**Item 7.01 Regulation FD Disclosure.**

On July 9, 2010, QEP Resources, Inc. issued a press release announcing that it had commenced change of control offers to purchase any and all of each series of its outstanding senior notes. The offers to purchase are required because of provisions in the Company's indenture (and related instruments) relating to a change of control of the Company. The change of control provision has been triggered as a result of the June 30, 2010, spin-off by Questar Corporation to its shareholders of 100% of the stock of the Company and the subsequent downgrade of the credit ratings of the Company's senior unsecured debt to below investment grade by Moody's Investors Service and by Standard and Poor's which occurred on July 2, 2010. The Company has adequate availability under its committed credit facilities to fund the offers to purchase. A copy of the press release announcing the change of control offers to purchase is filed as Exhibit 99.3 hereto.
