**PROXY STATEMENT**

This Proxy Statement is furnished to the holders of common shares of beneficial interest, par value \$0.01 per share ("Common Shares"), and holders of Series A Mandatory Redeemable Preferred Shares of beneficial interest, par value \$0.01 per share, liquidation preference \$25,000 per share ("Preferred Shares," and together with the Common Shares, the "Shares") of Center Coast Brookfield MLP & Energy Infrastructure Fund, a Delaware statutory trust (the "Fund"), of proxies to be exercised at the 2018 Annual Meeting of Shareholders (the "Meeting") of the Fund to be held at the offices of Brookfield Investment Management Inc., 71 South Wacker Drive, Suite 3400, Chicago, Illinois at 8:45 a.m. CST on May 17, 2018 (and at any adjournment or postponements thereof) for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. This Proxy Statement and the accompanying form of proxy are first being sent to shareholders on or about April 17, 2018.

The persons named as proxy holders on the proxy card will vote in accordance with your instructions and, unless specified to the contrary, will vote FOR the election of the Class I Trustee nominee. The close of business on April 16, 2018, has been fixed as the record date (the "Record Date") for the determination of shareholders entitled to receive notice of, and to vote at, the Meeting. Each Share is entitled to one vote, and each outstanding fractional Share thereof is entitled to a proportionate fractional Share of one vote for each matter properly presented at the Meeting. Votes may not be cumulated. At the close of business on the Record Date, the Fund had 27,979,796 Common Shares and 2,000 Preferred Shares.

Under the Declaration of Trust of the Fund, the holders of a majority of the Shares entitled to vote on any matter at a meeting present in person or by proxy shall constitute a quorum for the purposes of conducting business at such meeting of the Shareholders. In the event that a quorum is not present at the Meeting or otherwise, the chairman of the Meeting has the power to adjourn the Meeting from time to time, to a date not more than 180 days after the Record Date without notice other than announcement at the Meeting.

For purposes of determining the presence of a quorum for transacting business at the Meeting, abstentions and broker "non-votes" (that is, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote Shares on a particular matter with respect to which the brokers or nominees do not have discretionary power), if any, will be treated as Shares that are present for

quorum purposes but not "entitled to vote." Abstentions will have the same effect as votes against Proposal 1. Broker "non-votes" will have no effect on the outcome of the vote on Proposal 1. Since banks and brokers will have discretionary authority to vote Shares in the absence of voting instructions from shareholders with respect to Proposal 1, we expect that there will be no broker "non-votes."

Shareholders who execute proxies retain the right to revoke them by: (a) written notice received by the Secretary of the Fund at any time before that proxy is exercised; (b) signing a proxy bearing a later date or; (c) attending the Meeting and voting in person (attendance at the Meeting will not, by itself, revoke a properly executed proxy). If you hold your Shares in "street name" (that is, through a broker or other nominee), you should instruct your broker or nominee how to vote your Shares by following the voting instructions provided by your broker or nominee.

Photographic identification and proof of ownership will be required for admission to the Meeting. For directions to the Meeting, please contact the Fund at (855) 777-8001 or at [funds@brookfield.com](mailto:funds@brookfield.com). If you are planning to attend the Meeting, please RSVP to [funds@brookfield.com](mailto:funds@brookfield.com) at least one day prior to the Meeting.

**Shareholders may request copies of the Fund's most recent annual report, including the financial statements, without charge, by writing to Investor Relations, Center Coast Brookfield MLP & Energy Infrastructure Fund, Brookfield Place, 250 Vesey Street, 15th Floor, New York, New York 10281-1023. ### **PROPOSAL 1: ELECTION OF CLASS I TRUSTEE**

The Board is divided into three classes: Class I, Class II and Class III. The terms of office of the present Trustees in each class expire at the Annual Meeting in the year indicated and when their respective successors are elected and qualify: Class I, 2018; Class II, 2019 and Class III, 2020. Trustees elected to succeed those whose terms are expiring will be identified as being of that same class and will be elected to serve until the third annual meeting after their election and until their successors are duly elected and qualify.

The persons named in the accompanying form of proxy intend to vote at the Meeting (unless directed not to so vote) for the re-election of Mr. David Levi, a Class I Trustee nominee. Mr. Levi has indicated that he will serve if elected, but if he should be unable to serve or for good cause will not serve as a Trustee, the proxy or proxies will be voted for any other persons determined

by the persons named in the proxy in accordance with their discretion. If elected, Mr. Levi will serve until the 2021 annual meeting of shareholders and until his successor is duly elected and qualifies.

