, however, relieve the Indemnifying Party of its indemnification obligations, except and only to the extent that the Indemnifying Party forfeits rights or defenses by reason of such failure, and/or to the extent that such failure (i) materially increases the dollar amount of any such claim for indemnification or (ii) materially prejudices the ability of the Indemnifying Party to defend such claim. Such notice by the Indemnified Party shall describe the Third Party Claim in reasonable detail, shall include copies of all material written evidence thereof and shall indicate the estimated amount, if reasonably practicable, of the Loss that has been or may be sustained by the Indemnified Party. The Indemnifying Party shall have the right to participate in, or by giving written notice to the

Table of Contents

Indemnified Party within 45 days after the Indemnified Party's delivery of the notice of the Third Party Claim to the Indemnifying Party, to assume the defense of any Third Party Claim at the Indemnifying Party's expense and by the Indemnifying Party's own counsel, and the Indemnified Party shall cooperate in good faith in such defense; *provided, that* if the Indemnifying Party is a Stockholder, such Indemnifying Party shall not have the right to defend or direct the defense of any such Third Party Claim (x) that is asserted directly by or on behalf of a Person that is a supplier or customer of the Company or any of its Subsidiaries, (y) that seeks an injunction or other equitable relief against the Indemnified Parties, (z) if the settlement of, or an adverse judgment with respect to, the Third Party Claim is not, in the good faith judgment of Parent, likely to establish a precedential custom or practice adverse to the continuing business interests or the reputation of Parent or any of its Affiliates and (aa) unless it provides Parent with evidence reasonably acceptable to Parent that the Indemnifying Party will have the financial resources to defend against the Third Party Claim and fulfill its indemnification obligations hereunder. In addition, the Indemnified Party may not assume the defense unless the Indemnifying Party notifies the Indemnified Party in writing within the time period during which it may assume the defense that the Indemnifying Party will indemnify the Indemnified Party from and against the entirety of any Losses the Indemnified Party may suffer resulting from, arising out of, relating to, in the nature of, or caused by the Third Party Claim. In the event that the Indemnifying Party assumes the defense of any Third Party Claim, subject to **Section 9.05(b)**, it shall have the right to take such action as it deems necessary to avoid, dispute, defend, appeal or make counterclaims pertaining to any such Third Party Claim in the name and on behalf of the Indemnified Party. In no event will the Indemnifying Party be permitted to continue to defend the Third Party Claim if it does not conduct such defense actively and diligently. The Indemnified Party shall have the right to participate in the defense of any Third Party Claim with counsel selected by it subject to the Indemnifying Party's right to control the defense thereof. The fees and disbursements of such counsel shall be at the expense of the Indemnified Party, *provided, that* if in the reasonable opinion of counsel to the Indemnified Party, (A) there are legal defenses available to an Indemnified Party that are different from or additional to those available to the Indemnifying Party; or (B) there exists a conflict of interest between the Indemnifying Party and the Indemnified Party that cannot be waived, the Indemnifying Party shall be liable for the reasonable fees and expenses of counsel to the Indemnified Party in each jurisdiction for which the Indemnified Party determines counsel is required. If the Indemnifying Party elects not to compromise or defend such Third Party Claim, fails to promptly notify the Indemnified Party in writing of its election to defend as provided in this Agreement, or fails to diligently prosecute the defense of such Third Party Claim, the Indemnified Party may, subject to **Section 9.05(b)**, pay, compromise, defend such Third Party Claim and seek indemnification for any and all Losses based upon, arising from or relating to such Third Party Claim. Stockholder Representative and Parent shall cooperate with each other in all reasonable respects in connection with the defense of any Third Party Claim, including making available records relating to such Third Party Claim and furnishing, without

expense (other than reimbursement of actual out-of-pocket expenses) to the defending party, management employees of the non-defending party as may be reasonably necessary for the preparation of the defense of such Third Party Claim.

(b) **Settlement of Third Party Claims.** Notwithstanding any other provision of this Agreement, the Indemnifying Party shall not enter into settlement of any Third Party Claim without the prior written consent of the Indemnified Party, except as provided in this **Section 9.05(b)**. If a firm offer is made to settle a Third Party Claim without leading to liability or the creation of a financial or other obligation on the part of the Indemnified Party and provides, in customary form, for the unconditional release of each Indemnified Party from all liabilities and obligations in connection with such Third Party Claim and the Indemnifying Party desires to accept and agree to such offer, the Indemnifying Party shall give written notice to that effect to the Indemnified Party. If the Indemnified Party fails to consent to such firm offer within ten Business Days after its receipt of such notice, the Indemnified Party may continue to contest or defend such Third Party Claim and in such event, the maximum liability of the Indemnifying Party as to such Third Party Claim shall not exceed the amount of such settlement offer. If the Indemnified Party fails to consent to such firm offer and also fails to assume defense of such Third Party Claim, the Indemnifying Party may settle the Third Party Claim upon the terms set forth in such firm offer to settle such Third Party Claim. If the Indemnified Party has assumed the defense pursuant to **Section 9.05(a)**, it shall not agree to any settlement without the written consent of the Indemnifying Party (which consent shall not be unreasonably withheld or delayed).

(c) **Direct Claims.** Any Action by an Indemnified Party on account of a Loss which does not result from a Third Party Claim (a **Direct Claim**) shall be asserted by the Indemnified Party giving the Indemnifying Party reasonably prompt written notice thereof, but in any event not later than 45 days after the Indemnified Party becomes aware of such Direct Claim. The failure to give such prompt written notice shall not, however, relieve the Indemnifying Party of its indemnification obligations, except and only to the extent that the Indemnifying Party forfeits rights or defenses by reason of such failure, and/or to the extent that such failure (i) materially increases the dollar amount of any such claim for indemnification or (ii) materially prejudices the ability of the Indemnifying Party to defend such claim. Such notice by the Indemnified Party shall describe the Direct Claim in reasonable detail, shall include copies of all material written evidence thereof and shall indicate the estimated amount, if reasonably practicable, of the Loss that has been or may be sustained by the Indemnified Party. The Indemnifying Party shall have 45 days after its receipt of such notice to respond in writing to such Direct Claim. The Indemnified Party shall allow the Indemnifying Party and its professional advisors to investigate the matter or circumstance alleged to give rise to the Direct Claim, and whether and to what extent any amount is payable in respect of the Direct Claim and the Indemnified Party shall assist the Indemnifying Party's investigation by giving such information and assistance (including access to the Company's premises and personnel and the right to examine and copy any accounts, documents or records) as the

Indemnifying Party or any of its professional advisors may reasonably request. If the Indemnifying Party does not so respond within such 45 day period, the Indemnifying Party shall be deemed to have rejected such claim, in which case the Indemnified Party shall be free to pursue such remedies as may be available to the Indemnified Party on the terms and subject to the provisions of this Agreement.

(d) **Tax Claims.** Notwithstanding any other provision of this Agreement, the control of any claim, assertion, event or proceeding in respect of Taxes of the Company or any of its Subsidiaries (including, but not limited to, any such claim in respect of a breach of the representations and warranties in **Section 3.22** hereof or any breach or violation of or failure to fully perform any covenant, agreement, undertaking or obligation in **Article VII**) shall be governed exclusively by **Article VII** hereof.

Section 9.06 **Payments; Indemnification Escrow Fund; Acknowledgment.**

(a) Once a Loss is agreed to by the Indemnifying Party or finally adjudicated to be payable pursuant to this **Article IX**, the Indemnifying Party shall satisfy its obligations within 60 days of such final, non-appealable adjudication by wire transfer of immediately available funds. The parties hereto agree that should an Indemnifying Party not make full payment of any such obligations within such 60 day period, any amount payable shall accrue interest from and including the date of agreement of the Indemnifying Party or final, non-appealable adjudication to but excluding the date such payment has been made at a rate per annum equal to the rate of interest from time to time announced publicly by Bank of America as its prime rate, plus 3%. Such interest shall be calculated daily on the basis of a 365 day year and the actual number of days elapsed, without compounding.

