Also includes 82,384 shares issuable upon the exercise of warrants held by Harbourside Investments, LLLP, a Georgia limited liability limited partnership (the "Partnership"), of which the Reporting Person is the sole general partner. The number of shares to be issued in such an exchange is not currently determinable.

(2) Pursuant to Rule 13d-3, the percentage reflects the relationship of the number of shares of Common Stock of the Issuer that the Reporting Person beneficially owns bears to the 9,341,436 shares of the Common Stock outstanding at October 31, 2003 (as reported in the Issuer's quarterly report on Form 10-Q for the quarter ended September 30, 2003) plus 82,384 shares of Common Stock issuable upon exercise of the warrants held by the Partnership.

**Item 1. Security and Issuer**

This statement of beneficial ownership on Schedule 13D (this "Statement") relates to the common stock, par value \$.01 per share (the "Common Stock") of Miller Industries, Inc., a Tennessee corporation (the "Issuer"). The principal executive offices of the Issuer are located at 8503 Hilltop Drive, Ooltewah, Tennessee 37363.

**Item 2. Identity and Background**

(a) The Reporting Person is William G. Miller.

(b) The Reporting Person's address is 5025 Harrington Road, Alpharetta, Georgia 30022.

(c) The Reporting Person's occupation is Chairman of the Board of Directors and Co-Chief Executive Officer of the Issuer.

(d) During the last five years, the Reporting Person has not been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

(e) During the last five years, the Reporting Person has not been a party to a civil proceeding of a judicial or administrative body or competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

(f) The Reporting Person is a citizen of the United States of America.

**Item 3. Source and Amount of Funds or Other Consideration**

The Reporting Person caused Harbourside Investments, LLLP, a Georgia limited liability partnership (the "Partnership"), of which the Reporting Person is a limited partner and the sole general partner, to purchase subordinated debt and warrants to purchase Common Stock of the issuer from Contrarian Funds, LLC ("Contrarian"). In addition, the Partnership is in negotiations with the Issuer to exchange a portion of such subordinated debt and all of such warrants for Common Stock of the Issuer.

In October 2003, Contrarian purchased of all of the outstanding subordinated debt of the Issuer (the "Subordinated Debt") under that certain Amended and Restated Credit Agreement, dated July 23, 2001, as amended, by and among the Issuer and Miller Industries Towing Equipment, Inc., a Delaware corporation and Bank of America, N.A. in its capacity as a lender, and other financial institutions. In connection with the acquisition of the Subordinated Debt, Contrarian also purchased warrants, or the rights to receive warrants (the "Warrants"), issued or to be issued by the Issuer pursuant to that certain Warrant Agreement, dated July 23, 2001, by and among the Issuer, Bank of America, N.A., SunTrust Bank, Wachovia Bank, N.A. and Amsouth Bank.

After completing its purchase of the Subordinated Debt and Warrants, Contrarian then approached the Issuer regarding a possible exchange of a portion of the Subordinated Debt for equity of the Issuer. At that time it also notified the Issuer of its intention to offer a minority interest of approximately 44% in the Subordinated Debt to the Partnership, which includes certain officers and directors of the Company as partners. The Board of Directors of the Company empowered a special committee consisting of its three non-employee members to engage in all negotiations with Contrarian on behalf of the Company.

---

In addition to the Reporting Person being a limited partner and the sole general partner of the Partnership, other members of the senior management of the Issuer, including the Issuer's other co-Chief Executive Officer, Chief Financial Officer, and Executive Vice President and General Counsel, are limited partners of the Partnership (the "Limited Partners"). In connection with the formation of the Partnership, the Reporting Person made loans to the Limited Partners, the proceeds of which the Limited Partners then contributed to the Partnership. These loans from the Reporting Person to the Limited Partners are secured by pledges of their respective limited partnership interests to the Reporting Person.

Pursuant to an Assignment and Acceptance, dated November 24, 2003, by and between Contrarian and the Partnership (the "Purchase Agreement"), the Partnership purchased from Contrarian 44.286% of the principal amount of the Subordinated Debt and the associated Warrants to purchase up to an aggregate of 82,384 shares of the Issuer's common stock (the "Assigned Warrants") for an aggregate purchase price of \$4,210,618.60. The Partnership paid the purchase price in cash out of the capital contributions to the Partnership, which have been made from the personal funds of the partners, including the Reporting Person.