The Fund's Board has determined that Ms. Heather S. Goldman, as well as Messrs. Louis P. Salvatore, Edward A. Kuczmariski and Stuart A. McFarland are each independent under the criteria for independence set forth in the listing standards of the New York Stock Exchange. Mr. David Levi is considered an Interested Trustee. Therefore, upon election of the Class I Trustee nominee by the Fund, the Fund will continue to meet the requirements of the New York Stock Exchange that a majority of trustees be independent.

As described above, there is one nominee for election to the Board at this time. The affirmative vote of affirmative vote of a majority of the Shares present in person or represented by proxy and entitled to vote on the matter at the Meeting at which a quorum is present, with holders of Common Shares and Preferred Shares voting as a single class, is required to elect the Class I Trustee nominee.

**The Board of Trustees recommends that the shareholders vote "FOR" the election of the nominee listed above to serve as the Class I Trustee until the Annual Meeting of Shareholders in 2021 and until his successor has been duly elected and qualifies.**

## Recent Fund Developments

As previously announced, on October 9, 2017, Center Coast Capital Holdings, LLC ("Center Coast") and the equity holders of Center Coast (including Dan C. Tutcher, Founder and Principal of Center Coast and Trustee, President, Chief Executive Officer of the Fund) entered into a Membership Units Purchase Agreement (the "Purchase Agreement") with Brookfield Ranger I LLC ("Acquisition Co.") and Brookfield Investment Management Inc. ("BIM" or the "Adviser"), a wholly-owned subsidiary of Brookfield Asset Management Inc. ("Brookfield"), pursuant to which BIM, through its wholly-owned subsidiary, Acquisition Co., would acquire Center Coast (the "Transaction").

At a Special Meeting of Shareholders of the Fund held on January 23, 2018 (the "Special Meeting"), shareholders of the Fund approved a new investment advisory agreement between the Fund and BIM, to take effect upon the closing of the Transaction (the "New Advisory Agreement").

On February 2, 2018, the Transaction closed and BIM became the investment adviser to the Fund pursuant to the New Advisory Agreement, replacing Center Coast Capital Advisors, LP as the Fund's investment adviser. Pursuant to its terms, the New Advisory Agreement will remain in effect from year to year if approved annually (i) by the Board of Trustees or by the holders of a majority of its outstanding voting securities and (ii) by a majority of the Trustees who are not "interested persons," as defined by the Investment Company Act of 1940, as amended (the "1940 Act"), of any party to the New Advisory Agreement, by vote cast in person at a meeting called for the purpose of voting on such approval. The New Advisory Agreement terminates automatically on its assignment and may be terminated without penalty on 60 days written notice at the option of either party thereto or by a vote of a majority (as defined in the 1940 Act) of the Fund's outstanding Shares.

BIM is an investment adviser registered with the SEC and represents the Public Securities platform of Brookfield. BIM provides global listed real assets strategies including real estate equities, infrastructure equities, real asset debt and diversified real assets. With over \$16 billion of assets under management as of December 31, 2017, BIM manages separate accounts, registered funds and opportunistic strategies for institutional and individual clients, including financial institutions, public and private pension plans, insurance companies, endowments and foundations, sovereign wealth funds and high net worth investors. BIM is a wholly owned subsidiary of Brookfield, a leading global alternative asset manager with over \$285 billion of assets under management as of December 31, 2017.

Upon the closing of the Transaction, the Center Coast team became part of the Brookfield Public Securities Group, which specializes in listed real asset investment opportunities, in both equity and debt. The Brookfield Public Securities Group has a 30-year history of active investment in public markets

and offers actively managed strategies through separately managed accounts, mutual funds, UCITS funds, closed-end funds and private hedge funds.

The portfolio managers of the Fund continue to manage the Fund according to the same objectives and policies.

Upon the closing of the Transaction, the Fund's name was changed to "Center Coast Brookfield MLP & Energy Infrastructure Fund."

### **Board of Trustees**

At the Special Meeting, shareholders of the Fund elected the members of the boards of the other funds in the Brookfield fund complex (the "Fund Complex")\* as the new Trustees of the Fund in order to facilitate the integration of the Fund into the Fund Complex following the closing of the Transaction. The newly elected Trustees of the Fund were seated as Trustees of the Fund, and the terms of the former Trustees (the "Former Trustees") ended, on February 2, 2018.