(b) Any Losses payable to a Parent Indemnitee pursuant to **Article IX** shall be satisfied: (i) from the Indemnification Escrow Fund; and (ii) to the extent the amount of Losses exceeds the amounts available to the Parent Indemnitee in the Indemnification Escrow Fund, from the Stockholders, severally and not jointly (in accordance with their Pro Rata Shares).

(c) Upon the termination of the Indemnification Escrow Fund pursuant to the terms of the Escrow Agreement, the Escrow Agent shall pay any amounts remaining in the Indemnification Escrow Fund to the Stockholders as set forth in the Escrow Agreement in accordance with their Pro Rata Shares.

(d) Each party hereto acknowledges such party's common law obligation to mitigate any Losses that such party may incur, sustain or have imposed upon such party.

Section 9.07 **Tax Treatment of Indemnification Payments.** All indemnification payments made under this Agreement shall be treated by the parties as an adjustment to the Purchase Price for Tax purposes, unless otherwise required by Law.

Section 9.08 **Effect of Investigation.** The representations, warranties and covenants of the Indemnifying Party, and the Indemnified Party's right to indemnification with respect thereto, shall not be affected or deemed waived by reason of any investigation made by or on behalf of the Indemnified Party (including by any of its Representatives) or by reason of the fact that the Indemnified Party or any of its Representatives knew or should have known that any such representation or warranty is, was or might be inaccurate or by reason of the Indemnified Party's waiver of any condition set forth in **Section 8.02** or **Section 8.03**, as the case may be.

Section 9.09 **Exclusive Remedies.** Subject to **Section 11.12**, the parties acknowledge and agree that their sole and exclusive remedy with respect to any and all claims (other than claims arising from fraud, criminal activity or willful misconduct on the part of a party hereto in connection with the transactions contemplated by this Agreement) for any breach of any representation, warranty, covenant, agreement or obligation set forth herein or otherwise relating to the subject matter of this Agreement, shall be pursuant to the indemnification provisions set forth in **Article VII** and this **Article IX**. In furtherance of the foregoing, each party hereby waives, to the fullest extent permitted under Law, any and all rights, claims and causes of action for any breach of any representation, warranty, covenant, agreement or obligation set forth herein or otherwise relating to the subject matter of this Agreement it may have against the other parties hereto and their Affiliates and each of their respective Representatives arising under or based upon any Law, except pursuant to the indemnification provisions set forth in **Article VII** and this **Article IX**. Nothing in this **Section 9.09** shall limit any Person's right to seek and obtain any equitable relief to which any Person shall be entitled or to seek any remedy on account of any party's fraudulent, criminal or intentional misconduct.

**ARTICLE X
TERMINATION**

Section 10.01 **Termination.** This Agreement may be terminated at any time prior to the Closing:

(b) by Parent by written notice to the Company if:

(i) neither Parent nor Merger Sub is then in material breach of any provision of this Agreement and there has been a material breach, inaccuracy in or failure to perform any representation, warranty, covenant or agreement made by the Company, or the Stockholders pursuant to this Agreement that would give rise to the failure of any of the conditions specified in **Article VIII** and such material breach, inaccuracy or failure has not been cured by the Company, or the Stockholders within twenty days of the Company's receipt of written notice of such breach from Parent;

(ii) any of the conditions set forth in **Section 8.01** or **Section 8.02** shall not have been, or if it becomes apparent that any of such conditions will not be, fulfilled by April 30, 2015, unless such failure shall be due to the failure of Parent to perform or comply with any of the covenants, agreements or conditions hereof to be performed or complied with by it prior to the Closing; or

(iii) the Unanimous Written Consent shall have not been obtained within three (3) Business Days after the date hereof.

(c) by the Company, or the Stockholders by written notice to Parent if:

(ii) any of the conditions set forth in **Section 8.01** or **Section 8.03** shall not have been, or if it becomes apparent that any of such conditions will not be, fulfilled by April 30, 2015, unless such failure shall be due to the failure of the Company, or the Stockholders to perform or comply with any of the covenants, agreements or conditions hereof to be performed or complied with by it prior to the Closing; or

(d) by Parent or the Company if there shall be any Law that makes consummation of the transactions contemplated by this Agreement illegal or otherwise prohibited or any Governmental Authority shall have issued a Governmental Order restraining or enjoining the transactions contemplated by this Agreement, and such Governmental Order shall have become final and non-appealable.

Section 10.02 **Effect of Termination.** In the event of the termination of this Agreement in accordance with this Article, this Agreement shall forthwith become void and there shall be no liability on the part of any party hereto except:

(a) as set forth in this **Article X**, **Section 6.02(b)** and **Article XI** hereof; and

(b) that nothing herein shall relieve any party hereto from liability for any willful breach of any provision hereof.

Edgar Filing: LIME ENERGY CO. - Form PRER14C

Parent shall be entitled to deal exclusively with Stockholder Representative on all matters relating to this Agreement (including **Article IX**) and shall be entitled to rely conclusively (without further evidence of any kind whatsoever) on any document executed or purported to be executed on behalf of any Stockholder by Stockholder Representative, and on any other action taken or purported to be taken on behalf of any Stockholder by Stockholder Representative, as being fully binding upon such Person. Notices or communications to or from Stockholder Representative shall constitute notice to or from each of the Stockholders. Any decision or action by Stockholder Representative hereunder, including any agreement between Stockholder Representative and Parent relating to the defense, payment or settlement of any claims for

indemnification hereunder, shall constitute a decision or action of all Stockholders and shall be final, binding and conclusive upon each such Person. No Stockholder shall have the right to object to, dissent from, protest or otherwise contest the same. The provisions of this Section, including the power of attorney granted hereby, are independent and severable, are irrevocable and coupled with an interest and shall not be terminated by any act of any one or Stockholders, or by operation of Law, whether by death or other event.

(b) The Stockholder Representative may resign at any time, and may be removed for any reason or no reason by the vote or written consent of a majority in interest of the Stockholders according to each Stockholder's Pro Rata Share (the **Majority Holders**); *provided, however*, in no event shall Stockholder Representative resign or be removed without the Majority Holders having first appointed a new Stockholder Representative who shall assume such duties immediately upon the resignation or removal of Stockholder Representative. In the event of the death, incapacity, resignation or removal of Stockholder Representative, a new Stockholder Representative shall be appointed by the vote or written consent of the Majority Holders. Notice of such vote or a copy of the written consent appointing such new Stockholder Representative shall be sent to Parent, such appointment to be effective upon the later of the date indicated in such consent or the date such notice is received by Parent; *provided*, that until such notice is received, Parent, Merger Sub and the Surviving Corporation shall be entitled to rely on the decisions and actions of the prior Stockholder Representative as described in **Section 11.01(a)** above.

(c) The Stockholder Representative shall not be liable to the Stockholders for actions taken pursuant to this Agreement or the Escrow Agreement, except to the extent such actions shall have been determined by a court of competent jurisdiction to have constituted gross negligence or involved fraud, intentional misconduct or bad faith (it being understood that any act done or omitted pursuant to the advice of counsel, accountants and other professionals and experts retained by Stockholder Representative shall be conclusive evidence of good faith). The Stockholders shall severally and not jointly (in accordance with their Pro Rata Shares), indemnify and hold harmless Stockholder Representative from and against, compensate it for, reimburse it for and pay any and all losses, liabilities, claims, actions, damages and expenses, including reasonable attorneys' fees and disbursements, arising out of and in connection with its activities as Stockholder Representative under this Agreement and the Escrow Agreement (the **Representative Losses**), in each case as such Representative Loss is suffered or incurred; *provided*, that in the event it is finally adjudicated that a Representative Loss or any portion thereof was primarily caused by the gross negligence, fraud, intentional misconduct or bad faith of Stockholder Representative, Stockholder Representative shall reimburse the Stockholders the amount of such indemnified Representative Loss attributable to such gross negligence, fraud, intentional misconduct or bad faith. The Representative Losses shall be satisfied: (i) from the Stockholder Representative Expense Fund; and (ii) to the extent the amount of the Representative Losses exceeds amounts available to Stockholder Representative under (i), from the Stockholders, severally and

not jointly (in accordance with their Pro Rata Shares). As soon as practicable after the date on which the final obligation of Stockholder Representative under this Agreement and the Escrow Agreement have been discharged or such other date as Stockholder Representative deems appropriate, the Escrow Agent shall pay any amounts remaining in the Stockholder Representative Fund to the Stockholders in accordance with their Pro Rata Shares, as set forth in the Escrow Agreement.