The Issuer is negotiating separate agreements with Contrarian and the Partnership (the "Exchange Agreements"), pursuant to which Contrarian and the Partnership would convert (the "Debt Conversion") a portion of the Subordinated Debt that they hold (the "Conversion Portion") into equity of the Company. Except for the condition that the Partnership's agreement be approved by the Company's shareholders, the Exchange Agreements, if entered into, are expected to be identical in all material respects to each other. The Partnership's Conversion Portion would be determined by subtracting \$4,293,217 (the "Base Amount"), which is 70% of the principal amount of the Subordinated Debt held by it, from the total amount of principal, interest and fees outstanding with respect to the Subordinated Debt that the Partnership holds on the date of closing (the "Exchange Closing Date"). In the Debt Conversion, the Partnership would receive a number of shares of the Company's common stock equal to the Conversion Portion divided by the average closing price per share of the Company's common stock for each trading day in the calendar fourth quarter of 2003, subject to a minimum price of \$5.00 per share and a maximum price of \$7.00 per share (the "Exchange Ratio").

As a part of the Exchange Agreements, the Issuer is also negotiating with Contrarian and the Partnership the conversion of all of their respective Warrants into shares of the Company's common stock (the "Warrant Conversion") on the Exchange Closing Date. Pursuant to the Warrant Conversion, the Partnership would receive a number of shares of the Company's common stock for each Warrant that is equal to (1) the Exchange Ratio minus the exercise price of the Warrant, (2) multiplied by the total number of shares underlying the Warrant, and (3) divided by the Exchange Ratio.

The exact number of shares of Company's Common Stock that would be issued to the Partnership under the Debt Conversion and Warrant Conversion can not be calculated at this time because the Exchange Ratio and the amount of interest accrued on the principal outstanding under the Junior Credit Facility can not be determined until the Exchange Closing Date. The Company may also agree to register for resale the shares of Common Stock issued to the Partnership in the exchange with the Securities and Exchange Commission as soon as practicable following the closing of the exchange transaction.

The Issuer has not entered into an agreement with Contrarian or the Partnership regarding the exchange of debt for equity described herein and there can be no assurance that any such agreement will be entered into, or will entered into on the terms described herein. Each of the Exchange Agreements will not be conditioned upon any such agreement with the other holder of Subordinated Debt and Warrants, nor is shareholder approval of the Partnership's exchange agreement conditioned in any way upon any such agreement with Contrarian.

---

The Reporting Person has previously filed a Schedule 13G on July 14, 1998. This Statement is being filed as a result of the Reporting Person causing the Partnership to enter into the Purchase Agreement and the Partnership's Exchange Agreement.

**Item 4. Purpose of Transaction**

The Reporting Person caused the Partnership to enter into the Purchase Agreement because he views the purchase of the Subordinated Debt and the Assigned Warrants as an attractive investment opportunity and because he believes that the Partnership's purchase of the Subordinated Debt will facilitate the Issuer's restructuring of its senior credit facility. There can be no assurance that the refinancing of the Issuer's senior credit facility will occur even if the transactions contemplated in the Purchase Agreement and the proposed Exchange Agreements are completed.

The Reporting Person, in his capacity as Chairman of the Board and co-Chief Executive Officer of the Issuer, will be involved in the management of the Issuer. Except as set forth above in this Item 4, the Reporting Person does not have any plan or proposal that relates to or would result in any other action specified in clauses (a) through (j) of Item 4 of Schedule 13D.

**Item 5. Interest in Securities of the Issuer**

(a) - (b) The 1,515,760 shares of Common Stock currently held by the Reporting Person (the "Shares") plus the 82,384 shares underlying the Assigned Warrants represent 17.0% of the 9,341,436 shares of Common Stock outstanding at October 31, 2003 (as reported in the Issuer's quarterly report on Form 10-Q for the quarter ended September 30, 2003) plus 82,384 shares of Common Stock issuable to the Partnership upon exercise of the Assigned Warrants. 109,288 of the Shares are held by the Miller Family Foundation, Inc., of which the Reporting Person is the sole director. The Reporting Person has sole power to vote and dispose of the Shares. The Reporting Person beneficially owns the 82,384 shares of Common Stock underlying the Assigned Warrants. The Reporting Person would have the sole power to vote and dispose of the 82,384 shares underlying the Assigned Warrants upon the exercise of the Assigned Warrants.

The number of shares of Common Stock currently held by the Reporting Person does not include the number of shares that the Partnership would receive upon the completion of the Debt Conversion and the Warrant Conversion pursuant to the proposed Exchange Agreements. At this time, the specific number of shares of Common Stock that the Partnership would receive is not currently known because variables used to determine that amount, including the price per share of the Common Stock and the principal, interest and fees outstanding with respect to the Subordinated Debt, will only be known at the Exchange Closing Date.

(c) Except for the transactions described herein, no transactions in shares of Common Stock of the Issuer were effected by the Reporting Person.

(d) No person other than the Reporting Person is known by him to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Shares.

(e) Not applicable.

---

**Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer**

Except as described in Item 3 of this Statement, as of the date of this Statement, there are no contracts, arrangements or understandings involving the Reporting Person with respect to any securities of the Issuer has been reached with any such person.

**Item 7. Material to be Filed as Exhibits**