\* As of the close of business on February 2, 2018, the Fund Complex is comprised of the Fund, Brookfield Real Assets Income Fund Inc., Brookfield Global Listed Infrastructure Income Fund Inc., Center Coast Brookfield Core MLP Fund I, LLC, and Brookfield Investment Funds (6 series of underlying portfolios).

## Information Regarding the Board and its Committees

### *The Role of the Board*

The business and affairs of the Fund are managed under the direction of the Board. The Board provides oversight of the management and operations of the Fund. As is the case with virtually all investment companies (as distinguished from operating companies), the day-to-day management and operation of the Fund is performed by various service providers to the Fund,

such as the Fund's investment adviser and administrator, the sub-administrator, custodian, and transfer agent. The Board approves all significant agreements between the Fund and its service providers. The Board has elected senior employees of the Adviser as officers of the Fund, with responsibility to monitor and report to the Board on the Fund's day-to-day operations. In conducting this oversight, the Board receives regular reports from these officers and service providers regarding the Fund's operations. For example, the Treasurer of the Fund provides reports as to financial reporting matters, and investment personnel of the Adviser report on the Fund's investment activities and performance. The Board has elected a Chief Compliance Officer who administers the Fund's compliance program and regularly reports to the Board as to compliance matters. Some of these reports are provided as part of formal "Board meetings" which typically are held quarterly, in person, and involve the Board's review of recent Fund operations. From time to time, one or more members of the Board may also meet with management in less formal settings, between scheduled "Board meetings," to discuss various topics. In all cases, however, the role of the Board and of any individual Trustee is one of oversight and not of management of the day-to-day affairs of the Fund and its oversight role does not make the Board a guarantor of the Fund's investments, operations or activities.

#### *Board Leadership Structure*

The Fund's Board has structured itself in a manner that it believes allows it to perform its oversight function effectively. 80% of the members of the Board, including the Chairman of the Board, are not "interested persons," as defined in the 1940 Act, of the Fund (the "Independent Trustees"), which are Trustees that are not affiliated with the Adviser or its affiliates. The Board has established three standing committees, an Audit Committee, a Nominating and Compensation Committee, and a Qualified Legal Compliance Committee (the "QLCC") (collectively, the "Committees"), which are discussed in greater detail below. The Audit Committee, Nominating and Compensation Committee and QLCC are each comprised entirely of Independent Trustees. Each of the Independent Trustees helps identify matters for consideration by the Board and the Chairman has an active role in the agenda setting process for Board meetings. Mr. Kuczarski serves as Chairman of the Board. The Audit Committee Chairman also has an active role in the agenda setting process for the Audit Committee meetings. The Fund's Board has adopted Fund Governance Policies and Procedures to ensure that the Board is properly constituted in accordance with the 1940 Act and to set forth examples of certain of the significant matters for consideration by the Board and/or its Committees in order to facilitate the Board's oversight function. For example, although the 1940 Act requires that at least 40% of a fund's directors/trustees not be "interested persons," as defined in the 1940 Act, the Board has determined that the Independent Trustees should constitute at least a majority of the Board. The

Board has determined that its leadership structure is appropriate. In addition, the Board also has determined that the structure, function and composition of the Committees are appropriate means to provide effective oversight on behalf of Fund shareholders. The Independent Trustees have engaged their own independent counsel to advise them on matters relating to their responsibilities to the Fund.

*Board Oversight of Risk Management*

As part of its oversight function, the Board receives and reviews various risk management reports and assessments and discusses these matters with appropriate management and other personnel of the Adviser. Because risk management is a broad concept comprised of many elements, Board oversight of different types of risks is handled in different ways. For example, the full Board receives and reviews reports from senior personnel of the Adviser (including senior compliance, financial reporting and investment personnel) or their affiliates regarding various types of risks, including, but not limited to, operational, compliance, investment and business continuity risks, and how they are being managed. From time to time, the full Board meets with the Fund's Chief Compliance Officer to discuss compliance risks relating to the Fund, the Adviser and the Fund's other service providers. The Audit Committee supports the Board's oversight of risk management in a variety of ways, including meeting regularly with the Fund's Treasurer and with the Fund's independent registered public accounting firm and, when appropriate, with other personnel employed by the Adviser to discuss, among other things, the internal control structure of the Fund's financial reporting function and compliance with the requirements of the Sarbanes-Oxley Act of 2002. The Audit Committee also meets regularly with the Fund's Chief Compliance Officer to discuss compliance and operational risks and receives reports from the Adviser's internal audit group as to these and other matters.