Section 11.02 Expenses. Except as otherwise expressly provided herein, all costs and expenses, including, without limitation, fees and disbursements of counsel, financial advisors and accountants, incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the party incurring such costs and expenses, whether or not the Closing shall have occurred; *provided, however*, the Company shall pay all amounts payable to FMI Capital Advisors.

Capitalized terms used herein but not otherwise defined shall have that meaning as set forth in the Merger Agreement, defined below.

RECITALS

WHEREAS, the Parties have entered into a Merger Agreement, dated March 2015 (the Merger Agreement), which, among other things, provides for the merger of Company with and into a wholly-owned subsidiary of Parent, with Company as the corporation surviving the merger.

WHEREAS, the Merger Agreement provides that \$ _____ shall be deposited by Parent with the Escrow Agent, to be held in an escrow account and to be distributed therefrom in accordance with, and on the terms and subject to the conditions of, this Escrow Agreement.

WHEREAS, the Parties acknowledge that the Escrow Agent is not a party to, is not bound by, and has no duties or obligations under, the Merger Agreement, that all references in this Escrow Agreement to the Merger Agreement are for convenience, and that the Escrow Agent shall have no implied duties beyond the express duties set forth in this Escrow Agreement.

NOW, THEREFORE, in consideration of the promises and agreements of the Parties and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties and the Escrow Agent agree as follows:

ARTICLE 1
ESCROW DEPOSIT

Section 1.1. Receipt of Escrow Property. Upon execution hereof, Parent shall deliver to the Escrow Agent, via wire transfer, the amount of \$ _____ (the Escrow Property) in immediately available funds. The Escrow Property consists of the Indemnification Escrow Amount in the amount of \$ _____, the Purchase Price Escrow Amount in the amount of \$250,000, and the Stockholder Representative Expense Amount in the amount of \$75,000 and all such amounts shall be maintained in separate accounts held by the Escrow Agent (respectively, the Indemnification Escrow Fund, the Purchase Price Escrow Fund, and the Stockholder Representative Expense Fund). The Escrow Property, together with all interest, dividends, income, capital gains and other amounts earned thereon or derived therefrom pursuant to the investments made, will be available to satisfy the indemnification obligations of the Stockholders set forth in the Merger Agreement,

Table of Contents

to satisfy any Post-Closing Adjustment, and to fund any expenses of the Stockholder Representative arising in connection with the administration of Stockholder Representative's duties in the Merger Agreement.

Section 1.2. Investments.

(a) The Escrow Agent shall invest the Escrow Property, including any and all interest and investment income, in accordance with the written instructions provided to the Escrow Agent and signed by the Parent and the Stockholder Representative. In the absence of written investment instructions, the Escrow Agent shall deposit and invest the Escrow Property, including any and all interest and investment income, in the M&T Bank Corporate Deposit Account, which is further described herein on **Exhibit A**. Any investment earnings and income on the Escrow Property shall become part of the Escrow Property, and shall be disbursed in accordance with Section 1.3 or Section 1.5 of this Escrow Agreement.

(b) The Escrow Agent is hereby authorized and directed to sell or redeem any such investments as it deems necessary to make any payments or distributions required under this Escrow Agreement. The Escrow Agent shall have no responsibility or liability for any loss which may result from any investment or sale of investment made pursuant to this Escrow Agreement. The Escrow Agent is hereby authorized, in making or disposing of any investment permitted by this Escrow Agreement, to deal with itself (in its individual capacity) or with any one or more of its affiliates, whether it or any such affiliate is acting as agent of the Escrow Agent or for any third person or dealing as principal for its own account. The Parties acknowledge that the Escrow Agent is not providing investment supervision, recommendations, or advice.

Section 1.3. Disbursements. For a period of 18 months following the date hereof (the Obligation Period), the Escrow Agent shall distribute or release the Escrow Property in accordance with the following express terms and conditions:

(a) The Escrow Agent shall make disbursements from the Indemnification Escrow Fund as follows:

(i) In accordance with, and subject to, the terms of the Merger Agreement, if Parent receives written notice which involves the assertion of any claim or the commencement of any Action in respect of which an indemnity may be sought by Parent pursuant to Article VII of the Merger Agreement, Parent shall give written notice (a Tax Claim Notice) to the Stockholder Representative and the Escrow Agent specifying in reasonable detail the nature and dollar amount of any taxes due from any Pre-Closing Tax Periods or any Straddle Period (Tax Claim), as described in Article VII of the Merger Agreement. The Stockholder Representative may dispute any Tax Claim, or any portion thereof, by providing written notice (Tax Contest Notice) to Parent and the Escrow Agent before 5:00 p.m. Pacific time on the 20th business day following receipt by the Escrow Agent of the Tax Claim Notice (Tax Objection Period). If no Tax Contest Notice is received by the

Escrow Agent prior to the expiration of the Tax Objection Period, then the dollar amount of the Tax Claim set forth in Parent's Tax Claim Notice shall be deemed established and, within 5 business days following the Tax Objection Period, the Escrow Agent shall disburse to Parent the dollar amount of the Tax Claim from the Indemnification Escrow Fund as instructed in the Tax Claim Notice.

(ii) In accordance with, and subject to, the terms of the Merger Agreement, if Parent receives notice of the assertion or commencement of any Action made or brought by any Person who is not a party to the Merger Agreement or an Affiliate of a party to the Merger Agreement or a Representative of the foregoing (a Third Party Claim) against Parent with respect to which the Shareholders are obligated to provide indemnification under the Merger Agreement, or if any Action by the Parent on account of a Loss which does not result in a Third Party Claim (a Direct Claim) with respect to which the Shareholders are obligated to provide indemnification under the Merger Agreement, Parent shall give written notice (an Indemnification Claim Notice) to the Stockholder Representative and the Escrow Agent specifying in reasonable detail the nature and dollar amount of any indemnification claim (an Indemnification Claim) that Parent has under Article IX of the Merger Agreement. The Stockholder Representative may dispute any Indemnification Claim, or any portion thereof, by providing written notice (Indemnification Contest Notice) to Parent and the Escrow Agent before 5:00 p.m. Pacific time on the 45th day following receipt by the Escrow Agent of the Indemnification Claim Notice (Indemnification Objection Period). If no Indemnification Contest Notice is received by the Escrow Agent prior to the expiration of the Indemnification Objection Period, then the dollar amount of the Indemnification Claim set forth in Parent's Indemnification Claim Notice shall be deemed established and, within 5 business days following the Indemnification Objection Period, the Escrow Agent shall disburse to Parent the dollar amount of the Indemnification Claim from the Indemnification Escrow Fund as instructed in the Indemnification Claim Notice.

(iii) If a Tax Contest Notice or Indemnification Contest Notice (each a Contest Notice) is given, the dollar amount of such Tax Claim or Indemnification Claim which is not disputed in the respective Contest Notice (the Undisputed Damages) shall be deemed established for purposes of this Escrow Agreement and the Escrow Agent shall disburse the dollar amount of the Undisputed Damages from the Indemnification Escrow Fund within 5 Business Days following receipt of joint written instructions from the Parent and Stockholder Representative. The Escrow Agent shall make payment with respect to the disputed portion of any Tax Claim or Indemnification Claim only in accordance with (A) joint written instructions of Parent and the Stockholder Representative or (B) an arbitral award or court judgment which is final and non-appealable subject to the limitations sets forth in Section 1.3(e).

