**ITEM 9A. CONTROLS AND PROCEDURES.**

*Evaluation of Disclosure Controls and Procedures.* The Trust maintains a system of disclosure controls and procedures designed to ensure that information required to be disclosed by the Trust in the reports that it furnishes or files under the Securities Exchange Act of 1934, as amended, is recorded, processed, summarized and reported within the time periods specified in the rules and regulations of the Securities and Exchange Commission. Due to the pass-through nature of the Trust, the Trust's disclosure controls and procedures include controls and procedures designed to ensure that information required to be disclosed by Mesabi Trust is received from Cliffs Natural Resources Inc. ( Cliffs ) and its wholly-owned subsidiary, Northshore Mining Company ( Northshore ). In order to help ensure the accuracy and completeness of the information required to be disclosed in the Trust's periodic and current reports, the Trust employs certified public accountants, geological consultants, and attorneys. These professionals hired by the Trust advise the Trust in its review and compilation of the information in this Form 10-K and the other periodic reports filed by the Trust with the SEC

As part of their evaluation of Mesabi Trust's disclosure controls and procedures, the Trustees rely on quarterly shipment and royalty calculations provided by Northshore and Cliffs. Because Northshore has declined to provide a written certification attesting to whether Northshore has established disclosure controls and procedures and internal controls sufficient to enable it to verify that the information furnished to the Trustees is accurate and complete, the Trustees also rely on (a) an annual certification from Northshore and Cliffs, certifying as to the accuracy of the royalty calculations, and (b) the related due diligence review performed by the Trust's accountants. In addition, Mesabi Trust's consultants review the schedule of leasehold royalties payable, and shipping and sales reports provided by Northshore against production and shipment reports prepared by Eveleth Fee Office, Inc., an independent consultant to Mesabi Trust ( Eveleth Fee Office ). Eveleth Fee Office performs inspections of the Northshore mine and its pelletizing operations, observes production and shipping activities, gathers production and shipping information from Northshore and prepares monthly production and shipment reports for the Trustees. Furthermore, as part of its engagement by Mesabi Trust, Eveleth Fee Office also attends Northshore's calibration and testing of its crude ore scales and boat loader scales which are conducted on a periodic basis.

As of the end of the period covered by this report, the Trustees carried out an evaluation of Mesabi Trust's disclosure controls and procedures. The Trustees have concluded that such disclosure controls and procedures are effective.

*Trustees' Report on Internal Control over Financial Reporting.* The Trustees' Report on Internal Control over Financial Reporting is set forth on page F-2 of the Annual Report. The attestation report of the Trust's independent registered public accounting firm on its assessment of the Trust's internal control over financial reporting is set forth on pages F-3 and F-4 of the Annual Report.

*Changes in Internal Control over Financial Reporting.* To the knowledge of the Trustees, there has been no change in the Trust's internal control over financial reporting that occurred during the Trust's last fiscal quarter that has materially affected, or is likely to materially affect, the Trust's internal control over financial reporting. The Trustees note for purposes of clarification that they have no authority over, and make no statement concerning, the internal controls of Northshore or Cliffs.

**ITEM 9B. OTHER INFORMATION.**

None.

**PART III**

**ITEM 10. DIRECTORS, EXECUTIVE OFFICERS AND CORPORATE GOVERNANCE.**

The Agreement of Trust dated July 18, 1961 (the Agreement of Trust ) provides for a Corporate Trustee and four individual Trustees (collectively, the Trustees ). The Trust does not have, nor does the Agreement of Trust provide for officers, a board of directors or any committees. Generally, the Trustees continue in office until their resignation or removal. Any Trustee may be removed at any time, with or without cause, by the holders of two-thirds in interest of the Certificates of Beneficial Interest in the Trust (the Trust Certificates ) then outstanding. In the case of an individual Trustee, a successor is appointed if the individual Trustee dies, becomes incapable of acting or is adjudged bankrupt or insolvent. In the case of the Corporate Trustee, a successor is appointed if a receiver of the Corporate Trustee or of its property is appointed, or if any public officer takes charge or control of the Corporate Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation. Successor Trustees can only be appointed by the holders of a majority in interest of the Trust Certificates then outstanding. Because such appointments are not made on a regular or periodic basis, the Trust does not have a standing nominating committee or a policy in place for the recommendation and nomination of successor Trustees.

The Trust's activities are limited to collecting income, paying expenses and liabilities, distributing net income to the holders of Trust Certificates (the Unitholders ) after the payment of, or provision for, such expenses and liabilities, and protecting and conserving the assets held. The Trustees have adopted a Code of Ethics that applies to the Trustees. A copy of the Code of Ethics is incorporated by reference in Exhibit 14 of this Form 10-K.