*Information about Each Trustee's Qualification, Experience, Attributes or Skills*

The Board believes that each of the Trustees, including the Class I Trustee nominee, has the qualifications, experience, attributes and skills ("Trustee Attributes") appropriate to serve as a Trustee of the Fund in light of the Fund's business and structure. Certain of these business and/or professional experiences are set forth in detail in the table above. The Trustees have substantial board experience or other professional experience and have demonstrated a commitment to discharging their oversight responsibilities as Trustees. The Board, with the assistance of the Nominating and Compensation Committee, annually conducts a "self-assessment" wherein the performance of the Board and the Committees are reviewed.

In addition to the information provided in the table above, below is certain additional information regarding each Trustee, including the Class I Trustee

nominee, and certain of their Trustee Attributes. Although the information provided below, and in the table above, is not all-inclusive, the information describes some of the specific experiences, qualifications, attributes or skills that each Trustee possesses to demonstrate that the Trustee have the appropriate Trustee Attributes to serve effectively as Trustees of the Fund. Many Trustee Attributes involve intangible elements, such as intelligence, integrity and work ethic, the ability to work together, the ability to communicate effectively, the ability to exercise judgment and ask incisive questions, and commitment to shareholder interests. In conducting its self-assessment, the Board has determined that the Trustees have the appropriate attributes and experience to serve effectively as Trustees of the Fund.

#### *Nominating and Compensation Committee Considerations for Independent Trustees*

The Nominating and Compensation Committee evaluates candidates' qualifications for Board membership. When evaluating candidates, the

Nominating and Compensation Committee considers a number of attributes including leadership, independence, interpersonal skills, financial acumen, integrity and professional ethics, educational and professional background, prior director/trustee or executive experience, industry knowledge, business judgment and specific experiences or expertise that would complement or benefit the Board as a whole. The Nominating and Compensation Committee also may consider other factors/attributes as it may determine appropriate in its own judgment. The Nominating and Compensation Committee believes that the significance of each nominee's background, experience, qualifications, attributes or skills must be considered in the context of the Board as a whole. As a result, the Nominating and Compensation Committee has not established a litmus test or quota relating to these matters that must be satisfied before an individual may serve as a director/trustee. The Nominating and Compensation Committee believes that board effectiveness is best evaluated at a group level, through the annual self-assessment process. Through this process, the Nominating and Compensation Committee considers whether the Board as a whole has an appropriate level of sophistication, skill, and business acumen and the appropriate range of experience and background. The diversity of a candidate's background or experiences, when considered in comparison to the background and experiences of other members of the Board, may or may not impact the Nominating and Compensation Committee's view as to the candidate. In evaluating these matters, the Nominating and Compensation Committee typically considers the following minimum criteria:

- With respect to nominations for Independent Trustees, nominees shall be independent of the Adviser and other principal service providers. The Nominating and Compensation Committee of the Fund shall also consider the effect of any relationship beyond those delineated in the 1940 Act that might impair independence, such as business, financial or family relationships with the investment adviser or its affiliates.
- Independent Trustee nominees must qualify for service on the Fund's Audit Committee under the rules of the New York Stock Exchange (including financial literacy requirements) or of another applicable securities exchange.
- With respect to all Trustees, a proposed nominee must qualify under all applicable laws and regulations.
- With respect to Independent Trustees, the proposed nominee must agree to invest an amount equal to 1.5 years' worth of Trustee compensation in the Fund Complex within three years of becoming a Trustee.
- The Nominating and Compensation Committee of the Fund also may consider such other factors as it may determine to be relevant.

### *Board Meetings*

The Fund's Board held four regular meetings during the fiscal year ended November 30, 2017. The Chairman of the Board of Trustees, who is elected by the Independent Trustees, will preside at each executive session of the Board, or if one has not been designated, the chairperson of the Nominating and Compensation Committee shall serve as such.