(b) Following the final determination of the Post-Closing Adjustment, as set forth in Section 2.17 of the Merger Agreement, the Escrow Agent shall make disbursements from the Purchase Price Escrow Fund as follows:

(i) If the Post-Closing Adjustment is a negative number, Stockholder Representative and Parent shall, within two business days after the final determination of the Post-Closing Adjustment, jointly instruct the Escrow Agent to disburse amounts from the Purchase Price Adjustment Escrow Fund by wire transfer of immediately available funds (A) to Parent, the Post-Closing Adjustment, and (B) to the Paying Agent (Wilmington National Trust, National Association), for distribution to the Stockholders in accordance with their Pro Rata Shares, such Stockholders' aggregate Pro Rata Share of any amounts remaining in the Purchase Price Adjustment Escrow Fund. If the Post-Closing Adjustment is greater than the amount held in the Purchase Price Adjustment Escrow Fund, then Stockholder Representative and Parent shall jointly instruct the Escrow Agent to, first, disburse from the Stockholder Representative Expense Fund by wire transfer of immediately available funds to Parent the amount by which the Post-Closing Adjustment exceeds the amount in the Purchase Price Adjustment Escrow Fund (up to the amount in the Stockholder Representative Expense Fund) and, second, disburse from the Indemnification Escrow Fund by wire transfer of immediately available funds to Parent the amount by which the Post-Closing Adjustment exceeds the sum of the amounts in the Purchase Price Adjustment Escrow Fund and the Stockholder Representative Expense Fund (up to the amount in the Indemnification Escrow Fund).

(ii) If the Post-Closing Adjustment is a positive number, Stockholder Representative and Parent shall jointly instruct the Escrow Agent to disburse amounts from the Purchase Price Adjustment Escrow Fund by wire transfer of immediately available funds to the Paying Agent, for distribution to the Stockholders in accordance with their Pro Rata Shares, such Stockholders' aggregate Pro Rata Share of the Purchase Price Adjustment Escrow Fund.

(c) The Stockholder Representative shall instruct the Escrow Agent to disburse to the Stockholder Representative from the Stockholder Representative Expense Fund by wire transfer of immediately available funds (i) any Independent Accountant fees and expenses, as permitted under Section 2.17(c)(iv) of the Merger Agreement, (ii) the amount of any Representative Losses and (iii) any fees and expenses (including without limitation legal, accounting and other professional fees) of Stockholder Representative arising in connection with the administration of the Stockholder Representative's duties in the Merger Agreement after the Effective Time. Further, at the sole instruction of Stockholder Representative, Escrow Agent shall retain a sub-account as to any amounts that Stockholder Representative designates that would otherwise be distributed to Stephan Guthrie and Janina Guthrie, as shareholders, and Escrow Agent shall retain such funds in the sub-account until such time as Stockholder Representative further instructs Escrow Agent to disburse such funds to the Paying Agent for distribution as directed by Stockholder Representative.

(d) In the event that Escrow Agent makes any payment to any other party pursuant to this Escrow Agreement and for any reason such payment (or any portion thereof) is required to be returned to the Escrow Account or another party or is subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a receiver, trustee or other party under any bankruptcy or insolvency law, other federal or state law, common law or equitable doctrine, then the recipient shall repay to the Escrow Agent upon written request the amount so paid to it.

(e) The Escrow Agent shall, in its sole discretion, comply with judgments or orders issued or process entered by any court with respect to the Escrow Property, including without limitation any attachment, levy or garnishment, without any obligation to determine such court's jurisdiction in the matter and in accordance with its normal business practices. If the Escrow Agent complies with any such judgment, order or process, then it shall not be liable to any Party or any other person by reason of such compliance, regardless of the final disposition of any such judgment, order or process.

(f) In the event that a Party gives funds transfer instructions (other than in writing at the time of execution of this Escrow Agreement), whether in writing, by telecopier or otherwise, the Escrow Agent is authorized to seek confirmation of such instructions by telephone call-back to the authorized person or persons of all Parties, and the Escrow Agent may rely upon the confirmations of anyone purporting to be the person or persons so designated provided no call back is required if the Escrow Agent receives original instructions. The persons and telephone numbers for callbacks may be changed only in a writing actually received and acknowledged by the Escrow Agent. The Parties agree that such security procedure is commercially reasonable.

(g) Upon request the Escrow Agent will furnish monthly statements to the Parties setting forth the activity in the Account.

Section 1.4. Income Tax Allocation and Reporting.

(a) The Parties agree that, for tax reporting purposes, all interest and other income from investment of the Escrow Property shall, as of the end of each calendar year and to the extent required by the Internal Revenue Service, be reported as having been earned by the Stockholders, in accordance with their Pro Rata Shares which are set forth on Exhibit D hereto, whether or not such income was disbursed during such calendar year.

(b) Prior to closing, the Parties shall provide the Escrow Agent with certified tax identification numbers by furnishing appropriate forms W-9 or W-8 and such other forms and documents that the Escrow Agent may request. The Parties understand that if such tax reporting documentation is not provided and certified to the Escrow Agent, the Escrow Agent may be required by the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder, to withhold a

portion of any interest or other income earned on the investment of the Escrow Property.

(c) To the extent that the Escrow Agent becomes liable for the payment of any taxes in respect of income derived from the investment of the Escrow Property, the Escrow Agent shall satisfy such liability to the extent possible from the Escrow Property. The Parties, jointly and severally, shall indemnify, defend and hold the Escrow Agent harmless from and against any tax, late payment, interest, penalty or other cost or expense that may be assessed against the Escrow Agent on or with respect to the Escrow Property and the investment thereof unless such tax, late payment, interest, penalty or other expense was directly caused by the gross negligence or willful misconduct of the Escrow Agent. The indemnification provided by this Section 1.4(c) is in addition to the indemnification provided in Section 3.1 and shall survive the resignation or removal of the Escrow Agent and the termination of this Escrow Agreement.

Section 1.5. Termination.

(a) If no Tax Claim or Indemnification Claim is outstanding at the expiration of the Obligation Period, the Escrow Agent shall release, within five business days following the expiration of the Obligation Period, the remaining balance of the Escrow Property as set forth in joint written instructions delivered by the Parent and the Stockholder Representative shall be distributed to Paying Agent for distribution to the accounts of the Stockholders as specifically directed by Stockholder Representative.

(b) If a Tax Claim Notice or an Indemnification Claim Notice has been delivered prior to the expiration of the Obligation Period and is still outstanding at the time of the expiration of the Obligation Period, then, within five days following the expiration of the Obligation Period, the Escrow Agent shall release all of the Escrow Property but the disputed portion of any Tax Claim or Indemnification Claim (as shown in the applicable Contest Notices) (the Holdback Amount) to Paying Agent for distribution to the accounts of the Stockholders as specifically directed by Stockholder Representative.

The Obligation Period shall be extended until such time as the earlier of (i) all outstanding Tax Claims and Indemnification Claims are undisputed between the Parent and the Stockholder Representative and they jointly provide written instruction to the Escrow Agent or (ii) a final non-appealable order of a court of competent jurisdiction or a final non-appealable arbitration decision regarding any outstanding Tax Claim or Indemnification Claim is entered such that, after giving effect to such order or decision, there are no outstanding Tax Claims or Indemnification Claims. During the extended Obligation Period, the process and time periods set forth in 1.3(a) for addressing a Tax Claim Notice or an Indemnification Claim Notice that was filed prior to the original Obligation Period, shall continue to apply during the extended Obligation Period. To the extent any portion of the Holdback Amount remains following the resolution of all outstanding Tax Claims and Indemnification Claims as evidenced by (x) an agreement as to

Table of Contents

such claims between Parent and Stockholder Representative or (y) the final non-appealable order of a court of competent jurisdiction or a final non-appealable arbitration decision regarding any outstanding Tax Claim or Indemnification Claim, the Escrow Agreement shall disburse any remaining Holdback Amount pursuant to the joint written instructions of the Parent and Stockholder Representative for distribution to Paying Agent for distribution to the accounts of the Stockholders as specifically directed by Stockholder Representative.

