Item 7.01 Regulation FD Disclosure

Coffee Holding Co., Inc. (the “Company”) today announced in certain trade publications that the Company, Coffee Holding Acquisition LLC, a soon-to-be organized subsidiary of the Company (the “Buyer”), and Organic Products Trading Company, a Washington corporation (the “Seller”), have reached an agreement in principal for Buyer to purchase substantially all of the assets, including inventory, trademarks and customer and supply-chain relationships (the “Assets”) of Seller (collectively, the Company, the Buyer and the Seller are the “Parties”). Seller works directly with coffee farmers in South America and Central America to develop and import high quality certified organic green specialty coffee which is sold directly to small and medium-sized roasters throughout the United States and Canada. Seller generates annual revenues of approximately \$10.0 million.

Under the terms of the proposed transaction, pursuant to an asset purchase agreement that would cover the proposed transaction (the “Asset Purchase Agreement”), Buyer will purchase the Assets for a purchase price consisting of: a) \$450,000 in cash at closing, b) an additional \$50,000 in cash if Buyer generates a pre-tax net profit of \$300,000 or more within a certain period, which payment will be made at a to-be-determined date, c) 50,000 shares of Company common stock at closing, d) up to an additional 10,000 shares of Company common stock if Buyer generates a pre-tax net profit of \$300,000 or more within certain periods, which payments will be made at to-be-determined dates, and e) at closing, a cash amount based on the cost of inventory transferred to Buyer.

In addition, as part of the proposed transaction, all of the employees of Seller would become employees of Buyer, which would operate from Seller’s Vancouver, Washington location, and Buyer would change its name to Organic Products Trading Co., LLC. The Company would agree to guarantee performance of Buyer and to pay the obligations of Buyer under the Asset Purchase Agreement. The Asset Purchase Agreement will contain customary representations and warranties relating to the Assets and covenants relating to the proposed purchase of the Assets.

The proposed transaction remains subject to final approval by the Boards of Directors of the Company and the Seller and remains subject to the completion and execution of the Asset Purchase Agreement covering the proposed transaction.

Additional information regarding this transaction will be included in future Company filings with the Securities and Exchange Commission (“SEC”) if and when the Parties enter into a material definitive agreement regarding this proposed transaction.