### *Audit Committee*

The Fund has a standing Audit Committee that was established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), which currently consists of Messrs. Salvatore, Kuczmariski and McFarland and Ms. Goldman, all of whom are Independent Trustees. The principal functions of the Audit Committee are to review the Fund's audited financial statements, to select the Fund's independent auditors, to review with the Fund's auditors the scope and anticipated costs of their audit and to receive and consider a report from the auditors concerning their conduct of the audit, including any comments or recommendations they might want to make in connection therewith. Mr. Salvatore serves as Chairman of the Audit Committee, and the Board has determined that Messrs. Salvatore, McFarland and Kuczmariski each qualify and are designated as an "audit committee financial expert," as defined in Item 401(h) of Regulation S-K promulgated by the Securities and Exchange Commission.

The Fund's Board of Trustees has adopted a written charter for its Audit Committee, which is available on the Fund's website at <https://publicsecurities.brookfield.com/en/us-closed-end-funds/center-coast-brookfield-mlp-infrastructure-fund?id=498>. A copy of the Fund's Audit Committee Charter is also available free of charge, upon request directed to Investor Relations, Brookfield Global Listed Infrastructure Income Fund Inc., Brookfield Place, 250 Vesey Street, 15th Floor, New York, New York 10281-1023.

The current Trustees were seated as Trustees of the Fund on February 2, 2018. During the fiscal year ended November 30, 2017, the Fund's Audit Committee, which was then comprised of the Former Trustees that were classified under the 1940 Act as "non-interested" persons of the Fund, held 3 meetings.

### *Nominating and Compensation Committee*

The Fund has a Nominating and Compensation Committee, which currently consists of Messrs. Kuczmariski, McFarland and Salvatore and Ms. Goldman, all of whom are Independent Trustees and independent as independence is defined in New York Stock Exchange, Inc.'s listing standards. Mr. Kuczmariski serves as Chairman of the Nominating and Compensation

Committee. The function of the Fund's Nominating and Compensation Committee is to recommend candidates for election to its Board as Independent Trustees. The Fund's Nominating and Compensation Committee evaluates each candidate's qualifications for Board membership and their independence from the Adviser and other principal service providers.

The Nominating and Compensation Committee will consider nominees recommended by shareholders who, separately or as a group, own at least one percent of the Fund's Shares. For a list of the minimum criteria used by the Nominating and Compensation Committee to assess a candidate's qualifications, please see "Nominating and Compensation Committee Considerations for Independent Trustees" above.

When identifying and evaluating prospective nominees, the Nominating and Compensation Committee reviews all recommendations in the same manner, including those received by shareholders. The Nominating and Compensation Committee first determines if the prospective nominee(s) meets the minimum qualifications set forth above. Those proposed nominees meeting the minimum qualifications as set forth above are then to be considered by the Nominating and Compensation Committee with respect to any other qualifications deemed to be important. Those proposed nominees meeting the minimum and other qualifications and determined by the Nominating and Compensation Committee as suitable are nominated for election by the Committee.

Shareholder recommendations should be addressed to the Nominating and Compensation Committee in care of the Secretary of the Fund and sent to Brookfield Place, 250 Vesey Street, 15th Floor, New York, New York 10281-1023. Shareholder recommendations should include biographical information, including business experience for the past nine years and a description of the qualifications of the proposed nominee, along with a statement from the nominee that he or she is willing to serve and meets the requirements to be an Independent Trustee, if applicable. The Fund's Nominating and Compensation Committee also determines the compensation paid to the Independent Trustees. The Board has adopted a written charter for its Nominating and Compensation Committee, which is available on the Fund's website at <https://publicsecurities.brookfield.com/en/us-closed-end-funds/center-coast-brookfield-mlp-infrastructure-fund?id=498>. A copy of the Fund's Nominating and Compensation Committee Charter is also available free of charge, upon request directed to Investor Relations, Center Coast Brookfield MLP & Energy Infrastructure Fund, Brookfield Place, 250 Vesey Street, 15th Floor, New York, New York 10281-1023.

The current Trustees were seated as Trustees of the Fund on February 2, 2018. The Former Trustees had established a Nominating and Governance Committee (the "Legacy Nominating Committee"), which held 2 meetings during the fiscal year ended November 30, 2017.

Prior to the closing of the Transaction, at a meeting of the Board of Trustees of the Fund held on January 23, 2017, the Legacy Nominating Committee recommended Mr. Levi as the nominee for election at the Meeting, after which the Former Trustees nominated Mr. Levi to serve as the Class I Trustee.