(b) This Escrow Agreement shall be of no further force and effect upon the later to occur of (i) the end of the Obligation Period and (ii) the disbursement of the Holdback Amount, except that the provisions of Sections 1.4(c), 3.1 and 3.2 hereof shall survive termination.

ARTICLE 2
DUTIES OF THE ESCROW AGENT

Section 2.1. Scope of Responsibility. Notwithstanding any provision to the contrary, the Escrow Agent is obligated only to perform the duties specifically set forth in this Escrow Agreement, which shall be deemed purely ministerial in nature. Under no circumstances will the Escrow Agent be deemed to be a fiduciary to any Party or any other person under this Escrow Agreement. The Escrow Agent will not be responsible or liable for the failure of any Party to perform in accordance with this Escrow Agreement. The Escrow Agent shall neither be responsible for, nor chargeable with, knowledge of the terms and conditions of any other agreement, instrument, or document other than this Escrow Agreement, whether or not an original or a copy of such agreement has been provided to the Escrow Agent; and the Escrow Agent shall have no duty to know or inquire as to the performance or nonperformance of any provision of any such agreement, instrument, or document. References in this Escrow Agreement to any other agreement, instrument, or document are for the convenience of the Parties, and the Escrow Agent has no duties or obligations with respect thereto. This Escrow Agreement sets forth all matters pertinent to the escrow contemplated hereunder, and no additional obligations of the Escrow Agent shall be inferred or implied from the terms of this Escrow Agreement or any other agreement.

Section 2.2. Attorneys and Agents. The Escrow Agent shall be entitled to rely on and shall not be liable for any action taken or omitted to be taken by the Escrow Agent in accordance with the advice of counsel or other professionals retained or consulted by the Escrow Agent. The Escrow Agent shall be reimbursed as set forth in Section 3.1 for any and all compensation (fees, expenses and other costs) paid and/or reimbursed to such counsel and/or professionals. The Escrow Agent may perform any and all of its duties through its agents, representatives, attorneys, custodians, and/or nominees.

Section 2.3. Reliance. The Escrow Agent shall not be liable for any action taken or not taken by it in accordance with the direction or consent of the Parties or their respective agents, representatives, successors, or assigns. The Escrow Agent shall not be liable for acting or refraining from acting upon any notice, request, consent,

direction, requisition, certificate, order, affidavit, letter, or other paper or document believed by it to be genuine and correct and to have been signed or sent by the proper person or persons, without further inquiry into the person's or persons' authority. Concurrent with the execution of this Escrow Agreement, the Parties shall deliver to the Escrow Agent authorized signers' forms in the form of Exhibit B-1 and Exhibit B-2 to this Escrow Agreement.

Section 2.4. Right Not Duty Undertaken. The permissive rights of the Escrow Agent to do things enumerated in this Escrow Agreement shall not be construed as duties.

ARTICLE 3
PROVISIONS CONCERNING THE ESCROW AGENT

Section 3.1. Indemnification. The Parties hereby agree, jointly and severally, to indemnify Escrow Agent, its directors, officers, employees and agents (collectively, the Indemnified Parties), and hold the Indemnified Parties harmless from any and against all liabilities, losses, actions, suits or proceedings at law or in equity, and any other expenses, fees or charges of any character or nature, including, without limitation, attorney's fees and expenses, which an Indemnified Party may incur or with which it may be threatened by reason of acting as or on behalf of Escrow Agent under this Agreement or arising out of the existence of the Escrow Account, except to the extent the same shall be caused by Escrow Agent's gross negligence or willful misconduct. Escrow Agent shall have a first lien against the Escrow Account to secure the obligations of the parties hereunder. The terms of this paragraph shall survive termination of this Agreement.

Section 3.2. Limitation of Liability. THE ESCROW AGENT SHALL NOT BE LIABLE, DIRECTLY OR INDIRECTLY, FOR ANY (I) DAMAGES, LOSSES OR EXPENSES ARISING OUT OF THE SERVICES PROVIDED HEREUNDER, OTHER THAN DAMAGES, LOSSES OR EXPENSES WHICH HAVE BEEN FINALLY ADJUDICATED TO HAVE DIRECTLY RESULTED FROM THE ESCROW AGENT'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, OR (II) SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES OR LOSSES OF ANY KIND WHATSOEVER (INCLUDING WITHOUT LIMITATION LOST PROFITS), EVEN IF THE ESCROW AGENT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH LOSSES OR DAMAGES AND REGARDLESS OF THE FORM OF ACTION.

Section 3.3. Resignation or Removal. The Escrow Agent may resign by furnishing written notice of its resignation to the Parties, and the Parties may remove the Escrow Agent by furnishing to the Escrow Agent a joint written notice of its removal along with payment of all fees and expenses to which it is entitled through the date of termination. Such resignation or removal, as the case may be, shall be effective thirty (30) days after the delivery of such notice or upon the earlier appointment of a successor, and the Escrow Agent's sole responsibility thereafter shall be to safely keep the Escrow Property and to deliver the same to a successor escrow agent as shall be appointed by the Parties, as evidenced by a joint written notice filed with the Escrow Agent or in accordance with a court order. If the Parties have failed to

appoint a successor escrow agent prior to the expiration of thirty (30) days following the delivery of such notice of resignation or removal, the Escrow Agent may petition any court of competent jurisdiction for the appointment of a successor escrow agent or for other appropriate relief, and any such resulting appointment shall be binding upon the Parties.

Section 3.4. Compensation. The Escrow Agent shall be entitled to compensation for its services as stated in the fee schedule attached hereto as Exhibit C, which compensation shall be a Transaction Expense and shall be paid by Parent at Closing. The fee agreed upon for the services rendered hereunder is intended as compensation for the Escrow Agent's services as contemplated by this Escrow Agreement; provided, however, that in the event that the conditions for the disbursement of funds under this Escrow Agreement are not fulfilled, or the Escrow Agent renders any service not contemplated in this Escrow Agreement, or there is any assignment of interest in the subject matter of this Escrow Agreement, or any material modification hereof, or if any material controversy arises hereunder, or the Escrow Agent is made a party to any litigation pertaining to this Escrow Agreement or the subject matter hereof, then the Escrow Agent shall be compensated for such extraordinary services and reimbursed for all costs and expenses, including reasonable attorneys' fees and expenses, occasioned by any such delay, controversy, litigation or event. If any amount due to the Escrow Agent hereunder is not paid within thirty (30) days of the date due, the Escrow Agent in its sole discretion may charge interest on such amount up to the highest rate permitted by applicable law. The Escrow Agent shall have, and is hereby granted, a prior lien upon the Escrow Property with respect to its unpaid fees, non-reimbursed expenses and unsatisfied indemnification rights, superior to the interests of any other persons or entities and is hereby granted the right to set off and deduct any unpaid fees, non-reimbursed expenses and unsatisfied indemnification rights from the Escrow Property. The terms of this paragraph shall survive termination of this Agreement.

Section 3.5. Disagreements. If any conflict, disagreement or dispute arises between, among, or involving any of the parties hereto concerning the meaning or validity of any provision hereunder or concerning any other matter relating to this Escrow Agreement, or the Escrow Agent is in doubt as to the action to be taken hereunder, the Escrow Agent may, at its option, retain the Escrow Property until the Escrow Agent (i) receives a final non-appealable order of a court of competent jurisdiction or a final non-appealable arbitration decision directing delivery of the Escrow Property, (ii) receives a written agreement executed by each of the parties involved in such disagreement or dispute directing delivery of the Escrow Property, in which event the Escrow Agent shall be authorized to disburse the Escrow Property in accordance with such final court order, arbitration decision, or agreement, or (iii) files an interpleader action in any court of competent jurisdiction, and upon the filing thereof, the Escrow Agent shall be relieved of all liability as to the Escrow Property and shall be entitled to recover attorneys' fees, expenses and other costs incurred in commencing and maintaining any such interpleader action. The Escrow Agent shall be entitled to act on any such agreement, court order, or arbitration decision without further question, inquiry, or consent.