The Trust has not designated a separate audit committee comprised of independent committee members relying on an exemption provided by Rule 10A-3 of the Securities Exchange Act of 1934, as amended. As such, the Trustees have not designated an audit committee financial expert. The Trustees collectively perform the functions of an audit committee.

To carry out the Trustees' duties under the Agreement of Trust, the Trustees meet on a quarterly basis to discuss information and circumstances relevant to the Trust. The Trustees also conduct telephone conferences from time to time between the quarterly meetings to address developments that require more timely attention. The Trust held fifteen meetings either in person or via teleconference in fiscal 2016 and took action by unanimous written consent on one occasion. All of the Trustees were present at all meetings held in fiscal 2016 except for one teleconference meeting in which Robert Berglund was unavailable and was later briefed on the substance of the meeting.

In the third quarter of each year, the Trustees' meeting is typically conducted in connection with the Trustees' annual inspection trip in which they personally visit and tour Northshore's mining operations and plant facilities located near Babbitt and in Silver Bay, Minnesota, respectively. During the inspection trip, the Trustees meet with and interview Northshore personnel with respect to Northshore's current operations, changes in operations, mining plans, capital equipment and facilities.

Because Mesabi Trustees are appointed until they resign or are removed, at the time of nomination the Trustees believe that it is necessary for each Trustee to possess many qualities and skills. Set forth below are the present Trustees' principal occupations and directorships held with other public corporations during the past five years, or longer as material, their ages and the year each of the Trustees was first elected as a Trustee of the Trust.

The Trust believes that each of the individual Trustees has a diversified background and extensive financial, business and industry specific expertise that make him an important resource in the oversight of the Trust's affairs. There are no family relationships among any of the Individual Trustees.

**ITEM 11. EXECUTIVE COMPENSATION.**

**Compensation Discussion and Analysis**

The Trust does not have a board of directors, executive officers or any employees. The compensation paid to the Trustees is governed by the Amendment to the Agreement of Trust dated October 25, 1982, as amended (the Amendment ). The Trust does not use any compensation consultants.

The Amendment does not provide for any stock awards, option awards, non-equity incentive plan compensation, change in pension value, nonqualified deferred compensation earnings or any other compensation. The Trust does not have severance agreements nor does it provide post-retirement benefits to the Trustees. Accordingly, all such tables have been omitted from the Annual Report on this Form 10-K.

Pursuant to the Amendment, each individual Trustee receives at least \$20,000 in annual compensation for services as Trustee. Each year, annual Trustee compensation is adjusted up or down (but not below \$20,000) in accordance with changes from the November 1981 level of 295.5 (the 1981 Escalation Level ) in the All Commodities Producer Price Index (with 1967 = 100 as a base). The All Commodities Producer Price Index is published by the U.S. Department of Labor, Bureau of Labor Statistics. The adjustment is made at the end of each fiscal year and is calculated on the basis of the proportion between (a) the level of such index for the November preceding the end of such fiscal year, and (b) the 1981 Escalation Level. Any action to modify or otherwise vary the compensation of the individual Trustees as provided by the Amendment must be approved by the affirmative vote of 66 2/3% in interest of the Trust Certificates then outstanding. Each of the individual Trustees received total compensation of \$37,657 during fiscal 2016.

## Edgar Filing: MESABI TRUST - Form 10-K

Under the Amendment, the Corporate Trustee receives annual compensation in an amount equal to the greater of (i) \$20,000, or such other amount determined in accordance with the adjustments described in the preceding paragraph, or (ii) one quarter of one percent (1/4 of 1%) of the trust moneys, exclusive of proceeds of sale of any part of the Trust Estate (as such terms are defined in the Agreement of Trust), received by the Trustees and distributed to Unitholders.

Additionally, each year the Corporate Trustee receives \$62,500 to cover clerical and administrative services to Mesabi Trust, other than services customarily performed by a registrar or transfer agent for which the Corporate Trustee is paid additional service fees. The Corporate Trustee earned \$100,157 in cash compensation for the fiscal year ended January 31, 2016, inclusive of the \$62,500 administrative fee. The Corporate Trustee also received \$8,308 for its services as registrar and transfer agent for the year ended January 31, 2016. Accordingly, the Corporate Trustee earned \$108,465 in total compensation for the fiscal year ended January 31, 2016.

Under the Amendment, the Individual Trustees may, in extraordinary circumstances, pay additional compensation to the Corporate Trustee. The decision to pay such compensation must be unanimously approved by the Individual Trustees. The Corporate Trustee did not receive any compensation for extraordinary services with respect to the year ended January 31, 2016.

### **Trustees Compensation Report**

The Trustees have not designated a compensation committee and are not required to do so by applicable law or regulation. The Trustees, as a group, have reviewed and discussed the Compensation Discussion and Analysis ( CD&A ) and based on such review and discussion have recommended that the CD&A be included in this Annual Report on Form 10-K.
