Yoqneam, Israel, February 20, 2006- MIND C.T.I. LTD. (NASDAQ: MNDO), a leading provider of convergent end-to-end billing and customer care solutions for VoIP, Mobile, 3G and Triple-play carriers worldwide, today announced results for the fourth quarter and year ended December 31, 2005.

Monica Eisinger, Chairperson and CEO, commented: "I am extremely pleased with reaching record results this quarter, both for revenue and operating income. In 2005 we achieved our long-term goal of finding the right acquisition target and closing it in a beneficial way. The strategic acquisition of Sentori strengthened our presence in the US and in the mobile market. During the quarter we completed deployments for some existing orders and had some new wins. The revival of the US markets and our focus on the wireless markets combined with our successful integration of the two businesses result in a stronger than ever backlog and pipeline, which we expect to lead to growth in the coming quarters."

MIND also announced today the appointment of Shalom Bronstein, 56, as the Company's new Chief Financial Officer (CFO). Mr. Bronstein replaces Arie Ganot who served at MIND since 1998 and as CFO since 2002 and who now intends to pursue other business opportunities. We thank Mr. Ganot for his contribution to the company's success. The appointment becomes effective February 20, 2006. Mr. Bronstein comes to MIND after serving as CFO for Matav Cable Systems Media Ltd. (NASDAQ: MATV) from 1989 to 2005. Mr. Bronstein is a Certified Public Accountant. He holds a B.A. in Accounting and Economics from Tel- Aviv University and an MBA from Bradford University.

Monica Eisinger commented on the appointment: "We welcome Shalom, a veteran and accomplished executive, to our strong management team and we believe that with his international financial experience as CFO for a public company, he will play a key role in the continued implementation of our growth strategy."

As of December 31, 2005, we had 284 employees in our four offices.