Section 3.6. Merger or Consolidation. Any corporation or association into which the Escrow Agent may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer all or substantially all of its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which the Escrow Agent is a party, shall be and become the successor escrow agent under this Escrow Agreement and shall have and succeed to the rights, powers, duties, immunities and privileges as its predecessor, without the execution or filing of any instrument or paper or the performance of any further act.

Section 3.7. Attachment of Escrow Property; Compliance with Legal Orders. In the event that any Escrow Property shall be attached, garnished or levied upon by any court order, or the delivery thereof shall be stayed or enjoined by an order of a court, or any order, judgment or decree shall be made or entered by any court order affecting the Escrow Property, the Escrow Agent is hereby expressly authorized, in its sole discretion, to respond as it deems appropriate or to comply with all writs, orders or decrees so entered or issued, or which it is advised by legal counsel of its own choosing is binding upon it, whether with or without jurisdiction. In the event that the Escrow Agent obeys or complies with any such writ, order or decree it shall not be liable to any of the Parties or to any other person, firm or corporation, should, by reason of such compliance notwithstanding, such writ, order or decree be subsequently reversed, modified, annulled, set aside or vacated.

Section 3.8 Force Majeure. The Escrow Agent shall not be responsible or liable for any failure or delay in the performance of its obligation under this Escrow Agreement arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including, without limitation, acts of God; earthquakes; fire; flood; wars; acts of terrorism; civil or military disturbances; sabotage; epidemic; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications services; accidents; labor disputes; acts of civil or military authority or governmental action; it being understood that the Escrow Agent shall use commercially reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as reasonably practicable under the circumstances.

Section 3.9 Compliance with Legal Orders. Escrow Agent shall be entitled to consult with legal counsel in the event that a question or dispute arises with regard to the construction of any of the provisions hereof, and shall incur no liability and shall be fully protected in acting in accordance with the advice or opinion of such counsel.

Section 3.10 Disagreements. In the event Escrow Agent receives conflicting instructions hereunder, Escrow Agent shall be fully protected in refraining from acting until such conflict is resolved to the satisfaction of Escrow Agent.

Section 3.11 No Financial Obligation. Escrow Agent shall not be required to use its own funds in the performance of any of its obligations or duties or the exercise of

any of its rights or powers, and shall not be required to take any action which, in Escrow Agent's sole and absolute judgment, could involve it in expense or liability unless furnished with security and indemnity which it deems, in its sole and absolute discretion, to be satisfactory.

ARTICLE 4
MISCELLANEOUS

Section 4.1. Successors and Assigns. This Escrow Agreement shall be binding on and inure to the benefit of the Parties and the Escrow Agent and their respective successors and permitted assigns. No other persons shall have any rights under this Escrow Agreement. No assignment of the interest of any of the Parties shall be binding unless and until written notice of such assignment shall be delivered to the other Parties and the Escrow Agent and shall require the prior written consent of the other Parties and the Escrow Agent (such consent not to be unreasonably withheld).

Section 4.2. Escheat. The Parties are aware that under applicable state law, property which is presumed abandoned may under certain circumstances escheat to the applicable state. The Escrow Agent shall have no liability to the Parties, their respective heirs, legal representatives, successors and assigns, or any other party, should any or all of the Escrow Property escheat by operation of law.

Section 4.3. Notices. NON-COMPETITION AGREEMENT

THIS AGREEMENT (this **Agreement**) is made and entered into on [•], 2015 between [] (**Seller**) and Lime Energy Co., a Delaware corporation (**Lime**), and relates to the transactions provided in that certain Agreement and Plan of Merger, [dated as of the date hereof], by and among Lime, EIHC MergerSub, Inc., a wholly-owned subsidiary of Lime (**Merger Sub**), EnerPath International Holding Company (**EnerPath**), Seller and the other signatories thereto pursuant to which Merger Sub, subject to certain conditions, has agreed to merge with and into EnerPath such that, as of the Effective Time, EnerPath shall be a wholly-owned subsidiary of Lime. Any capitalized terms used herein and not otherwise defined herein shall have the same meanings given to such terms in such agreement (as the same may from time to time be amended, restated, supplemented or otherwise modified, the **Purchase Agreement**).

BACKGROUND

WHEREAS, EnerPath is engaged in the business of marketing to and providing utilities or government agencies and authorities with Demand Side Management Services for small- and medium-sized businesses (**DSM Services**) involving one or more of the following: energy audits, energy system retrofits and installations, host customer outreach and marketing, data-mining and analytics, software development and deployment, and program management (such business, as conducted as of the date hereof, and including proposed products and products in development, is defined herein as the **Business**);

WHEREAS, (i) Seller is a beneficial and record owner of certain shares of Common Stock of EnerPath, (ii) Seller is an employee of EnerPath (or a wholly-owned subsidiary thereof) and (iii) pursuant to Seller's ownership interest in, and employment with, Enerpath, Seller had, and will continue to have, access to trade secrets and other confidential or sensitive information relating to the Company, its customers and the Business;

WHEREAS, Seller is selling all of his ownership interests in EnerPath pursuant to the Purchase Agreement and it is integral to the Merger, Lime's acquisition of ownership of EnerPath and the transactions contemplated by the Purchase Agreement and a condition precedent to the execution of the Purchase Agreement by Lime and Merger Sub that Seller enter into this Agreement with Lime to provide for the protection of the customer relationships, trade secrets and other confidential and sensitive information of the Business; and

WHEREAS, the parties hereto intend that the restrictions of this Agreement shall become effective, automatically and without the necessity of any further action on the part of any party hereto or any other Person, commencing on and as of the Effective Time.

NOW THEREFORE, for value received, and in consideration of benefits and payments extended by Lime to Seller pursuant to the Purchase Agreement, the parties, intending to be legally bound, agree as follows:

Table of Contents

SECTION 1. Definitions. The following terms have the meanings specified or referred to in this Section 1:

- (a) **Restricted Area** means California and other states in which the Business has occurred as of the Effective Time.
- (b) **Restricted Period** means the period beginning on the date hereof and ending on the [fifth (5th) / second (2nd)] anniversary of the date hereof.

SECTION 2. Non-Competition and Non-Solicitation.

(A) Seller agrees that during the Restricted Period he shall not, directly or indirectly, through any Affiliate or otherwise, anywhere in the Restricted Area:

(i) own, manage, market, operate, control, consult with, participate in, or be connected in any manner with the ownership, management, operation, or control of any business which (a) engages, directly or indirectly, in any business that is the same or substantially similar to the Business or (b) sells any product that is the same or substantially similar to any product sold by the Business, except in, each case, his capacity as an employee of EnerPath, Lime or any of its Subsidiaries;

(ii) be or become a shareholder, partner, manager, member, owner, agent of, or a consultant to or give financial or other assistance to, any Person (a) considering engaging in or who is engaged in any business that is the same or substantially similar to the Business, or (b) considering selling or who sells any product that is the same or substantially similar to any product sold by the Business, except in, in each case, his capacity as an employee of Lime or any of its Subsidiaries; or

(iii) seek in competition with the Company or its Subsidiaries to do business with any customer of the Company or its Subsidiaries as of the Effective Time for which the Company or the Subsidiary has sold products or provided services at any time as part of its Business;

provided, however, that nothing in this Agreement shall prohibit Seller solely from owning, as a passive investor, not more than two percent (2%) in the aggregate of the outstanding publicly traded securities of any Person so engaged, further that nothing in this Agreement shall prohibit Seller from engaging in energy sector activities that do not compete with the Business, for example, the Seller may work as an employee of a utility, of a government agency, of a government authority, of an engineering firm, consultancy, project developer or energy services company that is advising clients on energy or developing projects and seeking incentives for specific project(s), but not offering DSM Services to an agency, authority or utility in the Restricted Area, of an independent power producer, of an equipment supplier or software developer that is not offering DSM Services to an agency, authority or utility in the Restricted Area, of a Public Utility Commission or like entity, of a State Energy Office or like entity, of a Department of Environmental Protection or like entity, of a Regional Transmission Organization, of an Independent System Operator, of an independent market monitor, and of a non-profit advocacy organization.