#### *Qualified Legal Compliance Committee*

The Fund has a standing Qualified Legal Compliance Committee ("QLCC"). The QLCC was formed for the purpose of compliance with Rules 205.2(k) and 205.3(c) of the Code of Federal Regulations, regarding alternative reporting procedures for attorneys retained or employed by an issuer who appear and practice before the Securities and Exchange Commission on behalf of the issuer (the "issuer attorneys"). An issuer attorney who becomes aware of evidence of a material violation by the Fund, or by any officer, Trustee, employee, or agent of the Fund, may report evidence of such material violation to the QLCC as an alternative to the reporting requirements of Rule 205.3(b) (which requires reporting to the chief legal officer and potentially "up the ladder" to other entities). The QLCC meets as needed. The QLCC currently consists of Messrs. Kuczmariski, McFarland and Salvatore and Ms. Goldman.

The current Trustees were seated as Trustees of the Fund on February 2, 2018 and established the QLCC. Accordingly, during the fiscal year ended November 30, 2017, the Fund's QLCC did not meet.

#### **Code of Ethics**

*Code of Ethics.* The Fund has adopted a code of ethics that applies to all of its Trustees and officers and any employees of the Fund's external manager or its affiliates who are involved in the Fund's business and affairs. This code of ethics is designed to comply with Securities and Exchange Commission regulations and New York Stock Exchange listing standards related to codes of conduct and ethics and is available on the Fund's website at <https://publicsecurities.brookfield.com/en/us-closed-end-funds/center-coast-brookfield-mlp-infrastructure-fund?id=498>. A copy of the Fund's code of ethics also is available free of charge, upon request directed to Investor Relations, Center Coast Brookfield MLP & Energy Infrastructure Fund Brookfield Place, 250 Vesey Street, 15th Floor, New York, New York 10281-1023.

There is no family relationship between any of the Fund's current officers or Trustees. There are no orders, judgments, or decrees of any governmental agency or administrator, or of any court of competent jurisdiction, revoking or suspending for cause any license, permit or other authority to engage in the securities business or in the sale of a particular security or temporarily or permanently restraining any of the Fund's officers or Trustees from engaging in or continuing any conduct, practice or employment in connection with the purchase or sale of securities, or convicting such person of any felony or misdemeanor involving a security, or any aspect of the securities business or of

The aggregate annual retainer paid to each Independent Trustee of the Board for the Fund Complex is \$155,000. All proposals should be directed to the Secretary of the Fund, at Brookfield Place, 250 Vesey Street, 15th Floor, New York, New York 10281-1023.

Pursuant to the current Bylaws of the Fund, nominations of individuals for election to the Board and the proposal of other business to be considered by the shareholders may be made at an annual meeting of shareholders by any shareholder who was a shareholder of record both at the time of giving of the prescribed notice by the shareholder and at the time of the annual meeting, who is entitled to vote at the meeting in the election of each individual so nominated or on any such other business. For any nomination or other business to be properly brought before an annual meeting by a shareholder, the shareholder must have given timely notice thereof in writing to the Secretary of the Fund, Brookfield Place, 250 Vesey Street, 15th Floor, New York, New York 10281-1023, and in the case of any such other business, such other business must otherwise be a proper matter for action by the shareholders. To be timely, a shareholder's notice must be delivered to the Secretary of the Fund not earlier than the 120th day nor later than the 90th day prior to the first anniversary of the preceding year's annual meeting. For matters to be presented at the 2019 annual meeting of shareholders, the notice must be delivered to the Secretary of the Fund not earlier than January 17, 2019 and not later than February 16, 2019. The notification must be in the form prescribed by the current Bylaws. The advance notice provisions provide the Fund and its Trustees with the opportunity to thoughtfully consider and address the matters proposed before the Fund prepares and mails its proxy statement to shareholders. In no event shall the public announcement of a postponement or adjournment of an annual meeting to a later date or time commence a new time period for giving of a shareholder's notice as described above. Please contact the Secretary of the Fund for additional information about the advance notice requirements.

Shareholder proposals that are submitted in a timely manner, as described above, will not necessarily be included in the Fund's proxy materials. Inclusion of such proposals is subject to limitations under the federal securities laws.

### **EXPENSES OF PROXY SOLICITATION**

The cost of preparing, mailing and assembling material in connection with this solicitation of proxies will be borne by the Fund. In addition to the use of the mail, proxies may be solicited personally by officers of the Fund or by regular employees of the Adviser. Brokerage houses, banks and other fiduciaries will be requested to forward proxy solicitation material to their principals to obtain authorization for the execution of proxies, and they will be reimbursed by the Fund for out-of-pocket expenses incurred in connection therewith.