(B) During the Restricted Period, the Seller shall not ,directly or indirectly on behalf of himself or itself or others, through any Affiliate or otherwise, anywhere in the Restricted Area, hire, solicit, or contact with a view to the engagement or employment of, any Person who is an employee of the Company or any of its Subsidiaries as of the Effective Time; or engage in or participate in any effort or act to induce any of the customers, suppliers, consultants, or employees of the Company or any of its Subsidiaries as of the Effective Time to take any action to discontinue or reduce the business done with the Company or any of its Subsidiaries as of the Effective Time.

(C) The duration of the covenants set forth in Section 2(A) and Section 2(B) above shall be extended by a period of time equal to the number of calendar days, if any, during which Seller is in violation of any of the provisions contained in such Sections, only if Lime has provided to Seller written notice of the alleged violations.

SECTION 3. Specific Performance. In the event of a breach of Section 2, the damage or imminent damage to Lime will be inestimable and therefore any remedy at law or in monetary damages shall be inadequate. Accordingly, Lime shall, in addition to monetary damages incurred by reason of any such breach, without the necessity of posting any bond or security, be entitled to injunctive relief against Seller for breach of such section.

SECTION 4. Notice. All notices and other communications given or made pursuant to this Agreement shall be in writing and shall be deemed effectively given upon the earlier of actual receipt or: (a) personal delivery to the party to be notified, (b) when sent, if sent by electronic mail followed by a copy via registered or certified mail or overnight mail, (c) when sent, if sent by facsimile and followed by a copy via registered or certified or overnight mail, (d) three (3) calendar days after having been sent by registered or certified mail, return receipt requested, postage prepaid, or (e) one Business Day after deposit with a nationally recognized overnight courier, freight prepaid, specifying next Business Day delivery, with written verification of receipt. SECTION 5. Construction. It is the intention of the parties to this Agreement that the non-competition covenants contained herein shall be enforced to the greatest extent (but to no greater extent) in time, area, and degree of participation as is permitted by the Law of that jurisdiction whose Law is applicable to any acts allegedly in breach of such covenants. To this end, the parties to this Agreement agree that the covenants contained in Section 2 shall be construed to extend in time and territory and with respect to degree of participation only so far as they may be enforced in such jurisdiction, and that the covenants contained in Section 2 are to that end hereby declared divisible and severable. It being the purpose of Section 2 to govern competition by Seller the non-competition covenants contained in Section 2 shall be governed by and construed according to the Law of all the jurisdictions in which competition in breach of this Agreement is alleged to have occurred or to be threatened that best gives them effect. The parties have participated jointly in the negotiation and drafting of this Agreement. If an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as having been drafted jointly by the parties and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

SECTION 6. Amendment and Waiver. This Agreement may be amended (and any right hereunder extended or waived) by the parties hereto at any time by execution of an instrument in writing signed on behalf of Seller and Lime. No failure or delay by any party in the exercise of any right under this Agreement shall impair such right or be construed to be a waiver of, or acquiescence in, any breach of any covenant, or agreement in this Agreement, nor shall any single or partial exercise of any such right preclude other or further exercise thereof, or of any other right. All rights and remedies existing under this Agreement are cumulative to, and not exclusive of, any rights or remedies otherwise available.

SECTION 7. Successors and Assigns Bound. The terms and conditions of this Agreement shall inure to the benefit of and be binding upon the respective successors and assigns of the parties. Nothing in this Agreement, express or implied, is intended to confer upon any party other than the parties hereto or their respective successors and assigns any rights, remedies, obligations, or liabilities under or by reason of this Agreement, except as expressly provided in this Agreement.

SECTION 8. Titles and Subtitles. The titles and subtitles used in this Agreement are used for convenience only and are not to be considered in construing or interpreting this Agreement.

SECTION 9. Governing Law and Jurisdiction. Subject to Section 5, this Agreement shall be governed by, and construed in accordance with, the Laws of the State of Delaware, regardless of the Laws that might otherwise govern under applicable principles of conflicts of Law (except

that federal Law shall apply to the extent applicable). Except as otherwise expressly provided in this Agreement, each of the parties to this Agreement, by acceptance of consideration specified herein, hereby irrevocably and unconditionally agrees to be subject to, and hereby consents and submits to, the exclusive jurisdiction of the federal courts of the District of Delaware or of the state courts of New Castle County, State of Delaware, and agrees that any action involving any equitable or other claim shall be brought in the federal courts of the District of Delaware or in the state courts of New Castle County, State of Delaware.

SECTION 10. Payment of Fees and Costs of Enforcement. If any action at Law or in equity (including arbitration) is necessary to enforce or interpret the terms of this Agreement, the prevailing party shall be entitled to reasonable attorneys' fees, costs and necessary disbursements in addition to any other relief to which such party may be entitled.

SECTION 11. Severability. Subject to Section 5, the invalidity or unenforceability of any provision hereof shall in no way affect the validity or enforceability of any other provision, and this Agreement shall be construed in all respects as if such invalid or unenforceable provisions or parts were omitted.

SECTION 12. Arbitration. All disputes arising hereunder between Seller and Lime that cannot be resolved without litigation shall be submitted to final and binding arbitration before the Judicial Arbitration and Mediation Service (**JAMS**) in Los Angeles or Santa Monica, California in accordance with the then applicable JAMS rules, to the extent permitted by law. A single arbitrator shall apply applicable California and/or federal substantive law to decide the case and shall in writing state the essential findings of fact and conclusions of law supporting any award. The parties incorporate by this reference California Code of Civil Procedure Section 1283.05, which gives the parties certain discovery rights. The California Evidence Code shall be applied to and enforced by the Arbitrator with regard to all evidentiary matters. Lime shall pay the arbitrator's fees and JAMS charges in connection with any such arbitration if required by California law. The prevailing party shall be awarded other costs and their reasonable attorneys' Fees. A judgment of any court having jurisdiction may be entered on the arbitration award. Any party may go to court to seek temporary and preliminary injunctive relief, in accordance with applicable law, necessary to prevent or stop irreparable harm pending the outcome and in aid of arbitration of their dispute. Seller and Lime each understand that, in agreeing to binding arbitration, they are voluntarily giving up any right to trial by jury.

SECTION 13. Counterparts; Facsimile. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original (including facsimile and pdf signatures), and any Person may become a party hereto by executing a counterpart hereof, but all of such counterparts together shall be deemed to be one and the same instrument. The parties hereto may deliver this Agreement by telecopier machine/facsimile/pdf, and each party shall be permitted to rely upon the signatures so transmitted to the same extent and effect as if they were original signatures.

VOTING AGREEMENT

This Voting Agreement (this *Agreement*) is made as of March , 2015, by and among Lime Energy Co., a Delaware corporation (the *Parent*), Stephen Guthrie and Janina Guthrie (each, a *Seller* and, together, the *Sellers*). Each capitalized term used herein and not otherwise defined shall have the meaning given to it in the Agreement and Plan of Merger, dated as of the date hereof, by and among the Parent, the Sellers and the other signatories thereto (the *Merger Agreement*).

RECITALS:

WHEREAS, the Sellers have agreed to effect a merger of the Company with and into Merger Sub, with the Company surviving the merger, on the terms and subject the conditions of the Merger Agreement; and

WHEREAS, Parent, as a condition precedent to the consummation of the transactions contemplated by the Merger Agreement, has required that the parties hereto enter into this Agreement.

NOW, THEREFORE, in consideration of the foregoing and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Voting of Shares. From the date hereof until termination of this Agreement pursuant to Section 7 hereof (the *Term*), in any action by consent of the stockholders of the Company or at a meeting of the Company's stockholders (the *Stockholders Meeting*) and at any adjournment or postponement thereof, each of the Sellers shall (A) appear at such meeting, in person or by proxy, or otherwise cause the number of votes represented by all equity interests in the Company having voting rights now beneficially owned (or over which it exercises control) or hereafter acquired by such Seller (the *Interests*), to be counted as present thereat for purposes of establishing a quorum and (B) vote (or cause to be voted) the Interests in favor of the Merger and the transactions contemplated by the Merger Agreement and any other such other matters as may be necessary or advisable in connection therewith (the *Stockholder Approval*).

2. No Disposition of Shares. Each of the Sellers further agrees not to reduce such Seller's beneficial ownership prior to the Company obtaining the Stockholder Approval such that the combined voting power of the Sellers would represent 50% or less of the outstanding shares entitled to vote with respect to the Stockholder Approval.

3. No Inconsistent Arrangements. The Sellers shall not during the Term (i) grant any proxy, power-of-attorney or other authorization in or with respect to the Interests which is inconsistent with this Agreement, (ii) deposit their respective Interests into a voting trust

Edgar Filing: LIME ENERGY CO. - Form PRER14C

or enter into a voting agreement or arrangement with respect thereto if such deposit or voting agreement or arrangement would prevent compliance with this Agreement, or (iii) take any other action that would in any way prevent the performance of his obligations hereunder.

Table of Contents

4. Proxy; Reliance. Each of the Sellers hereby revokes any and all prior proxies or powers of attorney granting voting power in respect of any of the Interests and constitutes and appoints the Parent or the Parent's nominee, with full power of substitution and resubstitution, at any time during the Term, as its true and lawful attorney and proxy (*Proxy*), for and in his or her name, place and stead, to vote each of their respective Interests as its Proxy in favor of the matters set forth in Section 1 at the Stockholders Meeting, including any adjournment or postponement thereof, including the right to sign its name (as stockholder) to any consent, certificate or other document relating to the Company that the Delaware General Corporation Law may permit or require as provided in Section 1 and which is necessary or appropriate in connection with the Merger or Merger Agreement.

THE FOREGOING PROXY AND POWER OF ATTORNEY ARE IRREVOCABLE AND COUPLED WITH AN INTEREST THROUGHOUT THE TERM.

5. Disclosure. Each Seller hereby authorizes the Parent to publish and disclose in an information statement or the proxy statement of the Parent relating to the Merger (including all documents and schedules filed with the SEC), its identity and ownership of the Interests and the nature of its commitments, arrangements and understandings under this Agreement.

6. Representations and Warranties of the Sellers. Each of the Sellers hereby represents and warrants to the Parent as follows:

6.1 Due Authorization, etc. Such Seller has the legal capacity to execute, deliver and perform this Agreement, to appoint the Proxy and to consummate the transactions contemplated hereby. The execution, delivery and performance of this Agreement, the appointment of the Proxy and the consummation of the transactions contemplated hereby have been duly authorized by all necessary action on the part of such Seller. This Agreement has been duly executed and delivered by or on behalf of the Seller and constitutes a legal, valid and binding obligation of the Seller, enforceable against the Seller in accordance with its terms, except as enforcement may be limited by bankruptcy, insolvency, moratorium or other similar laws and except that the availability of equitable remedies, including specific performance, is subject to the discretion of the court before which any proceeding for such remedy may be brought.

6.2 Ownership of Interests. Such Seller will, at the Closing, be the beneficial owner of the Interests set forth opposite its name on Schedule I hereto, and at the Closing, such Interests will constitute all of the Interests owned of record or beneficially by such Seller.

7. Term. This Agreement shall continue from the date hereof until the first to occur of the following (the *Term*): (i) termination by the written mutual consent of all of the parties hereto, (ii) upon effectiveness of Stockholder Approval, or (iii) automatically and without any required action of the parties hereto upon termination of the Merger Agreement in accordance with its terms or the Closing. No such termination of this Agreement shall relieve any party hereto from any liability for any breach of this Agreement prior to termination.

Table of Contents

8. Amendment and Waiver.

(a) No failure or delay on the part of any of the parties hereto in exercising any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The remedies provided for in this Agreement are cumulative and are not exclusive of any remedies that may be available to the parties hereto at law, in equity or otherwise.

(b) Any amendment, supplement or modification of or to any provision of this Agreement, any waiver of any provision of this Agreement, and any consent to any departure by any party from the terms of any provision of this Agreement, shall be effective (i) only if it is made or given in writing and signed by all of the parties hereto, and (ii) only in the specific instance and for the specific purpose for which it is made or given. No amendment, supplement or modification of or to any provision of this Agreement, or any waiver of any such provision or consent to any departure by any party from the terms of any such provision may be made orally.

9. Signatures; Counterparts. Facsimile (and electronic) transmissions of any executed original document and/or retransmission of any executed facsimile (or electronic) transmission shall be deemed to be the same as the delivery of an executed original. At the request of any party hereto, the other parties hereto shall confirm facsimile transmissions by executing duplicate original documents and delivering the same to the requesting party or parties. This Agreement may be executed in any number of counterparts and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

10. Headings. The headings in this Agreement are for convenience of reference only and shall not limit or otherwise affect the meaning hereof.

11. Governing Law. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REGARD TO ITS CONFLICT OF LAW OR CHOICE OF LAW PRINCIPLES.

12. Jurisdiction. Any governmental, judicial or adversarial proceeding (public or private), litigation, suits, arbitration, disputes, demands, claims, actions, causes of action or investigations (collectively, *Proceedings*) seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement shall be brought in the U.S. District Court for the District of Delaware (or, if subject matter jurisdiction is unavailable, in the state courts of the State of Delaware), and each of the parties hereby consents to the exclusive jurisdiction of such court (and of the appropriate appellate courts) in any such Proceeding and waives any objection to venue laid therein. Process in any such Proceeding may be served on any party anywhere in the world, whether within or without the State of Delaware. Without limiting the foregoing, the parties agree that service of process upon such party at the address referred to on the signature pages hereto together with written notice of such service to such party, shall be deemed effective service of process upon such party. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY SUIT, ACTION OR PROCEEDING (INCLUDING ANY COUNTERCLAIM) ARISING OUT OF OR BASED UPON THIS AGREEMENT.

13. Severability. If any one or more of the provisions contained in this Agreement, or the application thereof in any circumstance, is held invalid, illegal or unenforceable in any respect for any reason, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions hereof shall not be in any way impaired, unless the provisions held invalid, illegal or unenforceable shall substantially impair the benefits of the remaining provisions of this Agreement. The parties hereto further agree to replace such invalid, illegal or unenforceable provision of this Agreement with a valid, legal and enforceable provision that will achieve, to the extent possible, the economic, business and other purposes of such invalid, illegal or unenforceable provision.

14. Enforcement of Agreement. The parties hereto acknowledge and agree that if any of the provisions of this Agreement are not performed in accordance with their specific terms by a party hereto, the aggrieved party or parties would be irreparably damaged and such breach could not be adequately compensated in all cases by monetary damages alone. Accordingly, in addition to any other right or remedy to which an aggrieved party may be entitled, at law or in equity, it shall be entitled to enforce any provision of this Agreement by seeking a decree of specific performance and seeking temporary, preliminary and permanent injunctive relief to prevent breaches or threatened breaches of any of the provisions of this Agreement, without posting any bond or other undertaking.

15. Entire Agreement. This Agreement is intended by the parties hereto as a final expression of their agreement and intended to be a complete and exclusive statement of the agreement and understanding of the parties in respect of the subject matter contained herein. There are no restrictions, promises, warranties or undertakings, other than those set forth or referred to herein or therein. This Agreement supersedes all prior agreements and understandings between the parties hereto with respect to such subject matter.

16. Further Assurances. Each party hereto shall execute such documents and perform such further acts as may be reasonably required or desirable to carry out or to perform the provisions of this Agreement.

17. Construction. Each covenant contained herein shall be construed (absent express provision to the contrary) as being independent of each other covenant contained herein, so that compliance with any one covenant shall not (absent such an express contrary provision) be deemed to excuse compliance with any other covenant. Where any provision herein refers to action to be taken by any Person, or which such Person is prohibited from taking, such provision shall be applicable whether such action is taken directly or indirectly by such Person.

18. Entire Agreement; Waiver.
